## Come on Ladies...Look After Yourself

*Suzanne Reeves*

Regular medical check-ups are not a guarantee that you will live in a state of blissful health to a ripe old age; however they are something that we can all take advantage of in the fight against any disease, particularly cancer. Research shows that early detection increases the odds of a successful outcome.

Karen Hansen, Regional Education Officer Wheatbelt from the Cancer Council WA said, "We need to encourage all women to have a Pap smear every two years as four out of five women who develop cervical cancer have either never had a Pap smear or do not have them regularly."

In 2013-14 the Wheatbelt region had a cervical screening participation rate of 52.2%, which is lower than the State rate of 56.1%. This shows a large number of women in the Wheatbelt who do not screen regularly and are therefore at risk of developing cervical cancer. The biggest risk factor for cervical cancer is not having regular Pap smears.

All women aged between 18 and 70 years who have ever been sexually active need to have regular Pap smears as part of their ongoing health and wellbeing checks.

Fortunately the participation of women for breast screening is much higher. Breastscreen WA aims to have a rate of 70% of women aged between 50-69 attend for screening, the participation rate for Lake Grace is 78%.

In a bid to encourage women to take a more positive role in managing their health; Cancer Council WA and Breastscreen WA will be participating in an 'Upstairs Downstairs' event at the Lake Grace CRC on Wednesday 3rd August from 5:30pm. There will also be an gathering from 10am on Thursday 4th August for those who can't make it the night before.

Leanne Pilkington, Program Officer for Breastscreen WA will be on hand to answer any questions that you may have. The evening is timely as the 'Pink Van' will be arriving in Lake Grace with the free screening mammogram service available from 22nd August through to 29th August. Appointments at the van are necessary and can be made by calling 13 20 50 from three weeks prior to the visit.

Also at the evening will be Karen Hansen and Barbara Brennan. Barbara provides a range of support services to anyone who is affected by a cancer diagnosis (could be the patient or those who are supporting the patient). Barbara's support includes information about the cancer or the treatments available; emotional support or it could be financial practical and legal support.

Cancer Council can also provide accommodation for any regional West Australians who need to travel to Perth for cancer treatment. Barbara works part time (Tuesday – Thursday) and can be contacted in Northam on 9621 1810; she will be available for one on one chats during the morning of Thursday 4th August.

We would like as many ladies as possible at our Upstairs/Downstairs event, there will be fun and games. Please RSVP to 9865 1470 or [lakegracecrc@westnet.com.au](mailto:lakegracecrc@westnet.com.au) as this helps us with catering and also setting up the room.

☺ What a huge shock it has been for our community to lose a committed and valued member such as **Terry Gladish**. On those late afternoons when I had finished the Lakes Link I would call through my opened mailbox 'Do you want them now or would you prefer them in the morning?' the answer was always 'Now!!'. Other times I would be quite early in the afternoon and it would be 'what happened?'. What other Post Office could you hold a conversation through the mail box, include cash with your mail and know it would get sorted or simply leave the cheque book and ask if the account could be sorted when he had a moment. Terry has been a big part of all of our lives and was the go to person when you wanted to know something. On a personal note I recall standing outside St Anne's church as a child watching Lenore walk to the church to become Terry's bride, he was one of the barman at my own wedding. He weighed each of my babies on a regular basis on his Post Office scales so that we could keep their baby books up to date and know that they were thriving. He signed our documents and was a regular sounding board if I had an ethical or book keeping conundrum for any of the organisations I was involved in. Without complaint he would accept the books at the end of the year for auditing. One funny (for me) but frustrating (for Terry) moment was following a phone conversation with Terry I hadn't hung the phone up properly. While working away on my computer I became aware of a bird singing in the garden at the front of the CRC. Quite excited I whipped open the blinds looking to see what kind of a bird it was. At that stage the garden was lawn with the robinia, although there was evidence of birds nesting in the robinia I'd never actually seen them.

After 15 minutes of trying to locate the bird, who's whistling and chirping was becoming louder and more pronounced a messenger came in the door saying 'Terry wants you to hang up your phone properly as he's trying to make a call'. The little bird I'd been trying to spot was located at the Post Office the whole time and probably ready to send some buck shot through the phone. Then there was the barman story; having organised many kegs (remember those) plus bottles of spirits for our wedding we were surprised to be handed back the full complement of spirits that we had ordered. When Craig said that they were intended for the wedding guests Terry's comment was that they didn't need it. He was probably right. When you were Terry's customer in the Post Office no one else existed; thank you for your many years of dedicated service. To Lenore, Meredith, Louise and Eoin the Lake Grace Community Resource Centre's management committee, volunteers and staff would like to extend their sincere sympathy.

☺ We're having a 'Girls Night In', **Upstairs Downstairs**, on Wednesday 3rd August to raise awareness of being proactive about your health. Karen Hansen from Cancer Council and Leanne Pilkington from BreastScreen WA will be talking about symptoms, early detection and prevention of some of the cancers that afflict women. Also coming is Barbara Brennan, who is a Cancer Support Coordinator; if you have a cancer diagnosis or are supporting someone with a diagnosis Barbara will be available for individual meetings on the morning of Thursday 4th August. We're going to have a few activities and would love you to come along. Finger food and some refreshments will be supplied. There won't be a charge but we welcome any donations to go toward the Cancer Council. For catering purposes we would appreciate RSVP's. We will also hold an informal morning tea on the Thursday from 10am for those who can't come the night before.

☺ Don't forget that **Centrelink** are visiting us on Tuesday 30th August. To coincide with their visit we will be holding a digi day; whether we like it or not many of our services are easier to access via the internet than via a real live human being. So come along and learn how you can make your experience with Department of Human Services a little easier, don't forget that Medicare comes under their umbrella and a claim via the Medicare app is much simpler than filling in a form.

☺ Coming up in August is the **MC (and or HC) Driving Assessment**. Please take note that names need to be in by this Friday 22nd July.

## New Manager for Greenline

Greenline's Lake Grace branch would like to welcome their newly appointed Branch Manager, Ashley Swayn.

Ashley has a wealth of experience in the Agricultural industry having grown up in Western Victoria and worked in the family owned and operated New Holland dealership.

Over the past 25 years, Ash has travelled extensively across Australia and internationally working in the Agricultural industry with OEM's and the Dealership networks.

The team at Greenline is excited about the new appointment and are looking forward to further developing the customer base.

This isn't Ashley's first stint within the Shire having worked at the agricultural dealership Farmpower in Newdegate in 2001 and 2002. He has distinct memories of lining up on the football field against the Lake Grace Bombers.

Please feel free to come into the Lake Grace branch of Greenline and welcome Ashley to the region. He's looking forward to getting to know as many of the locals as possible.

He will be living locally and is a keen sportsman, who enjoys keeping active and fit outside of work. Also loves a good coffee.

*Ashley Swayn is pictured in front of a S680 John Deere combine harvester that they currently have in stock and available for sale.*

## GRIFFITHS STORY ERROR

In my story in the last Lakes Link I regret to say I made an error.

In the last paragraph I stated that he had a clearing sale, with a listing of livestock, machinery and sundries. The clearing sale was not for Francis, it was for his Uncle Frederick, who also went to the War at that time.

I apologise for the error. Francis Austin, who went by the name Frank, was the eldest son of the eldest son of Benjamin and Sarah Griffiths, while our Lake Grace Ben Griffiths, was their 10<sup>th</sup> child. Francis (Frank), also from a large family, and Ben, were only 10 years apart, and it is believed that he came out to Lake Grace and helped Ben for a time, which is the probable reason he is listed on our Honour Roll.

Not only did Sarah Griffiths lose her eldest Grandchild in the war, she lost three of her sons, all in a 14 month period, after her husband had died 3 or 4 years earlier.

Thanks to Les Johnson for his information.

Allan Zweck.

# New Bike Track at Playgroup

Amy Jones

There was great excitement at Playgroup this week, as the children laid their eyes on a brand new bike track made for them in the Playgroup yard.

