Second Defibrillator for Lake Grace

Suzanne Reeves

A second Automated External Defibrillator (AED) has been installed in Lake Grace, this one at the Roadhouse. As reported in July two were budgeted for as part of CBH's Harvest Mass Management Scheme (HMMS), with the first one installed in the IGA two months ago. Both the IGA and Roadhouse are high traffic areas with long opening hours, making them an ideal site for the AED's. Community Paramedic, Dave Allen, did an awareness session at each location.

Sudden cardiac arrest is one of the leading causes of death across Australia. More people die from cardiac arrest annually than from road accidents.

Contrary to popular belief, cardiac arrests do not discriminate. They can happen to anyone, of any age, at any time. With optimum survival chances directly linked to CPR and defibrillation the units are a positive step forward not just for the community of Lake Grace but anyone travelling through.

These AEDs will be linked with St John's Community First Responder (CFR) program, by registering as a CFR location, they are directly

With the AED behind them Community Paramedic Dave Allen is flanked by CBH's Area 8 Manager Chris Poot (left) and Roadhouse Proprietor Peter Stoffberg (right).

linked to St John's triple zero call centre. In the event of a sudden cardiac arrest, first responders near the location are alerted and can provide vital first aid with the use of an AED in the minutes before the ambulance crew arrives. The CFR system is operating in over 1000 locations across Western Australia.

St John Ambulance Community First Responder program manager Sally Simmonds said AEDs give

Editorial

- Who can recall from their youth the snapping beak of a magpie seemingly incredibly close to physical contact? It didn't seem to matter how nonchalant you were, or how fast you pedalled that maggie had you sorted. On page 9 we feature CSIRO's online blog relating to magpie swooping. It explained to me why cyclists in the eastern states persist in cycling around with a multitude of cable ties springing out from their helmets. I figured they weren't morphing into Martians....but it's good to finally understand it's all (supposedly) a deterrent against the swooping magpie. When thinking bad thoughts about the maggie just remember, he's a family guy doing the best he can to keep his kids safe! That is definitely an attribute that we should all respect.
- Please note we have changed the Community Clubs and Associations sporting section over to summer sports. If the details for your club have changed please contact us to make amendments to the list.
- Well our weekly crochet get-togethers are coming to an end with this Friday being the last instalment. We have been having a great time and I'm sure everyone has been enjoying learning a new skill, however I do think that basket (no it's not a hat) had a few people heading for the hills. So far we have five blankets completed, two more close to completion and at least another four to put together from the squares we have. I would have to say 11 blankets from 17 beginner crocheters is a great effort. We have also received another nine blankets from two very busy ladies in Wagin, Del Baker and Liz Williams who read about what we were doing in the Wagin Argus. These blankets will all go the Wheelchair for Kids charity.
- Once the October school holidays are out of the way we will be holding a hand-pieced patchwork workshop, we shall keep you posted on this.
- We are looking for volunteers for the Driver Reviver on Friday 25th and Saturday 26th September. Each shift is two hours long with two people manning the van at a time.
- Next week we have the Linda Bettenay book launch, if you are planning to come along PLEASE give us a call as it really helps with the catering.
- Thank you to everyone who has supported the Truck Driver training/assessments that are being held next week. It's great to have everyone supporting these initiatives.
- Coming up on Tuesday 13th October we will be celebrating the International Day of Rural Women (we are a couple days early but let's not nit pick). We have author Estelle Blackburn coming to give a talk. For those who say "Who??!!" Estelle is a Walkley Award winning journalist who wrote Broken Lives. Her book exposed an injustice which led to the 2002 and 2005 exonerations of John Button and Darryl Beamish, who had been convicted of murder in the 1960s, and created history as the longest standing convictions to be overturned in Australia. Her unfunded, determined sleuthing unearthed fresh evidence that prompted the Attorney General to allow the men new appeals after they had lost a combined total of seven Appeals in the 60s. The Sundowner will be held at the Lake Grace Regional Artspace with the Artist Group catering for the evening. Funds raised through the catering will go toward the refurbishment of the Women's mural...an apt choice considering it's a women's event. Cost will be \$25 for tickets bought in advance, \$30 for sales at the door.

Cost - \$25

Light supper provided with a complimentary refreshment.

Late Night Shopping...Or is It?

Suzanne Reeves

A small group gathered to discuss the Late Night Shopping event for later this year. Local business have been very supportive of the evening in the past however as the event has morphed more into a market evening come social gathering it has become apparent that it's not so important for local business to keep their doors open if they don't see a need. Therefore it is felt the name needs to reflect more about what the evening revolves around. We're interested in any feedback as to naming, should it go back to being the Harvest Festival or should we call it the Christmas Markets?

One very important decision was made. The date. It will be held on Friday 11th December; if you would like to have a stall or keep your business open or provide entertainment or a display then we would love to hear from you so we can include you in our marketing.

We do have a number of party planners in our midst; such as Tupperware, Enjo, Your Inspiration At Home. If you are a consultant and would like to have a stall on the night we need to hear from you as soon as possible, as we would prefer to have local consultants as opposed to anyone from out of town. If we don't hear from you we will assume you're not interested and

therefore will welcome a consultant from elsewhere. Children are more than welcome to have stalls and with our West Australian football teams running hot at the moment Connor Bray will need to put in some overtime for his Eagle/Docker fridge magnets.

The Shire have very kindly agreed to sponsor the street closure on the evening; they will ensure that the signage / barriers are clear enough to prevent a repeat episode of 2014 when a truck motored through the centre of our activities.

We are currently looking at a multitude of ideas and will welcome anyone who would like to come along to our meetings. Just call the Lake Grace CRC on 9865 1470 to register your interest.

Is your club interested in fundraising? We would be interested in a hamburger stand, baked goods stall and some doughnuts for those amongst us with a sweet tooth.

What's Happening?

- Congratulations to Lindsay Willock and Tahlia Blackmore who were married on Saturday 5th September.
- Sympathy to Gary, Nola, Trent, Jessica and Braden Frost after the passing of Gary's stepfather Vern McIntyre on 23rd August.
- Our condolences to the family of Henk Doelman who passed away on Saturday 5th September. Our thoughts are with his daughters; Cobi Stanton, Anna Strevett, Rita Marshall and Fiona Porritt and their families.
- Good luck to our local winter sport teams; senior hockey, junior netball and junior football that will be playing in their respective Grand Finals at Boxwood Hill this weekend.
- Well done to our local sportspeople who polled so well in the Association vote counts. Yasmine Featherstone was runner-up fairest & best for the hockey. Kaitlyn O'Neill was fairest and best for junior netball. Kristie Stanton was 3rd in the A Grade netball, while Sonia Harris (Carruthers) was 3rd in the B Grade netball.
- Congratulations to our local children who did well in the Newdegate Field Day art competition.

Anniversaries

15th September - Melissa & Darren Clifford
18th September - Cheryl & Ross Chappell

Jacinta Blythe (nee King)

We wish to extend our heartfelt thanks to all for your love and kind support in this difficult time.

Thank you for your kindness and special care shown throughout our much loved Jacinta's battle as well as during and after her passing.

Blythe and Marie
King and family.

Lake Grace DHS P&C Footy Tipping 2015

Well Footy Tipping has come to an end! What a great year for The Dockers and Eagles. Lets hope they can both bring it home in the finals! September 25th is the cut off date for claiming your winning tickets, so nows the time to check your tickets if you haven't for a while! Below are the remaining unclaimed tickets for 2015. Good luck!

