The Drought Is Broken

Damon Pelham (Boundary Rider)

Back Row L-R- Arlene Sutherland, Lynette Carruthers (VC), Michelle Cameron, Naomi Duckworth, Natalie Featherstone, Billie MacTaggart, Juanita O'Neill, Brittnee Knill, Jackie McGlinn, Darren Clifford (coach). Front Row L-R- Karissa Pelham, Kathryn Nolan, Taryn Borgward, Holly Korosec (G), Yasmine Featherstone (C), Donna Skeris, Melissa Clifford.

On an absolute peach of a day the Bombettes would chase what no other Pingrup/Lake Grace side had achieved in 38 years. A Grand Final win. The fact that it was on our home turf would make what was about to unfold even greater.

The game would be played in front of Ongerup Sports Associations largest attendance ever, with about three hundred avid supporters witnessing a fantastic game.

Coach Darren Clifford had the girls switched on and ready to play the game of their lives. But this time and maybe for the first, the Bombettes were the favourites and not the underdogs which brings a lot more pressure.

The whistle blew and the game was underway, the Gnowangerup girls played with a nothing to lose attitude and threw everything at the Bombettes. The hunters had become the hunted and the girls were under immense pressure as Gnowangerup mounted attack after attack.

The backs were standing strong and repelling every advance Gnowangerup made. It was short corner after short corner for Gnowangerup but the defensive wall of Missy Clifford, Katherine Nolan, Jackie Callope, Karissa Pelham, Donna Altham and goal keeper Holly Korosec could not be broken.

The game was played at a frenetic pace from one end to

345 copies printed and sold each fortnight

Editorial

- ☺ What an exciting day it was for the **winter sports Grand Finals**. Well done to the five teams that won or drew their games and commiserations to the B Grade Football who lost on the day. A fantastic effort to get there though. It was great to see such a good crowd around the sporting fields and courts. Spectators were picking their way from one game to the next, trying to support as many of the teams as possible. Nobody has ever accused me of being the sporty type but I have to say the senior hockey was incredibly stressful as a spectator and it was an intense relief when Lake Grace Pingrup scored! We were all puffed by then.
- ☺ Although the weather forecast isn't looking fabulous for this weekend (what's new?) we will go ahead with the **townsite litter pick** on Sunday September 18th. We are also looking at doing a litterpick west of town (Tarin Rock) on the weekend of 1st and 2nd October (not sure what day yet). If you're interested please give us a call; we do need registrations for the one along the main road for insurance purposes.
- ☺ In October Keens will be coming to do **HR training and assessment**. This will only be HR, there will be no HC or MC. If you are interested then please give us a call, we need names for this to go ahead.
- ☺ As a follow up to the **Ngala** webinars that we mentioned last fortnight, we will be starting with 'Conversations Around Toddlers' on Wednesday 26th October from 10am to 11:30am. This will be an introduction and all Mums and Dads are welcome; from this webinar Ngala will be able to establish what the parents of Lake Grace are wanting. To register please call the Lake Grace CRC.
- ☺ If you love a good nature walk then register for the **Bio Blitz** that's happening at the Tarin Rock Nature Reserve in October. Leigh Whisson and his team would love to hear from you (see page 12). They're also looking for local knowledge so don't be shy.
- ☺ Our annual **photo competition** is going to be all about trains. It can be trains, tracks, carriages...anything

train related. Photos can be from anywhere, don't have to be only from Lake Grace. The competition will close on Friday 28th October. Entries will be limited to two per person, free entry and once again the prize will be an A2 canvas. If you would like more information then please contact the Lake Grace CRC.

- ☺ A huge thank you to our many winter scribes who have been so 'onto it' with their notes for the paper. It has been great to have had regular notes from all of the sports. Well done to Joely from the netball club for organising her scribes, to Allan Marshall for the football notes and Missy Clifford for doing the junior football and hockey, Shelley Stanton for the Nettas and Craig Reeves for the golf. Tahryn Borgward was doing notes for the senior hockey but it looks like she was benched as Damon Pelham took over. Now Damon you do realise we're going to want more of this in 2017!!

Suzanne Reeves

Expressions of Interest

Bookkeeper

This is a paid position, an average of 3-4 hours per week. More hours could be available for the right person. Work can be done within school hours. Some experience in accounts would be beneficial, training in MYOB would be provided by the CRC.

Trainee

12 month, full time traineeship. 38 hours per week. On completion trainees receive a Certificate III or Certificate IV in Business. Ideal for a school leaver taking a gap year.

If you're interested in either of these positions or would like more information then please call Suzanne Reeves at the Lake Grace Community Resource Centre on 9865 1470.

Committee People

The CRC's AGM is approaching on Tuesday 18th October and we're always on the lookout for new committee people. If you would like to be a part of a community organisation that is constantly working toward providing information, training and social opportunities then we would love to hear from you.

Litterpick

Sunday 18th September

Lake Grace Townsite

9am - 10:30am

Morning tea to follow

Meet at the CRC to collect bags, bring your own gloves.

Register your interest with the
Lake Grace Community
Resource Centre on 9865 1470
or
lakegracecrc@westnet.com.au

Exhibition of Rust

Kerrie Argent. Photos Val Whiting.

What a fabulous gathering of people for the opening of the Lake Grace Artist Group community exhibition on Sunday afternoon.

With the door closed and the heater on, the Lake Grace Regional Artspace was the place to be. A warm space, a beautiful eclectic collection of art based on rust, lots of yummy food and a very friendly social crowd. What more would you want to do, on a cold windy Lake Grace Sunday afternoon.

Like our art, we have a fabulous collection of artists who come from all over the place bringing their wonderful work with them. This year we have our great local artists as well as artists from Williams, Narrogin, Wagin, Mount Barker, Kendenup, the Porongurups, Bremer Bay and Dumbleyung.

The work, like the members, is very varied with painting, sculpture, textiles, photography, watercolours, china painting, felting and pottery. With this exhibition and like all our community exhibitions we invite all the members, the Plantagenet Artist Group and the community to exhibit. This year the theme was rust, colour, texture of rust or rusty materials, rust prints and what ever medium they chose.

Please come along and check out this exhibition to see the results. You can see Tania Spencer's large rusted sculpture 'Spin' outside even when our doors are shut.

The exhibition is open daily from 10 to 4pm depending on volunteers. Like all organisations we struggle with having enough of us to keep the exhibition open every day.

The Rust Exhibition will be on until the 15th October.

Kerry Slarke and Glenda Slarke with a piece they created in partnership with Linda Carruthers.

Kerry Scally from Dumbleyung

Independent Living Centre Visiting Lake Grace

Tentative booking is Monday 10th October.

The ILC is Western Australia's only not-for-profit organisation specialising in information and advice on assistive equipment and technology, enabling people to live independently while completing their daily activities.

Would you benefit from trialling a particular piece of equipment? This could be anything from aids to assist with personal care, mobility, recreation, phones and personal alarms, kitchen gadgets, back supports and cushions and much more.

Please contact **Simone Bunter on 9381 0644** to discuss and ILC will endeavour to bring the item with them.

More information next Lakes Link News.

Lake Grace Weather

Spring

Martin Taylor

One of four siblings,
the youngest of course.
Or am I the oldest?
Not really sure.

I bring new life
and herald the warmth,
but hay fever, too,
is in my source.

Autumn has colour
but tinged with decay.
Some call her Fall.
I think she's OK.

Not like my brother,
cold in his breath.
Winter his name,
in darkness brings death.

Summer's the one
that gets all the glory,
but brush fires and sunburn
are in her story.

