## Lake Grace-Kukerin A Grade Premiers

Danielle Robertson. Photo Lois Dickins.

**A grade premiership team from back left: Trish Leo, Julie Ditchburn, Michelle Gooding, Amy King, Amber McPherson, Rebecca King, Danielle Robertson, Michelle Penney, Tracy Taylor, Jess Davidson. Front: Aimee Hall, Fiona Chatfield, Jorja Kirby, Robyn Ogilvie, Mel Eynon, Kelsie Harrison.**

What a way to finish off a top notch year of hockey. The Lake Grace-Kukerin women's A grade team defeated KK Vipers 2-1 in the Roe Districts Hockey Association Grand Final played in Corrigin on Saturday 31<sup>st</sup> July. After a season undefeated, the A grade team finished the year with a fantastic game, at times a bit close for comfort but goals from Michelle Gooding and Mel Eynon sealed the game. Best on Ground for the Grand Final was Michelle Gooding. Thank you to Trish Leo and Tracy Taylor for taking on the coaching roles for the Finals series. Your support is very much appreciated.

The men's team also were playing in their Grand Final

on the same day but unfortunately lost 4-0 to KK Vipers. A solid effort from all but just not quite there on the day. Our B grade were knocked out in the Semi Finals by Karlgarin/Hyden and the C grade made it through to the Preliminary but were beaten by Corrigin.

Our wind up was held on Friday 6<sup>th</sup> August with 2021 awards presented as follows.

B Grade Fairest & Best (donated by Lake Grace IGA) – **Tracy Taylor** (20/48 votes)  
B Grade R-up F&B (donated by Pauline Taylor) – **Paula Blight** (18/48 votes)  
B Grade Most Improved (donated by Lake Grace

### CRC Opening Hours

9:00am - 5pm

Closed from midday to  
1pm for lunch when short staffed.

## Deadlines and Editions

All articles, news and advertisements are to be submitted to the Lake Grace Community Resource Centre by 3pm on Monday of paper week.

### Next Deadline

Monday 23rd August

### Next Edition

Thursday 26th August

To the **very** dedicated team who volunteered their time to this edition of the Lakes Link News.

Annie Slarke                      Gwen Oliver

Lee Duckworth

Thank you also to our many contributors of articles.

#### DISCLAIMER

- 1) No liability shall be incurred by the Lakes Link News by reason of any amendments to, or error or inaccuracy in, or the partial or total omission of an advertisement or by reason of delay or default or from any other cause whatsoever. If in the opinion of Lakes Link News the error clearly reduces the value of the advertisement and the advertiser notifies it to Lakes Link News within seven days of the publication date, then one correct insertion will be made without charge.
- 2) While the Lakes Link News aims to publish all material submitted, Lakes Link News reserves the right to refuse to publish or re-publish any contribution or advertisement without giving any reason.
- 3) No articles, letters or advertisements will be accepted which may appear to be defamatory or accusatory, or to favour one side in a legal dispute.
- 4) Lakes Link News reserves the right to shorten or otherwise amend any contribution other than advertisements.
- 5) The opinions, views and beliefs expressed in articles and other submissions to the Lakes Link News do not necessarily reflect the opinions, views or beliefs of the CRC staff or Committee.

## Editorial

- What a fabulous town we live in where people pick up after you. If you think you make some silly mistakes then I'd be leaving you in my wake. Thanks to those who formed the chain gang that returned my purse to me after I thought the Plaza box cage would be a good place to throw it! It's not the first time that I've benefited from the integrity of others and I doubt it will be the last.
- The LCDC (Land Conservation District Committee) has a busy bee on this Sunday 15th August, hopefully the winter weather will give us a bit of a break. The busy bee is to start a clean-up of the remnant bushland around Lake Grace (advert over the page). If you can help out for a couple of hours that would be great, if you want to know more then please give Michelle (or myself) a call. I understand there's going to be some yummy scones on offer.
- As you can see below we finally have our Pilot Training and Accreditation workshop happening, it will be held on the 6th and 7th September. The cost isn't cheap but that is out of our hands. Please call or email us and we will forward you an enrolment form.
- Don't forget we also have the Forklift on the 14th and 15th September. There's only a couple of places available for this.
- We are taking names for the following workshops (please understand we can't start organising until we get the minimum (or close to) number of names):
  - HC/MC truck driver training and accreditation
  - HR truck driver training and accreditation
  - Chemcert
  - Telehandler
  - Elevated Work Platform
- We're always on the lookout for photos from around the Lake Grace area. If you have something of interest and are happy to share, then we would love to hear from you.
- Don't forget we're looking for interest for the Harvest Festival - surely it'll have stopped raining by then! Are you wanting to fundraise for a group or organisation? Have you been getting creative and wanting to sell some of your product? Now's the time to start getting organised. We'd love to hear from you!

Suzanne Reeves

## Pilot Training & Accreditation

*Employment Training Solutions, a Main Roads authorised provider, will be in Lake Grace on Monday 6th & Tuesday 7th September*

*(This is a two day workshop) to conduct training and accreditation.*

Minimum of 8 and  
Maximum of 12  
participants.

**Cost:**  
**\$1,400 per person**

Please contact the Lake Grace Community Resource Centre on 9865 1470 or by emailing lakegracecrc@westnet.com.au to register your interest.

*We need 8 enrolments for this workshop to go ahead.*

## About Town

- Belated happy 100th birthday to Minnie McKay nee Pelham, a past resident of Lake Grace. Minnie's parents were Minnie Lilian (Lil) and Gordon (snr) Pelham and of course her brother was Gordon jnr. Minnie celebrated her milestone birthday with family and friends on the 14th July.

- Congratulations to Lake Grace-Kukerin A Grade Hockey girls on their premiership win, commiserations to the Men's team.
- LAKE GRACE PINGRUP HOCKEY CLUB  
RAFFLE RESULTS (Drawn 31/07/2021)  
1<sup>ST</sup> Prize \$5000 Ticket No. 74 **Sonia Harris**  
2nd Prize \$1500 Ticket No. 209 **Cliff Lane**  
3<sup>RD</sup> Prize \$1000 Ticket No. 85 **Tash Bowman**  
Congratulations to our winners and Thank You to everyone who purchased tickets in our raffle.

## Join us for a BUSHCARE BUSY BEE

This Sunday 15<sup>th</sup> August

10am - 12.00pm

**East end of town** (corner Griffin Street & LG-Newdegate Rd - enter from Griffin Street)

We will be removing old rubbish and dumped garden waste.

Bring your water bottle, work gloves, buckets, shovels and perhaps a wheelbarrow. Utes (for a tip run) are welcome.

Wear long pants, sun hat and enclosed shoes/boots.

*Scones, jam and cream will be provided as a bribe!*

Contact Michelle Slarke 0488 693 595 for more info.

# Community Reaps Grant Funding From Community Crop

Kevin Naisbitt

In 2014 the community crop group purchased a 120ha block of land south east of Lake Grace off Willcocks road. Previous to this the community crop group was partly cropping the old Newdegate Research Station farm but the distance from Lake Grace meant this location was too far away to be feasible.

With a deposit being funded from the previous cropping group the land was purchased with loan from the Lake Grace shire and paid back over the last 6 years. Money left over from the previous cropping was also used to put our first crop in in 2014. In 2019 the community crop paid the last of the instalments for the loan however with finding an extra 50ha of lease land and with 2020 not being the finest season in the Lake Grace area we have not been able to start the community grants scheme until now.

The community crop group falls under the umbrella of the Lake Grace Development Association. An association which allows not for profit groups to operate without the extra complication of having to be incorporated, therefore minimizing the overall startup costs and time. The Development association currently has 18 similar groups under its banner.

The management of the cropping group has been from the chair Royce Taylor for the last seven years, with his trusty second in charge organiser Johnno O'Neill and main agronomist/operations manager Grant O'Neill.

As we all know from farming in Lake Grace, we do have sluggish years, yet with the level of support and consistent donations of time and labour from our community we have been relatively shielded from the down sides of farming. All the machinery used to seed, harvest, truck, spray and spread have been donated. Many of the inputs of chemical, seed and fertiliser are subsidised with much of these costs falling back onto individual farms and businesses. These donations of machinery and inputs have been going on every year for the last seven years of this cropping program. Without any hesitation or acknowledgement, from this generosity alone we have got to where we are now.

The community crop community grants are open... This year the total funding pool available is \$20,000 and the amount available each year will be dependent on the season. The grant applications form will be available from either the Lake Grace CRC or online at <https://www.lakegrace.wa.gov.au/news/community-crop-community-grants-program/24>

The grant applications can be accessed every 4 months by a committee of 6 made up from the Development Association, Community Cropping group and two more community members. They will be assessing all grants, and monies will be distributed to applications which best fit the community. This is just the first round, but the grant fund can be fully distributed in any round until the next crop comes in.

The grants are open for any community based project

*Kim, Jamie and Harry Slarke spraying the community crop. Photo John O'Neill.*

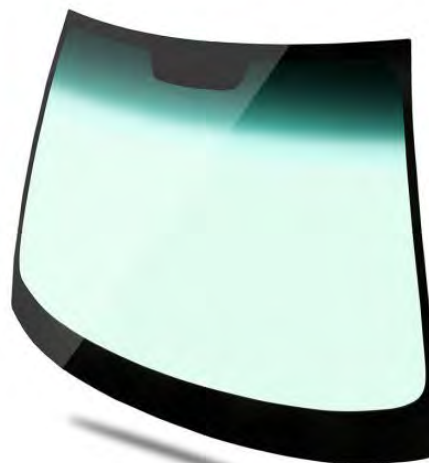

from small (under \$1,000) to large (\$5,000 plus). Even if you have a project coming up within the next few years but are not ready yet, a small message of expectations will also be appreciated to help the community crop grants committee plan for the future.