Round 2 Ticket 44
Round 7 Ticket 92
Round 9 Ticket 56
Round 10 Tickets 27 and 10
Round 11 Tickets 50 and 7
Round 13 Ticket 7
Round 14 Ticket 36
Round 15 Ticket 56
Round 17 Ticket 4
Round 19 Ticket 14
Round 20 Ticket 24
Round 21 Tickets 11 and 77
Round 22 Ticket 57
Round 23 Ticket 95

Thank you everyone who participated in Footy Tipping this year, your help in Fundraising for our School is much appreciated.

If you have a winning ticket or any questions, let me know.

Botanica

Suzanne Reeves

There were no 'big bad banksia men' at the Lake Grace Regional Artspace on Monday night but there were plenty of native flora enthusiasts present to admire the photographic exhibition 'Botanica' by John E. Maloney.

The macro photography is extraordinary with the larger than life images bringing forward the texture and colours that aren't evident to the naked eye. Who would have thought a banksia was so hirsute. The square format of the images draws your eyes into the image.

John Maloney and his wife Fran, also an artist, were on hand for the opening where John talked about the inspiration behind the exhibition. John will be giving students at the Lake Grace District High School a lesson in macro photography while he's in Lake Grace.

Botanica has been around the world and as part of 'Art on the Move' and with support from the Shire has come to Lake Grace. John has had an interest in photography throughout his life and became particularly interested in macro while using it as part of his day job. His first forays into artistic photography involved shells but with Fran being a 'banksia nut' it wasn't long before he moved into making them his subject of choice.

Living part time in Albany banksias were literally on their doorstep and with the Banksia Farm up the road at Mt Barker there were plenty to choose from. John uses samples which he takes back to his studio; all of his photography is digital and the only editing to the photos is to bring the colours into line with how they look in the bush. In John's words what you see with the eye isn't what transfers via the camera lens to the computer and then to the printer, so some tweaking is needed.

Delving deeper John introduced history into his exhibition with the bulk of the collection displaying banksias discovered by botanist Thomas Brown when he and Matthew Flinders were circumnavigating Australia and spent a month at Frenchman's Bay. He then expanded the collection to include some of those discovered (and collected) by Joseph Banks in Sydney.

Those attending enjoyed the display and the relaxed atmosphere. Botanica will be open until Friday 16th October

Artist John E. Maloney with Meighan Stewart.

Second Defibrillator for Lake Grace (cont.)

victims of sudden cardiac arrest a much better chance of survival. "This donation empowers people living in regional WA, as in the event of a sudden cardiac arrest they can use a defibrillator to potentially save someone's life," she said.

The Laerdal HS1 Heart Start defibrillator is automated, enabling people with very little or no training the potential to save a life. It has an

excellent talk through functionality. However, St John does encourage individuals to have completed the Provide First Aid course (HLTAID003). There is no legislated accredited training required to use an AED.

Over the last 3 years the Wheatbelt and Midwest communities have received 26 AED's as a result of the CBH donation.

Men's Shed Battery Drive

The Lake Grace Community Men's Shed is continuing with their battery drive. This is an ongoing revenue raising project which will contribute to the running of the Shed.

Batteries can be left at Phil Clarke's shed or you can contact Phil on 0427 651 155 or Allan Duckworth on 0427 651 567 if you require them to be picked up. Thank you for your ongoing support.

You Make Me Wanna Swoop

CSIRO News

With warmer weather showing signs of returning across the country, so too are many of spring's delights: the flowering of plants, greening of trees and rolling of cuffs all testament to the fact that the worst of winter is behind us.

Unfortunately, it's not all lamingtons and Cherry Cheer at this time of year. For there is also a suburban menace lurking just over the horizon: a black and white marauder waiting to terrorise unsuspecting picnickers, exercisers and office workers alike.

Yep, September is magpie season.

If this image doesn't send a primordial chill down your spine, you've obviously never spent the month of September in suburban Australia. All around the country, roadsides, reserves and office blocks turn into battlegrounds as the Australian magpie looks to protect its patch from any and every threat it can lay its beak on.

So why do magpies swoop us humans – is it to defend their young, or their territory? Or are they just bird jerks?

And most importantly, is there any way we can guard against them?

There was an illuminating paper co-authored by academics from Deakin and Griffith universities, titled *Attacks on humans by Australian Magpies* (Cracticus tibicen): *territoriality, brood-defence or testosterone?* The paper, published in our Emu – Austral Ornithology journal back in 2010, looked to study three common hypotheses behind magpie-human attacks, particularly in suburban areas. Were the attacks triggered by territoriality, brood-defence or (magpie) testosterone, the authors asked?

The response of 10 pairs of aggressive magpies to natural levels of human intrusion was compared with that of 10 non-aggressive pairs. Behavioural observations strongly supported the contention that attacks on humans resemble brood-defence and did not support an association with territoriality. The study also found no support for the suggestion that testosterone levels correlated with aggressiveness towards humans: male testosterone peaked immediately before laying and was significantly lower during the maximum period of attacks directed at people. Moreover, there were no differences in the testosterone levels of aggressive and non-aggressive male magpies. The pattern of testosterone production over a breeding cycle closely resembled that of many other songbirds and appeared not to influence magpie attacks on humans.

I can see you!! A magpie photobombs the camera at Canberra's Deep Space Communication Complex.

So, brood-defence can be identified as the *cause* of attacks.

But, of more interest to posties, cyclists and small children with blonde hair in particular: what makes magpies more likely to attack some people, and not others?

Enter the brave scientists of CSIRO Black Mountain in Canberra. In 2010 (it must have been a bad year!) a particularly aggressive magpie was nesting on the foot and cycle path between the Australian National University and our Black Mountain site. With all types of magpie-repelling adornments being attached to cycle helmets with varied successes, and (figurative) public service and academia corpses littering the notorious path, our enterprising colleagues decided to add some scientific scrutiny to the debate: how do you deter a mad magpie?

If you would like to see some hilarious video of public servants being attacked by a magpie then go to: <http://csironewsblog.com/2015/08/28/you-make-me-wanna-swoop-dispelling-magpie-myths/>

State U15's AFL Championships

David Charlesworth

Former Lake Grace resident and current Wagin football player Mitchell Shalders has just come back from the 2015 State AFL U15's Championship in Melbourne, representing WA all the way to the finals.

Mitch was picked out of 400 players from the trials, part of the top 30 players at the trials in Bunbury in March.

The team trained for eight weeks before heading to Geelong for the carnival from July 17 to 26, and spent the first day getting used to the grounds.

"It was pretty good, pretty exciting and pretty scary as well," Mitch said. "Bigger bodies, average height was about 6 foot, pretty scary going up against some of those boys."

After the opening ceremony on their second day the WA team faced early disappointment losing to their first opponent South Australia.

"We had our heads down a bit, the next day we were playing the Vics (Victoria) and if we lost that game we'd be playing for fifth or sixth," Mitch said.

"We went into the Vics game a bit worried but really confident. We went out and gave them all we had."

WA came back to beat Victoria in the next round with a last minute clincher.

"Eight seconds left a bloke kicks it from the boundary, kicks a goal and we win by two points," he said, "It was a really good moment."

Playing out the rest of the carnival, WA ended up coming face to face with their first win when they played against Victoria.

