## Colts Carnival Exhibits Young Talent

Allan Marshall

**Competition was fierce during the Grand Final between Lower South West and Great Southern Storm.  
Photos Suzanne Reeves.**

The Lake Grace-Pingrup Football Club hosted the 2016 Great Southern Colts Carnival for their second year of the rotation with Kulin who will host for the next two years.

The eight league districts represented were Goldfields, Esperance, Ongerup, Great Southern, Lower South West, Upper Great Southern, Peel Districts and Eastern Wheatbelt.

We were blessed with the weather and saw some great football from the players aged 19 years and under (at the

31st December 2016). The grounds were a picture thanks to Peter Kain with his close attention to the preparation. The Lake Grace Shire had graded the roads at the sportsground and spread blue metal on the main parking area which had become very muddy due to the constant rain recently and we thank them for that.

Congratulations to John O'Neill and Royce Taylor who organised the event and thanks to all the individual helpers, sporting clubs, Lake Grace Lions Club and the St John Ambulance service who attended on the weekend.

- ☺ We have upgraded our software from Microsoft 2010 to 2016 so I'm hoping that everyone's stuff has gone in the Links as everything does look a little different and we all know how easy it is for a couple of changes to simply 'muck everything up'.
- ☺ We now have eftpos at the centre and it has been put to good use over the last couple of weeks. At this stage we haven't introduced a charge minimal amounts or credit card use but that could change. We can't provide a cash withdrawal with eftpos usage.
- ☺ The Forklift workshop happened this week, we didn't have great numbers due to late pull outs but TAFE were kind enough to come anyway. Please keep in mind that if you register for a workshop you need to be definite otherwise it can become problematic.
- ☺ We have booked Keen's to come to Lake Grace for the 24th & 25th August to do MC, HC & HR driver training and assessment. The Department of Transport has changed the rules, anyone wanting to do this workshop MUST have their documents into the CRC 28 days prior! So be organised or you miss out.
- ☺ Centrelink will be providing the CRC with a computer for their clients to use, because of this the Centrelink fax has been moved from the photocopying room to the public area. We won't be getting the computer until July / August but we will keep you posted. Don't

forget that the Centrelink van will be visiting us in August and we will also be holding a digi day for all of those with a smart phone or other app orientated hardware. It is an ideal opportunity to drag yourself into the digital age that unfortunately we are having to embrace.

- ☺ The CRC are also hosting Karen Hanse from Cancer Council WA and Leanne Pilkington from BreastScreen WA to hold a talk on women's health.
- ☺ In October we also have a representative from Coeliac WA coming to the CRC to do a presentation.
- ☺ We are also providing 1/2 hour one-on-one tuition for mobile phones, cost is \$10. Staff are comfortable with Samsung and iPhone but will give others a go. Essential that you book in and you will need to bring any cords/books with you. This is tuition only, we can't fix your phone.

## New Look

*Alison Dines*

Locals with a keen eye may have noticed that changes were afoot within our local pharmacy last week. With pharmacy focussed cosmetics company Designer Brands currently celebrating their 10<sup>th</sup> birthday in Australia, the small DB stand at Lake Grace Pharmacy was replaced with a big, beautiful, brightly lit, neon pink and white display unit, repositioned and restocked with twice the range of products that were previously available to us.

Over the past 10 years Designer Brands has become a household name, gaining a reputation for giving women the opportunity to get the look they want without the price tag, to experience designer quality beauty solutions at inexpensive prices. The brand has grown from 15 products to now housing over 500 affordable cosmetic products, and we here in Lake Grace are fortunate to now have access to an even larger selection of the range.

Designer Brands reassures customers that all their products are cruelty free, Vegan and no talc, bismuth or parabens. You are invited to check out the exciting new range next time you visit the pharmacy, with special loyalty reward offers as further incentive.

# When the Teddy Bears Came to Playgroup

Amy Jones

Thursday 16 June was a busy day for our local Playgroup children. It was the day that we were able to bring our Teddy Bears along and have a picnic!

With our Teddy Bears we listened to Jed's mum read us 'We're Going on a Bear Hunt'. Then, with Leonardo and Charlee's mum we made binoculars, which we used to search for the Tiny Teddy's that Mile's and Chloe's mum had hidden in the garden. This made us all rather hungry, so we then enjoyed a sausage sizzle cooked by Max and Lily's mum, and ate some other tasty snacks provided by Chase and Emmett's mum!

As well as all this, we had some nice ladies from Playgroup WA come to visit us, and they set up some fun activities for us to play with. We also got to have some birthday cake, because it's nearly time for Charlee's first birthday!

Whew! What a day! No wonder we, and our Teddies, had a lovely long afternoon nap after Playgroup that day!

# Westpac Closes Its Doors

Suzanne Reeves

With Westpac closing its doors at 3pm on Friday 10th June there obviously wasn't a minute to spare as contractors moved in to remove the signage that very afternoon. Wet weather wasn't even a deterrent to slow the process down.

With the signage taken down the original branding 'Bank of New South Wales' now shows on the beautiful art deco building which was opened in 1929. Over the decades the bank traded as Challenge Bank and then Westpac Banking Corporation.

*Signage being removed. Photo Alison Dines.*

Not just important for its banking facility the branch has also brought many new faces into Lake Grace and been an ongoing source of employment for many locals over the years

# Family Fun Day

Elle Atwell

Come one, come all, come big, come small. Lake Grace had the pleasure of hosting its first Family Fun Day event with success.

The event saw people from near and far head on out to enjoy the day full of children's entertainment and stalls to suit. Bouncy Castle, Face painting, Balloon animals, Crafts corner, Free lucky dips and of course, the ever popular Incredible Creatures made sure the children were well entertained for the day whilst parents had time to stroll through the abundance of stalls that were available for the day.

Other than the events location being moved to the Shire Hall the day went off without any big hiccups except for a cheeky lamb doing a stroll through the stalls to see what was available.

Overall the feedback I have received on the event has been very positive and I would like to send out a huge thankyou to those who volunteered their time assisting me with the organising of this event. Lets hope we can make this event larger and more entertaining next year.

