Community Crop in the Ground

Suzanne Reeves

Above: Greenline Ag demonstrating their new release 9RX four track machine while seeding the community crop.

Below: Tom O'Neill's crew are underway with some early knockdown at the community crop site.

It's been a dream start to the farming calendar and it's not just the farmers that are smiling but also everyone involved with the community cropping programme.

In its third year, the 118 ha has been seeded with Hindmarsh barley. Like any cropping programme, seeding is just one part of the end result. Aside from supplying the chemical Grant O'Neill had the task of

Next Deadline
Monday 20th June

Next Edition
Thursday 23rd June

Thanks

To the **very** dedicated team who volunteered their time for this edition of the Lakes Link News.

Elsie Bishop Gwen Oliver
Dick Phillips

Thank you also to our many contributors of articles.

DISCLAIMER

- 1) No liability shall be incurred by the Lakes Link News by reason of any amendments to, or error or inaccuracy in, or the partial or total omission of an advertisement or by reason of delay or default or from any other cause whatsoever. If in the opinion of Lakes Link News the error clearly reduces the value of the advertisement and the advertiser notifies it to Lakes Link News within seven days of the publication date, then one correct insertion will be made without charge.
- 2) While the Lakes Link News aims to publish all material submitted, Lakes Link News reserves the right to refuse to publish or re-publish any contribution or advertisement without giving any reason.
- 3) No articles, letters or advertisements will be accepted which may appear to be defamatory or accusatory, or to favour one side in a legal dispute.
- 4) Lakes Link News reserves the right to shorten or otherwise amend any contribution other than advertisements.
- 5) The opinions, views and beliefs expressed in articles and other submissions to the Lakes Link News do not necessarily reflect the opinions, views or beliefs of the CRC staff or Committee.

345 copies printed and sold each fortnight

Editorial

- ☺ Phew!! Thank the Lord I had scrutineer Dick Phillips on hand to lucky dip one of the 'Speed Quiz' entrants out of the box. Congratulations to Craig Reeves for getting all of the answers correct and winning a \$50 fuel voucher. We'll put another quiz in next fortnight's Link, don't hesitate to enter as everyone can use \$50 worth of fuel...unless you haven't got a car of course....but then you can sell/give it to someone else.
- ☺ Keep in mind our Centrelink 'digi day' we will be hosting on Tuesday 30th August (the same day the van is coming). Most Centrelink, Medicare and Child Support business can be conducted using self service. There are options using mobile apps, online services or phone self service. Let a Centrelink representative explain how easy and convenient these options are to use. Information on the following topics will be covered:
 - ☺ myGov
 - ☺ Express Plus mobile apps
 - ☺ Payment Finder
 - ☺ eHealth
- ☺ Place in queue telephone technology
- ☺ Online account guides and video demonstrations
- ☺ We have booked Keen's to come to Lake Grace for the 24th & 25th August to do MC, HC & HR driver training and assessment. The Department of Transport has changed the rules, anyone wanting to do this workshop MUST have their documents into the CRC 28 days prior! So be organised or you miss out.
- ☺ The CRC are also hosting Karen Hanse from Cancer Council WA and Leanne Pilkington from BreastScreen WA to hold a talk on women's health.
- ☺ In October we also have a representative from Coeliac WA coming to the CRC to do a presentation.
- ☺ We are also providing 1/2 hour one-on-one tuition for mobile phones, cost is \$10. Staff are comfortable with Samsung and iPhone but will give others a go. Essential that you book in and you will need to bring any cords/books with you.

Suzanne Reeves

Workshop Calendar...

Forklift - 21st & 22nd June 2016. Cost \$367.16 (this includes Worksafe fee), cheaper for those who have a concession card. Limited places so get in quick to reserve your spot. If you would be interested in doing this then please give us a call.

MC, HC & HR Licensing Training & Assessment - 24th & 25th August. Contact the CRC for information on costs etc.

Upstairs Downstairs (Women's Health Talk) - 3rd August, 4th August. Two talks; one during day while the other is in the early evening. FREE.

Centrelink 'Digi Day' - Tuesday 30th August. FREE.

Windows 10 - Coming.

Facebook - Need names. FREE. Changing your settings, loading photos or documents, sharing, finding friends and more.

If you are interested in any of the above please phone the Lake Grace Community Resource Centre on 9865 1470.

Accredited Forklift Workshop

21st & 22nd June

Cost

Non-concession - \$367.16

Concession - \$270.36

These costs include the Worksafe fee and ID photo

Need 6-8 people for the workshop to run. Please phone the Lake Grace Community Resource Centre on 9865 1470 to book in.

**Must be 18
years of
age to take
part.**

Kitchen Kit-out has commenced!

Alison Dines

Sunday 29th May saw a flurry of activity at our local Sporties Club, where it was a case of "out with the old and in with the new".

With grateful thanks to the CBH Group Grass Roots Fund Infrastructure Round, we were able to commence our kitchen upgrade with the demolition and reinstalment of the east wall.

Some time ago it was decided by the committee that we, as a community, had outgrown the kitchen of the Lake Grace Sportsman's Club (Inc). It was not coping with the demand and it's needs far exceeded its capability. Modern, compliant and reliable facilities were urgently required to replace the old and worn-out ones.

And so it began....

Great fun was had as the old wooden cupboards were removed and disposed of. Once the empty space had been cleared out and cleaned up we were ready to install our bright, shiny, new components. Who knew demolition could feel so exhilarating?!

Refurbishment of our existing kitchen is creating a more user-friendly catering area which will in turn effectively facilitate more functions for our community and allow greater opportunities for sporting clubs, community groups and individuals to host events. By removing the out-dated wooden kitchen facilities and replacing them

with industrial grade stainless steel components, we are creating the modern, functional and well-equipped kitchen that is essential for our community's functions and gatherings.

Even with only one wall done, it was already providing an immeasurably better working environment for the volunteers who used it last weekend.

Many thanks to Brett McKenzie for co-ordinating this project and to the CBH Group for funding the east wall. Stay tuned for more to come....

Below: Brett McKenney removing one of the old cupboards.

The new cupboards and equipment following installation.

Lake Grace DHS P & C Camp Fund Raffle

The P & C Camp Fund Raffle has been established to reduce the cost of camps, excursions & incursions for all students of the LGDHS and to assist those families who may not be able to afford the full cost, assistance so their children don't miss out on these wonderful opportunities. PCAP, up until 2 years ago used to fund and subsidise these activities in schools. This body no longer exists with all the government budget cut backs, so it now falls onto schools & parents to fund these activities. The P&C are looking for fundraising ideas that generate high income with low input, as we all are members of various groups who are in the same boat. If you have any ideas, please put them forward to the P&C. All ideas welcome!!

