## Lions Celebrate Changeover

*Nick Maalouf - Past Secretary*

**Back:** Maureen Moulden, Neville Moulden, Margaret Duckworth, Allan Duckworth, Kerry Hitchins, Ian Hitchins, Christine Kimber, Nick Maalouf, Brian Kimber, Chris Harvey, Rob McVean, Wally Perry.  
**Seated at front:** Glenda Slarke, Arthur Slarke, Laure-Anne Maalouf, Joan de Vree and John de Vree.

On the evening of the 23rd of June the Lions Club held their 47th annual changeover of office bearers at the Sportsman's Club. Sixteen members and guest, Rob McVean enjoyed a three course meal served by Nat Gambuti and staff.

John de Vree was given the task of installing the 2016-2017 office bearers; Arthur Slarke and President, Ian Hitchins as Secretary and Neville Moulden as Treasurer.

Membership stands at 15 including Life Member Alan Thiel. We look forward to increasing membership for the continuation of the lcub.

The evening was chaired by President Arthur

where he tabled the President's report (see pages 16 & 17) and outlined his vision for the coming year. The main project has been the construction of a boardwalk to the lake at the western side of the causeway; of course subject to approval. Treasurer Neville Moulden reported on the financial position of the club and on several donations the club had made; the main recipients being the fire appeals of Esperance and Yarloop.

Finalising the evening Lion Arthur thanked John de Vree for performing the changeover installation and thanked all members for their contributions and attendance and wished all present a safe journey home.

# Editorial

- ☺ The CRC has an MC and HC Driving assessment workshop coming up and we need more numbers for it to go ahead (think harvest). It is cheaper if you supply your own truck but there's a few hoops to go through to do that, please contact the CRC if you want more details. Please support us so we can keep bringing these opportunities to Lake Grace.
- ☺ We had been going to hold off on bringing in a charge to use eftpos at the CRC but due to quite a few transactions of under \$10 we will be charging an extra \$2 for anyone wishing to use the eftpos facility for those smaller amounts that come under the value of \$10.
- ☺ Had a quick meeting the other day regarding Late Night Shopping which will now be know as the 'Christmas Festival'. We have set a date, it will be Friday 16th December and we are looking for stalls. If you would like to sell your wares, provide catering for the evening or set up a display then please contact us. The sooner you register your interest the better. The Jolly Fat Man in the red suit will be visiting!
- ☺ We're having a 'Girls Night In' on Wednesday 3rd August to raise awareness of being proactive about your health. Karen Hansen from Cancer Council and Leanne Pilkington from BreastScreen WA will be talking about symptoms, early detection and prevention of some of the cancers that afflict women.

## Workshop Calendar...

**MC, HC & HR Licensing Training & Assessment**  
- 23rd & 24th August. Contact the CRC for information on costs etc.

**Upstairs Downstairs (Women's Health Talk)** -  
3rd August. Girls Night In. FREE.

**Centrelink 'Digi Day'** - Tuesday 30th August.  
FREE.

**Windows 10** - Coming.

**Facebook** - Need names. FREE. Changing your settings, loading photos or documents, sharing, finding friends and more.

If you are interested in any of the above please phone the Lake Grace Community Resource Centre on 9865 1470.

We're going to have a few activities and would love you to come along. Finger food and some refreshments will be supplied. There won't be a charge but we welcome any donations to go toward the Cancer Council.

- ☺ Don't forget that Centrelink are visiting us on Tuesday 30th August. To coincide with their visit we will be holding a digi day; whether we like it or not many of our services are easier to access via the internet than via a real live human being. So come along and learn how you can make your experience with Department of Human Services a little easier, don't forget that Medicare comes under their umbrella and a claim via the Medicare app is much simpler than filling in a form.
- ☺ We're finding our way around Windows 10 and I must confess it has some very good features that I'm sure I would miss greatly if they were suddenly withdrawn. Hopefully by the end of August we will be able to run some workshops.

*Suzanne Reeves*

## MC Driving Assessment

\$1,450 Assessment - truck supplied  
\$150/hour lesson

## HC Driving Assessment

\$950 Assessment - truck supplied  
\$140/hour lesson

**Date - Tuesday 23rd & 24th August**

Please phone the Lake Grace Community Resource Centre on 9865 1470 to book in.  
Need names in by Friday 22nd July.

## New Face For the Old Place

Jo Morgan

The Lake Grace Visitors Centre has had a shuffle round of staff of late. Our well loved Coordinators Elle Atwell and Peter Whiting have left for exciting times ahead. Peter has a brand new job and Elle is now on maternity leave, with second baby due any day now.

I've been working alongside Elle for the past two weeks learning the ropes and I'm already feeling there's big shoes to fill BUT I'm absolutely loving it! I worked for the Shire of Lake Grace six years ago so it's been awesome to step back into work again after having my children.

Do pop in and say hi sometime. We have some great gift ideas for sale, especially local and Australiana type gifts. We have the sweetest volunteers to chat to too!

**Above: Jo Morgan and Elle Atwell**

Wishing Peter and Elle best wishes for their next adventures. The volunteers and committee members thank you both for making the Visitors Centre such a welcoming place. Your faces will be missed!

## What's Happening?

- Mingling with the blue bloods at Royal Ascot was Bettina Lay (centre) with some other Aussie's living abroad; Vanessa Welchman (left) and Amy Wise (right). Attending the races in their best finery on Saturday 18th June to cheer on the horses and riders, the girls were thrilled to find their picture had made England's 'Daily Mail'.

- Congratulations to Tayla Stuart and Sian Chesson on the arrival of their baby daughter Ruby June on the 16th June. Ruby weighed in at 3.78kg and by all accounts parents and baby are doing well. Well done to proud grandparents Justin and Debra Wright.

# Bibliophiles Very Nearly Up in Arms

Suzanne Reeves

It could have become a war of words between State Library users and the politicians who represent them if the State Government had embraced plans to cut funding to Inter Library loans following an independently chaired Agency Expenditure Review which found that the daily delivery service in the metropolitan area was not considered the most effective use of taxpayer's money. It hasn't been clarified as to whether the Independent Chair reads for pleasure.

The matter of the courier service was dealt with in Parliament last week and the Hon John Day, Minister for Culture and the Arts was quick to state that the State Government had always recognised the importance of the concept. Lake Grace Library had their courier service reduced to once a week many years ago and it appears the metropolitan area will have their service reduced from daily to twice per week.

These reductions are understandable and will still meet the needs of most library users. However it is proof once again that it is important to remain vigilant and ready to protest if the government looks ready to reduce services to the community.

For the uninitiated the Interlibrary exchange gives readers the opportunity to access a book, talking book or DVD that may not be held locally but could be a stock item at another library. The book once ordered is then

despatched to Lake Grace and once the customer has finished with it, it's returned home.

It's a fabulous facility for avid readers (who can soon work their way through the shelves of the Lake Grace library) and is useful for anyone doing research. Over the previous 6 months staff at the Lake Grace Library have ordered in 150 books, CD's (talking books) and DVD's for a wide range of customers who will be ordering not just for pleasure but also for their work.

Others who would also be severely disadvantaged if the interlibrary exchange was ever halted would be the vision impaired who may have lost the ability to read but haven't lost the ability to enjoy a good book! The 'talking books' are also a great hit with the farmers during seeding and harvest and also with truck drivers.

Axing funding for the inter-library exchange would significantly reduce the size of the library collection available to people living outside Perth. The Australian Library and Information Association estimated 355,000 books travelled between the Perth metropolitan area and country libraries each year via the State Library courier service.

## INVEST IN PLANT TESTING

Call Tony Carew- Reid

0427 766 517

Dumbleyung  
Kent  
Lake Grace

Plants can tell us what's happening with nutrient supply from the soil.

In some seasons it's difficult because of poor growth (waterlogging, drought, chemical damage)

In a good season like this, rapid growth places demand on nutrients such as copper, manganese and potash.

So this year is a great year to plant test and get a true indication of your nutrient status and back up what we've learnt from soil tests.

Call me and we can work out a time.

# Rust Exhibition

Kerrie Argent

Don't you just love the colour of rust, the texture, the feel, the rust stains. Are you one of those people who get into trouble for stroking Robert Juniper's rust sculptures in the State Art Gallery, or simply admiring the rust marks and stains that appear on your water tank as it gets older and needs replacing,

The Lake Grace artist group next exhibition is all about 'RUST', the colour rust, the material rust, rusted steel, the prints of rust, photographs of rust, rusty sculptures.

The exhibition is to be opened at the beginning of September, so you have a couple of months to create work to be at the gallery by the 1<sup>st</sup> September 2016.

This exhibition is for all members of the Lake Grace Artist Group and all community members of the Lake Grace Shire. We are hoping to see some work come in from a wide cross section of the community.