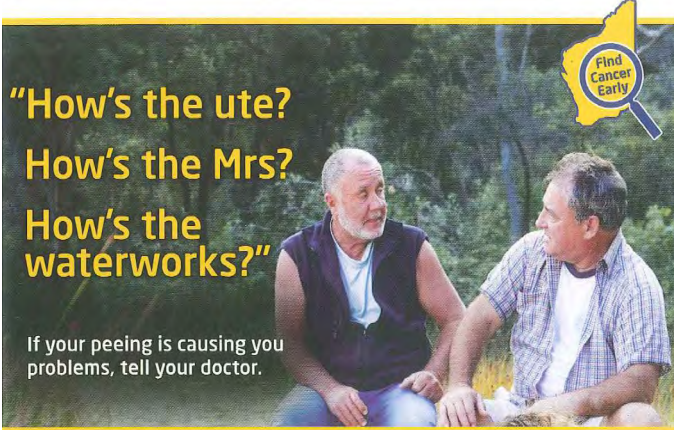

In a tough final, WA lost to them by 10 goals

Mitch has played football from the age of 5 with teams throughout the Great Southern stepping up his game as he moved from Newdegate to Lake Grace/Pingrup to Wagin Football Clubs.

He currently plays with Wagin Football Club and South Fremantle under 15's.

"Pretty much as soon as I moved to Wagin I stepped it up another level, got a bit better and started playing Perth football, got picked up again and started playing state," Mitch said.

"Next year I start a whole new thing. It's part of the pathway to AFL, so I've got to try out for the 16's again."

Linda Bettenay Author Talk

Lake Grace residents are sure to be fascinated as Western Australian author Linda J Bettenay talks about her latest book at the Lake Grace CRC in September. After her very successful country tours in 2014, Lake Grace was on Bettenay's 'Must Visit' list.

After the amazing success of her first book 'Secrets Mothers Keep' she has recently released 'Wishes For Starlight' a story steeped in our state's past.

Bettenay will present a talk about her book and she will also explain how she uses historical fact to weave historical fiction.

The talk will be at the Lake Grace CRC on September 16th from 5:30pm - 7:00pm.

Please book on 9865 1470

or lakegrace@crc.net.au

From the Archives...September

1995 - Twenty years ago...

Lake Grace A Grade Hockey won back to back premierships on the weekend of Saturday 9th September.

Lake Grace travelled to Kondinin for a rematch of last years final against Corrigin. Lake Grace got off to a great start with a quick goal in the first five minutes of the game, then what followed was a very hard fought game with Lake Grace having plenty of opportunities to score. Half time saw the score 1-0.

The second half saw the Lake Grace defence completely dominate the Corrigin forwards. The Lake Grace forwards were playing open creative hockey and scored twice more to see a final score of 3 goals to nil.

A convincing win to cap off an unbeaten season for the team, a fine achievement. Well done girls.

Back: Tania Spencer, Melanie Carruthers, Fitz Komene, Pauline Taylor, Jodie Pearce & Jackie Callope.
Front: Fiona Bennett, Deanna Ashley, Debbie Cummings, Annie Mason, Rochelle Baker, Dianne Desmond & Lyn Carruthers.

2000 - Fifteen years ago...

Challenge Bank (Westpac) reduced their opening hours from 33 hours per week to 20.

Lake Grace Development Association members and people from other community groups took part in a 'mobile think tank' tour of Lake Grace

2005 - Ten years ago...

Wave Zone signs installed and subsequently stolen at the Shire boundaries.

In sport: LG/P Junior Netball Club won the Grand Final in the ONA as did the Tutti-Frutti's in the U15 B Grade division in Katanning. LG/P Junior Football were runner-up in the OFA and the LG Junior Boys Hockey were also runner-up in the RDWHA. Rebecca Reeves was the first female to win the LG Junior Golf Championship with the second lowest score since the inception of the junior competition.

The mosaic dedicated to the town's volunteers was installed underneath the Town Clock in the main street.

The Lake Grace Visitor Centre opened it's doors for the very first time in the restored Stationmaster's House.

Roma's Ride participants raised over \$20,000 for the Breast Cancer Foundation.

Local wineries Across the Lake and Walker Wines won silver and bronze respectively for their 2004 Shiraz.

2010 - Five years ago...

Back: Lynda Trawinski, Darren Clifford, Anna Taylor, Kristie Pinney, Amber McPherson, Danielle Robertson, Lyn Carruthers, Kate Zweck, Terri Parker.

Front: Jodi Pearce, Fleur O'Neill, Lisa Chapman, Missy Clifford, Fiona Chatfield, Belinda Bowron, Gracie Kirk, Tahryn Gray.

John O'Neill was awarded Life Membership to the LGP Football club.

LGP Junior Netball won the grand final by 45 goals.

LGP Junior Hockey joint Premiers with Borden after a 3-3 draw.

Flourish - Native Flora of the Lake Grace Shire, a guide book to native flora in Lake Grace by Annie Slarke and Elsie Bishop was launched.

FREE INVESTMENT AND SUPERANNUATION WORKSHOP

Where: Lake Grace Community Resource Centre

Date: Thursday September 24

Time: 9am to 11.30am

Presenter: Rowan Jones

Why should you attend?

Rowan is an Investment Advisor with Entrust Private Wealth Management and regular contributor to the Farm Weekly. Prior to his career with the West Coast Eagles he grew up in Mukinbudin where his parents still farm. Given his country background he has a passion for delivering trusted high quality advice to rural communities. When presenting his workshops, Rowan's main focus is to explain what can sometimes be quite complex topics in a simple, straight forward and entertaining way - free of any confusing technical jargon. His workshop will address 3 key areas:

1. Investment

- How to manage your super fund like a professional
- Why building a share portfolio is like picking a footy team
- What's the one key attribute all wealthy people share?

2. Superannuation (with a focus on SMSF's)

- Is it for retirement planning or wealth creation?
- Are you overlooking the easy wins?
- What are the biggest mistakes people make?

3. Estate Planning

- Who gets your superannuation when you die?
- How to make sure your beneficiaries benefit from your estate instead of the tax man
- Simple mistakes to avoid

RSVP is Essential

Hospital Upgrade News

Remember:

- Enter the hospital through the door at the carpark (northern) end of the hospital until the main entry has been completed
- Do not go into construction areas
- Look for the signs to direct you
- If in doubt—ring the bell to call for staff

The main foyer and waiting room is nearing completion—this will become the only public entry to the hospital once completed.

The Administration Office will be one of the next areas to be refurbished, likely to start next week.

Please follow the directions down the hall to find the admin staff in their temporary office.

webPAS Patient Information Management

The changeover to this state-wide system occurred on 28th July. Well done to all the nursing staff who are all getting much more familiar with this computer program.

All patient information needs to be checked that it is correct, so you can help by please making sure you bring your Medicare Card with you so these details can be updated.

Are all your details correct? ☒

Physiotherapist:

visiting Lake Grace most Tuesdays

Community Midwife:

Sandy Slee will be visiting Lake Grace on Tuesday 22nd September.

Call Primary Health in Narrogin to make an appointment ph: 98810 385.

Please bring your **Medicare Card** for all visits to the hospital

Commemorating 100 Years of ANZAC

Allan Zweck

Each of the soldiers listed on the Lake Grace Honour Roll will be featured in the Lakes Link News, as close as possible to 100 years from their enlistment. It is now 100 years and 6 days since John (Jack) Lay signed up.

LAY –JOHN (JACK): Born at Southampton, Hampshire, England, he went by the name of Jack. He enlisted in the Australian Imperial Force on 4/9/1915, his father John Lay of Southampton being next of kin. He was aged 22½ years, and was 5 feet 6 inches tall, (168cms.) and weighed 129 lbs. (58.6kgs). He was of fresh complexion with blue eyes and light brown hair, and gave his occupation as farmer. He originally came to Lake Grace as a labourer, however, he was quick to see the opportunity to establish himself as a farmer, and was granted an allocation of land accordingly, about 16 kilometres south, down the Pingrup road. The intervention of the First World War curtailed its development, but while away on Service he was mindful of his possession, and he wrote letters home of his concerns that fire should not be allowed to cause damage to it.

