CRC Funding Reinstated

Suzanne Reeves

Lake Grace Community Resource Centre's Chairperson, Paula Carruthers, is flanked by CRC Book keeper/trainee Rosie Timperley and Manager Suzanne Reeves.

Joy, excitement and disbelief were the initial feelings as Alannah McTiernan announced in Albany last Friday the reversal of funding cuts for the Community Resource Centre's.

Announced on ABC radio at 10am there was a flurry of phone calls, text messages, emails and social media posts as the positive reality of the Labor governments change of heart sunk in. The elation has been widespread as stakeholders and supporters released media statements in relation to the announcement.

"This is a win for regional communities and testament to the resilience of regional people," Nationals WA Leader Mia Davies said. "This is a win for every person who took the time to sign a petition, to send an email to their local MP, write a letter to a Minister or attend a rally. This is a victory for people power."

CRC's have been under enormous pressure for the last 12 months as they absorbed the shock announcement 12 months ago that funding for the network would be reduced from \$13 million to \$8 million. Two months ago

- **What fantastic news!!** I received a call on Friday morning suggesting champagne should be on the menu before committee member Allan Marshall revealed what he had just heard on the radio in relationship to the funding reinstatement. Disbelief, shock, joy and relief were all coursing through me as I quickly texted and emailed the rest of the committee. Midway through this I took a call from ABC Radio asking if I wanted to talk, by that stage I was capable of making sense! Having dealt with financial deprivation in the CRC in the early years I had remained relatively stoic in the face of funding cuts, simply thinking of ways we would have to cut back. It wasn't until that moment I realised what an enormous amount of pressure we had been under. All I can say is thank you to everyone who has supported us in our journey over the last 12 months. Thank you also to our photographer, Lois Dickins, who showed amazing patience and fortitude as we lined up, anxious to get our best angle for the cover shot. Have to say one person was more anxious than the rest of us.....
- We are looking for more numbers for our **safeTALK workshop that is coming up next week**. Please phone or email if you would like to attend as we do need to get our catering and resources sorted.
- **Do you have some news?** Can you think of something that would be a great addition to our paper. If so we would love to hear from you.
- Is anyone that has a **gopher** wanting a maintenance check to be done? If so please contact the CRC.
- A **scam** currently doing the rounds is someone ringing and asking if you would like to block unwanted calls...they then want your credit card details.
- For anyone new to town remember we have our **Welcome Packages** available for give away. They're a great introduction to our town and what we have available.
- Are you listed in the **local phone book**? Would you like to be? Please send through your information so it can be included.
- Lake Grace **LDAG** have received funding to hold a stall at the Newdegate Field Day; if you're going to be out there feel free to drop in and say hello.
- Would you like **independent information in relation to the NBN**? We have an opportunity to take part in a 1.5 hour (10:30am-noon) information session via video conference on September 17th. If you're interested please let us know.
- Our **funeral planning workshop** is happening on 30th August, this is an opportunity to ask questions and get a plan in place. Please give us a call to register your interest.
- **Late Night Shopping** will be held on Thursday 13th December and we'll be looking for stalls, catering and activities. If you would like to be involved then please let us know.
- We held our **LCDC** meeting last week and it was great to be able to get some more members.
- The **Media workshop** that I had planned for next

week has been postponed. My apologies for any inconvenience.

- As our winter sporting teams take part in finals we wish them good luck in their endeavours!
- Thank you to everyone who has supplied editorial and/or photos for this fortnights edition.
- Two weeks ago we hosted representatives of WA Primary Health Alliance who spoke about My Health Record. It was very informative. For those who may be concerned about their privacy you can request that information be not loaded onto the system or you can withdraw it yourself. You can also manage who can see your information. If you would like some information we have pamphlets at the CRC; if you need assistance setting up a myGov account (you need one of these to access your My Health Record) then we can also help you with that.
- I don't want to get the same roasting that Mike Nahan has recently got for suggesting that people aren't reading the papers but unfortunately he is right. More and more people are accessing their news online which brings me to the question of whether our readers would have a preference to get their Lakes Link via email. If you would be interested in this then please give me a call, I'm looking for feedback to take to our next committee meeting. We will always have printed copies also.

Do you have some ideas for your funeral??

Perhaps you'd like a fancy carriage like below...

Let us help you make some decisions at our Funeral Planning Workshop that will be held in conjunction with Dawson's of Narrogin.

Would you prefer burial or cremation? What music would you like? Would you like a church or graveside service?

Perhaps you'd like to be dressed in your favourite outfit...what about pallbearers. Where would you like to end up? Have a say in your last hurrah!

Would you like information on funeral insurance or bonds?? Everyone welcome,

Thursday 30th August

10am at the Lake Grace CRC.

Lake Grace Playgroup Teddy Bear Picnic

Lauren Duckworth

During the school holidays, the Lake Grace Playgroup held its annual Teddy Bears Picnic. Although the weather was not conducive to picnicking, the kids had a great time. Around 20 children, parents, and 15 Teddy Bears attended the morning. The kids had a great time making personalised Teddy Bear pictures, participating in Pass the Parcel and reading the story "The Very Itchy Bear" written by Nick Bland. Thanks to the parents that attended and helped out on the morning.

Playgroup is a group of Mums, Dads (yes you are invited!), children and babies that meet up each Thursday morning from 9.30-11.30 am. Playgroup provides opportunities to play, interact, participate in activities and provides parents with a support network (or a cuppa at the least!). All are welcome to come along to see what is happening and meet the local parents and kids. Grandparents are also very welcome to come along.

If you need any further information please contact the Secretary as mentioned at the back of the Lakes Link in the Community Contacts.

The Heat is On at the Sportsman's Club

Claire Pelham

The Sportsman's Club is now home to a warming environment with the new addition of a fireplace. We would like to thank our members and local businesses who, with their ongoing support, have made it possible for us to achieve this long overdue feat. Proceeds from our recent quiz night helped to fund this long awaited project - thank you to Rosey Chircop for organizing this fun event.

Special thanks to Steve Hunt and John de Vree for their help in the installation process of the fireplace. The club has a cosy, warm ambience that is welcoming to patrons of all ages as they walk in the door. So come on down and make the most of the pleasant atmosphere the fireplace now creates. Donations of wood are always welcomed!

Wilna Clarke

5th July 1933 - 22nd July 2018

As read by Jillian Clarke.