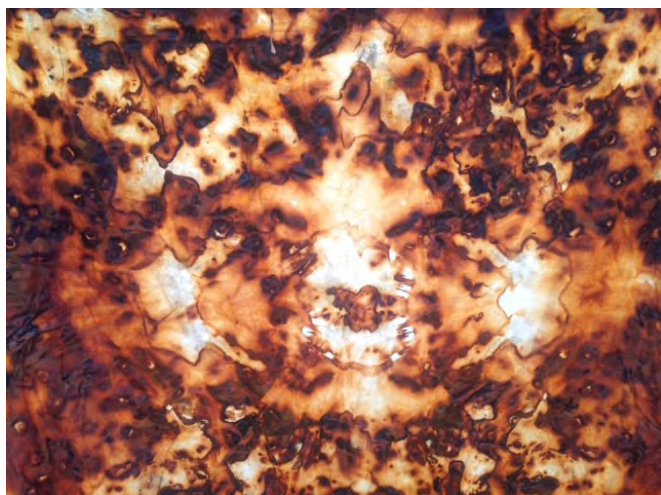

The only restriction for this exhibition is that it is made of rusty materials, represents rust, is the colour of rust, depicts rust, or utilizes the rusting process in some way and fits in through our art space door, of course unless you create something larger that can be installed in the street scape.

So crank up your welders and check out your scrap heaps you never know what can be created from all those wonderful treasures tucked away down the bush patch simply rusting away.

Check out Josh and Mark Pearce's sculptures at the front of the Lake Grace District High School to get you inspired, or Steve Wilson's tree made out of header pieces on the road into Pingaring, or Jordan Sprigg's sculptures on his Facebook page, all using rusty found materials from around farms and industrial off cuts. Tania Spencers large rusted sculpture next to Rosies waiting for a new home and installation. All fabulous work and great for inspiration.

The exhibition is not limited to rusty sculptures, It would be wonderful to see paintings, textiles, quilts, mix media, photographs. Paintings of rusty structures or purely the colour of rust, textiles printed with rust marks, or whatever you passion.

For further information ring Kerrie Argent 0447 791 399 or email [kerriearg@hotmail.com](mailto:kerriearg@hotmail.com)

**Rusted fabric.**

Your friendly local operator - nothing is a problem, only too happy to be of service.

For all your freight needs call:  
Rex on 0429 649 021 or  
Darren on 0428 651 339

# Septic Tanks, Water Tanks and Cranes

Amanda Milton—St John Ambulance WA Ltd -Project Manger

It may not have looked like it this past fortnight, but works are still busily progressing on the new St John Ambulance WA Ltd Lake Grace Sub centre.

While we did not achieve "lockup" by the 24th June, we are steadily working towards that next goal.

On Monday 4th July a 37 tonne crane capable of lifting 50 tonne was on site to lift the 20 metre long roof sheets onto the main floor roof and the 10 metre long sheets onto the garage roof. Oh... and just for fun we swung the crates containing the insulation over the whole main building from east to west.....because that's what you do if you have a big crane on site!

The roof sheeting arrived from Stratco on an extended truck under pilot escort. The truck is able to split in the middle of the tray and extend, and the end of the tray can also extend. Once the truck is unloaded it can shrink back to normal semi trailer size. Clever!

South Coast Cranes owner operator Arron Condren made the task of lifting the roof sheets onto the roof look easy. AK Homes Project Supervisor Matt Cooper and our very own Neville Moulden were in charge to make sure that the slings were positioned perfectly, for a precision touchdown on the roof purlins. Matt and Neville were much more assured about their work than the bystanders, who were more than a little nervous with just two slings holding the roof sheet packs somewhat flat.

Talking of bystanders, who would have thought that Mary Naisbitt was a crane fanatic? It was all we could do but hold Mary back from wanting to clamber up into the crane cab and ride home to Albany with Arron.

Roof sheeting in place, next up it was AK Homes sub contractors, Two Brothers Roofing, and the busy team of Luke Heywood, Nathan Lowe and Caleb Irving. Tuesday saw our intrepid (ex sub mariner) Luke and the team, insulate and install the garage roof (complete with guttering), the sheeting of the front verandah, and the commencement of the main building roof. By Wednesday the 6th July the roof was completed. No fuss, bang, and we're done.

But that is the glamorous part of the fortnight. Lets tell you about the all the hard work out the back of the building, that is somewhat less glamorous, but very important.

The main achievement in the last fortnight is the installation of water to the building, installation of all of the stormwater system, the installation of the 2 \* 23,000Ltr CBH "Grass Roots" sponsored tanks (they have arrived, been installed, and been paid for since last LLN, our thanks to Farmworks for donating the balance of \$588 that was owing over the \$5,000 grant funds by CBH), and most importantly the installation of the septic tank system, and pump over system to the main sewerage line behind the Sportsman's Club.

Trevenen Plumbing and their sub contractor S & L Trevenen worked in concert to dig lots of holes and

trenches, fill them with concrete objects and pipes, and then fill them in and compact them.

First job. Trench 40 metres and bring the water to the building. While you are at it, install conduit so that the telecommunications can also be run in the same trench, and you may as well install the garage roof stormwater system while you are there.

Second job, dig a hole big enough to put in one 1.50m diameter septic tank and two 1.2m diameter septic tanks. Lift the tanks into place, then compact them in.

Then, dig a trench 23 meters due south of the septic tanks, then dig 65m due east and link the 3 new septic tanks to the main sewer line via a submersible pump. While that is being done, install a new trafficable manhole at the junction of the Sportsman's Club and the new St John input line. (Our thanks to the Shire of Lake Grace for the new trafficable manhole).

If that was not enough, Tiger Spark Electrical were called to site to install power to the submersible pump and also to install a new power supply near the Sportsman's Club Concrete tank. This new supply will operate a pressure pump (gardens) and pressure washer for cleaning the ambulances. Thanks to the boys for getting to site at short notice to make best use of the open trenches.

The next stage was to trench across between the Sportsman's Club Tank (east of block) and the new CBH sponsored tanks (west side of the block). This will allow all 3 tanks to equalise and be able to be used by the new pressure pump.

Then we needed to dig 24 metres of stormwater from the new building, to the Sportsman's Club Tank, and then dig 18 metres from the building to the CBH sponsored tanks so that all the stormwater is captured on site.

Confused yet?? At each stage of the works, photographic records have been taken, and measurements have been scribed. This will mean that all of the stormwater, septic/sewerage water, power supply and telecommunications can all marked up on "as constructed" drawings.

Our sincere thanks to Trevenen Plumbing (Joe, Rohan and Mitch) and S & L Trevenen (Simon) for the efficient and diligent work, including the compacting of all trench lines so as not to compromise the new driveways that will be installed. (Yes Joe, Simon does make you look good!)

We would like to thank those members of the community who have ventured onto site to have a look around. The project team welcomes your visits, but we wish to remind all visitors that this is an active worksite. All visitors please make yourself known to the site foreman/supervisor, if you are on site during active work stages. At all other times please come and have a look but always be safety conscious.

# Bendigo Bank Visit Lake Grace

Suzanne Reeves

Following the closure of Westpac a meeting was held on Friday 1st July with representatives from Bendigo Bank to give interested parties an opportunity to ask a few questions about what was involved in setting up a new bank in Lake Grace.

Martyn Neville (Regional Manager), Alex Dickson (Community Banking General Manager), Tim Batger (Regional Manager Agribusiness WA) spent a couple of hours at the Lake Grace CWA; eager to answer questions that arose.

The decision for Lake Grace is whether they would want a stand-alone bank, an agency or become a sub branch of another branch, perhaps Kulin. If Lake Grace did establish a sub branch it could then become a stand alone as they grew and fully established themselves.

Bendigo Bank is the fifth biggest bank in Australia with all profits from Rural Bank (the agricultural branch of Bendigo) remaining in Australia. Kulin was the very first community bank in WA, setting up around 17 years ago. Bendigo pride themselves on their community involvement and support and the \$400k that they have given out in Kulin in the way of community grants is testimonial to this.

A community bank is a franchise of Bendigo Bank and has a Board of Directors. The volunteers who form this committee don't have access to private information, they are there to steer the ship. As the branch would come under the umbrella of Bendigo Bank all rules and regulations of banking practise are fulfilled.

A sub branch or agency could be up and running in months, however a full branch would take longer as capital would need to be raised. Bendigo Bank has 500 branches around Australia, 300 of these are community banks; they are proud of their record of never having closed a community bank. This fact alone is enough to give any regional community peace of mind.

A community bank gives the community empowerment, the opportunity to oversee the style of banking available within their own town. Sixty million dollars sees most bank branch businesses break even; this is not an unattainable target for Lake Grace. A branch does not make money from an everyday transaction account which sees money come in and money go out. The real money is in lending, term deposits, insurance and superannuation. Bendigo's Rural Bank currently hold 12% of the Agribusiness debt for WA, they would like to grow that to over 20%.

Questions were raised as to whether opening a Bendigo Bank branch could threaten the Bankwest branch and also how well a new branch would go when there was already an established bank in town. Bendigo Bank assured they weren't there to drive Bankwest from the community, simply fill the gap that Westpac had left. Bendigo Bank had set up in other communities where there was already a bank and all of those branches were still running. Martyn Neville felt that competition wasn't a factor, but it was vital for the

community to support the proposal.

A branch in Lake Grace would also be able to support satellite communities such as Newdegate by visiting them on a regular basis and providing a storefront for banking for anyone within their community and surrounds.

Bendigo has banking products for everyone; farming, business, families, children and non profit organisations. The thought of changing banks can seem bigger than Ben Hur, particularly when there are regular direct deposits or debits aligned with an account. Bendigo Bank's Alex Dickson assured those present that they would be able to help any customers through that process.

The next step for Lake Grace is to organise a public meeting where the community can decide what they want. From there they will elect a steering committee that will drive the project forward.

