Jumping for Joy Over Back to Back Premierships

Linda Vlasich

Back row: Rebecca Clarke, Kadri Siro, Felicity Young, Shannon Morton, Casey Pinney, Chloe Thornton, Teagan Wilkins and Linda Vlasich.

Front row: Mia Gooch, Billie MacTaggart, Ella Leigh and Caylah Vlasich.

Lake Grace Pingrup's B Grade Netball team were jumping for joy after winning back to back premierships. A convincing win, the final score was LGP 51 to Gnowangerup's 37. A great day, great win and an awesome team.

Congratulations girls on winning the Grand Final, some of you your first. Everyone played their positions well, blending in with each other as changes were made in each quarter. This is a huge credit to each and every one of us. We rock!!

You are a great bunch to work with and made it easy to be a first time coach, I can't thank you enough, cheers

girls and bring on netball season 2018, we're going for the hat-trick.

On behalf of the Lake Grace Pingrup Netball Club I would like to thank Borden for having the courts in ship-shape condition. You did a marvellous job.

Best on ground was Billie MacTaggart who played hard the whole game. What more can I say? You're just awesome Billie, a well deserved award.

Coaches Award goes to my whole 12 players for playing hard the whole game. Everyone of us deserved this. Cheers girls, I thank you again.

Editorial

◇ A huge thankyou to Chloe and Rosie for holding the fort while I was in Perth attending the Linkwest conference that is held every two years. Linkwest are the overarching body for regional CRC's and our metro cousins, Neighbourhood Centres and provide a great service in terms of governance, advice and information. It was a great get together with some inspiring guest speakers and fantastic workshops for us to attend. With CRC's and Neighbourhood Centres facing uncertainty with future budget cuts it is important that we value what we have. There has been conversation in Parliament about the number of CRC's in the Wheatbelt; that in our area there is a CRC for every 1800 people compared to one for every 22,000 people in the Pilbara, one for every 3,500 in the Kimberley and one for every 13,000 in the southwest. Now this might make you sit up and think if you didn't understand the disparity of population within our state, if you forgot that cities such as Bunbury and Albany are included in the southwest. The Wheatbelt is in the position of having towns spaced far enough apart that it is difficult to 'just pop over to the next town and do that photocopy'. There's also a misconception that CRC's are all about computer and internet access; that's what the major focus was 20 years ago but we have moved into other areas. Having said that computer and internet access is still a drawcard as many don't have a functioning printer, have unreliable internet or don't have the software that

they need. Sometimes people just want technological advice because the #@!?*& computer won't do what it's meant to do. Linkwest have supplied us with postcards to give to our clients for them to fill in providing a testimonial as to 'what you love about your centre'; these will be sent to members of parliament. Please rally to the cause and if you would like some postcards please drop in for a chat and pick some up.

- ◇ The CRC has organised a **chainsaw workshop** for the 23rd and 24th October. If you are interested in enrolling for this workshop then please contact the Lake Grace CRC as soon as possible. The **forklift workshop** will be on the 9th and 10th of October. If you have staff needing to do this workshop please let us know. Also coming up is a Customer Service workshop on Tuesday 17th October.
- ◇ Author Linda Bettenay will be in Lake Grace on Monday 16th October to launch her book, 'Apple Core Wars'. We will have more information in the next Lakes Link.
- ◇ It's going to be a very busy week that week; we will have representatives from Albany Ice Breakers in Lake Grace on Wednesday 18th October. They will talk about their programme and how it got up and running.
- ◇ Do you have an appointment out of town that could be done via **Skype or video conferencing**? This could be a cheaper or easier alternative to attend appointments. Give us a call for more information.

Rural Woman of the Year

Taken from <http://www.abc.net.au/news/rural/2017-09-14/tanya-dupagne-rural-woman-of-the-year-2017/8943978>

A remarkable West Australian who is helping rural kids and women to transform their lives is the Rural Woman of the Year for 2017.

Tanya Dupagne founded Camp Kulin in the WA Wheatbelt in 2013, after moving from Perth despite the warnings of her friends that she might regret moving to a town with a population of just 300.

Since then, Camp Kulin has gained national and international recognition for its pioneering work, particularly in helping children and teenagers who have survived trauma.

Ms Dupagne said she was surprised to be named Rural Woman of the Year, at a gala celebration at Parliament House in Canberra on Wednesday 20th September.

She will use the \$10,000 bursary she has been awarded to extend the Camp Kulin program to rural women across regional Western Australia, and eventually the rest of Australia.

"The biggest request we have had is from mums and ladies saying 'We want to come to camp too. When is that going to happen?'" she said.

"That's what this will enable us to provide."

Ms Dupagne said her goal was to make leadership affordable and accessible to everyone, and to provide rural women with the skills they needed to help change their communities.

"There's a lot of issues facing Australia as a whole, things like mental health, domestic violence, all those kinds of things are hard enough already," she said.

"But when you live in a regional community where there is little to no support available, it's even harder.

"So it's really important that we can support women and provide them with the skills they need, so that when those things do come up they're equipped to deal with them."

Rural Woman of the Year 2017 Tanya Dupagne and Deputy Prime Minister Barnaby Joyce.

Thank you

The Nolan family would like to thank everyone who supported Maurice during his illness over the past few years. We are grateful to the good friends, community members and local groups for their time and effort. Whether it be for the visits to his home, dropping in home cooked meals, visits in hospital, and for the continuous well wishes. We would also like to thank those who offered their condolences in cards, through phone calls and in person. The Men's Shed and Lions Club have played a large role in Maurice's life, so we would like to especially thank these groups for their on-going support. We are lucky to have such a wonderful, supportive community of Lake Grace and surrounding areas.

Getting to Know...