Jack Lay was appointed to the 10th Reinforcements 8th Battery Field Artillery as Driver, on 4th of October, 1915. His primary duties in this role were to bring up the ammunition for the Artillery, and other supplies with the use of horses. Although his embarkation is logged as Melbourne, on the HMAT Hororata, A20, on the 27th of September, 1915, his family strongly believe that Driver Lay embarked at a West Australian port. It is possible a mistake has been made with 'Records', given the short period from enlistment to embarkation – September 4th to September 27th!

On the 19th of November, he joined the Mediterranean Expeditionary Force, at Heliopolis with the 8th Battery from the 11th Reinforcements. On the 23rd of March 1916 they left Alexandria for Gallipoli. He was with the forces to land at Gallipoli, but due to the seas being too rough, they were not able to safely land his horses, so he had to remain with them, having heard and seen the battle zone, and it seems Marseilles was where he disembarked on the 29th of March.

A year later, and after the withdrawal of forces from Gallipoli, he took leave, then on the 18th of July 1917, he was with the 3rd Army Brigade, Australian Field Artillery in France. On the 3rd of November of that year, Driver Lay was serving in Belgium, where he was wounded in action, sustaining a shell wound injuring his lower and upper lip, and shrapnel wounds to the throat. In this action, he is reported to have said, "the horses went down, and he went up, before landing head first in a shell hole", which saved him! He was very distressed when he saw how his horses had been mutilated and decapitated, and it was rather paralysing for him that he was unable to speak, due to his injuries.

He was admitted to the Casualty Clearing Station and transferred to Etaples on the 4th of November. This journey was made in a big covered lorry, with many injured men above and below, agonising from their wounds. Driver Lay could never erase the memory of what he had seen when they arrived at the Hospital – there were very many injured men about and an 18 year old soldier, covered in blood, rushed forward to the doctor, calling, "Help me! Help me! Help me!" and the doctor insisted he go back to his position and wait his turn. He did, and dropped dead! After witnessing this act, and the many injured, much to the dismay of the medical team, Driver Lay refused anaesthetic while receiving his treatment to remove shrapnel and repair the injuries to his throat and lips, feeling there were more deserving than himself.

After miraculously surviving his ordeal, Driver Lay became known as "Lucky Jack", even though on that day, he had worked the shift for someone else! Unfortunately, luck was not with him when it was learned that his brother was in a British Hospital close by, for when he went to visit him, his brother had been

Mister Manners

A modern take on etiquette

According to the dictionary etiquette is defined as conventional requirements as to social behaviour; proprieties of conduct as established in any class or community or for any occasion. Whereas manners are defined as ways of behaving with reference to polite standards.

There are differing opinions on appropriate behaviour expected these days and if you look on any of the social media pages and blogs devoted to raising children there are many and varied schools of thought. From table manners and the simple please and thank you to the basic tenets of respect for others and their property you can find an opinion on everything if you look hard enough.

While not judging anyone in their individual parenting style and noting there is no such thing as perfect parenting, it is apparent there is a perception that basic manners are not being taught these days.

We have all heard the expression 'children should be seen and not heard' and it is generally held that this is rather extreme in this day and age, but where do we draw the line on what behaviour is and is not acceptable from our children?

Let's start with the basics. How our children respond to adults has a bearing on how they are perceived. First impressions and all that. A lack of response is just as bad as an inappropriate response to a standard greeting and may give the impression that your child is being impolite. While it is probable your child is shy and wary around strangers (a good thing!), it's more the inconsistency in their responses to people they have met previously that may raise an eyebrow or two.

A simple 'Hello' when greeted is often enough, if a question is asked then a response to that question is appropriate. "How are you today?" may be answered with a "Well, thank you," or something along that line. It is commonly accepted that a detailed dialogue on your health is not required.

'Please' and 'Thank you', 'May I', 'Excuse me' and 'Pardon me' are the foundation stones to good manners. They cost nothing and will make an enormous difference.

Next week we will explore dining etiquette and table manners for all ages.

LED Light Bar For Use As Additional Lamps

A requirement still exists in WA for additional headlights to be fitted in pairs. This would prohibit the fitting of a LED Light Bar in Western Australia. However, the Chief Executive Officer of the Department of Transport has issued an exemption which provides for the lawful fitment of LED light bars from 8 August 2015 and will be valid for a period of three years. HOWEVER – please be advised that the fitting of a LED Light Bar will be subject to conditions as stipulated below.

Definitions:

LED light bar: means a lamp which contains multiple LED light sources in one or more rows.

Motor vehicle: means a motor vehicle that has four or more wheels.

Conditions:

The exemption is subject to compliance with the following conditions:

§ The LED light bar(s) must be installed at the front of the vehicle and not higher than the front edge of the bonnet.

§ The LED light bar(s) must be installed horizontally and located symmetrically about the longitudinal centre line of the vehicle.

§ The LED light bar(s) must be forward facing and positioned in a way that the light produced does not cause the driver of the vehicle discomfort, either directly or by reflection while in the normal driving position.

§ The LED light bar(s) must only operate when the high-beam headlights are in operation and must automatically turn off when the high-beam headlights are turned off. Last updated 6 August 2015

§ A manual switch must be provided to allow the LED light bar to be deactivated, so that it is not on whether the high beam is on or off. This switch must be accessible to the driver of the vehicle from the normal driving position.

§ The LED light bar(s) must only emit white light.

§ The LED light bar(s) shall not obstruct the driver's view of the roadway more than 11 metres ahead of the driver's eye position when looking through the windscreen, with the driver's seat in the rearmost position.

§ One or more (to a maximum of four) LED light bars may be fitted as additional driving lamps.

Installation:

The correct way of mounting a LED Light Bar is provided in the images below.

regards

Sergeant Martin Downey
Officer in Charge
Lake Grace / Newdegate Police Sub-District

Bits & Pieces

Boy haven't I been having fun since I have been learning which and what button to press on the magical box (also known as a P.C. or computer)? The big problem is that I am becoming so intelligent that I am beginning to frighten myself.

Being one, as you know, who likes to share knowledgeable facts and figures let me pose some thought-provoking situations to you to see if you can solve these questions (with the right answers) of which I already know the answer...

1. There is a common English word that is nine letters long. Each time you remove a letter from it, it still remains an English word – from nine letters down to a single letter. What is the original word and what are the words that it becomes after removing one letter at a time? To help you out I will give you the base word: 'startling' ...go to it!
2. How much dirt is there in a hole exactly one metre deep and one metre across?
3. How many apples can you put in an empty box?
4. This is an unusual paragraph. I'm curious how quickly you can find out what is so unusual about it? It looks so plain you would think nothing was wrong with it! In fact, nothing is wrong with it! It is unusual though. Study it and think about it but you may still not find anything odd. However if you work at it a bit, you may find out. Try to do so without any coaching.
5. A woman shoots her husband, then she holds him under water for over five minutes and finally she hangs him. But five minutes later they both go out together and enjoy a wonderful dinner together. How can this be?
6. Four jolly men sat down to play,
And played all night till the break of day,
They played for cash and not for fun,
With a separate score for everyone,
When it came time to square accounts,
They all made quite fair accounts,
Now not one has lost and all have gained,
Tell me now, this can you explain?