# Commemorating 100 Years of ANZAC

Allan Zweck

***Each of the soldiers listed on the Lake Grace Honour Roll will be featured in the Lakes Link News, as close as possible to 100 years from their enlistment. It is now 100 years, 2 weeks and 3 days since Stewart McKay signed up.***

**McKAY – STEWART:** Born at Ballater, County Aberdeen, Scotland, he enlisted in the Australian Imperial Force on 20/06/1916, at the age of 22 years and 9 months, naming his mother Eunice McKay of Cross Hill, Glasgow as his next of kin, his father having been deceased. He was 5 feet 5½ inches tall, (166.5cms.) and weighed 125 lbs, (56.8kgs.), was of a ruddy complexion with blue eyes and light brown hair, and gave his occupation as farmer.

His training was at Blackboy Hill, and he was appointed to the 8/5 Pioneers, stationed with the 73 Depot Unit, and after 3 months training he was promoted to Corporal, and moved to No.7, NCO school. Here he either received further training, or more likely, he became a trainer, (or both), and it becomes obvious his Company is involved with Engineering. After a month, he moved to No. 22 Depot, ten days later to No. 89 Depot, and then in a further three weeks, he was appointed to the 24<sup>th</sup> / 16 Reinforcements, still as a Corporal, and it is probable he was performing a training role during this period. On the 23<sup>rd</sup> of December, he embarked the *Berrima* at Fremantle, arriving at Devonport, England, on 16/02/1917.

On marching into the Pioneers Training Battalion at Larkhill, with the 5<sup>th</sup> Pioneers Battalion, Corporal McKay's rank reverted back to Private. The next day he was made Engineer Division Pioneer Sergeant, (E.D.P. Sgt.) and three weeks later, E.D.P. Corporal, as from 6/03/1917. Two weeks later E.D.P. Corporal McKay was detached for duties to Parkhouse No. 3 Camp. It is most probable that these changes in rank, and periods of service in different places was to do with a role as Instructor or Tutor. Three months later, McKay's rank reverted back to Lance Corporal at Fovant, and a month later he was transferred to Engineer Details, Brightlingsea, at Fovant, where his rank again reverted back to Private while on the march. From here he was 'taken on strength', with Engineers Field Duties.

Some weeks later, on 2/9/1917, Lance Corporal Stewart McKay was accused of the crime of being absent without leave from midnight to 8.30 am, (8½ hours), so he was reduced to the Australian rank of Sapper, by Major Cutler, and had to forfeit one day's pay. On 31/10/1917, Sapper McKay was posted overseas to France from Southampton, after marching in from the Australian General Base Depot, where he was 'taken on strength' with the 5<sup>th</sup> Field Company Engineers at Rouelles, on November 3<sup>rd</sup>. Three days later, he was in the Field in Belgium, where he served for a lengthy period of over three months, before having to be admitted to hospital in Belgium, sick, with scabies. A week later Sapper McKay was discharged from

hospital, and rejoined his unit.

On 18/3/1918, Sapper McKay was detached from his unit to the 4<sup>th</sup> Australian Field Brigade, for duty. After a lengthy period of seven months duty, Sapper Stewart McKay went on leave to the United Kingdom from France for a little over two weeks, before rejoining his Company in the battle Field.

The War was drawing to the end, only a week or two away from the Armistice, but Sapper McKay remained in the Field for another three months, and was detached from his unit on 27/2/1919, and attached to the 7<sup>th</sup> Field Company for duty. On the 20<sup>th</sup> of March, Sapper McKay returned to the United Kingdom from France for Industrial Employment.

On 1/4/1919, Sapper Stewart McKay was granted leave for three months. He spent time in the north of Scotland at the Agricultural College, Aberdeen, where he involved himself in farming, and after a further extension of leave, he attended the Aberdeen University, also with a farming interest. When his leave was over, he reported back to headquarters in London, where he was soon to embark the Horse Transport, *Plassy* for the return trip to Fremantle, and disembarked on 25/11/1919. Sapper Stewart McKay received the 1914/15 STAR, the British War Medal and the Victory medal. He gave his religion as Presbyterian, and his regiment number was 3305.

## Commemorating 100 Years of ANZAC (cont.)

Before going to the War, Stewart McKay had taken up a block of land north of Lake Grace next to Jack Marshall's, and the pair teamed up and lived and worked together, sharing equipment to the advantage of each other in developing their farms. Jack also wished to go to the war, but was unfit, so he watched over Stewart's farm in his absence.

While Stewart was still in England, he became engaged to Constance Thompson who was from a family of 14, having met her manufacturing ammunition. She took him home to "Kilmore", County Tipperary, Ireland, to meet her family, where they found him to be a very intelligent fellow. It is believed that in about 1920, her father paid for her and her sister Mabel, both of them nurses, to come to Australia so Constance could marry Stewart, and they then named their farm "Kilmore". It was not until 1923 that the partnership arrangement with Jack Marshall changed, and to establish a value and sort out the machinery, they held an auction, where each partner bought back the gear they wanted. When Cecil Huggins wished to leave his farm nearby, he sold on terms which enabled Stewart to expand his farming operation.

Stewart McKay was active in Community affairs. He was secretary of the Lake Grace Agricultural Show committee, and the local Race committee, and he was a member of the first Lake Grace Roads Board, begun in 1923. At Community functions he was often available with an item (including the Burns Club), and contributed with Scottish recitations or songs, a la, Harry Lauder, which received a hearty reception, Constance was also very musical. The McKay's had three children, Betty, Fergus and Peter. Sadly, Constance passed away at a young age in 1941. Later, Stewart married again but the marriage did not last. Stewart McKay left the Lake Grace District in the early 1950s, which is most likely when he became an accountant for the State Housing Commission. He died in 1960 at the age of 67 years, and is buried in the Karrakatta Cemetery.

# Commemorating 100 Years of ANZAC

Allan Zweck

**Each of the soldiers listed on the Lake Grace Honour Roll will be featured in the Lakes Link News, as close as possible to 100 years from their enlistment. It is now 100 years and 4 days since Francis Griffiths signed up.**

**GRIFFITHS – FRANCIS AUSTIN:** Born at Gladstone in South Australia, in June of 1898, he enlisted in the Australian Imperial Force a month after his 18<sup>th</sup> birthday, on the 3<sup>rd</sup> of July, 1916. He was a farmer, and at a height of 5 feet 8 ½ inches, (174cms) and weighing 140 lbs (64kgs), he had a fresh complexion with brown eyes and brown hair. His address was given as "Collingrove", Bullock Hills Road, East Wagin, and his parents' signature, father George Henry and mother Harriet May Griffiths, had to be witnessed, allowing him to enlist, a requirement due to his young age. His training was at Blackboy Hill, being assigned to the 7<sup>th</sup> Reinforcement/51<sup>st</sup> Battalion, and during this period he had a lengthy sickness of 17 days with measles. It is also noted that Private Griffiths did not wish to make a will.

It was on the 9<sup>th</sup> of November 1916 when Private Griffiths embarked the *Argyllshire* at Fremantle to proceed to England, and he disembarked at Devonport on 10/1/1917 and was immediately admitted to the group hospital of the 13<sup>th</sup> Training Battalion, Codford, suffering from bronchitis, and on his recovery a week later, continued his training there. On the 19<sup>th</sup> of March, he proceeded overseas from Folkestone, to France, from where they marched in to Etaples to the 4<sup>th</sup> Australian Divisional Base Depot. About a month later he was taken on strength, which brought him right into the battlefield, where the 51<sup>st</sup> Battalion had been holding the line on the Western Front for some months. However, his service only lasted another two months, until the battle of Messines, when he was killed in action in Belgium, at the age of 19 years, on the 10<sup>th</sup> of June 1917.

Private Griffiths was buried just SW of Messines, in the **Messines Ridge British Cemetery**, Memorial plot, Row B, where a cross with all details marks the sight of the Late Soldier. Francis Austin Griffiths's name is located at **panel 152** in the Commemorative Area at the Australian War Memorial. Also buried next to him in the same row, were three more soldiers of his Battalion who were killed in the same incident. The effects of the late soldier were returned, ex the "*Ulysses*" to his father Geo Griffiths, while it was four years before he received the Memorial Scroll and Memorial Plaque. His medals, the 1914/15 STAR, the British War Medal, the Victory medal, and King's message had been sent earlier. The late Private Griffiths was of the Church of England faith; service No. 2912.

Following Private Griffiths death, the Red Cross Society released files of three 'witness accounts' of the incident;

- I knew Griffiths fairly well. We often had a talk. He was in the same reinforcement, the 7<sup>th</sup> and his

number would be about right for that re/inf. There was no other Griffiths in that re/inf. He was a dark short man, rather thin, age about 22, clean shaven, regular features. Near Battalion Headquarters at Messines a shell, about June 8<sup>th</sup> or 10<sup>th</sup>, killed six, including Griffiths. I saw this happen. He was killed instantly and I was at the spot two hours after. It was extremely bad luck, as it was very unusual for a shell to get near that spot. The cemetery was 2 or 3 miles away and I think the body would be taken there. *Info, Private Agren, No.3015.*

- Griffiths, Bridson, Corporal Henry and another whose name I cannot remember, were killed and four wounded by a shell in a shell hole at the back of Battalion Headquarters at Messines, the 9<sup>th</sup> got out and told us. I saw the bodies of the 4 who were killed. They were buried in the vicinity of the shell hole where they were killed and a cross erected with the 4 names on it. *Info, WH Smart No.2987.*
- It was well known in the Battalion that Griffiths was killed by fire at Messines. He would have been buried. Another man Jackson was killed by the same shell, both killed outright. This was back near Headquarters. He was a very nice lad, quite a boy, a good boy. *Witness, H Rumbold, No.2973.*

Before Francis Griffiths went into Camp, he had a clearing sale at Jalaran, on his farm. Elder Shenton & Co advertised having been favoured with instructions from Mr F Griffiths, who is leaving shortly to join the Australian Imperial Forces, to sell by public auction, date - 22/03/1916. It was a fairly complete farming plant, including 200 ewes and lambs, 4 weaners, 3 sows, 4 horses and horse works, plough, disc cultivator, disc drill, chaffcutter, buggy, sulky, tip dray, and many useful sundries. Also, up-to-date household furniture, sideboards, couches, American leather dining suite, bedroom suite and kitchen utensils and numerous sundries. He was so well established, and gave it all up; one cannot help be astounded at the sacrifice Private Francis Austin Griffiths made for his country!

