## Colts Carnival Returns

*Danielle Robertson*

The brightest young talent of Australian Rules Football in country WA will be on display at the Esperance Freight Lines Great Southern Colts Carnival on the weekend of the 13 - 14 June 2015.

Over 200 players consisting of representative teams from Goldfields, Esperance, Great Southern, Eastern Districts, Ongerup, Upper Great Southern and Peel Districts Leagues plus their support staff and spectators will converge on Lake Grace to compete in the carnival.

It is an excellent opportunity to showcase the best colts' talent from these leagues, with many past participants going on to play in both the WAFL and the AFL. Teams will compete in a round robin fixture to become the Great Southern Champions for 2015.

The Great Southern 20, an all-stars team comprising of the most talented players throughout the carnival will be selected. This team will then participate in the Landmark Championships in Mandurah in July.

Carnival Committee Coordinator, John O'Neill said that this is a great opportunity for country WA's young footballers to be noticed and to pave the way to higher levels of football. John has a committed team working with him in Lake Grace with support from the Great Southern Football Council to ensure the carnival is a success.

The Lake Grace/Pingrup Football Club will be holding a busy bee on Thursday 11th and Friday 12th June to make sure the ovals and surrounds are in the best condition for the carnival. If you have a couple of hours to spare please don't hesitate to pop down the oval and lend a hand.

The organisers are also looking for any spare beds and mattresses that can be borrowed for the players accommodations for the weekend. Contact John O'Neill 0487 651 227 or Royce Taylor 0427 652 507 if you can help out there.

***Coordinator John O'Neill is looking forward to a successful Colts Carnival on the 13th and 14th June.***

Funding sourced through the RAC will see the organisers promoting road safety messages throughout the weekend and keep your eye out for a special visitor who will be on site on Saturday.

For further information on the carnival contact Great Southern Football Council President Graeme Taylor, 0428 651 213 or Secretary Dennis Knill, 0428 711 746 or John O'Neill.

## Deadlines & Editions

All articles, news & advertisements are to be submitted to the Lake Grace Community Resource Centre by 3pm on Monday of paper week.

**Next Deadline**  
Monday 15th June

**Next Edition**  
Thursday 18th June

# Thanks

To the **very** dedicated team who have volunteered their time to this edition of the Lakes Link News.

Dick Phillips

Gwen Oliver

Elsie Bishop

Thank you also to our many contributors of articles.

### DISCLAIMER

- 1) No liability shall be incurred by the Lakes Link News by reason of any amendments to, or error or inaccuracy in, or the partial or total omission of an advertisement or by reason of delay or default or from any other cause whatsoever. If in the opinion of Lakes Link News the error clearly reduces the value of the advertisement and the advertiser notifies it to Lakes Link News within seven days of the publication date, then one correct insertion will be made without charge.
- 2) While the Lakes Link News aims to publish all material submitted, Lakes Link News reserves the right to refuse to publish or re-publish any contribution or advertisement without giving any reason.
- 3) No articles, letters or advertisements will be accepted which may appear to be defamatory or accusatory, or to favour one side in a legal dispute.
- 4) Lakes Link News reserves the right to shorten or otherwise amend any contribution other than advertisements.
- 5) The opinions, views and beliefs expressed in articles and other submissions to the Lakes Link News do not necessarily reflect the opinions, views or beliefs of the CRC staff or Committee.

***335 copies printed and sold each fortnight***

# Editorial

- Oops we forgot to put our page in last fortnight 'from the archives', hence we have the May page in this edition.
- A big thank you to those who have filled in the 'what do you want' questionnaires that were included in the last Links. From this we will start planning some workshops, the first cab off the rank is crochet. We will be starting workshops on Friday 26th June, see page 30 for more information. Please ring to book in.
- We have a writing workshop coming up on

## Workshop Calendar...

**Microsoft Publisher** - Tuesday 23rd June. 9am to midday. FREE. Creating a blank publication, working with text boxes, cutting, copying & pasting, text box tools, drawing tools, text wrapping, working with graphics, inserting tables, working with shapes, page design and view.

**Beginner Word** - Wednesday 24th June. 9am to midday. FREE. Opening a new document, Changing your view, Page formatting, Cutting, copying and pasting, Fonts and font activities, Saving & save as, Aligning your work, Bullet points, Spelling & grammar check, Borders, Tabs and Printing your document.

**Microsoft Excel** - Thursday 25th June. 9am to midday. FREE. Finding your way around the workbook, cells, resizing & merging, inserting rows & columns, borders, filtering and formulas.

**Forklift** - 21st July 2015. Cost \$265.42 (non concession) and \$172.22 (concession). Limited places so get in quick to reserve your spot. If you would be interested in doing this then please give us a call.

**News Writing for Beginners** - 22nd July 2015. FREE for anyone submitting material to the Lakes Link News.

**MC Licensing Training & Assessment** - 14th September 2015. Cost is \$1,200 plus \$150 p/h for training.

**Windows 8** - One-on-one. Book your appointment. FREE.

**Facebook** - Need names. FREE. Changing your settings, loading photos or documents, sharing, finding friends and more.

If you are interested in any of the above please phone the Lake Grace Community Resource Centre on 9865 1470.

Wednesday 22nd July, this will centre around improving your capacity to write articles and media releases. A wonderful opportunity for our many contributors to the Lakes Link News and for anyone wishing to promote their own business or perhaps a community group they're involved in. The workshop is FREE. Don't hesitate to book in.

- Our forklift workshop is set for Tuesday 21st July, at this stage we may have enough names for running a second one on the 22nd July. If you're interested please contact us for the enrolment forms otherwise you may miss out.
- A patchwork pachyderm, aka the Elephant in the Wheatbelt, will be visiting Lake Grace on the Saturday of the Colts Carnival (13th June). He'd love to meet you so drop in and admire him and have a chat with his friend Daniel.
- The Land Conservation District Committee's AGM is this coming Tuesday, 9th June at 4:30pm. Always looking for more members so if you would like to be a part of this group then come along.

*Suzanne Reeves*

Applications are invited for the position of **Trainee** with the **Lake Grace Community Resource Centre**.

We are seeking a person who is well presented, community orientated and keen to commit themselves to a Traineeship for a period of 12 months, commencing in July 2015.

The successful applicant will receive training in a busy office environment in conjunction with formal TAFE modules completing a Certificate III in Business.

The successful applicant will have the opportunity to gain valuable work experience while earning. This is a full time position but can be tailored to suit other commitments.

**Interested persons are asked to contact Suzanne Reeves at the Lake Grace Community Resource Centre for an application package. Applications close Friday 5th June.**

# What a Drama

*Stella Dines*

On the 22<sup>nd</sup> of May I was one of six representatives from Lake Grace District High School to compete in The Lakes Speech, Drama and Arts Festival in Dumbleyung. We got there by bus. It was held at the Dumbleyung Town Hall. The hall was packed with people and at the back of the hall was lots of student artwork.

There were seven other schools there: Braeside PS, Dumbleyung PS, Hyden PS, Kukerin PS, Kulin PS, Nyabing PS and Wickepin PS.

There were 27 competitors in my section and I was the 19<sup>th</sup>. When they called my name I felt very nervous. Once I finished my poem I walked off the stage with a huge grin. When it was time for the awards the adjudicator, Mrs Tara Green, announced that they would be awarding four Highly Commended places and one First Place. "Imagine how that would feel...?" I wondered.

When Mrs Green announced the fourth Highly Commended I was so delighted that she called out my name! I was so happy! Little did I know that I was the first place getter from Lake Grace since 2012!

When it was time to go I felt quite relieved that it was all over. Thankyou Mr Cooper for making this possible.

***Left: A very happy Stella Dines with her 'Highly Commended' certificate from the Lakes Speech, Drama and Arts Festival.***

**WE ARE HERE TO HELP**

# Losing Those Kilos

Julie King

Weight Watchers in Lake Grace started 6 weeks ago with an energetic and enthusiastic group of people signing up to get healthy. The first Group Coaching session opened up with 28 members and has grown every week now to 35. Over the past 6 weeks the group has lost an amazing 118.5kg!