Up till now, the north-western quadrant of the Playgroup yard has been an unsightly home to a heap of saltbush, leaves, bark and sticks. Any new members entering Playgroup, might wonder what is in store after seeing this mess, and numerous busy bees to clean it up were futile efforts as the mess returned by the following Playgroup session. But thanks to the direction of Playgroup President Rhiannon Stubberfield and the earthmoving skills of our local earthmoving business S&L Trevenen, that large area has become an inviting area full of play opportunities. Anyone entering the Playgroup was welcomed by the sight of a large group of children trying out the new track with great

enthusiasm! With the bends, round-about and even a slope to try out, not even the cold winter wind could deter them.

Thank you so much Simon for all your effort and for doing such a great job. We all love it!

***Enjoying the new bike track are Jed O'Neill, Zach McPherson, Isaac Jones and Trelise Jones.***

# Bereavement Notices For Our Favourite Postie

*From the community of Lake Grace*

Lake Grace won't be the same without you. Forgetting to bring our mail key won't be either! Thank you for all your help and kindness over the years. Much love to Lenore and family xx

**From the Morgan Family**

Terry audited our Club books for many years, his contribution to our community is immeasurable, and he will be sorely missed but never forgotten. Heartfelt sympathy to Lenore, Meredith, Louise, Eoin and families.

**From the Committee and Members of the Lake Grace Gymnastics Club**

Mr Gladish was everything Post Office, the signer of documents, the man to ask if you needed to know something - respected, dedicated and knowledgeable. The Post Office will never be the same again, it looks so different without Terry at the counter. Words are not enough to express our sympathy to Lenore, Meredith, Louise, Eoin and families, and all who loved him.

**From Vynka, Bevan, Clancy, Maisey and Charlie Lay**

Love and sympathies to Lenore and all his family. The unexpected and premature loss of you Terry is too hard to believe. Visits to the Post Office will never be the same, thanks for the laughs & chats.

**Missy, Darren & boys xxx**

The **Management and Staff from SBM Tyres** would like to express their sincere condolences to the Gladish family for their loss. Our thoughts are with you.

"Our thanks to Terry, the busiest man in town – now at rest with his Lord." Our sympathy to Lenore and families. **Allan and Lynnette Zweck.**

Terry audited our LGDHS P&C books for many years, of which we are very grateful. Terry will be remembered by all of us at P&C for his strong community involvement and for always being a true gentleman. Thanks for supporting our Footy Ticket Fundraiser every year! Our love and thoughts are with Lenore, Meredith, Louise & Eoin & families

**From Committee & Members LGDHS P&C**

Terry, you were a true community man, the best postie, the man that knew every postcode when we couldn't be bothered checking it in the book, the most knowledgeable weather man, a sports guru, king of auditing and just a true gentleman who will be missed by everyone in the community of Lake Grace. Love and sympathy to Lenore, Meredith, Louise, Eoin & families.

**Love Chad, Shelley, Ruby & Holly Stanton**

Wrong address, wrong name and incorrect postage but still the mail got through. Thank you for always being a pillar of our community Terry. Our sympathy to Lenore, Meredith, Louise and Eoin and their respective families.

**The Reeves Family**

**Members of the Lions Club of Lake Grace** extend their sincere sympathy to Lenore, Meredith, Louise, Eoin, and the wider family, on the sudden loss of their beloved Terry.

Lions acknowledge and wish to express their appreciation for the many years of honorary service Terry gave to our club as auditor.

Lions also recognise the unstinting and dedicated voluntary work Terry contributed to the Lake Grace Community over a very long period of time. Well done to Terry, he will be missed.

Red and a Purple Heart

Red was you Australia Post.

Red was the help you gave the Lake Grace Cricket Club (our colours red, yellow and black).

Red was the sea of poppies at our Lake Grace ANZAC Day Memorial Service.

Red was the excitement of my children's replies from Father Christmas you delivered.

Red was the flush of colour in your cheeks when you spoke of your wife, children and grandchildren.

Your purple heart remained loyal to your beloved Fremantle Dockers much to our disbelief!

Our family will always be appreciative of all you've done for our family and the community. You will be missed greatly. RIP Mr Gladish.

**Love Brayden, Rebecca, Ella, Ava, Ned and Zahlia**

Our sincere condolences to Lenore, Meredith, Eoin and Louise and families on the sad passing of Terry.

He will be fondly remembered and sadly missed by all of the community.

**Dot, Vicki, Carol - Sand N Salt**

We remember with gratitude the great support we and the members at Lake Grace CWA always received from Terry. Nothing too much trouble or too hard - all done with a smile. Sincere condolences to the family of the man who will be difficult to replace.

# Countdown to Australia's Largest Online Event

## Media Release

In just a couple of weeks, millions of people across Australia will pause to complete the 17th national Census of Population and Housing, in what could be the country's largest and most significant online event.

The 2016 Census will employ more than 39,000 temporary staff who will travel a distance equivalent to almost 200 trips around the circumference of the planet in order to count over 24million people in about 10-million households, who come from over 200 countries and speak over 300 different languages.

Head of the 2016 Census, Duncan Young, said the August 9 Census will be the easiest and most accessible ever, with people able to complete their Census from their own home on their smartphone, tablet or computer. We expect 16 million people to complete the survey online.

"Later this month and into early August, the ABS will deliver some 10 million letters to every household around the country in preparation for Census night," Mr Young said.

"These letters will be addressed 'To the Resident' and include a unique login and instructions on how to complete the Census online, as well as details on how to request a paper Census form."

While a majority of Australians won't hear from the ABS for a few weeks to come, Census Remote Area Mobile Team Leader, Steven Pearce, has driven 4,500km across northern Australia in the last two weeks, to ensure everyone in his remote area is counted as part of the Census.

"Within the 160,000 square kilometre area which I'm helping to count, I estimate there'd be less than 3,000 people living here, but that does not mean the data is less important," Mr Pearce said.

"My primary task now is to make contact with the communities and all the relevant stakeholders in those communities and lay a bit of groundwork which will enable us to carry out the Census in as efficient manner as possible."

Mr Young said the ABS' 105 Remote Area Mobile teams highlight the ABS' extensive efforts to ensure everyone in Australia completes a Census form wherever they are on Census night.

The national Census has been a part of Australia since just after Federation and provides the most comprehensive and accurate picture of our rapidly growing and changing population.

Despite 16 previous Censuses over 105 years, the 2016 Census will coincide with the Olympics for the first time ever this year. Mr Young hopes that while Australians are waiting for the swimming finals to start on August 9 they will do their bit for the country by completing their Census.

"The 2016 Census is Australia's moment to pause and make a difference, and help shape the future of Australia's investment in housing, roads, schools and hospitals." Mr Young said.

## New Asset for CWA Lake Grace

*Suzanne Reeves*

Thanks to a successful grant application the Lake Grace CWA have recently had a reverse cycle split system installed in their rooms.

Having relied on quite old heating and cooling systems for many years, the new system promises to not only be more efficient but also more conservative on power usage.

The \$4,700 grant was achieved through the Department of Social Services 'Family and Communities' programme, under the auspices of 'Strengthening Communities Volunteer Grants'.

The grants are federal and the Social Services department makes them available to any non profit organisation whose volunteers' work support families and/or communities in Australia. Grants of \$1,000 to \$5,000 can be applied for.

Lake Grace CWA was one of a handful of CWA's to be successful in their application and the only organisation in Lake Grace to achieve this funding.

Grants can not be applied for without the cooperation of local business; thank you to Di at Leading Appliances for supplying a quote and then ordering the system in.

Thanks also to Outback TV for assisting with prices and also taking on the task of installing. It seems like Reid Stubberfield may have cleaned out all the cobwebs in the CWA roof space.

Once installation was complete a photo opportunity arose. I must confess I've never seen two tradies leap into their vehicles and take off with greater purpose!

# Working with Warriors

*Owen and the Team, Regional Men's Health Initiative*

## An Innovative Approach to Men's Wellbeing and Health and in particular Mental Wellbeing

The Regional Men's Health Initiative is a state-wide program empowering men and communities to take responsibility for their wellbeing and health.

This program's primary role is community education on men's holistic wellbeing.