So, season of choice,
who will win?
The one with potential,
of course; it's Spring.

Did You Know?

Media Release

Did you know as a country patient you can attend some of your specialist medical appointments using videoconferencing?

Thanks to telehealth, country outpatients often now have access to specialists via telehealth – using videoconferencing to allow you to have face to face appointments with your doctors without having to visit Perth.

This saves you the time, money and the inconvenience of having to travel long distances for relatively short specialist visits.

The free telehealth service is available for a wide range of clinics including burns, wounds, pain management, speech pathology, gastroenterology, neurology, urology, paediatrics, mental health and many more.

After you've made an appointment, you simply visit your closest telehealth-enabled health service and the staff will connect you via videoconference to your specialist at their Perth hospital.

For more information about telehealth, ask your specialist, call one of the following numbers or visit the

WA Country Health Service website at <http://www.wacountry.health.wa.gov.au/telehealth>.

INVEST IN PLANT TESTING

Call Tony Carew- Reid

☎ 0427 766 517

Dumbleyung
Kent
Lake Grace

Plants can tell us what's happening with nutrient supply from the soil.

In some seasons it's difficult because of poor growth (waterlogging, drought, chemical damage)

In a good season like this, rapid growth places demand on nutrients such as copper, manganese and potash. So this year is a great year to plant test and get a true indication of your nutrient status and back up what we've learnt from soil tests.

Call me and we can work out a time.

What Do We Do at the CRC?

Centrelink: The CRC is an access point for Centrelink, which means we can photocopy and verify your original documents; fax 'stuff' for you or help you access forms whether it be from the supply we have on hand or through the internet. We also have a phone that customers can use to call the Call Centre and will be getting a computer solely for Centrelink use.

ATO: We are also an access point for the Australian Taxation Office. We have a supply of their forms on hand (or can download them), can help you apply for an ABN over the internet or can give you free access to a computer so that you can complete your tax return online.

Government Computer: As part of its contract the CRC has a computer available, free of charge, for anyone needing to access state (WA) government websites.

Computer Training: We have in house training for Beginners, Excel, Word (Beginners & Intermediate), Publisher, Outlook, Internet, Social Media and Digital Photos. If the interest is there we can also source trainers to provide other IT training. We also provide one on one training at the CRC.

Other Training: The CRC also sources training workshops for Skippers Tickets, Chemcert, Forklift, Chainsaw & MC Assessment. These courses are reliant on the needs and wishes of the local community.

Photo Printing: Glossy photos of 4" x 6" (standard) and 6" x 8" are able to be printed on the photo booth. The photo booth also prints calendars, images with borders and collages. Other items such as photobooks and giftware are also available but is delivered at a later date.

Scanning: The CRC has an excellent scanner that can scan negatives, slides, photographs and documents. These can then be burned to a CD or DVD and/or printed. We can scan a multipage document into a single pdf document.

Photocopying: We can photocopy anything up to A3 (twice the size of this page) in both black and white and colour. Items can be increased in size or decreased (very handy for the crafty people).

Printing: The CRC has a wide format printer than can print up to A0 (841mm x 1189mm) as well as banners on a variety of mediums. Can also print on canvas.

Passport & ID Photos: The CRC is able to take and process your passport or ID photos.

Dubbing & Converting: We can convert your videos to DVD.

Digital Photos: If you need some photos taken (within Lake Grace boundary) we can take them and either burn to CD/DVD, print or email. If you are a keen photographer but don't have your own computer we can download the images for you and put them onto a DVD for you. We also have mounts for using when framing

your photographs (have a good selection of colours).

Card / Paper etc: We have a selection of coloured paper and card (of varying thicknesses) in both A4 and A3 available, plus a variety of labels (we can also print your labels for you).

Desktop Publishing: CRC staff can create pretty much anything you want in the way of posters, leaflets, booklets and banners. Whether it's a birthday invite or a birth announcement to a thank you card, calendar or event booklet we are able to create it for you.

Secretarial Services: Want a letter or some minutes typed up? The CRC can do that, they will even attend meetings and take minutes if needed.

Equipment Hire: We have a digital projector, screen, PA System and whiteboard available for hire.

Venue Hire: The fully ac/heated seminar room, with interactive whiteboard, widescreen TV, DVD & video players and wireless internet is available for hire.

Computer Use: The CRC has five computers available for public use; one with Windows 7 and Office 2010 and the remaining four run Windows 10 and Office 2016. Computers can be hired individually or the computer area can be hired in it's entirety for an hour or a day by any organisation.

Faxing: Are able to fax any documents, locally and internationally.

Email: Need an email sent but don't have a computer or email account, we can do that for you.

Memberships: Are a very economical way to have unlimited access to the internet. Members also receive reduced rates for photocopying, printing, desktop publishing, hire of equipment plus more. Memberships are available to individuals, businesses, families and organisations.

Community Newspaper: Most importantly the CRC edits, prints and collates the Lakes Link News; a vital source of information for the community of Lake Grace.

Licensing: The CRC conducts the theory testing for drivers licenses.

Videoconferencing: The CRC has videoconferencing available.

TAFE: A variety of TAFE brochures are available at the CRC for a wide variety of studies that are available; from nursing and office studies through to horticulture and agriculture.

Lake Grace Calendars: Toward the end of each year the CRC creates calendars using local photographs. Ideal as Christmas gifts. We also put together personalised calendars.

Roadwise and LCDC (Land Conservation District Committee): The CRC has partnerships with both of these organisations.

First New Doppler Weather Radar Soon to go Online

Media Release

The construction and installation of the first of three new Doppler radars planned for regional WA has been completed, at Newdegate.

Local Member Terry Waldron said this investment in radar technology would assist WA's agricultural sector with critical decision-making and would help ensure the sector remained internationally competitive into the future.

Mr Waldron said the State Government had invested \$23 million through the Royalties for Regions program in Doppler radar technology to help positively transform the State's farms and regions.

Doppler radars provide data on rainfall and significant wind changes across an area up to 200 kilometres from the radar location. "Doppler radars will allow our local farm businesses to observe real-time rainfall and wind events across their properties," he said.

"Access to timely information is really important for farmers, to assist them to make informed decisions all year round."

Nationals WA candidate for Roe Peter Rundle said research supporting the Doppler radar project had estimated that, based on more timely spray applications

alone, radars could produce a return of more than \$6 for every \$1 invested.

The Newdegate Doppler radar is expected to be operational by the end of October.

Radar information will be delivered to farmers through the Bureau of Meteorology's website, though the bureau and the Department of Agriculture and Food are currently working on applications to deliver information directly to farm businesses.

Mr Waldron said the Royalties for Regions investment into Doppler technology was important in terms of providing more precise weather information for farm businesses and rural communities.

"This information will benefit farmers, the wider community and emergency services," he said.

The other two Doppler radars, which form part of this project, will be installed at South Doodlakine and Watheroo, with all three expected to be operational by mid-2017.

Let's Get Quizzical

Kathie Thompson

On Friday 19th August a quiz night was held in Pingaring at the Golf Club.

The success of this night is attributed to many things - organisation by the committee, the co-operation of the members of the Golf Club, the amazing donations from businesses, and of course the wonderful people that came to share the night.

Not only did the quizzers have to test their memories and brain, they also had to demonstrate various skills as they participated in games and singing. We cannot thank everyone who attended enough for digging so deep in to their pockets to support such worthy causes.

A total of \$4028.00 was raised on the night, simply a magnificent amount to be able to share with the RFDS, Lake Grace St John Ambulance, Camp Kulin and Hyden Silver Chain.