Now if you have not had success solving those mind boggling, let's finish this quiz with some quickies to get your confidence back.

7. What is the longest word in the dictionary?
8. When is a redhead idiot like a biscuit?
9. What do you call a man who steals pigs?
10. What did one duckling say to the other duckling when it found a lemon in their nest?
11. Why does a milking stool only have three legs?
12. What did Captain Cook see on his right hand when he discovered Australia?

I think we'd better leave that and go on to some serious stuff.

And what's more serious than Irish logic?

Paddy's walking down the street struggling to carry a wardrobe by himself, Seamus sees him and says:

"BEJEESUS!! Paddy what the heck are ya doing?!"
"Carrying this here wardrobe Seamus", he replies.
"Well damn me, why isn't your pal Mick helping ye?"
"He is Seamus... He's inside holding up the coat hangers."

And I finally found out why today's generation has the tag of the 'Y' generation.

People born before 1946 are called The Greatest Generation.

People born between 1946 and 1964 are called The Baby Boomers.

People born between 1965 and 1979 are called Generation X.

And people born between 1980 and 2010 are called 'Generation Y'.

Why do we call the last group Generation Y?

Y should I get a job?

Y should I leave home and find my own place?

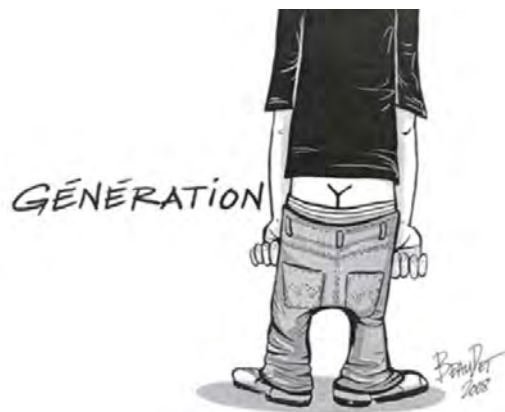

Y should I get a car when I can borrow yours?

Y should I clean my room?

Y should I wash and iron my own clothes?

Y should I buy any food?

But perhaps a cartoonist explained it most eloquently below....

1. Base word is startling – startling – starting – string – sting – sin – in – I
2. None. A hole is empty.
3. One. After that a box is empty.
4. The paragraph does not contain the letter 'E'.
5. The woman was a photographer. She shot a photo of her husband, developed it and hung it up to dry.
6. The four jolly men are members of an orchestra hired to play at a dance.
7. 'Smiles' – because there is a mile between the first letter and the last.
8. When he is a 'Gingernut'.
9. A 'Hamburger'.
10. "Look at the lemon Mama laid!"
11. Because the cow's got the other ('udder' – groan)
12. Five fingers.

Answers to Quiz Questions

Waldron Supportive of Local Fire Awareness Day For Women

Media Release

Member for Wagin Terry Waldron MLA has praised the organisers of a fire safety day for women, to be held in Woodanilling this month.

Local woman Tracey Kippin initiated the women's fire awareness day, as she felt women needed to be better informed about active preparation and participation either at the fire site or supporting from home.

Mrs Kippin says "women are often left on the property during a fire, while the men are out fighting it".

The fire awareness day will be held from 9am to 3pm on Wednesday 16th September at the Woodanilling Sports Pavilion. Pertinent questions will be answered, such as - What is the first aid treatment for smoke inhalation?

Mr Waldron continues to be very supportive of preventative and safety bushfire measures like these.

He recently welcomed the announcement of a review by the State Emergency Management Committee, in the wake of the major Boddington and Northcliffe fires.

Mr Waldron said speakers at the women's fire awareness day included representatives from the

Department of Fire and Emergency Services, St John Ambulance and the weather bureau. "One of the sessions will focus on first aid for burns, smoke inhalation and other injuries," he said.

A woman who suffered burns in 2014 will also speak to attendees about her experiences, treatment and recovery process.

Mr Waldron is pleased discussions will also include whether 'to stay or to go', and that it was recognised that a plan must be in place prior to the arrival of a bushfire.

"I'd like to remind locals that with hotter weather on its way, now is the time to ask yourself if you are bushfire ready," he said.

Tickets are \$35 each (with full catering) and are available from the Shire of Woodanilling or the Shire of Wagin.

The seminar is being organised by the Wagin Baptist Church and is sponsored by the shires of Wagin and Woodanilling. For more information contact the Shire of Woodanilling on (08) 9823 1506 or call Mrs Kippin on 9823 1609.

CEO's Corner

Congratulations to the Newdegate Field Day Committee on their successful field days event, held Wednesday and Thursday of last week. By all reports attendances were good and the opening of the relocated and beautifully refurbished Newdegate Railway Station building by the Minister for Agriculture and Food, Hon Ken Baston is a testament to the spirit of the Newdegate community.

Official opening of Newdegate Field Day held in front of the refurbished Railway Station

This year's Field Day Shire Acquisition Art Prize, titled 'Sunset at Gnarabup' was won by artist Pam Teede of Leschenault, and features a beach landscape in pastels. The painting of a beach near Margaret River will be on display in the Shire's Administration Building public foyer area for all to enjoy.

Children enjoy the Shire of Lake Grace stand in the family interest pavilion.

The search for a replacement Doctor continues, the Shire has initiated advertising through Rural Health West. At a special meeting held during August, Council agreed to engage First Health to provide interim practice management and locum services to ensure continuity of medical services to our communities.

The August Ordinary Meeting of Council was held in Lake King on Wednesday 26 August 2015. Nine Lake King community members were present at the meeting to update Councillors on community projects. Lake King Progress Association members talked to Council about their plans for an all weather patio extension to the Lake King Sports Pavilion for which they are seeking funding. The Lake King Playgroup expressed their keen interest to progress plans for a nature playground to be established adjacent to the Lake King Hall and a question was asked regarding drainage at the Lake King Netball courts.

The meeting was adjourned to give Councillors the opportunity to go and look at the Lake King Sports Pavilion facility first hand. The pavilion was built in the early 1970's and is in need of maintenance to enable the provision of a suitable sports facility for the coming generation.

Following afternoon tea, well catered for by the Lake King P&C, the meeting was re-convened and the following items of business considered:

Tenders were awarded for the supply and lay of bitumen & aggregate to Fyfe Transport and COLAS Pty Ltd; and to GS Hobbs Contracting for the reconstruction of 18.9kms of rural roads.

Shire of Lake Grace Community News

PO Box 50, Lake Grace WA 6353 | Ph: (08) 9890 2500 | Fax: (08) 9890 2599 | Email: shire@lakegrace.wa.gov.au

Conditional planning approval was granted to Ben and Annie Argent for their proposed mobile welding business to be carried out from their home at Lot 219 Stubbs St Lake Grace and for construction of a new storage shed. The approval, originally granted in December 2014 was subject to additional plans being submitted and the access way being approved by Main Roads WA at that time. These conditions have now been met and Council is pleased to have been able to support this new business through approving a variation through its Local Planning Scheme.

Reserve 29080, Newdegate is the preferred site for the construction of a new doppler weather radar being proposed by the Department of Agriculture and Food WA in association with the Bureau of Meteorology. The proposed site will require cancellation, excision, relinquishing and re-vesting of a relevant portion of Reserve 29080 to the Department of Agriculture and Food WA. Council supported the proposal subject to CBH's written agreement to modify their current licence with the Shire on land currently used for temporary grain storage.

An application for a Traders Permit from Westcoast Seafoods was approved for the sale and delivery of pre-ordered goods to Lake Grace and Newdegate on a monthly basis.