I can't emphasise enough that this grant fund is only possible due to the donations of time, machinery and money made to the community crop from the **Community of Lake Grace**.

# Let the Fun Begin

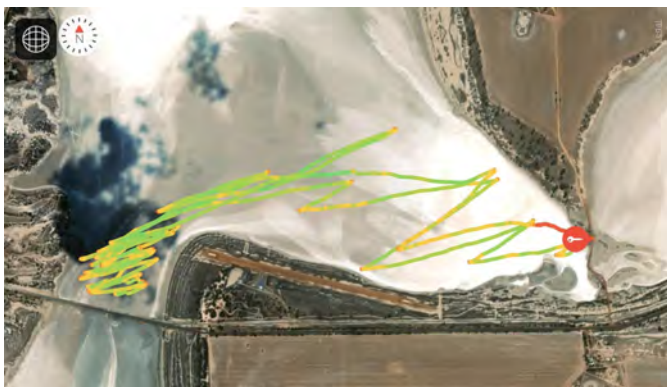

Steve Curtin

The recent above average rainfalls have meant there has been enough rainfall to fill many local lakes which looks good for the summer ahead for small boating activities and water sports. On 1<sup>st</sup> August, the Curtin's (Paul, Nat, Steve) took advantage of the conditions on Cemetery Lake to start the kitesurfing season. Then 1 week later conditions were good for North Lake Grace between the access road to Rhyne and the golf course.

Cemetery Lake was slightly salty and about waist deep in the middle, while North Lake Grace was very salty and shallow varying from ankle deep to 40cm at most – still good enough for kitesurfing.

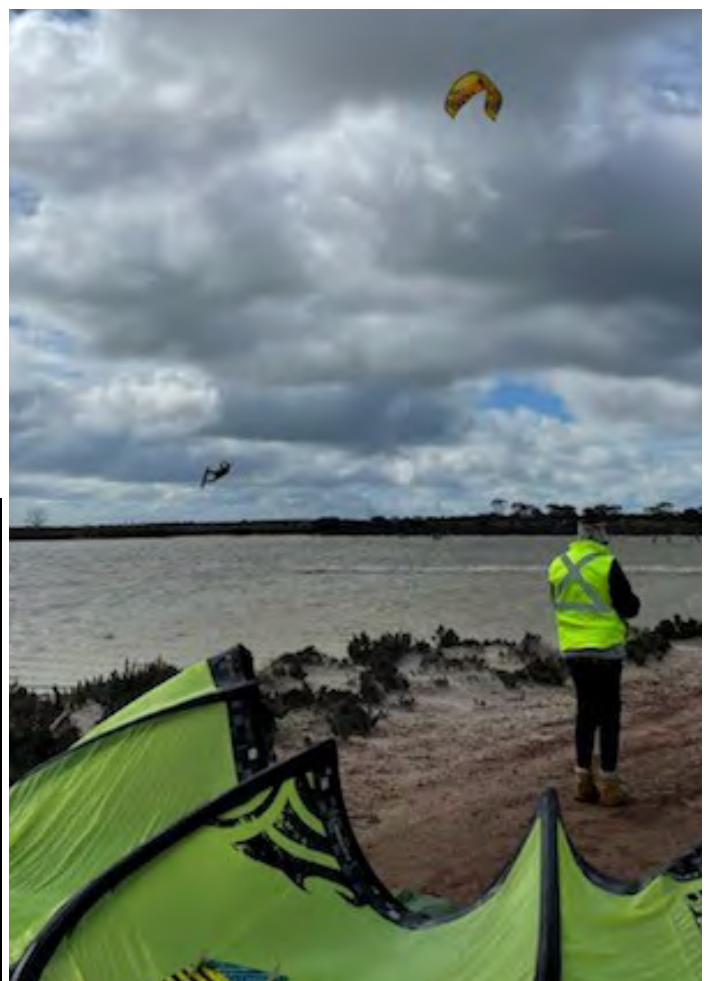

The water in cemetery lake is very cold at the moment with all kites coming in with numb hands and feet but big smiles. The pictures below show some of the kites in action and the GPS tracking on North Lake Grace. This was a distance of 26km in a 1hr, 20min session.

With this much water around its looking good for summer.

**If you're going to make use of the lakes for sport please take your rubbish with you - broken glass isn't good for feet and can damage the kites.**

**Remember you can get 10cents for those bottles - if you don't want the money, donate the bottles/cans to some of our local causes that are collecting.**

# Seniors Christmas in July Luncheon

Nineteen attended the seniors Christmas in July luncheon at Walkers Hill Vineyard. With fifty percent of the cost sponsored by the Seniors Group it was an opportunity to dress up, forget about the winter blues and enjoy a fabulous meal. If you would like to be a member of the seniors group then have a chat with President Rosemary Bywaters or drop into the CRC.

**Above: Walter Perry and Les Fisher.**

**Top Right: Shirley Altham, Joyce Gilson and Faye Ormerod.**

**Right: Phyllis Dunham and Marj Bushby.**

**Bottom Right: Rosemary Bywaters and Maria Chircop.**

**Below: Les and Joan Fisher.**

**Right: Rudolph made an appearance.**

**Photos - Wally Perry and Toohey Altham.**

## About Town - Photo Story

**Community Paramedic, Shelley Johnstone, attended the August Seniors lunch to give a talk about what she does plus a little bit about herself and her family.**

**Lunch was catered for by Lake Grace Playgroup - fabulous as always - with 20 in attendance. Great to see Rosemary Bywaters daughter, Julie come along. If you have family visiting they are welcome to join in for the lunch - only \$15 a head.**

**For September the CWA will be catering, to RSVP contact Nat Gambuti on 0429 793 973.**

**And how often has it happened that two brothers have got to tussle for the title of club champion for the Lake Grace Golf Club?**

**We have it on good authority that this hasn't happened before.**

**Well done Derek and Chad Stanton for getting to the final round - may those smiles last throughout the 36 holes. Of course they have plenty of time to practise their strength and endurance exercises while the golf course dries out.**

**Not a pleasant situation for Murray and Cobi - which son do you barrack for??**

**All Good Refund Depot Manager Norm Chilcott said they recently hit a huge milestone.**

**A couple of weeks ago All Good Refund Depot hit the 1,000,000 items mark processed through the Wagin based Depot that services Lake Grace and surrounds.**

**This achievement would not have happened without the diligent support of Lake Grace and it's Environmentally wise locals.**

**That milestone means that we have kept 1,000,000 items out of land fill and put money bank into the pockets of individuals and organisations to the tune of \$100,000.**

**The little depot with the big heart and enthusiastic supporters constantly surprises the State Government organisers behind the Containers for Change project with the sheer volume it continues to process every week.**

**Keep it up Lake Grace, we could not do this without you.**

**Last fortnights pickup left the All Good Refund Depot from Wagin struggling for space - so much so that some of the containers had to be picked up on a second trip.**

# A Field Guide to Flora

Suzanne Reeves

Despite the flooded roads and paddocks, the shearing shed at Cambinata Yabbies was ready to receive expectant people from as far away as Perth, Yallingup and Mundaring. The doors opened at 9.30am and Jolanda had her book ready for signing and buying. Mary and Michael Nenge had provided heaters to warm up the room, and coffee and tea. Mary had been baking shortbread cookies and delicious scones which were served with mulberry jam and fresh whipped cream.

Then it was time for the official launch. Mary welcomed everybody and Anne Rick told a bit about Jolanda's background and her meticulous work on getting this book together. Jolanda then gave an overview of the work she has undertaken over the last three and a half years which has culminated in the book, documenting 624 flora species, of which 247 have not previously been recorded for the reserves and 30 are weeds. Jolanda indicated that of the 32 species of conservation concern found on the reserves, 12 were new records for the reserves. She also mentioned that 18 plant species are considered an extension of their previously known range and showed some examples of this.

The book provides information about 25 Eucalyptus species, 16 orchid species and also includes a monthly flowering calendar as well as species lists and photos for fauna, fungi and lichens observed during her fieldwork. She mentioned that there will still be flora (and fauna) out on the reserves that are not covered in the book, but it is a good effort and was an enjoyable journey. She thanked her supporters before handing over to Peter Rundle, MLA.

Peter thanked Mary and Michael for always promoting regional development and Jolanda for producing the book, which will be an asset for the region and will draw more tourists to the area.

The book is available from the Lake Grace Visitor Centre, Dumbleyung CRC, Cambinata Yabbies and the Wildflower Society of Western Australia. It retails for \$40.

After the launch, some 20 people went out for a guided tour in the reserve. Although it was cold, we were very lucky that it wasn't raining. We gathered on Hills Road and walked along the central track. Due to the rain, some flowers were out early and Jolanda used the book to show the species. Marissah Kruger from the Department of Biodiversity, Conservation and Attractions explained why some species are in decline and what the department's fire regime is doing to try bring them back. After a pleasant hour browsing through the reserve, we said goodbye and went on our way home.

## Islands of Town Bush Need Protection

*Michelle Slarke*

Over the last century, the local countryside has been changed dramatically due to large-scale land clearing --for farms, towns, houses and roads. Lake Grace townsite, established in 1911, still retains patches of bushland however, and these are the focus of a conservation project with community volunteers.

Groups of trees scattered around Lake Grace townsite may go unnoticed yet are important as survivors of what the country was like before clearing and therefore deserve protection. A collection of Red Morrels near the horse-yards and the school are significant; Red Morrel Woodlands of the Wheatbelt are now critically endangered (Priority 1) and protected under law. The quandongs near the Sportsman's Club and the Kondinin Blackbutts in the Child Care Centre yard and town centre are also important reminders of the natural history of the area.