This is delivered in three ways:

- ☐ Warrior Education Sessions;
- ☐ Fast Track Pit Stop;
- ☐ Advocacy.

The RMHI emphasis is on men's holistic wellbeing and health, which means the whole person and understanding problems/issues in the context of life. When we consider the individual we believe we are more than just physical and mental beings, the often neglected element is our "social/spiritual" wellbeing. We promote the requirement that it is important to know and understand the story behind our identity and what it is that makes us an individual.

Modern Western Medicine is too often about:

- ☐ Diagnosing ills;
- ☐ Prescribing pills; and
- ☐ Sending bills

The "human factor" can get lost in the medical mix.

It has been said to me in the past that the definition of a good accountant is, "they get to know the people in the business"; this is no different to the functioning of a good doctor or specialist. In the work we do this is obvious, especially in the case of both the diagnosis and marketing of mental health issues.

We talk about "situational distress", which is the space between being well and being diagnosed with a mental illness. Quite often we fail to realize that most mental illnesses start from situations that are unresolved in our lives. Sometimes we have to allow people, in particular blokes, to be in this space which is about people having a "normal reaction to an abnormal event".

Often men know the issues but we don't want to show ourselves as the "only one" with a problem. Men in particular struggle because we think we are failing, rather than realizing we are battling issues beyond our making and/or control. A lot of the time it is about giving blokes permission and pointing blokes in the right direction to seek the best medical advice they can.

Blokes are warriors and that winning and macho attitude is very prevalent which often inhibits help seeking behaviour and can contribute to delays in men getting to

the doctors. In regional areas the distance factor and lack of services also plays a role.

Our slogan "...before it all gets too much...Talk to a Mate!!" is the basis of all our initiatives. Mateship, empathy and appropriate use of humour is the key to connectedness in our programs and presentations. We don't do health assessment but we do health awareness, which is quite often the missing link.

# Artworks telling a Lighthouse Story

Local artist and heritage consultant Michelle Slarke has been busy researching and designing public artworks for the Cape Naturaliste Lighthouse. The artworks – nine wooden sculptures and interpretive markers – were installed this month.

Five wooden sculptures now hold place near the former lightkeeper's cottage. They tell about the light keepers and their families who lived at Cape Naturaliste Lighthouse. Ms Slarke interviewed and researched former light keepers and their children who lived at the cottages.

For lighthouse children, the Cape was a place of adventure and isolation. The story painted on a boat sculpture "I live on wild little cape" is a quote from the son of a light keeper from 1936, about his home.

Inspired by home-made wooden toys of the 1930s-1950s, the brightly painted sculptures are interactive and playful. Children can sit in a small boat between a dog and seal. They can also move between a set of three waves or turn the top of the lighthouse to see, via a viewing scope, over the lighthouse grounds and beyond. Through the window of the lighthouse, a lighthouse keeper can be seen climbing the stairs.

Along the path up to the lighthouse are a set of jarrah panels and a custom-made jarrah bench. They feature Ms Slarke's drawings, and stories that have been sandblasted into the timber and then painted. They tell visitors about the unique Cape Naturaliste, showing plants such as the rare Cape Naturaliste Spider Orchid,

as well as animals that have adapted to the place. Visitors can look through viewing holes in the panels to, for example, a wildlife track behind. The panels also tell of the importance of the place for the Wadandi people who know it as Kwirreejeenungup.

Visitors can take a breather half way up the hill to the lighthouse. For this, Ms Slarke designed an angled jarrah 'Geology Bench' where visitors can sit and look over the Cape's landscape to the coast. The shape of the bench refers to the unusual geology of Leeuwin-Naturaliste Ridge formed during the amalgamation of the Gondwana supercontinent. The text on the bench reads "Beneath us lies a ridge of ancient granite pushed from the deep earth around 520 million years ago".

The sculptures and markers are part of a wider interpretive project for the Margaret River Busselton Tourism Association. Ms Slarke also prepared the interpretive plan for the lighthouse precinct.

## WA Seniors Card..You Could Be Eligible

If you were born before 1<sup>st</sup> July 1955 and you work less than 25 hours per week then you are eligible for a WA Seniors Card.

You might not want to embrace the concept of anything senior but the benefits the card provides are substantial with hefty discounts on transport, rates, water, driver's license fees and vehicle registration. Discounts were also provided by many private businesses such as hospitality, accounting, insurance and repair companies.

Managed by the Department of Local Government and Communities the process to apply is quite simple, a single page document that just needs your name and contact information along with a declaration of hours worked per week (25 hours can be averaged out over the year) and 100 points of ID. Forms are available at the Lake Grace Community Resource Centre.

For 2016-2017 discounts include:

Public Transport - Concession fares plus free public transport during off-peak times

- ☐ Regional Transport - 50% concession on Transwa services
- ☐ Local Government Rates - 25% rebate
- ☐ Emergency Services Levy - 25% rebate
- ☐ Water Service Charge - 25% rebate

- ☐ Driver's License - 50% rebate
- ☐ Vehicle Registration - 50% rebate
- ☐ Photo Card - 50% rebate
- ☐ Fishing Licence - 50% rebate
- ☐ Spectacles - Up to \$53.32 every two years
- ☐ Cost of Living Rebate - \$128 for couples, \$85.35 for individuals
- ☐ Concession on entry fees to museums, galleries and national parks

# Helena Joan McClare

24/01/1919 - 19/05/2016

*Helena Joan (nee Elliot) McClare – delivered by her Grandson Steven.*

Helena Joan Elliott born on 24 January 1919 in Wiltshire England to an Australian Army soldier David Leonard Elliott and his English bride Helena Louise. When she was 6 months old they came to Australia by boat to South Australia then to Cartmear in Western Australia, (between Wagin and Woodanilling). Her father built a home on the farm 'BEAUMONT' at Lake Grace.

Joan was the eldest of five, two brothers Len and George and two sisters Audrey and Daphne. As the only one born in England the others called her "our pommy sister".

From an early age Joan showed responsibility and care for her younger brothers and sisters. Joan's father believed in a good education, a rare thing in the 1930's. Joan attended Lake Grace primary school. Then went on to Albany Senior High School for 3 years boarding at the "Priory". After leaving high school in 1936, she started work at the Lake Grace Hospital as a wardmaid.

Joan, was concerned about the poorer patients, who often arrived without sleepwear or personal items. Her mother and a group of women around Lake Grace then started the Hospital Auxiliary, which is still raising funds today. All from Joan's initial concerns for other peoples' needs.

In 1937 Joan and three other young Ladies entered a 'Popular Girl' Competition to help raise money for some additions to the hospital. In four weeks the results were astounding. More than 316 pounds were raised even though it was a penny per vote..... 75,840 votes.

When Joan turned 21 she started her three and a half years of nursing training at the Fremantle hospital, where we believe she met Frances Gerald McClare, who we all know as Frank.

While on leave Frank purchased a train ticket to Lake Grace. The attendant asked "Why the heck Lake Grace, that's the end of the world?" Frank replied "To see a girl." "Must be some girl was the reply!". When Frank arrived in Lake Grace he said the attendant was right! He said it IS the end of the world, but she is worth it.

Joan and Frank were married in April 1943 in Lake Grace. They then moved to eastern suburbs of Melbourne staying with Frank's brother Jack and family until 1948 both Frank and Jack worked for Wunderlich the tile makers.

Joan had three sons in those five years Graham, David and Michael. The family then moved to Gippsland in South Eastern Victoria to commence share farming growing potatoes. In the next five years they moved three times and had two more sons John and Andrew.

In 1953 they moved to Hernes Oak where they lived until they were asked to move, because the Yallourn open cut coal mine was getting close. Ironically several years ago the coal mine has still not reached where their home once stood.

While in Hernes Oak Joan ran the Blood Bank at the Yallourn Hospital. The Blood Bank was one of the main

suppliers of blood and blood products for the main Hospitals in Melbourne – this being because of the Yallourn Power Station and the great numbers of workforce available to donate blood regularly.

Joan was on call night and day for emergency supplies of blood. She was known to contact a particular worker, with a certain blood group to come in as she needed that type of blood. She would fold herself into her small Morris Mini car which was an upgrade from her Vespa scooter and drive off to work. Frank worked at the Yallourn Power Station. He was a favourite victim!!

