## Lake Grace Community Cropping 2017

John O'Neill

**Photo: The John Deere 9570RX Tractor getting ready to go.**

Over the weekend of the 11<sup>th</sup> and 12<sup>th</sup> of May the community crop was sowed to La Trobe barley. Although sowed into tough dry conditions it all went in nicely and timely as last week we received 28mls of rain to get it off to a very good start.

For all this to take place you need a lot of support so we would like to thank our wonderful community for donating their time and machinery to make this a success. The 2017 programme all started with Tom O'Neill doing the post spraying last year to help clean up weeds for 2017, Cam Slarke doing the summer spraying, then Kingsley and Scott Strevett doing the burning and preparing it for seeding, Noel Bairstow

spraying in front of the seeder, Dean Carruthers supplied the truck to pick up seed and fertiliser and helped me over the three days to pull it all together. Also thanks to Scott and Kingsley Strevett for supplying the seed, Royce Taylor for supplying the fertiliser, Grant O'Neill the chemical and Pete at the Roadhouse, Dean the butcher, Nick from the Hotel for the meals and refreshments.

A big thank you to Greg Champion, Tyson Bell and all the staff at AFGRI Lake Grace and Bourguault Australia for supplying the seeding rig comprising of a John Deere 9570RX Tractor, Bourguault TBT 6550 Double shoot air seeder and Bourguault Paralink 3320- 70ft Bar.

# Editorial

- ◇ **Thank you** to Rosie Timperley and Chloe Robertson for holding the fort while I took a week off. It's always nice to be able to take a break and know that everything is going to hum along quite well in your absence.
- ◇ We've got a new baby on the committee, in fact we don't just have one we have three! Congratulations to our Treasurer, Kelly Hawtin on the arrival of Tyson and also congratulations to our committee member David Fyfe who now takes on the title of Grandad. Good news all round.
- ◇ Not nagging or anything but we still have a near full box of showerheads (that are free) that the Water Corporation would like to get rid of to anyone who doesn't have a **waterwise showerhead**. All you need to do is bring in your old showerhead and your account number and we'll give you a brand spanking new one!
- ◇ Are you interested in being a part of an **LDAG**? What's an LDAG you say?? It's a Local Drug Action Group; similarly setup to a Roadwise group it has members that are a fair and indicative representation of the community and would work toward education and support in the fight against drug use in our community. Katherine Rogers from Local Drug Action Group Inc. is coming to Lake Grace on Thursday 8th June to meet with community members to explain the responsibilities of setting up a group and will then help us with the process. The meeting will be from 10am to midday at the CRC. If you are unable to come but are interested in being a part of this group then please contact the CRC. We need representation from sporting groups, civic groups, P&C, emergency services etc. The more the merrier.
- ◇ On the subject of drugs we are in contact with Peter Lyndon-James who runs a series of **'Tough Love'** seminars. You may have heard of him via media reports on his organisation Shalom House that assists with men fighting addiction or you may have seen his story on Australian Story. His seminars are reportedly very good but at this stage the four hour seminar is financially out of our reach. However we are interested in peoples thoughts and are also interested in whether any local businesses or organisations would be willing to offer financial assistance to bring this workshop to Lake Grace in the future.
- ◇ Our **crochet group** is in the running for a Bankwest community grant and we need YOUR vote. You don't have to be a Bankwest customer you just need an email address; find the site on line and follow the prompts. This grant would help fund yarn for the blankets that we are creating. For anyone who hasn't been to crocheting yet, pop along. Every Friday from 10am to midday.
- ◇ We are currently in the process of organising a **grant writing workshop** in early July. If you're interested please let me know.
- ◇ Also in the pipeline is a community **mental health** get together. The date for this is Thursday 29th June. There will be more information in the next Lakes Link News.
- ◇ Dumbleyung CRC is hosting a **Bush Awareness workshop** on Thursday June 8th. They will have a number of guest speakers and the workshop will look at orchids, bird monitoring at Toolibin lake, control methods for bridal creeper, fire ecology and bush management and Red Tailed Phascogales. If you're interested please contact the Dumbleyung CRC on 9863 4829.

# Beginner Patchwork Classes

Kerrie Argent

Fabulous new beginner Patchwork classes starting soon.

Have you ever thought that you would like to learn how to do patchwork, and asked yourself these questions. I only want to start on something easy, so where do I start? How do I get started on making a patchwork quilt? Which quilt do I make that's not too hard to start with, how much fabric do I need?

How easy is it? I'm a beginner sewer or a non sewer, I have a machine but I don't really know how to use it.....and the list goes on.

The Lake Grace regional Artspace is organising patch work classes for beginners, and past patch workers that would like to get back into it, and for those that own or would like to own a sewing machine, and have no or minimal skills with a sewing machine. All are welcome ....so keep reading for further information.

Excellent patchworkers and sewers and tutors Kerry Hitchins and Nola Frost are going to run patch work classes on Tuesday nights every fortnight for ten weeks. This is following a successful basic sewing class two years ago with Kerry and Nola, which was very well received.

These classes will allow you to create a sampler quilt on a sewing machine in this time. Each fortnight learning a new design and gradually increasing in complexity to build up your confidence, then the final construction and finishing off of your quilt. After that you can go on to bigger and better projects even into art quilt projects.....the mind boggles and the projects are endless. Or you might just make this one family heirloom. You won't have to drool over the quilts in the quilting magazine and wish you knew how to make a quilt.

The first class is on Tuesday evening 13th June 2017 at the Lake Grace Regional Artspace at 7pm-9/10pm. We have decided on this time so that those who work or have little kids can still come. All you have to bring to the first class is your sewing machine in working order, and tool box and instruction book if you

have one, white or cream thread, scissors, pins and enthusiasm. And if you have cutting board ruler and rotary cutter, Kerry and Nola will teach you the rest. A sample kit will be supplied for the first week. The cost for the workshops will be \$25 each for each night and \$5 for the kit for the first week.

We have a couple of spare sewing machines if you don't have a machine and would like to come along and just have a try before you go and buy one..

What is a Sample Quilt?

These quilts are comprised of different block pattern that are generally non repeating. In most samplers every block is different. Traditionally each of these unique blocks is the same size but can vary. When all the blocks are finished they are sewn together with or without sashing/borders. So a sampler quilt is a quilting project that does not repeat the same quilt block, within its layout and most sampler quilts are designed with 12 different quilt blocks, which is what we will be doing at the workshop and with a little bit of home work.

So it's all about playing and fun. Kerry has chosen blocks that are not too complicated and suitable for beginners and as the weeks go on and you are more skilled they slowly get a little harder.

Tea and coffee provided, there are kitchen facilities if you want to come earlier and heat your tea up.

Don't miss out on this onetime only series of classes for the year.