The west end of town was home to a salmon gum woodland that stretched from Dewar Street to the south side of Stubbs Street. The last of these trees remain in the new industrial area (some magnificent specimens), near Farmers Centre and as single trees in the yards of SBM Tyres and Elders. These iconic trees are mentioned by early settlers in town histories and some can be seen in early photographs of the town, probably making them more than 100 years old.

**Right: Blackbutts, corner Griffiths and Absolon Streets**

# Islands of Town Bush Need Protection *(cont.)*

More plant species, possibly any rare or endangered, will come to light when local botanist Anne Rick prepares a flora survey of the seven Bushcare project sites. Mrs Rick's report will also provide a species list for replanting each site, scheduled for early next winter.

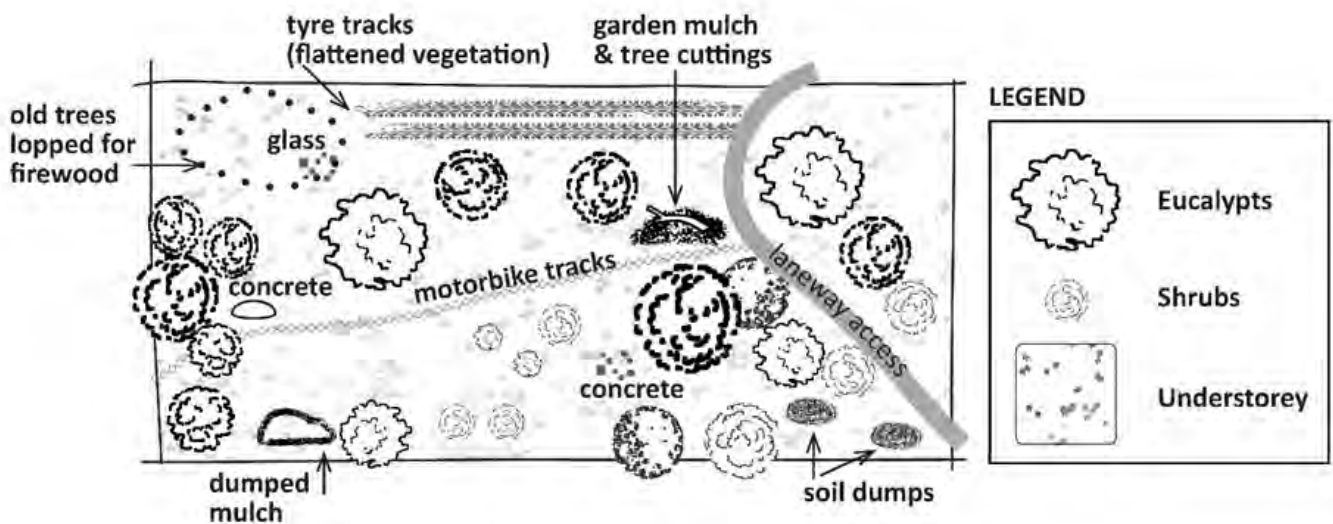

Initial reviews of each site have been completed with interesting results of a range of flora. These reviews also record the health and condition of each remnant. Critically, the obvious factor that threatens the bushland and the resident fauna is the past and continuing damaging behaviour of people. That is, dumping rubbish and garden waste, cutting firewood and driving on and cutting down vegetation.

These impacts can be seen in the diagram below showing the .35 ha bushland at the west end of Clarke Avenue. These same issues are common at the other project sites.

Despite these impacts, these islands of bush are home to old and new eucalypts, acacias, and other flora, as well as a diversity of birds, reptiles and other fauna. Local people can help improve and save these remnants by joining busy bees to remove rubbish and garden waste before replanting next year. The first busy bee will take place this weekend.

Lake Grace Bushcare Project is led by Lake Grace Community Resource Centre and Lake Grace Land Conservation District Committee.

## The State of the Bush - Clark Avenue Remnant Bushland

**Right: *Salmon Gums* and other eucalypts, Stubbs Street west**

# Bits & Pieces

Kevin Seaman

The bits and Pieces page has been going long enough you will know if you have been answering the quizzes right, then you will be rated in the higher echelon of being knowledgeable. True or False, If you answer true then apply yourself to the following questions, and see how you fair. If you find you fail in your answers then back to the book in an endeavor to up your rating.

True or False Correct answers and further explanation on the next page

1. There are rivers in Saudi Arabia T or F
2. The great wall of china is visible from space T or F
3. The Atlantic ocean is the warmest in the world T or F
4. Light travels in a straight line T or F
5. The unicorn is the national animal of Scotland T or F
6. There are 5 different blood groups T or F
7. The big apple is a nickname given to Washing D.C in 1971 T or F
8. Emus can fly T or F
9. A credit card and debit card are the same thing T or F
10. Facebook is not as popular as it used to be, Its losing its audience T or F
11. Horses, Ponies, Donkey's, Mulls and Zebras are also known as Equines T or F
12. The richter scale classifies hurricanes into five categories T or F
13. The worlds largest continent is Antarctica T or F
14. Blood in the arteries is bright red, the blood in the veins is dark red T or F
15. Rhinoceros have the best immune systems T or F

As we are in the thinking of Gold, Silver or Bronze with the Olympics dominating our thinking, Lets rate you to see how you fared.

18 Correct (GOLD) 12 Correct (SILVER) 6 Correct (BRONZE) Less than 6 back to the books you go!

Now for a couple of funnies,

## Plenty of Time Left

A 52 year old woman had a heart attack and was taken to the hospital.

While on the operating table she had a near death experience. Seeing God she asked "Is my time up?"

God said :No you have another 47 years, 6 months and 4 days to live"

Upon recovery, the woman decided to stay in the hospital and have a face lift, liposuction, breast implants

and a tummy tuck. She even had someone come in and change her hair colour and brighten her teeth.! Since she had so much more time to live, she figured she might as well make the most of it. After her last operation, she was released from the hospital. While crossing the street on her way home, she was killed by an ambulance.

Arriving in front of God, she demanded, "I thought you said I had another 47 years? Why didn't you pull me from out of the path of the ambulance?"

God replied " I didn't recognize you with all that work done."

## Nuns With Large Headgear

A Young couple went to the movies and found their seats were directly behind two nuns with large headgear. Trying to see past these obstacles, the girl muttered, "It would be nice to go to Scotland, there aren't so many nuns there" The boyfriend replied audibly "What about Sweden, there are even fewer." One of the nuns turned around, smiling sweetly and said "Why don't you both go to hell, you wont find any there!"

# Lake Grace P&C Update

Nikki Lewis - LGDHS P&C President

With fundraising as one of the key tasks of the P&C, we ask for you to take a look at our current LGDHS P&C online fundraiser.

This fundraiser not only rewards our children with new equipment and funding that the P&C contribute to help improve our school for current and future students but also anyone who wishes to support the fundraiser.

We are inviting family and friends to support our P&C by purchasing wine and/or gin through

*Wise Wine*, a 5 star *James Halliday* rated winery in Margaret River. A big thank you to those who have already ordered, with only a handful of orders we have already raised \$643 for our P&C.

Buy a straight or mix dozen of wine &/or gin and your order will be delivered free of charge within Australia direct to you and *Wise Wine* will donate 20% of the sales price to the LGDHS P&C account!

To order simply go to the below web address

[www.wisewine.com.au/lake-grace-district-high-school/](http://www.wisewine.com.au/lake-grace-district-high-school/)

The minimum order is 12 bottles so join in with friends and family to make up your order or order some as

gifts. Prices start from \$16 per bottle, the price and the donation will show automatically. Then enter your name, phone, email and delivery details. Click to Place Your Order to complete your purchase via the secure PayPal payment system (all credit cards accepted). Delivery to Lake Grace should take 7-10 working days. Perth takes 5-7 working days.

The wines and gin are excellent quality and discounted 20% off Cellar Door price. This is a great way to support our P&C and enjoy some good wine and gin at the same time. We have Walkers Hill Winery's blessing who are also keen to put an order in. This fundraiser will remain open until at the least the end of the year so no one misses out.

Our next P&C meeting will be held **on Monday 6<sup>th</sup> September @ 7pm** in the Padley Room.

If you have any agenda items or P&C queries please send them through to our shared P & C committee email [lakegrace.pandc@gmail.com](mailto:lakegrace.pandc@gmail.com)

Regards

DL: 2371

# POLICE NEWS

LAKE GRACE POLICE STATION  
56 STUBBS STREET, LAKE GRACE. 6353  
Phone : 9890 2000 Fax : 9865 1429

Email: [Lake.Grace.Police.Station@police.wa.gov.au](mailto:Lake.Grace.Police.Station@police.wa.gov.au)

Personnel: Sgt. Travis Taylor, SC Fiona Main. PC Scott Oatridge

Well another two weeks seem to have flown by and another news article is upon us already. At the time of writing this article we still have no idea of when Lake Grace Police will be welcoming a new Sergeant, we will of course keep you all informed as and when this happens.

We are trying our best to recruit someone who will fit in the town and its values, and we may have to do a little promotional video to try and 'sell' the town. I personally don't think we should need to do this, but believe it or not, it's quite difficult to get people to make the move. Once they are here, they will love it!

## CRIME

Police mainly act on information coming in from the community, or on other reasonable suspicion that something untoward is happening. This can be by way of information

provided directly to police, or anonymously via crime stoppers. We can't just go entering someone's house because we don't like them or we 'think' they are drug dealers, without that reasonable information. This usually comes from the people in the know....that's YOU!!

If you see or hear of any suspicious activity and you do not want to report it directly to Police, then there is an alternative; You can call CRIME STOPPERS on 1800 333 000, Crime Stoppers is an independent body that allows a person to report a crime anonymously, the report is then vetted before it is sent to Police, the report source is never revealed to us.

As a result of recent anonymous crime stoppers information, Lake Grace Police recently conducted a Misuse of Drugs Search Warrant at a local private residence. This resulted in prohibited drugs being seized, and a person being charged for possession of a prohibited plant.