On July 5th, 1933, Wilna Faulkner was born at Cottesloe in Perth. She spent her childhood at 'Kukerin Soak', the family farm at North Kukerin, now farmed by her nephew Ian and family.

Wilna was the youngest child of Walter John Faulkner and Iris Mary Alice Andrews. She was born fifteen years after her brothers, John aka Jack and Charles. Wilna thought she was named after a horse ... 'Wilna B', a trotter owned by the Ben Ball family, the Faulkner neighbours in Wagin! Her family nickname was 'Bubs'.

Wilna's mother was the daughter of a large, early Wagin pioneering family, the Andrews who farmed at Lake Norring. Her great great grandparents, the Barrons arrived in 1829 and settled in the Swan River colony. Wilna was very proud of her family history especially her Swan River Pioneer status!

Her father, Walter Faulkner, originated from Stansbury South Australia, arriving in Western Australia in 1906. He farmed with his brother Frank in Wagin. Walter moved to North Kukerin in 1914. Wilna was the last surviving child of the 3rd generation of South Australian Faulkners.

Wilna's early schooling began at North Kukerin when she was five years old until she was nine when the school closed.

Her education continued at the Sacred Heart Convent Narrogin. While at the convent Wilna developed her love of music. She excelled in piano by achieving Grade 6 in theory and practice. Wilna couldn't wait to leave school. Her wish was to return home and help her father in the sheep yards.

Sadly, her brother Jack died in a drowning accident on the farm in 1943. Her brother Charlie married Hazel Bairstow of Dumbleyung in 1944, so Wilna and her parents relocated to Short Street Kukerin.

Wilna left high school in 1948 when her mother died. Her father then returned to the family farm in South Australia and he remarried. I cannot imagine the effect these events had on Mum's life.

Hazel, Charlie, Tige and Leonie opened their home to Wilna at 'Kukerin Soak' and these were happy years, spending time with her nephew and niece and assisting in the house and on the farm.

In March 1952, Wilna was a bridesmaid for her friend Lorna Ditchburn's marriage to Les Mott of Moulyinning. One of the groomsmen was a handsome young man, Ed Clarke. Bob Bray tells me, while he and Jack Taylor were sharing a few drinks with Ed, after a day's shearing, the topic of girls arose. Ed remarked that he was ... 'too old at 25' to find a wife! Bob and Jack suggested he look out for a 'pretty girl' from North Kukerin. Maybe he took their advice

As a carefree single girl Wilna and good friend Joan Leslie sailed from Fremantle, by steamer ship to Melbourne via Adelaide in February 1954. On stopover in Adelaide she planned to meet her father, but they missed each other. She never saw her dad again. He died in 1955.

In Melbourne, Wilna worked at an aircraft factory at Fisherman's Bend. A highlight of this time was catching a glimpse of the young Queen Elizabeth 11 during the Royal Tour.

In early 1955, Wilna and Joan farewelled Melbourne and sailed to Sydney then on to Brisbane and Cairns. Wilna worked in Brisbane before heading back south. Joan became engaged to a Victorian and mum returned on her own in May 1956.

When back in Kukerin, Mum worked in the local store.

Wilna was a keen hockey player and attended Country Week and Great Southern Carnivals each year. She was a member of the local Junior Farmers group. She travelled far and wide with Jean and Chas Smith, Joan and Doug Timperley, David and Rene Davidson, Meg Joyce, Bill and Doris Harrison, Bill Ditchburn and Merv Timperley. The Kukerin Show, the football and local dances were special occasions.

Love blossomed in this time and Wilna married Ed Clarke on 11 January 1958 at St Martin's Church of England Church in Kensington, Perth. They moved into a newly built home on the new land block Ed had been clearing at Tarin Rock since his return from WW2. Here at Tarin they raised their two children. Jillian born July 1959 and John born March 1961.

These early years were tough and Wilna took on the role of new land farmer's wife - draughting sheep,

picking mallee roots, a fantastic support.

One of my earliest memories is John and I going out with Mum to the paddock to pick mallee roots. We soon lost interest and found it much more fun to chase dunnarts across the fallow, leaving Mum to the stumps!

As Dad was 'too busy' farming, Wilna drove us far and wide to tennis, hockey, football, holidays and then high school events. Each summer, Mum enrolled us in swimming lessons at Emu Point Albany. We braved the cold and she enjoyed a break from the farm. Dad fenced!!

On John's return to Tarin, Wilna and Ed enjoyed the fruits of their labour with caravan stays at Cheyne Beach and then at their house in Albany. After Ed passed away in 1998, Albany was her favourite destination away from the farm ... to garden, enjoy coffee and shopping.

Wilna loved to garden, and established lawns, roses and many pot plants when water was in the dam. She loved to watch TV gardening shows, keeping notes, then buying plants or implementing design ideas. For many years, Wilna was a steward in the flowers and vegetable shed at the Kukerin Show with Uncle Charlie and Auntie Hazel.

Wilna was a keen supporter of the Kukerin Hockey club.

Wilna and Ed were members of the Tarin Rock Tennis Club and enjoyed many Sunday evenings there.

Wilna was a member of the Lake Grace Craft group and the Dumbleyung Patchies. She created many quilts of all sizes, colours and designs. All of us have scored her patchwork creations. Along with chenille floor mats and knotted rugs, each new great nephew ... or niece ... or cousins or friends has a quilt or rug made by Wilna. Many people have commented on her special talents at matching colours.

Her passion for travelling was reignited after Dad passed away. Driving through the Flinders Ranges, Barossa Valley and the Dandenongs. Joining quilt tours, a South Asia cruise plus two trips to England with good friend Gwen Oliver. The last to celebrate her 80th birthday. Her final trip was on the Ghan with Gwen and a road trip with me from Adelaide to visit her father's grave at Stansbury, to view the headstone she had organised.

I thank Gwen for sharing many happy times with Mum. I know she enjoyed your company immensely.

Wilna was a proud grandma of Mitchell, Royce, Ciara and Erin. She loved keeping up to date with their achievements and accomplishments.

Wilna had a distinct sense of humour. She was staunch Eagles supporter and a keen walker. She was an avid reader and read the newspapers and local newsletters from cover to cover, often calling me to tell me news she had read. She had times in her day for her cat and pet magpie.

After 59 years in her own home, she moved to Waratah Lodge in April 2017. She still enjoyed a walk or 'escaping' down town for coffee with John and Maree or Keith and me. We thank the staff for their care during this time.

