## Operation Christmas Child

Genni Curtin & Suzanne Reeves

With millions of children around the world struggling daily with war, poverty, famine and disease there is little opportunity for them to feel happiness. Through a simple gift-filled shoe box, you can bring joy to a child in need.

In 2013 Lake Grace District High School took part in this wonderful project and it then extended to our town community. Each student or family was asked to fill a shoe box with six items and return them to school. 112 boxes were sent to Cambodia.

**This year we are undertaking this worthy cause again and asking the community to become involved. The idea is to fill a shoe box which you can collect from the Chaplain Office at the Lake Grace District High School and fill it with six items (SEE BELOW).**

The six items that each box requires are as follows.

- Something to love (teddy bear, soft toy)
- Something for school (pencils, paper)
- Something to wear (T-shirt, shorts, cap)
- Something special (bangles, stickers, carry bag)
- Something to play with (ball, skipping rope, Frisbee, finger puppet)
- Something for personal hygiene (toothbrush, soap, comb)

The children of Lake Grace are very lucky in that the very same items that will be used to fill these boxes are simply a part of their lives. Genni feels that it is important for these children to realise that something small done by them can have such a positive impact on a child in need.

**Lake Grace District High School Chaplain Genni Curtin with a couple of the 'Operation Christmas Child' boxes that she plans to have filled for children for Christmas.**

**Items pictured are purely an example, there is no need for contributors to 'fill' their box with as many items as this.**

# Editorial

- Well I enjoyed my brief little sojourn on the other side of the country but have been told since returning to work that I'm not allowed any more trips away...it's always nice to know that you're missed. A big thank you to Danielle and Alison for managing the CRC while I was away.
- We do have our youth photo competition coming up, we look forward to receiving some entries. If we don't get a positive result we will no longer hold this competition. However youth would be able to take part in our open competition which we will be holding once again around October. With the WA Herbarium declaring a record number of native plants in existence in WA I'm sure there'll be a few wildflower photos in the competition. It will be interesting to see if anyone has one of the *Angianthus globuliformis* which is only found on the margin of a salt lake near Lake Grace (see page 44).
- Next week we're hosting a 'Scams and Wills' workshop (see page 8); we have had a few people register but would love to have more numbers. Really important that we have your names as soon as possible to help with the catering.
- Coming up is an author visit on Wednesday 16th September. We are more than happy to start taking names so if you're interested please contact us.
- The crochet workshops that we hold every Friday morning continue to astound me with the numbers attending, 20 last Friday...barely a spare chair in the house. With the chilly weather we have been having everyone was very keen to get their beanies started, the beauty of 12 ply wool is that your work grows very quickly. We are still working on beanies this Friday but the next week we will start crocheting a basket. Everyone is more than welcome to attend, if you would prefer to work on your own project that is fine.
- Estelle Blackburn (author of *Broken Lives*) will be attending our 'International Day of Rural Women' Sundowner that we will be celebrating on Tuesday 13th October. As more information comes available it will be put in the Links.
- Trent Frost from RSM Bird Cameron will be hosting some accounting based workshops in the coming year. The first one will be related to personal tax, this will be held around October (helpful for anyone to know what to claim and what to keep).
- If you would like to do a blogging workshop then we would like to hear from you. Please call the CRC and have a chat.
- Apologies for the incorrect pricing for the MC, HC and HR Licensing Assessments, the correct prices are those as listed in this edition of the Links.

Suzanne Reeves

## Workshop Calendar...

**Crochet for Beginners** - Every Friday 10am to midday. FREE. Please book in so that we have enough materials.

**MC Licensing Training & Assessment** - 15th September 2015. Cost is \$1,250 plus \$150/hour for training.

**HC Licensing Training & Assessment** - 15th September 2015. Cost is \$750 plus \$140/hour for training.

**HR Licensing Training & Assessment** - 15th September 2015. Cost is \$40 plus \$120/hour for training.

**Blogging** - Date TBA. Cost TBA. A four hour workshop on setting up your blog and maintaining it, legalities and linking to your social media accounts.

If you are interested in any of the above please phone the Lake Grace Community Resource Centre on 9865 1470.

The Lake Grace CRC is hosting a photo competition for youth.

Entries to be in by 4pm Friday 28th August

There's no theme, no entry fee and three different age divisions.

U12 years \* 12-14 years \* 15-17 years

- Photos must be 6" x 8"
- To be mounted on black card with 1" surrounds around the photo.
- Photos NOT to be more than 12 months old.
- \$20 voucher for the photo booth goes to the winning entries.
- Judging to be done by peoples choice.
- Entrants to supply a digital copy of the photo at high resolution.
- The Lake Grace Community Resource Centre reserves the right to use photos entered in future promotions.
- Limit of 2 entries per person.

For any more information please call the Lake Grace CRC on 9865 1470.

# What Difference Does the CRC Make to Lake Grace?

*Suzanne Reeves*

This is the question that will be asked within our community as Professor John Phillimore from Curtin University leads a highly qualified and experienced team to undertake a comprehensive evaluation of the Community Resource Network (CRN) over the next six months.

The comprehensive evaluation will focus on engaging with CRCs as well as key stakeholders and community level users of CRC services. As part of the evaluation, the Curtin team will visit around 40 communities with CRCs to investigate the effectiveness and impact of the program. Additionally, they will conduct 2500 phone interviews with community members across the state to ascertain the value and impact of the CRN. Curtin will report their findings back to the Department of Regional Development (DRD) outlining the current effectiveness and impact of the CRN, as well as making recommendations on the future procurement of services from the CRN.

There have been significant changes to the CRN in the past 12 months in response to recommendations by the WA Regional Development Trust's (WARDT) Review of CRCs. Changes have primarily included a shift in DRD funding arrangements from grants to service agreements, along with operational and governance support previously provided by DRD being taken over by Linkwest.

DRD is keen to ensure that the CRN continues to strengthen and develop in capacity and value, hence the commissioning of an evaluation of the effectiveness and impact of the CRN program and changes that have been implemented.

This is an exciting opportunity for DRD and the CRN to obtain feedback regarding their services and gain a stronger understanding of what services are most valued by the Western Australian public and key stakeholders. This project will also provide CRCs with the opportunity to influence the direction of any future procurement of services. The team from Curtin will be beginning to make contact with CRCs and their communities as of now.

At the CRC we are very interested in hearing from the community about what difference the CRC makes to your life and also what you would miss out on if we weren't here. Having been involved in the CRC in a number of roles over the last 20 years I'm quite aware of what we do, but I'm also acutely aware that many within the community don't even know we exist; this apathy has the potential to unravel the future of the CRC.

Some believe the Lakes Link News is produced by the Shire even though it clearly states on the cover 'Produced at the Lake Grace Community Resource

Centre'; others don't realise we print photos or that our printing costs are competitive (and sometimes cheaper) than large chain stores in the city. I've even had one customer on her first trip through the doors say 'I didn't know you existed'. As a community organisation how do we combat that?

However on a positive note the bulk of the community use our facilities on a regular or occasional basis; I believe it is those people and our local businesses that are the best tools in getting the word out there and pointing potential clients in our direction.

With everyone leading such busy lives most don't absorb what is available within their community as it can seem like superfluous information; it is only when we can provide them with a solution to their predicament that they discover the other facilities that we have available.

If you get a phone call from the Curtin team, or perhaps a face to face interview then dig deep and think about what the CRC offers the community. You may be the key to our continued success.

## Brass Monkey Weather

Suzanne Reeves

With the mean minimum temperature for August sitting at 5.5°C it seems that 2015 isn't going to upset the law of averages for weather in Lake Grace. The first 10 days of August in Lake Grace haven't yet seen a minimum get into double figures and the last weekend was a definite chance to stay indoors.

However sport is the linchpin for all country towns and nobody wants to let the team down. Lake Grace teams playing in the Ongerup Association were playing a home game with a minimum/maximum temperature fluctuation of six degrees; ranging from 7.3°C to 13.4°C; they also had the benefit of 3.2mm of rain falling on them and a bracing WSW 52 kmh wind just for the icing on the cake. It was slightly warmer (but just as wet) in Narembeen for the ladies who play hockey in the Roe Districts Association; however this was negated by them enjoying their afternoon tea on the verandah of Narembeen's new pavilion.

It was little wonder that WA's Weather Bureau were predicting snow on the Stirlings for Saturday night. Chilly conditions Sunday morning had golfers who were playing there championship rounds wondering if snow was possible in Lake Grace. Thankfully the day had warmed significantly by the 8:30am start to a balmy 4° C, up from the minimum of 1.4°C that had kept the rest

of the local population in bed.

Although there's a prediction of sunshine for next weekend, the bracing minimum temperatures that we're suffering through at the moment aren't likely to increase in the near future.

## Men's Shed Battery Drive

The Lake Grace Community Men's Shed is continuing with their battery drive. This is an ongoing revenue raising project which will contribute to the running of the Shed.

Batteries can be left at Phil Clarke's shed or you can contact Phil on 0427 651 155 or Allan Duckworth on 0427 651 567 if you require them to be picked up. Thank you for your ongoing support.

# Rare Dusting of Snow at Bluff Knoll

*Taken from ABC News website*

A rare dusting of snow has fallen over Bluff Knoll in the Stirling Range, in Western Australia's Great Southern, entertaining some campers and others who made the trek.

Temperatures plummeted across the state's south over Saturday night, with Pingelly in the Wheatbelt recording the lowest at -2 degrees Celsius.

The last time it snowed in WA was in August 2013, also at Bluff Knoll.

More than 100 people climbed the trail at Bluff Knoll to see the snow, with some sleeping overnight in anticipation and others trekking up in the early hours of the morning.

The Bureau of Meteorology (BoM) had predicted snow was possible over the ranges, saying a front passing over the state's south was bringing a trail of cold air behind it

It said snow typically falls in WA about once per year, most commonly in the Stirling and Porongorup Ranges.

"I don't think that you're going to be able to go out there

and build a [big] snowman or ski or anything like that," BoM forecaster Neil Bennett said.

"There are going to be flurries in the showers, a little bit of snow. It may settle for a short period of time but there's not going to be a huge amount in it.

"If you do get down there, you've got to anticipate temperatures could be about as low as two degrees ... and actually in the wind it could feel like minus two so you'd have to rug up if you're going down there."

Another cold front was due to bring some moderate rainfall to the South West and Lower West districts on Monday, forecasters said.

Bluff Knoll, 90 kilometres north of Albany, is the third highest peak in Western Australia.

The BoM said while snow in WA most often occurred over the state's far south, there had been reports of it falling as far north as Wongan Hills (1923), Bencubbin (1956) and Coolgardie (1966).

# Let's Talk About Scams

*Suzanne Reeves*

Scammers continue to invade our lives, through the phone and via the internet and we all have to be vigilant not just for our own financial security but also for those around us.

It is always a shock to discover that someone has been conned, our first thought is 'surely they realised it was a scam'. It doesn't matter how smart people are, the scammers are well aware of how to hone in on an individual's vulnerabilities.