The list of accounts paid by the Shire for the month of July, totalling \$660,068.23 was ratified.

Unbudgeted expenditure was approved being \$22,000 (ex GST) for the purchase of a reel mower for the Newdegate Sports Grounds to be funded through the Newdegate SAR.

Council gave its support to the re-naming of the section of Kent Road, commencing at the northern most intersection on North Burngup Road travelling approximately 8km south to Holme Road to Crook Road. A letter has been forwarded to the Geographic Names Committee for its determination.

Council agreed to support the proposal from the Department of Parks and Wildlife to have Reserve 34213 set aside as a 'Conservation Park' vested in the Conservation Commission of WA for the purpose of tourism, recreation and water. Reserve 34213. Located on the western side of Fence Road Lake Camm is managed by the Department of Water. In mid 2011 the Department of Water identified the reserve as surplus to its requirements.

A report regarding the WALGA Governance Review Paper was acknowledged and received by Council.

Council considered options for the location of the next three over 55's units to be constructed in Lake Grace with Lot 107 Bennett St Lake Grace being endorsed as the preferred site.

Nominations for the 2015 Local Government Elections close at 4.00 pm this Thursday 10th September 2015. The nomination process is being run by Returning Officer, Mr Terry Gladish. We wish those of you who have nominated for the 4 vacant Council positions for the Shire of Lake Grace, all the best for the October elections.

The October meeting of Council is scheduled to be held on 21 October 2015 and includes a swearing in ceremony for those four newly elected Councillors (being one Lake Grace Ward and three Rural Ward) together with a ballot for President and Deputy President for a two year term.

Commemorating 100 Years of ANZAC (cont.)

discharged a short time earlier. During a period of convalescence, he was given wonderful care by people of a village in Belgium called HANZINELLE.

On the 11th of December 1917, he was able to rejoin his unit, and well into the next year, he was granted three weeks leave to the United Kingdom. When he rejoined his unit in France, the war was soon to end. However, it was the 24th of February 1919, before they were able to return to England, and the 12th of May 1919 before Driver Lay was able to embark the *Soudan* at Devonport for the return trip to Fremantle. He received the British War Medal, the 1914/15 STAR, and the Victory medal, and gave his religion as Church of England.

Driver Jack Lay came to Lake Grace from England about mid 1912. Legend has it that he went to the port to catch the "next ship" – it was the *Australind*, which brought him to Western Australia, while later research found his name on the passenger list of the ill fated Titanic! After the War he returned to Lake Grace where he had taken up land, and became a very dedicated and successful farmer. He named his farm HANZINELLE, in memory of the people of that village in Belgium while convalescing during the War. It has been estimated that he has left almost 300

descendants, many of whom remain in our district, and he would often tell his grandchildren stories of his memories of the War, and they can now relate some of his many experiences of driving his horses through gunfire, and of the bullets and shells that whistled past in the course of his duties! Family also believe that he is pictured on the well published photo of the 800 plus soldiers, from the 11th Reinforcements in front of a Pyramid in Egypt.

The CRC has a new Thermal Binder available for documents up to 120 pages. We have also recently purchased a Coil Binder which we are desperate to try out!

For a professional finish to your documents call in to see us to discuss your options.

Successful Fundraiser for the Golf Club

Kelly Hawtin

It's no secret things have been quiet on the greens at the Golf Club in recent times and with increasing costs to the Club and no major income forecast from Carnivals being held for the next few years it was decided at a committee meeting early in the season we may need to fundraise to help with cash flow.

It was at the beginning of the year when I was busy balancing the books ready for the annual audit when the idea came to mind. A few months earlier the TM5 Thermomix was launched in Australia and as a Thermomix owner I could see the potential of a successful raffle and at this stage this was the first in town offering such a prize. The TM5 is known as The Godfather of thermocookers and is a highly desired appliance in many homes. If you hadn't heard of the Thermomix you were about to.

The tickets were printed and sold to family and friends within Australia and New Zealand and the community was abuzz with talk of the Thermomix.

First and third prize was the TM5 Thermomix and \$100 BP Fuel Voucher won by Peter Hudson and 2nd prize \$250 cash won by Rebecca Reynolds.

A very big thank you Grant and Michelle Osborne from Lake Grace Concrete and Fred and Letty Leo who very

generously donated cash towards our fundraiser. Thank you to our members who assisted in the sales and purchased tickets and also thanks to our local businesses who kindly displayed tickets and supported the sales our raffle. Last but not least - to everyone who purchased tickets (one or many) your support is greatly appreciated by the Club.

Congratulations to our winners and we hope you enjoy your prizes.

Local thermomix consultant Shelley Stanton with winner Peter Hudson and Golf Club treasurer (and raffle organiser) Kelly Hawtin

Vegetarian Mexican Lasagne

1 tablespoon olive oil
1 onion, chopped
1 red capsicum, chopped
1 zucchini, chopped
2 cloves garlic, crushed
500g jar pasta sauce
35g sachet taco seasoning
420g can kidney beans, drained and rinsed
310g can corn kernels, drained
5 tortillas
3/4 cup tasty cheese, grated
Salad, to serve

- Preheat oven to hot, 200C.
- Heat 1 tablespoon oil in a large frying pan on high. Sauté onion, red capsicum, zucchini and crushed garlic for 4-5 minutes, until tender.
- Stir in pasta sauce and taco seasoning. Bring to boil on high. Reduce heat to low and simmer for 8-10 minutes until thickened slightly.
- Stir in kidney beans and a corn kernels. Simmer for 4-5 minutes.
- Lightly grease a round 20-22cm casserole dish. Place a tortilla as base on prepared dish (should be the same size as the tortilla). Spoon one-fifth of the bean mixture over. Cover with a second tortilla. Repeat 3 more times, finishing with a tortilla.
- Sprinkle tasty cheese over. Bake for 15-20 minutes until golden and cheese has melted. Cut into wedges. Serve with salad.

Recipe from Taste.com.au

Do you know a young person passionate about their local community?

Encourage them to stand for local council and make a real difference.

Western Australia has the fastest growing percentage of young people in Australia, yet fewer than 20 people between aged between 18 and 24 nominated to be a councillor in the last local government elections. This compares with 223 candidates aged between 55 and 64.

Councillors play an important role in helping to shape their local community. Young people have an important voice in the community and are encouraged to get involved in this year's elections.

Candidates need to be 18 or older, enrolled to vote, a resident or ratepayer of the council area or an occupier of rateable land in the area.

Local government elections take place on 17 October.

Nominations for candidates open 3 September and close 4pm 10 September 2015. To nominate, contact your local council, or visit the Western Australian Electoral Commission website or the Department of Local Government and Communities website.

Lake Grace Pingrup Netball Club

Joely Slinn

Juniors: The team had a fantastic season finishing second on the ladder. The second semi against an undefeated Boxwood side seemed impossible...but with a promise of a sleep over at the coach's house, the girls lifted to another level!

An amazing team effort with a real desire to win! Tight defence from Georgia, Camryn, Paige and Denica made it difficult for the attacking Boxwood side. Strong leads and passes from our attacks Kaitlyn, Emilee, Jessie, Kira and Jessica was wonderful to watch. The goal shooting from Emilee and Kaitlyn was first class!

Always reliable, Abbey directed the play in Centre and somehow managed to run and stay strong in all 4 quarters. Coach Wendy is very proud of all the girls.

The final score was 41-33. Coaches award and BOG went to all 10 players.