Joan was kept busy with her boys and their involvement in football, scouts, paper delivery rounds and other things boys must do.

Joan took her Mother back to England in 1979 so she could visit her brother George and his family.

In 1978 they retired to live in Capel, WA. Joan played bowls, and was always a sought after speaker at the Ladies Bowls, Red Cross etc. Joan's stories were real, interesting and entertaining, about early days living on a wheat and sheep farm out at Lake Grace and the many adventures in her nursing career.

She was President of the Red Cross, Patron of the Ladies Bowling Club and won the Capel Shire Citizen of the year in 1999. Being a wonderful volunteer, ex-nurse and organiser she also managed the Lions Club of Capel patient mobility assistance equipment.

Joan was a prolific reader, she loved reading about real people, not that fiction nonsense. She was said to have read every biography and autobiography book that came into the Capel Library.

Both Joan and Frank enjoyed gardening and reaping the rewards of their hard work. Joan was a great homemaker and fabulous cook, whether it be turning their produce into delicious pies, jams or slices etc. Knitting, crocheting or sewing a jumper for one of her children or grandchildren from bargain material she had bought at Cronshaws. Even if it WAS orange with purple collars and cuffs, it was warm and perfectly functional!

Nanna had many a story to share with us. She had a no nonsense personality but would do anything for anybody. If she asked us for tea at five o'clock and we turned up at ten past ..... too late tea was over..... well I told you five, we can't wait all night. That was it, the dishes were done!!!

Last night we were reminiscing and my sister and brother in law told a typical story .....She rang Andi and asked "does Graeme like figs?" Andi answered yes, Nanna said I'll make him some fig jam and promptly hung up. Days later she would drop the jam at their door and drive off not even letting them know she had been.

Smart, proud, kind hearted, do anything for anyone but no frills no fuss! We will all miss you Nanna!

# Put Your Thinking Caps On

*Suzanne Reeves*

It could have come down to the feel good mood that comes from a belly full of bacon and eggs but following this years Australia Day breakfast and awards ceremony there was a general consensus that the community needs to get a reminder earlier in the year to start thinking about those deserving members of our town whose names should be put forward for the Australia Day awards.

Each year as I stand in the food line I can't think of anything that's happened or anyone whose done anything; after the awards have been done I'm a veritable encyclopaedia of good deeds and fabulous people.

After collating some information of past winners and nominees two organisations came to the fore; the Lake Grace Pingrup Football Club and the Lake Grace Development Association. Both of these organisations have a steady track record of recognising their volunteers.

What really surprised me when looking through the information was the people who haven't been nominated, those whom I would have thought would be recognised clearly haven't.

Looking at Shire records that go back to 1984 there have been 31 winners for what was once the Citizenship Award that is now known as the Premiers Active Australia Day Awards. There have also been a number of Youth Awards and in 1993 the Event and or Community Group Award started.

Since 2000 winners of the Award have been: Kerrie Argent, Debby Clarke, Michelle Slarke, Mary Naisbitt, John O'Neill, Ross Bowron, Steven McWhirter, Elsie Bishop, Jill Duckworth, Amanda Trevenen, Terry Gladish, Moira Wilson, Debby Clarke, Royce Taylor, Vynka Lay and Gayan Thamel.

In the words of one nominee who didn't win it is simply a privilege to be nominated!

So everyone rather than getting to November and having a blank moment please put your thinking caps on as you have time to do your research and talk about potential nominees within your organisation.

If you would like more information then go to <http://wa.australiaday.org.au/awards/premiers-australia-day-active-citizenship-awards/>

# Lake Grace Artist Group Notes

Kerrie Argent

Our heartfelt Condolences to Lenore Gladish and family on the sudden death of Terry For many, many reasons we are all sad to see Terry go but especially because he was a wonderful supporter of the Art Group and the best dishwasher we had when we where doing catering jobs.

So happily we are doing the catering with the support of the Lake Grace hospital staff for Terry's wake, if any one else would like to contribute to this they are very welcome to bring a plate of cake or slice to the hall on the day.

Rust exhibition ;On a brighter note how's every ones work going for the rust exhibition that will be held in September. Yes we have been talking about it all year so no excuses. This exhibition is open to all community members so if you are a budding or experienced artist or sculptor that we don't know about you are very welcome to contribute to this exhibition.

Items can be made of rust, can look like rust, can depict rust, can be the colour of rust, and yes photographs are accepted. Everything needs to be ready to hang or install with no danger of falling. There is no size restrictions except it needs to be able to fit through the doors of the art space and of course the relevance of rust.

The official opening will be Sunday 11th September 2.30pm but the exhibition will be open from the 7th

September, so we will be looking for volunteers to open the art space please. Entries need to be delivered to the art space by the end of August. There is no entry fee for artists.

The giant national Australia wide garage sale is on again on the 22 October 2016. we are doing scones jam and cream. 9am-1pm at the art space, this will be the final fundraising for the mural.

Mural; Irene Osbourne will be down as soon as starts to warm up to repaint our mural and bring it back to its former glory, as it's getting remarkably faded now.

Our condolences are also sent to the Coad family on the passing of Fran Coad. Fran was one of the original members of the Lake Grace Artist Group many years ago? In the seventies as they were all very active when I first come to Lake Grace in 1982.

We will be having a change of window box exhibition next week when Joyce Contos From Wagin and a member of our art group will put together and exhibition of her work, so don't forget to stop and check it out ..Joyce works mostly with paper and mixed media.

A huge thank you to the Lake Grace Men's Shed for putting up a fabulous display of their work. It there is any thing you would like to buy just catch up with them around at their new shed on Tuesday's.

## TREE PLANTING

In conjunction with the Lake Grace LCDC the Shire is planting some trees within the townsite on

### Friday 29th July

and they would like some help.

There's less than 200 trees and they're going to be planted at Padley Park, Apex Park, Clark Avenue and the Recreation Reserve.

If you would like to help, meet at Padley Park at 10am on Friday 29th July. Wear sturdy footwear and bring gloves and a shovel.

There will be a sausage sizzle to follow.

If you have any queries please call Jeanette Bennett or Tash Bowman at the Shire on 9890 2500.

# Commemorating 100 Years of ANZAC

Allan Zweck

***Each of the soldiers listed on the Lake Grace Honour Roll will be featured in the Lakes Link News, as close as possible to 100 years from their enlistment. It is now 100 years and 2 weeks since Arthur Bishop signed up.***

**BISHOP – ARTHUR JACK;** Born at Towcester, (pronounced Toaster), Northhamptonshire, England in 1898. Arthur, went by the name of Jack, and enlisted in the Australian Imperial Force at the young age of 18 years on 7/7/1916 – soon after his 18<sup>th</sup> birthday. He came with his family who migrated from England in 1911, and settled at Lake Grace on a farm they named Brockham, giving his occupation as labourer. At a height of 5 feet 6¾ inches (169.5cms), and weighing 150 pounds (68kgs), and with a fresh complexion, blue eyes and brown hair, Jack was not a big person, though it is noticeable on his application forms, his neat and stylish handwriting! As he was under the age of 21 years, his parents, Arthur and Nellie Bishop had to sign a special application form granting him permission to enlist, the signature being witnessed by John (Jack) Carruthers. His training, was at Blackboy Hill, where he was appointed to the 5<sup>th</sup> Reinforcement /43<sup>rd</sup> Battalion.

On the 9<sup>th</sup> of November 1916, Private Bishop boarded the Argyllshire for England, and disembarked 10<sup>th</sup> of January, 1917 at Devonport, then marched in to the 11<sup>th</sup> Training Battalion, Durrington, where they engaged in further training. On the 25<sup>th</sup> of April, they proceeded to France, leaving from Folkestone, then marched to Etaples, thence, into the Field where the 43<sup>rd</sup> and 44<sup>th</sup> Battalion had participated in costly defensive operations in horrendous conditions. In August he transferred to the 44<sup>th</sup> Battalion, and when his Battalion was relieved later on the 21<sup>st</sup> of October, of the 992 men involved in the Ypres operations, only 158 emerged unwounded! For the next four months the Battalion rotated between the rear areas and the front line.