Following is a list of our wonderful sponsors, and we ask that every member of the community in turn supports these businesses and keep your business local. It is a win-win for us all.

Tarin Rock BioBlitz

Wheatbelt NRM and the Dumbleyung Landcare Zone Inc. will be co-hosting the Tarin Rock BioBlitz and encouraging the local community to help conduct biodiversity surveys to enhance knowledge and understanding of the area's biodiversity values.

WHAT: Tarin Rock BioBlitz 2016

WHEN: Sat 8 to Sun 9 October 2016

WHERE: Tarin Rock, near Lake Grace

The BioBlitz site falls within the Southwest Australia Ecoregion biodiversity hotspot and contains a high number of vegetation associations which help maintain three threatened and 37 priority flora and four threatened fauna species. These include, Malleefowl, Carnaby's Black Cockatoos, Baudin's Black Cockatoos, Western Whip Birds, and Red-tailed Phascogales.

For more information, contact Wheatbelt NRM's Regional Landcare Facilitator Leigh Whisson on 9670 3136 or via lwhisson@wheatbeltnrm.org.au

Register your attendance on the website below

CRCs To Continue Thanks to Royalties for Regions

Media Release

Delivery of essential services, information and activities to regional and remote communities will continue thanks to a \$56 million State Government Royalties for Regions investment in the Western Australian Community Resource Network (WACRN).

Consisting of 106 Community Resource Centres (CRCs), the WACRN provides a physical community hub for the delivery of government services and information as well as community development activities to approximately 50,000 people in regional and remote areas of the State, each month.

Member for Wagin Terry Waldron MLA said communities in the Wagin electorate that relied on the availability of services through CRCs, would benefit significantly from the continued funding, which was announced on Thursday.

"This considerable State Government investment will see the ongoing stability and security of these important community services," Mr Waldron said.

"This funding will assist the 20 local CRCs in the electorate."

The CRCs in the Wagin electorate are located at - Boddington, Bremer Bay, Dumbleyung, Frankland River, Gnowangerup, Jerramungup, Katanning, Kulin, Lake Grace, Mt Barker, Newdegate, Ongerup, Pingelly,

Pingrup, Tambellup, Wagin, Wandering, West Arthur (Darkan), Wickepin and Williams.

Nationals WA candidate for Roe Peter Rundle said CRCs had been operating since 1991, originally as Telecentres, and today act as shop fronts for many government services such as driver and licensing services for the Department of Transport, the Australian Taxation Office, Centrelink and Medicare.

"The State's CRCs employ up to 450 people, and more than 1700 people are engaged in voluntary roles assisting in the management and day-to-day operations," Mr Rundle said.

Mr Waldron said: "Through this significant Royalties for Regions investment, operation and expansion of these community hubs will continue and locals will still be able to access essential government services close to home."

CRCs also deliver essential services and information to regional and remote communities with average populations of just under 1000 people, including 10 in remote Aboriginal communities.

Since 2009, Royalties for Regions has invested more than \$90 million to support the development and expansion of the WACRN network.

And We're Off and Racing

Media Release

It's galloping around the corner and we're almost on the home straight as the community of Kulin prepares for the 22nd annual Kulin Bush Races held on Saturday, October 1.

Always a local favourite, the seven race bush program is a uniquely Australian event providing an iconic regional experience like no other.

Drawing an inside barrier every time, the hugely family-orientated day has also attracted a large caravanning following in recent years, with the races hosting many local and interstate travellers for a full weekend of events.

Kulin Bush Races President Graeme Robertson said, "If you haven't been out to our neck of the woods now is a great time.

'It's been a fantastic growing season this year so the scenery is just magic, come out and enjoy true rural hospitality for the weekend.'

This year's line-up of events is sure to have something for everyone with live entertainment all weekend, Friday night markets, Tin Horse competition, Gymkhana, Kid's Tent, fireworks and more.

The Kulin Cup is sure to be hotly contested with the race program starting at 12.30pm on the Saturday while Perth Band **Switch** and DJ **Simon S** are playing Saturday night alongside our famous open bonfire.

This year because the races fall on the AFL Grand Final weekend why not grab your mates and head to the Bush Races to watch the broadcast live? You will find the game on a large screen in the main marquee tent, or in the bar.

Camping is free Saturday night so BYO caravan and swags. The gates open from 8.30am Saturday morning, kicking off with the Gymkhana and numerous novelty events.

The Kulin Bush Races is run by a dedicated committee of local volunteers, focused on making their community a better place to live. Over the past 20 years the Kulin Bush Races has put more than one million dollars back into community initiatives such as medical equipment, aged care, local facilities, recreational facilities and education programs.

Tickets are available at the gate - \$40 for adults, \$10 for children aged 13 – 17, for children 12 and under FREE.

Commemorating 100 Years of ANZAC

Allan Zweck

Each of the soldiers listed on the Lake Grace Honour Roll will be featured in the Lakes Link News, as close as possible to 100 years from their enlistment. It is now 100 years and 3 days since John Carruthers signed up.

CARRUTHERS – JOHN: Born at Dumfriesshire, Scotland, in 1895, he went by the name of Jack. He enlisted in the Australian Imperial Force, at the age of 21 years and 4 months, as a single man on September 12th 1916. At 5 feet 11 ½ inches tall, (182cms), and weighing 170 lbs (77 kgs), he had a fresh complexion, with blue eyes and brown hair. Private Jack Carruthers came from his father's farm, "Lowtherfield", stating his calling as a farmer, and had some previous form of military training.

He trained at Blackboy Hill, and was appointed to the 25th Reinforcement /11th Battalion. Like other local trainees in his group, his training was interspersed with the need to help with harvest duties on the farm, however, by the 29th of June 1917, he was ready to embark on the His Majesty's Australian Transport *Borda* at Fremantle. They arrived at Plymouth two months later, from where they disembarked and marched into the 3rd Training Battalion, Durrington.

Three weeks later Private Carruthers left from Southampton for France arriving at Le Havre, for further conditioning, and thence into the battlefield, being taken on strength with his 11th Battalion.

On the 3rd of November he was wounded in action with a gunshot wound to the right hand, when a bullet passed through near his index finger, causing very limited movement of that finger, the wound becoming septic. Three days later he was returned to England on the *Ville de Liege* from France, and admitted to the Edmonton Military Hospital and though his wound was described "Mild", it was troublesome and restricted his abilities. It was the 28th of November before he was sent for repatriation.

During his convalescence it was considered that he was unfit for service for six months, and unfit for home service for three months, so on the 1st of February 1918, he embarked the *Balmoral Castle* for the return journey to Australia.

On arrival at Fremantle he was admitted to the No.8 Australian General Hospital Fremantle for several days, and after the medical procedures concerning his war wound were addressed, his eventual discharge from Military Service came on the 7th of April, 1918. He received the usual War medals – the 1914/15 STAR, British War Medal and Victory Medal. He gave his religion as Plymouth Brethren, and his service No. was 7451.

On his return to Lake Grace a welcome home social saw a muster of 70 people at the Carruthers farm. Speeches expressed the great pleasure of the Lake Grace settlers, at Jack's return, and the great relief of

anxiety to his worthy parents, and that he now intended settling down to work on the good lands of Lake Grace. The manly character of the returned hero was voiced, and all were pleased to see him back. A much enjoyed musical programme organized by Miss A E Lucas reflected great credit on the performers.