To book in or for further information please contact Jayne Argent [jaynearg@gmail.com](mailto:jaynearg@gmail.com) or 0447 442 464

# A Step Closer for Community Bank

Suzanne Reeves

Lake Grace has moved a step closer to obtaining a community bank with the Kulin branch of Bendigo Bank holding an account-opening day in Lake Grace on Thursday 11<sup>th</sup> May. Kulin's Branch Manager, Jocelyn Owen and Business Development Manager Tom Murphy were on hand to get to know the Lake Grace and surrounding community while answering any questions that potential customers had.

"A big thankyou to the Lake Grace Community for welcoming Jocelyn and I into your town for our account opening day. We weren't entirely sure what level of support to expect and were blown away with how busy we were for the day. Rest assured that we are working as hard as we can to get an agency happening in your community as soon as we can", said Tom.

It's nearly 12 months since Westpac closed their doors in Lake Grace and although Bankwest is still operating general community feeling is that there is still room for a second bank. This was evidenced in the turnout that Bendigo Bank had for their first account opening day; Jocelyn and Tom will be back in June for another account opening day and look forward to meeting more of the community then. They will have plenty of information about the huge range of investment, insurance and general banking options that are

available through Bendigo Bank as well as Rural Bank. If anything just pop in for a chat to see how we operate within the Kulin community and how this could be happening in yours.

Bendigo Bank puts a portion of their profit back into the community. Although Lake Grace will be a sub branch of Kulin, profit is directed toward the postcode of the account owner. Anyone who has already opened an account is already building a nest egg for their community.

# Local Road Users Urged to Support Fatality Free Friday

Media Release

Locals have been urged to pledge their support for road safety ahead of Fatality Free Friday, the nation's largest community-based road safety initiative, on 26 May.

Road users can take a digital pledge, as well as adding a yellow road safety ribbon to their profile picture on Twitter and Facebook, to show their commitment to reducing the devastating impact of road crashes on our communities.

More than 200 regional events will be held across the nation ahead of and on Fatality Free Friday. The events allow local road users to sign the pledge in person and acknowledge the important role each individual plays in stemming the road toll, which last year claimed 1,300 Australian lives.

An initiative of the Australian Road Safety Foundation (ARSF), Fatality Free Friday aims to create a culture where road users not only take responsibility for their own decisions, but also demand safe practice from family, friends, and professional drivers, including taxi or UBER drivers.

ARSF founder and CEO Russell White implored local road users to take the digital road safety pledge, and share their commitment via social media to spread awareness about Fatality Free Friday.

"We urge every motorist, passenger, cyclist and pedestrian to visit our website to pledge their support for this vital community initiative, then change their profile picture on Facebook and Twitter to let everyone know they are serious about change," Mr White said.

"We are using digital channels and social media to spread our message ahead of Fatality Free Friday, because reducing the death toll on our roads must come from community action, and not just from the authorities dictating road laws.

"Every decision made on or around the road can be the difference between life and death. We need to create a culture where every individual actively seeks to avoid risks – whether speeding, using their mobile phone, or driving erratically – and also calls out other drivers on bad behaviour behind the wheel," he said.

Mr White said Fridays remained one of the deadliest days of the week on Australian roads, accounting for 214 fatalities in 2016, or 16 per cent of the total road toll.

Despite reductions in road deaths over the past decade, just two of the 53 Fridays in 2016 were fatality free – Friday, 5 February, and Friday, 24 June.

New research released by ARSF highlighted not only the irresponsible behaviour of drivers but also those who sat idly by and allowed it to happen, revealing almost half (49%) of Australians did not ask speeding friends or family members to slow down.

The research also found 46 per cent of people riding with a texting taxi, UBER or professional driver would not ask them to put their phone away, with 18 per cent of these passengers claiming they were too afraid to speak up, while an additional 18 per cent just 'can't be bothered' speaking to the driver.

Equally as alarming, the data revealed more than half of Australian drivers (58%) narrowly avoided a car crash at least once a month, while 18 per cent of drivers experienced close calls on a weekly basis.

Held annually on the last Friday in May since its inception in 2007, Fatality Free Friday has garnered support from hundreds of thousands of Australians, who have taken the road safety pledge, either in person, at one of the many public signing events across the country, or online.

Of the 1,300 people who lost their lives on Australian roads in 2016, 18 per cent were aged between 18 and 25 years, closely followed by those aged 36 to 45 years (17 per cent), then 26 to 35 years (16 per cent).

Road users are encouraged to demonstrate their commitment to reducing the nation's road toll by adding the Fatality Free Friday pledge to their Facebook and/or Twitter page: <https://twibbon.com/Support/fatality-free-friday-3>

# Rethinking Suicide Prevention - A Situational Approach

*Warriors Wellbeing - Media Release*

The time has come to re-evaluate the way we approach suicide awareness and prevention! This is the challenge issued in a recent paper delivered by the Australian Institute of Male Health Studies and Western Sydney University. Renowned advocates for Men's Health Dr John Ashfield, Professor John Macdonald and Anthony Smith propose that a significant paradigm shift is needed in order to realise a more effective national suicide prevention strategy. They argue that a 'situational approach' is required, one that acknowledges the more predominant association of situational distress with suicide, as opposed to the current focus on mental illness. This is precisely what we advocate at RMHI.

None of us are immune to the feelings associated with being overwhelmed and challenged by specific events in our lives. These normal life 'situations' such as bereavement or relationship breakdown can impact greatly on our mental and emotional wellbeing. It is at these times, when we are able to draw on our innate resilience as human beings, and to see the best in others when we connect with them for support. The concern is that too often the distress we feel in certain situations aligns with symptoms that are often used to identify a mental illness such as depression. There is no doubt that depression can be a debilitating illness with associations for increased risk of suicide but it has gone from being a condition of relative obscurity to an apparent major social dilemma. The authors take this a step further and argue that 'the current mental health narrative has been allowed to encircle, medicalise and redefine as pathological many of our common human experiences' (Ashfield, Macdonald and Smith).

The paper's central argument is that when it comes to suicide prevention most initiatives are preoccupied with the identification of mental illness. Instead, we need to be considering all forms of life stressors and the associated experience of distress which doesn't necessarily embody a diagnosable mental illness but can result in suicidal behaviour. They argue that many suicides are connected to situational distress often

involving issues such as unemployment, financial problems and conflict, the signs of which may be missed if we adhere to a purely mental illness agenda. We need to be looking at situational distress and how it influences the individual's perspective.

As long as the suicide focus remains mostly on mental illness people will continue to view this problem as that of a professional's domain. Whilst tertiary services are very important their focus is on people with high intensity mental health difficulties and the associated risk issues. At RMHI we strongly support the shift to a more situational approach to suicide awareness because it promotes development of initiatives that advocate capacity building in individuals and their communities, early intervention and a primary care focus, that is ordinary people looking out for each other.