By Rosie Timperley

1. **Name:** Cam Hobson
2. **Occupation:** Police Officer
3. **Where did you live before you moved to Lake Grace and when did you arrive in Lake Grace:** Wagin for 18 months, arrived here in early February.
4. **What do you love about living and working in Lake Grace:** I've enjoyed how friendly the community is and seeing how much everyone is prepared to help each other out when needed.
5. **Do you prefer Summer, Autumn, Winter or Spring and why:** Summer- So I can cook on the bbq every night with a cold beer and watch the BBL!
6. **What is one thing you can't do no matter how hard you try?** Cook decent pork crackle...
7. **Which actor would play you in a movie about your life?** Probably one that isn't paid very much.
8. **Where would your dream holiday destination be?** Road trip through every state in the USA.. Starting a go fund me is my only hope of that though.
9. **If you won \$10 million in the lottery and chose to give some to charity, which one would you choose and why?** Having seen firsthand what these organizations are capable of, and losing friends because they didn't get access to the help they needed in time, I would donate to Soldier On & Military Overwatch volunteer groups that are trying to help military veteran's in their battle against suicide.
10. **What one common thing in life terrifies you?** Silverside and Cabbage on a plate.. Terrifies me that people could enjoy that.

Lake Grace Gym Club Season Wrap Up

Vynka Lay

On the weekend of 16th and 17th of September, Lake Grace Gymnastics Club finished off the 2017 season by competing in the "Go For 2 & 5" Southern Regional Gymnastics Association (SRGA) Regional Championships. An annual event, the Championships are held over two days in Katanning, with teams competing from Esperance, Narrogin, Dumbleyung (Kukerin), Katanning, Denmark and this year, Armadale.

MAG Level 1-5

Jack Willis, Lauren O'Neill (Coach) and Clancy Lay

Our team of fourteen gymnasts (two boys and twelve girls) were accompanied by their coaches, Lauren O'Neill, Lisa Pearce, and Renae Jury. Some of our gymnasts had never competed in a gymnastics competition, so it was quite daunting to compete in large groups, in a formal gymnastics setting.

First to compete on Saturday morning were our two boys, Clancy Lay (Level 3) and Jack Willis (Level 1), who competed in a field of 36 male gymnasts in Levels 1-5. Male gymnasts (MAG) compete and are scored on six apparatus (floor, pommel, rings, vault, parallel bars and high bars) and seeing the boys' strength is always impressive. Their scores on each apparatus are tallied to give each gymnast an overall score and ranking. All gymnasts then receive either a gold, silver or bronze medallion based on their ranking. Clancy Lay received a Silver medal, and was awarded the "SRGA MAG Level 3 Regional Champion". Jack Willis, in his first gym competition, did extremely well to earn a Silver medal.

Next to compete were our five Foundation Level 1 girls. Girls compete on four apparatus - vault, bars, beam and floor. In a field of 30 gymnasts, the girls did a great job, receiving the following medals: Gold - Torah Robertson, Silver - Alexis Jury, Aleisha Smith and Chloe Smith, Bronze - Ella Ward.

By mid afternoon it was time for the Foundation Level 2 girls competition. We had just one gymnast, Grace Penney, competing in a field of 39 gymnasts. Grace did a great job of representing the Lake Grace team in this level and received a Silver medal.

It was an early start again on Sunday morning, with our six Level 3 girls needing to be in Katanning at 8am. This level is always competitive, and this year was no exception with an amazing 56 gymnasts competing. Again, our gymnasts did very well, receiving the following medals: Silver - Maisie Lay, Amber Pearce and Eliza Jury, Bronze - Sara Bray, Holly Stanton and Tess Stanton.

L To R Front: Tess Stanton, Amber Pearce, Sara Bray, Holly Stanton, Maisie Lay, Eliza Jury

Thank you to our Head Coach, Lauren O'Neill for all her hard work and patience with our kids throughout the gym season. Her enthusiasm for gym and our Club seems unlimited. Also thank you to Lisa Pearce (President and Coach), who has been coaching our kids for twelve years - we are extremely grateful for the

Lake Grace Gym Club Season Wrap Up (Cont.)

amount of time and energy she continues to contribute towards the success of our Club. Thank you also to Renae Jury (our trainee coach), Tahryn Trevenen our Kindergym coach, and to Deb Carruthers for taking up the challenge to train as a Kindergym coach.

A huge thank you to our Treasurer, Tahlia Willock who has been doing a fantastic job keeping our finances organised.

Special thanks to all the parents who, due to nature of gymnastics equipment and our shared use of the hall, are required to set up and pack up the gymnastics equipment each week and when the hall is booked for other functions. This is a huge undertaking, and without their help gymnastics in Lake Grace would not be possible.

Now that gym is finished for 2017, we would like remind all gym parents that our AGM is coming up. Could everyone please make the effort to attend, because the future of gymnastics in Lake Grace depends on assistance and commitment from all parents.

LGDHS SCHOOL PROMOTION COMMITTEE

What is SPC? The School Promotion Committee was formed 2 years ago to market and promote the LGDHS to our feeder schools – Newdegate, Kukerin & Pingrup. Our main focus is to maintain our High School numbers so the option remains to school children in Lake Grace.

The SPC committee has been busy promoting our school to surrounding schools. Did you know we have buses running to Newdegate & Kukerin to bring students into Lake Grace for High School? This is a massive achievement and a credit to all involved in getting this happening.

Our display at Newdegate generated interest from prospective students, parents and even grandparents. We have had new brochures printed which showcase options and learning paths our students can take on their education journey. The new canvas's displayed the classroom and play environment that Lake Grace DHS prides it's self on. Thank you to everyone who helped with the stand at Newdegate it is very much appreciated.

At present we are awaiting funding approval from several applications to implement a 'Visiting Schools' Program. This program will allow our feeder schools to visit our school twice a term for 1 day to experience a High School day and familiarise themselves with a High School. It will also give prospective students and parents an insight into what LGDHS has to offer.

If you feel you would like to contribute to this committee please feel free to contact the school on 98 651 207.

Huge thank you to the nurses at the Lake Grace hospital and the local Ambulance (cheers Amanda) for looking after Blake and getting him ready for his RFDS flight to PMH. We are lucky it was just a broken wrist and a tiny head injury which was monitored by PMH staff until all clear. We are very lucky to have had so many awesome people around us. Blake says a big thank you!