# 2015-16 Lake Grace Lions Presidents Report

*Arthur Slarke*

Period from 20<sup>th</sup> June '15 to 23<sup>rd</sup> June 2016.

Good evening.

Lions have had a busy year when I look back over the past 12 months.

The winter job has mainly been manning the ticket box for the local winter sport days. – and for the 2<sup>nd</sup> year in succession Lions did the same plus cleaning of the change rooms for the Great Southern Colts Carnival held here in Lake Grace.

Unfortunately this year, Lions lost a valuable member in Henk Doelman. Henk passed away on 5th September '15. At his funeral on the 24<sup>th</sup>, Lions and the Ambulance crew formed a guard of honour for his service to both organisations. Zone Chairman Lion Haydn McGuinness from Kulin also came over to pay his respects to the life of Henk. This was the 1<sup>st</sup> of 2 visits to the Club by the ZC Haydn.

Later in the year, Lions had a dedication ceremony at Lions Park where a plaque in Henk's honour was unveiled before a group of his family, friends and Lions members.

Following the dedication, the majority of those attending gathered at the Lakes Village Hall for the Lions Christmas Party.

The Newdegate Field Days saw the setting up of The Lions Hearing Van once again. The van was operated by the husband and wife team of Eric & Anne Smith and assisted by LG Lions. The Smith's were hosted by Nick and Laure-Anne Maalouf.

There being such a steady demand from the public to have their hearing tested, the Hearing van will return to the Field Days again in 2016.

On the 1<sup>st</sup> weekend of October Lions hosted 13 John Curtin University weekend volunteers and bus driver Dave Lord. The volunteers spent Friday and Saturday nights at Ollie's Saltbush Inn while Dave accepted the hospitality of Lion Wally Perry.

The volunteer work allocated to the visitors (with co-operation of the Shire) was the sealing of the Lake Grace town entry statement rammed earth walls. For recreation, Lions put on a meal for them at the LG Hotel on Saturday night. On the following day, before their lunch and departure the JCWV's walked the business district of the town, visited the Art Space, inspected Alan Zweck's MV model collection, toured the AIM hospital and on the way home Darren Spencer had organised for the group to witness a shearing shed in operation. By all accounts the students enjoyed their weekend. The catering department of Lions ladies and a couple of the blokes based at the Lakes Village Hall made sure our visitors did not go hungry while they were here – no way!

Lions decided not to invite the volunteers back for 2016.

Members felt as though we needed a break for a year or so. The reason being it is becoming harder to find a worthwhile project for them to carry out, also the Lions as hosts are looking to recharge the clubs energy stocks.

District Governor Allan Cooper and Wendy visited our Lions club for a Ladies night/partner on 12th November. Lions gave them a fitting welcome by turning out in respectable numbers.

The DGs theme was about celebrating this, the Lions Centennial Year. There was an exchange of bannerettes between DG Allan and President Arthur. There was a 40 year Lions membership chevron to present to Maurice Nolan. Due the fact Maurice wasn't at the occasion, the chevron was duly presented to Maurice in private at a later date by myself.

Leading up to Christmas Lions had a hand in sending out Santa Letters. I am sure the result was a thrill for many young recipients. Christmas cakes were again a good seller at that time of year.

The big event of the year is the Australia Day Breakfast when Lions do the catering and cooking. 2016 was as big as ever with some 212 people having reportedly passed through the turn style.

Lions members and partners were almost in full attendance to make sure everyone got fed.- Thanks for the turn out Lions.

At the breakfast Lions launched the Medical Emergency Information Booklet. The public can buy them for \$2 each. Currently the MEIB are for sale at the local Pharmacy.

The money the public donated at the breakfast was nominated by Lions to be paid to the Lake Grace P & C to assist the school to send eligible students on their Camping Trips.

Finally, membership: We had a resignation (Jacquie) this time last year. With the passing of Henk, the numbers at the time of the DG visit in November were 15 Lion members, including Life member Alan Thiel. More recently Grant has ceased to be a Lion, opting instead to concentrate on becoming a fully qualified ambulance officer. We are pleased to have one new induction in recent months that being Shashi Holla on 14 April '16. Membership still stands at 15.

I have enjoyed my year as President.

I found there was always good co-operation to meet the task at hand from office bearers; Secretary Nick Maalouf and Treasurer Neville Moulden. In fact all members have been willing and co-operative when they've been available to assist. Thanks for that.

To Lions partners, thanks for supporting your Lion during the year- even if only because you have a break from cooking tea approximately every 2<sup>nd</sup> Thursday.

## 2015-16 Lake Grace Lions Presidents Report (cont.)

Special thanks to Glenda for her help.

Neville had the extra responsibility this year with the closure of the local Westpac branch. All our accounts have now been transferred to Bank West.

To the Sportsman's Club; thanks for allowing Lions to use this venue throughout the year. It's been a good base for the Lions Club over the years.

To Mrs G's catering thanks Nat for the lovely meals served at each Lion's dinner meeting.

Treasurer Neville will provide a rundown of LGLC donation program for the past year. A couple of fundraisers include the sale of Mints and advertising space on the Lions Business Calender.

Yours in Lionism, Arthur Slarke. LGLC president 15/16.

# Census is Coming

## Media Release

As Western Australia advances closer to the 2016 Census of Population & Housing night on **Tuesday 9 August**, the Australian Bureau of Statistics (ABS) is finalising its plans to reach more than 2.3 million people and 960,000 households (2011 Census) across the state.

The Tuesday, 9 August Census is predicted to be the largest ever online event in Australia's history, with two-thirds of the population expected to complete the form online, helping to make this Census the most efficient, cost effective and environmentally friendly ever.

Census State Director David Waymouth said it was exciting to see the enormous operation beginning to take shape after more than four years of planning. "We've recruited about 39,000 extra staff and built the systems in anticipation of millions of people logging on to their computers, tablets or smartphones to complete the Census. It will be our moment to pause and play a part in helping shape the future of Australia's education, health, transport and infrastructure," Mr Waymouth said.

"Over its 105 year history, the Census has helped to guide trillions of taxpayer dollars to every corner of Australia, so everyone has an interest in making sure they're counted, ensuring Australia remains a world leader in Census participation and accuracy." Over the next two months the ABS will participate in events around the country to promote the Census and answer questions about how the Census will change in 2016.

"From late July to early August the majority of households across the country will receive a letter from the ABS, addressed 'To the Resident', Mr Waymouth said. "The letter will include a unique login code and instructions on how to complete the Census online. "For those people who can't complete the Census online or wish to complete a paper form, this can be easily requested.

"The Census is compulsory and can be completed securely in around 30 minutes for one person. It's an easy way for Australians to take a moment and make a

difference, so remember get online on August 9." follow the Census on Facebook and Twitter.

To view the 'Making Sense of the Census' animated video series visit the CensusAustralia YouTube channel.

## Background information on the 2016 Census of Population and Housing

Data collected from the 2016 Census will support funding decisions for services and infrastructure including housing, transport, education, industry, hospitals, and the environment.

Data from the 2011 Census revealed that Australians come from more than 200 countries, speak more than 300 languages, belong to more than 100 religious groups and work more than 1,000 occupations.

In Western Australia the most common language spoken at home other than English is Italian (31,447), 41.4 per cent of people have both parents born overseas and the third most common job is a truck driver (17,431). What will the 2016 Census show?

# Perennials for profit forage shrubs & sandalwood support program

Wheatbelt NRM is offering seedling and expert support to help farmers incorporate forage shrubs and sandalwood into their farming systems.\*

- *diversify your income*
- *feed your livestock*
- *improve your soil*

Successful applicants will receive approximately a quarter of the cost for up to 20,000 seedlings, as well as one-on-one support from Wheatbelt NRM staff and your own peer mentor.

To express interest in taking part in the support program, visit our website for program guidelines and application forms, or contact our office directly.

[www.wheatbeltnrm.org.au/seedling-support](http://www.wheatbeltnrm.org.au/seedling-support)

**Applications close: 16th July 2016**

\* Applicants must be from within the Avon NRM Region.

If you've already been successful with forage shrubs and sandalwood at your place, we'd also love to hear from you. We're seeking peer mentors to share their knowledge and experience with other farmers. Register your interest below.