Even though the scammers would get hung up on quite regularly, there is always someone that has been having problems with their computer. The key here is that they target the fact that most homes have a computer and most people have no idea what they are doing and are afraid of clicking on the wrong thing. The fact that someone has come to their aid may seem like manna from heaven!

The key for everyone to remember is that no one ringing your house really has any idea if your computer is running properly or not.

Another one doing the rounds is the tax return; you may not have lodged one recently for one reason or another

but who doesn't like the prospect of receiving a couple of thousand dollars. The amount is never TOO much but is always enough to picture a much deserved holiday or perhaps something new for around the house. The key here is that most people could do with a few more dollars and the fact that you have to hand over a couple hundred to facilitate your 'tax return' seems a small price to pay.

July was a busy month for scammers in Australia with the ACCC recording 10,607 reports. Of those reports 9.1% recorded financial losses totalling \$9,239,804. This sum of money is an indication as to why scammers keep doing what they do.

Interestingly enough gender doesn't play a huge role in getting scammed or approached) and although the over 65 age group is the largest age group featured; the numbers reported start from the 25-34 age group and rise at quite equal increments until getting to the over 65's.

The delivery of the scam is predominantly delivered via phone or email; internet, mail and social media are also a delivery method as well as in person and via texting and other mobile applications.

## Lets Talk About **Scams,** Warranties and legal stuff.....

Thursday 20th August from 11am  
and again at 6pm  
Light lunch and supper supplied

Vanessa from the Albany Community Legal Centre will be talking about Wills, Enduring Power of Attorney, Enduring Powers of Guardianship and Advanced Health Directives (formerly Living Wills)

Iris from the Department of Commerce will be talking about your rights as a customer, how to deal with scams and any other issues that may arise.

**Please ring the CRC on 9865 1470 to book in. No cost.**

# University Students Visit Lake Grace

Deb Clarke

Students from the Northwest Agriculture and Forestry University, located in Yangling, Shaanxi Province of China visited Lake Grace last Wednesday and Thursday. Most of the students are studying Plant Protection although there were others studying Food Science, Agronomy, Aquaculture and Veterinary Medicine. The students come from all over China, however the majority were from Central and Southern China with one from Mongolia.

Lake Grace was again one of the major stop overs for students travelling from Perth to Albany, Wave Rock and back to Perth. The students are in Western Australia for a month to attend lectures at the Murdoch University, and while they are here they are taken to various points of interest. This is the third year the students have visited Lake Grace, to look at our farming systems, and it is a very popular part of their time in Western Australia.

**Right: Leon and Deb Clarke with the students during their stopover.**

## Great Job Opportunity

The Shire of Lake Grace is looking for a person who is committed to their Community and has the passion to provide a safe and healthy environment for all users of the facility by ensuring all facilities are cleaned and maintained to the required standard.

# Patience + Confidence = Success

*Alison Dines*

Although we only started learning the fine art of crochet a mere six weeks ago our little knot of crochet devotees tackled their first actual garment pattern last Friday....and who would have thought that we would be up for that already?

Having produced enough crocheted squares to combine into six lap rugs (for the Perth based 'Wheelchairs for Kids' charity programme), it was clear that our skillset had grown, our techniques had refined and our tension was taut. Evidently we were ready to progress on to something a tad more challenging.

Reading Suzanne's new beanie pattern proved to be complex enough to provoke much discussion and cause just a little frowning of brows. Before long though, we were all counting under our breath and muttering instructions to ourselves as we interpreted the abbreviations and began creating.

Thankfully, with over twenty participants, our intrepid teacher was kindly supported by two expert, experienced and exceptionally patient volunteers. Phyllis Dunham and Joyce Gilson provided individual guidance as required and their assistance to the group was invaluable. Suzanne was heard to comment that without them she would have needed a Bex and a good lie-down afterwards!

Going by the number of new beanies popping up around town it's clear that many of us have cleverly mastered this new pattern. Some beanies were even worn in the conveniently arctic conditions the very next day!

We will be continuing with our beanies this Friday (and then moving on to a more complex basket pattern the

***Isn't it amazing what a little encouragement can do?  
Joyce Gilson coaches Anna Strevett.***

following Friday – eek!) so please come along and join us at 10am in the CRC Seminar Room. Beginners and experts alike are always welcome.

## Linda Bettenay Author Talk

Lake Grace residents are sure to be fascinated as Western Australian author Linda J Bettenay talks about her latest book at the Lake Grace CRC in September. After her very successful country tours in 2014, Lake Grace was on Bettenay's 'Must Visit' list.

After the amazing success of her first book 'Secrets Mothers Keep' she has recently released 'Wishes For Starlight' a story steeped in our state's past.

Bettenay will present a talk about her book and she will also explain how she uses historical fact to weave historical fiction.

The talk will be at the Lake Grace CRC on September 16<sup>th</sup> from 5:30pm - 7:00pm.

**Please book on 9865 1470**

or [lakegrace@crc.net.au](mailto:lakegrace@crc.net.au)

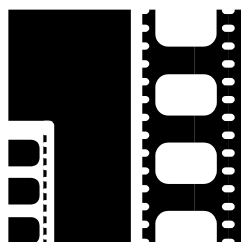

## Want your negatives scanned & saved?

How about your slides?

The Lake Grace Community Resource Centre are able to scan your negatives, slides or photographs.

They can then be saved to disc for future use or printed.

Enquiries to the Lake Grace CRC on 9865 1470.

# Making The Move

Rebecca Reeves

So I thought I would share with everyone what I've been doing this year. I graduated from Edith Cowan University at the beginning of the year and so the hunt for fulltime work as a Health and Physical Education teacher began. Fortunately I was extremely successful at gaining relief work, working at Armadale SHS, Cecil Andrews SHS and for the last 5 weeks of Term 2 I was employed at Thornlie SHS. All this time I was continuously applying for job after job, and the interviews were extremely daunting. I got used to seeing rejection emails (so high tech these days) when all of a sudden I saw a job offer at Eastern Goldfields College, so I applied for it. Now you're probably thinking I was offered the job...WRONG. I received a rejection email from these guys as well, but then a week later I had a phone call from the Principal asking me if I would still be interested in the position since the person they'd asked decided to pull out. My answer was a definite yes. Now at the same time Thornlie SHS had also offered me a job but when I refused them for the Kalgoorlie one, they were actually a bit stunned. To them, someone refusing a job in Perth for a job out in the middle of nowhere seemed a bit of a joke.

So three weeks later I found myself making the trip to Kalgoorlie. I'd decided to turn up a week early so I

could acclimatise to everything, which I did very quickly. My Head Of Department at Eastern Goldfields managed to convince me to play for an A grade hockey team....all the time I was telling her I hadn't played in years and she said it didn't matter. So there I was standing on a hockey field attempting to play a sport I haven't played since the play on rule came in.

Then my first day at Eastern Goldfields arrived. Now this school only caters for Year 11 and 12 students and they only go to school four days a week. On Wednesdays they have TAFE studies and workplace learning opportunities and also extra study sessions and seminars on life skills. The school is different from what I'm used to. One of the things I found myself getting used to was the fact the school has no sirens, you have to keep an eye on the time and move the students on to their next class when the lesson is over.

A few things that I've learnt from teaching here, especially as a Phys Ed teacher, is that it can be extremely difficult but at the same time such a worthwhile experience. Some of the students backgrounds are quite challenging but they do still attend school and put in as much effort as they can, which is amazing. This particular school (since it wasn't designed to actually be a school) is missing a few key elements that sport teachers need, mainly an oval, a gym and some essential sports equipment. I have to travel with the kids every sport lesson, which means getting on a bus which we've hired and making the trip to the local basketball stadium or oval. The equipment can also be tricky. Last week I had to teach 26 students how to play AFL and I only had five footballs.

Kalgoorlie is a fantastic place to live, the people are great and the entire atmosphere is inviting. The golf course is gorgeous (I had to add that in there!) and the locals are so willing to help each other out which is what I missed about country towns when I was living in Perth. I'm still trying to get used to the fulltime work and the long hours (I turn up to school at 7 and don't leave till 5) and the extra amount of stuff you have to organise to make your lessons work but in the end this experience so far has been well worth it.

## Lake Grace Transport

Twice weekly freight service to and from Perth

- ◆ Secure depot in Perth to drop freight off
- ◆ For all your wool and general freight
- ◆ Forklift to load wool on farm
- ◆ Accreditation to load at Midland Brick
- ◆ We also cart bulk grain, fertilizer, lime, gypsum and firewood

Your friendly local operator - nothing is a problem, only too happy to be of service.

For all your freight needs call:

Rex on 0429 649 021 or

Darren on 0428 651 339

Tuesday	9am—5pm
Wednesday	9am—midday; 12:30pm—5pm
Thursday	9am—midday; 12:30pm—5pm
Friday	CLOSED

# Its Back! Australia's Biggest Garage Sale

Elle Atwell

Garage Sale Trail, Australia's fastest growing sustainability/reuse event is a chance to declutter, reuse, meet your neighbours and make a few extra dollars at the same time!

Now in its fifth year, the trail sees thousands of cultural, households, businesses, schools and charity events held across Australia. Just last year, nationally there were 8,242 registered sales with 1,123 sales in WA.

The Lake Grace Shire participated for the first time in 2014 and had 10 registered sales. One in Newdegate, a combined trash and treasure in the main street with five stalls and local businesses opening until 12 noon and Lake Grace there were 9 registered sales, each with their unique range of items for sale.

For our regional Shire this is a massive effort which got us on two leader boards, #21 per sales leader board and #1 for the State Council Leader Board Per Capita. We knocked some big names out of the park so let's do it again for 2015.

Everyone can get involved in the Lake Grace Garage Sale Trail and its free! So it's time to start having that spring clean out and thinking about how you want to sell

your stuff. If you'd like to do a boot sale, load up the car head to the oval and set up shop with other groups. Remember that groups that sell together attract the biggest crowds, otherwise have a sale in your own backyard as you might just have so much stuff on offer!

Register today so you can get your sale on the map. Yes, that's right, a map; once registrations close we will be providing maps to pin point all the locations of sales so no one is missed. So you don't miss out on any important information head on over to the Facebook page Lake Grace Garage Sale Trail and like us. Phone (9865 2140), email ([lgvisitorscentre@westnet.com.au](mailto:lgvisitorscentre@westnet.com.au)), Facebook message or just call in and register with Elle Atwell at the Lake Grace Visitors Centre; don't miss out on this national event.

# Faith Journey

Genni Curtin

Bright and early on Sunday morning (9<sup>th</sup> August), three musketeers in Latisha and Brady McGlinn and James Ayers- Dillon stepped out in faith, braved the cold and had themselves sitting in the Lake Grace Catholic Church by 8am. They were accompanied by relatives and friends, some coming from as far as Perth and Kalgoorlie to support these three courageous young people.

Why? They were there to celebrate a special event in their lives. Latisha and Brady took a major leap of faith and were welcomed into the Church becoming Baptised, receiving their first Communion and the Sacrament of Confirmation. James was there for his Confirmation having already received Baptism and Communion.

