No doubt there'll be talk of screamers taken, legendary shirtfronts and questionable umpiring decisions as this weekend's home game of football hosts a celebration marking 50 years since the Lake Grace Football team won the 1967 Grand Final.

Although the Lake Grace Reserves team had been putting on a good show during the 1960's (played three full seasons [1963, 1964, 1965] without losing a match, it had been a veritable drought for the League side.

1967 heralded the formation of the Dumbleyung Lake Grace Football Association; this replaced the EGSNFL.

Forming the league were Dumbleyung, Lake Grace, Kukerin, Moulyinning and Newdegate. Prior to 1967 Moulyinning had been a force to be reckoned with but had lost a number of players as they moved on to other opportunities. One of these players was Ray Bairstow who took up farming land south of Lake Grace.

*In 1967 Ray 'Musso' Bairstow was appointed captain-coach of the league team. Bairstow had learned his football under the renowned Moulyinning mentor Joe Pearce. Perhaps the biggest difference between 'Musso' and the previous coaches was the belief in the team and*

- ◇ Facebook can be a fabulous thing when it's used in the right way. I am an administrator for the '**Lost Lake Grace**' page and noticed I'd been a bit tardy putting up any material. While on the page I noticed we had 603 likes for the page so put a "thank you" to all our followers for their support. As Lake Grace was approaching the fiftieth anniversary of winning the 1967 League football Grand Final I thought it was opportune to put some footy photos up. The photos span over seven decades and were greatly appreciated. Due to different followers sharing, the Lost Lake Grace page gained another 74 followers in two days! Thank you very much for your support. I am always on the lookout for new material, if you have photos from an event, preferably more than ten years ago, then I would love to have a look at them. If you are willing to share then we can scan and add to our archives.
- ◇ It seems to have got very competitive in the **truck driver training and assessment** of late. Keen Brothers have been coming out to the bush for many years and I feel deserve the support they have shown to us. Currently we have crews from Busselton and Albany drumming up business in the area which is okay but please don't get them confused with what the CRC is providing. It is well worth remembering that the driving assessor that attends the Lake Grace Shire on a monthly basis is qualified to assess HR and HC and if you have access to a vehicle to take the test then it is much cheaper to do it this way. HR is \$77.20 and the HC is \$176.20, the only issue is having access to a fully roadworthy truck. However if you don't have access to a truck or need some training then please give us a call. Lake Grace is holding MC and HC assessment and training on the 18th and 19th September. Just in time for harvest.
- ◇ We have a new segment in the Lakes Link News; it's called '**Getting to Know**'. Well done to Rosie Timperley for instigating this segment and a big thank you to Shelley Stanton for stepping up to the plate. If you think Rosie is making a bee line toward you, don't panic and certainly don't run. The Lakes Link won't take responsibility for trip injuries or torn hammies!
- ◇ **Thank you to Chloe and Rosie** for holding the fort while I took a week off.
- ◇ Anyone needing help with their tax return? Both Rosie Timperley and I are accredited tax help assistants. This means we can help you navigate the ATO's my tax site and assist you in completing your tax return, We can only help with 'simple returns'; \$60k or less per year and no ABN's. If you would like some assistance please give us a call and make an appointment.
- ◇ We will be holding a forklift and chainsaw workshop in the next couple of months, if you're interested please give us a call.

# Lake Grace Lego Club

*Nicola Kuchling*

Started in 2016 on the idea of Seth Argent, the Lake Grace Lego Club held its first session on the 22<sup>nd</sup> of February 2016. Seth had asked his mum, Annette Argent if she would be able to setup a club where he could play with other children who also enjoyed Lego after school. Annette thinking this was a great idea began to set the wheels in motion, and thus the Lake Grace Lego Club was formed.

Sessions run every Tuesday afternoon during the school term from 3:30 to 4:30 at the Lake Grace Artspace on Stubbs Street. The sessions are free to attend and all Lego is provided.

If you would like any more information regarding the Lego club please email Annette Argent on [Annette.argent@bigpond.com.au](mailto:Annette.argent@bigpond.com.au)

The Lake Grace Lego Club members would like to thank the following people and local businesses who have supported the club this far:

Lake Grace Artspace  
Lake Grace Meat Supply  
Co-operative Bulk Handling  
Toyworld Narrogin  
Lyndsey & Nerida Wallace  
Ian Bailey  
Kuchling Family  
Doug & Val Whiting  
Campbell Chatfield  
Argent Family

**Seth Argent with his unfinished project.**

After contacting the Lake Grace Development Association and registering the club under their banner the next problem was finding a suitable venue. Annette contacted several local businesses to find a location big enough, when she accepted a generous offer from the Lake Grace Artspace to be able to use the space free of charge.

The club wanted kids of all ages to be able to attend and it was discussed between a few parents that it would run more efficiently if the club was able to provide the Lego every week to avoid confusion and upset of personal Lego getting lost or mixed together. To be able to purchase the Lego the club held a successful sausage sizzle and raffle at the family fun day that was held in Lake Grace in 2016. The club was also able to obtain a grant of \$1000 from CBH, which has allowed the purchase of foam matting for the kids to sit on and a large amount of Lego which was purchased through Toyworld Narrogin, whom were able to give us the Lego at a discounted price and also donated some extra pieces. Along with some personal donations of Lego the club is now well equipped to cater for the 10 to 20 children that attend most weeks, with plans to keep adding new Lego kits in the future.

# Lines from Lions

*Neville Moulden*

The Lions Club of Lake Grace, under new President Shashi Holla, has got off to a flying start for the new Lions year.

Our first dinner meeting since the changeover last month became a Lions partners night, catered for and held in the dining room by the Lake Grace Hotel. An excellent attendance of twenty three Lions and partners sat down to dinner and to witness the induction of the latest member to join our Club.

This new member is Allan Marshall, who has joined the Lions under the sponsorship of Lion Shashi Holla. Allan joined Lions Clubs International on 22/06/2017 but this was the first occasion we had available to carry out the official ceremony to welcome Allan & Rita into Lake Grace Lions.

The installing officer was our current Zone Chairman Haydn McInnes who did the usual very efficient and professional job we expect from him. His wife Lion Pam also travelled down with Haydn from Kulin to join with the locals on this special

occasion. Retaining membership is the life blood of Lions Clubs and vital for a successful service to the community.