## CEO's Corner

### Newdegate Rejuvenation Committee

#### Newdegate ILU's

At its 27 June 2016 meeting, the Newdegate Rejuvenation Committee resolved to name the four unit development "Arbury Estate". Arbury Estate, in Nuneaton Warwickshire England, is the family home of Sir Roger Newdigate (Newdegate), who inherited the Estate in 1734, after whom the town of Newdegate is named. The property remains in the family and is now the home of 4th Viscount Daventry. The Estate currently comprises of Arbury Hall, park and immediate surrounding farms and includes a mixed portfolio of let residential properties including the majority of Astley village and a commercial estate.

It was further resolved at the meeting to use local flora to name each of the four units. The selected names are Acacia, Melaleuca, Hakea and Grevillia. A name plate on each unit will include a sketch of the flowering plant.

#### Newdegate Hall

With the completion of the "Well Aged" Units and the Lesser Hall upgrade, the Committee is now seeking comment on the future development of the Newdegate Hall and old medical centre. Over recent years there have been a number of suggestions put forward, namely:

Retain but re-clad (remove the asbestos) and use the Hall for

- Art Centre;
- Men's Shed;
- Other???

or,

- Demolish the Hall and use the space as a grassed area for residents of the Units and as a green space entry to the town.

The Committee notes that the relocation of the "old station" building to the Recreation reserve has seen the annual Anzac Service event also move to that location. Moreover, activities undertaken in the Hall could be accommodated within the Recreation precinct. With building maintenance costs escalating and impacting on both general and SAR's rates, one needs to ensure that

all buildings and facilities are delivering value for electors/ratepayers.

The Committee seeks your comments on the future use of this facility, you can send your comments to the Shire by letter or email ([shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au)) or you may wish to discuss this with your local Councillor (Crs DeLandgraft, Armstrong or Lloyd) or Committee Member (Lyn Ellard, Judy Walker, Diana Gosling or Anne Rintoul).

### Citizenship Ceremony

I would like to congratulate Mrs Anna Scheepers from Varley on obtaining her citizenship at a Citizenship Ceremony held on Wednesday, 22 June 2016 in Council Chambers prior to the Ordinary Council Meeting.

**Pictured above: Nicola Slabbert, Anna Scheepers and Shire President Jeanette De Landgraft following Anna's Citizenship Ceremony.**

### Budget 2016/17 Continues

The first budget workshop, held 15 June 2016, looked at community funding requests and what is likely to be the Shire's highest commitment to road construction and repairs in any one year thanks to a sizable increase in the Commonwealth's Roads to Recovery funding.

*Continued over ..*

## Shire of Lake Grace Community News

PO Box 50, Lake Grace WA 6353 | Ph: (08) 9890 2500 | Fax: (08) 9890 2599 | Email: [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au)

### *CEO's Corner continued*

On Wednesday, 29 June 2016 Council held a second workshop that:

- looked at elected members fees being set in accordance with the range determined by the Salaries and Allowances Tribunal;
- prioritised road works following feedback from councillors;
- reviewed insurance cover and maintenance requirements for staff housing and public buildings; and,
- assessed plant and equipment requirements for the coming year.

### **Organisation Restructure**

As you may be aware, during 2015/16 Council endorsed a staff restructure that has resulted in the position of Manager Community Services being discontinued. By redirecting some of the savings secured by the restructure the Shire has been able to increase staff resource in areas that have experienced greater demand, in particular asset management, and financial management.

The newly appointed Visitor Centre Coordinator, Jo Morgan and Letisha Marshall, Swimming Pool Manager will have more opportunity to determine the day to day activities of those services. The position of Executive Officer (Jeanette Bennett) will liaise with community organisations and provide support and advice as required in regard to development within the Shire. Natasha Bowman, Council's Governance and Support

Officer, will be responsible for Council meeting coordination, agendas, councillor support and governance matters such as Council and Committee minutes, maintenance of policy, delegations and gifts registers amongst other responsibilities.

Community Services Officer, Cheryl Chappell will continue in her role, under the supervision of the Deputy CEO, (when appointed) continuing to provide services to the Shire communities and those opportunities that may arise from the upcoming review of the Strategic Community Plan later this year.

Following the restructure, former Manager Community Services, Lee Holben completed her term of contract on 1 July 2016. On behalf of the Shire, I wish to acknowledge the contribution Lee made to the improvement of community services provided by the Shire over the past four years and wish her well with her future endeavours.

### **2016 Queens Birthday Honours List**

Congratulations to Margaret Sullivan of Varley on recently being awarded a Medal (OAM) of the Order of Australia in the 2016 Queen's Birthday Honours List.

Having been involved with CWA at local, state and international levels over many years, Margaret has been recognised for her service to women and to the community.

On behalf of the communities of the Shire of Lake Grace, congratulations and well done Margaret.

*Neville Hale*

**Chief Executive Officer**

### **New Shire Trucks**

**Two new Mack prime mover trucks were delivered to the Shire Depot on Thursday 30 June.**

**You will see them around the Shire with the tip trailer behind.**

### Termite Attack – Lake Grace Townsite Trees

The Lake Grace Tree Planting Group is a group of volunteers interested in maintaining the tree canopy and native vegetation in and around the Lake Grace Townsite.

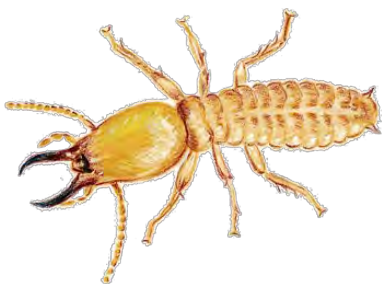

At a recent Group meeting, members revisited the Lake Grace Conservation Project Planting Guide which was developed as a result of the 2006 floods and identifies sites and species for areas in and around the Lake Grace townsite and cemetery.

National Tree Planting Day is scheduled for 29 July 2016, and members wished to undertake some tree planting at two or three sites within the Lake Grace townsite.

During discussion, it was noted that there are trees on Shire property around town that are impacted by termites and in need of treatment.

The Group calls upon local townsite residents to identify termite affected trees on Shire land near to their homes and notify a group member of the location. The Group can then work with the Shire to mitigate further damage and loss of trees.

Group members include: Suzanne Reeves, Michelle Slarke, Mary Naisbitt, Elsie Bishop and Annie Slarke. You can also notify the Shire via the front desk.

As of this week we farewell Manager of Community Services Lee Holben.

Lee has worked for the Shire for the past four years and will be missed in the office, around the community and at all community meetings.

During her time at the Shire Lee has shared her wealth of knowledge with us all and we wish her all the best for the future.

### Banners in the Terrace 2016

Pictured is this years Shire banner entry into WALGA's 'Banners in the Terrace' Competition. The banners will be on display along St Georges and Adelaide Terraces in Perth CDB during Local Government Convention in August.

The theme for 2016: Local Impact

Well done and thank you to the Lake Grace Artists Group who have produced this years banner for the Shire of Lake Grace.

The banners will be on display from Sunday 24 July to Saturday 6 August, if you're in the city take a drive down the terrace and look at the wonderful display of Shire banners from all over the state.

## Request for Tender

RFT 033/13

Panel of Suppliers of Road Building  
Materials and Related Services

WALGA is seeking Tenders to enhance our Panel of Suppliers for Road Building Materials and Related Services for WALGA members.

Request for Tender documents are available from [www.tenderlink.com/walga/](http://www.tenderlink.com/walga/). Further information in regards to this Request for Tender can be obtained from Craig Grant (08) 9213 2037.

Tenders must be submitted electronically via the WALGA Provider Portal. Information on portal access is provided within the Request document.

The Deadline for Tenders to be submitted is Thursday, 14 July 2016, 3.00PM WST.

RICKY BURGESS

Chief Executive Officer

Public Notice  
Adoption of Local Laws

The Council of the Shire of Lake Grace resolved on 18 November 2015 to adopt the following local laws:

- Local Government Property Local Law 2015;
- Standing Orders Local Law 2015

The purpose and effect of the local laws are as follows:

**Local Government Property Local Law 2015**

**Purpose:** To regulate the care, control and management of all property of the local government except thoroughfares.

**Effect:** To control the use of local government property. Some activities are permitted only under a permit or under a determination and some activities are restricted or prohibited. Offences are created for inappropriate behaviour in or on local government property.

**Standing Orders Local Law 2015**

**Purpose:** Is to provide the rules for the conduct of meetings of the Council, Committees and electors.

**Effect:** To result in:

- the orderly and effective conduct of meetings;
- greater community understanding of the meeting process;
- better decision making by the Shire; and
- better outcomes from decisions made.

A copy of the adopted local laws may be inspected at or obtained from the Shire of Lake Grace Administration Office at 1 Bishop Street, Lake Grace 6353 during business hours 8.30am to 4.30pm or via the website [www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au).

The local laws were gazetted in the Government Gazette on 21 June 2016 and will come into effect on 5 July 2016.

Neville Hale  
Chief Executive Officer

Public Notice  
PROPOSED LOCAL LAWS

Notice is given that the Shire of Lake Grace proposes to make the following local laws:

- ✦ Animals, Environment and Nuisance Local Law 2016;
- ✦ Cemeteries Amendment Local Law 2016; and
- ✦ Health Local Law 2016.

The purpose and effect of each of the local laws is as follows:

**Animals, Environment and Nuisance Local Law 2016**

**Purpose:**

To provide for the regulation, control and management of animals and the prevention of environmental damage and nuisances within the District.

**Effect:**

To establish the requirements with which any person keeping animals, or undertaking activities that have the potential to impact the environment or create nuisance must comply.