Education Minister Announces a Reduction to the Boarding Away from Home Allowance

Media Release

The Isolated Children's Parents' Association of Western Australia (ICPA WA) have been informed by the Education Minister, Hon. Sue Ellery MLC that the Boarding Away From Home Allowance (BAHA) will decrease after 2017.

As of 2018, the BAHA will reduce over four years due to the Royalties for Regions (R4R) funding ceasing after 2017.

The BAHA was last increased in 2010 from \$1320.00 to \$2105.00, with \$785.00 coming from R4R funding. ICPA WA have been informed that the following rates will apply:

2018 - \$1948.00

2019 - \$1791.00

2020- \$1643.00

2021 - \$1477.00

Many families throughout WA rely heavily on this funding. ICPA WA have continually lobbied the previous and current State Governments for an increase to this vital allowance.

Members throughout the State are disappointed with this decision saying that once again the Government have forgotten about rural and remote families.

One Kimberley member was quoted as saying "The State Government talk about developing the north, yet give families no incentive to live in remote areas"

Past ICPA Federal President and WA State President, Roxanne Morrissey has said "Any savings the Government may make will be minimal compared to the anguish that this announcement will cause our members who rely heavily on this much-needed allowance".

Government and Independent boarding facilities throughout the State raise boarding fees from between 3 – 8% per annum, with the gap widening progressively between the true cost of sending a child away for school and the allowances received by the Government.

For many students their closest high school is several hundred kilometres away and their only option is to travel to Perth to attend high school. For students residing in the Pilbara their only option is to attend school in Perth as they have no direct access to the Government Country Residential Colleges.

Voice for Regional Education Working Together to ensure access to appropriate education for all regional Australians.

Established in 1971, the Isolated Children's Parents' Association (ICPA) is a national organisation representing rural students and their families at all stages of education and has a large network of

branches throughout Australia. ICPA WA works within the community to provide support and assistance to rural and regional families across Western Australia. We advocate and lobby to assist families to access appropriate education for their children.

Pilbara Branch member Robin Pensini has said "My husband and I were shocked to learn the State Government have implemented a decrease in the BAHA beginning in 2018. Our youngest child of four will begin boarding in Year 8 next year in Perth. Our family has relied heavily on federal and state allowances in order to make ends meet over the past 8 years since our eldest began boarding in 2010. Based on experience, educating children in the northwest in an isolated area has been the most challenging aspect of raising our children. Why doesn't the state government support families like ours who are committed to developing sustainable long term living in regional and remote areas".

Lake Grace Artist Group

Kerrie Argent

Pop into the pop up shop.

Opening on the 10th of September the Landscape exhibition is drawing an excellent number of visitors and sales of art work.

If you haven't made time for a visit, don't forget to call in for a browse.

The exhibition is open every day until 8th October.

It is also the first time we have become part of the Southern Art and Craft trail. Which is all very exciting, we have lots of catalogues so if you plan to spend time on the art trail call in and get your catalogue from us (we are number 1 in the book).

Our artists have all been keeping the space open every day and while they are there they are working on new artworks, this week we have seen basket making, spinning, felt making, journal making, drawing, and of course chatting to the visitors, Thanks ladies and John for your hard work. Some of our members have travelled from Williams, Narrogin, and Kulin to help keep the space open.

On top of all this some of our artists have also brought in items for our Pop up Shop, so if you are looking for a gift or hand crafted item or small painting call in and check out our selection, this is on only until the 8th October.

Annie Johnson and Sue Noakes committee members of Southern art and Craft trail visited the Art Space on Monday to check out our venue, complete a risk assessment have lunch and a chat, also do a bit of shopping at our pop up shop: they loved our space.

WORKSHOPS

Polymere Clay

Our next workshop is learning how to use Polymer Clay with Susan Usher on Saturday 28th October, this is a one day workshop. The workshop is \$120 and this includes all the materials you will need. For bookings or further information email

jeannemelville54@hotmail.com Textile Workshop We also have Dale Rollenson from the thread studio coming down for a two day workshop on the 11th and 12th November, at this stage we have a waiting list for

this exciting workshop, but if you are keen let Jeanne know and put your name on the waiting list just in case. Dale will be coming back in February for a further workshop different to this one. Also Dale will bring her pop up shop of anything textile, so you will be able to come and shop even if you can't make the workshop this will be after 4pm on Saturday afternoon but will let you know other times closer to the date.

We have already been looking at workshops for next year so if you have any bright ideas lets us know.

Resin

We are having a resin workshop in January but this is only open to members so if you want to participate you need to renew your membership or become a member.

Congratulations to Val Whiting for winning two first prizes for her work at the Corrigin Show.

Tanya Spencer, Jayne Argent and Kerrie Argent have work exhibited at the new gallery space at the Bird in the Bush Cafe in Pingrup, this is part of the Bloom festival that is on for the month. Don't forget this years Christmas theme is wreaths any medium any size indoor or outdoor start creating, the beginning of December is not far away. Decorate our town with welcoming Christmas wreaths.

Glenda Slarke is looking for white buttons so if you have a stash somewhere you are happy to give away I'm sure Glenda would love them.

Kerrie Argent is still collecting aluminium cans if you want to save them and drop them off at the artspace for me.

Empty biscuit, chocolate, cake tins etc that are no longer wanted or loved.

Any shape size colour or condition. Leave these at the Lake Grace regional artspace or ring or text Kerrie 0447791399 to organise to pick up, all donations gratefully accepted .

Regional Aged Care Top of McGowan's Hit List

Media Release

Nationals WA seniors and ageing spokesman Peter Rundle says aged care has been abandoned by the McGowan Government after almost \$50 million for regional ageappropriate housing was wiped from the State Budget.

Mr Rundle said omission of \$46.2 million of Royalties for Regions funding committed by the previous State Government for seniors housing across 27 local government areas would force hundreds of seniors to seek accommodation options elsewhere.

"The Labor Government has shown no compassion making this decision, which means overall more than 170 specially designed age-appropriate and worker houses will not be built in the south of our state," he said.

"Such disregard for the elderly is shameful and goes against the findings of a landmark report that has guided previous Government investment in regional seniors housing."