Congratulations to Allan for agreeing to join us and to Shashi who invited him into our group.

We look forward to a long and successful association together with Rita and Allan.

# HUGGINS – Cecil Murray

Allan Zweck

Born 13/1/1888 at Tweed River, near Murwillumbah, New South Wales, at the age of 29 ½ years he enlisted in the Australian Imperial Force on 19 June, 1917. His address was Lake Grace, East Wagin, and next of kin his father Charles. A farmer, at 5 feet 5 inches, (165cms) tall, and weighing 125 lbs (57kgs), and of fair complexion, he had blue eyes and fair hair. He trained at Blackboy Hill where he was placed in several different regiments before being transferred to the 51st Battalion. He embarked the *SS Ormonde* at Fremantle on 13 March 1918, and disembarked at Suez, three weeks later. Transferred to Port Tewfik, he embarked the *Ellenga*, on 30/04/1918, before dis-embarking at Southampton two weeks later, and joined the 51st Battalion at Codford for further training. On 8 August, they proceeded overseas to France via Folkestone, and marched into Le Havre a few days later, as reinforcements for the 51st Battalion, where he was taken on strength before advancing into the Field.

With the War drawing to its conclusion, little is recorded of his movements until after the Armistice, when Private Huggins was detached from duty in his unit to serve in various other units and actions in the Field. On the 22nd of March, 1919, he re-joined his unit, and in May was evacuated for the return to Australia. However, after disembarking at Southampton, Private Huggins was transferred to Administration Headquarters at Sutton Veny. On 23rd July, he was granted leave to 23rd

October to work on "Belgrave" farm for Wm. Parker of Leicester. On a certificate of 'Record of Non-Military Employment', his employer reported; "Private Huggins gave every satisfaction while employed on his farm for experience. He was engaged on general farm work, and, the care of stock, in which he took a keen interest. His conduct was all that could be desired". During this employment he was paid six shillings (6/-) per diem.

Private Huggins was returned to the 51st Battalion on 12/9/1919, preparatory to his return to Australia on the *Mahana*, two weeks later, disembarking at Fremantle on the 3rd of November. He received the British War Medal, and the Victory medal. He was of the Church of England faith - service No.7303. Discharged 26/11/1919, Private Huggins returned to his farm at Lake Grace.

Charles Huggins, the father of Cecil, was a son of Sir Thomas Huggins of Nepis, West Indies, and came to New South Wales where, following his occupation of sugar boiling, became involved in the sugar industry and was employed in sugar mills on the Richmond River. He married Helen Lyle and took up land at Uki, but during the Coolgardie rush, he came to Western Australia, where he was fairly successful. Helen and sons Donald and Cecil came later, as Charles followed the rushes, mainly round Kanowna where he acquired property. Cecil was able to attend Perth Boys School, then Perth High School, where it appears he was in the Cricket eleven from 1901 to the end of 1905, the team having won five successive Darlot Cups. Surprisingly, he became School Captain in 1903, an honour usually gained in their last year. In 1904, after winning the Darlot Cup, it was reported, "Huggins, the school captain, who has been a successful player for some years, put together 86 [runs] in capital style". The next year, they won the cup again, having remained unbeaten. "A great deal of the year's success has been due to the fine generalship of CM Huggins, the captain".

In June 1905 the school paper, *The Cygnet*, wrote; "It is with general regret we parted with our captain, CM Huggins last term. He was presented with a gold medal by the first and second cricket eleven as a token of their regard and esteem. He helped us greatly in cricket and football, being captain of both". In another tribute they wrote: "We were fortunate having such a capable and

careful captain. Winning all matches speaks volumes of his generalship, but he never allowed his success to lessen his interest in the individual members of the team, or his determination to do better. He is a fine right hand batsman with plenty of patience and excellent defence. He cuts both 'square' and 'late' splendidly, and his leg glance is equal to the best. His fielding is always sure, and no one works harder. In leaving, the boys have lost a thorough "sport". It is believed that in 1904, he was one mark short of selection as a Rhodes Scholar.

In June of 1911, Cecil Huggins was allocated land, locations 10163 and (10173 homestead), north of Lake Grace, along with partners, Gibbney and Henderson, who also had a 'homesteader' on 10173. Simultaneously, he was allocated another 2 locations with 3,000 acres of pastoral lease with Gibbney, easterly from Marchagee which they had to abandon. Gibbney soon quit Lake Grace, but little is known of Henderson. Huggins arrived at Lake Grace at a time when others were getting established, and in season 1915 he had sown 250 acres of wheat. Like the other settlers, he added his voice of support to the progressive community in their endeavours, and was an early secretary of the local Farmers and Settlers Association, and involved in the Progress Association. After his absence at the war, it seems as though rabbits became his enemy. Years later, on an RSL visitation to Lake Grace by "NonCom", (a roving reporter), he said of Huggins, "One of the early settlers, very quiet, but still at war, (this time with rabbits!) In fact, the Road Board had prevailed upon him to put in a bigger effort to control them on his property, as was the case with a number of settlers.

Cecil was an enthusiastic supporter, player and adviser to the North Lake Grace Cricket Club. Many lovely evenings were spent in their home to raise funds for the Club. In the 1930s, aging into his 40s, he took part in the country week competition, though he only occasionally rose to the heights of his school days performance, as was the case for his local team.

In 1937, Cecil was in a deputation to the Members of Parliament urging them to have a school of Agriculture set up in the district similar to Narrogin. Lake Grace was the centre of a large wheat growing area and it was argued that farmers' sons would get better training, as conditions were different to Narrogin, and in any event very few boys from these areas were admitted to that school. This was a surprise to the MPs, and to rectify that, was about all they achieved.

About 1941, Cecil leased his farm, and he and wife Marion went to live in Perth. In a letter to the press the same year, he gave an interesting explanation of annual climate change, claiming, "the earth's tilt in relation to its position towards the sun, and, the constancy of the earth's axis which terminates at the poles", being two reasons, which he explained in good detail for the climate to change. He also wrote in 1944, that our national anthem should be "Lift Up the Five-starred Flag," written by WA's own songster and poet. He thought "Australia Fair" unmusical and "Waltzing

Matilda" just a popular ditty. In those years, he authored a number of musicals, drama's, and literary works, "The Girl from the Argentine".... a dramatic work, the first to be submitted for copyright in August 1936, after which there were no less than 18 works produced by him. Some titles were; The Proposal Waltz.... a musical, April 1945, The Popping the Question Waltz.... a musical, January 1946, Westward Ho.... a literary work, October 1949, and The Song of W.A....a musical, December 1965.