With 5 men and 30 women attending the sessions, some travelling from Newdegate and Varley, there is plenty of banter and encouragement within the group. Weight Watchers, over the past 40 years, has proven that losing weight as part of a group brings much better results. Maybe you have tried to lose weight on your own and after a few weeks have lost focus? You don't need to do it alone. Join our group sessions, be with others on a similar journey and it will keep you interested and getting on those scales every week certainly keeps you motivated and successful.

The great benefit of Weight Watchers is that you don't have to prepare separate meals for yourself. You can prepare good healthy food for the whole family and just by keeping your portions in check you can eat what the

family eats. You learn to be accountable for your eating and acquire the tools to keep you motivated and on track.

We meet every Tuesday evening at 5:30pm. Your weigh in is totally discreet and not in front of other members. Your weight is never discussed with others. Then we have a 20 minute discussion and motivation session to keep you on track and on your way to your goal weight. It is a lot of fun!

Suitable for Men, Women, new mums – even when breast feeding. Whether you need to shed only a few kilos or more, Weight Watchers can work for you.

Don't wait until after you have put on those winter kilos to come and join us, come and see how you can lose weight over winter and be ready for those summer holidays!

Don't be shy – come down to the Lakes Village Hall on Tuesdays at 5:30pm and join the fun!!

# From the Archives... May

## 1995 - Twenty years ago...

The first Lakes Link News came out on the 4th May. The idea of a newsletter originated from the Lake Grace Development Association formed last year. A grant was sought from the Lotteries Commission for a laser printer and a desktop publishing programme which are located at the Telecentre.

A committee was formed in March which are Lorraine Lange, Colleen Keen, Natalie Dall, Jenny Coad along with the Telecentre Coordinator Barb Murphy.

The committee decided that if the Lakes Link News is to be successful it must include all aspects of the community and be accessible to everyone.

To achieve this it was decided to have the first issue free and give members of the community an opportunity to subscribe for 6 or 12 months and receive their copy by post each fortnight.

Profit made will go towards new facilities at the Telecentre for the community. 5th May LLN

## 2005 - Ten years ago...

Lake Grace Telecentre obtains a grant to put together a 'Welcome Package' for new residents.

Local shearing contractor and wool buyer Darren Spencer was one of 22 West Coast Wools clients, buyers and directors who toured wool mills in China last month, following the journey of Western Australian wool.

Local Fire and Rescue Services and Police were called to a road train fire near the Tarin Rock siding on 2/5/2005. Response was quick but unfortunately the prime mover could not be saved.

A man's wedding ring was found in the vicinity of the Lake Grace Medical Centre and handed in to police.

This week will see the first casting of the 'On the Sheep's Back' project sculpture. Artist Rhys Tonkin has been in residence in the Multi Arts Centre for the last three weeks sculpting the seventh sheep and preparing for casting.

LGDHS students attend their first Kojonup Speech and Drama Festival bringing home six first prizes and two gold medals (Braden Frost for yr 9 and Rebecca Reeves for yr 8) plus four highly commended.

Work begins on the mosaic under the clock.

## 2000 - Fifteen years ago...

### Roadwise Meeting a Success

A meeting was held recently with a view to establishing a Roadwise Committee in Lake Grace. The meeting was well attended by representatives from the shire, education, health, police and community service groups.

Roadwise is part of the WA Municipal Association road safety strategy and aims to address local road safety issues.

Several matters were discussed with a lot of interest in driver education and training.

The meeting decided that there was sufficient interest in forming a Roadwise Committee. Police Post  
4th May LLN

## 2010 - Five years ago...

Council rejected a motion for funding of the new Daycare building.

Local artist, Tania Spencer won the Alcoa Major Sculpture Award for recycled sculpture at the Rockingham Castaways Sculpture Exhibition.

LGDHS students took part in workplace learning at various businesses around town.

A brainstorming session took place for ideas to support the focus on Women in Agriculture at this years Newdegate Field Days.

## Influenza (Flu) Vaccination

**Flu is a serious illness  
and is easily spread.**

This year's flu vaccines contain the strain developed to battle the flu virus that has been experienced in the northern hemisphere this year, which is known to be very dangerous to the under 5 and over 65 year old age groups.

Make an appointment to have your annual fluvax by calling the Doctors Surgery on 9865 1208.

## Physiotherapist:

Visiting Lake Grace on

- Monday 8th June
- Tuesday 16th June
- Tuesday 30th June

Call Primary Health in Narrogin to make an appointment ph: 98810 385.

# Commemorating 100 Years of ANZAC

Allan Zweck

***Each of the soldiers listed on the Lake Grace Honour Roll will be featured in the Lakes Link News, as close as possible to 100 years from their enlistment. It is now 100 years, 8 months, 1 week and 3 days since William Henry Hamilton Hume (aka William John Court) signed up.***

**HUME – WILLIAM HENRY HAMILTON: ALIAS – WILLIAM JOHN COURT:** It has been discovered that William Henry Hume went by an alias, as listed above, of William John Court. He is incorrectly named on the Lake Grace Roll as "HUMES. W" - There should be no "S" on the end of his name. For reasons best known to him, he chose to go by his mothers' maiden name!

His documents address him as Driver William Court. Born at Brougham House, Manchester, England in 1881, he was brought to Australia at the age of three, and did his schooling at Beerwah, Queensland. William Hume/Court had served in the 'English Imperial Army,' according to his mother, and enlisted in the Australian Imperial Force on the 25<sup>th</sup> of September 1914, at Helena Vale, Western Australia aged almost 34 years.

He seemed to have been quite intent on disguising his identity, as he firstly entered "Nil" as next of kin, though a later entry added as, friend, H. Hume, "Glenco", Beerwah, supposedly his father, who it appears later became deceased. A later entry gives his widowed mother as next of kin. He was a sleeper cutter/trimmer by occupation, until he took up land south of Lake Grace.

He was 5 feet 7½ inches tall (171.5cms), and weighed 142 lbs (64.5kgs), of dark complexion with green eyes and brown hair. His training was at Blackboy Hill and he was appointed to the 16<sup>th</sup> Battalion, B Company. He embarked the *Ceramic* at Melbourne on the 22nd of December 1914, destined for Gallipoli.

After further training in Egypt, on the 12<sup>th</sup> of April 1915 he proceeded to join the Military Expeditionary Force, for the Gallipoli Peninsula, making him one of the soldiers of a very early landing.

Almost a month later, on the 9<sup>th</sup> of May, while in the field of battle, he was reported missing, and a day later on the 10<sup>th</sup> of May he was reported as killed in action. So it appears this made him our first Lake Grace Anzac casualty. **He was buried at the 4<sup>th</sup> Battalion Parade Ground Cemetery, Anzac.**

In due course, Mrs Ellen Hume, the mother, received his medals, and a Mother Brooch. Driver William Hume/Court gave his religion as Roman Catholic. A cablegram of Lieutenant John Gettingby was to confirm that Court was in fact Hume, it reads;

*Dear Paddy,*

*I have had a reply from 3<sup>rd</sup> Echelon, and that Bill Hume, (The Yank) was killed in action at Anzac on 10<sup>th</sup> May 1915. He enlisted at Blackboy Hill under the name, W.J. Court (No 538) and marched out of camp with the 16<sup>th</sup> Battalion for the Eastern States to join up with the other half of this Unit which was raised in the East. I am quite prepared to make a sworn statement to the effect that Court and Hume are one and the same man, this is a fact which is within my personal knowledge.*

Six years later, Mrs Hume wrote requesting the records be amended to the correct name for her son. The reply in part reads, "I have to advise that before records can be amended and provision made for engraving both names on the permanent headstone, it will be necessary for you to furnish this office with a Statutory Declaration to the effect that deceased enlisted under an assumed name, his correct one being – William John Hume"..... "inscription, 66 letters, the spaces between words counting as letters"....