Jack came to Australia with his parents and their family. At the age of 16, and eligible to become a land holder under the guardianship of his father, Jack successfully obtained his own property. When he came to Lake Grace with his father and a brother his father became very despondent when he saw the "Medi-evil Forest" on their lands, and pined for the homeland, regretting their move to Australia, but it was Jack who said, "We are here now, and let's see if we can make a go of it". And so they did, and after very tough beginnings and with Western Australia's worst drought ever soon upon them, their resilience and determination eventually made them very successful with their farming venture.

Jack would have been both witness and partaker in the development and progress in the district. The making of the corduroy into the construction of the causeway across the lake, which Jack had worked on, would have been an event of enormous value, saving so many miles of travel by residents needing to cross the lake.

Jack also gave back land to the Lands Department when it was decided to site our town where it is today, beginning with land for the town dam and the first school. Almost 84 acres was resumed from his original farm, this being the land south of Absolon Street.

The Carruthers farming operations became very successful, with Jack the eldest male in the family, performing a leading role in their success. Pictures of Jack sinking a dam with a team of horses, and the finished dam on the internet, attest to his contributing abilities. Jack married Margaret Mary Agnes Watson, who went by the name Agnes, and they lived close to the town. Jack lived a long life and died at the age of 83 years on 11/09/1978, and was buried next to Agnes, who predeceased him in 1960, in the large Carruthers family plot at the Lake Grace Cemetery.

Cash only at the Post Office.

Regional Subsidiaries One Step Closer

Media Release

Local Governments in regional Western Australia will shortly be able to deliver services jointly following the passage of a Bill through the Legislative Council to allow the formation of regional subsidiaries.

The regional subsidiary model, which has been operating in South Australia since 1999 and was first proposed for WA by former National Party MLC Max Trenorden, will allow two or more local governments to share a service delivery or to engage in an activity collectively.

Nationals Member for the Agricultural Region Martin Aldridge MLC said the reforms meant local governments are now able to form legally recognised entities to deliver a range of functions to the benefit of their communities.

"Small local governments in the Agricultural region can often have difficulty providing certain services efficiently," Mr Aldridge said.

"The beauty of the regional subsidiary model is that the subsidiary is its own legal entity, meaning local governments can share the legal and financial responsibility in the delivery of services such as waste and environmental management, tourism and marketing opportunities, infrastructure delivery, resource sharing and in seeking grants for regionally significant projects."

Mr Aldridge praised former Nationals leader Hon Max Trenorden, whose 2010 Private Members Bill first proposed the idea of regional subsidiaries in Western Australia.

"Max undertook an enormous amount of work to bring the best collaborative model for regional local governments to the Parliament, resulting in his Private Members' Bill in 2010," he said.

"He recognised that the 'big is better' mantra does not ring true in regional WA and a different model was needed to improve the sustainability of the sector.

"While it has taken six years and four iterations of this

Bill in Parliament, the model Max brought to the table will allow local government more flexibility in service delivery."

Mr Aldridge highlighted the position of The Nationals which opposed forced amalgamation of Local Governments in preference for voluntary reforms such as regional subsidiaries.

"Regional subsidiaries do not prevent local governments from continuing down the voluntary amalgamation path, but provide an alternative for those who prefer to remain as is," he said.

"The Nationals WA have long supported regional subsidiaries and opposed forced amalgamation, and the passage of this Bill is evidence of that."

Wheatbelt Snapshot Series - Horticulture

Media Release

The Wheatbelt Snapshot Series: Horticulture provides an overview of horticultural activity in the Wheatbelt to inform stakeholders including local government and business and to guide public and private investment into the region.

Horticulture value of agricultural production in the Wheatbelt increased from \$87.86 million in 2007-08 to \$93.23 million in 2011-12, representing 11.73% of Western Australia's horticultural worth.

Within the Wheatbelt, there are prominent suppliers of fruit and vegetables for domestic and international markets. The Central Midlands and Central Coast Sub-regions are increasingly involved in intensive horticultural activities as urban expansion and a lack of available water resources pushes the industry out of the north metropolitan area. The proximity of the Wheatbelt to Perth, significant groundwater resources and potentially unhindered land close to key infrastructure and transport routes will facilitate future expansion in the Region.

In recent times, the Wheatbelt vegetable production value grew by 70% from 2007-08, to \$56.4 million (15% of the State's total) by 2011-12 being led by the major cultivation of carrots and lettuce.

Fruit production in the Wheatbelt has had strong growth, 2011-12 statistics indicate the Wheatbelt's fruit production value grew to \$19.1 million. The growth is led by the rapid growth in citrus fruit including oranges and mandarins.

The opportunities to expand horticulture in the Wheatbelt should have a focus on value-add to regional produce, increasing the entrepreneurial base of producers while advocating industry needs and developing regional, state, national and international markets.

Price's Erections is now Price's Fabrication + Steel.

You can find our new premises on the corner of Albany Highway and Narrogin-Williams Road, in Williams.

Lake Grace Pingrup Junior Hockey Notes

Missy Clifford Your Proud Premiership Team Coach

GRAND FINAL

Gnowangerup v's Lake Grace Pingrup

It was finally the day of the Grand Final and it was in Lake Grace on our home turf. We had fought hard all season, in the 2nd Semi & Pre-lim finals to be in the Grand Final and we were not going to let Gnowangerup go home with an easy win!! After Gnowangerup tried to run through our banner this was another reason to beat them!!!!

It was perfect conditions and unbelievably no wind! We had a late change of goalie. Thank you Kira for stepping in for Jake who was unwell. This change didn't deter our young players; our junior side was amazing, they got straight into the game from the second the whistle blew. They all played their positions brilliantly and shared the ball around as they had done all season. They tackled hard and never let Gnowangerup have an easy run. They stuck on their opposition player exactly like I'd asked them to do, leaving no options for Gnowangerup. We definitely had our chances but their defence was just as good as ours. Their fullback got 'Best Player in the Grand Final' which proves how much we had the ball and how much we tried to penetrate. It was full-time and still there was no score from either side which meant we had to play an extra 5 minutes each way. It was 'Golden Goal' meaning whoever scored first was the winner. We were determined to win and get the first goal.

Our kids were already exhausted but they knew what they had to do. It was unbelievable to see them fight and play as hard as they did, they were so focused and they were not going to die lying down!! Time ran out once again and it was still nil all meaning both teams were premiers – woohoo! We took this as a win as Gnowangerup had 25 players to choose from and had not lost a game all season. I've never seen our kids play so hard and they completely deserve their medals and the premiership. You all played brilliantly. Your understanding of the game and skills have improved out of sight and I couldn't be any prouder. This year has been so much fun and it's been a pleasure to be your coach. Farewell and best wishes to my two year 7's; Shenae Harradine and Josh Cameron, who will be too old to play next year. We've loved having you both in our team and you will be missed.

I would like to thank all the parents and supporters for a smooth running season. Your support and help is much appreciated. Thanks to Anna Taylor for helping at our training sessions and with First Aid!!! A big thank you to Christine Altham for umpiring all our hockey games. Thank you to our senior hockey players and committee members for all your support, we are a strong and happy club and your interest and support is the reason why. Thank you to our trophy sponsors (named below), your sponsorship and support is greatly appreciated.

Congratulations to the following award winners and also congratulations to Jai Clifford who got 3rd (43 votes) and

Jonty Robinson who got 5th (33 votes) in the Association votes. Well done everyone, enjoy your break & see you next year.

CEO's Corner

Welcome DCEO

I would like to extend a warm welcome to Linda Gray our Deputy Chief Executive Officer who commenced work on Monday 5 September 2016. Linda was most recently employed with the Shire of Murchison, and prior to that at the Gascoyne Development Commission based in Carnarvon. Please make yourself known and welcome Linda.