In 1946 the former Private Huggins applied for a new discharge certificate from the AIF, from his St. Georges Terrace address. He wrote; "For 3 years after the war I lived in a hut on my farm before marriage and with the carelessness inherent in the male the certificate must have been mislaid. I did not report the loss because I was unaware it was so, never having had occasion to produce it until recently when I applied for a war service home". When Cecil Huggins wanted to sell his farm, he approached Dick Dewson, who insisted there was no way he could buy it. "Dewson! I have a plan"- Huggins proceeded to offer his plan, on terms which Dewson could afford, and so his property became the Dewson farm. It has since been sold to another party. In his later days, Cecil lived at Tuart Hill, where he died at the age of 80 years, on 16/06/1967. He was buried in the Presbyterian section of the Karrakatta Cemetery with his wife Marion, who had predeceased him by 3 years.

# Next Generation Embraces Conference

## Media Release

On Tuesday July 25, the next generation of agricultural advocates from the Wheatbelt gathered at the Kulin Freebairn Recreation Centre for the inaugural #GenAg2017 young farmers' conference.

The conference was an initiative of the Kulin Community Resource Centre manager Kate Bishop who approached the Kulin **Community Bank**® with the idea earlier in the year and from there a partnership was formed.

"It was a concept I had been thinking about for a long time. Kulin had the facilities that could make it possible and working with the Kulin **Community Bank**® team was a natural fit.

"To see over 140 young men and women come together in the Wheatbelt who are passionate about agriculture was hugely rewarding," said Miss Bishop.

Conference facilitator and organiser Tom Murphy said "From the Kulin **Community Bank**® perspective we are really pleased with the success of #GenAg2017, especially being the inaugural event. It was a great collaboration with our local CRC and proves you can hold a high quality conference outside the metro area."

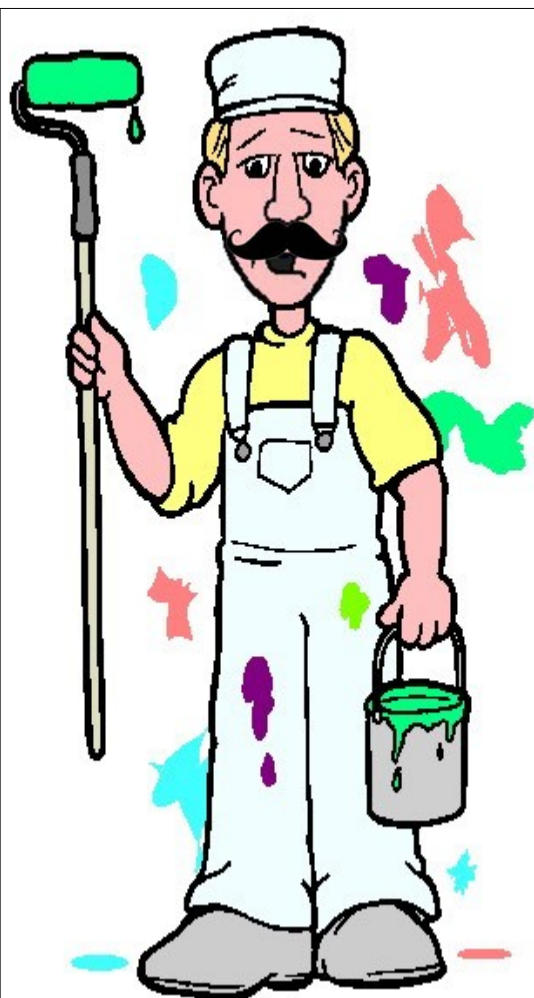

According to Mr Murphy and Miss Bishop the key to the

success of the event was the number of high quality speakers whose willingness to travel to the small rural town of Kulin for the conference made all the difference.

Managing director and chief executive officer of Rural Bank, Alexandra Gartmann, set the bar high as the opening

speaker, telling attendees of her experiences in agriculture and the challenges of modern farming.

"Many rural-based youth face additional challenges accessing educational opportunities, and training needed for the jobs of the future will still have the tyranny of distance and financial hurdles to overcome," said Ms Gartmann.

"The growing scale of agriculture and the challenges young people face getting into agriculture, such as accessing finance with no equity or long track records in business, was clearly a topic of discussion for a lot of the attendees,"

Other speakers from the day included Wheatbelt Business Networks executive officer Caroline Robinson who also talked about supporting local and the impact this has on rural communities.

Sean Starling from Meat and Livestock Australia whose opening video presentation included snippets from the latest Tom Cruise movie and left many wondering where it was going. However, Mr Starling assured us that the [technology](#) featured in his presentation is real and currently being applied to various aspects of the red meat industry.

After morning tea Susan McCalman from Rural Bank gave a quick economic update before we moved along

to the key session of the day – Drones in Agriculture. Agricultural researchers Ben White and Josh Giumelli from Kondinin Group gave a fantastic insight on where drone technology was heading and different applications that drones could possibly be adapted for in the future.

Two popular talks from the day were from Sheep Alliance of WA board member Bindi Murray who focused on the positives around rebuilding the flock and getting back into sheep, while Dale Woodruff from Byfields gave an honest and detailed process for succession planning that had everyone talking.

Jody Morton from the National Centre for Farmer Health shared some alarming statistics to remind everyone of the dangers in farming, then the conference divided into breakout sessions to learn more about Wealth Creation, Educational Opportunities at Muresk and Grain Marketing from Christopher Tyson of Bunge.

The conference rounded out with a great talk from Peter Newman from Australian Herbicide Resistance Initiative on why Australia is leading the way with herbicide resistance techniques. Finally the WA Nationals Leader Mia Davies closed the conference with some important take home messages about staying resilient in regional WA before conference delegates enjoyed a sundowner, compliments of the Kulin **Community Bank®**.

# Farmsafe WA Alliance

## Media Statement

Farmsafe WA Alliance urges care when working with animals

Farmsafe WA Alliance urges the farming industry and any visitors to farms to continue to "Think Safe, Be Safe".