A note from Coach Wendy to the girls: let's hope we can perform to the same standard at the final, maybe a weekend at the coach's house could be on the cards!?

All players and coaches would like to wish a HUGE GOOD LUCK to all the juniors girls this Saturday in the grand final. You're the only netball team representing Lake Grace/Pingrup and it's brilliant our youngsters have a chance to bring home the title! Have fun girls.

Roe Districts WHA Grand Finals

Danielle Robertson

A great day of hockey to mark the end of another fantastic season, Roe Districts Women's Hockey Association held their Grand Finals in Kukerin on Saturday 5th September. Hosted by the Lake Grace-Kukerin Hockey Club the day was well attended by participating clubs, supporters and life members.

Although KK Vipers had teams in all three grades it was great to see three clubs celebrating wins at the end of the day. The C grade game was an excellent display of junior hockey with both teams battling for supremacy throughout the game. Both the B and A grade games were of the standard we have come to expect in Roe Districts with some great hockey being shown by all teams. Local umpires took care of the C grade while visiting umpires travelled from Peel Association to control the senior games.

C Grade - Corrigin (3) defeated KK Vipers (2)

Corrigin goal scorers - Hazel Garrett, Lauren Prosser, Jade Wallwork

KK Vipers goal scorers - Pheobe Collard, Royce Argent

Above: A jubilant Corrigin C grade team.

B Grade - Karlgarin/Hyden (2) defeated KK Vipers (1)

Karlgarin/Hyden goal scorers - Matthew Rogers, Beverley Gangell

KK Vipers goal scorer - Yvonne Bowey

Best on Ground - Yvonne Bowey (KK Vipers)

Below: Karlgarin/Hyden's victorious B grade side.

A Grade - KK Vipers (1) defeated Narembreen (0)

KK Vipers goal scorer - Ebonnie Griffin

Best on Ground - Maddie Main (Narembreen)

The winning A Grade team, KK Vipers.

Steak Teas supplied by the Bowling Club

Lake Grace Pingrup Football Club

Allan Marshall

FINALS RESULTS

SECOND SEMI FINAL LGP A RESERVES vs GNOWANGERUP played at Newdegate on August 29th 2015

The Reserves game commenced at 11.00 am with the Bombers knowing that they were up against a strong Gnowangerup Bulldogs team. Gnowangerup started strongly, controlling the game and getting scores on the board.

Quarter time score was LGP 0-1 (1), Gnowangerup 9-2 (56).

The Bombers continued to struggle during the second term and at the half time break had not scored a major, whilst the Bulldogs added 3 more majors to their score. Half time score was LGP 0-3 (3), Gnowangerup 12-3 (75).

The game settled a bit during the third term with the Bombers adding 2 goals and the Bulldogs 2.

Three quarter time score was LGP 2-5 (17), Gnowangerup 14-5 (89).

With the game in the bag for the Bulldogs the final quarter was rather academic and Gnowangerup ran out easy winners by 82 points.

The final scores were LGP 3-6 (24) defeated by Gnowangerup 16-10 (106).

Goal scorers were Patrick Smith, John Callope and Mitchell Harvey 1 each.

Better players for LGP were Darren Clifford, Aaron Dunham, Grant Marshall, Grant O'Neill, Nick Smith, Tom Gambuti, Matt Sinclair, Madis Hein and Patrick Smith.

Awards: Best on Ground Matt Sinclair, Runner up Best on Ground Madis Hein and coaches award went to Matt Eldridge.

SECOND SEMI FINAL LGP JUNIORS vs JERRAMUNGUP

In the Juniors game LGP defeated Jerramungup by 9 points in a match that the Junior Bombers were behind all day but kicked 2 goals in the last few minutes of the game to win in a cliff hanger which takes them straight into the Grand Final at Boxwood Hill on September 12th.

LGP 7-3 (45) defeated Jerramungup 5-6 (36).

FIRST SEMI FINAL LGP LEAGUE vs JERRAMUNGUP played at Gnowangerup on August 30th 2015

Commenced at 2.15pm with umpires Darryl Carpenter, Herbie Hart and Jarrad Norton in charge.

In the cut-throat 1st semi final against last years' OFA premiers the Bombers fronted up with a strong team but minus Tyson Prater who was absent with work commitments. The Bombers were very competitive during the first term but outscored by the Jerramungup Eagles by 4 goals 3 behinds.

Quarter time score was LGP 3-3 (21), Jerramungup 7-6 (48).

The second quarter saw the LGP Bombers assume more control over the match with the backs repelling most of the Eagles forward moves and added 5 majors to Jerry's 3.

Half time scores stood at LGP 8-4 (52), Jerramungup 10-8 (68).

During the third term the Bombers kept the pressure up and got to within 10 points of the Eagles which rattled them a bit with Brent Bailey showing signs of frustration as the Bombers looked like overhauling them.

Jerramungup settled and went into the third break 22 points in front.

Three quarter time scores were LGP 10-7 (67), Jerramungup 13-11 (89).

The final term was set up to be any ones game but Jerry held the lead and at the final siren were 27 points in front, finishing a very entertaining game of football worthy of a finals match. That was it for LGP for season 2015 but going out on a good note and could have been a different story with a fully fit Luke Bairstow and Tyson Prater being available. Well done guys.

Final scores were LGP 11-10 (76) defeated by Jerramungup 15-13 (103).

Goal scorers for LGP: Craig Clinch 4, Chris Poot 3, Tyson Bell, Luke Bairstow, Dennis Gittos and Jack

Carruthers 1 each.

Better players were Alex Duckworth, Kane Pinney, Jack Carruthers, Reuben Smith, Chris Poot, Chris Trevenen, Dennis Gittos, Tyson Bell, Craig Clinch, Marcus Argent and Justin Carruthers.

Awards: Best on Ground Alex Duckworth, Runner up Best on Ground Rohan Trevenen and coaches award went to Dennis Gittos.

PRELIMINARY FINAL LGP A RESERVES vs JERRAMUNGUP played at Borden on September 12th 2015.

The Reserves game commenced at 11.00 am with the Bombers fielding a strong side and reasonably confident of a good result. There was a strong South Westerly breeze blowing across the ground and favouring the North end of the ground.

The match did not start well for the Bombers with the Eagles scoring an early goal when a bouncing ball which was destined to go through for a behind suddenly changed direction and bounced through for a major. Jerry continued to dominate the game being very accurate with their scoring despite the wind factor.

Quarter time score was LGP 1-2 (8), Jerramungup 4-1 (25).

The Bombers continued to struggle during the second term and at the half time break had added 1 goal 5 with the breeze to the Eagles single goal into the wind. Half time score was LGP 2-7 (19), Jerramungup 5-1 (31).

The Bombers did not score during the third term into the wind and Jerry added 5 goals 2 behinds to continue with their accurate goal scoring.

Three quarter time score was LGP 2-7 (19), Jerramungup 10-3 (63).

The match was virtually over at this stage and the final quarter was a more evenly matched affair with both teams adding similar scores. That finished the Bombers A Reserves football season with the Grand final on Saturday being between Gnowangerup and Jerramungup which should be a good spectacle. The final scores were LGP 4-11 (35) defeated by Jerramungup 12-4 (76).

Goal scorers were Bailey McGlinn 2, Aiden Sadler-Marks and John Callope 1 each.

Better players for LGP were Darren Clifford, Grant Marshall, Grant O'Neill, Nick Smith, Tom Gambuti, Madis Hein, Nash Kirk and Patrick Smith.

Awards: Best on Ground Grant O'Neill, Runner up Best on Ground Nash Kirk and coaches award went to Ethan Hancock.