# 2018 West Australian Country Music Awards

## Entries Now Open

Entries are now open for the 33rd annual Western Australian Country Music Awards so start planning your entry now. The West Australian Country Music Awards have been the traction point for WA talent to be heard on a national scale for the past 32 years.

Can you imagine standing on a huge stage, lights and cameras rolling, the best sound guys giving their all, and YOU performing in front of a couple of thousand people – probably the biggest audience of your developing music career so far. Fantasy? No, as this has happened to many of our Great Southern artists, including the Gypsy Chicks, Chris Edmondson and young Keely Brittain to name just a few. In February 2018, it could be your turn to follow in their footsteps as a Finalist or a Winner of the WA Country Music Awards at the Boyup Brook Country Music Festival.

With over \$10,000 in cash and prizes, and the possibility of stage time in front of a huge audience this is a massive opportunity to increase your exposure and spotlight your music career. And, ponder this. It goes without saying that not everyone will be a Finalist or a Winner...BUT, by entering YOUR music, YOUR voice and talent, you will be heard by our national and international judges. And every year one or two of these judges ask our Awards Coordinator for contact details of some entrants so they can either mentor a talent that has captured them or to co-write with them. Another

golden opportunity only afforded by entering these stellar Awards.

Every skill level has a category to enter with the array of categories including Group, Male Artist, Female Artist, Independent Single, Independent EP, Independent Album, Video Clip, Open Songwriter, Emerging Artist and Junior Vocalist of the Year. There is something for everyone no matter whether you are getting established in your music career or just starting out.

Entries close 5pm on 30th September 2017, with finalists announced end of December. Winners will be presented on Friday 16th February at the Boyup Brook Country Music Festival, which is recognised as one of the top Country Music Festivals in Australia, and has played a fundamental role in developing and promoting Australian Country Music.

Application forms are available on the Boyup Brook Country Music Club website [www.countrymusicwa.com.au](http://www.countrymusicwa.com.au) or by phoning 9765 1657

# Humour

## The Four Most Beautiful Words

The four most beautiful words in our common language: I told you so.

## The Key To A Good Marriage

I once gave my husband the silent treatment for an entire week, at the end of which he declared, "Hey, we're getting along pretty great lately!"

## Parenting, the Dad-Joke Way

My ten-month-old was sitting in her high chair, twisting and moving all over the place. My wife said to me, "Straighten her up."

I looked at my daughter and said, "What are you doing with your life? Do you want to be this way forever? It's time to grow up."

My wife hasn't asked me to do anything since.

## Always Questioning

My mother is always trying to understand what motivates people, especially those in her family. One day she and my sister were talking about one relative's bad luck. "Why do you suppose she changed jobs?" Mother asked my sister. "Maybe she has a subconscious desire not to succeed."

"Or maybe it just happened," said my sister, exasperated. "Do you know you analyze everything to death?"

Mother was silent for a moment. "That's true," she said. "Why do you think I do that?"

## My Daily Regimen

My doctor took one look at my gut and refused to believe that I work out. So I listed the exercises I do every day: jump to conclusions, climb the walls, drag my heels, push my luck, make mountains out of molehills, bend over backward, run around in circles, put my foot in my mouth, go over the edge, and beat around the bush.

## Two Men Walk into...

Two men walk into a bar. You'd think at least one would have ducked.

## New Year, Old Problems

It's New Year's Eve, and the restaurant is hopping—revellers, band, overworked waiters. Wending his way through the crowd is a drunk, staggering back to his seat. Spotting an attractive woman sitting alone, he says, "Pardon me, miss, did I step on your feet a few minutes ago?"

"Yes," she says testily, "you did."

"Good! I knew my table was around here somewhere."

## Your banking can make a difference

When you choose to be a customer at Kulin Community Bank® Branch, you make a decision that benefits you and your community.

### ➔ It's simple

- 1 You choose to bank with your locally-owned Community Bank® branch.
- 2 You select from a competitive range of banking products.
- 3 The local community shares in the income generated by your banking. The more you bank with us, the more the community benefits.
- 4 The community, not Bendigo Bank, chooses which community projects receive support.

**So make a difference – to your own banking and your community. Tom Murphy will come to you to review your financial needs, even at your kitchen table.**

# War On Waste

<http://www.abc.net.au/tv/programs/war-on-waste/>

Our waste is growing at double the rate of our population with 52 mega tonnes generated a year. Australia is ranked 5<sup>th</sup> highest for generating the most municipal waste in the world.

In the 1960's, Australians were considered amongst the best in the world when it came to the ways they dealt with waste. Many recycling programs – especially those involving paper and newspaper – were pioneered in Australia. In the late-60's and 1970's, the launch of the Keep Australia Beautiful campaign put the issue of waste at the forefront of the national consciousness.

In recent decades, the combined effects of consumer demand, supermarket policies and cynicism about the effectiveness of waste and recycling campaigns has seen a surge in the volume of waste we produce as a nation.

Craig Reucassel takes a critical and first-hand look at household, retail and farming waste in Australia and asks, what has changed in the Australian psyche, and in our consumer culture, that has led us to become among the most wasteful nations in the developed world? We'll ask why Australians are generating millions of tonnes more waste every year – in food,

fashion, packaging, electronics and more. We'll discover the truth about where various kinds of waste actually end up, and learn what we can do to reduce the staggering volumes we produce.

Importantly, we'll project into the future. With the amount of waste increasing in Australia by nearly 8% a year, we'll also ask what happens if we do nothing? Is it time for us, as a nation, to seriously re-examine the ways we consume and dispose of consumer items?

**War on Waste: It's time to step off the fashion trend -mill**

**By Nina Gbor, eco stylist and clothes swapper extraordinaire**

Fast fashion is addictive and it's designed to be. It's a super-zooming conveyor belt of new things quickly going out of date or even falling apart, whilst the next thing zips along cooing "buy me". It's convenient and cheap yet never quite satisfies our insatiable desire to keep up with ever changing fashion trends.

If you buy a fast fashion \$4 T-shirt, is there a greater cost, what you could call the true cost when you take in to account production and disposal? One striking fact

## War On Waste (cont.)

according to WWF is that it takes 2,700 litres of water to make one cotton T-shirt, that's enough for one person to drink for 900 days. Australians are currently disposing of 6,000 kilograms of fashion and textile waste every 10 minutes as you will find out in the third episode of War on Waste

So, whilst fast fashion isn't viable for the future of this unique, remarkable planet, it has also turned shopping into a mindless exercise, dictating what to wear, buy and giving us repetitive stress injury from clicking 'add to cart.' We've become fashion zombies running on a 'trend mill'.

How to get off the trend mill? Shop pre-loved. It's not only good for the environment, good for humanity and your soul, it's easy, fun and affordable.