On the 16<sup>th</sup> of February 1918 Private Bishop returned to the United Kingdom, given leave for two weeks. He rejoined his Battalion, which was then rushed south to France in March, where the Battalion played a major role in blunting the enemy drive towards the vital railway junction of Amiens. Having defeated the Germans' in their latest effort, the Allies planned their own great offensive, and the 44<sup>th</sup> Battalion took part in the preparatory battle at Hamel beginning on July the 4<sup>th</sup> as part of the first wave. It was in that battle, where Private Bishop now aged 20 years, was wounded in action - in the field at Hamel, France. He sustained bullet wounds in the left arm, and about a month later, he was invalided to the United Kingdom. His injury was considered severe and his left arm had to be amputated on account of Gas Gangrene. By mid August his wound had healed sufficiently to transfer him to 2<sup>nd</sup> Auxiliary Hospital, however, it was considered that his working capacity was affected totally by his disability for six months, and thereafter three quarter, permanently. He remained hospitalised until December, (during which time he also had furlough), when it was decided he

**Above: Arthur J Bishop**

should return to Australia, so on the 14<sup>th</sup> of December he embarked the Burma, arriving Perth, on 22<sup>nd</sup> of January, 1919.

Private Bishop arrived at Lake Grace by train six days later, and a good muster was at the siding to give him a welcome. George Lawson and Charles Lucas spoke words of welcome, and expressed their pleasure at seeing him back home. Jack was looking well, though he had lost an arm and was still requiring treatment, so his leave was only short.

At Katanning a month later, Private Bishop was also warmly greeted by his comrades in arms, many of whom had been with him in France. He said the first big stunt he was in was at Messines in June 1917, when, at the Battle of the Windmill, the 43<sup>rd</sup> and 44<sup>th</sup> were heavily engaged and suffered 50% casualties in 24 hours. Transferred to the 44<sup>th</sup>, Private Bishop participated in the fight on September 26<sup>th</sup>, when the Australians pierced the German line on a four mile front, in the Zonnebeke region. After fierce fighting for a week he was in the rush forward from north Lagenmarch which won the crest of the Paschendale Heights, at which the enemy lost heavily. After this, his Battalion was taken out of the lines and rested, only occasionally being called upon to take part in the actual fighting. From March, at the time when the Germans began their thrust in the north of Ypres, and in the south area towards Amiens, he was four months constantly under shell fire, up to the 4<sup>th</sup> of July – America's Independence Day – when he received the wound that caused the loss of his arm. This last engagement was at Hamel when the Aussies took a stretch of German trenches, the village of Hamel, and 1,500 prisoners with astonishingly light losses, and for the first time had

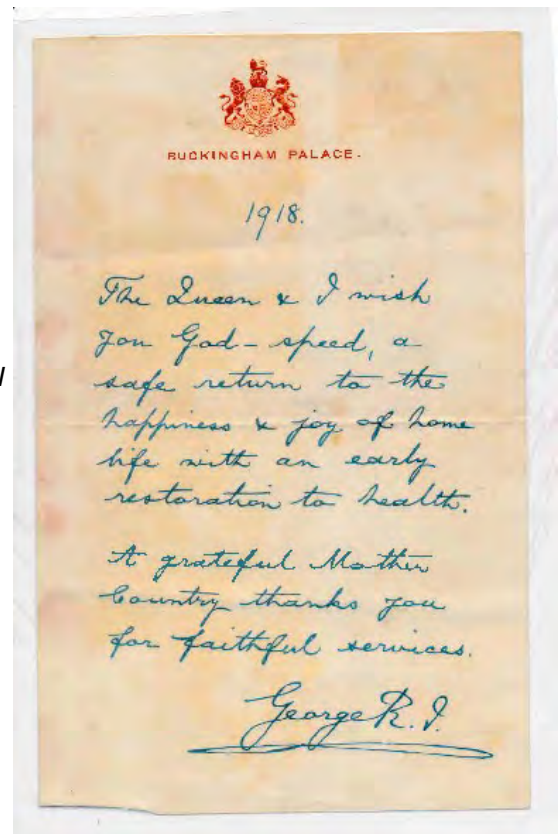

## Commemorating 100 Years of ANZAC (cont.)

Americans fighting alongside of them.

At the time of being wounded, Private Bishop was in an advanced position, and on bringing a Lewis gun to bear on an enemy machine gun, received two bullets in his arm. He was a fortnight in France, then in an English Hospital, before being removed to the Australian Base Hospital at London. He describes the treatment he received, whilst in the Australian Hospitals as being like home and could not say enough of the care and attention given the men. He still had health problems, and was again admitted to Fremantle hospital. His eventual discharge from the Military Forces came on 11/8/1919.

Private Bishop received the British war Medal, the Victory medal, and the King's Message from Buckingham Palace: *"The Queen and I wish you God speed, a safe return to the happiness & joy of home life with an early restoration to health. A grateful mother country thanks you for faithful services. George R.I."* He was of the Church of England faith, and service No: 2535 A.

On Jack's return home, a section of land joining onto Brockham was available for him to farm, however, with his disability he chose a more manageable career of accountancy, and became a top accountant in Perth. He married, but had no children. He was also very interested in theatre, and the claim has been heard from radio commentators, that if there had been no Jack Bishop, there would have been no Perth Playhouse! After his death at the age of 68 years on 7/03/1967, he was cremated - his ashes are at Karrakatta Cemetery. His war medals and memorabilia passed to his nephew Neil Bishop.

Plants can tell us what's happening with nutrient supply from the soil.

In some seasons it's difficult because of poor growth (waterlogging, drought, chemical damage)

In a good season like this, rapid growth places demand on nutrients such as copper, manganese and potash. So this year is a great year to plant test and get a true indication of your nutrient status and back up what we've learnt from soil tests.

## CEO's Corner

### The Late Mr Terry Gladish

On behalf of Councillors and staff, I extend heartfelt condolences to Lenore, Meredith, Louise and Eoin Gladish and their families on the sudden recent passing of Terry.

In his position as Lake Grace Postmaster and community member, Terry played an important part in people's everyday lives in Lake Grace, always providing a service over and above the call of duty. He was a great contributor to the community through many organisations, a very trustworthy person who wore many 'volunteer' hats, and always someone to rely upon for good advice. Lake Grace was a better place because of Terry, he will be sadly missed.

### Budget 2016/17

On Wednesday 20 July 2016, Councillors will be holding their third budget workshop as it finalises the many areas of consideration and on this occasion will be looking at:

- 2016/17 Fees and Charges, with particular focus on Hall hire, bonds and recreation centres/pavilions;
- Reviewing unspent grants to ensure various projects are completed and funding properly accounted for with specific reference to our road projects under Roads to Recovery obligations; and,
- Allocation of appropriate funding for community services, including Australia Day events, youth and seniors activities and tourism.

### Tree Planting

Friday, 29th July 2016 is National Tree Planting Day, Lake Grace LCDC volunteers together with the Shire's gardening team will be undertaking some replanting of trees around Lake Grace, at Padley Park, Apex Park, Clark Avenue and in the areas between the Lake Grace Sportsman's Club and the old tennis courts. If you would like to come and help, you are most welcome to do so, please contact Tash Bowman or Jeanette Bennett at the Shire on 9890 2500 – see advertisement in this issue.

### Local Government Week - Convention

Councillors Hunt, Clarke, Lloyd and Chappell together with incoming CEO Denise Gobbart, will be attending the 2016 Local Government Convention in Perth from Wednesday 3rd to Friday 5th August 2016. The Local Government Convention brings together local governments from all over WA and is an important event on the Local Government calendar.