# Commemorating 100 Years of ANZAC

Allan Zweck

***Each of the soldiers listed on the Lake Grace Honour Roll will be featured in the Lakes Link News, as close as possible to 100 years from their enlistment. It is now 100 years and 6 days since James Lawson and Thomas Walmsley signed up.***

LAWSON – JAMES: A Native of King Edward Parish, Aberdeenshire, Scotland, was born at Turriff, Aberdeen, and he was known as Jim. He enlisted in the Australian Imperial Force, on the 17th of June 1916, at the age of 38 years and 8 months, a little more than a year after migrating to Australia. As his parents, Robert and Isabella Kiloch Lawson were already deceased, he gave his brother George of Lake Grace as next of kin. He was a blacksmith by trade and was of fresh complexion, 5 feet 7.5 inches tall, (171.5cms), weighed 143lbs (65kgs), with grey eyes and brown hair. His training was at Blackboy Hill, in the charge of 73 Depot, where he became part of the 4th/ 44th Battalion.

On the 13th of October 1916, Private James Lawson embarked the Port Macquarie at Fremantle for England, and disembarked at Plymouth two months later. The next day he marched out to the 11th Training Battalion. After a period of almost seven weeks training, he proceeded overseas to France on the SS Invicta leaving from Folkestone, where they marched in to the 3rd Australian Divisional Base Depot. After a further two months of exercise in the Segrego Camp, on the 27rd of April 1917, he was taken on strength in the 4th Reinforcement /44th Battalion, and marched out to the Field.

Up until this time the 44th Battalion had spent the bleak winter of 1916-17 alternating between service in the front line, training, and laboring in the rear areas. The Battalion fought in its first major battle at Messines, in Belgium, between the 7th and 10th of June, where the objective was to gain control of the strategically important Messines Ridge. A well coordinated battle with Allied Forces was successful in this action, however, it was during this battle, on the 9th of June, that Private Lawson was killed in action in the Field, at Messines Ridge. The burial place of the Late Private James Lawson is; 29 The Ypres (Menin Gate) Memorial Belgium. He gave his religion as Presbyterian, and his service number was 2356.

A series of correspondence then followed, so that the affairs of the late soldier could be sorted out. George Lawson wrote requesting the certificate of death of his late brother, and any further information, "where he fell," and further particulars. Mr Robert Carruthers of "Lowtherfield", followed with a letter as he had Power of Attorney, and would be much obliged for a certificate of his death. Base records responded promptly, but only to say he was "killed in action".

George Lawson had to write again - "Two certificates of his character had been received, but nothing else..." The letter continued, "I expected he would have a bank book in his possession, as he told me he put a considerable amount of money in the bank. Mr

Carruthers, Lake Grace is acting as his attorney. Anything of that kind should be sent to him."

A reply soon came, with a death certificate, but "there was no record of the Bank Book, or personal effects". In due course, Mr Carruthers was able to sort out his affairs, though there was another hitch. George Lawson was asked if there was a nearer blood relation than himself so the distribution of medals etc. could be properly complied with, the order of relationship being; Widow, eldest surviving son, eldest surviving daughter, father, mother, eldest surviving brother, eldest surviving sister, eldest surviving half brother, eldest surviving half sister. There was an elder brother, Robert R Lawson, of Dumbarton Scotland, so the medals of the Late James Lawson were duly sent to him.

Private Lawson's brother George was one of the Pioneer settlers of Lake Grace in 1911, his wife having the distinction of being the first white woman to inhabit the Lake Grace settlement, and after they had established themselves, James, (Jim) came from New Zealand to live with them, residing in a tent behind their dwelling. Jim joined in the community activities, and was known to be a capable Master of Ceremonies on social occasions. He enlisted, along with his acquaintance Tom Walmsley from Lake Grace, on the same day, and they were both, in the 73rd Depot, and both were assigned to the 4th /44th Battalion. When Private Walmsley died just before his comrades left Australia for the War Zone, Private James Lawson was one of his pall bearers.

WALMSLEY – THOMAS: Born at Towcester, England, he enlisted in the Australian Imperial Force on the 17th of June 1916, at the age of 23 years and 10 months. His father was deceased so gave his mother Ellen Walmsley as next of kin, living in Towcester, England. Thomas was a labourer, a fairly short person, at 5 feet 3 ½ inches (161cms), and weighed 113 lbs (51kgs), and had a fresh complexion with blue eyes and brown hair. He trained at Blackboy Hill, and on the 22nd of July, he was appointed to 4th Reinforcements /44th Battalion. He had received the inoculations and vaccinations necessary for travel to the War Zone and nearing the end of his training, he took sick, and on the 19th of September 1916, Private Walmsley was admitted to hospital suffering tubercular glands in the chest & pneumonia. Almost two weeks later at 8.20pm in the evening of the 2nd of October, he died of the above mentioned diseases, being 24 years of age. Private Walmsley gave his religion as Church of England.

A newspaper article from the "West Australian" of 6/10/1916 tells of his funeral with Military Honours;

Military funeral – the late Private Thomas Walmsley, of the 4th reinforcements of the 44th Battalion, AIF, Blackboy Hill, passed away at the No. 8 Australian General Hospital Fremantle, on the 2nd inst., in his 25th

## Commemorating 100 Years of ANZAC (cont.)

year. The funeral took place on Wednesday last, with military honours. The military cortege, headed by the firing party, moved from Messrs Arthur E Davies and Co's private mortuary, Market-street Fremantle, and proceeded to the local cemetery to the strains of the Dead March in "Saul", played by the Blackboy Camp Band, in the charge of Bandmaster J Flesfader. The remains were interred in the soldiers' section of the Church of England portion of the cemetery. At the conclusion of the service, which was conducted by Chaplain the Rev E S Clairs, three volleys were fired, and the "Last Post" was sounded. The chief mourners were Mr and Mrs W. Elliott and Miss F. Armstrong, and the pall-bearers Privates Stalker, Massey, Morris, J Lawson, Urquhart and Grigson. The escort was drawn from the 4th reinforcements of the 44th Battalion, under Sergeant Stooke. Wreaths were placed on the grave by his comrades of the 4th reinforcements of the 44th Battalion, the South Fremantle Red Cross Society, and friends.