You won't believe the designer garments I've found, tags still attached, for next to nothing! I've bought 60's and 70's wedding dresses and turned them into everyday outfits through styling with a casual jumper over the top, waist belt, scarf and accessories. I've also cut dresses in to two pieces and matched them with other garments.

You know that moment when you rock up to a party to find someone else wearing the same outfit? That's doesn't happen to me because 90% of my wardrobe is pre-loved. At 15, during a chance encounter with my first op shop, I fell feverishly in love with pairing unusual items to create a stylish and unique look, and I have never looked back.

Here are some tips and styling secrets to get off the 'trend-mill' and start fighting the War on Waste:

**Plan, visit, shop and donate your pre-loved fashion adventure.** Visit pre-loved fashion hot spots such as [Smith Family](#), [Vinnies](#), [Salvos](#), [Anglicare](#) and [Australian Red Cross](#). Donate your good quality clothes and pick up a whole new wardrobe.

**Learn about yourself.** Focus less on trends and instead learn what styles suit you. Think about colours, patterns, cuts, shapes and fabrics. Stroll local pre-loved markets and chat styling tips with the stall holders.

**Be creative and experiment.** While wedding dresses might not be your thing, make clothes work for you for all occasions, all year round. Have them repaired, re-designed or simply accessorise by trying layering, mixing and matching.

**Attend or organise a clothes swap.** You can organise your own clothes swap event with friends or colleagues and make a fun occasion of it.

**And if you are going to buy new, go for ethical and sustainable brands.** Choose timeless pieces that you'll wear 5-30 years from now, and find out about the brand before you buy through [Good on You](#), [Ethical Fashion Fast Finder](#) and [Ethical Clothing Australia](#).

When you shop pre-loved, your only regret will be you didn't do it sooner. Fashion is about trends, style is forever. So join me on the other side, it's fun here!

ABC staff around Australia are helping tackle the war on waste in many ways. One way is by donating pre-loved clothing to [Suited to Success](#) in Brisbane, and [Dress for Success](#) in various locations.

*The 'War on Waste' needs you!* Take the short survey at <http://www.abc.net.au/ourfocus/waronthewaste/> to help us understand more about what we throw away personally and as a nation, including fast fashion insert link.

## Flu?

### How you can help stop the Spread!

Our local staff will be having their annual vaccination this week as part of an industry-wide program providing free flu vaccines to Health employees—this offers protection to our staff and to all the people they come into contact with!

The flu vaccine is also available free-of-charge to at-risk groups and for a fee to the general community through GPs, Aboriginal health services and community vaccination providers.

Children aged from six months to less than five years are also eligible for a free vaccine in WA.

Simple steps to stop the spread of flu include:

- Cover your face with hand or a tissue when you cough or sneeze
- Practise good hand hygiene by washing your hands thoroughly
- Stay home until you are well to avoid infecting others
- If you need to see a doctor, call ahead so the clinic can take precautions to reduce the risk.

# Kukerin Golf - Browning Trophy

*Jon Adams*

Saturday 20th of May saw a much cooler day than in the previous weeks. This was well received as the flies among the jam trees and yolk gums had gotten a bit beyond a joke. Play for the day was a Hidden Partners stableford playing for the Across the Lake sponsored Browning trophies. Thank you very much to Derek and Kristie for their sponsorship. 5 Lake Grace players ventured to Kukerin for the day along with visitors John Browning and son in law Chris Ryan.

Later in the day Kristie Stanton and kids came out to Kukerin along with Kristies mum Shirley Hobley ( nee Browning ). The extra numbers for the day made for a terrific gathering in the clubhouse after play.

At presentations John Browning spoke on behalf of the family and mentioned how proud they are that their late father Alan Browning was a foundation member of the Kukerin Golf Club. He also said that it was great for the family to get back to Kukerin and enjoy the day among some old friends.

Ladies winners for the day were Marnie West and Debbie Smith with 71 points. Not missing out, Jenny

Joyce received a couple of AtL bottles of red as the unlucky runner up. Sweep winner was Debbie Smith.

7 pairs of men vied for their prizes with Chris Ryan and Scott Gray on 71 points claiming the goodies. Scott did remark that Chris must've had a good day. Runners up on 65 were Craig Reeves and Tim Adams. Sweep winners were Kingy and Frisky with JA and Mark Seaman nabbing the other.

The Browning trophy Kukerin individual winners with their name to go on the cup were Marnie West on 38 for the ladies and not to be outdone, Ian Faulkner for the men - also with 38 points.

There were also a number of novelty winners for the day. Craig Reeves grabbed 3, Chris Ryan 2, and 1 each to Timmy, Jon Adams, Barry Gray, Jenny J and Mark Seaman. There were 2 other pins but they disappeared somewhere. Overall, it was another very enjoyable Browning trophy day and one that we all forward to each year.

*CEO's Corner***Flooding Event – February 2017**

The Shire has submitted an application to Main Roads WA (MRWA) for funding for road repair works through WANDRRA and we are still awaiting confirmation. Once we receive confirmation of funding, a Tender will be advertised for construction and repair works. Consideration will be given to the timeliness of works as well as quality of construction.

Our application submitted to the Office of Emergency Management seeking financial assistance to remove the water and restore Old Ravensthorpe, Magenta and Hatters Hill Roads, has been approved. Details of required works for Hatters Hill Road and the southern end of Old Ravensthorpe Road have been approved by MRWA. Works has commenced on draining the water from these roads.

For current road closures please refer to the Shire's website [www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au) or Facebook page for a list of roads that are closed within the Shire.

**WANDRRA Day Labour Exemption**

An announcement was made on Tuesday 9 May that Local Government now has a choice to use their own plant and equipment when rebuilding essential public assets damaged during the February flood event. Although the exemption has been granted there are still processes to be followed. Currently we are still waiting on MRWA approval for the funding of our recovery works. Once this is approved we then will be required to submit our individual costing for each road to MRWA for approval and be able to show value for money as opposed to using contract services.

There are a number of other issues outstanding, one being the ability for neighbouring Local Governments to be able to assist in undertaking the repair works. The percentage of overheads claimable is another matter outstanding, wages can be claimed, but it is unknown as to the level of other charges, superannuation, workers compensation etc which can be claimed.

**Ward Review**

Correspondence has been received from the Department of Local Government and Communities, advising that the Minister for Local Government has approved the recommendation of the Local Government Advisory Board to abolish the Shire of Lake Grace's current ward structure and for the number of offices of councillor to remain unchanged at nine.

With this change the current election cycle is to be maintained. Councillors Armstrong, Chappell, De Landgraft, Stanton and Walkers' current terms expire in October 2017. During the 2017 election period, nominations will be called for these five (5) positions.