Mrs Ellen Hume received her son's Gallipoli Memorial badge, 1914-15 Star medal, King's message certificate and Mother brooch.

*The Mother Brooch referred to may have been a military presentation, as it was customary to give a badge to the mothers or widows of the fallen. The badge looks like a mini banner on black ribbon, with machine embroidered in gold with wattle sprigs, a Rising Sun badge, (in gold), and the words "FOR AUSTRALIA".*

**Right: A 'Mother Badge' similar to what Mrs Hume would have received after the loss of her son.**

## Commemorating 100 Years of ANZAC

*The badges were suspended from a white metal bar which bore laurel leaves. Stars were added to the bottom bar, each indicating the death of one man.*

Before enlisting for War Service, William Hume had been allocated a property south of Lake Grace in 1913, and called it "Kentucky Farm," and for some peculiar reason, while in the Service, he was referred to as "The Yank". He had commenced development and had cleared 100 acres with a small dam on it, and there was also a stable and a camp. In his absence, other selectors took their working horses to the property for grazing purposes during the non-working part of the year, as it grew good natural grasses for stock.

Because it was believed that the horses did not like walking in mud, a fence was put down one side of the location some distance into the muddy edge of the lake, Lake Grace, to prevent the horses wandering from the place. (The fence posts still remain standing in the lake). William Hume was a member of the local Progress Association, at a time when they were actively seeking the railway service to Lake Grace, but his service to country deprived him of ever seeing it.

Some years after the War, Mr Jack Coad, (Harold John Coad), himself a War veteran from Dumbleyung, took

up the location adjoining, and in a meeting with Mrs Ellen Hume, some kind of arrangement was made that enabled Mr Coad to take over her late son's property. Throughout their farming time there, the Coad's referred to the dam on the former Hume property as "First dam".

### ON-SITE VAN FOR SALE

**Bremer Bay Caravan and Camping Park  
Van no: 44 Beachside.**

22ft van in original condition but well maintained with hard annexe, verandah, garden shed and shady lawn area.

Top end of park close to the beach on the front white fence with ablution block at the rear.

## Fighting back against Wheatbelt ferals

Join us for a half day workshop on managing feral pests on your property.

**The workshop will cover:**

- 1080 accreditation
- vertebrate pest management
- weeds in your bushland.

Come along and share pest management successes (and failures) with other farmers from your area.

**FREE, with lunch provided. RSVP to Rachael Major using the contact details below.**

Feral control is about more than just protecting your livestock. It plays a vital role in improving bushland on your property, ensuring that the Wheatbelt's unique native plants and animals are there for future generations to enjoy.

## SEAT BELT ROUND AT THE LOCAL FOOTY

**DID YOU KNOW:** That unbelted rear seat passengers have been responsible for killing their drivers and front seat passengers because they weren't wearing their seat belts?

Studies show that drivers and front seat passengers are at a five times greater risk of dying in a car crash if the rear seat passengers are not wearing seat belts. This is particularly the case in head on crashes AND where do the majority of fatal head on crashes occur – on our country roads.

Round 5 of the Ongerup Football Association was BELT-UP ROUND.

Newdegate unfortunately were playing away from home but Lake Grace were at home and my thanks to John O'Neill for the invitation to say a few words before the League game.

Such an important reminder and no better forum than at a sporting round where there is always one town that has to travel on our country roads to attend. I emphasized that although I wanted to talk about statistics to make some points it was important that everyone understood that I was talking about real people; real older adults, real young adults and teenagers and real younger children and real babies.

Wearing properly adjusted seat belts and child restraints reduces the risk of fatal or serious injury by up to 50%. The failure to wear a seat belt is a contributing factor in road deaths and serious injury and is at its highest level in 10 years. Approximately 20% of drivers and passengers killed or seriously injured in crashes aren't wearing seat belts.

On rural roads males aged 17 to 39 make up the majority of the fatalities. Studies also show that the example set by older male influences and peers has a significant factor on the behavior of younger rural males. Fathers, older male relatives, bosses, work mates, peer group mates please set the right example and make a point of it if you're not already.

This good example and practice should also apply on farms whether the seat belt laws apply or not. There has just been another farm accident in our region where a mother and daughter have been injured and flown to Perth by the Flying Doctor Service after a rollover on a farm and neither were wearing their seat belt.

The impact of such unnecessary tragedies on the immediate family, loved ones and mates and a smaller

country community can be enormous. In the case of a very serious injury sometimes death isn't the worst outcome. Of course there is also the emotional impact or judicial impact if you were in some way responsible for the death or serious injury e.g. if one of your passengers wasn't wearing their seat belt or a child not properly restrained.

I looked around our sporting venue on that Saturday and thankfully didn't see anyone in a wheel chair etc. as a result of a crash where a seat belt or restraint wasn't used. No adult saying, "if only I'd taken 10 seconds to put my seat belt on" and no child asking, "what happened to me again".

I have seen in-camera vision of the way a person is thrown around the cabin of a motor vehicle, like a rag doll, simply because they weren't strapped to their seat. I've attended crashes since being here in Lake Grace where people have been thrown from their vehicles because they weren't strapped in. I attended one very disturbing crash in the Kulin area where a young female backpacker was thrown through the front windscreen of the vehicle, another crash over Lake King way where a male was thrown half way out of a rolling vehicle. In both case the victim lived but the injuries were horrific and permanent.

In every case the person didn't think it would ever happen to them, it did and in the blink of an eye.

Please wear your seat belts and make sure your passengers are restrained as required.

Regards  
Sergeant Martin Downey  
Officer in Charge  
Lake Grace / Newdegate Police Sub-District

# Shire of Lake Grace Community News

PO Box 50, Lake Grace WA 6353 | Ph: (08) 9890 2500 | Fax: (08) 9890 2599 | Email: [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au)

## *CEO's Corner*

The Shire is in the process of compiling its 2015/16 Budget and in doing so is reviewing those items previously identified in the Strategic Community Plan and a number of requests received from community groups in response to recent advertising by the Shire seeking submissions. These matters will be resolved over the coming weeks and it is planned to adopt the budget in the third week of July 2015.

Thank you to all those groups and community members who have provided suggestions and submitted requests.

In framing the coming year's budget it is interesting to note in regard to the Long Term Financial Plan prepared last year, the following considerations:

- ♦ Utility costs will increase on average by 7% not 5% as previously anticipated;
- ♦ Loan servicing costs have been impacted by a 0.6% fee applied by the State Government in this year's State budget, adding approximately \$14,000 to the Shire's loan servicing costs
- ♦ Commonwealth grants funding will not be adjusted for inflation over the next two years but may vary due to changes in the distribution formula.
- ♦ State road funding cutbacks will have an effect on future funding within the Shire's long term financial planning.

### **May 2015 Council Meeting**

Council held its latest Ordinary Meeting on 27

May 2015 at the Newdegate CRC/Library, no members of the public were in attendance. Mr Greg Durell, District Manager Department of Parks and Wildlife (DPAW) attended in response to an invitation by Council to discuss the proposed transfer of a Water Reserve to DPAW. The Reserve is located in the Varley area on Fence Road. Mr Durell provided comment in response to questions raised and the matter will be the subject of a future meeting of Council.

Council at its Meeting endorsed the following:

**CBH Lake Grace – Dangerous Goods Storage Compound** – a proposal to construct and operate a new Compound was approved subject to conditions

**Food Safety Compliance and Enforcement Policy** – new policy was approved in respect to the Food Act to ensure that the law is enforced and its objectives are achieved in a consistent and collaborative manner.

**Monthly financial statements and accounts** were reviewed.

**Memorandum of Understanding – Lake Grace Visitors Centre**- This document outlines the responsibilities of the Shire and Visitor Centre Committee in regard to the Stationmaster's House and the operation of the tourism services provided from that facility.