Many of us have had a 'close call' during our time at work – this is magnified when working alone, working with animals, working at heights and with machinery, which is the norm on many farms. Statistics show that more accidents occur during busy times on the farm and during school holiday periods. Farmsafe WA Alliance urges everyone to be proactive regarding farm safety.

Maree Gooch, Project Director of Farmsafe WA Alliance said "We can never underestimate the unpredictability of animals. Accidents can happen for so many different reasons. Large animals including cattle and horses magnify some of the risks of working with animals".

Sadly these comments follow a fatality on a farm at Dalyup near Esperance this week with the tragic death of a 19 year old woman.

Providing a safe workplace is an important part of doing business on farms. Farmsafe WA Alliance is continuing to work hard to provide effective solutions regarding the implementation of farm safety systems.

The Farmsafe WA Alliance provides information for their members as part of their commitment to providing advocacy and support to the agriculture industry and continues to campaign for and on behalf of farm safety.

# Great Southern Storm Under 13's Carnival - 2017

*Missy Clifford*

Six Lake Grace Pingrup players travelled to Jerramungup for the Great Southern U13's Carnival. They were representing the Ongerup Association. Some players helped out Ravensthorpe throughout the day as they were short.

Other teams playing in the Carnival were Eagles (SDJFA), Saints (SDJFA), Denmark/Walpole, Katanning/Tambellup, Bulldogs (SDJFA) and Mt Barker.

- The 1st game was a good win against Ravensthorpe with Ongerup dominating the whole game.
- The 2nd game was against the Albany Bulldogs. Ongerup put up a great fight and only lost by 2 goals. A great result as the Bulldogs went on to win the Carnival.
- The 3rd game was against Mt Barker. Our team looked a bit flat and tired as it was their third game in a row. They put up a good fight but unfortunately lost the game.

It was now our turn to have the bye. The boys had a well-earned rest and replenished with food and drink.

**Left: Jonty Robinson who was chosen for the All Stars team.**

They came out in the fourth match with lots more energy after the rest. This game was the Play Off for 3<sup>rd</sup> & 4<sup>th</sup> place, against Denmark/Walpole. We kept them goalless in the first half which was a great effort against a strong wind. Ongerup capitalised in the second half with the wind and won the game. Ongerup finished 3<sup>rd</sup> overall. A great result.

Well done to Jonty Robinson who was selected in the All Stars. Three players from each team are selected into the All Stars team who are then automatically invited to the Great Southern Storm 15's Development Squad when they qualify as a Year 9. This Carnival is effectively the beginning of the player's talent pathway. Congratulations Jonty.

# GSNR Netball Carnival

*Shelley Stanton. Photos by Steph Smart ONA Junior Coordinator*

On Sunday 6 August 2017 the annual GSNR Netball Carnival was held in Katanning, this year run by our very own ONA (Ongerup Netball Association)

It was an early start with most of us on the road by 6.30am, with our vehicles stocked with supplies for the day, including soups, slices and biscuits etc for the canteen which was to be run by the ONA this year.

We were fortunate enough this year to nominate 6 teams from our Ongerup Netball Association.

2 12&Under  
1 14&U  
17 &U

Lake Grace had representatives in all teams except the 14 & under. The girls were mixed up in teams for no other reason than to get to know other girls that they play against on Saturdays. The teams were made up of all the teams within our association.

Whilst we didn't bring home any trophies, the girls all enjoyed every game they played and they were lucky enough to play in every position on the court to improve their skills further in the game. They also made some

new friends which over the next few years will grow even further.

We had so many volunteers from our LGPNC, and we thank them all very much for giving up their time on a Sunday to help out with this junior carnival

These include, Kristie Stanton Umpire, Lisa Pearce Coach, Shelley Stanton Team Manager & cooking, Renae Jury Team Manager, Grant Marshall Hooter Boy, Linda Vlasich, Tania Bray, Shenae Prater Kitchen Helpers, Sarah Allen Cooking, and anyone else I may have missed, I'm sorry.

# Re dedication of Women of the Salt Lake Country Mural

*Kerrie Argent*

On a cold a blustery Sunday afternoon the sun shine came out for a moment or two, but with black clouds looming on the horizon, we celebrated the re dedication and repainting of the Women of the Salt Lake Country mural.

Michelle Slarke read part of Bridget Cuff's history from Far Site which reminded us of what these women's achievements and life styles. Back in 1998 this was the first public art mural that Irene Osborne painted and she doesn't think that she will back again to repaint as it lasted so long.

The mural on the side of the Lake Grace Plaza was original completed in 1998 by Irene Osborne. The mural had become tired and faded after being out in the sunshine for 18 years and needed to be revamped. Of course this was an excellent time span, but it certainly needed renewing.

After being unsuccessful in getting a grant to renew the mural, the Lake Grace Artist Group decided they would need to raise the money. So after two years of fundraising involving lots of catering, high tea, strawberries and ice cream treats at late night shopping, wood raffle, garage sale and Devonshire tea, plant raffle, supper donations from Shows on the Go. So with lots of hard work and generous donations of food from all the art group members and community members.

Then with the help of the Lake Grace Shire grant of \$2500 for the paint and the support of many families related to the ladies on the mural, we managed to raise \$14,000 dollars, Irene was invited back to repaint the mural.

The Lake Grace artist group would like to thank every one in the Lake Grace community and shire who contributed in any way for all this marvellous help

in their fundraising actives to raise all this money for this project. Well Done.

This re dedication was attend by 30 people who had to make a quick dash across the road to the art space for afternoon tea with more food than people before the sky opened up.

## Remembering Past Glories (cont.)

*fierce desire to win developed during the era of dominance of the Moulyinning team. Bairstow had, what the outstanding local footballer Don Gardiner termed, 'a professional approach and was a good mixer who got on well with the younger and older players.'*<sup>1</sup>

*The line-up in 1967 included many players Bairstow had encouraged back into the team and with the blend of youth and experience developed the team into premiers for the first time for 33 years.*<sup>1</sup>

It was a close game that nearly ended before it began with Kukerin crying foul as their goal posts had been painted in the Lake Grace colours of red and black during the night before the game. At the end of each quarter Kukerin was in the lead, however in the final quarter Lake Grace snatched the lead with the final scores being 7.12 (54pts) Lake Grace to Kukerin's 6.14 (50pts).