The majority of towns and projects hit by funding cuts are in the Wheatbelt and Great Southern, however, the Budget reveals funding for a 12-unit project in Brunswick Junction has also been abandoned.

Mr Rundle said investment had been guided by the Ageing in the Bush study that identified housing and care models enabling ageing regional residents to age in their communities.

"Cutting funding has jeopardised federal funding leveraged for the some projects and many millions of dollars raised and committed by Shires and community groups," he said.

"It is one of the most unpardonable acts of this Government to date. The Nationals WA will continue advocating for investment in regional aged care and housing."

Member for the Agricultural Region Colin de Grussa MLC said the McGowan Government had chosen to fund Perth election promises and use Royalties for Regions to pay for regular government services in the bush rather than keep seniors connected with their regional communities.

"WA Labor has raided Royalties for Regions to pay for teachers, subsidies for the delivery of water services and general road spending and are slugging households higher fees and charges," he said.

"The McGowan Government has failed to deliver on its promises and regional Western Australia will suffer the most."

Capacity, A Wellbeing Driver

Warrior Wellbeing Article

A word that I feel is over used and out of context in the modern world today is the word 'resilience' and I would like to question the use of that word. There is even a whole industry built around 'resilience' in the form of providing training and education services in this space.

Resilience is the correct word if used in the context of a person's ability to 'bounce back' ie. recovering from shock or trauma. However, when it is used about:-

- our ability to cope with everyday life;
- going through a shared adversity such as a natural disaster;
- an adverse personal event (ie. death or illness);

it is often used out of context because these experiences encompass much more than just 'bouncing back'.

Both on an individual basis and as a community it is not until we experience a traumatic event or been pricked by a circumstance that we will find out how resilient we are. The public is telling us that all the time.

Consequently, when we use the word 'resilience' we are pigeon holing an individual and/or community into a category that 'so called' experts want us to fit into. For example, after a traumatic event the experts are quick to say that the community and/or individual is 'resilient' rather than acknowledging that we all have a random 'capacity' when operating outside our comfort zone. I suggest that a better baseline word to use to encapsulate all the times in our lives (the good as well as the challenging) is the word 'capacity'.

Capacity is the capability to contain and accommodate stuff in our lives. This conveys a positive vibe to us as we endeavour to maintain the right balance.

We are all born with a random capacity to deal with life's issues. It is a bit like a rubber band and we all know and recognise an individual's capacity to operate fully, half, or to not appear stretched at all. No matter what we are challenged by, we all have ups and

downs, and the word 'capacity' allows us to capture our entire range of qualities be they good, bad or ugly and to then carry on and cope with what hand we are dealt.

Our total state of physiological wellbeing is encapsulated in our individual capacity to both build stuff into our lives (something that is important for us blokes) and deal with stuff thrown at us from time to time through our life's journey.

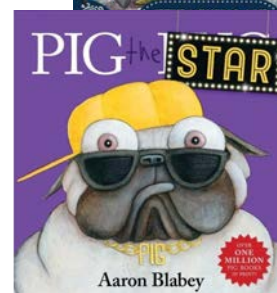

When we combine the capacity of us as individuals with us as a collective community we have harnessed an enormous capacity to live and thrive in rural and regional Western Australia.

When talking about individuals/communities we should coin our comments around capacity from a strength base platform rather than resilience ...this in turn will have a positive influence on our wellbeing.

G'day all,

Summer is nearly here and as the days get longer and warmer so does the workload for the Lake Grace Police Station. That's not to say we are in the midst of a crime wave, however the increase in tourist traffic sees us on the road a lot more and also the warmer months bring the music events, country shows and our very own Newdegate Field Day.

I would just like to take the opportunity to publicly congratulate the Newdegate Field Days Committee for the fantastic show they put on this year. From a Police point of view there was nothing left to chance and the Committee did a thorough job of making the event a safe and trouble free one.

Newdegate recently suffered some vandalism on the oval, as many will know, and we are pleased to announce that we have apprehended and charged a male for a number of traffic offences in relation to this incident. It was community information that led us to this individual and I am pleased you have all responded so positively to my requests from previous newsletters.

Other positive results in recent weeks were that a Pingrup male has been arrested and charged for a number of burglary and stealing offences in Pingrup. He left some fingerprints at some crime scenes leading to his eventual arrest. He was questioned regarding the Lake Grace Sportman's Club break in (the same weekend) and we are satisfied that this male is the culprit. He faces Katanning Magistrates Court soon and we will keep you posted with any further updates. Just a reminder to all Sports Club Presidents and Committees to review their security arrangements before stocking up with food and alcoholic drinks for the spring and summer sporting seasons. We are more than happy to come and visit and provide crime prevention advice if you want to call and make an appointment.

A recent traffic collision highlighted a bit of a knowledge gap within the community, and thought I'd raise a couple of points for information of everyone. If you have a collision with another vehicle the details you exchange with the other driver are name of the driver and their driving licence number. You are not required to provide phone numbers or home addresses, but some do this when things are amicable. I would advise anyone to also write down rego plates before leaving the scene. If one or both parties is getting heated – call for Police to attend using the station number. If it seems violence is imminent or serious injury is involved dial 000. By leaving the scene of a collision without exchanging details you could be committing an offence.

Traffic crashes can be fairly fraught situations and it is to be expected that tempers might fray, but as a driver you need to be responsible enough to make reasonable decisions regardless.

On a personal note the Lake Grace LDAG (Local drug Action Group) is up and running and are building on some initial successes. Keep an eye out for upcoming LDAG sponsored events such as "Ice Breakers" visiting Lake Grace soon. If anyone is keen to jump on the committee please make contact with either myself or Suzanne at the CRC.

As always we can be contacted at the station on **9890 2000** and in the case of an emergency dial **000** as per normal. Please be patient if you ring the station and get through to Albany – the call taker will help you and make contact with me if they deem the matter to be urgent.

Till next time

Anaphylaxis is an Emergency!

Anaphylaxis (A SEVERE AND SERIOUS ALLERGIC REACTION) is rapid in onset and may cause death if not treated quickly!