To conclude, Wilna lived a full life, underlined by her love and support for her family. She enjoyed her own company and was a loyal friend ...

Mum, even though you have left us, you will continue to live in our hearts and memories.

"Goodbye and sweet dreams."

CRC Funding Reinstated (cont.)

a tiered funding system was offered; those who were offered the lesser amount were wondering how long their doors would be open while others faced the reality of cutting staff and opening hours and being able to offer services that brought in no income.

"It's really good to have the issue resolved and we can now concentrate on our core business of providing excellent services to our community without the distraction of an uncertain future" said Lake Grace CRC's Chairperson Paula Carruthers.

Lake Grace CRC would like to thank the community for their support via petitions, attendance at workshops and meetings, letters and phone calls and their unwavering support and belief in what we do. It was your support that kept us believing in the importance of our CRC. It was wonderful also to receive many messages and phone calls on Friday following the announcement; this reinforced that we have always been in your thoughts.

Linkwest have been a huge support as they have campaigned to the government for our cause. Their media release follows.

Linkwest and the Western Australian Council of Social Service (WACOSS) welcomes the announcement today that funding for the Community Resource Centres (CRCs) will continue at the full \$13 million per year. CRCs are not-for-profit organisations that are independently owned and operated by their local communities, which provide access to a range of services and activities in regional and remote areas of WA.

"We congratulate Linkwest and the CRCs for advocating so strongly for the importance of their services, and applaud the McGowan Government for listening to what they had to say," said Louise Giolitto, CEO, WACOSS.

"Community Resource Centres are an extraordinary example of grassroots, place-based, community-run assets that build a more resilient and engaged community."

"Increasingly, they are playing a vital role in combating digital exclusion in regional areas, supporting people access services online that they would otherwise have

to travel great distances at considerable expense to use," Louise said.

Linkwest CEO, Jane Chilcott said, "We are delighted with this outcome, and we welcome the opportunity to work with State Government to build upon the already strong foundation that CRCs provide to regional and remote Western Australian communities."

Just this week, the Bankwest Curtin Economic Centre (BCEC) released the report Falling Through the Net: The Digital Divide in Western Australia, which highlighted the challenge that people on low incomes face, when accessing digital technologies.

"CRCs are integral to the success and wellbeing of the communities that they serve. We are thrilled to see that they will be able to play that part with the continued support of the State Government," Jane said

WesCarpade Has Lake Grace Stopover

Suzanne Reeves

If you didn't see it you would have had to have heard it, wesCarpade parked up in Lake Grace on Monday 6th August as part of their annual fundraising tour. Following a breakfast at the pavilion that was catered for by the Lake Grace District High School P&C, there was a great cacophony of horns and sirens as the parade departed Lake Grace via School Place. Spectators and children alike enjoyed the show as they drove past the school in their decorated cars.

Camp Quality believes every Australian child impacted by cancer should have every opportunity to thrive. They do this by providing innovative programs and services to develop life skills and strengthen the wellbeing of children aged 0 – 13 growing up with cancer, and their families. wesCarpade is an integral part of their fundraising.

Here's the mechanics: spend the year fundraising, take one week, 30+ cars, some characters, bind it with camaraderie, fill it with laughter and serve it up on some of the most spectacular routes in Outback Western Australia. wesCarpade is a 'party with a purpose', one of the best parts of this event - every dollar you raise and every kilometre you drive supports WA kids who are impacted by cancer.

All entrant vehicles must be at least 20 years old and pass the scrutineering checklist. The minimum amount to raise is \$5,000 per car entry and this must be raised prior to the start of the event. Any money received after this date will be added to your tally post event. All monies for each year must be receipted by 31st December 2018 or will be receipted to the following year's fundraising totals.

There is a minimum of two people in the car (Driver and Co-Driver/Navigator) and a maximum of four people. As part of wesCarpade participants visit schools along the way to showcase their Primary School Education Program that answers difficult questions kids have about cancer.

RMHI Working with Warriors Book Launch and Warrior Ambassador Awards New Inductees

The Regional Men's Health Initiative (RMHI) is a multi-disciplinary health and wellbeing education and promotion project aimed at improving outcomes for men and communities in regional, rural and remote Western Australia.

At 10.00am on the 3rd August 2018 at the Rose & Crown, Guildford David Parkin (AFL Hall of Fame Player & Coach) will be launching the new RMHI Working with Warriors Book, 5 new Warrior Ambassadors will be inducted, and a General Member and Stakeholder Information Session held.

The self-published Working with Warriors book is a compilation of the RMHI Warrior Wellbeing articles which are distributed monthly and contain tips and stories to help blokes maintain balance in their life. A cartoonist was commissioned to add some humour and required pictures.

The Warrior Ambassador Awards were established in 2013 to acknowledge all contributors (past, present and future) who have supported WMH/RMHI.

The Warrior Ambassador Awards specifically aim to:

- Acknowledge the wide range of contributors to WMH and/or RMHI
- Develop and foster relations with past and present individuals and/or organisations who contribute to WMH and/or RMHI.
- Establish a network of champions for the cause to further promote regional men's health and wellbeing through WMH and/or RMHI

There are 5 new inductees to be acknowledged on the day.

This program bridges the health and wellbeing disparity of regional communities that is measured by poor health indicators when compared to urban populations. To meet this goal requires a cultural change and any change requires sustainable behavioural change over a generation.

Digital Divide an Issue for Western Australians

Media Release

Community Resource Centres are part of the answer

With so many Government services now online, many Western Australians are struggling with accessing what they need, according to both Linkwest CEO Jane Chilcott, and a report released today by the Bankwest Curtin Economics Centre: "Falling through the Net: The Digital Divide in Western Australia."*

Ms Chilcott said the report recognised Western Australians who face challenges in connecting to the digital world - whether it be by virtue of cost or location, or who feel excluded from digital services through special needs, confidence or capability.

Linkwest is the Peak Body for Community Resource Centres (CRCs) and Neighbourhood Centres (NCs) in WA and the CRC network is an important part of the solution to digital stress.

"Our 105 state-wide CRCs are a central point for businesses, local residents and visitors and provide access to government and community services and information, including online Government services such as Centrelink, ATO and the new My Health Record."

Ms Chilcott said CRC staff report that each time a new service goes online or changes are made to Federal Government online services there is a large spike in the

number of people coming into the centres and requesting help.