This was Lake Grace's first Grand Final win in 33 years and was celebrated accordingly.

<sup>1</sup> Taken from *Across the Lake*

This Saturday (19th August) there is a 50 year reunion of the Grand Final win being celebrated at the last winter sports round of the 2017 season. This is a home game being played against Jerramungup. Jerramungup is above Lake Grace Pingrup in all grades of the football so it's going to be a tough game for all of the teams.

Following the game there will be steak tea at the Lake Grace Sportsman's Club where presentations will be made to the team members (or their family representatives) from the 1967 Grand Final. The Lake Grace Pingrup Football Club welcomes everyone from the community to join them during the day or at the evening celebrations.

## CEO's Corner

### Flooding Event – February 2017

WML Consulting Pty Ltd has now been appointed as the successful Project Manager, and in conjunction with the Western Australia Local Government Association (WALGA) they have prepared the necessary documentation of tenders for supervision services, plant and labour. Two tenders were advertised on Saturday 12 August in "The West Australian". The tenders close Tuesday 29 August 2017 at 3.00pm WST. The tenders are being conducted within an electronic environment utilising WALGA's E-Tendering Portal Tenderlink.

For current road closures please refer to the Shire's website [www.lakegrace.wa.gov.au](http://www.lakegrace.wa.gov.au) or Facebook page for a list of roads that are closed within the Shire.

### Road Funding – Direct Grants Cut by 42%

Since receiving the good news that Local Government was successful in having our vehicle licensing concessions reinstated, we have now been informed that the Government has reduced our road funding.

The Government has now made the decision to reduce the Direct Grants pool of the State Road Funds to Local Government Program by the values of \$10.3 million in 2017/2018 and \$9.8 million in subsequent years. This will result in a near 42% reduction to each Local Government's previous 2017/2018 Direct Grant indicative allocation.

This has a direct impact of reducing our road funding from \$296,514 to \$170,765 a direct loss of \$125,749. This equates to 4.45% in rate revenue as opposed to the average \$73,000 or 2.5% loss in relation to the vehicle licensing concessions.

### Local Government Week – 2017 Convention

Councillors De Landgraft, Hunt together with myself attended the 2017 Local Government Convention in Perth on 2 - 4 August 2017. The Local Government Convention brings together local governments from all over WA and is an important event on the Local Government calendar.

During the Convention the Local Government Honours Recipients 2017 were announced and awarded.

Notable mentions from our neighbouring Shires were;

- Cr Gordon Davidson, Shire of Dumbleyung – Eminent Service Award
- Cr James Sullivan, Shire of Kulin – Long and Loyal Service Award

This recognises personal commitment, eminent service and contribution to the Association as a President, Executive Member or Serving Officer, of the Association or Member Council.

This recognises long and loyal service of a high degree to Local Government or the WA Local Government Association.

- Mr Greg Hadlow, Shire of Kulin – Local Government Distinguished Officer Award

This recognises outstanding contributions made by serving officers of member Local Governments to the Association, the sector or other agencies and local communities.

### 4WDL Meeting

The Deputy Shire President and myself attended the 4WDL meeting held on Tuesday 8 August in Woodanilling.

The 4WDL is a group of Councils who have joined together to form a Voluntary Regional Organisation of Councils (i.e. VROC) and consists of the Shires of Wagin, Williams, West Arthur, Woodanilling, Dumbleyung and Lake Grace. Shire Presidents and CEOs attend the meetings every two months.

Topics discussed on the day included:

- Aged Housing Project
- Appointment of 4WDL Chairman for a two year period
- Sharing arrangements for Environmental Health Officers / Building Surveyors
- Group Purchasing
- Review of the Local Government Act

## Newdegate Field Days

It is with pleasure that the Shire of Lake Grace looks forward to the 45<sup>th</sup> Newdegate Machinery Field Days to be held on 7 and 8 September 2017.

The site will be located in the Main Pavilion at Number 35, and the intention is to create a space where people can come and meet Councillors, the Chief Executive Officer and staff members in comfort.

# Defunct or Disbanded Associations and Clubs

## Media Release

Are you a member of a club or group? If it is a registered Association, do you know if it has lodged its annual information statement?

We are compiling a list of associations that may be defunct as they have not been submitting an annual information statement and appear to have been dormant for 12 months or more.

The reason associations and clubs are required to submit an information statement to Consumer Protection every year is to confirm the association is still active, eligible to be incorporated and has held its Annual General Meeting.

If an incorporated association has not submitted its information statement, we will have to presume it is inactive, which carries the risk of the incorporation of the association being cancelled. If the incorporation of the association is cancelled it is no longer a legal entity, which may cause problems for the association ... and we don't want that.

If you're a committee member or office bearer of an incorporated association that hasn't lodged its information statement, we urge you to do the honours as we look forward to hearing from you.

Submitting the annual information statement is not a big undertaking and doesn't cost money – it can be done in the time you might take to have a cuppa and there are no lodgment fees.

Lodgement of the information statement can be completed online through our web portal **AssociationsOnline**. We even have a helpful video to explain how at [www.commerce.wa.gov.au/cp/infostatement](http://www.commerce.wa.gov.au/cp/infostatement)

You should make sure you have the following information ready when you complete your association's statement:

- the association's current address for service (this can be a street address or a PO Box);
- the date of the most recent annual general meeting; and
- the total revenue for the last financial year.

You will also be asked to confirm:

- whether the association has at least six voting members;
- the association's main purpose, such as educational, sporting, recreation or religious; and
- whether the association is registered with the Australian Charities and Not-for-profit Commission.

# Defunct or Disbanded Associations and Clubs

(Cont.)

It is not necessary for an association to submit copies of meeting minutes, financial reports or registers of members or committees with the information statement.

The report is more or less just a checklist for both the association and us to assess whether you are still operating as per the requirements of the *Associations Incorporation Act 2015*. It is also a great way to formally confirm the contact information for the association.

If you are a member of a club, society or association that is active, please encourage your committee to submit its information statement if it hasn't already done so.

If you were a member of a club or group that you know no longer exists or operates, we encourage you to contact Consumer Protection and let us know that the group is no longer operating. You can do this by

completing our very simple online form which can be found at [www.commerce.wa.gov.au/endassoc](http://www.commerce.wa.gov.au/endassoc) or send us an email at [assoc-cleanup@dmirs.wa.gov.au](mailto:assoc-cleanup@dmirs.wa.gov.au) to ensure it's included on our 'defunct associations list' which will be made public in the near future.