Confirmation is when a person confirms for themselves the commitment their parents made on their behalf at Baptism. They commit to be a follower of Christ and they become aware of the Holy Spirit in their lives. They had previously undergone a 10 week program with Fr. Gayan in preparation for this day.

Fr. Tony Chiera came from Bunbury and presided over the proceedings in place of the Bishop. At the end of Mass, Fr. Tony asked the three newly confirmed candidates to raise their hand with him and pray a blessing over the congregation. This was a very moving experience which touched the hearts of many.

After Mass family and friends and the church community celebrated with a morning tea and cutting of the Confirmation cake. **Congratulations Latisha, James and Brady.**

*Left: James Ayers-Dillon, Brady McGlinn and Latisha McGlinn with Fr Tony Chiera.*

# Future of Sale Yards

Suzanne Reeves

Lake Grace Saleyards face an uncertain future due to the decline of the sheep industry. With Western Australian sheep numbers peaking at 38.5 million in 1990, it was little wonder that the WA Livestock Salesman's Association did not renew their lease in 2009 when sheep numbers had declined to 15.5 million. This underutilisation of the yards led the Shire council to hold a public meeting in June to discuss the future of the site. The 2.43 ha site is located within a 500m buffer zone of CBH and is therefore limited in how it can be developed.

**Following the sale of their wether lambs, Dot and Trevor Morgan (at right) with the buyers (middle) and Elders reps Noel Morton and Paul Morton (left). Photo taken at the Lake Grace saleyards circa 1990's.**

First used in 1983 the yards had a holding capacity of 8,000 sheep, 3 loading ramps and a male and female toilet block and separate office. At the time they were built the sheep industry was riding high and the state of the art facilities were an indication of this. The last time a sale was held at the Lake Grace yards was in the latter half of 2005.

the saleyards in anticipation of the sale of the existing saleyard facilities located on the Biddy Camm Road.

Participants at the public meeting recognised that there may be circumstances where the current site of the saleyards land could be put to a better use and that would perhaps result in its sale by the Shire. However they also recognised a site would still be needed to cater for emergency holding point of stock (truck breakdowns or disease outbreak), a stock consolidation facility or to meet biosecurity requirements for machinery and vehicle wash down. This site would not need to be as large as the current one.

Discussion was taken to the July council meeting where a motion was put forward to authorise the CEO to undertake research for a future alternate location for

# From the Archives...August

## 1995 - Twenty years ago...

**Variety Bash Hits Lake Grace.** A shivering crowd lined the streets to welcome the Variety Bash cars late Monday afternoon.

Unfortunately some of the cars did not arrive until as late as 12pm, due to bogs and breakdowns; so everyone did not see all of the 70 cars arrive.

The cars are all pre 1965 models, decorated and most had a scene on the roof. Each crew has to raise a minimum of \$6,500 to be eligible to enter the Bash.

The Hospital staff and Auxillary provided a dinner for 300 in the hall. Feeding 300 is no mean feat, but the food kept coming! The Bash participants provided their own entertainment, which took the form of Red Faces and then a band played for anyone wishing to dance. The locals who joined in The Bash met some of the many successful business people who participate in the event and a good time was had by all.

## 2005 - Ten years ago...

VP Day celebrations were held in Lake Grace with a street parade, unveiling of a commemorative plaque at the RSL Hall and a Thanksgiving Service at the Hall.

Courtney Gray won silver with the WA State Hockey Team at the U21 National Championships in Darwin. Fleur O'Neill represented WA in the U16 Schoolgirls side who came home with a bronze medal from the National Championships in Canberra.

Twenty seven LGDHS students attended Canberra for a ten day camp.

The Shire of Lake Grace won the Heart Foundation Kellogg Local Government Award in the Rural and Remote Community category for the Aquatics and Recreation in the Community project.

## 2000 - Fifteen years ago...

The Lake Grace community bids farewell to Dr Charlie Siderfin and his family as they relocate to the Orkney Isles off the north coast of Scotland.

Lake Grace CWA hosts the Central Great Southern Division Handicraft Exhibition. Perth growers of premium geraniums and pelargoniums, Ann Vaughan and Meg Geyer spoke about the successful cultivation of these blooms. They also had a large selection of their plants available for purchase.

Lake Grace Telecentre hosts theatre show 'Road Train' which raised over \$2000 in much needed funds. These funds were put toward new printers.

## 2010 - Five years ago...

The CWA hosted a Cultural Exhibition which was well attended by community and members of the thirteen branches formerly known as the Central Great Southern Division.

Centrelink's new mobile office visited Lake Grace.

Lake Grace Hockey Club raised over \$2,000 for the National Breast Cancer Foundation at their inaugural Aiding & Abreasting day. Jodi Pearce played her 250th game for LGHC.

Karissa Pelham played her 100th game for LG/P Hockey Club.

The idea of Living Communities was presented to the communities of Lake Grace, Lake King, Newdegate and Varley.

# Waterwise Garden

Suzanne Reeves. Photos Danielle Robertson.

The Waterwise garden at the front of the Library / CRC building is putting on a fine display at the moment with a good array of the plants currently flowering. Conditions have been ideal for the plants and the Beyond Gardens team who designed and planted the garden (with the help of volunteers and shire staff) are thrilled with how the garden is progressing with Garry Heady from the Beyond Gardens amazed at how many of the 55 varieties have flourished in their new home.

The garden was planted in May of 2011 with the costs covered by the Water Corporation and the Shire of Lake Grace. Lake Grace District High School cover the

costs of maintenance with the school gardener, Linda Vlasich being helped out on occasion by garden fairies who turn up and do some weeding.

We have featured some of the plants currently flowering for those who have a space in their garden and are looking at a native plant to fill that gap.

## Banksia Media

The **southern plains banksia** (*Banksia media*), also known as **golden stalk banksia**, is a species of shrub in the plant genus *Banksia*. It occurs on the south coast of Western Australia between Albany and Israelite Bay, where it is a common plant. A many-branched bush with wedge-shaped serrated leaves and large golden-yellow flower spikes, known as inflorescences, it grows up to 10 metres (30 ft) high.

*Banksia media* plants are killed by bushfire, and regenerate from seed.

The flowers attract nectar- and insect-feeding birds, particularly honeyeaters, and a variety of insects. In cultivation, *Banksia media* grows well in a sunny location on well-drained soil in areas with dry summers. It is more resilient than most Western Australian banksias when cultivated in areas with humid summers. **Probably not ideal for that little spot in the garden. Ed.**

## Grevillea pinaster

*Grevillea pinaster* is a shrub in the family Proteaceae. It is endemic to south-western Western Australia.

It grows to between 0.5 and 3 metres in height and has a peak flowering period between May and September (late autumn to early spring) in its native range. The flowers are pink to red with yellowish-tipped styles. The long and narrow leaves are 20 to 55 mm long and 1 to 2 mm wide. Plants labelled as *Grevillea stenomera* in plant nurseries are often forms or hybrids of this species

## Grevillea lanigera

*Grevillea lanigera*, commonly known as Woolly Grevillea, is a small shrub which is endemic to Victoria and New South Wales in Australia.

## Grevillea 'Winpara Gold'

A fast growing native with masses of golden spike flower clusters for most of the year. Ideal for a small hedge or screen (plant 2.5m apart for a hedge). It is frost hardy and requires little water once established. It can grow in full sun to part shade position. Bird attracting.

# POLICE NEWS

LAKE GRACE POLICE STATION  
56 STUBBS STREET, LAKE GRACE. 6353

## Changes re Unlicensed Vehicles

Just a reminder that the onus is on the entity that a motor vehicle is registered to i.e. person or company, to ensure that vehicles are licenced if driven on a road as defined. The Department of Transport will tell you that sending out renewals is only a courtesy and of course doesn't work at all if one forgets about it or changes addresses without notifying them, which is an offence in itself. Until recently if you were caught driving, or permitting someone else to drive your unregistered motor vehicle it meant a summons and the matter being heard in Court. Usually the person involved would walk away with a minor fine. However, the laws have just changed. Now if you drive and/or permit the vehicle to be driven both the driver and the registered owner (or company director) will receive an on the spot infringement notice for \$250. In my opinion the most dangerous thing about allowing a registration to lapse is that you won't have any insurance, not for property

damage or personal injury. This situation could be devastating and financially crippling should the worst happen. If in doubt about when your registration will expire you can check it on the Dept of Transport website.

## Seat Belt Penalty Update

Last week I stated the fine for failing to wear seat belts was \$500. Please be advised that the penalty is actually \$550, which applies for the driver and passengers and includes failing to wear the seat belt at all or failing to wear it correctly. Apologies for the mistake.

## Interstate & Overseas Driver's Licences

For your visitors or worker/s who are from Interstate or Overseas please ensure that they are aware that they must carry their driver's licence **on their person** at all times when driving in WA. If they can't produce their motor driver's licence to a police officer then and there it is considered driving without a licence and they can be issued with an on-the spot infringement notice. The reason is that we can't then and there check our computer system for their driving details or status as we can with a WA resident's motor driver's licence.

## Overseas Present

Knowing that all WA Government Departments have had to tighten their belts in recent times a local resident (who shall remain nameless) was recently overseas and kindly brought me back a helpful present in the form of a sign for the police station that reads as follows:

### WARNING

DUE TO PRICE INCREASES ON AMMO  
DO NOT EXPECT  
A WARNING SHOT

I've posted it in the police station for the time being. It will probably last until my Inspector visits next. Thank you for the present Lena from the Newdegate Post Office – oops.

Regards,  
Sergeant Martin Downey  
Officer in Charge

# Be SunSmart During Winter

Media Release

With cloudy skies and cooler days many people think they won't get sunburnt. Sunburn is caused by UV radiation not temperature therefore even on a cooler cloudy day the UV level can be intense. You can get sunburnt on cloudy days, as UV radiation can penetrate some clouds, and may even be more intense due to the reflection from the bottom of the clouds.

Outdoor workers have a higher than average risk of skin cancers because they spend long periods of time working in the sun, all year round, over many years of working life.

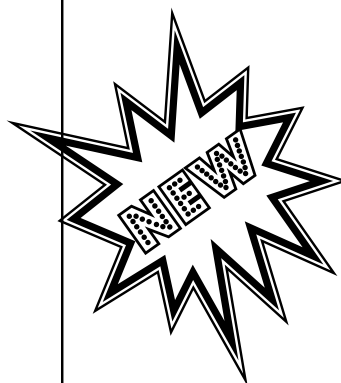

So it's important to remember that even on cloudy days we need to be mindful of the UV index forecast for that day and protect ourselves as necessary. When the UV index is 3 and above it is time to be SunSmart

- **Slip** on protective clothing
- **Slop** on SPF 30 or higher sunscreen
- **Slap** on a hat (broad brimmed)
- **Seek** shade
- **Slide** on some sunglasses

A really great website for learning about the UV Index, including finding out what the UV is right now and

the **SunSmart app**, is [www.myuv.com.au](http://www.myuv.com.au). While you are there **Download the SunSmart app** to your phone and use it daily. It is free and fun and can be tailored to your location – The app lets you know when you need sun protection, the daily UV level, the weather forecast, and lets you set a reminder for putting on sunscreen and how much (it has a sunscreen calculator!) – check it out on [myUV.com.au](http://myUV.com.au)

Remember UV3 is the key! At UV3+, cover up. Below UV 3, no sun protection is required

The CRC has a new Thermal Binder available for documents up to 120 pages. We have also recently purchased a Coil Binder which we are desperate to try out!