Items for discussion and decision at the Annual General Meeting of the WA Local Government Association include:

- **Non operational rail corridors:** the potential for these to be used by local governments or other third parties for community benefit;
- **Introduction of container deposit scheme:** where a deposit is included in the retail price of an item and refunded when the container is returned to the collection point. Local government has been advocating for the introduction of such a scheme for a number of years on the grounds that it would significantly reduce materials at landfill sites and address problems with roadside litter and drainage debris; and
- **Declared pest Plant C3 Review by DAFWA:** requesting the Minister for Agriculture and Food WA to ensure that the BAM Act review results in the Act giving DAFWA responsibility to control, manage and facilitate the eradication of pest plants and weeds and that the Department be adequately funded to undertake eradication programs rather than reliance on locally funded and managed recognised biosecurity groups.

The annual '**Banners in the Terrace**' display will once again be a feature with banners being flown on St Georges Terrace in the weeks leading up to the Local Government Convention. This year's Shire of Lake Grace entry has been painted by the Lake Grace Artists Group, if you happen to be travelling down St Georges Terrace anytime soon, keep a look out for it.

### Dr Manus Lochner

Thank you to local GP, Dr Manus Lochner for his service to our community over the past six months, we wish him well as he leaves us to seek opportunities elsewhere.

Registrar Kevin Fontana will be with us again as from Monday, 1 August 2016 until Dr Peter Brackenridge arrives on 12 August 2016 through to at least 12 September 2016. The Shire's medical business support service providers, First Health are currently in negotiations with three doctors interested in taking on the practice on a more permanent basis.

As we are all aware, finding a doctor with the appropriate skills and accreditation to service the needs of our local community and hospital has never been an easy task. The Shire will continue its efforts with First Health in finding a doctor to meet these challenges.

## National Tree Planting Day

In conjunction with the Lake Grace LCDC, the Shire is planting some trees within the townsite on

## Friday 29th July

and would like some help.

There's less than 200 trees and they're going to be planted at Padley Park, Apex Park, Clark Avenue and between the Sportsman's Club and the old tennis courts.

If you would like to help, meet at Padley Park at 10.00am on Friday 29th July. Wear sturdy footwear and bring gloves and a shovel.

There will be a sausage sizzle to follow.

If you have any queries please call Tash Bowman or Jeanette Bennett at the Shire on ☎9890 2500

## Lake Grace Walkers, Joggers, Greenies

### Can You Help?

We wish to control termites (white ants) in our townsite trees. Can you help us to identify any trees which are infested with or at risk from termites?

Termites are often not noticed until a big tree drops branches or falls over. We wish to treat the trees around town before this happens.

We are making a list of termite infested trees, particularly the big old remnants, so that we can protect and keep them.

If, whilst you are walking around town, you notice trees showing termite activity (this can be around the base or trunk) please pass on this information on to the Shire's customer service desk, '9890 2500 or [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au) so we can arrange treatment. Thank you.

## Newdegate Town Hall

With the completion of the "Well Aged" Units and the Lesser Hall upgrade, the Newdegate Rejuvenation Committee is seeking comment on the future development of the Newdegate Town Hall and old Doctor's Surgery.

Over recent years there have been a number of suggestions put forward, namely:

1. Retain but re-clad (remove the asbestos) and use the Hall for an Art Centre; Men's Shed; Other??? or,
2. Demolish the Hall and use the space as a grassed area for residents of the Units and as a green space entry to the town.

The Committee notes that the relocation of the "old station" building to the Recreation reserve has seen the annual Anzac Service event also move to that location. Moreover, activities undertaken in the Hall could be accommodated within the Recreation precinct. With building maintenance costs escalating and impacting on both general and SAR's rates, one needs to ensure that all buildings and facilities are delivering value for electors/ratepayers.

The Committee seeks your comments on the future use of this facility, you can send your comments to the Shire by letter or email ([shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au)) or you may wish to discuss this with your local Councillor (Crs DeLandgraff, Armstrong or Lloyd) or Committee Member (Lyn Ellard, Judy Walker, Diana Gosling or Anne Rintoul).

## Clarity on Residential Rates

**New website [www.knowyourcouncil.com](http://www.knowyourcouncil.com)**

For the first time, ratepayers in WA will readily be able to compare what they pay in rates with the average residential rates for their Local Government area for the past four financial years with the launch of the new website.

On the 20 June 2016, [knowyourcouncil.com](http://knowyourcouncil.com) was launched by the WA Local Government Association in response to the potential to misinterpret the rates information on the State Government's *mycouncil* website.

The site, [knowyourcouncil.com](http://knowyourcouncil.com) will also have the facility for each Local Government to provide commentary on the rationale for the annual adjustments to budget requirements and the impact on residential rates.

It will be supported by the *localeye* App which provides mobile search for community facilities and events along with a function to report local issues and register for fire alerts and warnings.

## Public Notice

### PROPOSED LOCAL LAWS

Notice is given that the Shire of Lake Grace proposes to make the following local laws:

- ✦ Animals, Environment and Nuisance Local Law 2016;
- ✦ Cemeteries Amendment Local Law 2016; and
- ✦ Health Local Law 2016.

The purpose and effect of each of the local laws is as follows:

#### Animals, Environment and Nuisance Local Law 2016

##### *Purpose:*

To provide for the regulation, control and management of animals and the prevention of environmental damage and nuisances within the District.

##### *Effect:*

To establish the requirements with which any person keeping animals, or undertaking activities that have the potential to impact the environment or create nuisance must comply.

#### Cemeteries Amendment Local Law 2016

##### *Purpose:*

To amend the *Shire of Lake Grace Local Laws Relating to the Lake Grace, Newdegate, Lake King and Varley Public Cemeteries* to correct errors in the adoption of the Shire of Lake Grace Cemeteries Amendment Local Law 2015.

##### *Effect:*

To delete clause 1.2(3) and amend clause 6.1(1) of the *Shire of Lake Grace Local Laws Relating to the Lake Grace, Newdegate, Lake King and Varley Public Cemeteries* to ensure an appropriate interpretation of the local law.

#### Health Local Law 2016

##### *Purpose:*

To provide a statutory means to effectively control issues that have the ability to adversely impact on the health and well being of the community.

##### *Effect:*

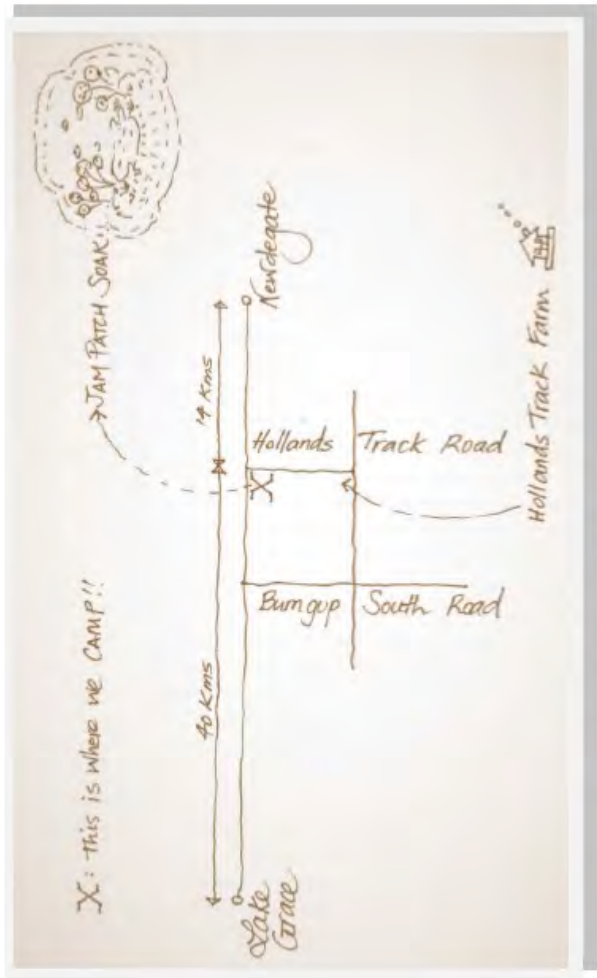

To allow health related issues to be sufficiently controlled so as to provide an acceptable standard for the maintenance of public health in the community.

A copy of the proposed local laws may be inspected at or obtained from the Shire of Lake Grace, 1 Bishop Street, Lake Grace 6353 during business hours 8.30am to 4.00pm or via the website [www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au).