When a search warrant is granted to Police it provides us with certain powers when entering someone's home, this includes the right for Police to enter a person's home even if they are not present and police can enter by force if necessary.

## LOCAL NEWS

The recent rain appears to have filled most of the dams up to overflowing which is good news for all of those concerned, although we are hearing that sometimes having too much of a good thing is not always ideal as some have been struggling to get out into the paddocks for spraying.

The volume of rainfall and subsequent run off from the surrounding paddocks did cause some disruption on the local roads, as we found out ourselves when we tried to get to Narrogin in our traffic car. We came across a large amount of water on the road, and we were unsure of the depth, and flow of the water. We decided to make a U turn and change our route.

These conditions often lead people to take unnecessary risks, as they are running late, just want to get home, or

# POLICE NEWS *(cont.)*

for some other reason, they think that their car turns in to a boat.

This week we had the unpleasant task of having to assist our colleagues in Wagin. We assisted in the search for a missing car driver who was one of those who took an unnecessary risk, and sadly lost his life. Although we can't comment too much about the incident as a sign of respect for the family, it is a timely reminder to always drive to the conditions presented to you, the vehicle you are driving, and your experience as a driver. If the road ahead of you appears dangerous, or you are not sure, or if there is a sign up saying 'Road Closed', please be sensible and turn around otherwise you could find yourself in a situation that can very quickly escalate into something out of your control.

Some local roads are still affected, so please be vigilant out there, the MAIN ROADS website has some useful information regarding road closures.

## TRAFFIC

It has been a fairly steady period of road policing with some drivers obviously in a hurry, however they were not so keen after we had spoken to them. We are happy to say as usual most were not locals, so well done everyone.

Last week we had a few reports coming in for damaged cars as a result of loose gravel the Lake Grace-Pingrup Road. Unfortunately, as police, we are not able to assist with any damage reports from this. If you have been affected by this and have sustained damage, our suggestion would be to contact the main roads department to advise them, and see how they can assist you.

Be safe out there.

# Action Needed to Ensure Equal Access to Education

*Peter Rundle*

Equity in education in WA is not a privilege. It is a right every student needs and deserves. Unfortunately, access to that right is a long way from ideal.

Families across WA are faced with a raft of issues every day at their local schools. From substandard facilities to a lack of maintenance, all are problems no student should have to put up with.

There is no doubt the COVID-19 pandemic has proved challenging for the Education Department, but it should not be a scapegoat for subpar education and resources. Principals and teachers stepped up to the plate to deal with the barriers they faced, ensuring students' learning and safety were the highest priority.

Lockdowns meant online learning became the norm, but it also proved to be the main barrier for regional, and even some metropolitan, students as a lack of access to reliable data, connectivity and network speed compromised their education.

What is the point of online learning if students can't access it?

The lack of relief teachers has also put extra strain on full-time staff, given an increased workload as they are requisitioned for internal relief.

Stressed teachers equate to a stressed classroom and

can lead to a compromised duty of care and safety for both staff and students through no fault of their own.

I have absolutely no doubt teachers are doing the best they can and will always look after their students first and foremost but, with 25 per cent of graduate teachers leaving the sector within five years, the Government must address what is shaping up to be an impending crisis.

One of the schools in my electorate of Roe has seen its fifth principal appointed in five years. A lack of continuity in leadership weakens the school and, by default, the community.

The recruitment of a principal shouldn't just be about filling a role. The needs of the community must be considered, and priority given to finding the best person for the position. The current recruitment processes are outdated and unsuited. I call on the McGowan Government to conduct a review into the process quickly.

Even if the right person is selected for the position, housing them in our towns creates an even bigger issue.

Rents are skyrocketing, house prices are at record highs and public housing is in such a deplorable state, that in some instances, the applicant for an education

# Action Needed to Ensure Equal Access to Education

position will refuse an offer purely due to the lack of suitable accommodation.

I have heard stories of principals and teachers waiting a full term or more to get the keys to their house.

Financial benefits for teachers should be addressed by this Government. The \$1000 public sector salary freeze imposed by the Government in its last term is looking shaky as expected. Freezing wages for four years not only puts a strain on the recruitment of excellence, but it also puts immense pressure on budget projections as the Government tries to make up for the time lost in normal wage increase cycles. Many teachers will become tired of the rhetoric and austerity and want some reward for the work they do, justifiably so.

Our orange school buses are the lifeline for our families in accessing education in our State. People ring my office every week regarding an issue with a bus service. School bus services regulations are outdated and inflexible.

Some families have left communities purely because they cannot access a bus to their local school. When families leave, communities flounder. I know of mothers who had to give up work because they must get their children to numerous bus stops many kilometres away at different times. I am very pleased to see the transport minister has agreed to a review of school bus services,

and I look forward to working with her on this.

Mental health in our youth must also be a priority. Intervention can save and change lives and schools need the support of qualified professionals to work with vulnerable students and families. The latest results from the DETECT report said 40 per cent of secondary school students were experiencing anxiety three times higher than the last time a similar study was conducted, in 2014.

On a more positive note, I am pleased to see our colleges of agriculture have very high rates of enrolments and the colleges are attracting girls as well as boys.

We cannot underestimate the importance of quality teachers and leaders in our schools.

Considering the \$5 billion surplus predicted, this is an opportunity for the State Government to better support teachers and staff, replace outdated facilities and infrastructure of many schools and improve accessibility to bus services and networks to help create better outcomes for our youth. Their fundamental right to equity in education should be top of mind.

# Book Review: *When You are Mine* by Michael Robotham

Suzanne Reeves

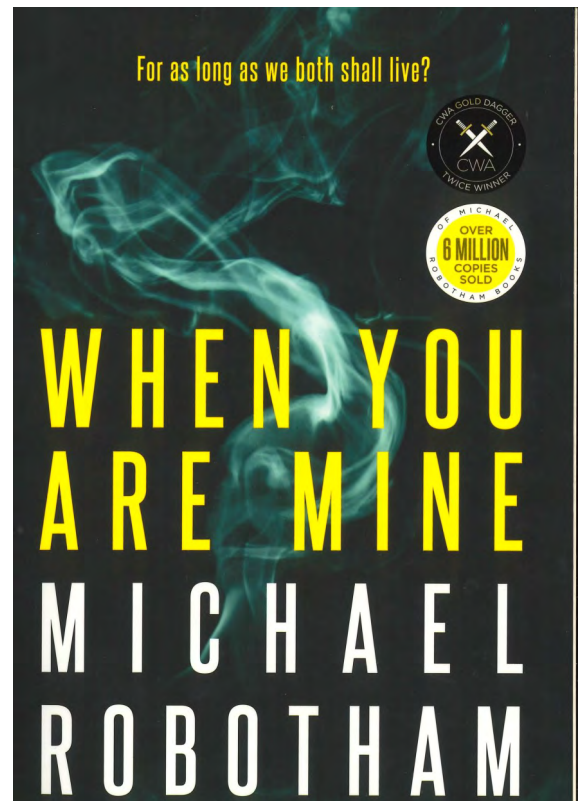

Robotham is the master of the sinister. It's not just the main character who is not sure of the direction that the plot is heading in but also the reader. Philomena McCarthy may be a new character that Robotham is introducing to his readers, or perhaps she's a stand-alone.

Philomena McCarthy has defied the odds to become a promising young officer with the Metropolitan Police despite being the daughter of a notorious London gangster. Called to the scene of a domestic assault, she rescues a bloodied young woman, Tempe Brown, the mistress of a decorated detective. The incident is hushed up, but Phil has unwittingly made a dangerous enemy who has powerful friends.

Determined to protect each other, the two women strike up a tentative friendship. Tempe is thoughtful and sweet and makes herself indispensable to Phil, but sinister things keep happening and something isn't quite right about the stories Tempe tells.

When a journalist with links to both Phil's father and to the detective is found floating in the Thames, Phil doesn't know where to turn, who to blame or who she can trust.

This book isn't available in the Lake Grace Library at this stage but it could be ordered in.

## From the CEO

After what has seemed like months of rain, it has been great to see some sunshine at last over the past week or so. With the rain stopping for a while we will be inspecting all roads for any damage caused by local flooding and where possible will be seeking support from Disaster Recovery Funding Arrangements (DRFWA) which may be available for local governments potentially impacted by the recent severe weather events.

When we received the funding to clean out the Lake Biddy dams and tidy up the catchment there was no way that we thought that it would fill up this year, we thought it would take at least a year or two. Judge for yourselves at the result of some impeccable timing by all those involved.

At the Ordinary Council Meeting of Wednesday 28 July 2021, resolutions were made for the following;

1. AA Dam 190 James Dam—Council supported the proposed entry into the State Register of Heritage Places provided that that the registration will have no restrictions on the continued negotiations with the neighbouring land owners for the use of the water
2. The Lake Grace Development Association Inc. sought in-principle support to install a recycled corrugated iron fence along the railway reserve north of Stubbs Street from behind “the Shed” down to Farmers Centre. Council supported the proposal subject to approval by ARC Infrastructure and the Public Transport Authority as well as the LGDA providing full details of project.
3. The Public Sector Commissioner now requires all public sector agencies, (the Shire of Lake Grace is bound by some of the same rules) employees and elected members to undergo mandatory Aboriginal and Torres Strait Islander cultural awareness training. The training resource was developed by the

Aboriginal Advisory Council of WA which includes historical and contemporary information with sections on family, education, country and work.

4. The Ordinary Council Meeting scheduled for Wednesday 22 September 2021 has now been changed to Wednesday 29 September 2021 because of the WALGA Convention. Confirmation of this meeting date will be published on the website and Facebook as well as the coming Community News.

5. Council has endorsed the new Code of Conduct for Employees which complies with the revised Local Government Act 1995. The Code of Conduct is now published on the website.