For a professional finish to your documents call in to see us to discuss your options.

to get further information about HACC  
and Hospital services

## Counselling Facilities Available

Three different counselling services are available at Lake Grace Hospital and all are free of charge. If you require any of these services please contact:

**Glenda Miners** : 9881 3939

(Rural Community Support Service)

Approx. every 3rd Monday

**Sally Dickinson** : 0427 192 155

Most Thursdays (Southern Agcare)

**Bill Webb** : 0429 323 006

When required (Southern Agcare)

**Matthew or Gail** : 9881 1999

When required (Hollyoak Narrogin)

## Hospital Upgrade News

Currently the builders are working on the main entry, kitchen, medical records store, extra office, and ground works around the building foundations.

Remember:

- Enter the hospital through the door at the carpark (northern) end of the hospital.
- Do not go into construction areas
- Look for the signs to direct you
- If in doubt—ring the bell to call for staff

Below: The main corridor has a false wall at the moment and is rather chilly!

Please bring your **Medicare Card** for all visits to the hospital

# Waldron Concerned with 2015 Proposed Boundary Changes to Wagin Electorate

## Media Release

The WA Electoral Commission has released the draft electorate boundaries for the next State election in 2017. Member for Wagin Terry Waldron MLA has expressed concerns about the significant proposed changes that he says will "impact on representation for regional WA".

Should the proposal go ahead as outlined, the already large Wagin electorate, which currently has 150 towns, will increase in size by 13 per cent to about 78,000 square kilometres. The proposed new electorate stretches past the SE coastal centre of Esperance, which is about 500 kilometres from the town of Wagin.

Mr Waldron said the Wagin electorate would become known as the electorate of Roe, and it would lose the Shires of Jerramungup, Plantagenet, Wandering, Boddington, Cuballing, Pingelly, Williams and West Arthur. "In turn, it will gain all territory east of Newdegate, including the Shire of Ravensthorpe and parts of the Shire of Esperance, which equates to numerous additional localities," he said. "Constituents have every reason to be concerned.

"These changes will make the electorate much larger and while as the local Member it can be handled, this

increase will make it particularly difficult for constituents to have regular access to their local Member.

"I am extremely disappointed with the loss of a country seat that has once more gone to the city. "Those who live in regional WA will definitely feel like they have been snubbed again.

"And while it will also be disappointing to lose the well recognised name of the Wagin electorate that I represent, I do acknowledge that with the increases and inclusion of areas north and east of Esperance that the name change to Roe is understandable."

Mr Waldron said that although modern technology and easier travel options made it possible to reach the furthest parts of the current electorate, the size of the proposed new electorate would mean that regular contact would be really difficult. The Nationals WA made a submission that would have allowed the Electoral Commissioners to meet the requirements of the Act that involved minimal change. "I encourage local governments, residents and businesses to look at the proposed boundary changes and make their views known to the WA Electoral Commission," Mr Waldron said.

## Great Job Opportunity

### **Landfill Attendant**

### **Permanent Part Time**

**Includes 4 Days at Lake Grace Waste Site and 2 Days at Newdegate Waste Site**

This position is required to provide landfill site attendant services at the Lake Grace and Newdegate Waste Sites to ensure the efficient operation of the disposal sites. This position will operate as part of a team to ensure productivity and quality results are achieved in waste management operations. The successful candidate will liaise with supervisors and staff to ensure that the Council provides quality waste management services to the community.

For further information contact Louka Shopov on 9890 2500 or email [mis@lakegrace.wa.gov.au](mailto:mis@lakegrace.wa.gov.au)  
 To obtain an application package for this position please contact Lee-Anne Trevenen at the Shire of Lake Grace on ☎9890 2500 or email [cfa@lakegrace.wa.gov.au](mailto:cfa@lakegrace.wa.gov.au)  
 Applications to be marked 'Confidential' and addressed to;  
 Chief Executive Officer,  
 Shire of Lake Grace, PO Box 50 Lake Grace WA 6353

**Applications for the position close 5.00pm Friday 28 August 2015**

*The Shire of Lake Grace is an equal opportunity employer*

PO Box 50, Lake Grace WA 6353 | Ph: (08) 9890 2500 | Fax: (08) 9890 2599 | Email: [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au)

## CEO's Corner

### Budget 2015/16

I am pleased to advise that the 2015/16 Budget was adopted at a Special Council Meeting held on 29th July 2015. Rate notices will be issued in the week commencing 10th August 2015 inclusive of budget information.

Council is pleased that, despite increased state costs for electricity and water, the budget has been limited to a 3.23% rate increase. Council would also like to acknowledge the Commonwealth's increased road funding under its Roads to Recovery Program which has increased from \$527,000 to \$1.6M for the 2015/16 financial year.

### 2015 Banners in the Terrace Competition

Students from Onslow Primary School in the Shire of Ashburton have won the 2015 Banners in the Terrace Competition.

Our thanks and appreciation to the Lake King Primary School for the production of the 2015 Shire of Lake Grace banner. On its return from the WA Local Government Association, the banner will be made available to the Lake King community for display.

### 2015 Local Government Convention

Four Councillors attended this year's Local Government Convention where the main topic of discussion was the State Government's proposal to impose a cap on rate increases. This matter will be followed with some interest over the coming weeks.

### Newdegate Machinery Field Days

The Shire wishes the Newdegate Field Day

Committee every success with this year's event. Shire Councillors will be in attendance at the Field Day should you wish to raise any matters of interest.

We invite all residents of the Shire to come along and have a look at the relocated and renovated Newdegate Railway Station building – it looks a treat in its new position adjacent to the new CBH facility at the Field Day site. The Shire congratulates all those involved in securing these two buildings onsite.

### 2015 Local Government Elections

Don't forget to check your enrolment to be eligible to vote in the October elections.

1. Check your enrolment through the WA Electoral Commission website.
2. You may be eligible to vote in more than one ward – for this you will need to contact Peter or Lee-Anne at the Shire.

*Neville Hale*

**Chief Executive Officer**

## Ordinary Council Meeting

The next Ordinary Council Meeting will be held:

**Wednesday, 26 August 2015, 3.00pm**

**Location: Lake King Hall**

### *Members of the public welcome.*

A minimum of 15 minutes is set aside for public questions time, giving members of the public an opportunity to ask questions relating to Shire activities.

## Shire of Lake Grace Community News

PO Box 50, Lake Grace WA 6353 | Ph: (08) 9890 2500 | Fax: (08) 9890 2599 | Email: [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au)

### Office Opening Hours

Monday - Tuesday - Thursday - Friday  
8.30am - 4.30pm

Wednesday 8.30am - 4.00pm

Staff can be contacted by phone between 8am - 5pm.

### Licensing Opening Hours

Monday, Tuesday and Thursday 8.30am - 4.15pm  
Wednesday and Friday 8.30am - 4.00pm

### Tip Opening Hours

#### Lake Grace

Monday, Wednesday, Saturday & Sunday  
7am - 6pm

#### Newdegate

Wednesday 9am - 3pm  
Saturday 8am - 12pm

#### Lake King & Varley

Open Every Day

### Waste & Recycling Pick up Dates

Household Waste Collection is weekly and collected each Monday for Lake Grace, Newdegate, Lake King & Varley.

Recycling is fortnightly and alternates between Lake Grace & Newdegate. See below for the upcoming recycling collection dates.

Lake Grace	Newdegate
24 August	17 August
7 September	31 August

**Please Note:** There is no kerbside recycling collection service in Lake King or Varley.

Check out our website  
[www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au)

### Driving Assessor

The Practical Driving Assessor will be at the Shire of Lake Grace Office on:

**Friday - 4 September 2015**

**Friday - 2 October to be confirmed**

Please contact the Shire's Customer Service Officer for an appointment.

You can now book your PDA online. For more information visit [www.transport.wa.gov.au](http://www.transport.wa.gov.au)

### Building Surveyor

Shire Building Surveyor, Josiah Farrell will be available at the Shire Office on the following dates:

**Tuesday 25 August 2015**

**Tuesday 8 September 2015**

To make an appointment please contact Josiah on 0438 811 944.

### Rate Notices

Rate notices will be issued in the week commencing 10th August 2015. Full payment and 1<sup>st</sup> instalments are due on the

**11 September 2015.**

If you have any enquiries please contact the Shire's Senior Finance Officer, Warrick Millar on 9890 2500.

### Wanted - Photographs

For people who always have their camera at hand the Shire is looking for photos to promote our area.

If you have any photos of events, infrastructure or landscape please email, with a description, to [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au).

Your photos will be used to promote the area on our website, Facebook page and publications.

Wherever possible you will be acknowledged if your photo is published.

Please ensure you have permission from the people who are captured in the photo.

## Are You Eligible to Vote?

### LOCAL GOVERNMENT ELECTIONS

**Saturday 17 October 2015**

#### by Postal Election

If you are registered on the State Electoral Roll you are automatically eligible to vote in the local government elections as per your residential address i.e. you get to vote in the ward in which you reside.

The Shire has 3 Wards: **LAKE GRACE WARD, NEWDEGATE WARD & RURAL WARD**

**Enrolments Close 5:00pm 28th August 2015**

#### More than One Ward - Owner or Occupier Eligibility to Enrol

You should apply to go onto the Shire's Owner's & Occupiers Roll if you:

- 1) own or occupy rateable property in a district or ward but are not on the residents roll for that district or ward; or
- 2) qualify under clause 12 of Schedule 9.3 to the Local Government Act 1995. and
- 3) want to be able to vote at local government elections for that district.

Copies of the forms are available at all Shire libraries, CRC's, online at [www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au) and at the Shire Administration Office. You can also phone the Shire Office '9890 2500 or email [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au) for a copy of the form.

#### Where to send your form

Completed signed forms can also be faxed 9890 2599 or emailed [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au) or post to

**Chief Executive Officer, Shire of Lake Grace**  
PO Box 50, Lake Grace WA 6353.

### Important Dates on the Election Timetable

08-22 Aug 2015	The CEO gives Statewide public notice of the time and date for close of enrolments.
<i>Check the 12 August editions of the West Australian &amp; local papers</i>	
22 Aug 2015	Last day for the CEO to advise the Electoral Commissioner of the need to prepare a residents roll.
22 Aug - 02 Sept 2015	Advertising of the call for nominations for Councillor.
<i>Check the 26 August editions of the West Australian &amp; local papers.</i>	
<b>28 Aug 2015</b>	<b>Close of electoral roll at 5.00pm.</b>
03 Sept 2015	Nominations open for candidates to lodge
<b>10 Sept 2015</b>	<b>Nominations for Council close at 4.00pm.</b>
<i>Note: Terry Gladish at the Lake Grace Post Office is the Returning Officer.</i>	
09 Sept 2015	Last day for the CEO to prepare an Owners and
18 Sept 2015	WAEC commences posting out election
28 Sept 2015	Last Statewide public notice advertising the election.
<i>Check the 16 September editions of the West Australian &amp; local papers.</i>	
17 Oct 2015	Election Day – Shire Office open to receive votes until close of poll at 6pm. Announcement of successful candidates follows.