Causes can include bee sting, food allergy (eg peanuts/ seafood). People with known allergies should avoid contact with the allergen and carry an EpiPen at all times.

Symptoms occur suddenly and can progress quickly to become life threatening so treatment needs to start as soon as possible

The initial symptoms may be coughing, itching, hives, fainting, trouble breathing, swollen tongue. These can quickly progress leading to loss of consciousness and may need CPR.

- If the person has known allergies and carries an EpiPen then administer it
- You must call for an ambulance on 000 and/or start to head for hospital—more treatment and monitoring will definitely be necessary
- Monitor the patient and be prepared to administer a second EpiPen (if available and symptoms do not improve) and be prepared to perform CPR if breathing and pulse stop

If recognised and treated promptly people suffering anaphylaxis will generally make a full recovery. So even if you doubt the need for treatment, it is better to be safe than sorry.

Enterprising Communities - Community Film Nights

The Shire has three Community Film Nights taking place from Tuesday 17 October at Newdegate Community Resource Centre, Wednesday 18 October at Lake King Memorial Hall, and at Lake Grace Community Resource Centre starting at 6pm each evening, with a light supper.

The films will highlight successful enterprises initiated and driven by communities to inspire and motivate other communities across the Wheatbelt. The evening is an opportunity to watch documentaries in company with some nice people, catch up socially and enjoy a good discussion afterwards of how good our community is, but also how we can make it better.

Isn't about the Shire taking responsibility for change but by providing the venue for these workshops where options and ideas can have an airing. What is working in the community, where are the gaps, what could be enjoyable to do together, how can we do something that does not exhaust our volunteers, how you can build a sustainable community.

We have a great facilitator coming to the three evenings who has already run a similar workshop for Goomalling and she will make notes of any options, ideas and interest that come out of the Film Nights. Part of the project was to set up a Community Enterprise group, but we already have great community groups that are working well, so we have asked them to partnership

with these exciting groups, and this was approved. The benefits of the film nights will extend well beyond the Community Movie Night.

These events strongly align with the Social Objective identified by the community in the Shire of Lake Grace's Community Strategic Plan that "a strong community spirit was precious and to be protected", and need to be supported.

Building and Maintenance Team

This fortnight, Wayne Trawinski, the Shire's Building & Maintenance Supervisor reports that works continue on Independent Living units:

- Painting continues
- Flooring complete
- Window treatments commenced
- Shower screens installed
- Mirrors to be fitted.

The Lake Grace Sports Pavilion upgrade:

- Demolition complete
- Plumbing pre-lay complete
- Kitchen walls building to commence on 26 September.

Varley Hall: The new stoves have been installed. Maintenance requests completed over the past fortnight:

- Varley Toilets;
- Varley Sports Pavilion;
- Newdegate Sports Pavilion; and,
- 5 Banksia Lake Grace.

Road Works

During the past fortnight, the Construction Crew have moved from Webb Road to Burns Road due to Webb Road being too wet. They will go back once it has dried out. They will continue working between Burns and White Dam Road for the next few weeks.

The Maintenance Grader has shifted to Buniche Road area, and is working up through McGlinn Road and will be there for the next few weeks.

The Newdegate grading contractor will be continuing to work on Mount Vernon Road and in that area.

The Lake King grading contractor has finished Norseman Road, Hogan Road and Biddy Camm Road, and is waiting for weather conditions to improve before continuing.

New Website Launched to Encourage Safe Farming

Safe Farms WA Media Release

Western Australian farmers are the target of a new website that seeks to protect farming families and workers, and improve farm business performance through better safety awareness and practices.

Safe Farms WA (formerly known as the Farmsafe WA Alliance) received \$20,000 from the CBH Group to develop the website, www.safefarms.net.au, which was showcased today at the Newdegate Field Day, and provides growers with materials relevant to their farming business.

CBH's sponsorship directly supports grain growers and industry members by providing a new trustworthy place to access up to date and important information, such as legislative requirements as well as a practical and comprehensive customised manual, to help growers build a culture of safety, health and wellbeing.

Safety Champion and Chair of Safe Farms WA Mike Norton said the new website would be the first of a suite of offerings currently being developed by Farmsafe WA.

"Western Australian farmers are global leaders in innovation and production – we can also be leaders in on farm safety," Mr Norton said.

"Our partnership with CBH is a perfect example of having industry on board supporting us so that we can provide the solutions farmers need.

"We're pleased that there is recognition for the importance of safety on farms, and we will continue to work hard and build strategic alliances with industry."

CBH Group Chairman Wally Newman said he was positive about the co-operative's support for the new website.

"CBH's sponsorship ensures that Safe Farms WA can continue to provide important information and safety tools for the farming industry," Mr Newman said.

"At CBH, our vision is for everyone to return home safely at the end of each working day.

"No one wants anyone to be injured on farms, and we also don't want growers to incur what can be large fines or risk losing your farm because you weren't aware of your responsibilities in regards to safety."

SAFE FARMS WA VISION Safe Farms WA is committed to supporting farmers in making their workplace a safe environment, through the reduction and prevention of accidents and deaths, leading to improved productivity and well-being.

2 Positions Vacant
Jerramungup Community Resource Centre

Centre Manager
Part Time: 9 hours per week (1.5 days)

The Jerramungup Community Resource Centre requires an enthusiastic and self-motivated person to take on the role of Centre Manager. The position begins with a 3 month probationary period.

As Centre Manager, you will be responsible for:

- Overseeing all operations of the Jerramungup Community Resource Centre including the library services
- Supervising staff, including trainees
- Compiling reports, e.g. yearly Business Plan, tender application, grant applications and acquittals
- Working closely with the Management Committee and attending committee meetings
- Liaising with the Department of Regional Development, Shire and other stakeholders

This role requires a high level of communication, organisation, initiative, time management and reliability. A good knowledge of grant applications & acquittals, budgeting and business planning will be beneficial, however training can be provided in this area. On the job training will be provided in all other areas of the position.

This is a unique opportunity to take part in a role that is continually evolving and gives the successful applicant the chance to play a part in the CRC Network and the community. This position will report to the Management Committee of the Jerramungup CRC.