6. Council endorsed the recently completed Regulation 17 Audit review which examines the effectiveness of the Shire's systems and procedures pursuant to Regulation 17 of the Local Government (Audit) Regulations.

7. The 2021/2022 Shire of Lake Grace budget was adopted pursuant to Local Government Act 1995. Copy of the budget is available at the Reception and is also published on the website.

8. Council endorsed the review of the Shire of Lake Grace Disability Access and Inclusion Plan (DAIP) Progress Report as presented.

The response to the workforce survey has been overwhelming with some good suggestions coming in.

If you have not done so yet, there is still some time to return the survey responses.

*Alan George*

Chief Executive Officer

## Coming Events

**Community News Week** - 9 - 12 August 2021

Thursday 2 September

**Local Government Week**  
Perth—Monday 20 September to Wednesday  
22 September

## Community Infrastructure Service

Another busy week on the infrastructure side of the shire with roads underwater and washing away. We have signage on major water crossings and sections that have washed away so please obey all signage and drive to the conditions of the road. Please be reminded the Shire is aware of the current road conditions and repairs will begin as soon as we can. For now we will enjoy the wet weather while it lasts and suffer with the minor inconveniences we face.

This fortnight our works crew have completed the following roadworks and maintenance;

### Roadworks

The Lake Grace Maintenance Grader has carried out grading on:

- McGlenn Road
- Edwards Road pit
- Buniche North Road
- North Burngup Road

The Newdegate Maintenance Grader has carried out grading on:

- Mallee Hill Road
- Morton Road
- Dawson Road
- Beynon Road
- Newdegate Airstrip

The Lake King and Varley Maintenance Grader has carried out grading on:

- Fitzgerald Road
- Ong Creek Road
- Mallee Tree Road
- Milstead Road

### Parks & Gardens

The Parks and Gardens Crew have carried out the following work:

#### Lake Grace

- Mowing Lake King oval and town gardening
- Clearing Town drains
- Weeding Stubbs Street
- Mowing ovals
- Railway, RSL and Bankwest roses
- Spraying townsite
- Sewerage ponds and sale yard spraying

#### Newdegate

- Clear fallen trees
- ILU's gardens
- Spraying townsite, tip and cemetery
- Pioneer Park refurbishment'

### Buildings

The Building Maintenance Crew have carried out the following work:

- Maintenance to Varley Town Hall
- Lake Grace Medical Centre
- Lake Grace Town Hall
- Newdegate Public toilet
- Lake King Pavilion
- Lake King Hall
- Dunn Rock Tennis Club

### Operators

The Machine Operator Maintenance Crew have carried out the following work:

- Rural road inspections
- General Maintenance to water pumps
- Water over road signs for Main Roads WA and the Shire of Lake Grace
- Push up Lake King tip
- Kerb repairs in Newdegate
- Remove tree off Aylemore Road and O'Neill Road
- Clear grain from truck washdown bay
- Clean the Lake Grace Water Corp catchment (catchment on the eastern entry to town)
- Knock gravel down on Buniche North Road

*Craig Elefsen*

Manager Infrastructure Services

While we have been experiencing a wetter than average winter this year, it will soon dry out and we will be well on the way to summer. We are proud to support our 9 Bush Fire Brigades in the Shire, along with the Fire & Rescue brigade in Lake Grace who provide support to the community in the event of emergencies. If you are interested in joining a local brigade, please feel free to contact our Community Emergency Services Manager, Matt Castaldini, or Brad Watson, Chief Bush Fire Control Officer who can directly assist you with your application. Additionally, our Department of Fire and Emergency Services regional team will be at the Newdegate Machinery Field Day where you can also get more information on supporting your community through volunteer emergency services.

### Seen a faulty streetlight?

Western Power has automated streetlight fault reporting, making it easier to report faulty streetlights.

If a streetlight doesn't turn on, turn off or flickers, let Western Power know using the streetlight reporting tool at:

<https://westernpower.com.au/faults-outages/report-a-faulty-streetlight/> or call on 13 10 87

## Community Information

### Office Open Hours

Monday - Tuesday - Wednesday - Friday  
8.30am - 4.30pm

Thursday 8.30am - 4.00pm

Staff can be contacted by phone between 8am - 5pm

### Transport and Licensing

All licensing payments are to be made in person at the Shire of Lake Grace Administration office, 1 Bishop Street, Lake Grace.

Monday, Tuesday & Wednesday 8.30am - 4.15pm  
Thursday and Friday 8.30am - 4.00pm

As an agency, we process the majority of transactions including: renewals, transfers, number plate orders, boat registration renewals and new licence applications. With every transaction we perform, we try to offer the best service possible.

We do ask all licensing customers to be considerate, even though we are aware of people being 'locals' it does not exempt us from following the rules set by the Department of Transport.

### Driving Assessor

The Practical Driving Assessor (PDA) will be at the Shire of Lake Grace Office on:

**Friday - 6 August**

**Friday - 3 September (to be confirmed)**

Bookings are essential for all Practical Driver's Licence Assessments and we advise booking in advance as there is often a waiting list.

All bookings to be made at the Shire office on 9890 2500 until further notice.

Lake Grace has one assessment day each month held on the first Friday of the month.

For more information go to: [www.transport.wa.gov.au](http://www.transport.wa.gov.au).

### Libraries

**Lake Grace Public Library** School Place Absolon St  
Monday - Friday 9am - 5pm  
Closed for lunch 12.30 - 1pm

**Newdegate Public Library** Collier St  
Monday - Thursday 8.30am - 4.30pm  
Closed for lunch 12noon - 1pm  
Friday 9am - 2pm

**Lake King Library** Newdegate/Ravensthorpe Rd  
Tuesday and Thursday 8.30am - 3.30pm

### Building Surveyor

Building Surveyor, Gary Bruhn can be contacted through the Shire Office on 9890 2500 or email [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au).

### Town Planning & Building

The Shire's Town Planner consultant Joe Douglas, can be contacted via the Shire on 9890 2500 or email [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au).

### Environmental Health

The Shire's Environmental Health Officer, Brendon Gerrard. Can be contacted via the Shire on 9890 2500 or email [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au).

### Tip Times

#### Lake Grace

Monday & Wednesday 9am - 2pm  
Saturday & Sunday 9am - 4pm

#### Newdegate

Wednesday 9am - 1pm  
Saturday 9am - 1pm

#### Lake King and Varley

Open every day

### Recycling Services

Household Waste Collection is a weekly service and collected each Tuesday for Lake Grace, Newdegate, Lake King & Varley.

**Recycling** is a fortnightly service and alternates between Lake Grace and Newdegate. See below for the upcoming recycling collection dates.

Lake Grace	Newdegate
Tuesday 17 August	Tuesday 24 August
Tuesday 31 August	Tuesday 7 September

**Please Note:** There is no kerbside recycling collection service in Lake King or Varley.

The recycling bins are collected by Warren Blackwood Waste and transported to a recycling facility. If items which are not recyclable are found the content can't be recycled and the load will be directed to the landfill.

If an item is covered in food, it is not recyclable. Food is one of the worst contaminants in the recycling process. By using the yellow top recycling bin correctly you are contributing, in a combined community effort, to reduce the amount of rubbish that is directed to landfill facilities each year.

For more information on Waste Management visit the Shire's website [www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au).

Check our Facebook page  
<https://www.facebook.com/ShireofLakeGrace/>

Check out our website  
[www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au)

## Warning after High Risk Assessor's Registration Cancelled

WorkSafe has issued a warning to licensing assessors and industry in general after a Perth assessor had most High Risk Work Licence assessor classes cancelled for not properly assessing license applicants.

The assessor was registered to assess 18 classes of high-risk work, but 17 of these were cancelled after a WorkSafe investigation found the assessor was not properly assessing workers.

The classes of work included dogging and rigging, scaffolding, cranes, hoists, forklifts and elevating work platforms. The assessor can now only assess for a tower crane licence, but has not completed any assessments in this class since the other classes were cancelled.

More than 40 licence holders have been contacted and are now required to be reassessed as they may not have demonstrated that they can do the work in a safe and proper manner.

WorkSafe WA Commissioner Darren Kavanagh today warned assessors that it was likely they would be found out if they did not conduct assessments properly.

"This latest case has led me to warn other assessors that WorkSafe has increased compliance activities in the licensing area, and it is even more likely they will be

caught if they're not meeting licensing conditions," Mr Kavanagh said.

"The potential repercussions of inadequate assessments are serious – from the loss of the assessor's livelihood to a significant number of workers who have been granted licences when they have not demonstrated that they can safely do the work, which can endanger lives.

"We are working with other agencies – namely the Training Accreditation Council (TAC) in WA and Australian Skills Quality Authority (ASQA) nationally – to ensure that workers receive appropriate training for High Risk Work Licences.

"This case should also serve as a reminder that employers all have a duty of care under workplace safety legislation to provide workers with site-specific and machinery-specific training for each and every job."

Based in Mandurah, WA

Personal Shoppers by Appointment

Would you like to contribute to your community and region by becoming a Council member of the Shire of Lake Grace?

The Shire will have six vacancies in the upcoming Council elections to be held on Saturday 16 October 2021.

If you are interested in becoming a councillor you are invited to a Candidate Information Webinar session designed for anyone considering the role. The session will be presented by WALGA and held at 5pm, Wednesday 18 August 2021 in the hire Council Chambers, 1 Bishop St, Lake Grace. No need to RSV) - simply come along.

Nominations for Council will open on Thursday 2 September and closed at 4pm, Thursday 9 September 2021.

For further information on the local government election process, please visit the Shire's website or contact the Shire on 9898 2500.

## CBH GROUP HARVEST CASUAL WORK 2021

Applications are now open - apply today!