Ongerup Sports Association Grand Final

The Ongerup Sports Association Grand Finals took place at Lake Grace on Saturday 3 September; it was a perfect day to be out and about and pleasing to see such a large crowd in attendance.

Congratulations to all the successful teams on the day, a great celebration to end your sporting season. A special thanks to all the community members who assisted in preparing the grounds in readiness for the finals, a good job done by all.

Newdegate Field Day

The Newdegate Field Day was on Wednesday and Thursday (7 & 8 September) last week with staff and Councillors manning the site in the Old Railway Building. During the Field Day the Department of Agriculture and Food opened the new Doplar Radar. Construction has been completed on the first of three Doplar radars to boost weather intelligence for farm businesses and regional communities across the Wheatbelt. The investment will provide much-needed radar coverage and more precise weather information for farm businesses and rural communities. Overall the field day was a great success and on behalf of the Shire of Lake Grace I would like to congratulate the Newdegate Field Day Committee and community members for the work which went into organising this event. Well done.

Also thanks to the Shire staff who were involved with Town site maintenance and preparation for the field day display site.

Art Acquisition Prize

Congratulations to Leesa Padget the winner of the Shire of Lake Grace Art Acquisition Prize 2016. Shire President Jeanette De Landgraft and Cr Len Armstrong were the representatives for the award which took place on Tuesday at 10am. The artwork is now on display at the Shire Office.

Figure 1 "Nocture III" an original drawing in mixed media by Leesa Padget

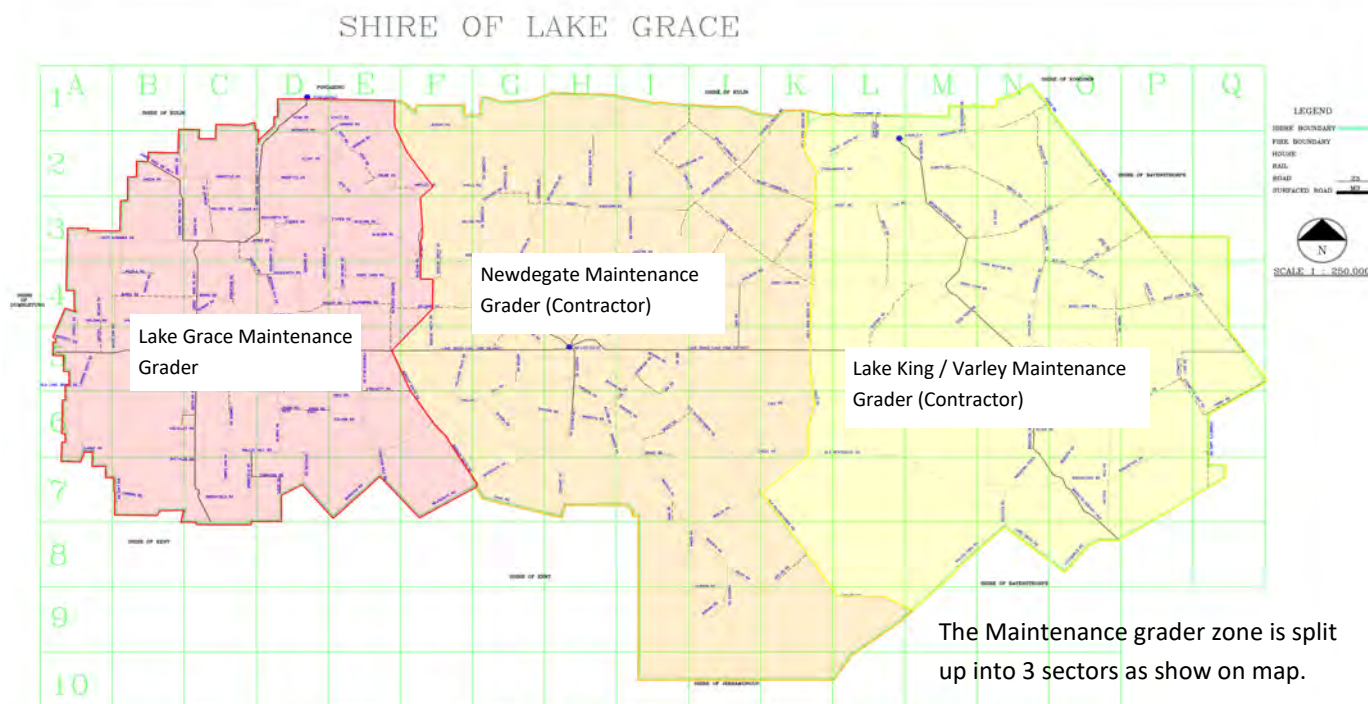

Road Works

Our road construction team are currently working on South Burngup Road from Gellard Road towards Biddy Camm Road. The construction team will then move on to Holt Rock South Road. This work is to include reconstructing pavement, extending existing culverts, clearing road side drains of vegetation, applying a 14mm bitumen primer seal and 10mm bitumen final seal, installation of guide posts and warning signs. The work is to be undertaken between slk 21.8 – 25.4.

The Holt Rock South Road project is estimated to cost \$356,236 of which we are allocated Regional Road Group funding of \$237,491. The Shire is required to fund the balance from our own revenue sources.

The Lake Grace road maintenance grader is currently working in the north eastern sector.

CEO's Corner continued

The grader contractors are currently working on Old Ravensthorpe Road and Ladyman Road

Winner of the iPad Mini

The Shire of Lake Grace had a competition at the Newdegate Field Day where customers had to complete a basic questionnaire to go into a prize to win an iPad Mini. The draw took place on Monday 12 September. Congratulations to Erica Wiech the winner of the iPad Mini. On Monday, Erica Wiech and husband Darren were presented with their new iPad Mini. The win was very timely as they were just heading off to London on their first overseas trip and the iPad Mini will be put to good use. Congratulations once again and enjoy your prize.

Figure 2 Darren and Erica Wiech with Chief Executive Officer Denise Gobbart collecting their iPad Mini.

Progress on Lake Grace units

The Shire of Lake Grace's building team have finished installing the insulation at unit 1 and have put up the framework for unit 2. The roof framing for unit 2 is near complete. Once this is completed they will then be carrying out the lining of roofs and framing of unit 3.

Budget 2016/2017

We are currently in the process of finalising the budget and it will be adopted prior to 30 September 2016. Once the budget is adopted Rate Notices will be issued.

Denise Gobbart

Chief Executive Officer

Bushfire Bulletin

The 2016/17 fire season is not too far away, now is the time to prepare. Bushfires happen every summer, they can start suddenly and without warning. People have been killed or seriously injured, homes destroyed during bushfires and the chances of a bushfire occurring increases as the season progresses.

Things to consider when preparing your property:

Starve the Fire - Clear around your home so that embers are less likely to start a fire when they hit the ground. This will also help reduce the damage caused by fire.

Make a Safety Zone - Create and maintain a Building Protection Zone and a minimum two metre gap between your house and tree branches.

Building Protection Zone (BPZ) is an area extending for 20 metres around a building where there is reduced flammable material. This means there is less material that can ignite, improving the chances that your home may survive a bushfire.

Fill the Gaps - Houses usually catch fire when embers get into the roof space, a wall cavity, onto ledges or under the house. Prevent sparks from entering your house by blocking all the gaps.

Fix the Traps - Do not pile wood against or near a house. Remove any timber, rubbish and old junk lying around.