**Roadwise – Crash Car Trailers** – Council agreed to provide up to \$1,100 towards the cost of purchasing these trailers to promote road safety within the southern Wheatbelt area of the

### *CEO's Corner continued*

Regional Road Group of which the Shire is a member. All member shires have agreed to contribute funds so trailers can be made available at local events such as the Newdegate Field Days as a reminder of the need to be aware of the road safety message and the terrible death and injury toll experienced across the Wheatbelt in recent years.

#### **Independent Living Units – Newdegate**

The Shire is nearing completion in constructing four (4) Units in Newdegate. These units are for persons over the age of 55 years and have been designed to accommodate persons experiencing restricted movement and or require wheelchair access. The buildings have wider than normal access and passageways, bathrooms and toilets that also have wide door access and increased space.

Should you be interested in renting one of these units, please register your name with the Shire of Lake Grace by contacting the Shire on 9890 2500 or email [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au).

#### **Recruitment of Medical Practitioner**

With the assistance of Rural Health West, the Shire is in the process of advertising for a medical practitioner to fill the vacancy that will arise at the end of this year. I am pleased to advise that there have been two expressions of interest so far as we await the end of the current advertising process. Dr Jacobs and the Shire will continue their efforts to find a suitable replacement.

Neville Hale  
CEO

#### **SHIRE OFFICE HOURS**

Please be advised that the Shire Office will close at 4.00pm every Wednesday after 1 June 2015.

KidSport enables Western Australian children to participate in community sport and recreation, no matter their financial circumstances. Eligible youth aged 5–18 years can apply for financial assistance to contribute towards club fees. The fees will go directly to the registered KidSport clubs through their participating local government. Applicants must be aged 5-18 years and have a Health Care or Pension Concession card or be referred by a recognised referral agent. Primary place of residence must be in the local government area that they are applying to.

### **Ordinary Council Meeting**

The next Shire of Lake Grace Ordinary Council Meeting will be held:

**Wednesday, 17 June 2015, 3.00pm**

**Location Council Chambers**

**Lake Grace**

Members of the public welcome.

A minimum of 15 minutes is set aside for public questions time, giving members of the public an opportunity to ask questions relating to Shire activities

### **Staff Movement**

The Shire farewells Mikaela Knill who has left to commence her dream of a private business.

Mikaela has been working at the Shire since November 2013 in a variety of roles including the Shire's Communications and Executive Support Officer.

Mikaela used her knowledge and experience in communications to help achieve the objectives, outcomes and aspirations contained in the Shire of Lake Grace Community Strategic Plan.

We wish her all the best with her new endeavours.

## Bits & Pieces

Here are some time saving ideas to make life easier. These ingenious ideas are so simple it makes one wonder why they seem ingenious.

- Install a regular coat rack low down the wall to store shoes safely off the floor.
- Create a thrifty watering can by puncturing holes in the top of a used milk bottle. Good one!
- Remove pet hair from furniture and carpets with a squeegee.
- Use chalk to remove grease stains from clothes. Simply rub white chalk on the affected area and wash as normal. The chalk will absorb the grease and wash away in the cycle.
- Use egg carton to store delicate Christmas tree ornaments.
- Drop a couple of denture cleaning tablets into the toilet bowl at night to clean off stubborn stains.
- To prevent your eyes watering while chopping onions, wipe the chopping board with white vinegar (which won't affect the taste of the onions)
- To sharpen scissors simply cut through sandpaper.
- WD40 can be used to remove crayon marks from any surface.
- To prevent potatoes from budding add an apple to the bag.

There you go. I hope these helpful hints will make your life easier.

A man takes his Rottweiler to the vet and says "my dog is cross eyed. Is there anything you can do for him?" "Well," says the vet, "let's have a look at him." So he picks up the dog and examines his eyes, then checks his teeth, finally he says "I'm going to have to put him down."

"What! Because he's cross eyed?" exclaims the owner. "No," says the vet, "because he's heavy"

Come with me back to year 1996. The good wife and I were on one of our many camping trips touring Oz. This time we were heading for Lightning Ridge in NSW. The Opal mining capital of Australia. Following the Kidman Highway took us through the outback town of Bourke where we set up camp at the Kidman Caravan Park for a couple of nights stay.

The parks through the top end and down the east coast of Australia always have entertainment (and it's free) to attract the travellers, this ranges through nightly happy hours, country music, barbeques etc to camp fire nights with bush poets spruiking the renditions of life in the outback through poetry or good old bush yarns.

Luck was with us this stop as the Kidman Caravan Park entertainment that week was a night at the camp fire with a barby, followed by Jimmy Hooker an Aboriginal bush poet and story teller. Being people who rate that type of evening way in front of going to a restaurant and a theatre show to follow, we spent the next couple of nights listening and learning from Jimmy about his heritage in poetry and stories around the camp fire. Jimmy has a book 'Jimmy's Poems and Bush Yarns' which intriguingly is written in the way that he talks and the following yarn is taken from it.

### The Jackeroo and Cook

*\* no typos, copied as written*

The jackroo just out of coliege,  
At stock work he was prety green.  
To manage a cattle station  
Wood fill his childhud dream.

He soon got ajob  
Out Queensland's far west,  
Out where the ringer and cook  
Are rayted the best.

Old Bill was a caractr,  
And he was very stuben.  
He hated the jackroo  
For siting on his camp oven.

Yes, Old Bill he wated,  
One day he got his chance;  
He cud see them ringers rideing  
Throu the heat waves that dance.

He heated the camp oven lids,  
Then broght them to a glow.  
He put the lids on the ovens,  
And plased them in a row.

The ringers they dismounted,  
Gave there nags a stroke,  
Then headed for the camp.  
The cook - not a word he spoke!

The jackroo sat downe,  
On a camp oven lid in the line.  
Then he reached for the sky on hi,  
With the lid stuk to his behine.

I could smell the burning fleshe  
And smoulding human hair,  
As he sawd his way sky wood  
Throu the smokey hasey air.

Bill the crafty camp cook  
He didn blink an eye lid.  
Head stockman quik as a flash  
One kik reliesed the oven lid.

You could see the strane and paine  
On the face of the jackroo.  
He said it was bluddy panefull  
When he went to the loo

Yes those burns were very panefull  
Speshly when the blists berst.  
He has never sat on an oven lid,  
He squats on Mother Naturs erth.

A very talented entertainer was Jimmy. It took a while around the camp fire until you come to understand his lingo. Jimmy held us in awe for the next few hours with his yarns and poetry. Twas a night to remember a good time was had out the back of Bourke.

## Resounding Success of KidSport Continues in Wagin Electorate

### Media Release

More local kids will get a chance to join a sporting club thanks to a two-year extension of funding for the State Government's KidSport initiative.

The extension comes as part of a \$10 million investment in the Sport 4 All program over the next two years, announced by Sport and Recreation Minister Mia Davies as part of the 2015-16 State Budget.

Since its inception in 2011, the hugely successful KidSport program has assisted more than 42,000 children aged between five and 18 receive up to \$200 to join a local club to play sport.

"So far 1463 children in the Wagin electorate have joined local sport and recreation clubs through KidSport," local MP Terry Waldron said. "Research shows that active kids do better at school, but we also know that active kids benefit from a range of other positive mental and physical health outcomes."

Comprising four initiatives – KidSport, Nature Play, ClubTalk and the Community Volunteer Project – the State Government's Sport 4 All package increases participation in community sport and recreation in WA.

"KidSport in particular has been hugely successful and we're thrilled that 61 per cent of kids joining local sport and recreation clubs have never been part of a club

before," Mr Waldron said.

"This is great for clubs, because it's a chance to increase their membership and volunteer base but it also strengthens the local community." Statewide almost 42,000 kids have utilised the KidSport program since it began in 2011 across a wide range of seasonal sports.

"At the moment some of the local clubs with the most KidSport kids are the Katanning Junior Basketball Association, Narrogin Junior Basketball, Katanning Netball Association, Upper Great Southern Hockey Association, Tambellup Junior Football Club, Kulin Netball Club, the Boxwood Hill Combined Sports Club and Cranbrook Sporting Club. The top three most popular sports are footy, netball and basketball," Mr Waldron said. Mr Waldron added it was also great to see sporting clubs actively promote KidSport at a grassroots level, attracting a new wave of participants that might otherwise not have benefited from the junior sporting club experience.