Administrative processes are now in place to obtain the Governor's approval and publish the changes in the Government Gazette. This change will be implemented for the 2017 local government elections being held in October 2017.

**4WDL Meeting**

The Shire President and myself attended the 4WDL meeting held on Tuesday 9 May in Dumbleyung.

The 4WDL is a group of Councils who have joined together to form a Voluntary Regional Organisation of Councils (i.e. VROC) and consists of the Shires of Wagin, Williams, West Arthur, Woodanilling, Dumbleyung and Lake Grace. Shire Presidents and CEOs attend the meetings every two months.

The May meeting included presentations from Graham Cooper, Chair of Regional Development Australia (RDA) Wheatbelt, MRWA Acting Regional Manager Rob Barnsley and DFES Great Southern Superintendent Wayne Green. The opportunity to ask questions of the presenters prompted discussion, with a lot of information being shared across a wide range of topics of importance.

Topics discussed on the day included:

- Commodity Routes road funding and the fact that there is funding for national and state roads but none for local government roads;
- WANDRRA submissions, claims and the approval process;
- Albany Highway / Arthur River intersection modifications;
- Albany Highway Williams River bridge replacement;
- Upcoming bushfire season and the need for DFES to keep local volunteers engaged in bushfire events;
- 4WDL Aged Housing Progress Report; and,
- Current issues around the recent Corruption and Crime Commission's (CCC) statement to the media regarding the Shire of Exmouth and the suggested mismanagement in local government in regional areas.

Shire of Lake Grace Community News *Cont.***Lake King Sports Ground Upgrades**

Congratulations to the Lake King community on their initiative, planning and hard work over the last couple of years in making major improvements to the Lake King Sportsground.

The results of their efforts were on show for the first time on Saturday with the first home game for the winter sports season. The multipurpose court resurfacing, the Sports Pavilion enclosed patio addition and the refurbished kitchen area, are recent projects all undertaken by the Lakes Winter Sports Committee under the umbrella of the Lake King Progress Association. Funding was sourced through various avenues with matching funding being provided by the community.

These projects can only come about with a lot of hard work and effort by the community, the upgraded sports facilities are a credit to those involved and will benefit the community for many years to come. Well done Lake King.

**Building and Maintenance Team**

Works are continuing on the Lake Grace Independent Living units:

- Unit 2 – gyprock flushing nearing completion;
- Unit 3 – gyprock fixing commenced; and
- External trims continuing on all units.

Maintenance requests completed over the past fortnight:

- Newdegate Sports Pavilion;
- Newdegate Medical Centre; and
- Lake Grace airstrip.

**Road Works**

During the past fortnight the Construction Crew have completed works on Hatters Hill Road. The team has now moved onto Magenta Road to lift the level of the road where the flood damage occurred. Lifting the road level is attempting to mitigate future flooding of the road section during the coming winter period. When complete the team will be then moving onto Parsons Road to finish off the floodway.

The Maintenance Grader has been working on Fourteen Mile Road, Bairstow Road and Pelham Road. The grader will be then moving onto Argent Road, McNamara Road and North Burngup Road.

The Newdegate grader contractor has been working on Ardler Road, Magenta Road and will be moving on to Whurr Road, Biddy Camm Road, Haigh Road and Shalders Road.

The Lake King grader contractor has been working on Muncaster Road, Ladyman Road, Smerdon Road and Kathleen Road.

**Parks and Gardens**

The team have been working on the playgrounds in Lake Grace and have carried out works at the Lake Grace cemetery. Trimming of the street trees and spraying laneways has been carried out. Footpaths and the BBQ area on the main street in Lake Grace have been tidied up.

due to staff attending training. We apologise for any inconvenience.

## Ordinary Council Meeting

The next Ordinary Council Meeting will be held:

**3:00 pm Wednesday, 28 June 2017**  
**at Council Chambers 1 Bishop St Lake Grace**

*Members of the public welcome*

A minimum of 15 minutes is set aside for public question time, giving members of the public an opportunity to ask questions relating to Shire activities.

## Walking your Dog

A reminder that dog owners have a legal responsibility to keep their dogs under control, either within a fenced area on their property or on a leash when in public.

When walking your dog pick up your dog waste:

- Keep your bags/pouches/pooper scooper products with your leash, as a reminder to take them with you.
- If you forget your bag look for bag dispensers and bins provided.
- If using the plastic bag method for cleaning up, simply put your hand inside the bag, pick up the dog poo, turn the bag inside out, then seal.

People like dogs not dog waste, please be considerate of others.

Seeding is a time to watch the sunrise and sunsets. Share your wide shot of a sunrise, sunset, or sports grounds on the Shire pages banner, by sending them to [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au)

## Office Opening Hours

Monday - Tuesday - Wednesday - Friday  
8.30am - 4.30pm

Thursday 8.30am - 4.00pm

Staff can be contacted by phone between 8am - 5pm.

## Transport &amp; Licensing

All licensing payments are to be made in person at the Shire of Lake Grace Administration building.

**Monday, Tuesday and Wednesday 8.30am - 4.15pm**  
**Thursday and Friday 8.30am - 4.00pm**

As an agency we process the majority of transactions, including; renewals, transfers, number plate orders, boat registration renewals and new license applications.

Please ensure you arrive at the counter with sufficient time for your transaction to be completed by closing time, this is because it is necessary for staff to reconcile Department of Transport transactions each day. Please keep in mind that farm equipment and Learners Permit transactions can take up to 45 minutes or more.

**Please note: the Shire's staff will be unable to process licensing transactions on Tuesday 20 June due to attending training.**

## Driving Assessor

The Practical Driving Assessor (PDA) will be at the Shire of Lake Grace Office on:

**Friday - 2 June 2017**

**Friday - 7 July 2017** - to be confirmed

Bookings are essential for all Practical Driver's Licence Assessments and we advise that there is a waiting list, so booking in advance is highly recommended.

Lake Grace has one assessment day each month held on the first Friday of the month.

For more information visit [www.transport.wa.gov.au](http://www.transport.wa.gov.au).

## Firearm Licence

No awards for this game available at time of publication.

The last couple of wins and upsets in other games have put our A grade team on the top of the ladder. Hopefully we can keep up the good work and remain there for the rest of the season. We extend our congratulations to Corrigin Hockey Club's A grade side on their win over Bruce Rock last week, first one for a couple of years, perseverance pays off!

Our B grade isn't faring as well but are playing really well and the improvement in some of the newer players is to be commended. Well done Mel Ogilvie on whatever you're saying to them! The kids team is battling on and putting in some fantastic efforts, good job all the players and coach Stevie.

For those attending Country Week this year there is a training and selection trial on Sunday 28<sup>th</sup> May in Kulin for the first two sides, the Vets nominees will be advised as to when their training is.