This year's raffle, awesome prizes and low ticket numbers means higher chance of winning.

- 1st Prize - \$3000 travel voucher &/or IGA voucher
- 2nd Prize - \$1000 travel voucher &/or IGA voucher
- 3rd Prize- \$500 travel voucher &/or IGA voucher

***** ONLY 250 TICKETS AVAILABLE *****

\$50 PER TICKET

Grab a friend or family & go halves in a ticket, great value.

Contact **Tania Bray** on **0447 651 418** to purchase a ticket or grab a book to sell to friends & family. Five tickets in a book.

Youth Environment Photo Competition

Are you a budding photographer in the Wheatbelt under the age of 35? Do you want to showcase the beauty of this amazing region?

Wheatbelt NRM is excited to launch its 2016 photo competition. The Youth Environment Photo Competition is open to anyone under 35 years old living in the Avon River Basin. The competition seeks to encourage people to gain a better appreciation for the beauty of their local environment. The winning entrant will win an iPad mini with four secondary prizes winning \$100 each.

The 2016 categories for 'Nature in Focus'

Paddock trees - Capture the majesty of these iconic and essential trees.

Flora and Fauna - Capture the Wheatbelt's amazing plants and animals.

Faces of the Wheatbelt - Capture the diversity, character and resilience of our Wheatbelt.

Sense of place - Capture your connection and character of the Wheatbelt landscape.

Deadline - Entries must be submitted to Wheatbelt NRM WA by 5.00pm on Friday the 5th August 2016. No late entries will be permitted

Conditions of Entry

- Entry is open to people aged 6 – 35 years. Any entrant under the age of 18 must have signed

parental/guardian permission.

- Entrants must be living in the Avon River Basin.
- One entry form must be submitted per photograph. Multiple entries are permitted.
- Wheatbelt NRM will endeavour to display all entries at the Dowerin Field Days on the 24th and 25th of August.
- Wheatbelt NRM reserves the right to not display any artwork deemed to be rude, offensive, incomplete or for any other reason.
- All entrants agree to have their name/s, photo and photo description used for the exhibition and promotional purposes.
- The entrant agrees to allow Wheatbelt NRM permission to use their photographs for the purpose of the exhibition and for any future promotional purposes as determined by Wheatbelt NRM.
- Entrants contact details will not be given to anyone without the entrants prior approval.
- Photographers must have the permission of those in the photo (or their parents / guardians if under the age of 18) to enter the photo.
- All artwork submitted must be the original artwork by the entrant and not the work of someone else.
- The judge's decision is final, there will be no appeal process. The organiser reserves the right to choose which artwork/s to use and publish.
- Entry is free

For a healthy, productive Wheatbelt

UP, UP.....UP!!

Amanda Milton - St John Ambulance WA Ltd -Project Manger

In 28 days the new St John Ambulance WA Ltd - Lake Grace Sub Centre project has gone from sand pad, to concrete slab, to steel framework completed, and timber framework almost complete. You have got to be happy with that progress!

With a little bit of Irish fun, Celtic Carpentry WA began the timber framework under contract for AK Homes on Monday 21st May 2016. And the duo has set a cracking pace ever since. You blink, and you miss a stage of the framework going up. It is an adventure each day to visit the site.

With one of the team returning to Ireland for a holiday on the 1st June, the pair worked long days and part of the weekend. They worked until they ran out of stud timber, then they got most of the noggin work done, and began the bracing and squaring. The next stage is attaching the frames to the steelwork and the floor.

The last delivery to get to lockup (including the missing stud timber) arrived Thursday 2nd June. All door frames, windows, doors, cladding, eaves, flashing, insulation, fascia board etc are now all on site.

Trevenen plumbing have begun copper work in the bathrooms, and lead up piping to the septic tanks while they have full access to walls.

A site visit by St John Ambulance Head Office staff occurred on the 7th June 2016, with Facilities Manager Tania Cook and Project Supervisor Clayton McCarthy visiting the site for the first time since construction began.

The structural engineer inspection of the steel and timber framework, by Dan Turner of Narrogin, is scheduled for the 8th June at 8am, so by the time this edition of the Lakes Link News reaches your dining room table, we should start to see the building being "wrapped" i.e. insulation, cladding etc.

The next target date is for the building to be at "lockup" by the 24th June. Your support and interest in this building project is fantastic. Please keep watching our community project grow.

Community Crop in the Ground

coordinating for 2016; Tom O'Neill's crew for the summer spraying and knockdown, Noel Bairstow's family for (more) knockdown and pre-seeding spraying, Royce Taylor and family for fertiliser, Kim Slarke and family for supplying the seed and the Greenline Ag crew for supplying the seeding equipment and completing the job.

John 'Tank' Murray and Tyson Bell from Greenline Ag were at the site over the 27th and 28th May to demonstrate Greenline's latest release, the 9RX four

track machine, which was towing a John Deere 1910 air cart and John Deere 61ft 1830 air hoe drill. Aside from the supply of equipment, Greenline also supplied labour for the two days it took to sow the crop.

While the 'on-the-ground' works are underway Kevin Naisbitt had been keeping an eye on the finances and paying accounts as they come in. With the finances ahead of the Community Cropping Group's forward planning, they have just been able to invest some funds into a term deposit.

P&C CAKE STALL

Saturday 11th June

9-11.30

Lake Grace Plaza

Come and stock the freezer full of goodies.

Funds from this cake stall will be used to purchase educational equipment and furnishings for students in k-2 along with upgrading and replacing outside equipment in the Junior Play area and Nature Playground, used by students in K-4.

WOOD FOR SALE

The Lake Grace P and C have three large trailer loads of cut wood for sale.

The wood is still green and may not be dry for a few months but would be fantastic for next winter. \$150 (ono) a trailer load. All funds to the LGDHS P&C.

Contact Amanda Trevenen (0488 216 601) or Karissa Pelham (0427 760 584).

Wheelie Bin Workout

Suzanne Reeves

With antics not to be tried at home the Trash Test Dummies team caught the imagination of the audience as they presented a range of slapstick humour and acrobatic tricks that garnered laughs from the adults within the audience and held the attention of the children throughout the show.

Winners of the best Children's presentation at the

Adelaide fringe festival 2015, the Trash Test Dummies are as full of laughs as their bins are full of surprises.