"Some of these people do get very distressed, which is understandable if they cannot access Centrelink, as they don't get paid. Often the nearest Centrelink office can be 4 hours drive away and there is no public transport available in some regions.

"Likewise, many users just don't know how to navigate these online systems – they might not understand how to use technology or are afraid to use it.

"This is where the CRCs are there to help. However, with the enormous increase in the need for help at our centres, our staff are being put under enormous pressure," she said.

Ms Chilcott said the CRCs are also used by businesses and regional university students, as often they are the only reliable source of Internet in the area.

"We live in a digital world now, and in many of our remote and regional areas this is an issue."

Ms Chilcott said that the CRC network was an important part of the solution to digital stress for individuals and businesses, especially in regional WA

Bits & Pieces

Kevin Seaman

Hi there. Welcome to another edition of 'Bits and Pieces.' To those of you, the reader, who accepted the challenge of testing your knowledge of how much do you know of the district you abide in, how did you rate? 10, 20, 60 or 100% - congratulations for even having a go. There could not have been any contentious answers as no body challenged me; either by phone or personally this time around.

Talking about challenges, I had to accept the one for myself; I upgraded my dressing format and travelled the highways to the big city. Now if you are anything like me, the best two things about going to Perth are, one, planning from the time you get to Armadale for when you are coming home again and two, seeing the house and other buildings in the rear view mirror as the foot goes down to gain speed up Bedforddale hill. But there is always the good with the bad and this time it was being able to stay with my elder sister and sharing some of the 'times in the good old days.' Sister Val, knowing I like to put pen to paper passed on to me an article simply known as 'Passengers on a Train', knowing that it would end up in the pages of the Link. I hope you like the very beautiful and thought provoking message.

"Passengers on a Train"

Life is like a journey on a train, with its stations, with its changes of routes and with accidents! At birth, we boarded the train and met our parents and we believe they will always travel on our side. However, at some station our parents will step down from the train, leaving us on this journey alone. As time goes by, other people will board the train and they will be significant, ie; our siblings, friends, children and even the love of our life. Many will step down and leave a permanent vacuum. Others will go so unnoticed that we don't realise that they vacated their seats! This train ride will be full of joy, sorrow, fantasy, expectations, hellos, goodbyes and farewells. Success consists of having a good relationship with all passengers... requiring that we give the best of ourselves. The mystery to everyone is: We do not know at which station we ourselves will step down. So we must live in the best way—love, forgive and offer the best of who we are. It is important to do this because when the time comes for us to step down and leave our seat empty—we should leave behind beautiful memories for those who will continue to travel on the train of life. I wish you a joyful journey for the remaining years on the train of life. Reap success and give lots of love. More importantly, be thankful for the journey. Lastly, I thank you for being one of the passengers on my train.

To bring you out of your melancholy mood, here is another story with a very strong moral.

"The Hotel Bill"

An elderly lady decided to give herself a big treat for her significant birthday by staying overnight in one of London's most expensive hotels. When she checked out the next morning, the desk clerk handed her a bill for \$250. She exploded and demanded to know why the charge was so high. "It's a nice hotel but the rooms certainly aren't worth \$250 for just an overnight stop without even breakfast."

The clerk told her that \$250 is the standard rate so she insisted on speaking to the manager. The manager appeared and forewarned by the desk clerk announced, "The hotel has an Olympic-sized pool and a huge conference centre which are available for use."

"But I didn't use them," she said.

"Well they are here and you could have," explained the manager. He went on to explain that she could also have seen one of the in-hotel shows for which the hotel is famous. "We have the best entertainers from Edinburgh, Glasgow and Aberdeen performing here," the manager said.

"But I didn't go to any of those shows," she said.

"Well, we have them and you could have," the manager replied.

No matter what amenity the manager mentioned, she replied, "But I didn't use it." The manager was unmoved, so she decided to pay, wrote a cheque and gave it to the manager.

The manager was surprised when he looked at the cheque. "But madam, this cheque is only made out for \$50."

"That's correct. I charged you \$200 for sleeping with me," she replied.

"But I didn't!" exclaims the very surprised manager.

"Well, too bad, I was here and you could have."

Don't mess with Senior Citizens!

Tarin Rock Book Update - August 2018

Jolanda Keeble

Two months have passed since I last visited Tarin Rock. The rains have had a good impact upon the vegetation. Everything looks lush and green, with dapples of whites, yellows and reds. I can only hope that September will be even better still, when the bush will burst into full spring mode.

I can't complain really as I have seen three species of

greenhood orchids (*Pterostylis* genus) and the spider orchids are showing leaves and stems. The most obvious of flowers you see when travelling along the Dumbleyung – Lake Grace road are the yellow Acacias, Hibbertias and Synaphaeas, white Leucopogons and Cryptandras, the light green of the cauliflower Hakea, and the red Daviesias and *Hakea multilineata* trees. If you care to stop by the side of the road and go for a wander, you will see quite a few more plants in flower. I counted over 50 species on this trip.

My next visit will be 13 to 17 September. If anybody wants to come along, let me know and we can meet up on site. I plan to organise a bush walk and drive on the 15th of September. Details will follow over the next couple of weeks. Alternatively, you can reach me by email at tarinrockbook@gmail.com or by phone on 0439 978 550.

THE NATIONALS
for Regional WA

We have BIG news!

The Pingrup Community Resource Centre is hiring!

We are looking for a new team to join us as we take on an exciting new venture – a café in Pingrup! We require enthusiastic, self-motivated and customer service focused people to help us run our new cafe and we are recruiting for the following roles:

Café Coordinator

Full Time

Our new Café Coordinator will be responsible for the day to day running of our Café premises. This will include being responsible for coordinating food and beverage flow, preparing food, receiving inventory, verifying orders, coordinating staff as required, and closing and opening procedures daily.

This role requires a high level of communication and customer service, organisation, initiative, enthusiasm, time management and an eye for detail.

This is a unique opportunity to take part in a community venture, that is continually evolving and will give the successful applicants a chance to play a part in the CRC network and the local community.

Café Assistant

Casual | minimum 4 x hour shift

Our new Café Assistants will be responsible for the front of house in the café, providing a vibrant, comprehensive and confident barista service, engaging with customers, delivering additional support in the kitchen, making basic food orders, serving food, clearing tables and cleaning as required. Being the lead person at front of house, providing great customer service is essential to ensure the Café establishes a reputation as a destination for great coffee and a quality experience.