**We are looking for hard working, safety-conscious people to work at our receival points across the WA grain growing region during harvest this year.**

We are inviting applications for the following casual positions:

- Receival Point Operators, including grain sampling, and
- Plant Operators at selected port terminals

Depending on weather conditions, the season will generally commence around October and finishes in December.

**No experience? No worries! Full training is provided - no need for qualifications or experience, just a great attitude.**

To find out more about the CBH Group, what harvest is like and where to apply, simply scan the QR code below or visit:

**CAREERS.CBH.COM.AU**

# New Resources on Employment Rights in WA

Wageline at the Department of Mines, Industry Regulation and Safety is reaching out to community organisations to highlight our new resources and offer to help your clients and members understand employment rights and obligations in Western Australia.

Wageline has recently launched a new education campaign, the *Employment Rights in WA Initiative*, to raise awareness of employment rights and obligations and the pathways available for employees wishing to resolve an underpayment issue. The launch of the campaign follows the findings of the Inquiry into Wage Theft in Western Australia that community education was essential to combatting wage theft in WA.

Many people in the WA community do not know where to start with finding information on employment, and in particular do not understand that two systems of employment law operate in WA (the state system and the national fair work system) and that these systems have different employment rights and obligations.

Information about our Employment Rights in WA campaign is available on the Wageline website and will guide you to the information for employees on our Employee central information hub, and for employers on the WA employers information hub. These pages will guide employers and employees to find the right information and help for the industrial relations system

that covers their business or the work they do. For employees, information is provided on how to resolve an issue of underpayment of wages or leave and how to report wage theft anonymously.

Information on how to report wage theft is available on the Wage theft website in English, Arabic, Simplified Chinese, Traditional Chinese, Italian, Korean and Vietnamese.

Wageline also has a series of information flyers on these topics available in pdf on the website or as a hardcopy on request.

These new resources complement the comprehensive information on the Wageline website for state system employers and employees on WA awards, minimum rates of pay, leave entitlements, and rights and obligations when employment ends.

The long service leave content on the website applies to most private sector employers and employees in WA, including national system employers.

## Tailored education direct from Wageline

Wageline's community education team can also provide specific information for your staff, clients or members on request about how they can find or help people find the right information on employment rights and obligations, as well as specific information on rights and obligations under **state** employment laws. This can include providing your organisation with content for newsletters and social media, and our team attending meetings and seminars.

Please note Wageline **cannot** provide information for national system employers and employees on the *Fair Work Act 2009* or provisions in national modern awards.

If you need more information or are interested in talking to us about education initiatives, please contact the Wageline community education team via email to [wageline@dmirs.wa.gov.au](mailto:wageline@dmirs.wa.gov.au). If your organisation is based in the Perth metro area, we are happy to come and meet with you to discuss how we can work together.

## Stay informed with Wageline

You are welcome to like the Wageline Facebook page and Twitter page and share our content through your social media channels.

Subscribe to the Wageline News email newsletter for monthly updates on key issues.

Employers and employees covered by state employment laws can call the Wageline contact centre on 1300 655 266 with employment queries.

# LGDHS NAIDOC Day Celebration 2021

On August 6th 2021 LGDHS celebrated NAIDOC Day. We were lucky to be visited by special guests Ryan Humphries and Charne Hayden who opened the day with a traditional smoking ceremony and treated us to many workshops including didgeridoo and traditional dance workshops. Charne even made some Yonaka (kangaroo stew) and damper with the students which was devoured with (mostly) gusto!

A great day was had by all and massive thank you to our special guests for showing us there is always more to learn about our Country's First People.

# Lake Grace Golf Notes

*Reid Stubberfield.*

There's no shortage of water on the course, which has rendered it unplayable for the last two weeks. There will be no golf this weekend due to the Men's Carnival in Kukerin. More rain has fallen since these photos were taken so it might be another week or two before the course is playable.

Because of the soggy conditions vehicles can't move around the course which has meant maintenance such as mowing has come to a standstill.

Once the course dries out a little the golfing calendar will resume and the final round of the championship will be played out.

*Creek between number 4 and 5*

*Path cross the garden on number 6*

*Ladies tee box on number 1 looking East*

*The creek and bridge on number 18*

*Number 10 fairway looking back to the clubhouse*

# Some Interesting Olympic Facts

*Kylie Read*

The last two weeks have provided us with some very good armchair sport and for once we were all going for the same team. Australia! At the Tokyo 2020 Olympics, medals contained parts of old electronics, in an effort to make the Games more sustainable. Japanese citizens are donating these materials by recycling their old devices – cool! Here's some interesting anecdotes from previous Olympics.

- As per National Geographic, the original Olympics took place in 776 BC. They began as part of an Ancient Greek festival, which celebrated Zeus, the Greek God of sky and weather. The Ancient Games featured wrestling, boxing, long jump, javelin, discus, and chariot racing, and lasted for up to six months. Colobus, a cook from the city of Elis, was the first Olympic champion.
- It would take another 1,500 years before the modern Olympic Games would be celebrated. In 1896 Baron Pierre de Coubertin revived the Olympics as he admired the focus on physical fitness. Each year to commemorate the origin of the games, a torch is lit in Olympia and carried all the way to the city that will host the games that year. The first modern Olympic Games were held in Athens in the summer of 1896. In 1894 Pierre de Coubertin had presented his ideas for an international sports competition to promote international understanding. He founded the International Olympic Committee in 1894. The first multi-sports event was then called Games of the Olympiad and was the biggest international event at that time!
- Teams from 11 European countries originally joined those of Australia, Chile, and the USA at the first host city, Athens. Now, more than 200 countries compete in the Olympics each year!
- Gold, silver and bronze medals were not awarded until 1904. During ancient Olympics, the winners were awarded with an olive wreath.
- Olympic gold medals were only made of solid gold until the 1912 Olympics. Today, gold medals are made out of silver and are gold-plated with about 6g of gold while silver medals are made out of pure silver and bronze medals are mainly made out of copper

## Some Interesting Olympic Facts *(cont.)*

- During the 1936 Berlin Games, two Japanese pole-vaulters were tied for second place. Instead of competing for the event again, they cut the silver and bronze medals in half and fused the two different halves together. This was done so that each of them had a half-silver and half-bronze medal.
- There were three cancellations of the Summer Olympic Games due to the world wars. The 1916 Summer Olympics were cancelled for World War I, while the 1940 and 1944 Olympic Games were cancelled during World War II.
- Solo Synchronized Swimming (1992). Yes, you read that right. The 1992 Olympic games saw Solo Synchronized Swimming as an actual registered event. Nobody seemed to tell the inventor of this that you need two people to be in sync. Apparently the idea was that the swimmer was in sync with the music. Sorry, but solo synchronized swimming would have to be the weirdest Olympic event of all time.
- Superstitious sports fans breathe a sigh of relief when they hear Olympics facts like this one. The 2008 Beijing Olympics specifically opened during the auspicious hour of 8:00 PM on August 8, 2008. Part of Chinese culture links the number 8 to prosperity and confidence. Because of this, the host country began the beautiful opening ceremony with a bit of luck in mind.
- The five Olympic rings represent the five major regions of the world, Africa, the Americas, Asia, Europe and Oceania, and every national flag in the world includes one of the five colors, which are (from left to right) blue, yellow, black, green, and red.
- No Olympic Village was built in 1948 due to a lack of money; instead, the government accommodated the 4,100 or so athletes and over 1,000 officials at RAF stations, schools, colleges and nurses' homes
- An estimated 260,000 loaves of bread will be eaten by athletes in the Olympic Village.
- Australia placed 6th on the Olympic Tally for Tokyo 2020 bringing home: 17 Gold, 7 Silver and 22 Bronze. A total of 46 medals all up! Fantastic job to all our athletes who have performed at the Tokyo 2020 Olympics!! Now it's time to watch the Paralympics.

## Neu-Tech Auto Electrics

Come in and check out the spotlight range - we have Stedi and Zeta in stock.

The effects of Covid restrictions are starting to have an impact on parts supplies as the stock holdings run out. Early ordering will be paramount to have the best chance of securing parts.

We always carry a good range of batteries, alternators, starters, two ways and electrical accessories, however a thorough service beforehand can save downtime due to breakdowns during your seeding programme.

We have two field service units available to come to your farm and carry out an inspection of all the relevant electrical circuits on your seeding/spraying equipment, as well as recommending the repairs or modifications required to ensure the reliability or improve the performances of that particular machine

***Ring the workshop on 9865 1164 for any further details or queries.***

 Men Coaches Award (donated by Caryn Kirk) – **Darcy Gordon**

Club Person Award (donated by Trish Leo) – **Michelle Gooding**

Congratulations to all award winners and a special mention to both Kelsie Harrison and Ben Hall who were also awarded Association Fairest & Best for their

respective grades.

Thank you to all our sponsors. Not only the awards sponsors but the weekly gameday sponsors who have enabled us to have awards on a weekly basis. Your support is very much appreciated by the whole club.

I'd like to extend my thanks to the executive committee, Vice President Michelle, Treasurer Fiona, committee members Jamie and Tracy and most emphatically our Secretary Aimee who is wonderful and makes everything so much easier. Thank you all for the time you have committed to our club. Extra thank you to Tracy who has taken on the role of representing us in the Return to Play Winter Sports Working Group.

We had some difficulty sourcing coaches this season with the exception of the junior side and thanks must go to Julie Ditchburn and Kelsie Harrison for taking on this role with our kids team.

The executive decided that in the absence of coaches, the three senior teams would be led by a leadership group which looked a little different in each grade Tracy, Trish and captain Jess took these roles in the B grade; Michelle, Kelsie and I representing each line of play in the A grade with support from our team's captain Mel; and Floyd and Jamie in the Men's. I'd like to thank each of you for this as it was a bit of an ask but it seemed to work out. An extra thank you to Michelle and Jamie for organising trainings each week. Hopefully next season we will have dedicated coaches for each grade.