Nominees of the 2015 Perth Fringe World Circus Award, and winners of the Gas Works Circus Showdown 2014, the Trash Test Dummies is a family friendly, circus comedy show like no other.

Jamie Bretman, Jack Coleman and Simon Wright are highly skilled circus performers that can trash talk with the best of them, showcasing a stunning array of the highest jaw dropping acrobatics, juggling and stunt work. Looking more like plumbers, these dexterous dummies take the audience on a journey into their playful imagination, where they invite them to take a fresh look at the humble household wheelie bin.

Presented by the Shire of Lake Grace and the Lake Grace Artists Group the evening was a great success with 160 adults and children attending. Following the show the audience was able to meet the performers while enjoying supper.

Left: Just one part of the balancing act that was on display.

Below: Not just acrobatic but musical also.

Photos Cheryl Chappell.

Crochet Workshops

Have restarted

From 10am to midday

Lake Grace Community Resource Centre - No Charge

Everyone will be learning how to make 'Granny Squares'

Yarn will be supplied for charitable creations, if you have your own hook please bring it along (there will be some hooks available).

Call 9865 1470 to book in.

If you already know how to crochet come along anyway. If working with yarn isn't your thing and you would rather work with fabric please come along as we need help finishing the patchwork blankets.

FAMILY FUN DAY

WHEN: Sunday 12th June

WHERE: Visitor Centre

Lawn Area/Stubbs Street Lake Grace

TIME: 11:30am—3:00pm

Are you looking for a fun day out for the family?

Then this Sunday 12th of June head on down to the Lake Grace Visitor Centre for a fun day packed full of entertainment for the kids and loaded with stalls and demonstrations for the rest of the family. A new event for the town of Lake Grace so lets show our support and make it one to remember!

Insurance Tips # 11

Justin Wright & Kerry Hitchins

Last edition, Maddie had been involved in a car accident. The damage to her car was extensive and as a result the car was written off. Once the paperwork was completed, the payout on the vehicle was made. Maddie now has the job of finding a replacement car that will be within her budget. But first things first, Maddie will need to concentrate on her end of semester exams before she begins the search. In the meantime, she has the loan of a farm ute to get around.

Back on the farm, John and Mike thought they had escaped any damage in the wild weather last week. A call from their neighbour Tom alerted them to a few trees blown over a back fence – and a mob of Clegg's sheep in the neighbour's newly sown paddock. Getting the sheep back into the right paddock was relatively easy, but driving the quad bikes around the paddock did cause additional damage to Tom's crop.

John and Mike managed to do a temporary repair to the fence line, enough to keep the sheep in where they belonged, but knew that they needed to get it properly repaired before anymore wild weather came along.

Since they were not exactly sure what to do next, John

made a quick call to Justin. Justin explained that Tom would need to lodge a claim with his crop insurer for the sheep intrusion and they would appoint an assessor to look at the damage. At this point in the growing cycle it can be difficult to determine the extent of the damage and a further assessment may need to be made towards harvest time. Once the extent of the damage is known, the Clegg's can complete a liability claim form so their insurer can cover the damage.

The damaged fence is a boundary fence so each neighbour should lodge a claim with their insurer. The insurers will pay the owners for their 50% liability for the fence and the two neighbours can resolve payment for the fencing themselves.

If you have any insurance queries, please contact Justin or Kerry on 9865 3500.

Hand Hygiene

**Most germs are easily
spread through
hand contact**

The best way to prevent spread of infection is
to always practise **good hand washing** or
decontamination technique.

Wash with Soap and Water....

- ◆ When hands are visibly dirty
- ◆ Before you eat
- ◆ Before you prepare food items
- ◆ After touching raw meats
- ◆ After contact with any body fluids
- ◆ After changing nappies
- ◆ After touching animals or pets
- ◆ After blowing your nose or sneezing
- ◆ After going to the toilet

Alcohol-based hand rub...

can be used when hands are visibly clean but
have been in contact with contaminated
objects, or before and after contact with sick
people.

The alcohol based hand rub can be
convenient when you are away from home .

Scholarships Now Open For WA Ag Colleges

Media Release

Students in Year 11 at Western Australia's agricultural colleges are invited to apply for an Agriculture Ambassador Scholarship, a new initiative between WAFarmers and the Department of Education WA.

The annual scholarships will recognise agricultural college students with a strong interest in the industry, and will support their growth and development within their chosen agricultural field.

WAFarmers Chief Executive Officer Stephen Brown said the inaugural awards were part of the overall scholarship support package offered through WAFarmers, and would be awarded to one student per agricultural college.

"WAFarmers has a vested interest in developing the potential of young people within agriculture and helping them to become the farmers of tomorrow," Mr Brown said.

"These scholarships will not only support our goal of a viable, profitable and sustainable future for the agricultural industry, but will open up opportunities for the scholarship winners to gain significant industry exposure and broaden their understanding of the sector.

"In addition to the scholarship benefits, the winners will be awarded a complementary annual membership to AgConnectWA to help connect them with other farmers and young agri-business professionals."

As Agricultural Ambassadors, the winners will be invited to attend and participate in key industry events such as the WAFarmers Annual Conference and Dairy Conference, education programs, forums or panels, and the Perth Royal Show.

Mr Brown emphasised that the scholarships will support students with high potential to be effective communicators and active industry ambassadors, and that while academic performance would be considered, it would not be the sole criteria.

Scholarships for the WA Colleges of Agriculture in Harvey and Denmark will be tied specifically to the dairy industry, though applications are open to students at the remaining colleges with an interest in any commodity.

Applications will open in Term Three, with the winners due to be announced early in Term Four.

Farmers get 'Stuck In' to Wheatbelt Steels Competition

Media Release

Farmers revelled in the incredible rainfall March and April brought us. Some areas recording up to 100mm. "Astonishing" one farmer said, "the best start to the season some generations have ever seen".

Newspapers, social media and the internet began flooding with images of bogged machinery. Images of farmers that had never worked with wet soil before or had forgotten how to deal with it. And... in true Aussie spirit people started roasting each other about their misfortune! No one was holding back, that's for sure.

Western Australia was struck with grief last year with a large number of bushfires across the state. Mother Nature can be very cruel at times but she prevailed this season. It all began there, with that small win; 'Stuck in the Mud' was created. It turned into a platform for farmers to get involved in. Something to pass time on the airseeder. Somewhere to look out for mates photos or photos with regos from their town and use as ammunition at the local over a beer later.