Finance Officer (Bookkeeper)
Part time: 7 hours per week

The Jerramungup Community Resource Centre requires a bookkeeper to assist the Management Committee to develop and maintain best practices in its financial management. This is a part time position, 7 hours per week. The position begins with a 3 month probationary period.

The bookkeeper is responsible for the following, in addition to other duties deemed suitable by the Centre Manager or Management Committee as they arise:

- Compiling financial reports as requested by the Jerramungup CRC Management Committee and the Community Resource Network
 - Assisting with funding acquittals and reports
 - Wages, Superannuation and BAS
- Invoicing, creditor payments and banking

This role requires a high level of communication, organisation, initiative, and time management skills. Competency with MYOB is an asset. There will be on site training in the CRC financial systems and requirements.

For further information on these positions, or to obtain a copy of the full job description, please contact Rachel Bock on 0458 354 169 or email rachelebock@bigpond.com

Applications can be emailed to rachelebock@bigpond.com or posted to the address above, clearly marked as 'Confidential'.

Applications close 4pm, Monday, 9th October 2017
Late applications will not be accepted.

Golf Notes

Craig Reeves

Well the 2017 golf season has come to an end so it's time to put the sticks in storage for the summer months (for some anyway) and pick up some of the slack in the parks and gardens before the 2018 season is upon us.

Closing Day was a 3 person ambrose, sponsored by Steve, Helen and Adam at Lake Grace Communications. If they hadn't been sponsors they would have won by a mile as they left the rest of the field in their dust. Winners of the day were that fabulous threesome, Phil Young, Nick Maalouf and Gary Frost with a score of 61 5/6. Runners-up were Michelle Lay, Stephanie Lay and Sonya McSwain with a score of 64. Hardest triers of the day were Shaye Bowron, Ben Tompkins and Kane Pinney; hoping to see you out on the fairways in 2018. Novelty winners were NTP No.4 Michelle Lay (sponsored by Justin Wright at Elders Insurance); NTP No.6 Ben Tompkins (sponsored by Lake Grace Roadhouse); NTP No.15 Michelle (sponsored by LG Post Office) and NTP No.18 Michelle (sponsored by the Lake Grace CRC). Long Putts: No.2 Sonya; No.9 Michelle; No.12 Kane; No.16 Sonya; you're right Sonya your short game wasn't too bad! Long Drive on No.3 (sponsored by Steve Hunt) for the Ladies was Denise Gobbart; Long Drive for the Men on No.10 (sponsored by Derek Stanton) was Kevin Eggers.

Following the days play the club held their windup and awards presentations. Men's Champion Kevin Eggers, Runner-up Nick Maalouf; Ladies Champion Helen Hunt, Runner-up Michelle Lay.

Winner of the Men's Eclectic was Matthew (Merv) Spurr, winner of the Ladies Eclectic was Helen Hunt.

Yearly Long Drive for the Men was won by Craig Reeves while the Ladies Long Drive was won by Denise Gobbart.

Congratulations to all of our winners and we look forward to seeing you all in the 2018 season; thank you also to all of our sponsors throughout the season, wouldn't be as much fun without you! The AGM will be held on Thursday 19th October, 7:30pm at the Lake Grace Sportsman's Club. Could as many members be there as possible....don't be frightened...it's your club and it would be great if everyone played an active role in running it.

“Proudly servicing and supporting the Lakes District since 1991”.

Some great Spring rains have given the district crops a shot in the arm and hopefully hasn't caused too much damage to anyone with hay on the ground. While harvest seems like quite a way off yet, it's a good time to consider some pre season maintenance to get your machinery ready.

If you haven't checked your alternators on the header for a year or so, remove it and bring it in for a service. The most common alternator fitted to headers at the moment retails for over \$1000 but can be serviced for a fraction of that cost. Most common cause of failure - bearings.

We carry a full range of Bosch batteries, we can charge and load test your existing batteries and carry a full range of accessories should you need to upgrade wiring etc. Speaking of accessories, we have been recently upgrading the showroom, so why not drop in and have a look? We are clearing some stock at crazy prices to make way for new lines, so it will be first in best dressed!

Don't forget we have two field service units and are on call 24/7, so ring us about the jobs you need to tidy up on farm, we can normally work it in with other jobs in the area.

Growing Up in Lake Grace Pt VIII

John Dyke

A former resident of Lake Grace, John Dyke was born in King Edward Memorial Hospital in Subiaco, on 24 April 1935, to Noel Frederick Dyke and May Dyke. Dad had gone ahead to Lake Grace as Secretary to the Road Board. They had come to West Australia from Wales, UK, in 1926, paid their own way, and were sent to the South West, south of Bridgetown, to one of the Group Settlements, No's 126 and 127. The whole thing was a complete con between the British and Australian Governments, promising the new settlers a house, good land to cultivate, and the promise that within a few short years, working hard, they would be wealthy enough to return to the UK and have a good holiday. John and his wife Cheryl currently live in Albany. The following is the eighth part in a series detailing some of John's earlier adventures.

Early In 1959 I was patrolling up through Kings Park at about 9.30pm when I noticed the car in front of me was being driven erratically so I pulled the driver over in a parking area to have a chat with him. He got out of the car and said have I done something wrong officer? I could see he had been drinking and said yes your driving is a little erratic, have you been drinking? He said yes officer we had a few drinks at the office myself and the other directors after the staff had gone home. I realise I have done the wrong thing and must apologize,

my wife will probably kill me for this but you have a job to do and I am prepared to accept the consequences.

He was extremely polite and well dressed, we chatted on for a few minutes and I then said do you have anything in your car of any value to which he replied only my brief case officer. I said go and get your brief case and lock the car and then give me the keys, to which he replied, yes of course officer. He came back to me and handed me the keys. I asked him where he lived, and he replied Nedlands officer. I said get on the back of my bike and hold on tight as I don't want to lose you and have to explain that to your wife. So he did and I took him home. Took him to the front door and knocked, the door was opened by a lady in her late thirties or so, I said I'm sorry to bother you madam but your husband has had a few drinks so his car is in Kings Park and I have brought him home.