The newly announced funding for Sport 4 All is \$5 million each year over two years, which will be allocated to the four initiatives. For more information on KidSport, go to <http://www.dsr.wa.gov.au/kidsport> or contact your local government authority to sign-up.

### POSITION VACANT

## COORDINATOR NEWDEGATE COMMUNITY RESOURCE CENTRE

**38 Hours per week**

**Permanent Position - with 3 MONTH TRIAL period .**

**Start date (approx) July 2015**

- Please note applications must address the selection criteria.*

**Applications close 4.30pm Monday 22<sup>nd</sup> June 2015**

## Opportunity to Highlight Ideas for Local Activities and Research

Julianne Hill, GRDC's Regional Cropping Solutions co-ordinator

Next month will see the start of a new round of Regional Cropping Solutions Network (RCSN) meetings throughout WA. Want to be involved? Well, now you can.

GRDC are interested in hearing from all growers and others with an interest in activities and research that will make a difference to farming profitability in your local area.

So if you'd like to get some of your ideas across to GRDC, or would like to highlight an issue for your port zone, then we'd like to see you at one of our upcoming open meetings. Issues raised during the open RCSN meetings will be fed into the RCS Networks and GRDC issues identification process for consideration.

Date	Venue	Port Zone	Time	Issues Due Date if unable to attend	Project Update
24 <sup>th</sup> June	Lake King Golf Club, Varley Road, Lake King	Esperance	5pm-6pm BBQ 6pm-8pm open	17 <sup>th</sup> June	<i>Early seeding – a knowledge gap strategy for very early season starts</i> (Kirsty Smith, Landmark, Hyden & Craig)

TBC		Geraldton			TBC

If you can't make one of the meetings above, then you are welcome to submit ideas no later than 1 week prior to your zone meeting, by visiting the following link: [www.rcsn.net.au](http://www.rcsn.net.au)

At each meeting, there will also be the opportunity to hear from the lead researcher on an RCSN project that is happening in your zone; as well as talk to GRDC Western Panel members.

A free sausage sizzle is provided for all those who attend one of the above meetings. For further information, please feel free to contact: Julianne Hill, GRDC Regional Cropping Solutions Co-ordinator, Ph: 0447 261 607 or Email: [regionalcroppingsolutions@gmail.com](mailto:regionalcroppingsolutions@gmail.com)

If you are unable to attend and would like to forward an issue for consideration at the meeting, please use the following link: [www.rcsn.net.au](http://www.rcsn.net.au)

### HENS FREE RANGE

*HENS FREE RANGE LAYING*

Free delivery Wednesday July 8

Lake Grace, Pingaring, Pingrup

Ph: 9844 3485

Lake Grace Playgroup invites you to  
“THE GENTLE SLEEP SPECIALIST”

Seminar - Guest Speaker; Tara Mitchell

**Where:** Seminar held at the Lake Grace Pavilion

**When:** Tuesday, 23rd June 2015

**Time:** 9.30am - 12.30pm (morning tea and a light lunch provided)

**The seminar covers a wide range of topics including:**

- Sleep advice for newborns through to 4 year olds
- Top 5 sleep tips and best tips to help catnapping
- Toddlers waking and coming into parents bedrooms
- Older children's sleep and how to implement boundaries to deal with current sleep issues and prevent issues arising in older babies
- Teething and sleep
- Feeding, sleep and play routine expectancy based on age
- How to effectively communicate with you little ones
- When toddlers should move to beds
- How to teach/encourage your little one to self settle. The information on self settling will be very helpful. **PLEASE NOTE** - This is usually at a charge of \$395.00 for a personal consult so it should be understood that follow up support or more personalised support is a different package. However if anyone feels they need more information on self settling, Tara is happy to take \$50.00 off the package price.

Please register with Rhiannon by **Thursday, 18th** June, if you are interested in attending the seminar and require childcare.

For more information on 'The Gentle Sleep Specialist' you can visit Taras' Face Book page or contact **Rhiannon Stubberfield - 0428 301 380**

Babysitting available at Lake Grace Playgroup (next to Lake Grace Daycare Centre)

**NO CHARGE FOR THIS EVENT**

Agriculture and Food

This project is supported through funding from the Australian Government.

# Men's Wellbeing WACFL Round

## Wheatbelt Men's Health

The Regional Men's Health Initiative partnership with the West Australian Country Football League (WACFL) to sponsor a round of football enters its second year. This partnership brings us into contact with 25 football associations and 150 senior country football leagues and helps deliver our key message to a younger demographic of men (predominately aged 16-40) throughout regional WA. The "Talk to a Mate" Men's Wellbeing Round will be held over the weekend of 13<sup>th</sup> and 14<sup>th</sup> June 2015.

### Why is this Important?

It is important for us to talk about issues in our life and/or tell our story so we understand that we are not alone and that it is safe to chat. As blokes we quite often isolate ourselves and don't talk to anyone about our stuff. One of the problems we have is we don't identify who our true mates are in the good times, this can then lead to isolation and loneliness in bad times.

### Who are our Mates?

We say as blokes we have three broad categories of mates who we can talk to about our personal stuff. These usually come under the categories of a mentor, a partner or a peer. These mates are more often than not

different from the associates and mates that we play sport with and/or socialise with. How many blokes do you know that have no one to talk to?

### What is the benefit of talking to a Mate?

It's about sharing our story and realising the value of just talking and in appreciating that there are other men out there experiencing similar things (we are not alone). I have never met a bloke yet that hasn't wanted to tell his story (no matter what the issue) and sometimes we just need the right environment.

Men are hardwired to be "problem solvers" and we like to work alone. We often have an attitude that *if we disclose we have a few problems* someone will exploit our problem or weakness.

It is well known that problems shared are often problems halved. Helping men to overcome isolation (by disclosing issues) helps build resilience and can therefore lower the chances of us becoming completely overwhelmed when difficulties and disappointments head our way.

As men we need to encourage help seeking behaviour and be prepared to be the one to "Talk to a Mate" when we know he is down or experiencing difficulties. It isn't rocket science and it does work.

"Talk to a Mate" Men's Wellbeing Round will be over the weekend 13<sup>th</sup> and 14<sup>th</sup> June 2015.

Get down and support your local football team, become involved and remember ...before it all gets too much ... Talk to a Mate!!

# HMMS Delivers \$153,000 to Rural Communities

## Media Release

The CBH Group will donate \$153,000 to charity through the Harvest Mass Management Scheme (HMMS) for the 2014-15 season.

The HMMS was developed by the CBH Group in conjunction with Main Roads Western Australia and allows trucks that are loaded above their legal tolerance limits the option to forfeit the overloaded tonnes.

Forfeited grain is then sold and the proceeds donated to charities working in regional WA. The \$153,000 will be the second largest donation made from the HMMS since the scheme began.

The CBH Group Chairman Wally Newman said just 464 tonnes of grain were forfeited during the season's harvest.

"The HMMS has been the most effective deterrent to overloading in the history of road transport in WA, while giving back to rural communities at the same time," he said.

"This year nine organisations were selected because of their work helping rural communities and families. "The money is distributed based on recommendations from CBH employees.

"The charities were chosen because they support the grain growing regions of WA."

This year the HMMS will support Ronald McDonald House, St John Ambulance, Wheatbelt Men's Health, Australian Men's Shed Association, SolarisCare, Princess Margaret Hospital Foundation Charity, Camp Kulin, Red Cross and Youth Focus.

The Senior Business Development Manager of Youth Focus, Susan Schofield, says the donation will go toward the delivery of free mental health programs.

"We rely heavily on business and community support and CBH's contribution will help to make a difference to WA youth based in grain growing communities," she said.

Camp Kulin Manager, Tanya Dupagne, said the donation received from the HMMS will give an additional 30 children from the Wheatbelt access to the weeklong camp.