## ARC Reimbursements

Due to the privatisation of ARC residents who previously held ARC membership will be reimbursed.

If you have not received a call from the Shire and have a current membership ticket please bring it to the Shire office before the end of August to receive your payment.

## OVER 55's ACCOMMODATION

### Register Your Interest

To enable further funding applications for Over 55's Units the Shire is required to establish a list of people interested in renting (*both now and into the future*) one of the Shires' new Over 55's Community Housing Units in Lake Grace and Newdegate.

The list will be an indication of your interest only and is not binding.

Contact Lee Holben, Manager Community Services at the Shire on ☎9890 2500 for more information and to register your name.

## Shire of Lake Grace Community News

PO Box 50, Lake Grace WA 6353 | Ph: (08) 9890 2500 | Fax: (08) 9890 2599 | Email: [shire@lakegrace.wa.gov.au](mailto:shire@lakegrace.wa.gov.au)

### Keep Australia Beautiful

Keep Australia Beautiful announce their new ambassador and iconic Australian: **Agro**. Better known for his days hosting the highly successful television program *Agro's Cartoon Connection* throughout the 1990s, Agro has come on board to be the official ambassador for Keep Australia Beautiful.

Underneath that rough and unwashed exterior, Agro admitted to us that he really does have a soft spot for the environment. **Keep Australia Beautiful Week 2015 launch on Monday 24 August!**

Keep Australia Beautiful and Agro will be reminding all Australians what an amazing, and beautiful country we have. However, it won't stay beautiful if we don't clean up our act when it comes to litter.

This year's theme **It's Everyone's Backyard** is urging all tidy Aussies to keep their waterways, roads and neighbourhoods as clean as their own backyards during the week of 24 – 30 August 2015.

KidSport enables Western Australian children to participate in community sport and recreation, no matter their financial circumstances. Eligible youth aged 5–18 years can apply for financial assistance to contribute towards club fees. The fees will go directly to the registered KidSport clubs through their participating local government.

Applicants must be aged 5-18 years and have a Health Care or Pension Concession card or be referred by a recognised referral agent. Primary place of residence must be in the local government area that they are applying to.

### Roosters

It has come to the attention of the Shire's Environmental Health Officer that some residents are keeping roosters in the residential areas of the Shire.

Roosters cause a nuisance to residents with their loud crowing, particularly early in the mornings.

Please note that the Shire of Lake Grace's Health Local Law 2000 Part 5 Div. 2 Clause 5.4.4 states: *If an application is made to the Council for a person to keep a rooster within a townsite in the Shire, a consultation process with residents neighbouring the applicant's premises will be conducted.*

#### Roosters, Geese, Turkeys, Peafowls and Gamebirds

5.4.4 (1) An occupier of premises within a townsite, shall not without the written approval of the Council, keep or permit to be kept on those premises, any one or more of the following fowl-

- a) a rooster;
- b) a goose or gander;
- c) a turkey;
- d) a peacock or peahen;
- e) a gamebird (includes emus and ostriches)

(2) The Council may upon written application, grant approval with or without conditions to the owner or occupiers of premises to keep any one or more birds as specified in subsection (1) of this section.

(3) A person who has been granted approval under this section to keep a bird on the premises only while he is the occupier thereof.

(4) The Council may revoke an approval granted under this section if it is of the opinion that the keeping of the birds specified in the approval is causing a nuisance or is injurious, offensive or dangerous to health.

If you have a question regarding this local law please contact Lauren Pitman, the Shires' EHO  
☎ 0427 137 431.

# Electoral Commission to Conduct more Local Government Ordinary Elections Than Ever Before

*Media Release*

Eighty-eight of Western Australia's 139 local governments have requested the Western Australian Electoral Commission to run their ordinary elections in October this year. Collectively, these local governments comprise over 97% of the State's 1.47 million eligible electors.

All 30 councils in the metropolitan area have requested the Commission to conduct their elections using the postal voting method. Of the 58 regional councils using the Commission's services, 52 have opted for a postal ballot, while the following six councils have asked the Commission to conduct voting in person elections on their behalf – Broome, Halls Creek, Derby-West Kimberley, Wiluna, Wyndham-East Kimberley and York.

First time ordinary election customers for the Commission include the Town of East Fremantle, Shire of Derby-West Kimberley, Town of Narrogin, Shire of Wiluna and the Shire of York. The number of local governments having the Commission run their ordinary elections has increased steadily over recent elections, rising from 70 in 2009 to 88 this year.

Electoral Commissioner, David Kerslake advised that the electoral rolls for this year's ordinary elections will close at 5.00 pm, Friday 28 August 2015. People can check their enrolment status by visiting [www.elections.wa.gov.au](http://www.elections.wa.gov.au).

"I'd like to encourage all eligible Western Australians to support their local community by voting at the forthcoming local government elections. Remember, you can't vote if you're not on the electoral roll," Mr Kerslake said.

People wishing to nominate as a candidate will be able to do so from Thursday 3 September until 4.00 pm Thursday 10 September 2015. Polling day is Saturday 17 October 2015. For further details visit [www.elections.wa.gov.au](http://www.elections.wa.gov.au).

# Bits & Pieces

Being one to always be on the lookout for interesting bits of knowledge to give some credence to my intellect, I am also able to share these important facts with you, the reader. So here are some more of these amazing facts which I am sure you can't do without knowing.

- Stewardesses is the longest word typed with only the left hand.
- Lollipop is the longest word typed with only the right hand.
- No word in the English language rhymes with month, orange, silver or purple.
- Dreamt is the only English word that ends in the letters 'mt'
- Our eyes are always the same size from birth but our ears and nose never stop growing.
- There are only four words in the English language which end in 'dous': tremendous, horrendous, stupendous and hazardous.
- There are only two words in the English language that have all five vowels in order: abstemious and facetious.
- Typewriter is the longest word that can be made using the letters only on one row of the keyboard.
- A cat has thirty two muscles in each ear.
- A goldfish has a memory span of three seconds.
- A shark is the only fish that can blink with both eyes.
- A snail can sleep for three years.
- Almonds are a member of the peach family.
- Babies are born without kneecaps. They don't appear until the child reaches 2 to 6 years of age.
- February 1865 is the only month in recorded history not to have a full moon.
- Peanuts are one ingredient of dynamite.
- The Queen Mary, the luxury cruise liner, moves only six inches for each gallon of diesel that it burns.
- The microwave was invented after a researcher walked by a radar tube and a chocolate bar in his pocket melted. (Good thing he did that!)
- There are more chickens in the world than people.
- Women blink nearly twice as much as men.

...and as a bonus bit of info....

All the ants in Africa weigh more than all the elephants.  
Now you know (a little) more than you did before!!

That's enough of the heavier stuff for this edition. Let's lighten it a bit with a few funnies.

## An Australian ventriloquist was visiting New Zealand.

He walked into a small village and saw a local sitting on his verandah, patting his dog. He figured he'd have a little fun so he said to the Kiwi, "G'day, mind if I talk to your dog?"

Kiwi: "The dog doesn't talk, you stupid Aussie."

Ventriloquist: "Hello dog, how's it going mate?"

Dog: "Yeah, doin' alright"

Ventriloquist: "Is this villager your owner?" (pointing at

the Kiwi)

Dog: "Yep"

Ventriloquist: "How does he treat you?"

Dog: "Yeah, real good. He walks me twice a day, feeds me great food and takes me to the lake once a week to play."

Kiwi: (look of utter disbelief)

Ventriloquist: "Mind if I talk to your horse?"

Kiwi: "Uh, the horse doesn't talk either, ...I think."

Ventriloquist: "Hey horse, how's it going?"

Horse: "Cool."

Kiwi: (absolutely dumbfounded)

Ventriloquist: "Is this your owner?" (pointing at the Kiwi)

Horse: "Yep"

Ventriloquist: "How does he treat you?"

Horse: "Pretty good, thanks for asking. He rides me regularly, brushes me down often and keeps me in the shed to protect me from the elements."

Kiwi: (total look of amazement)

Ventriloquist: "Mind if I talk to your sheep?"

Kiwi: (in a panic) "The sheep's a bxxxdy liar!!!"

## Only an Aussie can make you feel like a woman.

A plane was passing through a severe storm. The turbulence was awful and things went from bad to worse when one wing was struck by lightning. One woman lost it completely. She stood up in the front of the plane and screamed. "I'm too young to die!" she cried. Then she yelled, "If I'm going to die, I want my last minutes on earth to be memorable! Is there anyone on this plane who can make me feel like a WOMAN?" For a moment, there was silence. Everyone stared at the desperate woman in the front of the plane. Then a man from Australia stood up in the rear of the plane. Slowly he started to walk up the aisle, unbuttoning his shirt as he went, one button at a time.

No one moved.

He removed his shirt.

Muscles rippled across his chest.

She gasped...

He spoke...

"Iron this and then get me a beer."

# Waldron Welcomes Local RfR Aged Care Funding

*Media Release*

Significant Royalties for Regions investment into projects across the Wagin electorate will help address shortfalls in aged care services as the region's ageing population grows over the next decade.

Today Member for Wagin Terry Waldron MLA announced the Town of Narrogin would receive a \$5.137 million Royalties for Regions investment to assist with the construction of a 14-bed dementia-specific wing at Narrogin Cottage Homes, Karinya.

It is one of seven projects spread over 13 Wheatbelt, Great Southern, South West and Peel shires to share in \$20.2 million via the Royalties for Regions Ageing in the Bush program.

Mr Waldron said the funding would deliver the only dementia-specific designed facility in the southern Wheatbelt and would meet growing demand for dementia care in the region.

"This investment is addressing shortfalls identified in the Ageing in the Bush report commissioned by the Regional Development Council of WA last year," he said.

"Current projections estimate the population of regional West Australians over 70 will double in size to 100,000 by 2026.

"Meeting the needs of and creating sustainable aged care services for people ageing in the bush is critical to them remaining in the communities they live in and love."

Three other projects in the Wagin electorate will be funded under Ageing in the Bush:

- 4WDL Well Aged Housing Project (\$5.024 million) will contribute to the construction of 14 dedicated independent living units (ILUs) across the shires of Dumbleyung, Wagin, Lake Grace, Williams, West Arthur, Woodanilling and Kent.
- Kojonup Independent Living Units (\$646,000) – Construction of three ILUs as part of a project to build six units, allowing ageing residents to remain close to family, friends and support networks.
- Collet Barker Court Stage 3 (\$1.242 million) – Contribute to the construction of four of the final seven ILUs being built as part of 21 high quality units.

Other projects funded are occurring across the central Wheatbelt and in Harvey and Dwellingup.

Mr Waldron said the benefit of keeping older people in their communities was highlighted by the Wheatbelt Blueprint, which identifies aged care as a priority action.