This role requires a high level of communication and customer service, organisation, initiative, enthusiasm, time management, and an eye for detail.

This is a unique opportunity to take part in a community venture, that is continually evolving and will give the successful applicants a chance to play a part in the CRC network and the local community.

CEO's Corner

Flooding Event

The contractors are estimated to have completed 50% of outstanding works, and we are officially at the half way mark of our designated timeframe to complete the works.

There are a number of roads on which the remediation works have now been completed, if you have any concerns with the completed works, please let us know and the quality of work can be inspected and repaired if required.

As this work is being carried out, the Shire would like to remind road users to be courteous and slow down within the areas that crews are working, this will allow them to do their job in a safe manner and complete it sooner. Unfortunately we continue to have a number of reports of vehicles speeding through the road works.

Local Government Professionals CEO Luncheon – Tuesday 31 July 2018

On Tuesday 31 July 2018, I attended the Local Government Professional CEO Luncheon, held at the Perth Convention and Exhibition Centre. The luncheon was aimed specifically at new WA local government CEOs and included presentations from LG Professionals WA, DLGSC, WALGA and LGIS on the vast array of resources, support and services available to help us achieve our objectives as CEOs. This event was also a great networking opportunity for me to catch up with other WA local government CEOs.

WA Local Government Week - Wednesday 01 August to Friday 3 August 2018

WA Local Government Week was held at the Perth Convention and Exhibition Centre from 01 – 03 August 2018. The Shire Deputy President Cr Steve Hunt, Cr Roz Lloyd, Cr Ross Chappell, Cr Debrah Clarke, Cr Peter Stoffberg and I were in attendance at this exciting and informative event.

The theme for this year's event was 'Ready and Relevant' and the line-up did not disappoint. Throughout the three days, we received presentations from guest speakers including, Anh Do, Dr Geoff Raby, Mark McCrindle, Billie Jordan and Paul Huschilt, as well as a panel session with Hon. Bob Carr, Natasha Stott Despoja AM, Jacqui Lambie and Liam Bartlett.

We were also given the opportunity to participate in a number of 'concurrent sessions' that covered the following topics:

Leading Local Economies

Too Toxic to Talk

Changing Nature of Communities and Empowering your Community and Creating Great Places

How Prepared Are We?

South West Native Title Settlement and Local Government and

Getting Professional Performance from Non-Professionals.

Overall the event was a great success and provided us with the opportunity to network with local governments from across the state. Particular highlights of the event was the key note speaker Anh Do, his lived experience is truly a story of resilience, grit and optimism and this interesting outlook on politics was shared in a conversation led by Liam Bartlett with Jacqui Lambie, Natasha Stott Despoja AM and the Hon. Bob Carr.

WALGA Breakfast Forum: Beneficial Enterprises – How Local Government Can Meet Market Failure –

On Wednesday 1 August 2018, Shire Deputy President Cr Steve Hunt, Cr Roz Lloyd, Cr Ross Chappell, Cr Debrah Clark and I attended the WALGA Breakfast Forum: Beneficial Enterprises – How Local Government Can Meet Market Failure, held at the Perth Convention and Exhibition Centre.

This forum was jointly hosted by WALGA and the Department of Local Government, Sport and Cultural Industries and provided an opportunity for state government, local government and the business sector to hear how local governments in other States have successfully established and operated the equivalent of Beneficial Enterprises.

WA Local Government Annual General Meeting –

On Wednesday 1 August, Shire Deputy President Cr Steve Hunt, Cr Roz Lloyd, Cr Ross Chappell, Cr Debrah Clarke, Cr Peter Stoffberg and I attended the WA Local Government Annual General Meeting, as part of WA Local Government week. Items for business discussed at this meeting included:

- Proposal to Amend the Association Constitution
- Roadside Vegetation – Regulatory Amendments
- GST Revenue Distribution Share for WA
- Rural, Regional and Remote Community State Government Funding Cuts
- Proposed Amendments to Planning and Development Regulations 2015

Hirer Responsibility when using Shire Public Buildings

All people, groups, sporting clubs who hire public buildings are responsible for the cleaning of the facility once used.

If tables and chairs are set up by the group they must also be packed away. All rubbish is to be put into bins provided. Hirers are responsible to ensure all stoves are turned off. Hirers are responsible for any damages incurred while hiring facility.

Shire employed cleaners are responsible for the general cleaning of a facility, they are not responsible for cleaning up and putting away tables and chairs after a function by a hirer.

Affiliation fees are set up to help cover some of the costs in maintaining the buildings for the hirers use which includes but not limited to; general cleaning, water and electricity usage.

Pension and Senior Card Advice

Under the Rates and Charges (Rebates and Deferments) Act 1992, the Local Governments are required to periodically review all pensioners.

If any of the details checked do not match, the claim may be rejected and concessions may be amended or cancelled.

Therefore, some things that pensioners and seniors may need to consider and advise the Shire about are:

- Do I hold a Commonwealth Seniors Health Card as well as a Seniors Card and am I only registered at the Shire with my Seniors Card?
- Has my partner also now received a card and we have not completed a joint application yet?
- As I am now not working more than 25 hours per week and am over 60, have I applied for a Seniors Card yet?
- Has the ownership of my property changed recently?
- Have I moved from one property to another and not made a new application for concessions with Water Corporation yet?
- Has my spouse ceased occupation of the property and I have not completed a new application?

If you work more than 25 hours per week, you are no longer eligible to have the Seniors Card and must return the card to Department of Community Services with a note advising them of your situation.

Unfortunately if concessions are cancelled, pensioners/seniors do not get their rebates again until new applications are made.

State Library Online

Did you know that library members have access to a state-wide collection of eBooks, eAudio, eMagazines and video streaming, all for free?

By signing in with their library card, members can enjoy BorrowBox and OverDrive for a wide selection of bestselling eAudiobooks and eBooks, while RB Digital offers current and back issues of popular eMagazines. Kanopy delivers one of the largest collections of indie films, classic cinema, festival and educational documentaries right to your device or compatible TV!

Please visit the Shire website in the library tag at www.lakegrace.wa.gov.au for more details on how to access and enjoy these free resources.

The Blankets are Piling Up

Suzanne Reeves

I'm not sure if it's the colder weather that has been inspiring our band of volunteers with their crocheting and knitting but whatever it is it's working as the pile of blankets continues to grow.

