## Winter Sports Resume

Suzanne Reeves

Above: Royce Taylor (co President), Alistair Hunt (Reserves Coach), Damon Pelham (League Coach) and John O'Neill (co President) at the Lake Grace Pingrup Football Club jumper presentation.

Following on from their Thursday evening training the Lake Grace Pingrup Football Club held their jumper presentation on 16th April at the Lake Grace Sportsman's Club.

Players and supporters enjoyed a steak tea before getting down to the business end of the evening, the presentation of the jumpers.

Royce Taylor and John O'Neill are sharing the role of President of the Club and both were on hand to assist

the coaches, Damon Pelham and Alistair Hunt with the task .

The club's first fixture was held on Saturday 18th April, a home game held at the Pingrup sporting precinct.

With both their teams finishing fourth on the ladder in 2014, Royce Taylor is feeling positive about the 2015 season. With good numbers attending training, which started in February at the pool, he is confident that Lake Grace Pingrup can achieve finals in 2015.

## Black Diggers Westlink telecast

Residents in regional Western Australia will have the opportunity to see a telecast of *Black Diggers*, one of the theatrical highlights from this year's Perth International Arts Festival.

Through a series of vignettes, the cast of male actors tell of the hundreds of dispossessed Aboriginal soldiers who heard the call to arms and stepped up to fight for Australia on the battlefields of Europe.

Drawing from interviews with the families of these soldiers, as well as conversations with veterans, historians and academics, the production tells a story of honour and sacrifice, with a lightness of touch and an Aussie-larrikin attitude.

By turns witty, moving and enlightening, it is an important part of the 2015 Anzac Centenary commemorations.

*Black Diggers* is a co-production between the Queensland Theatre company and the Sydney Festival, and was written by Tim Wright and Directed by Wesley Enoch.

*Black Diggers* will be telecast via Westlink on Friday 24 April and 7.30pm.

# Carruthers - Harris Wedding

Sonia Carruthers and Russell Harris were married on Saturday 11<sup>th</sup> April, with the wedding ceremony and reception held in the relaxed surrounds of Walkers Hill Vineyard in Lake Grace. The day was a huge success and the local couple were a vision of happiness as they celebrated this special occasion with family and friends.

Sonia looked stunning in a custom designed bridal gown of fitted white silk with lace inlays and elegant silk chiffon sleeves. Russell was handsome in a navy suit along with his brother, Dustin Harris (best man) and groomsmen Grant O'Neill, Quinten O'Neill and Danny Harris. Sonia's five beautiful attendants included her sister Leanne Trevenen (maid of honour) and close friends Beth Hurley, Melanie Wilson, Sophie Mayer and Sian Robinson.

The recently completed function area was immaculately presented with vintage inspired decoration, providing the perfect setting for the cocktail reception. The event was a showcase of country hospitality and talents, with many of our locals involved in providing the services and supplies including decorations, food and beverages, entertainment, accommodation, waitpersons and the Lake Grace and Pingrup Community buses were hired to safely deliver guests back to town.

The wedding was a credit to Sonia and Russell who had a clear vision for their wedding day which marks the beginning of their lives together as husband and wife.

Together with their parents, Greg and Paula Carruthers and Neville and Pam Harris, they wish to sincerely thank Jared and Tania Bray for providing such a wonderful venue at Walkers Hill Vineyard and congratulate them

on the professionalism and high standards with which they organised this event. Special thanks also to Ollie and Lucy Farrelly for the wonderful hospitality they showed the bridal party and family who stayed at The Saltbush Inn.

# Sensational Food at the CRC

Suzanne Reeves

Food Sensations is a practical nutrition education initiative which has been developed for Foodbank WA's school and community networks. Running for the second time at the Lake Grace Community Resource Centre it is a fun programme operating over four weeks with each session running for 2 hours.

The sessions are interactive, utilising the video conferencing facilities between the centres taking part and Foodbank in Perth where dieticians and the Food Sensations coordinator are on hand to cover a range of nutrition principles. The programme focuses on providing skills to choose and prepare healthy foods through practical interactive workshops.