Thanks to everyone who helped out with the catering for the late Clem Bennett's wake. It is very much appreciated. Thanks also to the netball girls who chipped in with plates. Our sincere sympathy to Helen, Regan, Skete and Pippa and your families on your loss.

A big thank you to our game day sponsors – Lake Grace Sportsman's Club, Kukerin Hotel, Kukerin General Store, Lake Grace Meat Supply, Chatfield Ag Spreading and JL Pearce.

Our game this week is in Bruce Rock followed by a home game against Narembreen on 3 June in Lake Grace.

Sunday 14<sup>th</sup> May, event was a par event sponsored by Leading Edge and Neu-Tech Auto Electrics Lake Grace.

As the scribe was not playing that day I only have results. Winner on a count back was Steven Hunt from Denise Gobbart both having a +3.

NTP 4 Michelle Lay. NTP 6 Michelle Lay. NTP 15 Helen Hunt. NTP 18 Nick Maalouf. Longest putt on 9 was Kevin Eggers. Daily Long Drive for the men on 7 was Matthew Spurr. Helen Hunt won the ladies Long Drive on 3. The Birdie hole jackpotted.

Sunday 21<sup>st</sup> of May was a stroke event and the 1st qualifying round and also the count your putts day, which is sponsored by Rex Walker.

The weather must have been off putting as only a handful of players turned up. Once out on the course the weather was actually quite reasonable, a little breezy, but no rain fell. The day before, Saturday the 20<sup>th</sup> was the Browning cup held at the Kukerin Golf Club, this saw around five players from the Lake Grace Club attend.

Runner-up for the stroke event on Sunday with a 97/18/79 nett and also the runner-up with 28 putts was Stephen Hunt. Winner for the day with a 77/12/65 nett and also the winner with 26 putts was Craig Reeves.

Novelties for the day: daily long drive for the men on 3 was Craig Reeves. Daily long drive for the ladies on 10 was Denise Gobbart. Longest putt on 9 was Stephanie Lay. Longest putt on 2 was Sonya McSwain. NTP 4 was Craig Reeves sponsored by Justin Wright of Elders insurance. NTP 6 was Steve Hunt sponsored by Lake Grace Roadhouse. NTP 15 Denise Gobbart sponsored by Lake Grace Post Office. NTP 18 Kevin Eggers sponsored by Lake Grace Community Resource Centre. Birdie hole was number 12 and Craig Reeves took this out, a very nice collection of golf balls.

Don't forget that this weekend's golf is on **Saturday 27<sup>th</sup>** of May, names in by 12.15 for a 12.30 start. A 4BBB Stableford, arrange your own partners or just come out and we can put you in with somebody. A nine-hole competition also will be played being an individual Stableford with a hit off at 2:15 PM. Sponsor for the day is Mark and Karen Seaman at CCL Hardware. **A casserole** tea will be on in the evening, so if all members could please bring a casserole to share.

A **busy bee** will be held the following day on Sunday 28<sup>th</sup> of May starting at approximately 10 AM. This will be to try and put some more sand on some of the greens, many hands make light work.

Saturday, 3<sup>rd</sup> of June will be a stroke event, and the second qualifying round. A nine hole competition also will be run, hit off time 2:15 PM. A barbecue tea will be held after the day's play. This round is sponsored by Maalouf Ford.

## ROUND 4

LGPFC vs NEWDEGATE Played at NEWDEGATE on 13/5/2017

**Thanks to our Sponsors for this week who were LAKE GRACE Hotel-Motel, PRIMARIES RURAL SUPPLIES & FARMERS CENTRE.**

The weather was fine for the first Derby of season 2017.

## LGP A RESERVES

Quarter time score was LGP 2-1=13 Newdegate 4-1=25

Half time scores stood at LGP 4-1=25 Newdegate 10-5=65

Three quarter time scores were LGP 6-2=38 Newdegate 12-9=81

Newdegate were too strong for LGP all around the ground.

**Final scores were LGP 6-3=39 Defeated by Newdegate 15-10=100**

Goal scorers for LGP were J Callope, A Hunt, N Witzel, R Beasley, E Witzel and D Dowling.

Better players were Eric Witzel, Madis Hein.

**Award winners were: Best on Ground Eric Witzel, Best on Ground runner up Madis Hein and the Coaches award went to Nathan Stevens.**

## LGP JUNIORS

In the Juniors game LGP defeated Newdegate

**Final Scores LGP 8-9=57 Defeated Newdegate 4-6=30**

**Fed by Fyfe awards went to Reece Duckworth and Ali-Rose Chircop.**

## LGP LEAGUE

Commenced at 2.15pm with umpires Herbie Hart and Ian Norrish in charge for the match

Quarter time score was LGP 1-1=7 Newdegate 1-3=9

Half time scores stood at LGP 2-1=13 Newdegate 3-7=25

Three quarter time scores were LGP 4-5=29 Newdegate 5-10=40

A well contested game of football with a lot of mid-field action but Newdegate managed more inside 50's to win by 23 points.

**Final scores were LGP 8-8=56 Defeated by Newdegate 11-13=79**

Goal scorers for LGP were Tyson Bell 3, B Tinker 2, Luke Bairstow, Damon Pelham and Rod Beasley 1 each.

Better players were Luke Bairstow, Alex Duckworth, Joe Duckworth, Tyson Bell and Ashton Gray.

**Award winners were: Best on Ground Joe Duckworth, Best on Ground runner up Ashton Gray and the Coaches award went to Kael Gray.**

## ROUND 5 'BELT UP DAY'

LGPFC vs JERRAMUNGUP Played at LAKE GRACE on 20/5/2017

**Thanks to our Sponsors for this week who were LANDMARK LAKE GRACE, GREAT SOUTHERN FUELS AND LAKE GRACE SPORTSMANS CLUB.**

The weather was partly cloudy with a light westerly breeze.

## LGP A RESERVES

The Reserves game commenced at 11.15 am with the Bombers fielding a relatively inexperienced team including several fluoro shorts younger players.

Jerramungup were very good on the day with many experienced players mixed with skilful younger players and it was not until the third term that the Bomber reserves scored their only score for the match, 1 behind.

**The final scores were LGP 0-1=1 defeated by Jerry 25-14=164**

Better players for LGP were Brad Clunie, George Chircop and J Garlick.

**Awards: Best on Ground George Chircop, Best on ground runner up John Callope and coaches award went to Tom Dunham.**

## LGP JUNIORS

In the Juniors game LGP were defeated by Jerramungup by 58 points. The Jerry Juniors were generally taller than our Bomber kids and controlled the match for most of the time.

LGP 4-2=26 Defeated by Jerry 12-12=84

**Fed by Fyfe awards went to Troy Murray and Lucas Robinson.**

# Lake Grace/Pingrup Football Club (Cont.)

## LGP LEAGUE

Umpires Herbie Hart and Chris Norton were in charge for the match.