A little over a week after his funeral, on 13/10/1916, his comrades embarked the Port Macquarie at Fremantle, and proceeded to England to prepare for action in the war.

There was some confusion over the correct address of Mrs Walmsley when it came to settling of his affairs,

however, eventually the mother received a Memorial Plaque and a Memorial Scroll. It is interesting that Private Walmsley was not entitled to be buried "Where the Australians Rest", however, his name is located at panel 138 in the Commemorative Area at the Australian War Memorial.

Thomas Walmsley came to live and work in the Lake Grace area some time after the Slarke family settled here from Towcester, in 1911. He had been employed by Mr Slarke in England, who nominated him for emigration to Australia, and it is believed that he followed soon after them. Some of the Slarke family now reside on the "Easton Neston" farm, are familiar with a paddock on the property that Thomas Walmsley started clearing, and his name comes up in old record books as being paid wages while working there. It is also an interesting observation that Private James Lawson, a former colleague from Lake Grace, enlisted on the same day. In fact, Walmsley and Lawson both passed their Medical together, went into camp together, in the same Company, and were together in the same Battalion. At his funeral, his comrade Private James Lawson, was one of the Pall Bearers; it would have been a sad departure for him, having just lost a good mate. About eight months later, Private James Lawson also lost his life, being killed in action in the battle field in Belgium.

Plants can tell us what's happening with nutrient supply from the soil.

In some seasons it's difficult because of poor growth (waterlogging, drought, chemical damage)

In a good season like this, rapid growth places demand on nutrients such as copper, manganese and potash. So this year is a great year to plant test and get a true indication of your nutrient status and back up what we've learnt from soil tests.

Call me and we can work out a time.

# Hooking and Stitching for Charity

*Suzanne Reeves*

The production line for creating blankets for the charity 'Wheelchairs for Kids' is once again in full swing. A contingent are hand stitching the patchwork blankets, while another group are crocheting and a renegade group knit or continue to do their own thing.

At this stage the crocheters are leading with one blanket finished but it is expected that the hand stitchers will swoop in with a flourish and finish some of

their blankets in a rush! We have some new crocheters and a few that are having a go at different techniques.

Having completed 13 blankets in 2015 we are hoping to better that quota.

If you would like to join the group or drop in for a look you are most welcome. The workshop is held every Friday from 10am to midday.

Phone : 9890 2000 Fax : 9865 1429

Email: [Lake.Grace.Police.Station@police.wa.gov.au](mailto:Lake.Grace.Police.Station@police.wa.gov.au)

Personnel: Sgt Dave Ellis, SC Tara Spencer & 1/C PC Jacqui Gobby.

G'day all,

As we enter the cooler months (by cool I mean absolutely freezing) we are noticing an increase in slightly adolescent driving behaviour, and I thought this might be a pertinent time to remind us all about a few things.

Before I do, I would like to acknowledge that the vast majority of you are doing the right thing. It hasn't gone unnoticed that cars are being left overnight at the sports club, the oval or the pub. I applaud those of you who've taken the decision to nominate a driver for the night or grabbed a lift when you've had a few unplanned beers. We are on patrol in the evenings and so are my colleagues from Kulin and Kondinin – and to your credit the breath machine has sat idle for a few months now.

However, the town site is not a race track and some treat Stubbs St a bit like the Kwinana Motorplex. It isn't. The all too frequent sounds of the heavily revved engine reverberate down night time streets, and wake me up as well as others I'm sure. If anyone wishes to call in relation to hoon driving and/or speeding, we now have powers to seize vehicles and charge the offending driver with a witness statement alone. We don't need videos or pictures or anything elaborate. All we need is a witness sick of stupid behaviour. We have handheld speed detection devices at the station, and they are going to be used. You have been warned!

Anyone wondered if they are suspended for driving or if it's expired? Go to the Department of Transport website and there is a page where you can check your vehicle rego and driving licences at the same time. Especially handy for those of you with lots of farm machinery, utes, headers, and tractors requiring renewal. [www.transport.wa.gov.au/licensing/vehicle-licence-check-online](http://www.transport.wa.gov.au/licensing/vehicle-licence-check-online) Please don't let things lapse, as it's expensive, time consuming and embarrassing to rectify.

We've had a few people let us know about a telephone scam involving some calls from the ATO demanding payment for unpaid taxes. Just for the record, we don't arrest people on behalf of the ATO – they have way more power than we do! – and they generally don't call asking for money. To my knowledge everyone has told the callers where to go, but be aware that scammers are a bit of a problem, and I nearly fell foul of one a few weeks back involving a fake Australia Post email. So, it happens to the best of us.

I make no apologies for the slightly grumpy car related newsletter. We all want a quiet life and our loved ones lives are too precious to ignore this sort of thing.

As always we can be visited at the station, followed on Twitter (@LakeGracePol) and can be called on 9890 2000.

Till next time ...

Sergeant David Ellis

# 43% of Vehicles Speeding

Amanda Milton

Over an 18 day period a road traffic counter was installed outside of the new St John Ambulance Lake Grace building site. The traffic counter was installed by the Shire of Lake Grace at the request of St John Ambulance WA Ltd to gather traffic counts and speed data from in front of the new emergency services building.

The request for the counter was based upon visual assessment of the speed of vehicles in this 60km/hr zone whilst the building construction has been taking place.

Over that 18 days (which included 6 days of weekends) there were 10,837 vehicle movements. The sad reality is that 43% (4,647 vehicles) of those passing the site were speeding with one "numnut" clocking 130km/hr.

Road counters are clever little devices that can record the class of vehicle and the speed of each vehicle. (Isn't the numnut lucky that it does not record registration data!). On average those that were at, or below 60km/hr, were travelling 54km/hr whilst those travelling above the speed limit were clocking on average 72km/hr.