**Cemeteries Amendment Local Law 2016**

**Purpose:**

To amend the *Shire of Lake Grace Local Laws Relating to the Lake Grace, Newdegate, Lake King and Varley Public Cemeteries* to correct errors in the adoption of the Shire of Lake Grace Cemeteries Amendment Local Law 2015.

**Effect:**

To delete clause 1.2(3) and amend clause 6.1(1) of the *Shire of Lake Grace Local Laws Relating to the Lake Grace, Newdegate, Lake King and Varley Public Cemeteries* to ensure an appropriate interpretation of the local law.

**Health Local Law 2016**

**Purpose:**

To provide a statutory means to effectively control issues that have the ability to adversely impact on the health and well being of the community.

**Effect:**

To allow health related issues to be sufficiently controlled so as to provide an acceptable standard for the maintenance of public health in the community.

A copy of the proposed local laws may be inspected at or obtained from the Shire of Lake Grace, 1 Bishop Street, Lake Grace 6353 during business hours 8.30am to 4.00pm or via the website [www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au).

Written submissions about the proposed local laws may be made to the Chief Executive Officer, Shire of Lake Grace PO Box 50 Lake Grace WA 6353 by Friday 5 August 2016.

Neville Hale  
Chief Executive Officer

## Experienced Ag Parts Person – Lake Grace

Greenline is looking for an experienced agricultural parts interpreter to join the team at our Lake Grace branch.

We are a major John Deere dealer with 6 locations in the South West and Great Southern and we represent a number of major Ag Equipment Manufacturers.

The successful applicant will have:

- Previous experience in a Parts Department in the areas of Ag Equip, parts interpreting skills, inventory purchasing, stocking and invoicing
- Excellent customer service focus
- High level of attention to detail
- Computer literate with demonstrable intermediate knowledge of Microsoft Office 2007+
- Solid organisational, interpersonal, analytical and communication skills

A competitive salary package will be on offer for the right person. Greenline encourages career development through training opportunities for all its employees.

If you believe this position suits you and your desire to be part of a small team, please apply by email to [hr@greenlineag.com.au](mailto:hr@greenlineag.com.au)

## Little Dockers at Domain Stadium

*Jacqueline McGlinn*

On 18th of June a few year 7 boys from Lake Grace Pingrup Junior Football went to Perth with OJFA to play at half time at the Fremantle Dockers vs Port Adelaide game.

Brady McGlinn, Lachlan Younger and Cade Moore charged the field to take on Bassendean Junior Football Club wearing the colours of the Fremantle Dockers.

The three boys showed good skills on the Domain ground with Brady kicking the football that bounded every direction then finally going through for a goal, Lachlan doing great work in the ruck and Cade standing strong in the backline with some great tackles.

The OJFA boys and one girl coming out winners over Bassendean.

They then got to line up for the Dockers to run back through onto the ground after half time break getting high fives from a few players. Following this they walked back around the ground to the raceway stopping for photos then into the change room where the boys were lucky to have Harley Bennell come and talk to them and answer questions and have photos with him. A good way to end their experience of being at Domain Stadium and a AFL game.

The three Lake Grace boys really enjoyed being out there and had a lot of fun, so well done to them all. To top off a wonderful Saturday the Fremantle Dockers come out with a great win.

**Lachlan Younger, Cade Moore and Brady McGlinn in the raceway at Domain Stadium with other Ongerup Junior Footballer's.**

**IF I GAVE YOU \$50 WHAT WOULD YOU SPEND IT ON?:** I would save the money.

## Lake Grace Pingrup Hockey Club

*Taryn Borgward*

### LGP HC 6 defeated Boxwood Hills 0

With all the byes out of the way it was time to dust off the sticks and get back to hockey. We played an awesome team game with all the Girls contributing evenly across the field.

Play of the Day went to Lyn - who stole the ball while at full pace with all the grace and time in the world.

A huge thank you to Brad O'Neill who at the last minute picked up and whistle and umpired. It was much

appreciated.

Arelene and Yasmine also recently represented the Ongerup Association at Country Week. A great time was had and the hockey wasn't too bad either.

With one more week off - then we can attack the final round. See you all in Jerry.

Best on Ground: Lyn Carruthers

Team Player: Billie MacTaggart

## Lake Grace Pingrup Junior Hockey Club

*Missy Clifford*

### **Round 9 - Newdegate (0) v's Lake Grace Pingrup (7)**

This was a game we were confident in winning and a chance to try and increase our percentage. That's exactly what we did! We dominated the field and passed the ball confidently among our teammates with lots of shots on goal, resulting in seven goals and narrowly missing at least four!

**Coaches Awards:** Jonty Robinson and Jake Cameron

**Goal scorers:** Jonty Robinson 4, Jason O'Neill 2, Jai Clifford 1.

### **Round 10 Lake Grace Pingrup (2) v's Boxwood Hill (0)**

This game was a must win if it meant we got to climb the ladder but it was also dependable on Borden v's Gnowangerup! The kids were ready for the challenge and the succeeded in every aspect, once again dominating the field, stick skills, possession and team work which is their highest strength. Nil all at half time but they came away with a 2 nil win which secured my amazing team into second spot on the ladder, matching the senior team. Go Lake Grace Pingrup...from strength to strength. Enjoy your hols and I'll see you on the second week Thursday at 2pm for training.

**Coaches awards:** Josh Cameron and Lewis Garard.  
**Goal scorers:** Troy Murray and Shenae Harradine.

## New WA Award and Minimum Pay Rates Now Available

### Media Release

Wageline has updated the minimum rates for award-free employees and the pay rates in Wageline's WA Award Summaries.

The new wage rates apply from the first pay period or after 1 July 2016. The state minimum wage for adult award-free employees will increase by \$13 to \$692.90 per week. Adult pay rates under state awards will also increase by \$13. Junior rates will increase proportionately.

Until 1 July, both the current (pre 1 July 2016) WA award summaries and minimum rates and new summaries and rates will be available on Wageline's website. After 1 July, the old rates will be removed, but will be available by contacting Wageline on 1300 655 266.

View the new WA Award Summaries containing post 1 July 2016 rates and the new minimum rates for award free employees now on the 2016 WA Award Summaries and Minimum Pay Rates page on Wageline's website.

This year, Wageline's WA Award summaries have a new look and format. The updated and enhanced award summaries will continue to provide employers and employees with a snapshot of pay rates and key

employment conditions in the relevant state award, as well as critical information for employers on obligations on other state employment laws such as long service leave and employment of children.

From 1 July Wageline will maintain 35 WA Award Summaries which will cover a broad range of industries and occupations in the state industrial relations system. Full copies of all state awards will remain available on the Western Australian Industrial Relations Commission website.

### Increases in location allowance in some WA awards

Many WA Awards require employers to pay an employee working in certain regional towns a location allowance to compensate for the additional cost of living, climatic discomfort, and isolation in these towns.

The location allowance payable for each town will increase from the first pay period on or after 1 July 2016. The new rates are available on the Location allowance for employees in regional areas page of Wageline's website.

# Lake Grace Golf Club Notes

Craig Reeves

Saturday 25<sup>th</sup> of June was the late Grace Men's Open Day.

Waking up to the sound of rain on Saturday morning I thought this will blow over pretty quickly, driving out to the golf course at about 10 o'clock I was hoping that this rain was not going to put off a few people but to my pleasant surprise not one person pulled out. Having just under 50 players take to the course for the day. It stopped raining about five minutes before we were due to hit off and did not rain again all afternoon. Many helpers assisted in the day running smoothly. Many comments were heard during the day about how wonderful and green and lush the golf course is.

Sponsors of the day were Lake Grace Plaza, Maalouf Ford, and Lake Grace Farmers Centre.

The Open Day was well supported by every club in the Association and also by visitors from outside of the Association. By the end of the day there were some great scores in, with around seven players playing to or breaking their handicaps.

Winners for the day were Tim Adams and Paul King from Kukerin on a count back with a score of 50 points. Runners-up for the day were Greg O'Neil and Tony Ibbotson from Hyden also with a score of 50 points. Steve Wilson and Evan Wyatt from Pingaring were close behind on 49 points. Fourth were Barry and Scott Gray also from Kukerin with 47 points.

The Gross winners of the day were S McLean and I. Richardson with 31 points from Lake King. Sweep winners were D Palmer and R. Silver first, second was S. McLean and N. Maalouf, third was G Smith and J Adams.

Novelty winners for the day were:

- 1 Long drive 19/36 handicap was Shane.
- 2 Best second was Matthew Spurr.
- 3 Best second was Webby.
- 4 NTP Barry Rick.
- 5 Best third Ian Richardson.
- 6 NTP Ian Richardson.
- 7 Longest putt Ron Silver.
- 8 Best second Mike Clark.
- 9 Best third Marty French
- 10 Long drive for all was Ian Richardson.
- 11 long drive 0/18 handicap was Ian Richardson.
- 12 Placement shot was Joe.
- 13 Best third Darren Kirby.
- 14 Best second Steve Wilson.
- 15 NTP Matthew Spurr.
- 16 Best second Marty French.
- 17 Longest putt was Lackey.
- 18 NTP Wayne Byrne.

Sunday, 3 July was a par event sponsored by Landmark Lake Grace.

This looked like it was going to be another wet day. Sitting in my car outside the clubhouse just before

midday with the heaters going I was thinking to myself, I hope nobody else turns up so I can go back home. Then along came a few players prepared to brave the cold weather and I thought "you bummer we're going to have to play!"