For additional information and resources visit the DFES website, www.dfes.wa.gov.au

Opportunities from a Declared Pest Rate (DPR) in Eastern Wheatbelt Shires

IMPORTANT MESSAGE! If you live within the Shires of Kondinin, Kulin, Lake Grace, Merredin, Mt Marshall, Mukinbudin, Narembreen, Westonia, Trayning, Yilgarn and Nungarin and own landholdings of 20ha and above then you will shortly receive a Declared Pest Rate (DPR) notice in the mail. The rate will vary depending on the size of your landholding. The DPR is based on ad valorem minimum charge of \$30 per VEN. Larger landholders will pay more.

Many people don't realise it is a legal requirement for individual landholders to control declared pests on their land. By forming a Recognised Biosecurity Group, the Eastern Wheatbelt Biosecurity Group (EWBG) can manage funds raised on behalf of the community and the State Government will match the rates raised through this process. Individuals still need to manage their pests however this provides additional funding and a coordinated approach using current best practice management.

The EWBG has been in operation for over 10 years with the purpose of helping control declared pests considered widespread that are unlikely to be eradicated. EWBG members believe local group decision-making and management at a landscape level is more effective and needs the community to be involved. Those communities rated are provided with opportunities to help decide which pests are managed. The main focus for the next few years is on wild dog control. This has been an ongoing issue for those near the State Barrier Fence for many years and reduces the risk of access and damage to more populated areas.

For 2016/2017 an Operational plan and budget for the funds has been determined. The EWBG will carry out the following activities:

- ❑ Control current predation of livestock by wild dogs.
- ❑ Develop and implement management strategies to minimise future wild dog impacts on livestock.
- ❑ Implement best practice wild dog management on private and public land in the region.
- ❑ Increase landholder participation, both private and public.
- ❑ Monitor, evaluate and report on the progress towards minimising wild dog impact on livestock in member shires.
- ❑ Provide proactive and positive extension activity driven by the group that will facilitate broader community awareness of wild dog issues.

Wild Dogs are currently impacting on landholders and communities across the State and Australia. For more information contact the National Wild Dog Action Plan Coordinator Greg Mifsud at greg.mifsud@invasiveanimals.com

For information on RBGs or DPRs see Frequently Asked Questions at <https://www.agric.wa.gov.au/bam/recognised-biosecurity-groups-rbgs>

All community members wanting to know more about the EWBG's current pest management program are welcome to attend the AGM on the 23rd of September. Attendees will have an opportunity to ask questions about the rate, the current operational plan and provide input into future operational planning and priorities. Please RSVP for the AGM to Lisa O'Neill at ewbg@outlook.com for catering purposes. If you wish to discuss your Declared Pest Rate you can contact Mr. Cyril Smith (Kondinin) on 04 27 807 043 (Chair) or Mr Jim Sullivan (Kulin) on 04 39 751 046.

GRAND FINAL

LGPFC vs GNOWANGERUP Played at LAKE GRACE on 3/9/2016

The weather was perfect for all sports played on Grand Final day 2016. The sun was shining and a gentle breeze was blowing from the South West.

LGP A RESERVES

The Reserves game commenced at 11.00 am with the Bombers fielding a similar team to last week's preliminary final.

The Bombers were competitive at the start but the 2015 A Reserves premiers, Gnowangerup forward line was well manned with younger talented footballers such as Dwayne Punch who ended the game with a tally of 7 goals.

**Quarter time score was LGP 2-3=15
Gnowangerup 3-1=19**

**Half time score was LGP 3-3=21
Gnowangerup 6-6=42**

The third term or the 'premiership quarter' as it is often called was all Gnowangerup's way as they scored 4 goals straight to the Bombers 2 goals 4 behinds and a lead of 24 points. The momentum of the game indicated that the Bombers were going to struggle to overhaul the Bulldogs in the last quarter.

**Three quarter time score was LGP 5-7=37
Gnowangerup 10-6=66**

During the final term LGP held Gnowangerup to 2 behinds but their ability to score majors was thwarted by the oppositions tight backline. The Bombers managed to add 1 goal 4 but when the final siren sounded they were still 21 points down.

A disappointing end to the season for the Bombers reserves but they did their best with what they had available on the day. The game was played in good spirit and with many good passages of play between the half forward and half back lines.

**The final scores were LGP 6-11=47 defeated by
Gnowangerup 10-8=68**

Goal scorers were Brayden Reynolds, John Callope, Bailey McGlinn, Damon Pelham, Brady Carruthers, and Rohan Trevenen 1 each.

Better players for LGP were Darren Clifford, Aaron Dunham, Poch Amores, Aaron Carruthers, Grant O'Neill, Damon Pelham, Mitchell Thornton and Bailey McGlinn. Unfortunately the Lake Grace- Pingrup forward line struggled

LGP JUNIORS-2016 PREMIERS

The Junior Bombers had a great win over Jerramungup in a match that the Eagles Juniors led up to the three

quarter break and was looking ominous for a LGP flag. During the final term the boys rallied adding 2 goals 3 behinds to Jerry's 2 points, winning by just 10 points. An amazing display of Junior football and very intense throughout the game. A great result for their determination and never say die attitude to winning the Grand Final.

Lake Grace / Pingrup Juniors 0.1, 1.2, 1.3, 3.6 (24)

Jerramungup Juniors 1.0, 2.0, 2.0, 2.2 (14)

Goal scorers for LGP were Jackson Callope 2 and Ben Hawley 1.

Better players, Brady McGlinn, Jonty Robinson and Kade Moore.

That is it for winter sports season 2016. Take care over the summer and thanks for reading the notes during the season.

Lake Grace Golf Club Notes

Craig Reeves

The 4th September was a Stableford event sponsored by Lake Grace Tyrepower. Kevin Eggers was back on the winner's list scoring a respectable 36 points, seems like Kevin and his new handicap are gelling quite nicely together. Runner-up on 35 points was Chad Stanton.

Novelties for the day:

NTP 4 was Chad Stanton, NTP 6 was Helen Hunt, NTP 15 was Matthew Spurr, NTP 18 was Helen Hunt.

The daily long drive for the men was on hole 8 and won by Phil Young. Daily long drive for the ladies was on 11 and was won by Helen Hunt. Best third on 5 was Chad Stanton, best third on 13 was Kevin Eggers. Best 2nd on 12 was Matthew Spurr, longest putt on 17 was Nick Maalouf, longest putt on 9 was won by Martin Carruthers.

Sunday 11th September event was a Stableford, sponsored by Lake Grace Freight.

Murray Stanton showed up some of the younger players proving that some of the older brigade still have it in them, amassing a whopping 41 points to win the day. Phil Young, hanging in there was runner-up with 37 points.

Novelties for the day:

Seems like Stephanie Lay took everybody to the cleaners today winning NTP 4, NTP 6, NTP 15, longest putt on 17, longest putt on 2, second shot on 8, and also the ladies long drive. Think we might have to swab Stephanie!

NTP 18 was won by Nick Maalouf, longest putt on 9 was won by Murray Stanton, the men's long drive of the day was won by Matthew Spurr. Birdie hole was spun and up came number 10, it jackpots again.

Sunday, 18 September will be an Irish Stableford where you multiply your Stableford scores with your partner, this could end up with some ripper scores or some not worth talking about. This is sponsored by Ollie and Lucy from the Saltbush Inn.

Change of day and date for closing day, this will now be on Saturday, 24th September and will be a three-person Ambrose sponsored by Stephen and Helen Hunt of Lake Grace Communications and Computers.

The windup and presentation will follow at the conclusion of play on closing day. Could all members please bring a salad.

Lake Grace Pingrup Netball Club

Collated by Joely Slinn

A Grade Notes - Karen Bairstow

What a season for the A grade netball team! After starting the season off with only 2 wins in the first round, the team was looking down the barrel and I was not expecting the girls to play in the finals.