The most telling figure was the classes that was speeding the most by percentage. Of the 192 ART6 vehicles (i.e. semi trailer) recorded, a staggering 59% were speeding with 22% exceeding 70km/hr and 5% exceeding 80km/hr. This was closely followed by B Double Road trains where 56% of the trucks passing the site were speeding.

Basically the results are not good. They are especially not good for a new emergency services facility that will exit onto this 60km/hr road. The building had to gain approval at planning stage from Main Roads, and received approval because the gazetted limit is 60km/hr. The data also reveals a real danger for vehicles turning up Memorial Drive to the hospital or medical centre.

To keep this in perspective, not all the vehicles that were recorded are local vehicles. But I can tell you from hours of being on site, that there is a proportion of locals who have no regard for the limit. And to make it worse you are on the phone whilst speeding.

This data has been shared with the local Roadwise Committee, St John Ambulance WA Ltd Head Office,

# Its a Wrap.....and Cladding!!

Amanda Milton - Project Manager

Friday 24th June 2016 will be day 53 of the build for the New St John Ambulance - Lake Grace Sub Centre. Since our last update, we experienced a delay in the inspection of the steel and timber framework by 4 days as our carpenters were at another site for a week. Our amenable Structural Engineer rearranged his shedule, and was on site on Sunday 12th June at 8am to ensure all was approved for the next stage of the build.

With top marks to AK Homes and their contractors Kusters Steel and Celtic Carpentry, it was all systems go for the wrapping of the building. Wrapping consists of the application of a waterproof membrane to the outside of the framework. In this case turning the building blue.

The Celtic Carpentry boys must have done a good job with the wrapping, because the Tarin Rock Bus Kids thought the building was finished once the blue wrap was on. The observant bus driver did mention to them that perhaps some roof sheeting might be needed. Oh the optimism of youth!

Once wrapped, our leprechauns installed all the windows and the external doorways, including the garage roller door framing. Our busy pair then began the task of cladding the building. Starting with the east wall, followed by the front of the garage, the back of the garage and rear of the building, then up the west wall and finally along the front.

Ever present on site has been Mikey (Michael Larkin) with Rocky (Mark Rockett) slipping off to be assistant coach to his beloved Fremantle City Soccer Club on the weekends. Rocky is also a big fan of the Fremantle Dockers, and our own Nat Fyfe. Each day there is banter about *"how come Nat Fyfe has not visited me (Rocky), followed by a discussion that if Nat did visit, how much of a legend Rocky would be to his mates"*.....you have got to love his persistent enthusiasm.

Trevenen Plumbing has also been busy on site with all of the copper pipework now in place. The application has been submitted to the Shire of Lake Grace for the installation of the three septic tanks, and system to pump the third tank to the town sewerage system. This system is required as the town sewerage ends at the back of the Sportsman's Club, and for the new sub centre to go onto deep sewerage a further estimated \$30K would have been required for a pumping station.

Lockup was scheduled for the 24th June, but it appears we will miss that target by approximately a week as we wait on roof sheeting, putting the project about 3 weeks behind schedule. (Lockup does not include the roller doors but does include the external doors and the roof). The almost 20 metre long sheets that span the main

**Mark Rockett (below) and Michael Larkin (right) working on the Sub Centre site.**

roof will be lifted by crane over the west wall onto the roof in about one weeks time. AK Homes are putting in place a team to install the roof sheets.

Once the roof is on, there will be approximately 2 weeks of electrical wiring, and "in wall" installations prior to the plasterboard team arriving on site. So externally the pace of change will appear slow from now on as we begin the internal works.

Meanwhile, the Lake Grace Sub Centre has awarded the contract for the kitchen cabinetry, to Lake Grace Cabinet Makers. We welcome aboard Nick and Jeanette Trevenen to the project.

The contract for the audio visual equipment has been split between Leading Appliances Lake Grace and Leading Edge Hi Fi Albany. Our thanks to Di Desmond for seeking out the right products at a competitive price for the large screen monitors.

The ceiling mounted speakers, amplifier system, plus the wiring for the two display screens, and the expert advice on installation is being provided by Leading Edge Hi Fi, and we welcome Bob Bogle to the team.

In recent days we have conducted site walks with Michael Naisbitt of Jack of All Trades for the paving quote, and Greg Argent has also been on site to assess the painting requirements. In addition, the building committee has been working with St John Ambulance Head Office with regards to the building signage. The signage has to meet the St John Ambulance Regional

## CEO's Corner

### Road Closures

Over the past week or so there have been a number of rainfall events resulting in road closures. The Shire understands that closing roads has a significant impact on farm and local business operations so a decision to close roads is not taken lightly. Please be assured that every effort is made to keep roads open whilst trying to minimise the damage that can be caused.

### Main Roads Forum

The Shire of Lake Grace will, later this week, be playing host to the Regional Management of MRWA forum of local governments from the Southern Wheatbelt region. This presents an opportunity for Lake Grace to raise issues regarding MRWA roads in our area, particularly in regards to edge repairs, road surface conditions, and signage.

### Citizenship Ceremony

Prior to the Ordinary Council Meeting on Wednesday 22 June 2016, Mrs Anna Scheepers of Varley will be taking her pledge to become an Australian Citizen.

The ceremony will take place at 2.00 pm followed by afternoon tea with Councillors.

### The Budget 2016/17 Process Begins

Last Wednesday, Council kicked off its more detailed analysis of the budget process for 2016/17 with discussion on a number of community funding requests. These were separated into what could be considered building maintenance and those of a more project type nature. Council then reviewed what is likely to be its highest commitment to road construction and repairs in any one year thanks to a sizable increase in the Commonwealth's Roads to Recovery funding in excess of \$1.6 million. The outcome of these preliminary discussions will be reflected in the final budget when determined later next month.

### Great Southern Colts Carnival Held in Lake Grace

Congratulations to the Lake Grace Pingrup Football

Club and the Lake Grace community on the successful Great Southern Colts Carnival held in Lake Grace on the weekend.

Eight teams participated in the carnival. After a low scoring but intense final, the winner of the carnival was Lower South West in what proved to be a well-deserved but narrow win. Congratulations to all participating players and clubs!