By about 12:30 the weather had cleared up although it was still bitterly cold. A small but dedicated field of golfers took to the course, with some surprisingly good scores considering the weather. By around 3:30 in the afternoon the scribe's ears and nose were starting to freeze as the cold weather really started to bite. Winner of the day was the captain himself with a +1, runner-up was Chad Stanton with square. Visitor Tim Dowdell also had a score of square.

Birdie hole was spun and number 13 came up, jackpots again.

Longest putt number nine was won by Chad Stanton. Long drive for the men on number 10 was Tim Dowdell.

NTP number four was won by Marty sponsored by Elders insurance thanks to Justin Wright. Nearest the pin number six, won by Tim Dowdell sponsored by the Lake Grace Road House.

NTP number 15 was won by Chad Stanton sponsored by the Lake Grace Post Office. Nearest the pin number 18, won by Tim Dowdell sponsored by Lake Grace CRC.

Upcoming events:

Next week is the Presidents Day. Stroke round-qualifying round.

Also coming up on the calendar is the Varley Open Day on Saturday 16th July.

Sunday the 17<sup>th</sup> will see the Stanton/Strevett 4Ball.

**Winners of the Lake Grace Men's Open Day, Paul King and Tim Adams.**

Allan Marshall

## ROUND 9

LGPFC vs NEWDEGATE Played at NEWDEGATE on 25/6/2016

**Thanks to our Sponsors for this week who were LAKE GRACE Hotel-Motel, FARMWORKS RURAL & GREENLINE AG John Deere.**

I was not present at the match so the report will be short.

The weather was fine for the second Derby of season 2016.

## LGP A RESERVES

Quarter time score was LGP 6-5=41; Newdegate 1-2=8

Half time scores stood at LGP 9-12=66  
Newdegate 1-2=8

Three quarter time scores were LGP 16-15=111  
Newdegate 3-4=22

**Final scores were LGP 22-19=151; defeating Newdegate 6-5=41**

## LGP JUNIORS

In the Juniors game LGP defeated Newdegate

**Final Scores LGP 11-6=72; defeated Newdegate 3-2=20**

## LGP LEAGUE

Commenced at 2.15pm with recently cleared player Mitch Morton taking his place in the team.

Quarter time score was LGP 4-3=27; Newdegate 3-1=19

By all accounts Newdegate got the jump on the Bombers in the second quarter adding 5 goals to the Bombers 2 goals giving them a lead of 15 points at the long break.

Half time scores stood at LGP 6-3=39; Newdegate 8-6=54

Three quarter time scores were LGP 10-6=66;  
Newdegate 9-8=62

Obviously a very tightly contested game of football with both sides giving their all with the Bombers having the distinction of being the first to defeat the Newdegate Lions in season 2016.

**Final scores were LGP 11-6=72 Defeating Newdegate 9-13=67**

Goal scorers for LGP were Jarrod Robinson and Mitch Morton 3 each, Tyson Prater and Jarryd Morton 2 each and Tyson Bell 1.

Better players were Luke Bairstow, Tyson Prater, Jack Carruthers, Jarryd Morton, Alex Duckworth, Tyson Bell, and Bodhi Clifton.

**Award winners were: Best on Ground Alex Duckworth, Best on Ground runner up Tyson Bell**

**and the Coaches award went to Jack Carruthers.**

A clean sweep by all the Lake Grace-Pingrup sporting community. Well done.

## ROUND 10

LGPFC vs BOXWOOD HILL Played at LAKE GRACE on 2/7/2016

## CONGRATULATIONS TO LUKE BAIRSTOW PLAYING HIS 100th GAME

**Thanks to our Sponsors for this week who were ELDERS RURAL SERVICES, GS MOBILE MECHANICAL, FYFE TRANSPORT and FRESH AS (The Hardy Family).**

The weather was all blue sky and completely calm following a frosty morning with the oval being completely white at 7.30am.

## LGP A RESERVES

The Reserves game commenced at 11.15 am with the Bombers fielding a strong team of players complemented by school holiday kids.

The Bombers were quick out of the blocks in the goal scoring department with Grant O'Neill taking the ball from the ruck knock and booting it forward to Brayden Reynolds who bumped his opponent out of the way and marked 30 metres out from the Bombers goals, directly in front, then an easy kick to score a LGP goal within 30 seconds of the start. The Bombers went on to score 4 goals for the term with John Callope kicking 2.

Quarter time score was LGP 4-3=27; Boxwood Hill 2-2=14

Boxwood were the first to score a major in the second quarter and then the Bombers went on to score 3 majors courtesy of Brayden Reynolds. Boxwood upped the ante scoring 4 goals 2 behinds to finish just 6 points behind at half time.

Half time score was LGP 7-4=46; Boxwood Hill 6-4=40

LGP scored the first goal in the third term at the 2 minute mark followed by another at 9 minutes. Brayden Reynolds marked the ball 40 metres out from goal and passed to Bailey McGlinn in the square who kicked truly. the Bombers had added 4 goals 5 to Boxwood 1 goal 1 at the third break.

Three quarter time score was LGP 11-9=75; Boxwood Hill 7-5=47

Boxwood was out of the blocks early in the final term scoring the first goal 3 minutes into the quarter and then added 2 more in the space of 2 minutes putting the pressure onto the Bombers. LGP went into defensive mode and scored the next goal half way through the quarter. The challenge was on but the Bombers rallied after that booting 2 more majors to Boxwood 1 single to win by 23 points.

# Lake Grace Pingrup Football Club *(cont.)*

An entertaining game of footy played in good spirit and very competitive with many good passages of play.

The final scores were LGP 14-11=95; defeating Boxwood Hill 11-6=72

Leading Goal scorers were Braden Reynolds and John Callope.

Better players for LGP were Brady Carruthers, Bailey McGlinn, Poch Amores, Aaron Carruthers, Grant O'Neill, John Callope, Damon Pelham and Brayden Reynolds with many contributors throughout the match.

**Awards: Best on Ground Patrick Smith, Runner up BOG Grant O'Neill and coaches award went to Steve Korosec.**

## LGP JUNIORS

In the Juniors game LGP defeated Boxwood Hill by 100 points in a match that the Junior Bombers were too strong all day.

LGP 15-11=101; defeated Boxwood Hill 0-1=1

Better players for LGP were Jai Holmes and Ned Leigh.

**Fed by Fyfe awards went to Jai Holmes and Ned Leigh.**

## LGP LEAGUE

The match commenced at 2.15pm in perfect conditions. Luke Bairstow led the team onto the ground, through a juniors guard of honour then breaking through the banner to celebrate his 100th game for Lake Grace-Pingrup.

The teams were evenly matched similar to the last encounter with Boxwood and it took until the 18 minute mark for a goal to be registered and that was by Boxwood. The football was fast and furious, alternating between the half forward lines. The sum total for the quarter was LGP 2 points with Boxwood scoring 1 goal 1 point.

Quarter time score was LGP 0-2=2; Boxwood Hill 1-1=7

The second quarter saw much of the same until it was Boxwood who scored first at the 7 minute mark. With just 5 minutes left in the second term the Bombers scored their first goal to break the drought. They then scraped another in just before the half time siren. LGP had plenty of the play inside 50 but the backline pressure saw their tally for the quarter at 2 goals 5 to Boxwood 2 goals 1.

Half time scores stood at LGP 2-7=19; Boxwood Hill 3-2=20.

The third term saw more scoring taking place from both sides as the defences were probably tiring with the pressure of the first half. LGP were better, adding 4 goals 2 to Boxwood 3 goals 3 behinds to finish 4 points in front at the third break.

**Luke Bairstow following his 100th game with his father Noel Bairstow who played 400 games for Lake Grace. Photo John O'Neill**

Three quarter time scores were LGP 6-9=45; Boxwood Hill 6-5=41.

The final quarter was very tightly contested as Boxwood sensed chance of a rare victory for season 2016 but LGP stood their ground and kept attacking the goals, adding 2 goals 5 and just before the final siren the Bombers were 8 points in front. A Boxwood player had marked the ball in front of their goal just as the final siren sounded. Kicking truly, the game finished with the Bombers taking victory by just 2 points. An exciting and fast game of football which was well umpired allowing the play to flow.

Final scores were LGP 8-14=62 Defeating Boxwood Hill 9-6=60.

Goal scorers for LGP: Kane Pinney 4, Mitch Morton 3 and Tyson Prater 1.

Better players were Luke Bairstow until retired hurt, Tyson Prater, Jarryd Morton, Bodhi Clifton, Kane Pinney, Alex Duckworth, Jack Carruthers and Rob Enright.

**Awards: Best on Ground Alex Duckworth, Best on Ground runner up Jarryd Morton and Coaches award went to Jack Carruthers.**

Another very successful day of sport with every team winning except the junior netball who drew their match. Well done zlake Grace.

## Round 9 - Saturday 25th June Newdegate

### A Grade

Coach: Karen Bairstow  
LGP 50 - Newdy 46

Netball at Newdegate always proves to be a tough encounter and it was no different on Saturday. I asked the girls for a huge commitment before the game if we were to have any chance of winning. From the very first moment they stepped on court I knew we were in for a good performance. They had a very determined look about them and they certainly played that way. The first quarter Newdegate opened up quite a handy lead but to the girls credit they worked extremely hard and pegged it back being one goal down at quarter time. The speed and intensity were a highlight of the game. Our goalies started to work beautifully together and were shooting and rebounding strongly. The centre court players started to get on top of their game and combined well and the defence were able to intercept the odd ball allowing us to get a couple of goals up. The speed didn't slow at all throughout the game. After a great third quarter everyone was on the edge of their seats, waiting for one team to gain the lead.