There are three weeks left in the competition. It has been put in the spotlight with 15 publications and one radio interview. The webpage has had a

whopping 4431 hits, over 1830 people have logged in to view the www.stuckinthemud.com.au gallery and more than 80 photos have been sent through.

The prize is a Karcher Motorised Pressure Washer worth \$1000. You are still in with a chance to win, just email your entries to marketing@wheatbeltsteel.com.au

The draw will take place on June 30th. The atmosphere across the Wheatbelt after that rain is uplifting and with more on the horizon, the hope in farmer's eyes is heart warming. Wheatbelt Steel is proud to have been apart of such a fun community competition and look forward to seeing more entries. Best of luck to everyone for 2016. We hope Mother Nature continues to be kind to you all.

Afternoon at the Movies

The best way to spend a cold afternoon is sitting in a cosy warm place with a good movie and a container of freshly popped popcorn, that is what twenty seven seniors did on Thursday 2 June.

The Lake Grace Artists Group has purchased a new movie system and StarWest Party Hire has set it up so it is very compact and easy to use. Greg travelled from Perth on Thursday morning and showed members how to use the new equipment.

Above: After the show Gwen Oliver and Mary Naisbitt sat and enjoyed a cuppa.

The seniors Group had the pleasure of being the first group to trial the new equipment and all went very well.

The movie shown was *The Hundred Foot Journey* that is about two competing restaurants, one French restaurant, Madame Mallory's and across the road an Indian restaurant run by the Kadam family from Mumbai. Starring Helen Mirren and Om Puri the movie was a light hearted romantic story and was thoroughly enjoyed by all who attended.

Above: The new compact equipment

CEO's Corner

New CEO – Denise Gobbart

Council, with the assistance of a professional recruitment agency, has recently concluded its efforts to secure a CEO to replace current CEO Neville Hale whose contract ends in August 2016. Council received some 30 applications for the position and, from what was a strong field, interviewed four of those applicants. I am pleased to confirm what many in the community have already heard on the grapevine that Denise Gobbart is the successful applicant. Denise's appointment will be formalised at the 22 June 2016 Ordinary Meeting of Council.

Denise has 30 years of experience with a number of local governments which, with the exception of Port Hedland, have all been in the wheatbelt. Prior to coming to Lake Grace as the Acting Manager Corporate Services, Denise held a similar position with the Shire of Northam (6 years) and Shire of Chittering (4 years). Denise was born and raised in the Mount Marshall Shire, the daughter of an early settler farming family so is familiar with communities such as those found in this Shire and the issues faced by farm and other businesses.

I congratulate Denise on her appointment and wish her every success.

Tree Planting in our Town-sites

Following a previous call for people interested in revisiting the town landscaping tree planting initiative, a number of interested Lake Grace locals attended a meeting with Shire representatives on Wednesday, 1 June 2016 to provide ideas and suggestions on what could be done in the Lake Grace town-site. Main points of discussion were as follows:

- Need to specify suitable species and prioritise planting areas;
- Identify existing significant trees within the town-site and maintain;
- An idea to create a tree walk in the town where

people can walk around using a map and each tree will explain its significance;

- Impact of the new Bush Fire Prone Area requirements
- Weed management education and termite treatment;
- Signage to protect areas of significant remnant vegetation.

Next meeting will be held on Tuesday 21 June 2016 time to be confirmed.

Ordinary Council Meeting Wednesday 25 May 2016

The Ordinary Council Meeting took place on Wednesday, 25 May 2016 at 3.00 pm at the Newdegate Library Resource Centre. Council received presentations from two community groups, both in regard to recreation facilities, namely:

- Newdegate Active Precinct Committee presented their plans for a skate park and play facility in Newdegate. Estimated cost of the project is between \$150,000 and \$250,000. Area is currently zoned Residential and will need to be changed to Recreation. It is proposed the Skate Park be located on land opposite Pioneer Park. The privately owned land is to be donated to the Shire. A formal proposal will be submitted to Council on 22 June 2016 meeting;
- Lake King Progress Association presented to Council about the recent crack repairs to Lake King Netball Courts and the effect it has had and community expectations for the future. Lake King Progress Association is seeking to have the unsafe surface repaired. A contractor has been on site to attend to their earlier repair works. The Association is now investigating the cost of court surface replacement, obtaining quotes and will be seeking grants to replace the surface of courts. A proposal is to be submitted to the Shire for formal consideration.

Continued over ..

CEO's Corner continued

The following matters were the subject of Council consideration and resolution:

- Lake Grace RAV access – streets to be included in Network 2-4 – Council approved 8 roads in Lake Grace town-site to be added to the Restricted Access Vehicle network subject to conditions and also upgraded some roads to Network 7;
- Outstanding emergency services levy write off for 21 Seward Avenue, Varley and 13 Sugg Road, Lake King – Council endorsed the write off of Emergency Services Levy and Penalty Interest levied on the above properties;
- Unbudgeted expenditure for landscaping and paving at the Lake Grace Sports Pavilion – Council authorised unbudgeted expense of \$3,700 for the completion of the supply and installation of lawn in front of the Sports Pavilion subject to the work being undertaken prior to the 2016 Colts Carnival, or it would be considered in 2016/2017 budget deliberations; and,
- Shire of Lake Grace Cemeteries Amendment Local Law 2016 – Council approved the giving of state-wide public notice of the Shire of Lake Grace Cemeteries Amendment Local Law 2016 in order to seek public comment and to submit to the Minister for Local Government a copy of the proposed law.

For further information in regards to the above Council decisions, the minutes of the May 2016 Ordinary Meeting are available on the Shire's website, www.lakegrace.wa.gov.au.

Lake Grace Drum Pick-up

All chemical drums will be picked up from the Lake Grace Rubbish Tip on 27 June 2.30pm.

People are welcome to drop any chemical drums at the Lake Grace Tip before 27 June.

Roaming Dogs in Our Towns

It has been noted that there has been an increase in the number of dogs roaming the streets. This has caused unnecessary stress to other residents with a dog attacking a cat, growling at residents and in general causing a nuisance.

A reminder that dog owners have a legal responsibility to keep their dogs under control, either within a fenced area on their property or on a leash when in public.

Owners are also required to pick up after their dog while in public areas.

Dog Registration Fees

By law all dogs over the age of three months are required to be registered with the relevant local government.

1 YEAR REGISTRATION			
	Full	Concession	Working dog
Sterilised	\$20.00	\$10.00	\$5.00
Unsterilised	\$50.00	\$25.00	\$12.50

Unsterilised	\$250.00	\$125.00	-

A Thank You

Hello to all the staff at Shire of Lake Grace,

We would like to compliment you on your pretty little town and the excellent state of your public toilets at the old railway station. We live in Esperance and always travel through Lake Grace on our trips to and from Perth, using the great facilities.