This event could not take place if it wasn't for the generosity of the community and the many volunteers involved, both prior to and over the weekend to make this event happen. The Shire thanks everyone who helped out to make this such a successful event.

### Upcoming Ordinary Council Meeting - Wednesday 22 June 2016

An Ordinary Council Meeting will take place on Wednesday, 22 June 2016 at 3.00 pm at Council Chambers, 1 Bishop Street, Lake Grace. Some items up for discussion are as follows:

- Relocation of a street lighting pole at Lot 268 Mason Street, Lake Grace;
- Development application for proposed additional temporary workers accommodation on Lot 107 Varley Road, Lake King;
- Development application for proposed telecommunications infrastructure on Lot 1542 Newdegate-Ravensthorpe Road, Lake King;
- Planning application for proposed new carport on Lot 224 (No.3) Dunham Street, Lake Grace;
- Disposal of Building Assets reserve 22873;
- Transfers to reserve - unbudgeted;
- Financial Management Review June 2016;
- Newdegate Skate Park endorsement and concept plan;
- Shire street banners concept and draft designs; and,
- 2016 Policy Manual Review.

# Telephone Voting Available now for Blind or Low Vision Voters

## Media Release

With early voting now underway, Electoral Commissioner Tom Rogers said voters who are blind or have low vision can now access a telephone voting service that enables them to cast a secret vote.

"Voters with low vision or who are blind can cast their vote by telephone from home, or from any location without the need to attend a polling place," Mr Rogers said.

"Blind or low vision voters can still vote with assistance at a polling place on election day or at an early voting centre, however the telephone voting service offers a further choice."

Eligible voters who are blind or have low vision must first register for the service by calling 1800 913 993. They will be asked questions to check their details on the electoral roll, and then asked to select a six-digit PIN number. Following the call, the AEC will confirm their registration details via email, SMS, a phone call or post.

"Eligible voters can call to register to use the blind or low vision telephone voting service anytime between now and 12pm (AEST) on election day, Saturday 2 July."

"To vote, registered voters call 1800 913 993 and use their registration number and their PIN to be marked off the electoral roll – they will not need to give their name," Mr Rogers said.

"While officers will record the voter's preferences on the ballot papers, the PIN and registration number system ensures the voter's identity remains secret."

"Registered voters can vote anytime between 8.30am and 5.30pm (AEST) from now through to Friday 1 July, and on election day, Saturday 2 July from 8am to 6pm (AEST)."

## Public Notice

### PROPOSED LOCAL LAWS

Notice is given that the Shire of Lake Grace proposes to make the following local laws:

- ✦ Animals, Environment and Nuisance Local Law 2016;
- ✦ Cemeteries Amendment Local Law 2016; and
- ✦ Health Local Law 2016.

The purpose and effect of each of the local laws is as follows:

#### Animals, Environment and Nuisance Local Law 2016

##### Purpose:

To provide for the regulation, control and management of animals and the prevention of environmental damage and nuisances within the District.

##### Effect:

To establish the requirements with which any person keeping animals, or undertaking activities that have the potential to impact the environment or create nuisance must comply.

#### Cemeteries Amendment Local Law 2016

##### Purpose:

To amend the *Shire of Lake Grace Local Laws Relating to the Lake Grace, Newdegate, Lake King and Varley Public Cemeteries* to correct errors in the adoption of the Shire of Lake Grace Cemeteries Amendment Local Law 2015.

##### Effect:

To delete clause 1.2(3) and amend clause 6.1(1) of the *Shire of Lake Grace Local Laws Relating to the Lake Grace, Newdegate, Lake King and Varley Public Cemeteries* to ensure an appropriate interpretation of the local law.

#### Health Local Law 2016

##### Purpose:

To provide a statutory means to effectively control issues that have the ability to adversely impact on the health and well being of the community.

##### Effect:

To allow health related issues to be sufficiently controlled so as to provide an acceptable standard for the maintenance of public health in the community.

A copy of the proposed local laws may be inspected at or obtained from the Shire of Lake Grace, 1 Bishop Street, Lake Grace 6353 during business hours 8.30am to 4.30pm or via the website [www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au).

Written submissions about the proposed local laws may be made to the Chief Executive Officer, Shire of Lake Grace PO Box 50 Lake Grace WA 6353 by Friday 5 August 2016.

# Insurance Tips # 11

*Justin Wright & Kerry Hitchins*

Over the last few years, Sarah had pondered how best to use her somewhat limited resources to help bring about social change. She knew that her family had an enviable lifestyle, and that many others in the local and broader communities were not as lucky.

During Justin's last visit to the farm, he mentioned that Elders were piloting a social bonds program called Premiums4Good and the Lake Grace agency was part of that program. Intrigued Sarah, asked for more information on social bonds. Justin explained that a Social impact bond, also known as a Pay for Success Bond or a Social Benefit Bond, is a contract with the public sector in which a commitment is made to pay for improved social outcomes that result in public sector savings. Social impact bonds are a type of bond, but not the most common type. While they operate over a fixed period of time, they do not offer a fixed rate of return. Repayment to investors is contingent upon specified social outcomes being achieved. Therefore, in terms of investment risk, Social impact bonds are more similar to that of a structured product or an equity investment. Experience so far has shown that social bonds are returning similar rates as ordinary bonds.

During the pilot, Elders customers could agree to 25% of their premiums being used to purchase social bonds.

This has no impact on their policy, and there is no additional cost involved. Elders are then able to purchase social bonds which will help not for profit organisations implement much needed programs. The benefit for the community is that more programs can be implemented and as organisations need to produce positive outcomes to receive additional funds, there is more accountability in the funding process.

At the pilot stage the social bonds are being used to fund high profile community groups, but once the pilot is completed and evaluated, Elders will look at using Premiums4Good in a more localised way. This will be a wonderful opportunity to help create positive change in our communities.

As our customers receive their renewal invitation, they will now also receive information on Premiums 4Good and an invitation to participate in the pilot program. Justin and Kerry are excited to be part of the pilot and hope that our customers are too! If you have any questions just ring them on 98653500.