Quarter time score was LGP 3-2=20 Jerry 3-1=19

The second quarter saw the LGP Bombers struggle to add to their score with Jerry lifting their pressure and being the major goal scorers for the quarter. Half time scores stood at LGP 3-3=21 Jerramungup 8-4=52.

Three quarter time scores were LGP 6-5=41 Jerramungup 14-8=92

Jerramungup were too strong as the game progressed but the Bombers showed signs that with some injured players back after the long break ahead we could be more competitive. Here's hoping that is the case.

**Final scores were LGP 9-10=64 Defeated by Jerramungup 21-11=137.**

Major goal scorers for LGP: Tyson Prater 3 and Kane Pinney 2.

Better players were Alex Duckworth, Chris Poot, Darcy Townsend, Ashton Gray, Reuben Smith, Joe Duckworth

and Tyson Bell.

**Awards: Best on Ground Alex Duckworth, Best on Ground runner up Ashton Gray and Coaches award went to Darcy Townsend.**

We have a three week break with a bye next week and the long weekend general bye the week after. The next game is away against Boxwood Hill on Saturday June 10th.

# Lake Grace/Pingrup Netball Club

Sheridan Kowald

## ROUND 4 - 13<sup>th</sup> May 2017

### Lake Grace/Pingrup VS Newdegate

#### A Grade

Coach: Karen Bairstow

LGP: 65      DEFEATED      Newdegate: 40

Round four saw us travel to Newdegate for the local derby and at last we played indoors in shade so the conditions were a lot better for netball. As always the game was very physical but the girls fired out of the blocks and had a lead by nine goals at quarter time.

Sheridan played three quarters of the game with two opponents, but managed to play some beautiful netball and along with Sharon who shot beautifully and ran amuck outside the circle feeding Sheridan who was on top off the Newdegate defence.

Again our centre court in Shenae and Britt fed the ball well into the shooters linking up play from defence. Claire started in GK and along with Bridgett and Teneeka ran the ball out of defence into attack. Bridgett providing good run down court.

Last quarter Chloe Pearson took the court for the first time and played some very nice defence and fitted into the team well. Thanks, Chloe.

Although only outscoring Newdegate by three goals in the last quarter we ran out comfortable winners 65- 40. Well done on a good win!

**Best on Ground:** Sheridan Kowald; who after having two opponents on her still managed to get the ball and shoot some awesome goals and her ability to be able to contest and receive the ball under extreme pressure was great.

**Coaches Award:** Bridgett Michell; who played a very hard defending game and her passing out of the backline was awesome. She was always a reliable avenue down court helping out the centre court players.

Great win girls but we have Jerramungup at home this week who are just behind us on points and again it will be very tough.

#### B Grade

Coach: Linda Vlasich

LGP: 57      DEFEATED      Newdegate: 27

Congratulations on another big win girls

You all put a big effort into the game it was so good to watch.

Top effort to our shooters Casey and Billie shooting 57 goals between them your awesome and to our defences Shannon, Chloe and Caylah on their great defending and attacking your

awesome too.

Well done to our centre players Flick, Teagan, Bec and Caylah your attacking was outstanding. What a great bunch you are I am lucky to be your coach. Thankyou.

**Best On Ground:** Flick Young for being everywhere on the court you were just a bundle of energy. Thankyou.

**Coaches Award:** Shannon Morton Top effort in defending and attacking. A big welcome back to Shannon you are a great asset to our team.

#### Juniors

Coach: Sharon Lampard

It was third times a charm for the ever-enthusiastic Ladybugs who could take out game three 17-1 against Newdegate. As 2pm rolled around all nine ladies were more than ready to start their warm up. They looked very professional sticking together as a team throughout and no doubt looked like a daunting outfit to their opponents.

With an 8-0 opening quarter, the Ladybugs proved early on that they were going to be a handful. It was pretty to watch as the girls were able to deliver the ball safely down court on many occasions. They were asked to take care of the ball and each other and they really showed this as the game progressed. Reegan and Ruby stood up with some brilliant passing and sharp shooter Sara worked hard scrapping for balls.

Jordan was the captain for the Newdegate game and took care of team mascot "Duck", who had at least one crazy night on the turps in her care. Duck is fast becoming a team favourite and has promised coaching staff that this was a once off incident. As a part of her captaincy this week Jordan played a full game, and as the final whistle blew she rejoiced with arms thrown up into the air, having given everything she had to the team this day.

But it was Gianna who took over captaincy and Duck caring into the next week. She was impressive with her hands over, defensive pressure. This is something we have been working on at training, and as the girls know, this is a big factor for choosing the captain each week. Good job Gianna, even from the goal shooting position, it was great to see those arms pop up as soon as there was a turnover.

Round 4 –Newdegate v Lake Grace Pingrup

It was nice to have our first indoor game for the season, as it was yet another warm day. We were missing Holly this week, being out due to illness, so it was going to be a game for the younger players to put some of our training into play. Tess was the captain and won the toss, electing to take the first centre pass. We

# Lake Grace/Pingrup Netball Club (Cont.)

welcomed Bella to the court for the first time, throwing her straight into the deep end as Goal Shooter, with Eliza at Goal Attack. Grace did a great job controlling the play in Centre, with Tess and Alexis on the wings and Sheree and Aleisha in defence. Lake Grace/Pingrup made some strong leads in attack to bring the ball down to Bella, who scored two goals in her maiden game – I have a feeling she'll be back for more next week!

The quarter time changes saw both Darci and Chloe in goals and Payton controlling the centre. Newdegate had some very good passages of play and were making some clear leads, however, with some awesome intercepts by Payton and Tess, we managed to get the ball into our attack and Chloe scored another goal for LGP!

The third quarter was Sheree's quarter to shine and she, Grace and Alexis combined well in attack. They too, made some excellent leads and although we had a scoreless quarter, it was encouraging to see the skill levels of the girls continue to improve over the weeks.

We made up for the lack of goals in the third quarter, to score three in the last quarter. Alexis played like a star in Goal Shooter, doing some awesome passes over the defence to the waiting Aleisha at Goal Attack. She then scored two goals herself, just to finish off a fantastic quarter.

Well done girls. Thank you again to Shelley and Leonie for taking on the umpiring.

## ROUND 5 - Saturday 20<sup>th</sup> May Lake Grace/Pingrup VS Jerramungup

### A Grade

Coach: Karen Bairstow

LGP: 63     DEFEATED     Jerry: 31

A beautiful day for netball. As always the game was a very physical encounter and although we started okay, we were only ahead by 6 goals at the quarter time break. Jerry came out firing in the second quarter and we were waiting a lot for the ball instead of making the play. We were finding it hard to break away and at half time we were still only 6 goals up.