The girls kept on training hard and sticking together and week by week the team started to improve. They had self belief and a great second round beating all teams. With good shooting and strong defending we were able to gain a very good percentage and work our way up the ladder. Finishing second to Newdegate by one game we made it to the second semi final playing against Newdegate. This was an awesome game, very fast and physical, getting out to a great start to lead by 10 goals at half time. But Newdegate had other ideas and levelled the game at three quarter time. It was up for grabs but to the girls credit we ran out winners by 4 goals, putting us into the Grand Final.

Our opponents were to be Gnowangerup, knowing what a skilled side they were we had a fight on our hands. Grand Final day turned on the perfect weather for netball and playing on our home ground it was all set for a great game and it didn't disappoint. The crowd was huge and the girls were quite nervous knowing that our captain Lauren had got out of hospital the morning of the Grand Final.

Lake Grace/Pingrup got away to a good start in the first quarter with the goalies Joely and Sharon on top early in the game. Scoring goal for goal we were able to maintain momentum and hold a narrow lead of 4 goals at half time. The game was anyone's. They say 3rd quarters win games and this proved right for our girls. The team was awesome,

Shenae, Brittnee and Teneeka were all getting on top of their opponents, Claire and Lauren were playing well in defence, with their opponents starting to lose composure and the goal shooters Joely and Sharon completely outplaying their defenders. The team piled on the goals.

The last quarter Shannon came on and got into the pace of the game, providing good run out of defence. Gnowangerup started making a lot more mistakes under pressure from our girls and we played out the game well. Well done to Billie who was on the bench. All nine girls, I am so proud of the way you conducted yourselves not only on Grand Final day but all year. It was a privilege to coach such a great team of girls.

Final score LGP 58- GWP 38.

A GREAT WIN GIRLS!!!!!!!!!!!!!!

AWARD WINNERS FOR 2016

FAIREST AND BEST – Lauren Duckworth

RUNNER UP FAIREST AND BEST - Jemma Bairstow

COACHES AWARD—Teneeka Morgan

B Grade Notes - Caitlyn White & Felicity Young

Lake Grace/Pingrup 31 - Jerramungup 21

It was an absolutely stunning day in Lake Grace for the Grand Final on Saturday with the sun out and no clouds in sight. The place looked perfect, thanks to many helpers around the club.

Many of the Lake Grace/Pingrup girls went out to Newdegate the weekend before and saw Jerramungup defeat Gnowangerup in the Preliminary Final. We knew with the competitiveness and passion that Jerry brings to each game, we were going to be in for a fight for the premiership!

It was a close game, but with the consistency of our goal shooters, Casey and Linda and our- as always- solid defensive team we came through with a win.

Some amazing plays in the game and there was no surprise that our amazing centre, Juanita O'Neill won best on ground for the match- well done Juanita!

At the beginning of the season, we never thought in a thousand years, we would be able to win the Premiership, but with every girls effort on the Grand Final day and all throughout the season- we actually did it!

Congratulations to all of the girls involved in the Netball club this season and A Grade girls who also won their Grand Final. It has been an absolute pleasure to play with and coach you all. See you all next year and let's make it back to back premierships!

The stakes were high for both teams as Lake Grace Pingrup's Centre, Shenae Prater, fights off her Gnowangerup counterpart to get the ball. Photo Suzanne Reeves.

Lake Grace Cricket Club INC**PO BOX 10****Lake Grace WA 6353**

President Reid Stubberfield 0429 651 069
Vice President Shaye Bowron 0428 652 556

Secretary Rebecca Reynolds 0417 923 284
Treasurer Kael Gray 0429 019 833

Congratulations to the Winter Sport's teams who won their Grand Finals this year! Also thank you to the Hockey girls for a fantastic Gatsby themed Wind Up. It was a great night out and the Lake Grace Cricket Club would like to thank them for thinking of us for the bar tending job, we really appreciate it!

Training starts this Thursday 15th September!!! Anyone wanting to join the club as a player or just wanting to keep up fitness the boys would love to see you there.

Our pre-season, annually run, Mallee Root Cup will be an exciting format this year, to be held Saturday 8th October. Four Teams will compete in a day of Super 8"s matches before ending in a steak tea at the Sportsman's Club. All funds from the steak tea and distributed tin's will be going to Cure For MND Foundation (Motor Neurone Disease). This is the charity our Lake Grace players have chosen this year. The 2014/15 season they chose The MS Foundation and were very successful in their efforts of fundraising. So, good luck boys!

This year we will be running In2 Cricket for ages 5-10, Registration Day will be 13th October at 3.45pm at the Pavilion. Please call Brayden Reynolds with any queries 0410 514 462.

The LCA (Lakes Cricket Association) AGM will be held on 15th September 2016 where the fixtures will be finalised, so we are hoping to be able to publish games days and Steak Tea nights.

"Sheep Poo 4 You" bags are still available at CCL Hardware. Thank you again to Mark and Karen for your help with this fundraiser.

Mallee roots have been organised for collection tomorrow afternoon. A big thank you to Darren Spencer and Trent King and family for the help with this fundraiser.

A new cricket pitch has been ordered and should be installed soon, pictures to come.

Lastly, our Great Raffle is to be finalised this week. For your chance to win big, keep a look out for advertising and contacts for ticket sales. \$20 buys you a ticket (only 250 tickets available) to be in the draw to win:

1st prize "Home Maintenance Kit" (Victa Lawnmower, Stihl Chainsaw, Stihl Whipper Snipper, Stihl Blower Vac, Wheelbarrow, Rake, Shovel, Spade and Pruners) RRP\$1556

2nd Prize Home Entertainment Kit (Patio Heater & BBQ) RRP\$794 and

3rd Prize (\$150 IGA Voucher)

More information to follow, any enquiries please call any one of the committee members at the top of this page.

The Drought Is Broken (cont.)

the other as Gnowangerup had set up a very defensive structure and were making it very hard for our gun forwards.

It was clear that the girls were feeling the pressure. Darren was swinging the changes and with a couple of experienced players in Naomi Duckworth and Michelle Cameron coming into battle the girls managed to settle and slowly claw back control of the game.

Billy MacTaggart and Juanita O'Neill were starting to flash down the wings and the forwards in Yasmine Featherstone, Brittnee Knill and Lyn Carruthers were starting to show their brilliance.

The half time siren sounded and they were locked at 0/0.

The second half started off even faster with both sides realising only one goal would probably be enough to win. Green cards were starting to fly as the game started to get more physical. Lyn Carruthers copped a ball to the knee and everything seemed to be falling into place for Gnowangerup. The game was in full flight now and the pace and pressure had picked up a notch. The Gnowangerup girls were fast and slick but anything they threw at the Bombettes got repelled and turned into an attack of their own.

Finally the deadlock was broken with a great shot from Brittnee Knill that was perfectly deflected into the goal by Yasmine Featherstone and the crowd went bonkers! This would be short lived as the umpire overruled it from the back of the salt lake. This elusive flag just wasn't meant to be.

The Bombettes would not cave in to the pressure and the game just kept lifting. Holly Korosec was cartwheeled over trying to defend a goal and the green cards kept flowing as time ticked away. The final siren sounded and the game would go to golden goal.

After second toss of the coin the girls would play 7 1/2 minutes of the most intense hockey ever seen. The Gnowangerup crowd was boisterous and the Lake Grace crowd were chewing their nails off. They knew just how much this game meant.

The game would then go into the final half of golden goal and the fatigued Bombettes would not give up. Coach Clifford was looking for the defibrillator as the pressure was getting to everyone.