## Lake Grace DHS P & C Camp Fund Raffle

The P & C Camp Fund Raffle has been established to reduce the cost of camps, excursions & incursions for all students of the LGDHS and to assist those families who may not be able to afford the full cost, assistance so their children don't miss out on these wonderful opportunities. PCAP, up until 2 years ago used to fund and subsidise these activities in schools. This body no longer exists with all the government budget cut backs, so it now falls onto schools & parents to fund these activities. The P&C are looking for fundraising ideas that generate high income with low input, as we all are members of various groups who are in the same boat. If you have any ideas, please put them forward to the P&C. All ideas welcome!!

This year's raffle, awesome prizes and low ticket numbers means higher chance of winning.

- 1<sup>st</sup> Prize - \$3000 travel voucher &/or IGA voucher
- 2<sup>nd</sup> Prize - \$1000 travel voucher &/or IGA voucher
- 3<sup>rd</sup> Prize- \$500 travel voucher &/or IGA voucher

## Its a Wrap.....and Cladding!! (cont.)

Branding Guidelines, and also has to comply with local planning scheme requirements.

In a new announcement we are excited to welcome the CBH Group on board as one of our project sponsors. Under the recent CBH Grass Roots funding round, the new St John Ambulance Sub Centre was successful in its application for \$5,000 to go towards two 23,000Litre water tanks and a pressure pump. The tanks will be installed at the rear of the building and will capture the runoff water from the main roof. Our big thanks to Ross Chappell for moving the sand mountain just off the block so that the tanks can be brought in next week.

The building committee is also in negotiations with the Lake Grace Sportsman's club over the re-purposing of the dis-used concrete tank adjacent to the new sub centre, to store rainwater off the garage roof. It is proposed that the water will be used for washing of ambulances and to assist with the beautification of the site between the new sub centre and the Sportsman's Club.

In other news, over the Great Southern Colts Carnival weekend (big well done to all those involved for a great event), local Member of Parliament Tuck Waldron took an early morning stroll through the new building and was very pleased with its progress.

More updates next fortnight.

## Colts Carnival Exhibits Young Talent (cont.)

The Grand Final of the carnival was a much speculated event between Great Southern Storm from Albany and the Lower South West league with the tipsters being

very impressed with the LSW colts all weekend. At the final siren the LSW team prevailed having not been present at the carnival for some 15 years.

# Thank You

Amanda Trevenen

This past weekend the Lake Grace community played host to the Esperance Freight Lines Great Southern Colts Carnival. Eight teams, officials and supporters from across the southern parts of the state descended on the Lake Grace community for a weekend of sports.

We are very lucky that, as a community we are able to come together to hold an event such as this. Not only does this event allow us to showcase our facilities, community and surrounding areas but it also provides an economic stimulus package for our community and small businesses. Over the course of the weekend this event brought in excess of \$10 000 into the community through consumer spending, accommodation, sponsorship, food and beverage consumption and community group fundraising efforts. This community event helps to not only raise awareness of and showcase young sporting talent but it also showcases the fantastic community groups and business community within our town. Without their assistance, dedication and support- whether it be through extending their opening hours, donating goods and services or providing food and entertainment, we could not host this carnival.

Thank you to the individuals, sporting clubs, community groups and businesses whose contribution assisted in making this year's Freight Lines Group Great Southern Colts Carnival a success.

Johnno and his team once again strived for carnival perfection; Brendan Desmond and the Lake Grace Pingrup Football Club gave countless hours both over the weekend and in the weeks prior. Special mention to PK and Wayne Trawinski who's behind the scenes efforts ensured the grounds, pavilion and surrounding areas looked their best and continued to do so over the weekend. Thank you to the businesses and individuals who donated their time and skills after hours to ensure

all the little things were done, cooked, washed or cleaned.

It is wonderful that events such as these allow all types of community groups to work together. The benefits of this not only ensure a well run and successful event but, they also provide opportunities for people in the community to associate with, have a chat to and work alongside people and age groups they wouldn't normally, encouraging greater community cohesiveness, participation, and community pride. Thank you to the Lake Grace Pingrup Winter sports (Hockey, Football and Netball) and Junior Winter sports for countless hours of preparation, food and beverage handling, cleaning services and washing, Lake Grace Lions Club, Volunteer Ambulance, and Lake Grace District high School P and C.

Finally thank you to all the sponsors who are good enough to believe in the value of an event like this and support it. Your generosity is very much appreciated.

The Lake Grace community get a bit of a break for the next two years as Kulin host the carnival in 2017 and 2018..

John O'Neill and Royce Taylor would like to thank the Lake Grace Pingrup communities and the Football Club for the enormous effort put in over the Colts Carnival weekend to make it the success it was!

## ROUND 8

### TALK TO A MATE-MEN'S WELLBEING ROUND

LGPFC vs GNOWANGERUP Played at Lake Grace on 11/6/2016

**Thanks to our Sponsors for this week who were CSBP FERTILIZERS, LANDMARK LAKE GRACE, LAKE GRACE SPORTSMANS CLUB and GREAT SOUTHERN FUEL SUPPLIES.**

### LGP A RESERVES

There was a mild South Westerly breeze blowing across the ground and the sky was partly overcast. The Bombers appeared to have a strong line-up of players for the match. The game commenced well for the Bombers with a pass kick from Darren Clifford to Bailey McGlinn who scored the first goal for LGP. Gnowangerup then replied with their first goal and McGlinn followed with his second major. Gnowangerup then went on the attack booting 5 goals straight to finish the term 24 points ahead.

Quarter time score was LGP 2-0=12 Gnowangerup 6-0=36

The Bombers rallied in the second quarter with Callope

and McGlinn scoring goals and at one point late in the term were in front. Half time saw the scores tied up.

Half time score was LGP 7-4=46

Gnowangerup 7-4=46

The third quarter saw Gnowangerup go on a goal kicking spree, adding 6 goals with John Callope being the only goal scorer for the Bombers.

Three quarter time score was LGP 8-4=52

Gnowangerup 13-6=84

Gnowangerup continued to dominate in the final term, adding three more goals with a winning margin at full time of 50 points.