Each Friday the group get together at the CRC to create 1m x 1m blankets that will be donated to the Wheelchairs for Kids charity.

There's great camaraderie as the group swap patterns, talk about different stitches and give each other advice over a hot beverage. Held every Friday morning from 10am to midday, it's a casual arrangement with members turning up whenever they can. Numbers can range from three through to a dozen.

The group have been incredibly productive producing 23 completed blankets with plenty more on the go. This has probably been our most productive year.

Funding for the yarn has come from Bankwest (residual from a grant in 2017) and the CRC; we have also received a lot of donations of yarn from the community.

L to R: Jean Seaman, Dot Kennedy, Joyce Gilson, Phyllis Dunham, Betty Naisbitt & Gwen Oliver.

Many of those making the blankets supply some or all of their own yarn.

The CRC has also received a substantial donation of wool, this cannot be used in the blankets for Wheelchairs for Kids but will be used to create a blanket that we can raffle to raise funds for more yarn.

The Lake Grace Pingrup Football Club have also given a donation to put toward blankets to be created in football team colours for the Lake Grace Hospital permanent care

Humour

A lawyer and a blonde woman are sitting next to each other on the plane from Cairns to Perth.

That's a very long flight so in the end the lawyer decides to make some conversation and asks the blonde if she would like to play a fun game. The blonde is tired and just wants to take a nap, so she politely declines and tries to catch a few winks.

The lawyer persists, that the game is a lot of fun. "I ask you a question, and if you don't know the answer, you pay me only \$5; you ask me one, and if I don't know the answer, I will pay you \$500."

This catches the blonde's attention, and- to keep him quiet- she agrees to play the game. The lawyer asks the first question. "What's the distance from the Earth to the Moon?" The blonde doesn't say a word, reaches in to her purse, pulls out a five-dollar bill, and hands it to the lawyer.

Now, it's the blonde's turn. She asks the lawyer, "What goes up a hill with three legs, and comes down with four?" The lawyer uses his laptop, searches all references. He uses the Airphone; he searches the Net and even the Library of Congress. He sends e-mails to all the smart friends he knows, all to no avail.

After one hour of searching he finally gives up. He wakes up the blonde and hands her \$500. The blonde takes the \$500 and goes back to sleep.

The lawyer is going nuts not knowing the answer. He wakes her up and asks, "Well, so what goes up a hill with three legs and comes down with four?"

The blonde reaches into her purse, hands the lawyer \$5 and goes back to sleep.

Community Resource Centre Funding to Continue

Media Release - Hon. Alannah MacTiernan MLC

The McGowan Government has listened to regional community concerns about the future of Community Resource Centres and will continue to fully fund each CRC.

Following extensive consultation and a review of the CRC program, the State Government has decided to continue to fund Community Resource Centres to the tune of \$13 million per year.

The review of the Community Resource Centre program did highlight some areas that could be improved.

The traineeship component of the CRC program will be strengthened to ensure Community Resource Centres are working with local businesses and local governments to get the best outcomes for their trainees, and will be made available to regional areas which do not have CRCs.

Auditing processes will be strengthened to ensure Community Resource Centres are delivering the best outcomes for their communities.

Comments attributed to Regional Development Minister Alannah MacTiernan:

"Our Government was forced to consider a number of Budget savings to help fix the financial mess left by the former Liberal National Government.

"After reviewing the Community Resource Centre program and listening to regional communities' concerns about the future of CRCs, it is clear CRC funding should continue.

"We will continue to fully fund CRCs to the tune of \$13 million per year, ensuring CRCs can deliver important services to regional communities.

"We want to see the CRC program strengthened, with a real focus on getting the most out of the traineeship program to drive training opportunities across regional WA."

Funding on the Horizon for Stronger Communities

Media Release

Communities across Australia are set to share in \$22.5 million to improve local infrastructure and provide essential community equipment with applications now open for Round 4 of the Stronger Communities Programme.

Minister for Regional Development, Territories and Local Government John McVeigh said the programme is aimed at funding projects that deliver social benefits and form part of the Coalition Government's continuing commitment to strengthen communities across Australia.

"Our local communities are the heart of this great country and the investment in local projects under the Stronger Communities Programme is about invigorating these communities and ensuring their continued success," Dr McVeigh said.

"The programme will fund small capital projects in each of the 150 federal electorates, which can range from upgrading the local community hall or sporting facility, building new bike paths, or providing essential equipment for the local SES.

"These are the sorts of vital projects that bring our communities together, strengthen our social connections, build community participation and create

vibrant and viable communities into the future."

Each electorate will receive \$150,000 to allocate towards successful projects, with a maximum of 20 projects to be funded per electorate.

Interested organisations may be approved for grants of between \$2,500 and \$20,000, covering up to 50 percent of eligible project costs.

Applications open on Monday 6 August 2018, and close on Thursday 11 October 2018.

Rising Stars of Country

Media Release

The West Australian Country Music Awards presented by LiveLighter is the flagship event on the West Australian Country Music calendar – a celebration of all that is fantastic and popular in the local WA country music scene. There are ten (10) categories, plus a People's Choice award, with \$10,000 in cash and prizes to be won.

The first Awards were held in 1986 as part of the Boyup Brook Country Music Festival. Since that time the Awards have continued to develop, recognise and honour artists and has assisted in forging the careers of many successful musicians. The Awards have played host to some incredible performances and countless unforgettable moments. They highlight the work of the elite country artists in Western Australia and honour the accomplishments of the industries rising stars.

The winners of several categories will get the opportunity to perform live in front of the huge audience that attends the Boyup Brook Country Music Festival. Music lovers from far and wide will unite to celebrate WA's talented songwriters and musicians, with the festival providing the opportunity to publicly recognise their achievements.

We know how hard you work as an artist to develop not just your talent but also a music career and we want to

offer you the exposure that you deserve. Are you ready to place your single, EP, album or video clip before prominent industry individuals? If the answer is yes - then what are you waiting for? Download your application from www.countrymusicwa.com.au and submit it now.

Turkeys Come Home to Roost

Suzanne Reeves

Turkey was on the menu for those who could keep their ball on the fairway and their partners on the same trajectory. Some complained of having to carry their partners the full 18 holes while others took a more positive approach and simply said thank you for the personnel gate into the adjacent farm so that they could collect their ball.