We hope everyone appreciates the effort which goes in to keeping everything clean and that it gets looked after by all travellers.

Thank you all. Regards, Sue and Arthur, Esperance

PREPARING FOR STORMS

Dangerous storms are the most common natural hazard in Australia and on average, cause more damage and destruction than cyclones, earthquakes, floods and bushfires.

State Emergency Service (SES)

DFES State Emergency Service (SES) volunteers help the community of Western Australia during storms and other natural hazards and emergencies.

During a severe storm there may be hundreds of calls for emergency assistance. Each call is prioritised so please be patient – SES volunteers will attend as soon as possible.

Did you know...

- Each year from May to October, storms, including, tornados, thunder, lightning, hail, flash flooding and gale force winds cause major destruction to the southern half of the State from Kalbarri to Israelite Bay.
- As storms are unpredictable, felt locally and happen in smaller areas their devastating impact is often underestimated.

Most storm damage to homes occurs from:

- Loose and broken roof materials.
- Fallen trees and branches.
- Flooding from blocked gutters and downpipes.

STAY SAFE and be prepared this Storm Season.

For more information visit www.dfes.wa.gov.au or contact DFES Community Engagement 9395 9816

DFES has these tips to help you and your family stay safe:

- ⇒ Trim branches around the home or business to prevent them falling on roofs or cars.
- ⇒ Hire a contractor to clear trees from power lines.
- ⇒ Clear gutters and downpipes of leaves and blockages.
- ⇒ Check the roof for cracked ridge capping, loose tiles or loose nails.
- ⇒ Store or weigh down loose objects like outdoor furniture, playground equipment, trampolines and sheds.
- ⇒ Clear rubbish from around the yard, balcony or patio.
- ⇒ Prepare an emergency kit with a portable battery operated radio, torch, spare batteries and a first aid kit.

New Partnership for Land for Wildlife Conservation Program

Media Release

The Department of Parks and Wildlife's Land for Wildlife conservation program is partnering with NRM WA to help participants manage their bushland for wildlife habitat.

Land for Wildlife is a voluntary scheme to encourage and assist private landholders to provide habitat for wildlife in bushland on their property. There are currently 1941 registered landholders, with a total of 286,614 hectares of bushland being managed as wildlife habitat through the program.

Parks and Wildlife Director General Jim Sharp said the collaboration with NRM WA regional organisations would benefit private land managers and the State's biodiversity conservation.

"This agreement and partnership arrangements with the NRM organisations is an exciting development for private land conservation in Western Australia," Mr Sharp said.

"Parks and Wildlife has run Land for Wildlife since 1997 and will continue to administer the program through coordination of property assessments, registering and supporting new participants and communications including the *Western Wildlife* newsletter.

"NRM regional groups have expertise in providing land management support to landholders, community engagement and information dissemination, and considerable local knowledge about land management practices and local biodiversity conservation."

NRM WA chair Jim Sullivan said the services each NRM organisation will provide to Land for Wildlife members would be determined in coming months.

"It is anticipated that NRM bodies will work with landholders in each region, linking them into networks and local communications," Mr Sullivan said.

"The NRM representatives will also be a source of information about local grant opportunities and landscape issues relevant in the region, such as salinity or acid sulphate soils."

For more information or to become a participant, visit www.dpaw.wa.gov.au/landforwildlife, or call the program coordinator on 9219 9527.

Moving On

"I think I'll be moving on" he said. "Like the town, like the people but I think I'll move on".

After a bit of prodding the reason came as no real surprise:

"Dogs" he muttered, "Barking, yelping, yapping b____y dogs. All hours of the day and night. You've got falsetto yappers, alto barkers and tenors and baritones. All going at once sometimes, all trying to be the loudest. Bark at anything; a cat, a bird, aa cloud passing over the sun or the moon, some-one flushing their loo in Pingrup."

He looked at me and continued, "shut the doors and windows, turn the TV or radio up to cover the row. Doesn't always work because once you've heard 'em you can't NOT hear them"

People say its not he fault of the dogs—It's the owners. I reckon some dogs are born stupid and go down hill from there."

He looked a little upset as he continued - "My leaving wn't cause any bother to many. Family will likely protest but I'm just about beyond being reasoned with."

"You wouldn't happen to know a town where dogs are banned would you?"

I couldn't help.

Turned away and went home just as the latest shrieking, yelping, barking cacophony started up.

Might move on myself!

Humour

Your Yearly Dementia Test

It's that time of year to take our annual senior citizen test. Exercise of the brain is as important as exercise of the muscles. As we grow older, it's important to keep mentally alert. If you don't use it, you lose it! Below is a very private way to gauge your loss or non-loss of intelligence.

Take the test presented here to determine if you're losing it or not.

1. What do you put in a toaster?

Answer: 'bread.' If you said 'toast,' give up now and do something else.

Try not to hurt yourself. If you said, bread, go to Question 2.

2. Say 'silk' five times. Now spell 'silk.' What do cows drink?

Answer: Cows drink water. If you said 'milk,' don't attempt the next question. Your brain is over-stressed and may even overheat. Content yourself with reading a more appropriate literature such as Auto World. However, if you said 'water', proceed to question 3.

3. If a red house is made from red bricks and a blue house is made from blue bricks and a pink house is made from pink bricks and a black house is made from black bricks, what is a green house made from?

Answer: Greenhouses are made from glass. If you said 'green bricks,' why are you still reading these??? If you said 'glass,' go on to Question 4.

4. It's twenty years ago, and a plane is flying at 20,000 feet over Germany (If you will recall, Germany at the time was politically divided into West Germany and East Germany) Anyway, during the flight, two engines fail. The pilot, realizing that the last remaining engine is also failing, decides on a crash landing procedure. Unfortunately the engine fails before he can do so and the plane fatally crashes smack in the middle of 'no man's land' between East Germany and West Germany . Where would you bury the survivors? East Germany , West Germany , or no man's land'?

Answer: You don't bury survivors..

If you said ANYTHING else, you're a dunce and you must stop. If you said, 'You don't bury survivors', proceed to the next question.

5. Without using a calculator - You are driving a bus from London to Milford Haven in Wales . In London , 17 people get on the bus. In Reading , six people get off the bus and nine people get on.. In Swindon, two people get off and four get on. In Cardiff , 11 people get off and 16 people get on. In Swansea , three people get off and five people get on In Carmathen, six people get off and three get on. You then arrive at Milford Haven. What was the name of the bus driver?