The Bombers vote count was held on Sunday September 6th and the 2015 fairest and best winners were Luke Bairstow for the League and Grant O'Neill for the A reserves.

The annual combined winter sport windup dinner will be

Vote Count Winners and Runners-up: Darren Clifford (R/U B Grade), Luke Bairstow (League winner), Grant O'Neill (B Grade Winner), Alex Duckworth (R/U League).

held on Saturday September 19th so don't forget to purchase your tickets from Amanda Trevenen ASAP as we need catering numbers.

**Pool & Spa
Mobile Service**

Poolwise Living is looking to be a more regular fixture in the Lake Grace Community and surrounding areas.

Our Pool & Spa Mobile Service division has recently gained 6 clients in Lake Grace and we would like to increase that number to help keep the cost to a minimum.

We have a dedicated service division with qualified technicians waiting to help with all your swimming pool needs. We offer a range of services from:

- Regular or One Off Maintenance
- Green Pool Cleans
- Equipment Sales, Repairs & Installations
- Sand Changes & Filter Servicing

For more information or to join our growing list of Lake Grace Clients, contact Mary on 9276 1074 or email her at psms@poolwiseliving.com.au

WE ARE HERE TO HELP

Lake Grace Golf Club Notes

Craig Reeves

There was scrambling amongst the golfers to win the ever popular sheep day, sponsored by Murray Stanton and Kingsley Strevett and held on Sunday 30th August. Unfortunately (or fortunately for them) both the sponsors were out of the country taking a well-earned holiday while studying the cuisine and liquid refreshments in the Northern hemisphere.

A good field of 19 players was keen to top up the freezer taking part in the hidden partners aggregate stableford. Two great scores of 38 and 37 points respectively ensured that Milton Reynolds and Chad Stanton were named the winning team and got to take the lamb home!

Runners-up were Warrick Millar and Craig Reeves, an individual good score from Craig of 42 points meant another trip to the handicapper. Nice to see ex Lake Grace resident and (now current) member Wayne Barnett out for a hit; that was an expensive golf ball you won Wayne!

Novelties were NTP (Nearest the Pin) No.4, Michelle Lay; NTP No.6, Peter Lay; NTP No.15, Anton Kuchling; NTP No.18, Wayne Barnett. Long Drive for the Men (No.1) was Chad Stanton, Long Drive for the Ladies (No.10) went to Stephanie Lay. Long putt on No. 9 was won by Kevin Eggers.

Drawn on the night was the much anticipated Thermomix raffle, Nick Maalouf had the privilege of drawing the tickets. Peter Hudson had a higher likelihood of getting his name drawn as he'd bought so many tickets. Congratulations Peter, we look forward to sharing the fruits of your cooking endeavours! Peter also won third prize, the \$100 BP fuel voucher while Rebecca Reynolds won 2nd prize which was \$250 cash. Well done to Kelly Hawtin for organising the raffle.

Club members and guests enjoyed the evening with a steak dinner, fabulous selection of salads and plenty of tall stories. Thank you to those who brought out salads and to Chef Max for cooking the steaks.

Well done to Helen Hunt and Michelle Lay who won the gross at the Harrismith Ladies Open Day on Saturday 29th August.

It was a small but quality field on the course for the Greenline Ag day on Sunday 6th September in a stableford competition.

Marty Carruthers blew the field away with a whopping 44 points and a guaranteed trip to the handicapper; an exciting day for Marty as it was the first time he'd broken 100. Also breaking 100 was Warrick Millar with a great score of 40 points, must be Mum's home cooking! Winner for the ladies was Helen Hunt; go Helen!!

Novelties were NTP No.4, Chad Stanton; NTP No.6, Kevin Eggers; NTP No.15, Chad Stanton; NTP No.18, Nick Maalouf. Longest drive for the men on No. 1 went to Chad Stanton, Ladies long drive on No.10 went to Helen Hunt and nobody claimed the longest putt on No.9 so there must have been a lot of ferrets on that hole. Birdy hole was No.17 but it has jackpotted.

Vying for the A grade Men's Championship were Gary Frost and Craig Reeves.

Want to mount your photos?

The Lake Grace CRC has a range of mat boards for mounting your 8"x6" photographs. The boards are all cut to an outer size of 11"x14". We have a range of colours; ranging from shades of blue and green through to burgundy, beige, cream and black.

Only \$5 each!

Come in and have a look

The final round of championships was scheduled for 23rd August; B Grade's Warrick Millar and Mark Newton played off with Mark being eventual winner on the 35th hole. Due to unforeseen circumstances the A Grade championship wasn't played off until 6th September. Gary Frost and Craig Reeves had the pleasurable prospect of 36 holes of golf facing them; thankfully the weather was kinder for them than it had been for Warrick and Mark two weeks prior. After 34 holes of golf Craig was declared winner being 3 up with 2 to go.

Championships for the Lake Grace Golf Club have for many years revolved around a match play system with multiple grades. A declining membership and

Lake Grace Golf Club Notes

reluctance by players to commit to successive weekends of play offs is forcing the club to rethink the current system.

Like many golf clubs Lake Grace is realising the days of up to seven grades with more than 50 players looking for a championship cup are gone. Players with a broad range of handicaps have raised the issue of a golfer with a middle of the range handicap having to face off to a player with a significantly lower handicap, creating an uneven (but not impossible) competition.

With only ten men and no women playing the 2015 championship round, 2015 could be the catalyst for change for the 2016 season.

Competition this coming weekend (Sunday 13th September) is a stroke round sponsored by Lake Grace Meat Supplies.

The following weekend (20th September) is closing day, a 3 person mixed ambrose sponsored by Lake Grace Communications and Computers. Please note that this is an early hit off time, 11am. The competition will be followed by the windup, members please bring a salad.

The weather was nice but both Craig and Gary were pleased to be back at the 19th hole.

Above: Club President Kevin Eggers presents Craig Reeves with the Championship trophy. As per tradition it contains liquid refreshment that is shared (at your own risk) between everyone present.

Below: Nick Maalouf enjoys the moment while Milton Reynolds patiently waits his turn.

Lake Grace Golf Club

Closing Day

Sunday 20th September
EARLY START - 11am hit off

3 person ambrose

Members and non members welcome. Make a team up or come along and we'll make one for you.

Community Consultation

Keeping of Roosters in
Lake Grace Town Site

The Shire of Lake Grace has received two written requests to keep roosters within the town site of Lake Grace. The keeping of roosters is not permitted within the town site under the Shire of Lake Grace's Health Local Law, unless permission has been granted by Council.

The roosters will be kept at the following premises:

3 Absolon Street, Lake Grace
6 Bennett Street, Lake Grace

In order to assist Council in making an informed and fair decision on these applications, the Shire is seeking feedback from the community through this public advertisement. In particular the Shire would like to hear from those who may be aggrieved by the keeping of roosters on these particular properties, as roosters can cause a noise nuisance to surrounding residents.

Please submit your comments in writing to the Shire of Lake Grace administration office. The best way to do this would be by sending a message on the Shire's website, on the "Contact Us" webpage.

Lake Grace Library & Resource Centre Meeting

Tuesday 3rd November
11am at the Library

Lake Grace Golf Club Inc.

Sudoku

- ☐ The Sudoku grid of rows and columns is divided into individual 3x3 boxes.
- ☐ The aim of the game is to fill each row, column and 3x3 box with the numbers 1 to 9.
- ☐ You can't repeat numbers in a row, column or 3x3 box and you can't change the numbers already in squares.