Thank you also to our umpires, those who religiously put their hand up and those who had a crack for the first time this year. We cannot have a game without umpires, we've seen at trainings how much we all cheat, so our whole club appreciates all of you taking the time to do this.

Congratulations again to our A grade team on finishing off an incredible year with the premiership.

## Containers For Change

All Good Refund Depot have a depositary at the Lake Grace Freight Depot and collect each fortnight. Contact All Good Refund Depot on 9861 2500 if you have a bulk pickup.

# Lake Grace-Pingrup Junior Hockey Notes

*Karissa Pelham*

## Round 13 - July 31st Lake Grace-Pingrup vs Jerramungup

Our last home game for the season, after losing to Jerramungup the first 2 games this year, Seth Argent (today's captain) lead the team out hard.

I'm sure all our juniors have been watching the Australian hockey teams play because they all lifted a level and all played out of their skins.

Playing a solid strong half as a team with Bella scoring the first goal.

What a first half. 2nd half Jerry came out strong, but our kids kept playing even stronger and Taj C scored our 2nd goal. Our whole team and supporters were so excited. Jerry stepped up and scored. Luckily our team stepped up and took control and kept the score at 2-1.

Absolutely a huge team effort. So proud of these little hockey stars. Everyone deserved Best on ground .

BOG- Alby Stanton, Bella Callope and Madison Chircop  
Coaches Award- Kyal Harwood.

The best part about coaching these kids is they all have huge smiles on their faces after every game.

## Round 14 - August 7th Boxwood Hill vs Lake Grace - Pingrup

Our 2nd last game of the year we traveled all the way out to Boxwood Hill.

Alby Stanton leading the team out today as our captain.

Both teams started strong, kids played hard and used each other and Payton Callope scoring 2 goals in the first half.

Second half our kids kept their skill up and played strong and Payton scoring her 3rd goal. Seth setting up and bringing the ball into the D and passing off for Tyler Argent and Kyal Harwood both scoring their first goals.

Well done such a strong team effort.

Best on ground - Payton Callope  
2nd Best - Seth Argent  
Coaches -Kyal Harwood  
Goal scorers Payton Callope x3  
Tyler Argent and Kyal Harwood x1 each

Winning 5-0. Kids are playing well and keep improving every week.

One game to go before we play finals

*Coach Karissa Pelham with her junior team (back): Taj Trevenen, Kyle Harwood, Bella Callope, Hope Lankford, ?, Peyton Callope, Alby Stanton, Tate Naisbitt. (front) Seth Argent, Dakota Pelham, Ella Gooding, Madison Chircop, ?, Will Morgan, Tyler, Argent. Goalie - Khalen Pitcher. Absent- Morgan Chatfield and Grace Penny.*

Your friendly local operator—nothing is a problem, only too happy to be of service.

For all your freight needs call:

**Darren 0428 651 339**

# Lake Grace-Pingrup Senior Hockey Notes

*Deb Carruthers & Lyn Carruthers*

## Round 13 - July 31st Lake Grace/Pingrup v's Jerramungup

Score 3-1

This week's game had the coach a little stressed out. With 6 of our team members out and off enjoying an elegant ladies night (aka Chiara's Hens Party) in Perth, we had to rally some troupes to help us out. We had Nikki Lewis, Gracie Kirk, Shenae Prater and Taj Carruthers come in for a run.

A huge thank you to them and well done on Taj Carruthers in his debut senior game.

We started the game with a quick goal by Gracie. Then Tahryn came through after a big run to score another. Jerry did manage to sneak a goal in their end. In the third, Donna took a sideline ball, passed it backward to Sissa, who then transferred it across to Lyn, who then hit it down to Tahryn and she scored the last goal. Safe to say this is the BEST team goal I've seen. In the coaches words 'it even beats the Kookaburras and Hockey Roos'. A great game by all who were involved, especially those ladies who had to play in positions they haven't had to this season, and also run out a full game.

Best on ground: Karissa Pelham  
Second best: Tahryn Trevenen  
Coaches: Anna Taylor  
Goals: Tahryn Trevenen x 2, Gracie Kirk x 1

## Round 14 - August 7th Boxwood Hill v's Lake Grace/Pingrup Big Freeze Round

With the team replenished this week we travelled to Boxwood for the big freeze round. Boxwood have been improving all season and we knew it would be a tough game. The prospect of all going down the slide if we didn't get the win may have helped the desire, haha.

The team scored through a great run by Tahryn Trevenen and cross in front of goals for Lisa O'Neill to score with a great finish. Boxwood returned fire and scores were 1-1 at half time. The girls were playing a good style but just a few execution errors on the bumpy ground were not letting them finish of the good work.

Michelle Cameron, Arlene Sutherland and Donna Altham were defending well, training drills paying off. Karissa Pelham, Laura Ballard and Georgia Gray were dominating the half back line and giving the forwards a good percentage of play. Chiara Letter was running hard and combining well on the left with Lisa. Yasmine Smith was leading into great spaces and providing outlet for team mates. Tahryn and Anna Taylor were working well together on the right.

Finally in the third quarter young Jessica Chircop finished off a great play with the perfect left wing post goal. Jess is developing well in her first season and listens to all the advice she is given and takes it on board.

**Above: Ongerup Hockey Association President Arlene Sutherland goes down the slide at the Big Freeze in Boxwood Hills.**

It was a hard fought game and the girls deserved the win 2-1.

Best on ground: Georgia Gray  
2<sup>nd</sup> best on ground: Chiara Letter  
Coaches award: Lisa O'Neill

A fantastic effort by our Association President and great club member Arlene Sutherland on her costume and effort for the big slide into the icy water, definitely best on slide for her!!

A huge congratulations to Boxwood Hills on a great day and the wonderful job of the upgrade to their recreation centre. A fantastic night was had at the auction and the burrito bowls were a huge hit. Well done to everyone involved, gold medal material!!

# Lake Grace-Pingrup Netball Notes

Karen Bairstow (A), Aidan Liddelow (B), Nick Smith (Junior)

## Round 13 - July 31st Lake Grace/Pingrup v's Jerramungup

### A Grade

The game played in Lake Grace after a few weeks trying to organise a team.

First and foremost I would like to say a HUGE THANKYOU on behalf of the team and the club to MEL NAISBITT, IMOGEN TAYLOR and PIP GOODING for playing for us this week without you girls the game would not have been possible. Also to Teneeka on making an effort to get back and play. Your efforts were outstanding.

Like a breath of fresh air the girls adapted to our game and played superbly. A tight first quarter but in the second the team put the foot down and outscored Jerry by 11 goals.

Pip provided good run in the attacking third and linked up nicely with Chloe and Teneeka who shot some nice goals. After starting in defence Joely moved into attack and played a great game .

Shenae continued her good form and controlled play. The defence was tight with Mel and Imogen putting

pressure on and Georgie giving many options out of defence.

Well done girls on a great team effort to score 61 goals, superb!!

FINAL SCORE: LGP 61- JERRY 29

BEST ON GROUND: JOELY SLINN  
2ND BEST ON GROUND: SHENAE PRATER  
COACHES AWARD: GEORGIE SANCHEZ

### B Grade

Rd13 saw LGPNC line up against Jerry. This game could go either way with both teams down on numbers. We took the lead early, being in front at quarter time by 3 goals.

The next two quarters, the two teams were evenly matched. At the start of the final quarter LGPNC were in front by 4, however Jerry came out hard, with 6 goals in a row taking a lead of their own. In the end Jerry were too strong, with the final score being 26-23.

There were so many stand outs during the game with Krystal playing her best game of the season in GS. Casey had a code switch becoming our rock in defence, and doing it well.

The coach's award went to Caylah, who came out of retirement and played almost every position on the court. This was one of the best games the team has played together, with everyone working well as a team.

### Juniors

It was rather cold on Saturday but luckily not raining for our last home game at Lake Grace. Seth came over from football a little sore and decided to sit this week out. So with a little last minute scramble we had Claudia jump into a uniform and be our 8<sup>th</sup> player.

Kiesha and Kyle proved to be a great combination getting 27 goals by half time while our defence held Jerry to only 3 goals.

It was exciting to see team work and sportsmanship all through out the game. The whole team contributed to the win with some excellent passages of play.

Final score LG/P 41 to Jerry 12

Thank you again to Claudia for filling in.

Congratulations to Sheree who was at Albany this week playing in the Great Southern Netball Champs.

Best on Ground	Kiesha Pawsey
Second Best	Kyle Harwood
Coaches	Bella Callope and Ella Ward

### A Grade

#### THE BIG FREEZE

A good game played in Boxwood ,unfortunately Claire went down early with an ankle injury. We changed Georgie into defence with Chloe and they worked nicely together.

Not long after Shenae also hurt her ankle having to come from the court which left us with six players. Laura moved to the centre and we played one short for the quarter. I have to congratulate the whole team on scoring 16 goals to 5 with six players on the court, was an awesome effort. Laura stood up and carried the ball forward and Joely and Teneeka worked overtime to get the ball to Chloe who continued to be the focal point and shot some good goals and took strong rebounds.

We played the game out well to win 53 - 29

It showed true grit on court girls to come away with a well deserved win. Wishing a speedy recovery to Claire and Shenae

Thanks also to Sarah Allen who has umpired for us the

last two games

BEST ON GROUND:LAURA BALLARD  
2ND BEST ON GROUND:JOELY SLINN  
COACHES AWARD:GEORGIE SANCHEZ /TENEKA MORGAN

Next weeks game is against Gnowangerup

### B Grade

Rd14, the Big Freeze round against Boxwood Hill, was a tough game the whole way through, with Boxwood coming out hard early. We tried our hardest the whole game, never giving up until the very end of the game.