She took one look at him and said, I have told you before Charles the next time you come home at this hour of the night half drunk I'm going to divorce you now go into the lounge sit down and be quiet. Charles did and I said do you mind if I come in and we can have a chat. She said of course not officer, you should have locked him up and that may have knocked a bit of sense into him. We sat together at the dining room

table. I said do you have any children and she replied yes officer two boys aged 14 and 16, they are upstairs in bed asleep after having finished their homework. Where do they go to school I asked. They both go to Scotch College officer. Are you involved with any clubs here in Nedlands. Yes officer we both belong to the Golf club. Charles, I said, what do you think would happen if I arrested you for drunk driving and in the worst case you got 3 months in Fremantle Prison. Would the golf club want you still as a member, would your wife be looked down upon by the other ladies, and what about your 2 sons do you think Scotch College would want the sons of a convicted criminal doing a jail sentence mixing with the other students. Charles you have a beautiful wife and 2 sons who need you as a husband and father, do you want to destroy your marriage and lose your boys? No I don't officer and as of this moment on I promise my darling wife who I love with all my heart that I will never have another drink. I gave the lady the car keys told her to ring for a taxi and I would wait and when it arrived I would escort the taxi back to their car, and she could then drive it home. As I was walking out the door she threw her arms around me and gave me a big kiss on the cheek, and said thank you officer you are the nicest Policeman I have ever met and I will always remember you.

Some three months later I was on patrol sitting off the highway next to a shopping centre in Nedlands when she came up to me, we exchanged greetings and she said, I can never thank you enough for what you did for our family, Charles and I are very happy and he has not had another drink since that night. I said some people deserve another chance in life and I am glad I was able to give you that chance and we parted company.

A year and a half later I was sitting in the same spot and she came up to me again, I have to tell you officer both of our boys are doing very well at school the eldest is being put forward as School Captain and the younger is doing extremely well academically, Charles is now the Chairman of the board and we are so very happy, Charles wants to meet with you so that he can thank you personally. I said I would love to, your husband is a true gentleman, but I can't as such a meeting could be misconstrued as corruption, just give Charles my best wishes and God bless you and your family. And that was the last time that we met.

In about 1959 I joined the 10th Light Horse Regiment and within the next 12 months there were 6 Police officers in the regiment, all Sergeants in C squadron. Only one with previous military experience and that was "Baldy" Peter Sims who had served in Korea. Baldy used to tell us the Korean's had the edge on the allies as all they needed in food supplies was a bag of rice in their backpack, whereas the allies needed a convoy of trucks to supply enough food to feed them. In January-February of 1961 we were to carry out exercises against the British Commandos who had just come down from Singapore on the Aircraft Carrier HMS Bullwark. I had six Ferrit Scout Cars in my troop with a driver and Crew Commander in each vehicle.

Attached to the troop were approx. 20 SAS Commandos and Sergeant Ray Simpson who was with me on my Ferrit. Our job was to transport the SAS troops overland just after sundown for something like an hour and a half, then when Sergeant Simpson said we were in the right location we stopped, his boys got off and they disappeared into the night. An hour or two later we would hear a number of explosions and another hour later they would return jump on the Scout cars and we would travel back to base.

I must say that I have never met a guy who came across as tough as Ray Simpson at about 5 feet ten inches with a huge barrel chest, and muscles everywhere. Just to look at Ray you would think I wouldn't like to tangle with this bloke. Each night before moving out Ray would give his boys a rundown on where we were going and what they would be doing and who was doing what, Ray used to swear a lot and watching and listening as I did each night I always got the impression that if Ray said ok you guys follow me we are just going to jump off this cliff it's only 100 foot down but the landing will be soft, each one of them would have followed.

One night he said to me, John how do you put up with the Officers you have, not one of them would last a day in the real man's army. I said Ray they give the orders, mostly they drink a lot of booze and we take very little notice of them, we do the job, but we do it our way. Ray said well keep doing it your way John. I have a photo I took one morning just after we had finished breakfast, not a good photo but it shows Ray in the foreground kicking out the fire and behind Ray is my driver Lance corporal Adrian Roberts.

Adrian was a big chap about 6 feet 2 inches, good looking guy and heavily built, he absolutely loved the army, and in civvies was an art teacher. Adrian was accepted into our military college Duntroon, graduated as a 2nd Lt and the next I hear of him, he is mentioned in dispatches fighting in Vietnam in charge of an APC group.

Adrian has appeared on T.V. several times being interviewed about that battle. The last time I met Adrian was on Rottnest Island in the 70's and he was telling me that he was thinking of leaving the Army as promotion was very slow, he was then a Captain. The next time I saw Adrian was after the death of Sir Robert Menzies our longest serving Prime Minister. The funeral would have been the largest in Australia's history, was broadcast live on Television and as I sat down to watch, the commentator was saying. "And now swinging into the Boulevard is the 2nd 44th Battalion (may have been another Battalion) and leading the Parade is Lt Colonel Adrian Roberts, and there he was looking like a million dollars leading a Parade of thousands. And I thought then good luck to you Adrian you deserve to be leading that Parade. I have since learned that Adrian is now a full Colonel.

GSFL Grand Final

Lake Grace had good representation across three of the four grades playing for Royals Football Club in the Great Southern Football League Grand Finals on Sunday 17th September at Centennial Stadium in Albany.

Poch Amores and Blair Watson (Captain of the side) played in the U16's against Albany (Sharks) FC, coming away with a win 5-5 (35) to 3-6 (24). Unfortunately, Blair received a couple of solid knocks during the game which saw him taken to hospital as a precaution. You'll be pleased to know he's fine and was back to support the other teams later in the day. Poch who was recently awarded Runner Up Fairest and Best for the GSFL 16's, was considered one of Royals better players for the game. Poch also received 3rd Fairest & Best at the Royals Presentation night on Saturday.