# Humour

Everyone seems to be in such a hurry to scream 'racism' these days..  
 A customer asked, "In what aisle could I find the Irish sausages?"  
 The assistant asks, "Are you Irish?"  
 The guy, clearly offended, says, "Yes I am, but let me ask you something...  
 If I had asked for Italian sausage, would you ask me if I was Italian?  
 Or if I had asked for German Bratwurst, would you ask me if I was German?  
 Or if I asked for a kosher hot dog would you ask me if I was Jewish?  
 Or if I had asked for a Taco, would you ask if I was Mexican?  
 Or if I asked for Polish sausage, would you ask if I was Polish?"  
 The assistant says, "No, I probably wouldn't."  
 The guy says, "Well then, just because I asked for Irish sausage, why did you ask me if I'm Irish?"  
 The assistant replied, "Because you're in Bunnings."

## Round 11 - Saturday 16th July Jerramungup

### A Grade

**Coach: Karen Bairstow**

LGP 50 - JERRY 34

The start of the final round saw a very rough encounter with Jerramungup. It looked as though Jerry thought the only way they were to defeat us was by putting their body into the contest instead of contesting the ball and they certainly did that, forcing Sharon from the court after receiving a nasty blow to the face. Billie came onto the ground into shooter and Joely moving out to goal attack. Between them they were able to lift the side with Joely's awesome passes into Billie who held well and shot some nice goals. Again the defence stood tall and rebounded time and time again with good play, the centre court in Jem Shenae, Teneeka and Shan were able to withstand a lot of contact and play the ball getting on top of Jerry. It was a credit to the girls how they held their heads and were able to play a good hard standard of netball.

Best on Ground: Joely Slinn, as said above, when Sharon went off she was able to switch positions well

and take charge and deliver the ball to Billie time and time again as well as shooting some nice goals and taking strong rebounds.

Coaches award: Claire Wells- After quarter time she worked her opponent over, intercepting many of Jerrys forward moves and gave good run down court.

The weekend showed that we have good diversity in the team and we held together as a unit to withstand all elements and come out on top. Each week is going to get tougher, as a team we need to make sacrifices and put in extra effort if we want to play on the last weekend of the season which I am sure we can all do. Lets keep playing hard when we meet Borden at home!

### B grade

**Coaches: Flick Young & Caitlin White**

LGP 46 - JERRY 44

The girls had a fantastic win against Jerramungup. We had a slow start to the game trailing by 4 goals each quarter. During the last quarter every player stepped up and showed great determination and fight for the ball. The positivity and morale between players was outstanding and lifted the team to the win.

Best on Ground: Emily Younger for such determination and complete control of her game. Emily supported her team throughout the entire game offering strong precise leads.

Coaches Award: Tor Bennett for always creating a positive and encouraging atmosphere in every game. Not only does Tor bring a positive attitude she commits to every game she plays and puts in a hundred percent effort every time.

### Juniors

**Coach: Lisa Pearce**

LGP 24 - JERRY 15

The junior girls had a good win this weekend against Jerramungup. After a couple of weeks off for school holidays the girls started a bit slowly but by the third quarter they had found their rhythm and out scored Jerry by 10 goals taking a good solid lead into the final quarter. The girls were able to maintain that lead and came away with the win.

Best on ground: Leila Lemin who did a great job out in Wing Defence making lots of interceptions and really putting pressure on in the mid court.

Coaches award: Paige Zweck who is always so reliable in defence and gives her very best effort every week.

Well done girls!

## Net Set Go

**Coach: Shelley Stanton**

We travelled today to Jerry with a team of 7. A few of the team unavailable for this game, but that didn't worry us.

We started off with Lucas Robinson in centre and Payton Callope and Sheree Duckworth on the wings. Holly Stanton and Eliza Jury in goals were a strong combination and the defence of Gianna Jury and Amber Furphy stopped every possible chance of Jerry scoring.

Energy supplies were on hand at quarter time with Sheree Duckworth in charge. We were in need of an interchange so we had to call on Jaspar Marshall whilst Sheree Duckworth rested. With Lucas still in centre, we moved Gianna into goals and Amber Furphy eagerly assisting her. The new defence of Holly and Eliza continued on strong and Jaspar and Payton helped out on the wing.

Sheree came back on in the 3rd and was put into the goal shooter position with the help of Gianna. Gianna worked extra hard and her sister Eliza buzzed around the wing to fully support the forwards. Holly and Lucas did a swap with Amber Furphy helping them out on the wing and Payton in at goal keeper.

The final quarter saw the game speed up into full pace. Holly went into attack with Payton and Payton scored her first game goal. Lucas continued in defence with Sheree whilst Eliza was doing a fabulous job and unstoppable on the wing. Gianna was strong in the centre and the ball was worked really every centre pass to our attack with the help of Amber Furphy on the wing.

What an amazing, fast flowing game. There were lots of red faces after the game & the energy supplies were greatly appreciated.

This week we are at home against Borden. Usually no game with NSG however we may have an internal scratch match as we have lots of new interested players wanting to join the NSG family. Have a great week and see you all court side on Thursday for training.

**NSG Netballers. At back: Gianna Jury, Holly Stanton, Amber Furphy, Lucas Robinson and Jasper Marshall with coach Shelley Stanton and at front Payton Callope, Sheree Duckworth and Eliza Jury.**

## ROUND 11

VS Jerramungup on July 16<sup>th</sup> 2016 and played at Jerramungup.

Sponsors for round 11 were **LAKE GRACE PLAZA IGA, MAALOUF FORD, PINGRUP TRADERS AND TREVENEN BUILDING AND GLASS.**

The Lake Grace-Pingrup Football Club wish to extend their sympathy to Lenore Gladish and family on the sudden passing of Terry. Whilst Terry was not a visible supporter he always followed our fortunes and it seems donated a lot of bulk postage to the club over time (-: The club acknowledged Terry in the usual manner by wearing black arm bands on the day.

The weather on match day was fine with a strong breeze blowing across the ground, slightly favouring the town end.

## LGPFC A RESERVES

The LGP A Reserves fielded a strong team complemented with school holiday boys.

The Bombers were in control early but the strong cross ground breeze restricted scoring somewhat.

Quarter time scores were LGP 3-1=19  
Jerramungup 0-0=0

The second quarter was much the same with the Bombers having most of the play but unable to convert to major scores, kicking 7 behinds to Jerry's 3 behinds.

Half time scores were LGP 3-8=26  
Jerramungup 0-3=3

The third term saw the Bombers settle, getting used to the breeze and starting to hit the major opening adding 3 goals 4 but Jerramungup also responded adding 2 straight goals to their tally. Players such as Bailey McGlinn, Aaron Carruthers and Patrick Smith stood out, displaying their skills to the Bombers' advantage.

Three quarter time scores were LGP 6-12=48  
Jerramungup 2-3=15

The final term belonged to the Bombers when they put all their skills together with a goal kicking bonanza, adding 7 goals 1 to Jerrys' 2 goals 1. The LGP A Reserves are looking to be strong Grand Final contenders with the players available at this stage.

**Final scores were LGP 13-13=91 Defeating JERRAMUNGUP 4-4=28.**

Major goal scorers for LGP were Bailey McGlinn 4, Braden Reynolds 3 and John Callope 2.

Award winners Reserves Best on Ground Cent Amores, BOG Runner up Patrick Smith and Coaches award to Aaron Carruthers.

**LGPFC JUNIORS LGP 12-12=84 defeated Jerramungup 1-1=7**

An easy win for the Junior Bombers with so many talented kids in the team.

**Fed by Fyfe awards went to Brady McGlinn and Josh Cameron**

Some of the best for LGP were Brady McGlinn, Josh Cameron and Cade Moore.

## LGPFC LEAGUE

Luke Bairstow was unavailable as a result of a knee injury against Boxwood two weeks ago as was Jarryd Morton from a calf strain at the Landmark Carnival last weekend. Jarrod Robinson was back from a hamstring injury so the Bombers appeared to have a strong side which included young Ben Watson for the round 11 match.

The first quarter was a similar scenario to the A Reserves with neither side gaining much advantage in the windy conditions.