Answer: Oh, for crying out loud!

Don't you remember your own name? It was YOU!! Now pass this along to all your friends and pray they do better than you.

PS: 95% of people fail most of the questions!!

The standard you walk past
is the standard you accept

[Lieutenant General David Lindsay Morrison]

WORKSHOP: BEING A BETTER BOSS - MANAGING PEOPLE (HR)

An interactive workshop helping growers manage a key element of their business – their team.

This workshop has been designed specifically for farm businesses.

Learn skills to be a better boss, from identifying your labour needs to managing performance once employees are in place.

All members of the business who are involved with managing staff are encouraged to attend.

KULIN - FREEBAIRN REC CENTRE
MONDAY 27 JUNE 2016

8.45am – 3pm

This GRDC developed workshop is delivered by Partners in Grain.

It is 1 of 2 Employment workshops offered by PinG. Also available is:
"Being a Better Boss – Part 2: Employment Obligations (IR)"

TOPICS COVERED INCLUDE:

- Identify your labour requirements
- Search, interview, select & recruit
- Induction packs
- Set, communicate & review expectations
- Performance management
- Working as a team
- Keeping good employees
- Roles and responsibilities

Minimum 8 farm businesses.

Maximum 20 participants.

\$165 (inc GST) for the first person from a farm business.

\$110 (inc GST) for any other members of the same business.

Includes workshop manual & catering.
(No discount for non-farm businesses)

Recommended by 98% of participants at 14 workshops.

"A must do for anyone of any age who has employees ... Great to 'pull apart' your business and management approach and look at areas for improvement ... Worthwhile attending. Valuable tool for our business ... Great to chat with other like-minded people in the same situation regarding staff ..."

Country Age Pension Fuel Card to Continue

Media Release

Local regional pensioners will continue to benefit from the Country Age Pension Fuel Card, thanks to a further investment of \$140.1 million over the next four years through the State Government's *Royalties for Regions* program.

Local Member Terry Waldron said the investment - announced in the recent 2016-17 State Budget - would help local regional pensioners remain mobile and independent by supporting access to different transport options.

"The Country Age Pension Fuel Card plays an important role in assisting regional pensioners, including age pensioners and people with disabilities, to remain independent through the purchase of fuel and taxi services," Mr Waldron said.

"The regional community does not have access to the same level of public transport as metropolitan areas and the fuel card enables recipients to travel to medical appointments, get to community events and recreational activities, and visit family and friends more easily.

"Many regional residents have long distances to travel to access medical and health services and I'm proud that *Royalties for Regions* is assisting pensioners with these travel costs."

Nationals WA candidate for Roe, Peter Rundle said existing cardholders would automatically be issued with a new card in July, provided they continued to meet the eligibility criteria. "The value loaded onto the Country Age Pension Fuel Card will increase from \$565 to \$575 from 1 July, 2016," Mr Rundle said.

To be eligible for a fuel card, applicants must live in an eligible regional location in WA and receive a Centrelink Age Pension, Carer Payment, Disability Support Pension, Wife Pension or Widow B Pension, or a Department of Veterans' Affairs Service Pension, Social Security Age pension or Income Support Supplement.

Since 2008, the State Government through the *Royalties for Regions* program has invested a total of \$158 million to fund the Country Age Pension Fuel Card Scheme. New applicants may apply by presenting a current Pensioner Concession Card and lodging a form at participating country Post Offices. To find the nearest participating Post Office, applicants may call the Fuel Card Information Line on 1300 666 609.

Royalties for Regions investment provides infrastructure and services that help to build vibrant regional communities with strong economies. Since 2008, the State Government has invested \$6.9 billion into more than 3700 *Royalties for Regions* funded projects and programs.

The benefits of this workshop for families who farm together and who will one day reach the 'hand over' stage will not want to miss this!

It will focus on educating/encouraging families of the importance of getting their emotional relationships and family issues/expectations in order before moving onto the accountant/legal side of succession.

Please RSVP to the Newdegate CRC by Friday 17th June.

Progression Planning Workshop with *Owen Catto* Thursday 23rd June

11am - 11.45am Owen's talk
11.45am - 12.15pm Question Time
12.15pm - 1.30pm Lunch catered by CRC ladies

This event is free.

Bookings essential

Please contact the Newdegate CRC

Phone: 98711791

Where: Newdegate CRC

Time: 11am - 1.30pm

Owen is married with three children. He has completed a Bachelor of Business in Agriculture and farmed in partnership with his father for 18 years in Morawa while also operating a farm consultancy business. Owen's interest is in empowering men to move forward and embrace progressive changes in their family relationships and their wellbeing and health.

The program is focussed on the importance of retaining family relationships by looking at the "people issues". This program DOES NOT deal with financial aspects of the progression process. After this talk if any families are interested in more in-depth "family only facilitation" this can be arranged to be done.

LGPHC 10 defeated Borden 0

With some soul searching and tough love at training this week, a re-focused team headed to Borden. The only way to describe the game - as Bruce Mcavaney would say is "SPECIAL". The game was played in our half for the majority, the ball moved with ease from one side to the other, opening up space all over the field. All the Girls contributed evenly across the field and a

smile was even seen on Coach Clifford's face as all the hard work at training is starting to pay off.

Best of Ground: Yasmine Featherstone

Team Player: Donna Altham

Men's Shed Battery Drive

The Lake Grace Community Men's Shed is continuing with their battery drive. This is an ongoing revenue raising project which will contribute to the running of the Shed.

3 Waratah Avenue Lake Grace "ATTRACTIVE FAMILY HOME"

3x1 brick and tile home located on a 809 square metre block that would suit a wide range of buyers. All bedrooms are well sized and come equipped with built in robes. The bathroom is centrally located between all rooms and has a shower and a bath. A recently renovated kitchen is one of many standout features that complement the lounge area that has both air conditioning and a tile fireplace. This home has a large fully fenced backyard with a garden shed and rear patio. A single car brick garage with roller door is under the main roof and has entrance to the backyard.

BORDEN (1) v's LGP (0)

Borden are second on the ladder and we were out to get their spot!! It was a high pressure game and our defence was under the pump for majority of the first half resulting in Borden scoring their first goal. The second half was a completely different story! Our kids were out to get them! We fought so hard for the entire half and controlled the game with Borden hardly getting the ball! In the last couple of minutes we were unlucky to not

receive an advantage call disallowing Reegan Marshall's goal to draw the game. We were disappointed by the loss but I'm so proud that we never gave up, fighting to the end. Great effort guys, I know we can beat them next time.