Visitors from Perth, Bunbury, Albany and Cuballing added to the ambience of the day and what turned into an extended evening as the game was dissected and at times exaggerated into great detail. Fabulous weather coupled with a course in excellent condition resulted in some excellent scores.

Winners for the ladies on a score of 43 points was Stephanie Lay and Sonia McSwain. Runners-up on 38 points were Helen Hunt and Denise Gobbart.

For the men Vice Captain Marty Carruthers and his partner Andy Young won the day with 48 points. Runners-up on a countback were Phil Young and Kingsley Strevett with 45 points from Matthew and Bob Spurr who also had 45 points.

The best score from the visiting teams was Mike Ferrero and Steve Sukroo with 42 points. Runners-up were Hilton Logan and Adrian Donovan with 41 points.

Novelties were as follows:

No.1 Long Drive - Matthew Spurr
Long putt on No.3 - Kingsley Strevett
NTP No. 4 - Helen Hunt
NTP No. 6 - Craig Reeves
Best 3rd on No. 9 - Dave Watts
No.10 Long Drive - Royce Taylor
Best 3rd on No.11 - Gary Sukroo
NTP No.15 - Adrian Donovan
NTP No. 18 - Andy Young

Winners for the ladies Stephanie Lay and Sonia McSwain with sponsor Royce Taylor and Captain Matthew (Merv) Spurr.

Sponsor Royce Taylor and Captain Merv Spurr flank the men's Turkey Day winners Andy Young and Marty Carruthers.

Proud to carry on the Jim and Esther O'Neill tradition, sponsor Royce Taylor and his partner Brett Hamilton got to take home the feathers.

Best score for the visitors came from Mike Ferraro and Steve Sukroo.

Round 14 V's Newdegate

This season has flown so quickly, here we are at our last round. A game we needed to win to help maintain our second spot, which we did. Newdegate though gave us a fair fight and we had to work hard for our goal, which is okay.

Special mention this week to Tess, Jaspar, Luke and our Goal Scorer Judd McKenzie

Best on Ground : Griffin Naisbitt – I had Griffin filling in

various positions today and he approached each one with determination and strength.

Top Effort : Cambell Chatfield – I was very proud, Cam just tried his heart out all game.

Boxwood Hill beat Jerry on the weekend, which means we're back to 3rd Position and play on Sunday in Boxwood. Our game will begin 15 mins earlier at 10.45. This also more importantly means Jerry can still be beaten.

Children's Winter Sports Wind Up

Karissa Pelham and Amanda Trevenen

Thursday 9th August we had the Lake Grace/Pingrup winter sports Nettas, Auskick and Minki wind up. Weather wasn't the best so we headed in doors for some combined games before heading outside for our last footy match for 2018.

All registered players received participation certificates and medals which they all loved which was then followed by a sausage sizzle, thanks to the netball club!

Congratulations to Payton Callope who graduates Net Set Go this season. We hope you have enjoyed your time in Net Set Go and look forward to cheering you on next year in juniors.

We would like to thank all parents who attended training and games and assisted with training, timing and babysitting. These sessions would be impossible without your support and assistance.

It is so rewarding how far the little ones have come and the skills they have developed throughout the year. Bring on 2019.

Lake Grace Pingrup Netball Notes

Karen Bairstow (A Grade); Sarah Allen (B Grade). Photos Sarah Allen.

ROUND 14

A GRADE

Last qualifying game for the season and the girls were ready for a tough encounter with Newdegate. Everyone was fired up before the game and went out on a mission playing some great netball and putting things learnt at training into practice.

The quarter time break was 15-2 and put us in a good lead. Newdegate fired in the second quarter and put pressure back on us but our girls held and were able to run out winners 42 - 22.

A good standard of netball considering it was very windy. A great team effort with everyone contributing for the whole game.

This is the sort of game effort we need to take into the finals where it all starts again. Finals is a different pressure and we need to be at the top of our game and go down to Gnowangerup with the same mind set.

A great season girls, keep working hard like you have all season and good luck in the finals.

This week I awarded 3 BEST ON GROUND awards they went to; JOELY SLINN, SHARON LAMPARD and ELLIE TREVENEN.

Well done girls, like I said a fantastic team effort. GOOD LUCK TO ALL TEAMS PLAYING IN FINALS

B GRADE

Lake Grace Pingrup: 27 defeated Newdegate: 20

Best on Ground, First: Sarah Allen

Best on Ground, Runner up: Rebecca Clark

Coach's Award: Teneeka Morgan

We were lucky enough to play indoors last round at Jerramungup, but our home game this week made up for it – freezing cold, strong wind and drizzle (though we fared pretty well compared to the brave Juniors who

played later in the afternoon). Due to the

temperature and atrocious wind, ours was a tight and low-scoring game but we managed to stretch our lead to beat Newdegate by 7 at the final whistle.

Goal for goal, the two teams scored pretty closely in three of the quarters, but a cracker second quarter from our girls (LGP 7 goals to Newdegate's 2) made the difference in the end.

Defence from both teams was strong, and though we made a lot of turnovers, we didn't always take advantage of it. Our goal scorers, Casey Pinney, Teneeka Morgan and Rebecca Clark, had their work cut out for them in the circle. Newdegate was solid in defence there, and the girls worked hard to keep reoffering to find a gap – only to then face the wind in order to sink the shot, but they kept at it time after time. This persistence earned Teneeka Morgan the Coach's award for the game.

Rebecca Clark was awarded Runner-up Best On Ground for her role as Wing Attack as well as her turn in Goal Attack. Bec is such a consistent player, and this week was no exception. Her speed and smart leads heading into the attacking circle are an asset to the team. And her strong understanding of positions means she slips into almost any role on court, without any trouble.

Special mentions go to Wing-man Tuscany Dew, for her intercepts and for spotting some great opportunities for direct passes into the goal circle and to Goal Keeper Kadri Siro, who again stuck tight to her shooter and rebounded missed shots like no one else can.

Well done girls on such a great game in difficult conditions. Thanks again to our spectators who braved the sidelines to support us and to Shenae Prater who did a fantastic job umpiring.

Left: Ongerup Association Junior Coordinator Shelley Stanton and LGP Netball President Joely Slinn braved the weather to watch the Junior Netballers play in the worst conditions of the day.

Below: Our courageous Junior Netballers played in the worst conditions so far this year, but still bought home the win.

Sports Infrastructure Investment

Media Release - Rick Wilson

Federal Member for O'Connor Rick Wilson is encouraging local sporting groups to apply for funding for a national \$29.7million program aimed at upgrading community sport infrastructure.