"Enabling senior residents to remain socially connected and engaged in their home towns brings about huge health, wellbeing and economic benefits on an

individual and community level," he said.

"Ageing in the Bush funding is just the start of investment through the \$600 million Royalties for Regions Growing our South initiative that will roll out over the next five years."

Mr Waldron congratulated those involved in prioritising these investments.

"I welcome the dementia-specific facility in Narrogin and its ability to meet the needs of the local region and I'm thrilled that a number of new units will be built in the region," he said.

"I continue to be very supportive of initiatives that support our elderly, including the construction of Independent Living Units across regional WA. Building these units allows our elderly to remain in their own communities, close to family and friends," he said.

"I'd like to thank and congratulate our shires on working towards these latest Royalties for Regions-funded projects."

**For further information on Royalties for Regions projects visit <http://biggerpicture.regions.wa.gov.au/>**

# Commemorating 100 Years of ANZAC

Allan Zweck

*Each of the soldiers listed on the Lake Grace Honour Roll will be featured in the Lakes Link News, as close as possible to 100 years from their enlistment. It is now 100 years and 7 days since Charles Carter signed up.*

**CARTER - CHAS. [CHARLES] ROBERT:** Born at Toodyay, Western Australia he enlisted in the Australian Imperial Force at the age of 20 ½ years on August the 6<sup>th</sup> 1915, naming his mother Emily, of Subiaco as next of kin. (His father was away at the War, already serving in the AIF). He was a farmer, and was among the earliest group of settlers to the northward of Lake Grace, where he was allocated location 10164, next to allocations of his brother and father. At a height of 5 feet 7 ¾ inches (172cms) he weighed 127 lbs (58kgs), had a dark complexion with brown eyes and black hair. As he was under the age of 21 years it was necessary to have his mothers' permission to enlist. Private Carter did his training at Blackboy Hill and on the 7<sup>th</sup> of October 1915 he was appointed to the 11<sup>th</sup> Reinforcements / 10<sup>th</sup> Light Horse Regiment. On the 13<sup>th</sup> of October 1915 embarked the *Themistocles* at Fremantle, disembarking at Suez on the 2nd of November.

They marched out to Serapeum, from Heliopolia on the 26<sup>th</sup> of February 1916. Six months later he was transferred through several hospitals before being diagnosed with tonsillitis and 3

weeks later was able to rejoin his 10<sup>th</sup> Light Horse Regiment to recommence duties at Masaid. After 8 months in the Field, (now Trooper Carter), was again admitted through several Casualty Stations, suffering from mild myalgia, (muscle pain), before being diagnosed with rheumatism at Abbassia. He was transferred to Montazeh for convalescence for almost two weeks, returning to duty on 31/8/1917 when he was appointed Driver. After three and a half months in the Field Driver Carter became sick again, so after reverting back to Private was admitted to the 2<sup>nd</sup> Light Horse Field Ambulance, with myalgia and inflammation of joints. As before, was transferred to Cairo. He was there for two weeks before being transferred to a Rest Camp at Port Said and after three weeks was able to march out to Signal Training Unit at Moascar, where he was able to rejoin the 3<sup>rd</sup> Light Horse Regiment and remain for two months. Then he detached for a further two months to attend a School of Instruction, returning to the 10<sup>th</sup> Light Horse Regiment. They marched into Ludd, then to the Expeditionary Force. Two months later he was admitted to the Australian Receiving Station in the Jordan Valley and from there to the Ambulance Rest Station Jerusalem with debility (weakness and listlessness). Transferred through several Casualty Stations, eighteen days after his first confinement, he was found to be suffering with Malaria. After a period of convalescence he marched into Moascar with the Signal Training Unit.

Wheatbelt Natural Resource Management invites you to...

## Build your community group's NRM capacity!

Help your community group improve its natural resource management (NRM) capacity.

Wheatbelt NRM has grants up to \$4,000 available to support community groups in improving their management structure and recruit more members.

The **Community Capacity Building Grants** aim to help make your group stronger and more resilient, so you can continue doing important NRM work into the future\*.

### Grants can be used towards:

- financial tasks like audits and financial advice
- governance, incorporation and tax status
- payment for management activities
- training for group members
- new member recruitment
- equipment purchases and more\*\*

\* Groups must be involved in natural resource management in the Avon River Basin.

\*\* Excludes on-ground works.

### Contact:

## Commemorating 100 Years of ANZAC (cont.)

After this the War was soon over, but it was the end of January 1919 before he left the war zone. It was April before he rejoined the 10<sup>th</sup> Light Horse Regiment at Zagazig and on the 14th of July he embarked the *MAGDALENA* at Alexandria to leave for the United Kingdom. On the 2<sup>nd</sup> of September leave was granted in England and on the 25th of September he embarked the *MAHANA* for the return to Australia, disembarking at Fremantle on 3/11/1919. He was awarded the 1914-15 STAR Medal, the British War Medal, and the Victory Medal, and his enlistment number was 1702. His religion was the Church of England.

While away at the War, Trooper Carter relinquished his land at North Lake Grace and it transferred to Ern and Catherine Bennett. He then took up land at Kondut which was probably arranged by his father Robert who had already been to the War and returned and had relocated to Kondut. Traces of his existence at Lake Grace are still evident, with remnants of stones and mud bricks scattered about his camp area.

Newspaper reports show that he played cricket for Kondut and successfully conducted a mixed farming venture, revealing sales prices for his livestock and produce, until the Second World War, when he enlisted for action again in that theatre too. He relocated his wife and four children to a home at East Fremantle while he was on service but when he returned home on leave

during the war, he found his wife and children had left, the furniture had gone, the house was bare, and his children were in hospital with a skin disease. In the Divorce Court a rather bizarre account unfolded. Carter explained that when he found his wife at an eating joint, he had a meal there. His lawyer asked, "Did your wife say anything to you when you went into the shop?"

"Yes she did", he replied, "She said '2/3.'" That's all. I paid her for the meal and went out." Rather puzzled, His Honour asked, "Didn't you ask your wife why she left?"

"No" replied Carter. "I never spoke to her at all. Since the day she cleared out I haven't even passed the time of day with her." Carter charged his wife with desertion. He got his decree and was granted custody of the children.

In 1950 Charles Robert Carter was granted a new Crown Lease of Conditional Purchase at Kondut, which suggests he was still involved in farming in the area.

With the enlistment of Private Charles Robert Carter in World War Two, his service number was W 27769.

The absence of an "X" in his number means his service was within Australia.

## Calling all Wheatbelt Farmers and Farming Groups!

### Applications are now open for Wheatbelt NRM's 2015 Sustainable Agriculture Trials & Demonstration Program!

Grants of up to \$20,000 are available to farmers and groups to trial or demonstrate sustainable farming practices which are associated with Improved Soil Management, Innovative Crop Management, Sustainable Grazing Systems or Integrated Tree Cropping.

Applications open: 27 July 2015 | Applications close: 11 September 2015

# Lake Grace Pingrup Football Club

Dennis Gittos

## LAKE GRACE PINGRUP FOOTBALL CLUB NOTES ROUND 12

Thanks to our Sponsors for this week who were Lake Grace Sportsman's Club, Lake Grace Tyrepower, Pelham Enterprises and Tiger Spark Electrical!

LGPFC vs Borden Played at Borden on 1/8/2015.

Borden was unable to provide a Reserves team.

The weather was cool and cloudy with a light Southerly breeze, a beautiful day for football.

### LGP JUNIORS

The juniors continued their dominant form defeating Borden by 60 points. There are talks of poaching a few players from this team for league next weekend, while there are rumours surrounding Joe O'Neil moving to a senior coaching role with Damon Pelham's job currently on the chopping block.

LGP 13-22 (100) defeated Borden 6-4(40)

Wonderful team effort special mentions to Josh Pearce, James Ayers-Dillon and Jackson Callope

Fed by Fyfe awards went to Brady McGlinn and Rory Murray.

### LGP LEAGUE

This game was a must win for the Bombers. Knowing this and having a lack of faith in the interim captain saw the heroic return of the mighty LGP skipper Luke Bairstow. This was a massive effort from a legend that put his teammates and club ahead of himself and is a great example for the entire team. We also saw the long awaited return of Damien Trevenen which was met with loud cheers as he entered the change rooms.

The game started just after 2pm and it was obvious from the beginning both teams were fighting for the points. Bombers fighting to stay in the top 4 while Borden had seen a chance to snatch their first win from a grossly undermanned LGP. A tough tight first quarter saw Lake Grace Pingrup take a slight advantage into the break.

# Lake Grace Pingrup Football Club

The second quarter was much the same, with Borden kicking a few early goals to take an early lead. LGP was able to grab a few late goals but Borden still went into the long break with a 7 point advantage.

Unfortunately the half time break didn't help the Bombers who came out of it flat and played some of their worst football of the season. Borden, kicking into a slight breeze, managed to extend their lead while LGP struggled to show the form of recent weeks. It was also obvious LGP were battling without the key targets of Tyson Prater and Tyson Bell up forward. While they also lost their best back man Justin Carruthers to a calf strain and Ashton Gray who has stress fractures in his foot which added to their injury woes.

Again Borden came out of the break more switched on kicking the first goal of the final quarter. But the Bombers had plenty to play for and threw caution to the wind pushing the defensive rock Alex Duckworth forward. This move paid dividends for the Bombers, who slowly pegged back the lead. Craig Clinch managed to snatch a great goal through traffic. Then the entire ground got to witness something incredible. Aaron Dunham broke through the entire Borden defence. He managed to slot a beautiful drop punt running goal from the boundary. History will say he couldn't even see the light between the goal posts but this goal put the Bombers up by a point. They then won the next clearance getting the ball to Alex Duckworth inside fifty. He kicked true which saw them take a 7 point lead with 5 minutes to go. With the Bombers up and about Borden realised they needed to lift. A questionable deliberate out of bounds gave Borden a free kick on the wing, which ended with an unfortunate 50m penalty. This resulted in a goal and from here Borden fought back. Kicking the final 3 goals they ran out winners by 12 points.

Final scores were LGP 13-7(85) defeated by Borden 15-7 (97)

Goal scorers for LGP: Craig Clinch 4, Chris Poot 3

Better players were Craig Clinch, Alex Duckworth, Dennis (Tomma Hawk) Gittos, Jack Carruthers, Tim Shalders, Luke Bairstow, Rob Enright, Damon Trevenen.

Award winners were: Best on Ground Dennis Gittos, Best on Ground runner up Craig Clinch and Coaches award went to Damon Trevenen.

Thanks to the boys that pulled the boots on when we needed them most, also we send our best to Mitchell Harvey who fractured his arm during the match.

Look forward to seeing everyone next week at home against top of the table Gnowangerup. Should be a cracker game with the boys wanting to redeem themselves after the weekends loss.

## LAKE GRACE PINGRUP FOOTBALL CLUB NOTES ROUND 12

**Thanks to our Sponsors for this week who were CSBP (Greg Pinney), Landmark Lake Grace, Farmers Centre Lake Grace and Great Southern Fuel Supplies!!**

LGPFC vs Gnowangerup Played at home on 8/8/2015

The weather was cold with a moderate Northerly breeze, the reserves and juniors played in wet conditions while the league had the odd shower but mostly sunshine.