PLAYER PROFILE

NAME: Jai Clifford

SCHOOL YEAR: 6

JUMPER NUMBER: #11

FAVOURITE POSITION: Rover

FAVOURITE LGP SENIOR PLAYER & WHY: Luke Bairstow because he's a really good player.

WHAT COULD HE IMPROVE ON? Nothing

FAVOURITE AFL PLAYER: Matthew Pridis

FAVOURITE AFL TEAM: West Coast Eagles

FAVOURITE DINNER: Taco's

CRAZIEST FOOD I'VE EATEN: Termites

WHICH TEAM DO YOU LOOK FORWARD TO PLAYING THE MOST & WHY?: Jerramungup because they're rough and it gets me pumped up.

HOW CAN YOU IMPROVE YOUR OWN GAME?: Kick to the chest.

WHAT ARE YOU SCARED OF?: Ghosts at Woodman Point Camp!!

WHO MAKES YOU LAUGH?: Cade Moore

IF I GAVE YOU \$50 WHAT WOULD YOU SPEND IT ON?: Motorcross gear.

PLAYER PROFILE

NAME: Luke Clifford

SCHOOL YEAR: 4

JUMPER NUMBER: #10

FAVOURITE POSITION: Half Forward Flank

FAVOURITE LGP SENIOR PLAYER & WHY: My Dad because he is 47 and a bit old and he can still play.

WHAT COULD HE IMPROVE ON? He kicks a bit short sometimes

FAVOURITE AFL PLAYER: Josh Kennedy

FAVOURITE AFL TEAM: West Coast Eagles

FAVOURITE DINNER: Curried Fish

CRAZIEST FOOD I'VE EATEN: Termites

WHICH TEAM DO YOU LOOK FORWARD TO PLAYING THE MOST & WHY?: Every team because I just like playing footy.

HOW CAN YOU IMPROVE YOUR OWN GAME?: Marking

WHAT ARE YOU SCARED OF?: Snakes

WHO MAKES YOU LAUGH?: Cade Moore

IF I GAVE YOU \$50 WHAT WOULD YOU SPEND IT ON?: I would spend it on a couple of lollies and then save the rest.

LAKE GRACE PINGRUP FOOTBALL CLUB NOTES ROUND 7

Thank you to our sponsors for this week who were: FARMERS CENTRE, LAKE GRACE TYREPOWER, PELHAM ENTERPRISES and TIGER SPARK ELECTRICAL.

Lake Grace-Pingrup vs Borden played at Borden on Sat 28th May 2016

LGPFC A RESERVES

Borden could not field a team so LGP won the 4 points on forfeit.

LGPFC JUNIORS

The LGP Juniors won their game LGP 15-16=106 Defeating Borden 1-2=8

Fed by Fyfe awards went to Josh Cameron and Brady McGlenn.

LGPFC LEAGUE

Umpires for the game were Ray Scioithe and Craig Morrison.

The weather was part cloudy, Westerly breeze blowing across the ground with little advantage for winning the toss of the coin. The game commenced 30 minutes late as it was discovered that at about 1.30pm the jumpers were still in the Lake Grace change rooms. Arrangements were made to get them to Borden ASAP.

The first quarter commenced with both teams trying their best to control the ball and it wasn't until the seven minute mark that the Bombers scored the first goal courtesy of Kane Pinney. The first term continued to be a tough fight with both sides scoring 3 majors and the Borden Magpies missing a few to end up 5 points in front at the first break.

Quarter time scores were LGP 3-2=20 to Borden 3-7=25

LGP commenced the second quarter looking good and with Tyson Prater playing at centre half forward booted a long goal from over 50 metres out. Tyson was able to play the defensive block forward of centre as in the previous games he had been placed at centre half back which had made the Bombers a bit vulnerable with the footy getting too close to the opposition goals. The half time siren saw the Bombers with just a 4 point lead. The Magpies' Sam Baddeley was a constant danger for the LGP side being their major goal scorer.

The half time scoreboard read LGP 7-9=51 Borden 6-11=47

The third quarter was a repeat of the previous two terms with the ball being moved freely between both ends of

the ground and long goals from around 50 metres continued to be a spectacle of the entertaining game. The third term siren saw Borden leading by just 1 point setting the final quarter up for an exciting finish. Can the Bombers prevail against the magpies who had been winless so far this year.

Three quarter time scores LGP 10-14=74 Borden 10-15=75

The final term commenced with an instant goal by Tyson Bell from the left forward pocket giving the Bombers a sigh of relief. Borden fought back briefly, managing to get in front by 5 points but then LGP settled, adding 5 goals 6 to the Magpies 2 goals 1, with the final siren seeing the Bombers with a 22 point lead to win the match.

A good entertaining brand of football from both sides with good skills displayed and lots of long goals. All credit to Borden as they never gave up and would have been disappointed to get so close to winning their first game for season 2016.

Final scores Lake Grace Pingrup 15-20 = 110 Defeating Borden 12-16=88

Major goal scorers for LGP were Tyson Prater and Kane Pinney 4 each, Ben Tomkins 2 and Jarryd Morton, Chris Trevenen, Roderick Beasley, Luke Bairstow and Damon Pelham 1 each.

Better players were **Luke Bairstow, Tyson Prater, Darcy Milner, Jarryd Morton, Kane Pinney, Roderick Beasley, Ben Tomkins, Chris Trevenen and Rob Enright.**

Award winners for LGP: Jarryd Morton Best on Ground, Darcy Milner BOG runner up and Coaches award went to Gary Leo.

The next match is round 8 on June 11th with LGP at home to Gnowangerup which should throw up another challenge and hopefully with the break we will have some recent injuries recovered.

WANTED

Applications for the position of treasurer for the Lake Grace-Pingrup Football Club for season 2017. Remuneration negotiable and familiarity with the 'Reckon' accounting software is recommended but not compulsory. Training is available prior to commencement of position.

Email amarshall4@bigpond.com

Lake Grace Golf Club Notes

Craig Reeves

Sunday 29th May was a par event sponsored by Neu-Tech Auto Electrics, thank you to Ross for his continued sponsorship. Perhaps next year we'll see Ross out on the fairways.

The weather was chilly but Chad Stanton was on fire, continuing his good form for 2016 winning with a thrilling +2 on a countback from our other in form golfer Matthew Spurr who also had a +2.