A brave move by the coach saw the goal shooter go to goal keeper, to try and break momentum and the girls off the bench came on with fresh legs and adapted very well in a high tempo game.

Best on ground: Joely Slinn shot awesomely and rebounded brilliantly and when switched to goal keeper intercepted four important balls resulting in goals.

Coaches award: Teneeka Morgan created pace brilliantly and was able to give the defenders a sure avenue down the court. Never wasted a pass all game.

Keep up the great team spirit and train hard its paying off enabling us to keep fighting back when we are down. Looking forward to a repeat against a strong Boxwood side.

### B Grade

Coaches: Flick Young & Caitlin White  
LGP 31 - NEWDY 27

The team knew this game was going to be stiff competition with a "Derby-like" atmosphere throughout the week. In the first quarter there was amazing plays with some excellent leads and passes from all of the girls. During the second and third quarter we lost the momentum as the height from the Newdegate girls seemed to be quite challenging. Thankfully, we pulled ourselves together and ended with a win- up by 4 points at the end of the game.

Best on ground: Caitlin White- Cait showed some great commitment to the team and never gave up- even though her opponent was a head taller than her! She consistently plays an awesome game and is like a little energy bunny around the court.

Coaches Award: Ella Leigh- Ella is our youngest team member and we can understand that at times we put a fair bit of pressure on her. She is an absolute trooper and takes on every bit of advice and consistently gives her all every time she plays. You are doing amazing Ella and each week you are becoming a better netball player- well done!

### Juniors

Coach: Lisa Pearce  
LGP 13 - NEWDY 3

We mixed it up this week against Newdegate with the girls going out of their comfort zone, many of them playing new positions. They all took it in their stride and gave it a red hot go, coming away with a big win.

Best on ground: Kira Pearce who played everywhere from shooting to centre then down to defence.

Coaches award: Sara Bray who played a great game and lead like a champ.

Well done girls!

# Lake Grace Pingrup Netball Club Notes *(cont.)*

## Net Set Go

Coach: Shelley Stanton

Newdegate saw us 2 players short before we even stepped onto the court. With a couple of young boys on the sidelines watching, they eagerly came and approached the coach to say they were more than happy to play netball!! We took to the court with 7 players, 6 girls and 1 boy. With Gianna Jury in Centre she passed the ball around well with the help of Miles Borgward and Amber Furphy on the wings.

Amber Pearce dominated in goals with the support of Eliza Jury, who buzzed around the court for the entire four quarters. Tess Stanton and Payton Callope in defence didn't get much of a touch in the first quarter, so we had to move the positions around. In the 2nd quarter, Amber Pearce retired hurt and, so we took to the court this time with 5 girls and 2 boys. Gianna Jury continued in the centre, sister, Eliza in wing defence and Lucas Robinson dominated in the wing attack position supporting Tess Stanton and Payton Callope in goals. We dominated again with our defenders, while Miles and Amber Furphy had a quarter where they were able to recharge their batteries. Half time energy supplies, kindly donated by Kristie Stanton, were enjoyed by all players.

The 3rd quarter Alby Stanton took to the court playing on the wing with Lucas Robinson and in the centre Tess

Stanton. Brother and sister passed well to each other and in the goal this quarter were buzzing Eliza Jury and Amber Furphy. With these two being the youngest of the group, that didn't matter, they passed well and shot well. The defenders had another quiet quarter which gave Gianna Jury a chance to rest with Payton Callope. The 4th and final quarter we gave the boys a couple of key positions, that being Lucas Robinson in centre and Alby Stanton into goal. He shot well, showed pure grit and determination to prove that boys can play netball and shoot goals. Lucas supported the team well and had the help of Tess Stanton and Payton Callope on the wings. The buzzing Eliza Jury was given the chance to get her breath back as was Amber Furphy being in defence. The entire game was full of lots of energy so more energy supplies were handed out after the game. Thanks so much to the boys for helping us out and for everyone playing really well together.

A clean sweep of netball this weekend, congratulations to all the players and the coaches who put in their time and commitment to our club. Well done to all!

## Round 10 - Saturday 2nd July Boxwood Hill

### A Grade

Coach: Karen Bairstow

LGP 47 - BH 20

On a perfect day for netball the girls continued on their great form with a convincing win against Boxwood Hills. Having not beaten Boxwood for quite some time it was a very pleasing result running out winners. There were awesome passages of play all over the court. The goalies in Joely and Sharon combined well and outplayed their opponents. The centre court also were on top of their game. Again we were led by a strong defence unit in Lauren and Claire who shut down Boxwoods goal scoring ability. We still have room for improvement which is a good sign leading to the start of the third round after the bye. We need all girls to train well from here on in, to brush up on a few areas. But all in all it was a great win, well done girls.

Best on Ground- Lauren Duckworth who played an outstanding game, when the game was tight she was able to stand up and lead the team rebounding the ball time after time.

Coaches award- Sharon Lampard who shot well and passed beautifully between Joely and Billie and was able to time her run well into the circle.

Enjoy the break girls but lets get back into top gear ready for a good game against Jerramungup.

### B Grade

Coaches: Flick Young & Caitlin White

LGP 29 - BH 23

It was a tough game for the B graders but finished with a win which was fantastic.

It has been very pleasing to see our younger girls stepping up and continuing to improve game after game

and as usual our defenders were consistent and strong, well done to Sonia Harris, Sarah Allen and Deb Regan.

Best on ground - Sarah Allen who had a very strong defensive game against a tough opponent. Sarah was on the go the entire game and never once gave up.

Coaches Award - Sonia Harris for playing any position she is given and being so versatile and never complaining about whatever position she is given.

## Juniors

Coach: Lisa Pearce

Big thank you to Kate Furphy, who will take over the Junior Coach role whilst Lisa is away.

LGP 25 - BH 25

This week's game against Boxwood Hill was a real nail biter! The girls got off to a great start with our shooters combining well in goals and the whole team working well together to get us to the quarter time break with a four goal lead. Our girls continued their great work into the second quarter, however Boxwood made a few position changes which tightened things up and scores were even at half time. We made a few changes to our team at half time and the hard work continued with some great interceptions in the centre and in defence. At the last break we held a slim lead and the girls were feeling determined. The last quarter was just as hard fought as the first 3! The coach and spectators were on the edge of their seats as Boxwood were getting closer to catching us! The game ended in a draw, fantastic effort from both teams.

Best on ground - Reegan Marshall who did a fantastic job in centre, a new position for her.

Coaches Award - Denica Stoffberg who worked tirelessly in goals and really put pressure on Boxwood's defences causing some crucial turnovers. Well done girls.

## Net Set Go

Coach: Shelley Stanton

We really enjoy playing Boxwood, as they are a competitive and fun group to play against. Our boys were back to help us out again, which was really great. We also had Savannah Trevenen offer to play, so we had to share it around.

Holly Stanton started off like a rocket in centre with Grace Penney on the wing and Tess Stanton and Payton Callope in goals worked well. Sheree Duckworth had to work really hard in defence along with Alby Stanton as Boxwood were unstoppable. We changed around the Stanton girls in the second quarter and Savannah Trevenen came on as a defender with Grace Penney. These two girls had a big challenge ahead of them. On the wing was Sheree Duckworth to support them. She tried really hard all quarter but was lacking the stamina to keep going. Payton Callope on the other wing read the play really well and was strong in her passes and catches. The Stanton girls swapped again and both dominated in their positions. Lucas

Robinson took to the court in the 3rd in a defence role and played a cool and calm game. He intercepted well and was supported by Payton Callope. Holly Stanton and Sheree Duckworth supported them both to get the ball to our attack on many occasions. Tess and Grace Penney worked well in goal and Tess shot accurately.

The final quarter saw Alby Stanton come on again to take to shooter position with Sheree Duckworth. Although there was inexperience in the goal circle they both showed determination and ran around in circles trying to work out a way to make the score count, but with Boxwood's tight defence the ball was intercepted many times. Tess Stanton was in centre and her wing supporters Grace Penney and Amber Furphy worked tirelessly along with our defenders Holly Stanton and Payton Callope. Stanton had the height for the rebounds and Payton was always nearby for the pass. By the end, we had tired legs and the need for energy supplies, thanks again to Kristie for her supplies, they are appreciated by everyone!!

It's been a great two weeks of NSG, with the netball courts being a cool place to hang out if you're a boy!!! Netball is definitely on the UP!!

Special thanks also goes to Tess and Alby Stanton along with their helpers at the home games for selling the \$100 raffle. They managed to sell all tickets again and the netball club is truly proud of the effort you both go to. Also to the boys, Miles, Alby and Lucas thanks for helping out with our low numbers the last 2 weeks. Also thanks to Savannah Trevenen for playing this week for us as well. Next week is a bye so no training this Thursday. Training will resume the following Thursday so we are ready for our game in Jerry.

Just a reminder to all involved with the netball club, that supplying afternoon tea is a must. We have had some fantastic rounds, yet we seem to be slacking coming to the end of the season. Let's finish the rounds off as we started. Thanks!