**The final scores were LGP 8-6=54 defeated by Gnowangerup 16-8=104**

Goal scorers were Bailey McGlinn and John Callope 3 each, Darren Clifford and Poch Amores 1 each.

Better players were Damon Pelham, Bailey McGlinn, Aaron Carruthers, Poch Amores, Nick Smith, Tom Dunham and Aaron Dunham.

**Awards: Best on Ground Damon Pelham, Runner up Best on Ground Bailey McGlinn and coaches award went to the Dunham brothers, Tom and Aaron.**

### LGP JUNIORS

In the Juniors game LGP defeated Gnowangerup by 49 points in a match that the Junior Bombers were too strong all day.

**LGP 9-11=65 Defeated Gnowangerup 2-4=16**

Fed by Fyfe awards went to Jackson Callope and Mitchell Hawley.

### LGP LEAGUE

Commenced at 2.15pm with umpires for the match being Scloithe and Norrish.

The Bombers were the first to goal but then the Bulldogs replied with their own and added another three for the term whereas LGP scored nine behinds, mainly because of the backline pressure by Gnowangerup not allowing any clear scoring shots by the Bombers.

Quarter time score was LGP 1-9=15 Gnowangerup 4-3=27

The Bulldogs were the first to score in the second term and continued to dominate but missed some of their opportunities kicking 5 goals 7 to LGP 2 goals 2.

Half time scores stood at LGP 3-11=29 Gnowangerup 9-10=64.

During the third term the Bombers caught up adding 5 goals 6 to the Bulldogs 3 goals 2 to bring the margin

back to 19 points thus giving LGP some chance of victory.

Three quarter time scores were LGP 8-17=65  
Gnowangerup 12-12=84.

Gnowangerup started well with a goal straight up and then continued to dominate, adding 8 goals 5 to the Bombers 1 goal 3 to win the match comprehensively by 63 points. The LGP side have a bit of work to do as we have the players on the field to do better than that.

**Final scores were LGP 9-20=74 Defeated by Gnowangerup 20-17=137**

Goal scorers for LGP: Bodhi Clifton 4, Chris Poot and Tyson Prater 2 each and Gary Leo 1.

Better players were Luke Bairstow, Tyson Bell, Bodhi Clifton, Tyson Prater and Jarryd Morton.

**Award winners were: Best on Ground Tyson Bell, Best on Ground runner up Bodhi Clifton and Coaches award went to Mitchell Thornton.**

## LANDMARK COUNTRY FOOTBALL CHAMPIONSHIP

On Friday night under lights the first match of the newly formulated Landmark country football championships was held at Mount Barker with the Ongerup Football

Association competing with Great Southern.

The match was close until half time but then the Ongerup boys stepped up and at the final siren had won the match by 60 points. Congratulations to Luke Bairstow of Lake Grace who won the Jim Hull medal for Best On Ground. Apparently the OFA team were awesome during the second half of the match with Luke Bairstow, Jayden Brooks of Jerramungup and Sam Baddely of Borden leading the charge. Great Southern were not happy as they had prided themselves as being better than that. Well done OFA.

## 2016 South West Junior Hockey Championships/Carnival

*Missy Clifford*

The June long weekend had finally arrived and instead of taking the weekend off, six of our Lake Grace Pingrup Junior Hockey players nominated to play in the Bunbury Junior Hockey Carnival (the biggest Junior Hockey Carnival in Australia). This meant 2 ½ days of pure hockey! For the first time, the Ongerup Association sent representatives from all our Association clubs, that being four teams; two boys teams and two girls teams, both in years 5/6 & 7/8. Luckily we scored fantastic weather for the Saturday and Sunday and only got a little bit wet Monday morning. All participants showed great hockey skills and more importantly great sportsmanship. It was a fantastic weekend thoroughly enjoyed by all with improvements to hockey skills, game confidence and new friendships and memories made. Huge thanks to all the coaches, managers, our umpires and parents for making it all possible. Looking forward to 2017.

Round 8 LGP (1) v's Gnowangerup (1)

It was time to play the top team, this time on our bumpy grass!! Not the smooth/fast turf that they were used to. After changing a couple of player positions I encouraged the kids to not worry about the ladder and we had just as many skilled players as they did. Skill is exactly what we showed them! We outplayed them with brilliant stick skills, quick autoplay, passing and support.

Jason O'Neill scored the first goal for the game but unfortunately they also scored a goal later in the second half.

Last time we lost 4-0 to this team and this was their first draw for the season. With the increase in skill, ability and understanding of the game I am confident that we can beat this team at our next meeting. Well done to all my team for a top effort. You've all been keen to learn and try hard each and every week.

Awards:

Best on Ground: Jason O'Neill

Top Effort: Luke Clifford

**Saturday 11th June**  
**Round 8 vs Gnowangerup**

**A Grade, Coach: Karen Bairstow**  
**LGP 44 - GWNP 16**

This week we were up against a very strong opponent in Gnowangerup who are sitting second on the ladder. The girls knew they had to be very determined and strong at the ball to have any chance of defeating them. From the very first moment the team stepped on court they attacked the ball hard and played a great team brand of netball, gaining a good lead at quarter time. We continued to play well, led by an outstanding defence, the team were able to bring the ball down and score under some close checking opponents. The goalies combined well and shot some nice goals. The girls were able to keep the pressure on and played some great netball to run out winners, and to hold Gnowangerup to 16 goals was an awesome effort.

Best on ground—Claire Wells -Who played an outstanding game on Sharon Miniter completely cutting her out of the game.

Coaches Award- Jemma Bairstow -Went out from the word go with great determination and intercepted a lot of Gnowangerup's passes resulting in goals for us.

Lets really put in at training for the next two weeks girls and repeat our efforts against Newdegate.

**B Grade, Coaches: Felicity Young and Caitlin white**  
**GNWP 33 - LGP 32**

The nerves were high on Saturday as we knew it was going to be stiff competition against Gnowangerup. Although We all played a strong game we were unable to defeat the opposition, losing by 1 goal. However it was a much more competitive game in comparison to the previous match up against the Gnowangerup girls.