# Find a Friend... at the Lake Grace Library

Suzanne Reeves

A book can take you anywhere! It can take you from joy and jubilation to the depths of despair; transport you to another dimension, another time period or even another life. As well as being a good friend books create awareness and an empathy for others; they educate us and they entertain us.

Each year across Australia, the Children's Book Council of Australia (CBCA) brings children and books together celebrating CBCA Children's Book Week. During this time schools, libraries, booksellers, authors, illustrators and children celebrate Australian children's literature.

Children's Book Week will be celebrated from 19<sup>th</sup> August to 26<sup>th</sup> August, with the theme being 'Escape to Everywhere'. The school is holding a book week character dress up day on Thursday 24<sup>th</sup> August. Writer and philosopher Alain de Botton declares that the four psychological functions of great literature are 1 It Saves You Time, 2 It Makes You Nicer, 3 It's a Cure for Loneliness and 4 It prepares you for failure.

Lake Grace Library is celebrating Book Week and with more than 5000 titles that cover infant through to young adult, there is bound to be a book suitable for your children. Unfortunately, the habit of reading is hard to

pass onto your children if you don't partake of it yourself...but don't despair, Lake Grace Library has a great range of books for adult readers also. If you're not into fiction then there is shelves of reference books covering a wide range of topics. The library can also order titles in for you, just ask Lois or Kelly, they'll be happy to help!

Showing once again that he's firing on all cylinders and is ready to take on the championships is Nick Maalouf, winning with a score of 39 points. Nick was four points clear of runner-up (on a countback) Chad Stanton who had 35 and Martin Carruthers who also had a score of 35.

Sponsored by Rob Farley of Marangaroo Golf Club the event was a stableford. Representing the Marangaroo Golf Club was Brayden McCubbing who brought along his father, Bruce McCubbing from Kondinin.

Novelties on the day were NTP No.4 Aaron Carruthers, NTP No.6 Helen Hunt, NTP No.15 Helen Hunt, NTP No.18 B McCubbing. Longest putt on No.9, Sonya McSwain; Longest Drive for the Men was Chad Stanton; Longest Drive for the ladies was Helen Hunt. Longest putt for the ladies was Helen Hunt and Longest putt for the men was Chad Stanton. Once again the birdy nest has jackpotted.

This weekend we have the Men's Carnival at Varley, for those not going to carnival there will be a stableford event on Sunday 20<sup>th</sup>. This event is sponsored by Darren and Tania from Spencer Wools. Saturday 26<sup>th</sup> will be the second round of championships and there will be a stableford competition for those not playing championships.

*Craig Reeves*

It was back to back wins for Chad Stanton and Matthew Spurr for the 2017 Turkey Day. It was a combination of age, experience and pre-wedding energy that got the duo across the line with 48 points; a good score on any occasion.

Thirty eight players took to the field with visitors coming from Perth, Albany, Busselton, Cuballing and the neighbouring Harrismith and Kukerin. One player was so keen not to miss the Turkey Day event he slotted the game between his night shifts; lucky he's got an understanding chauffer!

Sponsored by Royce and Bevan Taylor there were plenty of prizes on offer. Runners-up for the men were Craig Reeves and Mike Clark with 46 points; other good scores were Derek Stanton and Darren Kirby with 44 and Peter Lay and Martin Carruthers with 43. 'Veterans' Murray Stanton and Tiger (Ian) Faulkner put up a spirited fight and crawled across the line with 42 points.

Winners for the women were a jubilant Sonya McSwain and Stephanie Lay with 37 points by countback; Helen Hunt and Denise Gobbart just missed out on defending their title coming in with 37 points also...should have made that last hole count girls!!

Winning for the visitors were Peter Greene and Kevin Looby with 45 points; that 9 hole practice round the day before, got them course ready!

But what about the feathers? The most important trophy of the day!! Completing the 'walk of shame' to collect their trophy were partners Justin Wright and Morrie Smith. It's a local legend that it is a necessary rite of passage that you have to win the feathers BEFORE you can win the birds; so see you next year Morrie and Justin.

Nearest the pins on the day were won by Craig Reeves (No.4 and No.6), Royce Taylor (No.15) and Matthew Spurr (No.18). Sponsors of the NTP's are Elders Insurance (No.4), Lake Grace Roadhouse (No.6), Lake Grace Post Office (No.15) and the Lake Grace CRC (No.18).

Other novelties were Long Drive for the Men on No.3 was Mark Newton (sponsored by Lake Grace Home Improvements); Long Drive on No.10 for the Ladies was Denise Gobbart (Sponsored by Lake Grace Communications and Computers); Long Putt on No.9 was Kingsley Strevett (sponsored by Lake Grace Tyrepower); Best 2<sup>nd</sup> Shot on No.2 was Matthew Spurr; Nearest 3<sup>rd</sup> Shot on No.5 was Darren Kirby; Nearest 3<sup>rd</sup> on No.11 was Matthew Spurr with an Eagle ferret (just to confuse the non-golfers); best 2<sup>nd</sup> on No.12 was Chad Stanton; Best 2<sup>nd</sup> on No.8 was Darren Kirby; Nearest 3<sup>rd</sup> shot on No.13 was Andy Young; Longest Putt on No.14 was Peter Greene and Best 2<sup>nd</sup> Shot on No.16 was Craig Reeves.

Semi-finals are in Kulin this Saturday with our C grade playing against Corrigin at 10:15am in the first semi-final and our A Grade playing KK Vipers at 1:15pm in the second semi-final.

Congratulations to both teams who have made it through and commiserations to our B grade who

missed out on a finals berth by only two points. Well done to everyone on a great season and especially our A grade side who have finished minor premiers for 2017, hopefully we can back it up and take home the trophy in a few weeks.

Congratulations goes to Jack Faulkner who has been selected in the WA State U13 side. Well done Jack.

Ellie Naisbitt is currently playing with the WA Country side in Townsville. At the time of writing WA had won against SA 2-0 and drawn against VIC 2-2 and ADF 1-1 and had a loss against NSW 1-5. Sitting at fourth place on the competition ladder with one game yet to play against QLD. Best of luck to Ellie for the rest of the tour.