The girls have improved greatly since last we played Boxwood which was fantastic to watch.

Best on ground went to Casey for holding the line in defence and causing so many turnovers. Second best was Tayla, who played an amazing game switching between GD and WD. Coach's award went to Emma Foster for bringing the things we have been working on at training into her game, and for finally listening to the coach of when to take the penalty and when to move forward to be the next option.

Final Score Boxwood Hill 57 to Lake Grace/Pingrup 9

### Juniors

It was exciting as a coach to sit back and watch the year 5's play this week and reflect on how much they have improved since the start of the season. With our experienced players leading the team each and every player lifted another level. Every position change on court was handled with maturity and the team just got on to the task at hand. It was an enjoyable game to watch and the final score didn't reflect the quality of the game.

Final score Boxwood 27 to LG/P 19

Best on Ground	Seth Argent
Second Best	Bella Callope
Coaches	Chloe Smith

## Round 13 - July 31st

### Lake Grace/Pingrup v's Jerramungup

#### LGP A RESERVES

Unfortunately, Jerramungup were low on numbers and were unable to field a reserves side and LGP won by forfeit. This is a concerning trend in the OFA and the league is trying to address the situation asking for suggestions on how we can keep this competition going. The day is just not the same without reserves.

#### LGP LEAGUE

LGP got away to a very good start and scored six goals in the first quarter with two to Mitch Morton and singles to Mitch Thornton, Jackson Callope, Jack Carruthers and Karl Fleay. Jerramungup had the same amount of scoring opportunities but missed, but started to find their rhythm late in the first with two goals in the time on period.

**Quarter time score was LGP 6-2-38 Jerramungup 2-6-18**

Jerramungup continued to gain control in the second quarter completely outplaying LGP but again missing when in front of the goals and the wind was not a big factor. The Bombers scored their only goal for the

quarter through Karl Fleay at the six min mark. Jerramungup had narrowed the margin to two points at the half time break but could have held a very handy lead if not for inaccuracy.

**Half time scores stood at LGP 7-3-45. Jerramungup 5-13-43**

Coach Luke Bairstow rallied the team at half time and LGP answered the wake up call and started to play good team football. LGP got on top in the middle and made the most of their scoring opportunities kicking seven goals in the premiership quarter and held Jerramungup to two goals giving LGP a handy five goal lead at the last change.

**Three quarter time scores were LGP 14-5-89 Jerramungup 7-17-59**

Jerramungup again rallied and played a great last quarter and played well enough to win the game but again were very inaccurate in front of goals scoring four goals from seven opportunities. LGP scored their only goal at the 16min mark through Mitch Morton and managed to hang on by 10 points.

**Final scores were LGP 15-6-96 Jerramungup 11-20-86**

- Test/Service A/C systems on all automotive vehicles.
- Swap monitors from machinery
- Repair/Service boomspray electrics
- Test alternators and batteries

# Lake Grace-Pingrup Football Notes *(cont.)*

Multiple goal scorers for LGP were Mitch Morton with 5, Karl Fleay 3, Mitch Thornton and Jackson Callope 2 each.

**Award winners were: Best on Ground Tyson Prater, Best on Ground runner up Bevan McDougall and the Coaches award went to Josh Bellve**

**Round 14 - August 7th  
Boxwood Hill v's Lake Grace/Pingrup**

'BIG FREEZE' Day

## LGP A RESERVES

An early start saw us all arrive at Boxwood to view their new facilities and they are fantastic. The oval still needs a little sun and hopefully it will fill in before the official opening on Grand Final Day. Boxwood had put in a lot of work to have things ready for their turn to hold the "BIG FREEZE".

LGP rallied for the event with good numbers available for the reserves which just proves there is the numbers around.

The first quarter saw a very even contest with both sides managing two goals each and Boxwood missing a few opportunities.

**Quarter time scores were Boxwood Hill 2-4-16 LGP 2-0-12**

The second quarter saw Boxwood missing more opportunities but managed to kick three for the quarter whilst LGP only managed three points. LGP were playing well but Boxwood's experience and long kicking skills were finding LGP well short.

**Half time scores were Boxwood 5-9-39 LGP 2-3-15**

The third quarter saw Boxwood take control scoring four goals in succession and holding LGP scoreless for the quarter. LGP were working hard but turnovers proved costly against the experience of Boxwood

**Three quarter time scores were Boxwood 9-12-66 LGP 2-3-15**

The final quarter saw Boxwood kick away with another five goals for the quarter whilst LGP missed numerous opportunities to only manage one goal.

LGP finished the game strong but could not make it happen in front of goals

**The final scores were Boxwood 14-14-98 defeating LGP 3-10-28**

**Awards Went to Best of Ground: Damon Trevenen, Second Best: Oakley Major and Coaches Award Troy Murray**

## LGP LEAGUE

With both sides lining up wearing the blue "BIG FREEZE" socks the big crowd were ready for this big

even. Boxwood got away to a great start with three early goals before LGP scored their first at the 13min mark. Boxwood were dominating in the middle and Matt Campbell again winning the ball regularly and gave his forwards great opportunities. LGP had their share of the ball but again has been all season turnovers proving costly.

**Quarter time scores were Boxwood 5-3-33. LGP 1-3-9**

During the second term Boxwood balanced their side up and their backline played very well. LGP scored one goal early thru Bodhi Clifton who was once again presenting well. Boxwood then scored another three in succession with Vaux and Davis on top in the forward line. Karl Fleay scored another for LGP.

**Half time scores were Boxwood 8-9-57 LGP 3-6-24**

The third term saw Boxwood completely dominate all over the ground kicking seven for the quarter whilst LGP only managing a single behind. LGP were trying hard but Boxwood had the answers and again LGP's turnovers undoing their hard work.

**Three quarter time scores were Boxwood 14-13-103 LGP 3-7-25**

The final quarter saw LGP start to win the ball around the ground and finish with five goals for the quarter and missing a number of other opportunities which made the scoreboard look much better but Boxwood had set up a commanding lead and was not about to let it slip on their big day in front of what was now a very large crowd who had gathered for the "SLIDE"

**Final scores were Boxwood 16-16-112. LGP 8-10-58**

Multiple goal scorers for LGP were Mitchell Morton, Karl Fleay, Chris Poot and Bodhi Clifton all scoring two each

**Awards: Best on Ground Tyson Prater, Best on Ground runner up Bodhi Clifton and the Coaches award went to Will Cook**

The game was played in very good spirit and Congratulations to Boxwood Hills for a great day.

## Bouncy Castle Hire

\$165.00 per day

## Classifieds

### Rural West Financial Counselling

A free service available to regional small businesses, primary producers, not-for-profits and community clubs. For more information contact Donna Spurgeon by email [Donna.Spurgeon@ruralwest.com.au](mailto:Donna.Spurgeon@ruralwest.com.au) or phone 0408 107 326. Alternatively you can contact the information line on 1800 612 004.

### Cancer Support Coordinator

Barbara Brennan from Cancer Council WA is the Cancer Support Coordinator for the Wheatbelt Region. Call Barbara on 9621 1810 for information, support and assistance.

### CWA Bookings

CWA rooms are available for hire. There is a COVID Safety Plan in place that hirers will need to adhere to. Anyone using the rooms must fill in the log book. If you wish to book the CWA Hall then please contact the Lake Grace CRC on 9865 1470.

### Community Bus Bookings

Are to be done through the Lake Grace CRC. Ring 9865 1470 or email [lakegracecrc@westnet.com.au](mailto:lakegracecrc@westnet.com.au) The community bus is owned and managed by the community, is available to any individual, group or organization to hire and costs \$1 per kilometre to use. All proceeds go toward the management and running of the bus and toward bus upgrades.

### Southern Agcare

This is a free and confidential Family and Individual Counselling Service. Please contact Southern AgCare main office for an appointment. Phone (08) 9827 1552 or [admin@southernagcare.org.au](mailto:admin@southernagcare.org.au) referral forms can also be found on our webpage [www.southernagcare.org.au](http://www.southernagcare.org.au)

### Men's Shed Battery Drive

The Lake Grace Community Men's Shed is continuing with their battery drive. This is an ongoing revenue raising project which will contribute to the running of the Shed. Batteries can be left at Phil Clarke's shed or you can contact Phil on 0427 651 155 or Allan Duckworth on 0427 651 567 if you require them to be picked up. Thank you for your ongoing support.

### Dr Linda Haines

Is available in Lake Grace on Monday 6th September and Tuesday 7th September. Thursday 14th and Friday 15th October. Monday 29th & Tuesday 30th November. Ring 9865 1208 for an appointment.

### First Aid Kits

Are now available for purchase at CCL Hardware Lake Grace.

### Lake Grace Op Shop

46 Bennett Street (Old Church)  
Tuesday 1:00 - 4:00pm  
Friday 9:30am - 1:00pm

**Looking** for a working Tape Recorder for a school project. Wanting to borrow or buy. Ring Anna on 0497 690 197

### Volunteer with St John Ambulance — Lake Grace Sub Centre as an Emergency Medical Responder (Driver)

Are you interested in community based volunteer work? Are you over the age of 18 and hold an unencumbered Australian driver's license? Role includes hospital to hospital transfers, attending non-emergency and emergency ambulance calls as a driver. Call the Sub Centre on 0428 110 446.

### Love Cooking and a Chinwag

CWA is looking for more community groups interested in catering for the monthly Senior Citizens Luncheons. Give Suzanne a ring on 0427 651 310 if you're interested or want more information. This is a great community service started nearly 5 decades ago - would be great to keep it happening.

### Senior Citizens Lunch

Thursday 2nd September @ CWA rooms - Hosted by Lake Grace CWA. 12:15pm sit down for a 12:30pm serve \$15 per head - would be helpful if you have correct change on the day. RSVP to Natalie Gambuti on 0429 793 973.