"These children will learn important life skills including tools to improve resilience, perseverance, self-confidence, communication and respect, which they will then take back to their communities," she said.

SolarisCare Foundation CEO, David Edwards, said the support would help the Foundation with the provision of support services to cancer patients and their families.

"Annually we provide services and information for 5,000 people who call into our centres and more than 9,500 complementary therapies free of charge to cancer patients.

"We receive no government support and rely on organisations like CBH to assist us in continuing our work at our four centres, two of which are regionally based," he said.

CBH Group Deputy Chairman Vern Dempster and CBH General Manager of Grower and External Relations Karlie Mucjanko will present the cheques at a ceremony on 21 May.

# South West Junior Hockey Championships

Suzanne Reeves. Photos provided by Janine Watson and Lisa Pearce.

The South West "Smarter Than Smoking" Junior Hockey Championships were held in Bunbury last weekend with a number of young hockey players from the Lake Grace Pingrup Hockey Club taking part.

Run from Saturday through to Monday it was 12 hour days with players ranging in age from years 5/6 (U/11) through to years 7/8 (U/13) and years 9/10 (U/15). There were both boys and girls teams with the 15 ovals having 30 minute games played on them throughout the day and into the evening. Each of the Lake Grace and

Pingrup kids played 7 to 8 games.

Teams come from areas including Central Great Southern, Mandurah, Upper Great Southern, Collie, Perth, Lower Great Southern, Esperance and Busselton. Some clubs nominated just one team while others had up to twelve teams participating.

With such a full on diet of hockey, hockey and more hockey; the standard of the juniors play improved dramatically over the weekend.

## Crochet Workshops

From 10am to midday

Friday 26th June, 3rd July, 10th July and 17th July.

Lake Grace Community Resource Centre

Everyone will be learning how to make 'Granny Squares'

Hooks and wool will be supplied - no charge.

Call 9865 1470 to book in.

If you already know how to crochet come along anyway. Granny squares will be put together for a blanket for Wheelchairs for kids charity. Once confidence has increased we will look at how to crochet a beanie.

## BELT UP ROUND 5

Thanks to our Sponsors for this week who were **ELDERS RURAL SERVICES, GS MOBILE MECHANICAL, FYFE TRANSPORT and FRESH AS (The Hardy Family).**

LGPFC vs BOXWOOD HILL Played at LAKE GRACE on 23/5/2015

The weather was fine and sunny with minimal breeze, a perfect day for football.

## LGP A RESERVES

The Reserves game commenced at 11.15 am with the Bombers fielding a strong team of players with a good representation of older experienced ex league players.

LGP won the toss and elected to kick to the northern end of the ground.

Boxwood was the first to score a 6 pointer for the match at about the 7 minute mark. The Bombers were quick to respond with their first followed by a good passage of play with Darren Clifford passing the ball to Grant Marshall on the half forward flank. Grant then kicked on to Darren who had run on towards the goal then bagging the Bombers second from 25 metres. Rohan Trevenen then added another to the LGP score. The Bombers then took control of the game and went on to boot a further 3 majors.

Quarter time score was LGP 6-4 (40) Boxwood Hill 1-0 (6)

Matt Sinclair was the first to goal for the Bombers in the second term. The match then settled down to a more even contest with both sides adding 3 majors by the half time siren.

Half time score was LGP 9-6 (60) Boxwood Hill 4-2 (26)

The Bombers really picked up the pace in the third with Darren Clifford and Matt Sinclair combining well in the forward line. The Bombers defence on the back line was superb along with the midfield consistently driving the ball forward for the Bombers and creating opportunities. LGP added 5 goals 2 behinds to

**Above: Senior Sergeant Martin Downey of Lake Grace police addressed the teams and public as part of the 'Belt Up' round.**

**Below: Junior and Senior teams have a minutes silence to remember those who have lost their lives in car accidents.**

# Lake Grace Pingrup Football Club Notes *(cont.)*

Boxwoods' 1 goal 2 behinds.

Three quarter time score was LGP 14-8 (92) Boxwood Hill 5-4 (34)

The final term saw Boxwood lift their game in defence allowing the Bombers to add only 1-1 to Boxwoods' 1 behind. An entertaining game of footy played in good spirit and with many good passages of play.

The final scores were LGP 15-9 (99) defeating Boxwood Hill 5-5 (35)

Leading Goal scorers were Darren Clifford 5, John Callope and Matt Sinclair 2 each.

Better players for LGP were Darren Clifford, Grant O'Neill, Matt Sinclair, Aaron Dunham, Rohan Trevenen, Grant Marshall, Brian Flavin, Madis Hein, Nick Smith, Ben Watson, and Meelis Hein.

Awards: Best on Ground Matt Sinclair, Runner up Best on Ground Grant O'Neill and coaches award went to Aaron Dunham.

## LGP JUNIORS

In the Juniors game LGP defeated Boxwood Hill by 80 points in a match that the Junior Bombers were too strong all day even after allocating some stronger players to BWH for part of the match as per the policy of the OFA junior football administration.

LGP 14-10 (94) defeated Boxwood Hill 2-2 (14)

Fed by Fyfe awards went to Troy Murray and Lachlan Younger.

Major goal scorers were Jackson Callope 4 and Cody Giles 2

## LGP LEAGUE

Commenced at 2.18pm following an assembly of players including the Juniors and officials to commemorate BELT UP day and to remember those who have lost their lives as a result of car accidents. Senior Sergeant Martin Downey from the Lake Grace Police Service addressed the assembly reminding everyone of the tragedy of lost lives through not wearing seat belts and not driving with enough care.

The match commenced with LGP kicking to the North end. Boxwood goaled first at the 3 minute mark. Boxwood followed with another and the first LGP goal was kicked by Jack Carruthers at the 12 minute mark. Alex Duckworth added the Bombers second in the closing minutes of the first term.

Quarter time score was LGP 2-4 (16) Boxwood Hill 3-2 (20)

Craig Clinch scored the first major for LGP in the second quarter but Boxwood upped the ante and out played the Bombers all over the ground, particularly in

their backline rebounding the Bombers inside 50s. Boxwood added 6 goals 4 behinds to the LGP 4 goals 4 behinds but still allowing the Bombers a reasonable 14 point deficit to catch up.

Half time scores stood at LGP 6-8 (44) Boxwood Hill 9-4 (58).

The third quarter was an even tussle and the Bombers got to within 1 point of Boxwoods' score late in the quarter finishing at the three quarter time siren with an 8 point deficit.

Three quarter time scores were LGP 10-10 (70) Boxwood Hill 12-6 (78).

During the final term the Bombers missed some easy opportunities in front of goals whereas Boxwood were blessed with some very good long goal scorers with the likes of Glen Peacock. LGP were unable to add any majors in the final term and Boxwood added 3 to finish the game with a 24 point margin. The LGP side were competitive in most areas of the ground but the lack of a good forward line structure was probably the only difference between the two teams.

Final scores were LGP 10-14 (74) defeated by Boxwood Hill 15-8 (98).

Goal scorers for LGP: Alex Duckworth 3, Jack Carruthers 2 and Craig Clinch, Chris Poot, Luke Bairstow, Brenden Desmond, Damon Pelham 1 each.

Better players were Luke Bairstow, Kane Pinney, Alex Duckworth, Jack Carruthers, Reuben Smith, Chris Trevenen and Ashton O'Neill-Gray.

Award winners were: Best on Ground Ashton O'Neill-Gray, Best on Ground runner up Luke Bairstow and Coaches award went to Kane Pinney.

# Lake Grace Golf Club Notes

*Merv (Matthew) Spurr - Men's Captain*

Sunday 24 May 2015 was the Golf Club's first Club Day, being a Stableford event.

The Men's winner was decided by a count back, with Craig Reeves finishing on top and runner up Gary Frost, with 39 points a piece. Ladies winner on the day was Helen Hunt, finishing on 36 points.