## ROUND 13 LGP (5) v's GNOWANGERUP (0) SATURDAY 5 AUGUST 2017

This week we were facing the bottom team and once again it was a chance to increase the confidence of my 2018 team and give some more players a chance to score their first goal. We started off with our usual line up of players who secured a few goals to give us a good start by half time. Now it was time to unleash my youngest players onto the forward line who didn't let me down. They had a brilliant game and fought equally as hard, winning just as much ball as the first half. Later in the half I asked the older kids to choose a position they had never played before which brought about a lot of fun. Reegan Marshall was put into Centre Half, much to her surprise and dislike but she played like a champion, showing some hidden aggression & skills.

Top Effort Awards: Stella Dines & Holly Stanton

Goal Scorers: Jonty Robinson (3), Josh Giles (1), Michael Watson (1)

## ROUND 14 NEWDEGATE (3) v's LGP (5) SATURDAY 12 AUGUST 2017

After hiding in the shed to avoid the rain we all rushed out with enthusiasm to secure second spot. My players

fought hard getting 5 quick goals in the first half, just to even the game up I had a chat to the Newdegate coach to swap a couple of players. Thanks to Jai Clifford and Jonty Robinson who went over to help Newdegate. The second half began with the older kids off to give the 2018 players a run to show their skills. With Newdegate's borrowed recruits, the game became a lot more even with Jonty getting 2 goals and Jai getting 1 goal to put a score on the board. The boys were having a great time but then the spectators were becoming a little worried about the possibility of now losing??? (haha). At the end of the game the score was Newdegate (3) and LGP (5)...luckily!! Well done to Jake who gave it his best and got a great warm up ready for next week's top of the table clash against Jerry. Great game kids and well done for showing great sportsmanship towards Newdegate.

Top Effort Awards: Michael Watson and Jake Cameron

Goal Scores: Jonty Robinson (3), Reegan Marshall (1) and Josh Giles (1)

## Round 13: Saturday August 5<sup>th</sup> LGP- 7                      GNP-0

Another epic game delivered by the girls this round. Another classic Yasmine moment, calling Gnowangerup "Boxwood" as we ran on to the field (double fine), with all laughs aside we were straight into business. Within the first 10 minutes we had the ball down in the circle and taking our first short corner, with a deflection on the post from Billie, into the goals. 5 minutes later, we had Lyn take a beautiful run down the field and put one in behind the goalie. To finish the half off we had Tameka smack one in and bring the score to 3-0.

Our game was flowing smoothly, we were using the back line for switches and giving some strong leads; we were all over Gnowangerup and we wanted blood. Britto came guns blazing all game, and put two goals in within 5 minutes of each other. The half backs and forwards did a great job holding the ball in attack all game; there was barely anything for the fullbacks and Chloe to do. There were a few injuries to the Gnowangerup team in the final minutes of the game, but by then Lyn had already scored another goal with Tameka getting her second as well and putting the final nail in the coffin resulting in a 7-0 win.

It was a great team effort on the field, producing an awesome win and some great hockey. B.O.G went to Tameka-the-tormentor and Coaches work horse award went to a girl who always gives it 110% , Captain Feathersword; Yasmine.

## Round 14: Saturday August 12<sup>th</sup> NWD- 2                      LGP-1

The second last game before finals was a reminder to us that consistency is key. It was another game where we were the dominant team but were just unable to get the goals in. First half the ball was held in our attack most of the game with a number of short corners. Lyn did a fabulous fake pass to the right, popped it to the left allowing Yasmine to nail a beautiful ball into the goals. Georgia played a marvellous game, not only tagging Kelly and keeping her out of the game but also

getting in and attacking in the circle. Unfortunately Kelly was able to slip away in the first half and scored against us.

The second half the girls started to lift their game even more with jinks and turns to get around players. Deb did a great job running up the wing and bringing the ball into the circle, Lisa was always moving and making leads, Sissa was giving great support and direction from the side lines and Yasmine played a strong game displaying excellent skills and fight for the ball. There was a text book 1-2 play by Billie and Yas, getting around three Newdegate players, but Billie's precision for the goal post was better than her precision for the back board and we were unable to convert it into a goal. The team continued to fight hard for the ball, Arlene and Bridget even putting their bodies on the line to keep the ball from going in on the short corners. However our missed opportunities in attack meant that Newdegate were able to get one more goal and take the game 2-1.

It wasn't our best game but we kept fighting till the end. Our B.O.G went to G.I. Georgia, who ran and fought the entire game and Coaches work horse went again to Yas, who dominated all game as well. Awesome job girls! Let's fire up for the finals!

## ROUND: 13

5<sup>th</sup> August 2017

Lake Grace/Pingrup VS Gnowangerup

### A Grade

Coach: Karen Bairstow

LGP: 47     DEFEATED     GNP: 39

The netball club paid their respects to Jemma Bairstow who lost her Dad during the week. Jemma has been an important player and committee member for a lot of years and the players played with great passion to record a win 58- 31 over Gnowangerup who sit second to us on the ladder. The first half was fairly closely contested but to the girls credit they put the hammer down after half time and ran away with the game.

Sharon was at her best with great shooting and running her opponent ragged and with Joely away this week Billie stepped up to play for us and after getting used to the tempo she played well with Sharon and the two were well on top.

Britt and Shenae provided some good running down court and around the circle to feed the shooters. The defence of Bridgett, Claire and Teneeka all combined well and it was the combination of these girls that got us to the front in the first half. With a lot of fingertip interceptions it was good to watch.

A big THANKYOU to Billie, Bec and Melita for sitting on the bench for us, we really appreciate it.

Thank you girls I was proud of the way you were committed to win the game .

With two games left we need to keep that standard and momentum up to lead into the finals ,no game will be easy from here on in!

Best on Ground: Sharon Lampard came out firing from the word go and shot some beautiful goals and continues to run hard for her teammates. Well Done Shaz!

Coaches Award: Billie Mactaggart who came into the side this week and took the game on. She held her position well under the post and provided good support for Sharon. Well Done Billie!

### B Grade

Coach: Linda Vlasich

LGP: 40     DEFEATED     GNP: 36

Well done B graders it was a tough game but we pulled it off yet again. Great team effort as always.