The shooters in Sharon and Sheridan were playing well under some very close checking and after manning up on our opponents a lot more the girls got their flowing game going and powered on the goals in the third quarter opening up the game. The defence were combining better and could bring the ball down court a lot easier than in the first two quarters. We continued in the last quarter and ran out comfortable winners 63- 31.

Congratulations girls on a good win.

Round one is over and we have done very well but we must continue to get fitter and keep playing with the intensity we have been in the second round which will be a lot harder to win games.

**Best on Ground** - Sharon Lampard who I thought was outstanding in her ability to not only shoot beautiful goals but her smart movement into the circle was awesome. She completely outplayed her opponent and each week her and Sheridan are forming a great combination who are hard to stop.

**Coaches award** - Claire Gray, who as the game went on, could intercept the ball going into their attack, but she also positioned herself well to run the ball out of defence and create space down court with good running and getting the ball into our attack.

We have two byes now before we meet Boxwood so we need to keep working hard as they are going to be very tough to beat down on their home court.

Congrats again Girls. Well what a game it was on Saturday. Jerry came charging out at us in the first half of the game. They were on fire and had us bluffed but the second half was all ours. Great TEAM effort girls, we had them bluffed in the end. Staying cool kept us on top; well done again. We have 2 weeks now to rest and get charged up

### Juniors

Coach: Sharon Lampard

It was set to be a close one this week with Jerramungup just ahead of us on the ladder, and it didn't disappoint. Whilst not coming away as scoreboard winners, you would have never noticed as the girls came off with big smiles knowing they had put in a great effort. They should be particularly proud, that after Jerry had a strong third quarter, they could bounce back in the final term and win it 5-1. The whole teams' hands over defensive pressure is now something to be marvelled at from the sidelines, and it helped the girls fight back in the final term.

Leila owned the GK position in the first half with an intercept count that would have broken records. Kira

had a good run in centre able to connect many centre passes with younger sister Amber. It is really great to see the trust between them on court and it brings a little extra spark to the team on game day. Despite a tough match up for Kobie in the second quarter, she didn't seem phased by her much taller opponent. It was in the second half in WA that she shined brightest, able to get free from her player and make leads towards the ball.

Captaincy this week went to Ruby, not only did she play a great game, but she could take direction in the quarter time breaks and adjust her game accordingly. She gets the bonus of looking after Duck for a few weeks with the two byes coming up. Photos sent to coaching staff already suggest the bug is in good hands!

### **ROUND 4 SATURDAY 13 MAY 2017**

NEWDEGATE (0) v's LGP (7)

We had another exciting game on Saturday. As Newdegate don't have any Year 7's and only a couple of Year 6's we expected an easier game, which was a great opportunity to try players in different positions, great for a coach but also a great learning curve for the kids and some fun. There were goals flying left, right & centre (mostly left...by Jason O'Neill!). By half time it was 7-0. It was fantastic fun for my team and a great confidence builder but as Newdegate's coach and I discussed earlier, it was time to swap a couple of players to make it a fair game. Thank you to Troy Murray who played for Newdegate, your sportsmanship was greatly appreciated by both teams.

A big thank you to Georgia Gray for umpiring our game this week.

Goals: Jason O'Neill (3), Lewis Garard (1), Trenton Medlen (1), Troy Murray (1), Reagan Marshall (1).

Top Effort Awards: Troy Murray and Jason O'Neill

### **ROUND 5 SATURDAY 20 MAY 2017**

LGP (0) v's JERRAMUNGUP (1)

Time to meet the top of the table and regardless of our confident booster last weekend we knew it was going to be a big game. Jerramungup had been winning convincingly against other sides but we were ready for the challenge! It was a midfield tussle for the majority of the game, neither side letting too much play into the D's. Our players fought consistently and gave it all they had but unfortunately we went down 1-0. Well done to all my players, you all tried your best and I'm confident that we definitely can beat this team next time.

Next weekend is a Bye and then it's the Bunbury Carnival on the long weekend in which most of our team are playing. Good luck to all those playing, have fun and for those that aren't playing...enjoy the break.

Thank you to Tameka Roukens for umpiring this week's game. We really appreciate it. Thank you also to our fantastic Mums for bringing oranges every week.

Top Effort Awards: Jai Clifford and Josh Giles

## Round 4: Saturday May 13<sup>th</sup>

LGP- 0 NDG- 3

This week, a change in the weather meant the onset of cold and flu season. With a number of the girls feeling unwell, the team was unusually flat. Our first half was very quiet, and it took quite a while for the team to settle into the game. We were afforded a penalty flick off a short corner, but unfortunately the Newdegate goalie was able to deflect Lyn's flick. The half backs and full backs held the team up with a strong performance, but we were unlucky to be down 2-0 at half time.

The second half was a much better effort from the girls, with a strong start and holding possession for most of the half. After a number of stick checks, the umpire had had enough and gave a stern warning to both teams that she would be handing out penalty flicks and Newdegate managed to gain one themselves. But unlucky for them, we have a superstar goalie in the making, Chloe Thornton, who before this year, had never played goalie let alone faced a penalty flick. Yet her confidence and skill development over the last few weeks saw her stop the ball and the team erupted in elation for her performance! After a few more attempts, we were unsuccessful in attaining any more goals and one more was let slip through. It wasn't a great end to the game either, with Sissa going flying in the final minutes and injuring her knee. Fingers crossed she will be back up and running on the field soon. Best on ground went to a player who once called Newdegate home, but we won't hold that against her, Brittnee and a Coaches workhorse award went to Missy.

## Round 5: Saturday May 20<sup>th</sup>

LGP- 4 JER-1

Today, we came into the game with a fresh positive outlook, putting last week behind us and using this game as a way to get back into our groove. We were unsure of what to expect from Jerramungup, however we remained focussed and started the game strongly. Out on the field, it felt as though our skill level was up, we utilised the short game and committed to our second and third attempts. We held possession for the majority

of the game, and there was some great team work and passing happening especially by Georgia, Lyn and Yasmine. Lisa had a great game in Half Back, and Donna also laid some strong tackles. By half time we were 2-0 up with goals from Georgia and Yasmine.

Tameka had a pearler of a game as Centre Half, being in all the right spots at all the right times. You could see the determination in her eyes that she wanted to get a goal and so she did. It was also great to see a number of overheads cleared by Lyn, and you could hear the sighs from the Jerry players as the overhead balls really brought the play right up into our attack. We worked the Jerry players hard, but they continued to fight back at times, and were able to sneak one in, late in the second half. Teagan, also developing her game, wasn't lucky enough to get a goal towards the end, playing one of her best games yet, so well done Teags!

A much better game played by all of the girls, and thanks again to Arlene for filling in as goalie while Chloe was home battling the flu. This week, Best on Ground went to "mum on a mission" Tameka and Coaches workhorse was awarded to Lyn.