Quarter time scores were LGP 0-2=2 Jerramungup 1-2=8

The second term was more up tempo with more scoring

by both sides but no clear advantage by the long break but the Jerry Eagles were leading with an eleven point margin.

Half time scores were LGP 4-6=30      Jerramungup 6-5=41

The so called premierships quarter was still a tightly fought contest and the Jerry margin had increased by two points to 13. The Bombers were having trouble converting with their behinds score doubling the goal score at 5 goals 10 behinds.

Three quarter time scores were LGP 5-10=40  
Jerramungup 8-5=53

The final term was not good for the Bombers with the Jerramungup Eagles adding 4 goals 4 behinds to the LGP Bombers 1 goal 1 with the final siren giving the Eagles a 34 point winning margin. The Bombers were obviously missing their 'little general' in Luke Bairstow but will have to learn to cover that as we had the players to win the match but could not seem to put it together.

**Final scores LGP 6-11=47 defeated by  
JERRAMUNGUP 12-9=81**

Leading goal scorer for LGP was Mitch Morton 4.

Better players for LGP were Alex Duckworth, Bodhi Clifton, Ben Watson, Joe Duckworth, Tyson Prater, Chris Trevenen, Kael Gray and Reece Smith.

Award winners for LGP: Best on Ground Alex Duckworth, BOG runner up Joe Duckworth and the Coaches award went to Kael Gray.

The next Winter Sports day is on July 23<sup>rd</sup> at home against Borden so I guess there will be no A Reserves game as usual.

Congratulations to young Jerramungup player Tom Baldwin who won the Clem Bray medal for the 'Rising Star' first year colts player at the recent Landmark Colts Carnival. Also the Jerramungup Netball Club celebrated their 50<sup>th</sup> anniversary of netball in the district.

## Lake Grace DHS P & C Camp Fund Raffle

The P & C Camp Fund Raffle has been established to reduce the cost of camps, excursions and incursions for all students of the LGDHS and to assist those families who may not be able to afford the full cost, assistance so their children don't miss out on these wonderful opportunities. PCAP, up until 2 years ago used to fund and subsidise these activities in schools. This body no longer exists with all the government budget cut backs, so it now falls onto schools and parents to fund these activities. The P&C is looking for fundraising ideas that generate high income with low input, as we all are members of various groups who are in the same boat. If you have any ideas, please put them forward to the P&C. All ideas welcome!!

This year's raffle, awesome prizes and low ticket numbers means higher chance of winning.

- 1<sup>st</sup> Prize - \$3000 travel voucher &/or IGA voucher
- 2<sup>nd</sup> Prize - \$1000 travel voucher &/or IGA voucher

## LGPHC 5 defeated Jerry 0

What a welcome back to hockey - the wind was strong and made the first half a battle. With the score being 1 - 0 at half time. The second half was with the wind and as Coach Clifford predicted it was a 3-4 goal breeze and we took full advantage. A strong team effort across the park was on display. It is great to see all the hard work at training paying off. And Brittnee that short corner that you have been wanting finally paid off - your goal was amazing.

A big THANK YOU to Donna for stepping into Goalie at short notice. Also to Brad O'Neill for picking up the whistle for the second week in a row.

Play of The Day - goes to our Captain. She clearly was a Girl Guide and is always prepared. Not sure how many other hockey players carry a spare mouth guard.

Best of Ground: Brittnee  
Team Player: Yasmine

## Round 11 Jerramungup (0) v's LGP (5)

It was the beginning of Round 3 and we were bracing ourselves for not only a tough Jerry but lots of rain and wind. Luckily the rain didn't show up and the wind held off till the Seniors Game!! (Not so lucky for your coach!!). We were also a depleted side due to school holidays only being able to field 11 meaning no subs. Everyone played well but I knew we could play better so after our

half time chat it was time to show Jerry what we were really made of! The kids took quicker frees giving Jerry less time to set up and once again passed the ball confidently amongst their teammates therefore gaining possession and control and resulting in five fantastic goals, including a specky goal from Josh Cameron on the back line. Well done team, you're awesome to watch and I look forward to another fantastic game against Borden this weekend.

Coaches Awards: Reegan Marshall and Luke Clifford

Goals: Josh Cameron 2, Jonty Robinson 2, Troy Murray 1

# Lake Grace Golf Club Notes

Craig Reeves

Sunday, 10th July was another Stroke round/Qualifying round, sponsor for the day was the President of the Lake Grace Golf Club.

A good band of 13 players took to the course in the hope of bettering their chances of taking out this year's championships. It was a cool and breezy afternoon for a stroll on the course, the course itself is in fantastic condition, but apparently nobody told the players that this should have been fine golfing weather as the scores reflected perhaps a lack of judgement and maybe even a little tiredness creeping in.

One funny story from that day is a group of four players about to tee off on number 18. I would have considered that all four players were seasoned golfers, the self-proclaimed captain of the group then told everybody that all you need to do is caress the ball across the creek.

First player tees off and somehow his ball manages to find its way over to the fairway on 17.

Second player tees off and finds his ball in amongst the trees.

Third player tees off thinking I am going to just caress the ball across the creek but finds himself under the bridge in the creek.

Captain of the group then walks onto the teeing base and says "let me show you how it's done" and promptly drops his ball also into the creek. Now this hole is only a short par three, combined total of 12 shots, but I think by the time everybody holed out it was more like a combined total of 20 shots.

Winner of the day was Matthew Spurr with an 87/17/70 nett.

Runner-up for the day was the man driving the shiny red golf cart in Nick Maalouf with a 101/27/74 nett.

Gross winner for the day was Craig Reeves with a 90/12/78 nett.

Novelties for the day:

NTP: 4- Kevin Eggers sponsored by Elders Insurance, Justin Wright. 6- Helen Hunt sponsored by Lake Grace Roadhouse. 15- no one. 18- Denise Gobbart sponsored by Lake Grace CRC. Longest putt on 9 was Craig Reeves sponsored by Lake Grace Tyrepower. Craig also won the longest drive on 1 sponsored by Lake Grace Home Improvements.

Thank you to President Murray Stanton for your generous sponsorship for the day.

Saturday, 16th July we had six golfers travel out to the Varley Men's Open Day. Although the day was quite windy the rain held off until the trip home. Bringing home the goods were Craig Reeves and Phil Young who were the winners of the day. It was thought to be the only time that Lake Grace golfers had ever won

Varley's Open Day.

Sunday 17<sup>th</sup> of July was the greatly anticipated Stanton/Strevett sheep day. An individual Stableford was played throughout the afternoon with hidden partners being drawn in the clubhouse that night. A good field of 15 players took to the course, some in great expectations of winning the sheep and filling up their freezer at home. Some great individual scores for the day were Dean Sounness with 39 points, Chad Stanton with 38 points, Derek Stanton with 36 points, Phil Young with 35 points. Dean playing off a 9 handicap showed why he has such a low handicap having a 78 off the stick, well done.

Joint sponsor for the day, Kingsley Strevett had the dubious honour of drawing out and matching up the partners for the day. A good score of 69 points was Derek Stanton and Matthew Spurr but it did not get them over the line as the winners for the day with a score of 70 points was Rob McVean and Chad Stanton, well done to you both. Stubby was heard to have said earlier in the night, that I pity the person who draws me as there is no chance of us winning, giving an indication that he did not have a good day.

Novelties for the day:

NTP: 4- Matthew Spurr. 6- Craig Reeves. 15- Chad Stanton. 18- Rob McVean.

The daily long drive for the men on 11 was won by Phil Young. Longest putt on number nine was won by Dean Sounness. Daily long drive for the ladies on 3 was won by Jeanette Bennett. The Birdie hole was spun and up came number 10, no winners so once again it jackpots.

Next week's competition on Sunday, 24 July is a 4BBB Stableford sponsored by CCL hardware.

Saturday 30<sup>th</sup> of July is the Hyden Men's Open Day.

Sunday 31st July will be a Stroke event sponsored by Leading Appliances.

Golfers don't forget that the Lake Grace Golf Club is holding a Holden Scramble on Saturday 27th August starting at 11:30 AM.