## Novelties:

Long Drive No1 (Lake Grace Home Improvement) Mark Seaman

N.T.P No4 (Elders) Gary Frost

N.T.P No6 (Kims Mowing) Warrick Millar

Longest Putt No9 (Lake Grace Tyrepower) Nick Maalouf

Long Drive No10 Ladies (Lake Grace Home Improvement) Helen Hunt

N.T.P No15 (Lake Grace Roadhouse) Marty Carruthers

N.T.P No18 (Lake Grace CRC) Helen Hunt

Last Sunday, 31 May 2015 was a Stroke day sponsored by Landmark. It was a beautiful day for golf with 14 people teeing off.

The Men's winner for the day was Derek Stanton 85 23 62, runner up Alan Stubby 91 27 64. The ladies winner for the day was Stephanie Lay 116 38 78.

## Novelties:

Long Drive No1 (Lake Grace Home Improvement) Reid Stubby

N.T.P No4 (Elders) Alan Stubby

N.T.P No6 (Kims Mowing) Kevin Eggers

Longest Putt No9 (Lake Grace Tyrepower) Steve Overall

Long Drive No10 Ladies (Lake Grace Home

Improvement) Stephanie Lay

N.T.P No15 (Lake Grace Roadhouse) Murray Stanton

N.T.P No18 (Lake Grace CRC) Kevin Eggers

Next weeks is a Stableford event, sponsored by Outback TV.

Please remember names must be in by 12pm. Should you be unable to arrive before 12pm please text or phone to put your name in the draw. Captain's mobile number is 0447 780 365. Late arrivals make the draw very difficult to organise.

All subs are due. If you have not yet done so please pay asap.

Sunday at 10am local legend, Gary Frost will be on course ready and willing to pass on advice to golfers who want to improve their game.

We look forward to seeing you on Sunday.

## Men's Shed Battery Drive

The Lake Grace Community Men's Shed is continuing with their battery drive. This is an ongoing revenue raising project which will contribute to the running of the Shed.

Batteries can be left at Phil Clarke's shed or you can contact Phil on 0427 651 155 or Allan Duckworth on 0427 651 567 if you require them to be picked up. Thank you for your ongoing support.

# Why Is There an Elephant in the Wheatbelt?

*Taken from the RAC Magazine April/May 2015*

Although it has devastated so many in Western Australia's Wheatbelt community, it is a subject that has proved difficult to raise. It continues to confound experts and analysts who, despite having all the facts, are unable to find the answers

Last year the road fatality rate in the Wheatbelt was more than five times the overall state rate and 10 times the metropolitan rate.

A review commissioned by RAC to investigate factors that may be contributing to the disproportionately high number of fatal road crashes in the Wheatbelt, found there was no single factor that differentiated this region from nearby regions or any other regional area in WA.

So what's going on in the Wheatbelt? The subject of the Wheatbelt's unacceptably high road fatality rate is like the elephant in the room.

While the number of fatalities and serious injuries speak volumes and the impact of road trauma on the community is devastating, real and deeply felt, the issue is rarely mentioned. In many cases, there is simply silence. In order to start a long overdue discussion, RAC has embarked on a campaign to break that silence.

Using the bodies of wrecked cars we've created a massive elephant, measuring three metres' high and four metres' long.

The elephant is a symbol of the unacceptable silence and inaction on road safety in the Wheatbelt. It was built to motivate community engagement and discussion about how we can all work together as a community to help save lives on the road. Part of this work will focus on breaking down myths and misconceptions about what is happening on regional roads and replacing these with facts.

Between 2007 and 2012 almost one in three deaths of drivers or passengers in the Wheatbelt occurred in crashes where vehicle occupants were not wearing a seatbelt.

There is a view that regional roads are more dangerous at night where in fact almost two in every three fatalities in the Wheatbelt occurred in daylight hours (6am-6pm), well above the metropolitan rate of around one in two.

There is also a misconception that visitors who

drive on regional roads are more likely to crash than locals as they are unfamiliar with those roads, but

tragically two out of three road deaths in the Wheatbelt were drivers from the local area, and more than 70 per cent of fatalities recorded in the Wheatbelt involved only one vehicle.

RAC has embarked on this landmark campaign in order to start an important conversation about road safety in the Wheatbelt, to raise awareness about what is really happening on Wheatbelt roads and to begin the process of working directly with the community to implement real strategies that will help save lives.

*The Wheatbelt's  
unacceptably high  
road fatality rate is  
like the elephant in  
the room - it has a  
heavy presence but no  
one's talking about it.*

**We need to  
talk about the  
elephant in  
the Wheatbelt**

Because it's not acceptable that you and your loved ones are 11 times more likely to die on the road, than people living in Perth. Join the conversation today.

## Round 5

A lovely sunny Home match, facing Boxwood Hill.

### A Grade

The match started goal for goal between the two sides, resulting in a draw after the first quarter, then the Boxwood giants started to creep away with it. The final score BW 35 – LGP 24. Well played to all the ladies. The score doesn't reflect on how well you all fought throughout the match.

**Best On Ground** was awarded to Joely Slinn, up against the tallest shooters in the competition her athleticism rewarded her team in some strong interceptions in her Goal Keeper bib. A very versatile player that Joely is, she then moved into the Goal Attack bib, where she put up some excellent long range shots.

**Coaches Award** went to Jemma Bairstow who ran hard the entire match at Wing Attack never giving up. Her strong leads on the centre pass, and perfectly placed balls into the shooting circle were on top form.

### B Grade

The Girls had a fabulous win, with a different starting 7 again this week. The end score was LGP 37 - BW 10. Coach Sym is proud of every one of you, for never giving up and constantly fighting hard in each position. We would like to welcome to the court Jackie McGlinn in the Wing Attack bib for the first time this season, you played a great game.

**Best On Ground** went to Latisha McGlinn for her constant and efficient work in the goal circle, her shooting was on point.

**Coaches Award** went to Emily Younger. Very new at netball, and her first senior match this week. She was put into Wing Defence and owned the position for two quarters. In the last quarter after an injury accrued Emily was put into Centre, who was leading and defending like she had been playing for years. Coach Sym and both A & B Ladies are so proud of you Em, all your hard work at training has paid off.

## Juniors

Well done to the girls for their great sportsmanship facing their first loss for the season. Final score was BW 39 – LGP 28. The girls have a few things to work on at training including fitness to be able to keep up for four quarters in a fast match like today. The girls were up at half time but just ran out of legs.

**Best on Ground** went to Camryn Furphy coming back from injury playing a tight one on one match in Goal Keeper position.

**Coaches Award** went to Abbey Strevett for running her heart out in Goal Defence and Centre.

Thanks to the junior parents and girls for doing the doughnut roster, and the \$100 raffle. Your work is very much appreciated. Congratulations to Mark Pearce who is now \$100 richer.

On Sunday over 70 girls attended a development day in Gnowangerup. It was a fun day and the girls learnt many new skills. It was great to see so many Lake Grace kids attend. Well Done to Renae Jury for completing the foundation coaching course at Gnowangerup.

# 2015 WHAT A YEAR FOR SMALL BUSINESS!

## TAKE ADVANTAGE OF BUDGET TAX BENEFITS

### ACCELERATED DEPRECIATION FOR SMALL BUSINESS

The Government has announced that from Budget night until the end of June 2017 all small businesses will get an immediate tax deduction for every asset they buy costing less than \$20,000. Currently, the threshold sits at \$1,000. This \$20,000 limit applies to each individual item. Small businesses can apply this \$20,000 rule to as many individual items as they like. Any assets over \$20,000 (which cannot be immediately deducted) can be added together ("pooled") and depreciated at the same rate. These assets are depreciated at 15 per cent in the first financial year, and 30 per cent per year thereafter. If the value of the pool is below \$20,000 until the end of June 2017 it can be immediately deducted too.