### LGP A RESERVES

Kick off for the reserves was 11.15am. Going up against the ladder leaders the Bombers realised that to be the best they had to beat the best and this is exactly what the boys did. After a stint away from the coaches' role due to a supplement scandal, Alistair Hunt was meant to make his long awaited return to the coaches' role but was unable to get back in time. This meant Reuben (Bomber Thompson) Smith kept hold of the reins for a final week.

Right from the first bounce the supporters knew the boys were switched on and ready to prove a point. The big bodied LGP midfielders got on top earlier, with big bad Bill O'Neill dominating the contest early along with Aiden Sadler-Marks and Matty Sinclair stamping their mark on the game. Up forward saw our centre half forward Darren (Lance Witnall) Clifford having to battle against an 8ft 9 monster. Lucky for the Bombers though Daz has silky clean skills and the speed of a much paler red headed Usain Bolt.

After a dominant first held the Bulldogs responded well in the third pegging back a handy lead from the Bombers but with the likes of Rohan (Loopy) Willcocks who has modelled so much of his game on Buddy Franklin, and the cool head of Aaron Dunham down back, the Bulldogs couldn't get on top. LGP eventually taking home the chocolates with a 2 goal win.

The final scores were LGP 8-6 (54) defeating Gnowangerup 6.6 (42)

Leading Goal scorers were Nash Kirk 2, Matthew (Ballantyne) Trevenen

Better players for LGP were Brad O'Neill, Aiden Sadler-Marks, Matthew Sinclair, Tom Gambuti, Matty Trevenen, Aaron Dunham, Clayton and Brad Clunie.

Awards: Best on Ground Brad O'Neill, Runner up Best on Ground Tom Gambuti and coaches award went to Clayton and Brad Clunie.

# Lake Grace Pingrup Football Club

## LGP JUNIORS

The juniors started where they left off from the previous couple of weeks. Showing great consistency the boys had another big win over the Bulldogs pups. Joe O'Neill has a disciplined and strict game plan which is now being called the Bomber Barrage within the football community. An innovator of the game, Joe's Bomber Barrage is being put alongside past great strategic game plans, such as Paul Roo's flood, the full field press and the West Coast Web.

LGP 9-17 (71) defeated Gnowangerup 1-3 (9)

Wonderful team effort, the wet conditions didn't seem to faze the skilful Bombers.

Fed by Fyfe awards went to Cody Giles and James Ayers-Dillon.

## LGP LEAGUE

The Bombers had plenty to play for this weekend, after a humiliating loss against Borden it was going to be a tough one for the boys coming up against the in form team of the competition in Gnowangerup.

The game began with both teams coming together for the coin toss to put their support behind the King family and the wider Lake Grace community after their terrible loss. LGP won the toss and kicked with the breeze in the first. Unfortunately someone forgot to tell Gnowangerup that this was supposed to be an advantage to the home side and the Bulldogs managed to take a good early lead.

The Bombers defence tried hard under a barrage of Gnowangerup inside fifties, while the forwards struggled with limited opportunities. LGP decided the best way to win this game was with their heads, literally, with players going down everywhere with head clashes. The biggest loss was to Dennis Gittos who will lose a few weeks income after having to withdraw from upcoming modelling jobs due to a black eye. Though Calvin Klein was disappointed, they said he shouldn't be off the catwalk for long.

The second half was a much better show for the Bombers matching the Bulldogs better around the ground; unfortunately it didn't stop Gnowangerup's incredibly dangerous forwards from kicking goals from all areas of the ground.

Gnowangerup continued their dominance in the last however the Bombers showed great resilience, never giving up until the final siren. Even though Gnowangerup had the game won early Damon Pelham said he was proud of the way the boys conducted themselves and could hold their heads up high. Looking forward to a few big inclusions next week for a massive Derby out at Newdegate, hope to see you all there.

Final scores were LGP 13-7 (85) defeated by Gnowangerup 15-7 (97).

Better players were Jack Carruthers, Marcus Argent, Timmy Shalders, Alex (McDreamy) Duckworth, Chris Poots and Joey (I look like a porn star) Duckworth.

Awards: Best on Ground Jack Carruthers, Runner up Best on Ground Marcus Argent and Coach's award went to Tim Shalders.

Good luck to Luke Bairstow on his recovery, even though he looked like he had just starred in a Rocky Balboa movie on the weekend, we are sure you will get the limited good looks you had before back soon.

Also on behalf of the Football club we would like to thank Trent King for the weekend and our condolences go out to the whole King family.

## THE GLENCORE GRAIN & LAKE GRACE PINGRUP FOOTBALL CLUB SPONSORSHIP PROGRAMME

Glencore Grain and the Lake Grace Pingrup Club have agreed to a sponsorship program for the coming season and into the future.

The Glencore Grain Community Club Sponsorship Program commenced in 2010 as a way of helping rural WA clubs, and since its inception Glencore Grain has donated over \$250,000 to rural WA sporting & community clubs.

Glencore Grain is very proud of what the program has achieved in such a short period of time and the fact we have been able to contribute to rural WA communities that support us, knowing that our sponsorship goes a long way and gives growers a sense that they too have assisted with their club's finances. We appreciate any support you can offer Glencore Grain by spreading the word amongst your members and the community.

Here is how it works Glencore Grain will donate \$0.20 per tonne to the Lake Grace Pingrup Football Club for every tonne of grain delivered against grain contracts sold to Glencore Grain for either old season or new season grain, where growers identify the club's arrangement with Glencore Grain.

At the time of contracting, the grower **MUST** identify that they wish the deliveries made against their contract to be a part of the sponsorship agreement with the Lake Grace Pingrup Football Club. Every 12 months we will forward your club the funds accumulated against the contracts covered by the agreement.

For contract pricing of any grain, or if you wish to subscribe to the Glencore Grain 'sms' or 'email' pricing service, contact Robbie Haddrill, Dwayne Allen, Tim Giumelli or Jordan McAllister in the Glencore Grain WA office on:

1300 GLENCORE (1300 453 626)

Rob Haddrill 0407 191 633

Dwayne Allen 0419 040 786

## Versus Borden 1st August

### B grade:

In cold and windy conditions we faced Borden, 2nd on the ladder who we knew were going to be tough opponents but coach Sym assured the girls we wouldn't let them have it easy. The girls played with outstanding effort right from the get go. Our 3rd quarter was the best by far but unfortunately going into the 4th quarter Borden's skills and pace got the better of us and they just ran away on us, resulting in a lead far out of our reach. But a huge pat on the back to everyone for an awesome game. Although a loss, you're all winners in your coaches eyes. Final score Borden 36 - LGP 29

Best player: Sarah Allen for her awesome defence work, great talk amongst her players and for giving 100% effort for the whole game.

Coaches award : Hannah Beatty for her amazing defence as wing defence, you're always there when needed for a pass. Your body on body play, especially on that goal circle, has improved greatly.

### Juniors:

Borden is a new and inexperienced team, although they have shown great improvement. They scored the first goal of the match, at quarter time the score was 1-11. By half time the score was 1 - 27. Coach Wendy sent across her most experienced players to join the Borden side, which at half time made a huge difference to the game. Many things were learned with more even sides. Lake Grace managed to score only 1 goal in the second half. The final score was 28-18. Thanks to the girls that were so willing to play for Borden- I am so proud of their sportsmanship, trying just as hard while playing for the opposition!

BOG went to Paige Zweck in wing defence, tight defence and learning to create space to make leads.

Coaches award went to Camryn Furphy, ever reliable in defence who listens so carefully to coaches instructions.

## Wet home game vs Gnowangerup on 8th August.

### A grade:

The ladies played their best match of the season in the worst hour of rain. Never giving up the fight, and having the strongest determination to win. The final score LGP 30 - GNP 28. A well deserved win ladies, well done to all.

BOG: Gabbie Trevenen for her on point shooting in terrible conditions and running hard all game in her goal attack bib.

Coaches award: Teneeka Morgan in her WD position for backing up her defence circle and making great leads down court into the attack. Well done ladies.

### B grade:

Unfortunately the girls went down to Gnowangerup 40-

10 again in some terrible weather conditions. A very big well done to all the girls who braved the weather and a big thank you to Caitlin White and Vicky Nolan for helping out the mid court today.

BOG: Caitlin White who was on offer for every ball going down the court, and never giving up in her Centre bib. Coaches: Linda Vlasich who despite just returning from a 7 week holiday owned her position in Goal Shooter for the entire game, working the ball round the circle effectively. Bad luck girls, keep ya heads held high.

### Juniors:

For the first time this year the juniors got to play in the rain. After listening carefully to the coaches instructions they adjusted their play with short passes and leading forward. At half time a much younger Gnowangerup team hadn't scored a goal. Swapping players at half time made the game much more even. The final score was 23-9. BOG went to Abbey Strevett playing in C and WD. As always her intercepts, leading and passing were first class. Coaches award went to Kaitlyn O'Neill playing GA for both teams displayed outstanding shooting.

### Net Set Go:

Well done to the girls for braving the weather conditions, and still stepping on court with those huge smiles on their faces. Your netball skills have improved so much since the start of the season. Keep up the good work.

Thanks to the junior and Net Set Go families for doing the last doughnut store for the year. Thanks also to the juniors for selling the \$100 raffle board, congrats to Mitch Argent whose \$100 richer (or maybe his dad is?).

rs, sponsors and supporters

## The Date from night

### Wintersports Presentation Dinner

Saturday 19th September

Dress: Glamorous 80s prom

# Eagles Schoolboys Cup

Danielle Robertson

Football action abounded in Lake Grace last week when Year 8 and 9 students from Esperance Senior High School took on Sacred Heart College in a rematch of the 2014 Eagles Schoolboys Cup Elimination Final (Metro v Regional division final).

Subiaco Lions District Development Officer, Rohan Blee said the competition is the premier school sport competition for the age group and that school footy participation is on the rise in the metro area compared to community football competition which is still quite popular in country areas.

Half time scores were Esperance 3-0 (18) to Sacred Heart 6-1 (37).

Umpire John Peletier, a senior panel umpire from Esperance, said at the half time break, "the footy is good but Sacred Heart are showing a better system and playing better quality football." He went on to comment that the game had settled well in the second quarter once the focus shifted from the man to the ball and that the Esperance players were sticking to the effort and showing good skills.

Sacred Heart Coach Bill Quartermaine was full of praise for the contest displayed by Esperance going into the third quarter. Stating that although Sacred Heart had a good first quarter, the Esperance boys stepped up in the second. His team showed determination, good basic football and some excellent passages of play throughout the third quarter to dominate the period.

Three quarter time scores stood at Esperance 3-0 (18) to Sacred Heart 7-5 (47).

A more equal final term with Esperance booting another three goals but Sacred Heart running away with the win after keeping their lead and kicking another four goals one.

Esperance coach Brett Landers was happy with his boys' performance throughout the competition so far and said they had been playing some really good footy to get to this stage.

Final scores were Esperance Senior High School 6-0 (36) defeated by Sacred Heart College 11-6 (72).