Best on ground: Sonia Harris

Sonia played an amazing four quarters in defence and encouraged all of her team mates throughout the game.

Coaches award: Juanita O'Neill

Juanita is incredibly fit and skilled and consistently gives her all every game. She is such a reliable player and the team appreciates everything she does.

**Juniors, Coach: Lisa Pearce**  
**GNWP 19 - LGP 14**

The junior girls played a great game going down to the undefeated Gnowangerup team by only 5 goals. Their skills are improving every week and they are starting to work and act as a team. I am proud of you all girls and found it particularly hard this week to choose best players.

Best on ground: Georgia Furphy who put the pressure on Gnowangerup's shooters from the minute she

stepped on the court. Well done girls see you all at training.

Coaches award: Kelsie Murray - who had a great game in Wing Attack providing a much needed lead whenever required.

**Net set go, Coach: Shelley Stanton**

With only 7 girls available to play, all the girls had to space out their energy levels. Thanks to Kristie Stanton for supplying those energy supplies!!!

Stanton 2 started off well in centre in the first quarter with Stanton 1 in Goal Attack. Pearce was in defence with the help of Penney. Our two wings, the younger of the team tried their best, but the Gnowangerup experience was far too dominant. Although both teams were goalless in the first quarter, Gnowangerup certainly had the ball in their attack for most of the quarter, so we did very well in collecting the rebounds.

Second quarter saw us all change positions to give everyone a taste of the different positions. The Stanton girls did a swap while Pearce continued in defence with the help of Penney. Furphy moved into goal and Callope did a great job in the middle with Duckworth

The 3rd and 4th quarters saw Gnowangerup continuing to dominate in every area. No matter what we tried, their experience was too strong. Stanton's in defence worked really hard to minimise the goals scored with the help of Callope in Wing Defence. Pearce moved to centre while Duckworth and Furphy held the pole up in the goal circle waiting patiently for the ball to come their way.

Whilst we had a tough game against Gnowangerup, we were all a little tired by the 4th quarter, but we played it out!! They had a lot more experience than us, playing their year 3 & 4 girls. We had majority of year 1's and only 1 year 4 & 2 year 3's. It was in the end a good game of netball, but they were too strong for us.

Next week sees us have a bye, so we can all rest up for our game the following week against Newdegate.

The netball club would like to make a special mention to Tess and Alby Stanton, along with a few friends to help them out, for selling the \$100 "guess the last 2 numbers" board. Kristie Stanton organises this for our home games and the kids walk around and sell the tickets to raise money for our club, so thanks heaps for your dedication!!

**Saturday 18th June**  
**Round 9**  
**Bye**

Suzanne Reeves

What are your chances of getting a hole in one? Well apparently for an amateur golfer the odds are 12,500 to one. Seems like a long shot that this opportunity may come your way but for a golfing tragic who spends every opportunity on the course then the chances increase!

When Murray lined up at the tee box 45 years ago a hole-in-one probably wasn't foremost on his mind. However many laps of the course later he can bask in the glow of what is deemed as possibly one of the most wanted achievements of any amateur golfer.

Following a clean shot hit with his trusty 8 iron the ball never looked like missing with Murray stating it was the first time he'd every really tried to get a hole-in-one.

Murray's is the 12th hole-in-one, with the last one being achieved by Martin Carruthers in 2013. Coincidentally Murray was present to witness Martin getting his hole-in-one while this time Martin was present when Murray got his. Other ecstatic golfers in the group were Peter Hudson and Kevin Eggers.

Needless to say the golf ball has been retired from active service and will be gracing the trophy cabinet once it has been mounted.

Sunday 12 June's fixture event was a Stableford sponsored by Best Office Systems. Who would have imagined that by the end of the day there would be an event that would be written into the history of the Lake Grace Golf Club.

A quality field took to the fairways to produce some fine golf from a course which is in great condition. Fine weather with a slight breeze produced some great scores. Not only did the six iron sweep in and clean up the field with 42 points, but by the end of the day Murray George Stanton would have aced the 18th and written himself into the history books. This feat has only been accomplished by a handful of players in all the years of the club. The Club captain was paired with a couple of young guns for the day and had both feet off the ground trying to keep up with their power hitting. Winner of the day was Justin Wright with 42 points, runner-up for the day on 39 was Craig Reeves.

Nearest the pin on number four was Derek Stanton, NTP on number six was Matthew Spurr, NTP on 15 was Justin Wright and of course the NTP on 18 with a hole in one goes to Murray Stanton.

Men's long drive on number 3 was won by Craig Reeves. longest putt, on number nine was Chad Stanton.

The 19th June was a stroke round, qualifying round, and count your putts day, sponsored by Rex Walker.

A large field of players took to the course anxious to present a good score for the qualifying round and also take up the opportunity to get their name on 'the putter' trophy.. Winner of the stroke round was Chad Stanton with a 90/17/73 net and runner-up was new golfer in Phil Young with a 111/36/75, well done Phil. Gross winner of the day was Craig Reeves with an 85- 12-73 nett.

NTP: 4 – Kingsley Strevett sponsored by Elders Insurance Justin Wright.

NTP: 6 – Peter Hudson sponsored by Lake Grace Roadhouse.

NTP: 15 – Kingsley Strevett sponsored by Lake Grace Post Office.

NTP: 18 – Matthew Spurr sponsored by Lake Grace CRC.

Long drive for the men on number 16 was won by Craig Reeves sponsored by Lake Grace Home Improvements

Long drive on number 10 for the ladies , also sponsored by Lake Grace Home Improvements was won by Helen Hunt.

Longest putt on number 9 was won by Phil Young and sponsored by Lake Grace Tyrepower

Longest putt on number 2 also won by Phil Young and sponsored by Rex Walker

Longest putt on number 11 won by Kingsley Strevett sponsored by Rex Walker

The winner of the putting competition with only 25 putts for the day was Craig Reeves. Thanks to Rex Walker for continuing his sponsorship.

Next week is the Lake Grace Open Day sponsored by Lake Grace Plaza, Farmer's Centre Lake Grace, and Maalouf Ford Lake Grace.