In the Colts, Lake Grace boys Zhane Robertson and Ben Watson were instrumental in the nail-biting game to come away with a one-point victory over Albany (Sharks) FC, 5-3 (33) to 4-8 (32) for back to back premierships. The final goal kicked with only 47 seconds remaining. Zhane was regarded one of Royals best for the game and was awarded Coaches Award for the Colts for 2017 at the Royals Presentation evening on Saturday.

Cent Amores played a defensive role in the injury plagued League game which saw Royals lose to North Albany 9-8 (62) to 8-11 (59). A close game with the lead see-sawing continually throughout the day, North Albany managed to snatch the victory in the final minutes.

Congratulations also to Railways U16's player and Lake Grace local Mitchell O'Neill who was awarded Railways U16 Fairest and Best at their presentations on Wednesday last week.

Lake Grace/Pingrup Football Club Combined Winter Sports Windup

Allan Marshall

On Saturday September 16th the LGPFC held their windup in conjunction with ONA senior netball and OHA senior hockey clubs.

Congratulations to both A and B netball clubs who won their premierships for 2017. A great effort.

The netball girls organised the dinner and decorated the hall to the theme of a spring horse racing fashions of the field event and all of our lovely ladies were dressed in the spirit with fascinators and beautiful gowns.

The night was MC'd by Luke Bairstow and Gary Prater who kept the patrons amused throughout the night and we were even entertained by 'Showman' Dennis Gittos late in the evening which brought the house down. The excellent dinner was catered for by Michelle Harris from Nyabing for the second year in a row. Greg Amores came from Albany to provide the DJ services for the night.

Notable were the awards presented to recent arrivals to the district who have contributed to our local sport throughout the year and we really appreciate your contribution to making our sport so successful.

We look forward to 2018 for another winter sports season.

Round 15

Saturday August 19th

LGP-3 JER- 1

The final round of the season saw our girls come together and deliver a great game of hockey, with some specky play including a tomahawk goal by Yasmine and deflection on the post by Billie. Once again, Best on Ground went to Tim Tam-Tameka and Coaches workhorse went to Georgia Porgia.

Semi Final

Saturday August 26th

LGP-0 NEWD-2

We knew we had to go out there and give it our all. With the speed of the turf we knew it wasn't going to be an easy game. The girls gave it their best but teamwork and communication let us down. We had a great turnout of supporters to keep our morale up and managed to play a much better second half, however it wasn't enough and we went down 2-0. Best on ground went to our leading ladies, Yummy Yasmine and Luscious Lynnie.

Preliminary Final

Saturday September 1st

LGP- 3 JER-0

Coming out of last week's loss, we had even more determination to go down to Jerry and give them a thrashing, to get our team into the grand final. And that is what we did. With only hockey to focus on, we went in cool calm and collected and ready to win. Jerry held in and kept fighting, but it wasn't enough and we took the game 3-0. Goals scorers were Billie, Yasmine and Britto, who scored an epic goal from the most impossible angle just inside the D. It was incredible! Best on ground went again to our el capitano's; Feathersword and Carruthers.

Grand Final

Saturday September 9th

LGP- 1 NEWD- 3

After a fun final training session in our best lycra, it was all business come game day. The grand final rematch of 2016, we wanted to win. And we came oh so close. After dominating the entire first half, we were unable to convert until Natto brought the goods and got us on the board during a short corner on half time. It was the upper hand we needed and got us moving even harder into the second half. We fought hard and were unlucky to have our second goal overturned with a penalty flick awarded instead. Unfortunately the hideousness of the Newdegate Bus behind the goals, put Britto off and Newdegate were quick to come back with a goal to

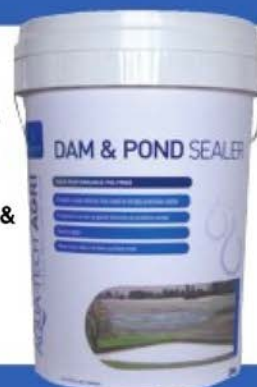

level the scores. We gave it our all and every girl went out there and left nothing on the field, Georgia continued to play with a torn hammy, Yasmine took and

ball and a fall to her hip, Britto was taken out by her own sister but it just wasn't enough, with the final score 3-1. There were some stand out plays across the game by Deb, Chloe did an amazing job defending the goals, Sissa, Donna and Missy controlled the back line, Yasmine, Tameka, Britto and Lynnie ran all game, Arlene took a ball to the face and Teagan, Bridget and Natto were great supports throughout the game. It was heartbreaking that we couldn't get another premiership under the belt but you can't win them all, however it was awesome to have not only one but 3 out of 4 Best in Grand Final players from LGPHC; Legendary Lynnie, Dynamite Donna and Queen Billie. Congratulations to Lyn for also being awarded the Association Runner Up Fairest and Best!

Thank you to all of the supporters who came to our games across the year and to those who came and watched our finals, it was great having the extra cheering and support on the sidelines. Thanks to Jamie for umpiring across the year and also a very big thank you to Yasmine and Lyn for your great leadership and Darren for coaching us again and helping get us to another final. Lastly congratulations to Missy and the Junior Hockey team on a fantastic win. Well done!

Thank you to all our award sponsors and congratulations to all recipients.

Our B grade side narrowly missed out on finals after finishing in 5th position. Our kids in C Grade finished 4th and were defeated 2-0 by Corrigin in the first semi-final. A grade finished the season as minor premiers but couldn't progress beyond the Preliminary Final where they were defeated 3-1 by Karlgarin/Hyden who went on to win the Premiership for 2017.

Congratulations to Tahryn Trevenen and Mel Enyon who were the two highest goal scorers for RDWHA this year.

Thank you to all who supported the club throughout the year. Our players, supporters, sponsors and volunteers, your commitment and dedication to our club is valued beyond measure.

The AGM will be held on Monday 16th October at 7pm at the Lake Grace Sportsman's Club. We encourage all current and prospective members to attend, especially any men interested in playing next year.

Sudoku

- ☐ The Sudoku grid of rows and columns is divided into individual 3x3 boxes.
- ☐ The aim of the game is to fill each row, column and 3x3 box with the numbers 1 to 9.
- ☐ You can't repeat numbers in a row, column or 3x3 box and you can't change the numbers already in squares.