Best on Ground: Chloe Thornton, for her great defending and attacking. You are always there for back-up. Top effort Chloe. Thanks

Coaches award: Casey Pinney, for her awesome shooting skills great game Casey. Thankyou

### Juniors

Coach: Sharon Lampard

For our first two outings against Gnowangerup the Ladybugs were held to only one goal, so it is with great pleasure I announce in our third match up with them, the girls managed a much-improved 11 goals! With the final score of 33-11 we did go down to the league leaders in double digits. But if we look to the stats (and we do love our stats!), in game one the margin was 39 goals, in game two it was 28, and so the 22 goal margin in game three was yet another good sign for this group this season. This week the team mascot Duck was given to Miss Sara Bray, who has come so close to getting the honour previously as she brings 110% to every game. She shows great tenacity to pick up loose balls and she is a really natural netballer. Well done Sara, keep working hard! After a slow start to this game, the Ladybugs do have to hit training hard. If they do I am confident the girls can rectify this in the coming weeks.

This weekend's game reminded me why I took on the NSG coaching position, and why lots of us put our hands up to coach, umpire, score, time and do all of the those jobs that are involved in Junior sport.

Not only can I see the huge improvement in the players since the first training back in April - we can now lead to a space, pass to another player (on our own team), we know our grounded foot and how to pivot. Most of us bound out onto the court and know exactly where to stand and where we are allowed to go. This in itself is fantastic to watch, but the one thing that is even better than developing the skills of the game, is the sportsmanship that our little players demonstrate week in and week out. That's the part that makes coaching the most rewarding.

Thank you to the community of Lake Grace Pingrup for your continuous support of the netball club's \$100 board. This week's lucky winner was Helen Hunt. The netball club is donating the profit made from this week's board to Motor Neurone Disease research.

## ROUND: 14

12<sup>th</sup> August 2017

Lake Grace/Pingrup VS Newdegate

## A Grade

Coach: Karen Bairstow

LGP: 58      DEFEATED      NEWDY: 39

The derby this week, and with a couple players out was going to be a challenge. The game is always hard against Newdy and this proved no different. Firstly I would like to make mention and to say a HUGE THANKYOU to MAGDALEN TREVENEN and MELANIE NAISBITT who filled in for us and were outstanding!!

I really appreciated the effort these girls made to help us out and contribute to winning the game.

Secondly to the effort of the girls from the moment they went on court, their attitude was awesome and they had a goal in mind. After a couple of nervous errors they settled into the game and played some great netball. Once again our goal shooters in Joely and Sharon were outstanding, in

their shooting and their movement around the court.

Shenae played her best game of the season and ran hard all day and placed the ball nicely into the circle and along with Magdalen in WA who also passed beautifully into the circle continued to run the opponents ragged.

The defence was awesome with Bridgett working her opponent under the ball she got on top and with Melanie backing up, they worked nicely together. As the game went on Melanie was intercepting more and more passes and directed the ball down court with bullet like passes. Teneeka also playing her best game, her ability to read the play was awesome, but she also provided the avenue every time out of defence and also intercepted many passes.

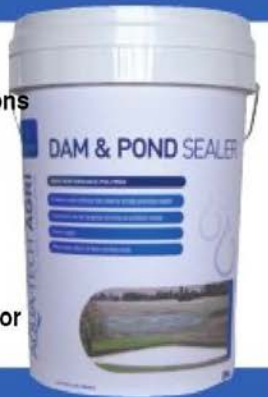

Thankyou also to Teagan for sitting on the bench for us.

Well done girls running out winners 58 --39.

BEST ON GROUND: Joely Slinn, who as mentioned shot well, rebounded well and it was her attitude right from the start of the game, she was going to do everything possible to help her team win the game.

## COACHES AWARD:

Shenae Prater, who was determined to get the job done this week and she ran and offered good leads all game and her talk on court was great.

Teneeka Morgan, who was just as determined to turn the ball over and her ability to read the play was brilliant! Well done girls.

Great team effort girls, your attitude was most pleasing and if we take that into this week against Jerry it will take us a long way.

## B Grade

Coach: Linda Vlasich

LGP: 39 DEFEATED NEWDEGATE: 35

Congratulations girls' awesome effort.

What an intense game to watch I have never been so stressed out (ha ha)

Watching a game of netball before, all I wanted to do was get on court and help you out. Those last 5 minutes were awesome to watch; you came together to give us a win. Yay!!!

Player of day: Billie Mac: Great work Billie. This award was well earned you just didn't stop the whole game. Awesome shooting as well. Thank you.

Coaches Award: Caylah Vlasich for her great efforts in attacking and defending, you are becoming a strong player. Thank you.

## Juniors

Coach: Sharon Lampard

What a huge effort the Ladybugs put in this week to come up with a big win in Newdegate! In fact our biggest win of the season, and our most goals score stat was obliterated! The final score was 39-6, and this was a huge team effort as there were five different players who were put into the shooting positions over the course of the game. With the margin creeping out by half time it did allow us to make wholesale changes for the last two quarters. As a coach, it is always a big worry to do this as it can come with huge risks. Credit to this team, they adapted well and pushed the score out in every quarter, working hard in the different combinations until the dying seconds.

I must say the attitude the girls came in to this game with was absolutely outstanding. They were so focused and enthusiastic and an absolute pleasure to coach. At training we worked on trying to find space, so they could bring this into their game. To add to this, each player was given something to work on in their own game and everyone performed so outstanding they made it so hard to pick only one. But as always one player is selected and takes the role of captain into the next game, and this week it went to Ruby Stanton, who was asked to slow down her passing and take care of the ball. Not only did she achieve this, but she scored so many goals in the final quarter she actually broke the goal ring! After an umpires' time out to fix the problem,

she resumed her excellent shooting along with Reegan to really push the score out.

Well done Ladybugs, if we play like this against Jerramungup in the next game, I think we can have our first win against them this season. It won't be easy, but it is definitely within our sights so let's keep up the hard work!

## Net Set Go

Coach: Kristie Stanton

There is no write up this week for NSG. With the last game this weekend against Jerry there will be no more write ups for NSG. The Lake Grace Pingrup Netball Club would like to thank Kristie massively for all her hard work this season coaching our up and coming netballers.

**There is a sausage sizzle after NSG training this Thursday – 17<sup>th</sup> August - as it will be our last training. It will also be our last game of NSG on Saturday, hope to see everyone there.**