The Community Sport Infrastructure grant program was recently launched by Federal Sports Minister Bridget McKenzie, enabling sport and community organisations to apply for grants up to \$500,000 to upgrade sporting infrastructure in 2018-19.

Mr Wilson urged local sporting groups to consider projects that would help build participation in physical activity, community partnerships and inclusiveness.

"Sporting facilities are vital for inspiring physical activity and health, but also for building community spirit and pride," Mr Wilson said.

"I encourage sport and community groups to collaborate and think about projects that could enhance our facilities in O'Connor.

"Even the smallest of facility projects can have a big impact on boosting local business, economy, health and social cohesiveness.

"Improving lighting, playing surfaces and accessibility

for different ages and genders are just some of the ways sporting facilities can be made safer and more appealing."

The program will be managed by Sport Australia, the Australian Government's leading agency for sport and physical activity.

Applications will remain open until September 14 and more information on the Community Sport Infrastructure grant program can be found at https://www.sportaus.gov.au/grants_and_funding/community_sport_infrastructure_grant_program

Congratulations to all three netball teams on reaching the finals. A fantastic achievement in itself. Good luck to all.

Saturday 4th August Lake Grace Pingrup v Newdegate

Well wasn't it a nice cool day for sport on Saturday! Newdegate joined us at Lake Grace to battle it out on the field for 2nd place on the ladder. The freezing temperature did not affect our determination to win against Newdy.

Tameka Roukens decided to significantly improve her goal scoring tally by putting 3 goals in over the course of the game. They were all very specky and boosted our girls to want the win even more. Somewhere in the mix Newdegate scored 2 goals closing the gap and applying some pressure.

Every player stepped up and contributed towards a great game. Our senior players were consistently solid throughout the game and provided support to our newer players.

Special mentions go to:

- Emma Steele continues to improve as her confidence increases
- Shenae experienced what a good hit with a ball feels like

- Felicity's positioning on the field is on point
- Susan is playing stronger over the ball
- Imogen gave us 100% effort and skill
- Rosey kept our goals like a legend

I managed to pop a goal in too, making the score 4-2. The rain, hail, shine and wind could not stop this victory.

The game did stop briefly (not for the hail) as Tameka was hit in the wrist by the ball. Luckily, she did not break it, even though her wrist looked like she'd smuggled a tennis ball under her skin.

Final score 4-2 victory to LGPHC
Goals scorers: Tameka Roukens (3)

We've locked in second place on the ladder entering finals, so we'll be playing Gnowangerup on the turf.

Well done and good luck to everyone in the finals. We wish you the best of luck!

ROUND 14

LGPFC vs NEWDEGATE Played at LAKE GRACE on 4/8/2018

The weather was showery with a strong South West wind as forecast. I must make mention that the oval looked a picture despite being the middle of winter, no doubt as a result of the thatching operation done back in March and the care provided by the Shire curator.

LGP A RESERVES

Newdegate forfeited the match as their numbers were too low even for the usual scratch match to take place.

LGP JUNIORS

What a turnaround from round 4 when the Newdegate Juniors defeated the Junior Bombers by 34 points. A win by LGP 53 points was the result of the steady improvement that the Bombers have shown since season start. Coach Grant Marshall would be pleased that the young group have learned to connect and move the football around so well.

Final scores

LGP 10-10=70 defeating Newdegate 2-5=17

Multiple goal scorers were Griffin Naisbitt and Lucas Robinson 3 each.

Fed by Fyfe awards went to Lucas Robinson and Reece Duckworth.

White Star Engineering award was won by Madison Chircop.

LGP LEAGUE

The match commenced at 2.15 pm with umpires Bill Smallwood and Herbie Hart in charge.

The weather was showery with a cold strong South Westerley breeze blowing, favouring the Swimming Pool end. Newdy won the toss and elected to kick to the pool end. LGP scored their first goal at the 5 minute mark following the Lions 1 goal 1 behind at that point. At the first term siren the Bombers were just 3 points behind, a good effort considering the wind advantage that Newdy had.

Quarter time score

Newdegate 2-3=15 LGP 2-0=12

The Bombers scored their first major within a minute of the bounce down, courtesy of Chris Poot who took possession of a long bomb from the centre and ran into an open goal. LGP used the breeze well during the second term and added 5 goals 2 to the Lions 1 goal 2 behinds giving the Bombers a 21 point lead at the long break.

Half time scores

LGP 7-2=44 Newdegate 3-5=23

The Newdegate Lions were not about to lay down and had a strong third quarter with the assistance of the

strong wind which had turned to the South a bit more and added 4 goals 3 whilst holding the Bombers scoreless. This gave them a 6 point margin at the third break but LGP were going into the final quarter with the wind so within reach of a win in their final game of the year.

Three quarter time scores

Newdegate 7-8=50 LGP 7-2=44

LGP scored their first goal since the half time break due to a free plus a 50 meter penalty just a minute into the quarter making the scores even. The Lions dug in with their defence and managed 2 majors for the final term against the wind and the Bombers just could not break through after their initial 6 pointer. Once again the inexplicable final term fadeout had occurred and what could have been a narrow victory resulted in a 12 point loss.

Final scores

Newdegate 9-9=63 defeated LGP 8-3=51

Multiple goal scorers for LGP were Chris Poot and Luke Henderson 2 each.

Better players were Luke Bairstow, Reuben Smith, Mitchell O'Neill, Alex Duckworth, Lachlan Gray and Jack Carruthers.

Award winners were: Best on Ground Mitchell O'Neill, Best on Ground runner up Reuben Smith and the Coaches award went to Lachlan Gray.

That was the final game for the Bombers League team as they finished fifth on the ladder. There have been very encouraging signs for next year if we can add a couple of good permanent players to the centre corridor

The LGP A Reserves will go into the finals in second place to play Boxwood Hill in the second semi final at Gnowangerup on August 18th. The Juniors will finish in fourth place and also play Boxwood Hill in the first semi final at Boxwood on August 19th. Good luck to all the other Winter Sports teams in the finals.

Sudoku

- ☐ The Sudoku grid of rows and columns is divided into individual 3x3 boxes.
- ☐ The aim of the game is to fill each row, column and 3x3 box with the numbers 1 to 9.
- ☐ You can't repeat numbers in a row, column or 3x3 box and you can't change the numbers already in squares.