Novelty winners for the week were Reid Stubberfield, NTP No.4 (Elders Insurance), Dean Sounness NTP No.6 (Lake Grace Roadhouse), Matthew Spurr NTP No.15 (Lake Grace Post Office) and Chad Stanton NTP No.18 (Lake Grace Community Resource Centre). Long Drive for the Men on No. 11 was Anton Kuchling, while for the Ladies on No.8 was Helen Hunt (no surprises there). Long putt on No. 9, which is sponsored by LG Tyrepower was Craig Reeves while the birdy hole (No.7) continues to jackpot.

Saturday 4th June was Turkey Day which continues to be sponsored by the Taylor Family, thank you to Bevan and Royce for your support. Pairing up in a winning combination were Chad Stanton and Matthew Spurr who weren't distracted by the crazy bush turkey that stalked players throughout the day. Their score was 46 points, only two ahead of the winning ladies team of Helen Hunt and Denise Gobbart who had a score of 44 points.

Other reasonable scores were Mark Seaman and Craig Reeves on 44 points, while Murray and Derek Stanton had 43 points. The Seaman/Reeves partnership may have done better if the former half of the partnership hadn't been so intent on taking out his partner. The scribe is recovering with barely a limp to show for his ordeal.

Of course not to be forgotten were the winners of the feathers, Kingsley Strevett and Peter Hudson who have taken it in the humour it is intended. I think those photos may have gone viral on Facebook! 2016 could be the last of the turkey feathers as thanks to ebay there are a couple of turkey suits available for 2017; that's of course if they haven't been worn out by the greenkeeper who seemed to enjoy the opportunity to 'dress up' and behave like a turkey!

No one got much of a look in with the novelties as Chad Stanton staked his claim to almost everything; winning the NTP's on No.4 and No.18, the Long Drive on No.2 and the Long putt on No.9. Stanton Senior got a look in for NTP No.6 while the Captain managed to take home NTP No.15.

Upcoming events are: Stableford competition sponsored by Best Office Systems for Sunday 12th June; Harrismith are having a midweek competition on Wednesday 15th June. There's a qualifying round on Sunday 19th, a stroke round sponsored by Rex Walker which is Rex's count your putts day as well. Lake Grace will have their Open Day on Saturday 25th June. The nomination forms for Harrismith and the Lake Grace Open Day are on the board at the Lake Grace Golf Club.

Turkey Day winners: Helen Hunt, Chad Stanton Matthew Spurr & Denise Gobbart.

Looking fancy in their feathers are Peter Hudson & Kingsley Strevett.

Not too much walking for the bush turkey as he travelled the course via buggy. Photo Mark Seaman.

Scratch Match Netball

Joely Slinn

The netball club's Tuesday night 'Scratch Matches' have proved to be popular with a good turn out from not just current netballers, but retired netballers, ones just trying for some extra fitness and fun with the occasional hockey player thrown into the mix.

Everyone is welcome and the emphasis on fun without the commitment factor is a definite plus.

The evening offers a chance to play some netball with old and new friends, have a go at umpiring, ask questions about the new rules, and generally have a bloody good laugh!

All that's needed is a water bottle and a good attitude. The organisers would love to see you there.

Standing L to R: Kristie Stanton, Teneeka Morgan, Britnee Knill, Joely Slinn, Billie McTaggart, Danielle Robertson, Emily Younger, Ella Leigh, Casey Pinney, Sharon Lampard, Ella Ferrari, Kathy Nolan, Shenae Prater. **Kneeling L to R:** Caylah Vlasich, Shelley Stanton, Juanita O'Neill, Caitlin White, Tania Bray. *Photo Sarah Allen.*

Lake Grace Pingrup Netball Club Notes

Joely Slinn

Saturday 28th May Round 7 - Borden

A Grade, Coach: Karen Bairstow
LGP 55 - BORDEN 26

This week the weather was a whole lot better with good conditions for netball. The girls went out from the first quarter with a goal to win and played some great netball.

A bit of a different line up with Teneeka starting at Wing Attack and proving she can play at either end with some great decisions and passing into the goals. Joely Slinn played a great game in goals leading strongly, shooting some nice long shots and rebounding well.

The quick passing between Sharon and Joely was a highlight. The defence were again solid and kept Borden to a low score with Lauren, Claire and Billie all combining well. Jem and Shan were great in the centre third bringing the ball down and into the goals along with Shenae changing with Teneeka.

A great team effort this week girls, let's carry this form into the Gnowangerup game this weekend, this round is looking positive. Each week we are improving our skills. Keep it up!

Best on Ground - Sharon Lampard for constant speed and running hard throughout the match, putting up some great shots.

Coaches Award- Shannon Morton who backed up each player well, always there for a second pass.

B Grade, Coaches: Flick Young & Caitlin White
LGP 50 - BORDEN 11

The B grade girls had another win against Borden with everyone putting in a solid effort. Big thank you to Kelly Callope who at the last minute threw on her uniform to help us out. It's been nice to see the girls really coming together and learning how the team plays. Everyone has worked hard at training and been putting that into our games. Looking forward to playing the un-defeated Gnowangerup and showing them what we can bring.

Best on ground - Emily Hughes. Emily played a solid defensive game in Goal Defense, not letting a pass get by her.

Coaches Award- Linda Vlasich.

Couldn't go past giving this award to Linda as she has had four teeth extracted and had to play with a mouth guard in. No surprises she played an exceptional game none the less.

Juniors, Coach: Lisa Pearce
BORDEN 18 - LGP 12

Junior girls went down against Borden on the weekend after a great first quarter, the second and third quarter were a bit quiet for the girls. They rose to the occasion in the last quarter out scoring Borden 5 goals to 2. Bad luck girls you never gave up fighting until the end that's commendable in itself.

Best on ground- Paige Zweck who did an amazing job defending and rebounding in the goals.

Coaches award- Kira Pearce who had some tough components but never stopped running through the centre.

Net Set Go, Coach: Shelley Stanton

As there was no net set go at Borden, the girls had a weekend off.

Back row: L-R Holly Stanton, Gianna Jury, Tess Stanton and Amber Pearce.

Front row: L-R Payton Callope, Sheree Duckworth, Eliza Jury, Amber Furphy.

Absent - Grace Penney

Sudoku

- ☐ The Sudoku grid of rows and columns is divided into individual 3x3 boxes.
- ☐ The aim of the game is to fill each row, column and 3x3 box with the numbers 1 to 9.
- ☐ You can't repeat numbers in a row, column or 3x3 box and you can't change the numbers already in squares.