# Lake Grace - Kukerin Hockey Club

*Danielle Robertson. Photos Lois Dickins.*

23rd May 2015

## Lake Grace-Kukerin v Narembreen

C Grade 1-3

Goal: Jack Faulkner

Award: Neve Mycoe

B Grade 1-4

Goal: Jarred Nenke

Awards: Andrina , Neve Mycoe

A Grade 4-0

Goals: Anna Taylor (2), Sharni Chiswell (2)

Awards: Annie Argent, Danielle Robertson

We only met Narembreen a couple of weeks ago at Gala Day and they were the superior teams on that day. Our C grade did much better this time around with all the kids putting in a great effort. Neve put in a lot of hard work in the back line and consistently cleared the ball out to our forwards. Ash Faulkner was again showing great support down the wing and always in the right spot when Jack was on a run. Cambell Chatfield was doing well in half back before having to retire due to injury. He was obviously in the right spot, maybe a bit of practice to come getting his stick there instead of his foot!

B grade had a much better result than the last time we met. Thank you to Jarred Nenke for playing this week, it was nice to have another boy on the field to counter the Narembreen boys!

A grade had Narembreen's measure from the outset. Good passing and team work ensured we had control for the majority of the game. Everyone played their part in ensuring the win.

We travel to Corrigin this weekend. Corrigin's C grade is doing well so it will be a challenge for our juniors. B grade should go ok, both teams on equal points so far. Corrigin's A grade currently on the bottom of the ladder upset top of the table Karlgarin-Hyden last game with a 2 all draw. Should be an interesting game. Hopefully the weather holds off until we finish.

Thanks as always to the Sportsman's Club and the Kukerin Hotel for your weekly support.

**Above: Jacqueline Gobby is all smiles after her A Grade debut.**

**Above: Jack Faulkner has his eye on the ball despite being out numbered by the Narembreen opposition.**

**Above: Lake Grace Kukerin players defending a free hit.**

# Work Based Program a Huge Bonus For SIDE

Shane Murray

## Work-based program a huge bonus for SIDE Year 11 student!

### What is this about?

Gaining the required experience, developing the necessary core skills for work or trying to decide what career path to take can be a daunting task for young people in their final years of schooling.

An inspiring and positive role model for other young people, trying to achieve the above three aims is Holly King, who has made the most of her opportunities through the Authority Developed Workplace Learning program (ADWPL) offered through the School of Isolated & Distance Education (SIDE) in Leederville.

SIDE's Workplace Learning Coordinator Shane Murray said *"Holly is just one example of how the landscape of education and training in schools had changed. Students now benefit from the greater flexibility offered by schools across the state of Western Australia via the on-the-job training partnerships developed with key industry groups."*

A simple explanation of the program is to say it enables the student to experience first-hand the world of work. The beauty of it is students also develop important Core Skills for work (linked to key Employability skills) which underpin successful participation in the Australian workforce. Plus, they can use the ADWPL program to help achieve Secondary School Graduation (WACE) so it's a win, win situation all round.

SIDE has many students learning and working in a wide range of industries including automotive, retail, tourism,

hospitality, business administration, children services, metal fabrication, health services, local government, building / construction, sport & recreation to name a few.

Local organisations throughout the state assist the program by taking on trainees.

*"This support of local youth is fantastic"* says Workplace Learning coordinator Shane Murray. The committed employer who became readily involved with Holly's program was the Shire of Lake Grace.

Employers, parents, students, Group Training Companies (GTO's), private and government Registered Training Organisations (RTO's) and Australian Apprenticeship Centres (AAC's) are all involved in these partnerships that make an important difference to the lives of our youth by creating relevant training and education pathways for them.

Shane believes the school-to-work programs have many hidden advantages to all stakeholders ... students, parents, employers and the community. He, along with the family, would like to say thank you to the Lake Grace Shire, for their strong commitment to local youth.

**ADWPL student Holly King (front) with trainer Lee-Anne Trevenen "on-the-Job at the Lake Grace Shire. Holly is using the school-to-work program to explore potential career paths and is very excited with the opportunities the ADWPL program is providing her.**

## Accredited Forklift Workshop

**1 day workshop**

**Tuesday 21st July**

Cost - Non-concession \$265.42,  
Concession \$ 172.22

Please phone the Lake Grace Community Resource Centre on 9865 1470 to book in.

**Must be 18  
years of  
age to take  
part.**

# Wheatbelt Provision of Community Sport

Jenifer Collins

Over the past two years DSR (Department of Sport and Recreation) -Wheatbelt through WASF (WA Sports Federation) has completed the Wheatbelt Provision of Community Sport – to provide a cross sectional look at sports and organisations responsible for the development of sport across the region.

What has clearly been determined through the consultation is that innovative and flexible sports delivery strategies are required to ensure that communities regardless of geographical location have access to quality and relevant sport and recreation opportunities. One size no longer fits all.

A series of report briefings will be held across the region; getting sporting clubs together in the one forum to share innovative and flexible sports delivery strategies, develop and share best practise and locally significant solutions and identify models of service delivery that are working well and perhaps not so well.

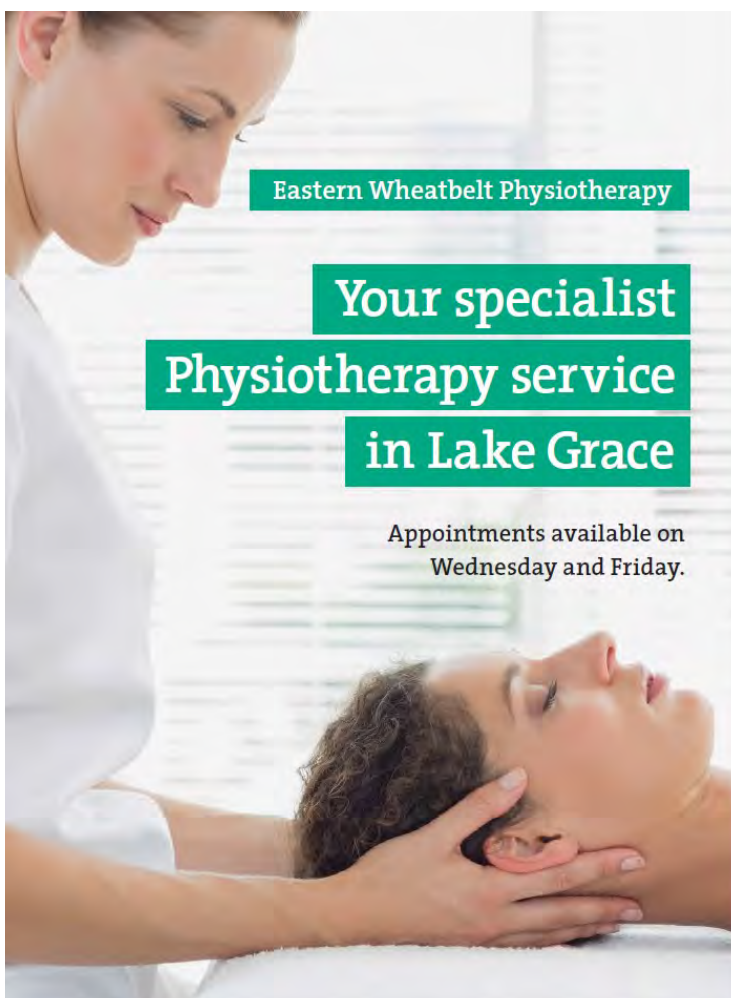

There are so many variables for sport and clubs; what makes your club work, barriers, what could you do better? There are some barriers out of the hands of clubs – how are clubs working through these challenges?

A report briefing will be held at the Lake Grace Community Resource Centre on Tuesday 16th June from 6pm to 8pm.

DSR would like representatives from as many sporting bodies as possible to attend to discuss opportunities and challenges that are faced by clubs in our region. Catering is supplied so RSVP's are needed.

## **DSR Sport Briefing**

**When:** Tuesday 16 June  
**Where:** Lake Grace – Community Resource Centre, Bishop Street Lake Grace  
**When:** 6pm – 8pm  
**RSVP:** **Is required please**