Suddenly Naomi Duckworth copped a ball to the knee which would end her Grand Final dream, or would it? The free was taken and a short corner was given, then the siren sounded. Would it be a goal or

Top: Goalie Holly Korosec is ready as the ball heads her way.

Bottom: Yasmine Featherstone and Billie MacTaggart aren't letting the Gnowangerup opposition have it their way.

would it go to penalty flicks?

The silence was deafening. The three hundred strong crowd looked on. Lyn Carruthers hit the ball to Brittnee who then passed to Yasmine who fired on goal. Billy then had a shot of her own, the ball went wide and from a near impossible angle Juanita O'Neill with reverse stick sent the ball into the back of the goals to pull off one of the greatest Grand Final wins in history. Lake Grace Pingrup Hockey Club had broken the 38 year drought.

Best on ground went to Karissa Pelham who had the game of her life at centre half back. The LGPHC would like to thank all players and supporters in what has been an amazing year.

Lake Grace-Pingrup hockey club organised the 2016 Winter sports Windup. Amazing atmosphere, food and music.

Thank you to everyone who helped make this evening a great success

LGPJFC Auskick

Missy Clifford. Photos Sarah Allen.

Another year over for our little Auskicker's and what a fun year it was.

It was so great to see the little ones having so much fun and enjoying the skills and game.

A huge thank you to all the parents who helped out during the year. It seems the roster system is still the way to go and those at the AGM last Saturday have voted for this to continue. It was also mentioned at the AGM the importance of teaching our kids kicking skills. This is obviously a large part of the game and it's necessary to curb any bad habits before they get to D Grade and to encourage accuracy.

Thank you also to all our parents for your help with

catering. Your time, effort and commitment is greatly appreciated.

Congratulations to Linkin Eaton, Lucas Robinson, Jasper Marshall, Griffin Naisbitt, Savannah Trevenen and Myles Borgward who are all graduating up to D Grade next year. We wish you all the best for D Grade.

Below Left: Rylan Gooding going up for a mark. Ball held by Kevin Naisbitt. .

Lake Grace Pingrup Netball Club *(cont.)*

Vynka de Vree

CONGRATULATIONS:

Well done to Shelley and the NSG team on another fantastic season! NSG is an important part of our club where little ones grow a passion for netball and it's great to see such a great bunch of girls coming through our club coached by a seasoned NSG coach now!!

Great work to Lisa, Kate and the Junior team on making it all the way to the Preliminary Final and fighting hard all the way to the very end. Although you only narrowly missed out on the grand final, it was an awesome effort to get as far as you did girls and you all should be super proud of yourselves.

Congratulations to Karen and the A Grade ladies as well as Flick, Caitlin and the B Grade ladies on a fantastic season and on your Grand Final wins! What an achievement for our club to have two senior teams win a grand final in the same year! I'm not too up to speed with the historical aspect of things, but I'm pretty sure this year will be one to mark down in the history of the club!

Congratulations to our end of year award winners:

- **Junior Fairest & Best:** Jessica Duckworth
- **Junior Runner up Fairest & Best:**
Denica Stoffberg
- **Junior Coaches Award:** Paige Zweck
- **Junior Endeavour Award:** Kira Pearce
- **B Grade Fairest & Best:** Deb Regan
- **B Grade Runner up Fairest & Best:** Sonia Harris
- **B Grade Coaches Award:** Emily Younger
- **A Grade Fairest & Best:** Lauren Duckworth
- **A Grade Runner up Fairest & Best:**
Jemma Bairstow

- **A Grade Coaches Award:** Teneeka Morgan
- **Junior Club Person of the Year:** Shelley Stanton - For her continued involvement in all aspects of our club from coaching (including completing her Foundations and Development Coaching courses for the club), coordinating and participating in fundraising events, attending committee meetings, and always putting her hand up to volunteer for things when needed.
- **Club Person of the Year:** Sarah Allen - For being a great team player and supportive team member, for her tireless work in researching, organising installing our new netball posts, her exceptional organisation skills of our netball cupboard, her donation towards our new post padding and for being a proactive club member by always sharing info on the Facebook page to benefit club members and initiating new club activities such as [Tuesday night](#) scratch matches.

And last but certainly not least, big congratulations to Karen Bairstow, for being nominated for and awarded a **Life Membership** to the Lake Grace Pingrup Netball Club. Karen's commitment and contributions to the club over the years have been epic and it is certainly well deserved.

Darren & Missy Clifford

GRAND FINAL – 3 September 2016

What a great day for a Grand Final, sunshine and very little wind.

Joe had the boys fired up in the rooms ready to redeem themselves for last year's loss.

The boys ran through the banner and were ready for action.

The first quarter was a very even battle with only 1 scoring shot per team for the quarter. The Bombers made a nervous start and began to get into the game by the end of the quarter. At the end of the quarter, the score was Jerry 1.0 – 6 to the Bombers 0.1 – 1.

Joe rounded up the troops at quarter time and said that he needed more out of each player and that the nerves were out of the way so let's start to play good footy..

The second quarter saw the Bombers add their first goal, along with one behind. Jerry added another straight goal. The Bombers started to go harder at the ball and started winning the ball. At half time the score was Jerry 2.0 – 12 to the Bombers 1.2 – 8.

Joe got the team in at half time and re-enforced that we have to be first to the ball and make sure we use it wisely. The team was pumped going into the third quarter.

This was another very even and tight quarter. The Bombers added one behind and Jerry no score. At the

end the score was Jerry 2.0 – 12 to the Bombers 1.3 – 9. This was turning into a very even battle which would be won or lost in the last quarter.

Joe made some changes going into the last quarter as some of the boys were tiring as they had just played a hard game of hockey which went into extra time. He finished up by saying that everyone had to lift for the last quarter and that it was up to the players if they really wanted to win this game.

The super coach's changes worked as the Bombers dominated the last quarter with some hard tackles being laid assisting Jacko and Ben to add a goal each. The final score was Bombers 3.6 – 24 to Jerry 2.2 – 14. What an awesome last quarter by the young Bombers who deserved to win the game. The win was a whole team effort and every player should be proud of themselves and the team.

Well done to Joe for being a great coach all year and bringing home the flag, congratulations.

Thanks to Homer and Ducky for all their support and knowledge given to the players on the field.

Thanks to Deano and Delys for managing the team and organising vote cards and rosters.

Thanks to Stephen and Mark for umpiring.

Thanks to all the parents who helped during training and on game day.

Go the Bombers, you did it.

Darren Clifford

D Grade Captain, Lachlan Younger holds the shield with Coach Joe O'Neill.

This has been a fantastic season of football, topped off with a Premiership. There are a lot of people needed to run a successful and happy club and we are lucky enough to have lots of helpful parents who are always willing to lend a hand. Please know that your help hasn't gone unnoticed and we greatly appreciate it.

We would also like to thank the following people:

- Senior players and community members who filled out vote cards during the season
- Nat Fyfe for sponsoring the D Grade weekly awards.
- Alan Marshall who would include junior's game info and award winners in his weekly footy write-ups in the Lakes Link.
- Brenden Desmond who marks our junior field every home game.
- Our trophy sponsors as named below in our 2016 Award winners.

Your support is greatly appreciated by the players, their parents and our committee.

Sudoku

- ☐ The Sudoku grid of rows and columns is divided into individual 3x3 boxes.
- ☐ The aim of the game is to fill each row, column and 3x3 box with the numbers 1 to 9.
- ☐ You can't repeat numbers in a row, column or 3x3 box and you can't change the numbers already in squares.