The Eagles Schoolboys Cup is run by the Western Australian Football Commission (WAFC) in conjunction with the districts. Each WAFL team has specific areas in both metro and regional under their control for development and recruiting and this competition is

initially within regions to get through to the finals where teams will play against the other regions. The Grand Final game will be played as the curtain raiser to the Eagles v St Kilda game on Thursday 3<sup>rd</sup> September.

# Lake Grace Pingrup Junior Hockey

Missy Clifford

They say hockey is a Winter sport and Saturday definitely proved this. It was absolutely freezing!! Rory Murray (aka 'Ice-Man') was in his element, no ice would be needed on this day!! Luckily for my little hockey-goers they had a few teammates absent due to 'missing' holiday baggage and prior AFL engagements which meant we didn't have a bench and this was definitely a good day not to have one!

They had no choice but to run the entire game without a break and this is exactly what they did...what superstars. I was one VERY proud hockey coach as they played the most amazing team game. We had plenty of the ball and everyone found their confidence, making it a challenge for Gnowangerup to score. Unfortunately our goal on our Short Corner was disallowed and we lost 1-0 when Gnowangerup scored within the last few minutes of the game.

My little hockey stars have come such a long way considering the majority of our team have never played hockey before. Their skills and understanding of the game have improved immensely. Some of them have had different positions throughout the season and each week we have had a different goalie with each player

having his/her turn. This has been challenging for some but it has given each of them an appreciation for this mentally challenging position.

There is a lot to learn in hockey as with every sport but its only practise that can get you there. Unfortunately we won't make the finals but let's keep having fun kids and let's finish the season on a high.

Danielle Robertson

## 1<sup>st</sup> August 2015 v Karlgarin/Hyden

C Grade 0-1  
Award: Nat Mycoe

B Grade 0-3  
Awards: Claire Pelham, Neve Mycoe

A Grade 2-2  
Goals: Julie Ditchburn, Brooke Carew-Reid  
Awards: Michelle Gooding, Danielle Robertson

80mm of rain did not bode well for the fast game we have come to expect from Karlgarin/Hyden across all grades and a very soggy field awaited us in Hyden this game. The kids thought it was great, having permission to play in the puddles. Thanks to Brooke and Claire Carew-Reid for making the trip to help fill our A grade after missing a couple of regular players.

## 8<sup>th</sup> August 2015 v Narembeen

C Grade 0-4  
Award: Morgan Chatfield

B Grade 0-4  
Awards: Claire Pelham, Mel Smith

A Grade 1-2  
Goal: Phoebe Robertson  
Awards: Phoebe Robertson, Annie Argent

Another cold and wet day in Narembeen to try to secure the A Grade position in third spot on the premiership ladder. The kids played well against a much bigger side (although undermanned) and our little players are proving they are paying attention at training with enthusiastic tackling, keeping the ball on their stick and maintaining possession.

B grade were slightly undermanned this week with a couple of the A grade players sitting on the bench. Credit to the regular team, they ran out the game under trying conditions. We welcomed Lisa (from Cork) to the side for her first game of hockey and hope to see her next game.

A grade faced a physical Narembeen side who were also trying to secure their position on the ladder. Unfortunately unable to hold onto the win with only the single goal scored our A grade dropped to fourth position following this game. Thanks to Claire Carew-Reid and Chloe Robertson for helping to fill the A grade side.

Saturday 15<sup>th</sup> sees us at home in Kukerin for the last game of the fixtured rounds against KK Vipers.

Neither our C or B grade will make it into the finals this year. We have built a strong basis for both teams for next year. A grade is secure in fourth position and will be playing finals hockey this year. A win against KK Vipers will boost our resolve and may push us up into third spot. Hopefully we get to see a few more supporters now we are a bit closer to home!

Thank you to our weekly sponsors the Kukerin Hotel and the Lake Grace Sportsman's Club, your support is very much appreciated.

### Poolwise Living is looking to be a more regular fixture in the Lake Grace Community and surrounding areas.

Our Pool & Spa Mobile Service division has recently gained 6 clients in Lake Grace and we would like to increase that number to help keep the cost to a minimum.

We have a dedicated service division with qualified technicians waiting to help with all your swimming pool needs. We offer a range of services from:

- Regular or One Off Maintenance
- Green Pool Cleans
- Equipment Sales, Repairs & Installations
- Sand Changes & Filter Servicing

**For more information or to join our growing list of Lake Grace Clients, contact Mary on 9276 1074 or email her at [psms@poolwiseliving.com.au](mailto:psms@poolwiseliving.com.au)**

**WE ARE HERE TO HELP**

# Lake Grace Golf Club Notes

*Craig Reeves*

Results are not available for the fixture event that was played on Sunday 9th August.

The first round of championships were played in freezing conditions on the morning of Sunday 16th August.

Results for the first round were:

- Gary Frost beat Nick Maalouf 8 up with 6 to go
- Craig Reeves beat Justin Wright 2 up with 1 to go
- Kevin Eggers beat Derek Stanton 7 up with 6 to go
- Matthew Spurr beat Chad Stanton 3 up with 2 to go

After a lunch by the fire the second round of championships were played in the afternoon.

Results for the second round were:

- Gary Frost beat Matthew Spurr 7 up with 6 to go
- Craig Reeves beat Kevin Eggers 1 up

The final round of championships will be played on Sunday 23rd August.

This coming weekend is the Men's Carnival at Pingaring. I'm sure the contingent travelling from Lake Grace will be able to bring some of the winnings home!

**A golfer walks into the pro shop at his club and asks the golf pro if they sell ball markers.**

**The golf pro says they do, and they are \$1.00.**

## TM5 THERMOMIX RAFFLE

Lake Grace Golf Club will be winding down the sales of our Raffle Tickets over the coming weeks.

We are drawing the prestigious raffle at 7pm Sunday 30th August. A brand new TM5 Thermomix, \$250 Cash and \$100 BP Fuel Voucher are up for grabs to 3 lucky winners. Tickets are now limited so get in before you miss out. We have had an extremely positive response to our raffle but there are still a few tickets in circulation and available from:-

Farmers Centre 1978, Lake Grace Post Office, Caffe Arjo, CCL Hardware, Lake Grace Visitors Centre, Lake Grace Sportsman's Club and limited Club Members.

A very big thank you to our sponsors Grant & Michelle Osborne / Lake Grace Concrete and Fred & Letty Leo who have very generously donated funds towards our fundraiser.

Any enquiries including out of town ticket purchases please call the Club's Treasurer and permit holder

Kelly Hawtin on 0427 651 053.

# Lake Grace Pingrup Junior Football Club

Missy Clifford

The 2015 Junior Footy Season has once again been a very successful one so far. With only two games to go we hold onto top spot on the ladder with Jerramungup being our closest competitor in second spot.

The Junior Footy Club has been very busy not just on the field but very busy off the field with lots of catering for both Saturday Football teas and the annual visits from the Esperance High School during Countryweek. All of these jobs have run like clockwork thanks to our fantastic parents. Everyone is happy to put their hand up and pitch in and that's what makes our club such a great one to be a part of.

On Sunday 9th of August we had four of our players participate in the Great Southern Storm Under 13's Carnival in Mt Barker. This consisted of 6 teams playing in seven rounds before the final; each game going for about 31 minutes. Ongerup/Ravensthorpe were unlucky to not win any games but congratulations to our players: Rory Murray, Josh Pearce, Lachlan Younger and Jackson Callope for representing our club.

This week we face Newdegate which is usually a game of true sportsmanship as our players change jumpers throughout the game to help Newdegate out as they have such a young and small team list. It's not always about winning and it's so nice to see our kids helping another club out.

Goodluck to all our junior footy players in the next few games and in the Finals. Keep

working as a team and we know you'll do well.

**Parents, Family and Friends** please put Sunday 13th of September in your diaries as our Junior Winter Sports Wind-up. This is the day after the Winter Sports Grand Final and we would love to have you all there to congratulate the kids on a fantastic season and relax those shoulders socially after another busy season. Look forward to seeing you there.

Best players from this Carnival will automatically be invited to the Storm Claremont 15's development squad in 2016.

A big congratulations to Rory Murray who was selected into this squad. Well done Rory, top effort.

**The four Lake Grace Pingrup players (hard to spot) are Lachlan Younger: back 3rd from the left, Rory Murray: back 4th from the left, Josh Pearce: very end on the right and Jackson Callope: front 3rd from the left.**

(Need 150gm of 12 ply wool & a No.7 hook)

**Make a Basket - Friday 21st & 28th August**

(Need 100gm of 8 ply wool & a No.4 hook)

**Call 9865 1470 to book in.**

Alternatively you can work on your own crochet project.

# Record Number of Native Plants in WA

Media Release

**WA has one of the world's highest rates of discovery of new plant species with more than 10,000 species now listed**

The number of plant species known in Western Australia has passed the 10,000 mark, creating a new State record, Environment Minister Albert Jacob said today.

The 10,000th species is a tiny rare daisy, found in May during a salinity survey of the Wheatbelt. Named *Angianthus globuliformis*, it is known from only one location on the margin of a salt lake near Lake Grace.

"There is an incredible diversity of plant species in Western Australia and if our State was a country, we would rank as the 20th richest in the world for the number of identified plant species," Mr Jacob said.

"Nationally, Western Australia has the highest number of native species followed by Queensland with 8,545."

The Minister said WA's 10,000 species had an intrinsic value in their own right and were also important for enhancing the biological process that sustain life on Earth.

"We can also appreciate this biological richness as sources of food, for medical discoveries, economic development, recreation and tourism, and as an important resource for adapting to challenges such as climate change," he said.

The WA Herbarium at the Department of Parks and Wildlife is responsible for documenting and listing all

**OPEN**

*The Shire of Lake Grace is an equal opportunity employer*

## Record Number of Native Plants in WA (cont.)

known plants, algae and fungi in the State.

"Knowing what plants we have, where they grow, and their role in the environment is crucial for conservation and sustainable development," Mr Jacob said.

New species are discovered through botanical surveys and specimens brought to the herbarium, and also from careful study of the more than 750,000 specimens in its collection.

In the last decade, on average more than 50 new species have been discovered each year. This is one of the highest rates of new species discovery in the world, which is phenomenal. Recently, 17 new species of orchids were named, taking the total number of identified spider orchids in WA to 158.

### Fact File

- **The WA Herbarium is the custodian for the key census of WA plants, a listing of all known plants, algae and fungi in the State**

- **WA has more than 12,400 distinct kinds of native plants when subspecies and varieties of species are included**

You are warmly invited to celebrate

## The Corrigin District High School Centenary Gala Evening

On Friday 11<sup>th</sup> September at Corrigin Town Hall. Doors open 5.00pm  
The evening will include music from Matt Waring, food stalls providing

### Sudoku

- ☐ The Sudoku grid of rows and columns is divided into individual 3x3 boxes.
- ☐ The aim of the game is to fill each row, column and 3x3 box with the numbers 1 to 9.
- ☐ You can't repeat numbers in a row, column or 3x3 box and you can't change the numbers already in squares.