The four sessions cover the healthy eating pyramid, serving sizes, sugar in drinks, diabetes, homemade versus takeaway foods and how to read and understand food labels. Following each learning session the group then cooks a healthy meal from the recipes and books provided to share amongst themselves.

After having a group of ten take part in the workshop in 2014, the CRC elected to run the series again this year. Currently there are four taking part; this is the beauty of distance education via video conference in that the numbers needed to run the workshop aren't so stringent as if a trainer had to travel. Joining Lake Grace in the series were the Kellerberrin and Pingrup CRC's; all three of the CRC's and Foodbank in Perth were able to see each other on the screen.

All who take part enjoy the experience and although aware of the fat, sugar and salt content in fast food and soft drink are quite horrified when they realise exactly how much they're ingesting if they treat themselves to a Whopper and a Thick Shake.

The cooking is fun and it's wonderful to see what a wide range of tasty but nutritious recipes are available that don't bust the budget, use ingredients that are in your pantry and aren't time consuming to prepare. If you would like to take part in the current series or are interested in any future Food Sensations workshop that may be held then please contact the CRC on 9865 1470.

**Annie Argent, Trish Medlen and Nicola Kuchling are ready to tuck into the meal they have just prepared at the CRC as part of the Food Sensations programme with the interactive screen behind them.**

# Those Old School Days

Suzanne Reeves

Some things don't change. Back in the 1930's and 1940's some students were still trying their hardest to escape from the confines of a classroom. This was just part of the conversation at the CWA on Thursday 16th April as a number of Lake Grace School's past students shared a lunch with Glenys and Ian Duncan, in a bid to help Mrs Duncan reconnect to a Lake Grace she spent time in during the 1940's.

Glenys' father, Charles Stuart Hamilton, was the Principal at Lake Grace between the years of 1942 and 1944.

Although only a little girl at the time Mrs Duncan had some distinct memories of her time in Lake Grace and was delighted to have those memories clarified for her.

Glenys and Ian were thrilled with the hospitality shown by Lake Grace, in particular Mrs Margaret Carruthers ability to draw a group of ex students together and host a lovely lunch.

### **Onset of Premature Baldness hits Lake Grace**

Eight brave volunteer Fire Fighters bared all at the weekend for the Leukaemia Foundations' fundraiser 'Shave for a Cure'. The Sportsman's Club hosted the event on Saturday night which saw all the guys lose their precious locks for charity and raise \$3,257.00 through sponsorship.

Major sponsors were Steve & Helen Hunt, Lake Grace Machinery, Steve & Marie King, and Mike and Vicki Gray. Michael (Mouse) O'Neill must also be congratulated for raising a further \$100 by agreeing to leave a Mohawk on his head.

### **CCL Hardware Named Best in the West**

CCL Hardware has won the state award for the best Thrifty-Link Hardware store in Western Australia.

The Lake Grace store won the prestigious annual award in its first year as a member of the national Thrifty-Link group, which comprises nearly 400 stores nationally.

Owners, Lynn and Anne Parker were presented with their award at the Danks Convention Gala in Perth on April 2nd.

### **A Familiar Face Retires After 37 Years**

The end of term assembly marked the end of Gregson Meston's career at the Lake Grace District High School.

During the 37 year period that Gregson cleaned the school he has seen many changes in not only the layout and design of the school, but also the students.

Gregson commented that many of the students now in attendance at the local school are the children, and in some cases the grandchildren, of the pupils who were there when he first started work at the school!

Andrew Walker, Nola Frost and Amanda Thompson have also ceased in their cleaning positions as the cleaning has now gone to a contractor.

## 2005 - Ten years ago...

The Shire of Lake Grace launch a weight loss challenge, the target being to lose 1000 kilos.

Terry Hardy hands a \$4,500 cheque over to the RFDS; funds were raised from the Irish Night held at the Hardy farm.

### **Inaugural Art2Wear an Artrageous success.**

Colour, humour and creative energy were all on show on Saturday night as Lake Grace was treated to the inaugural Art 2 Wear event. Local performers paraded more than fifty spectacular wearable art garments to an enthusiastic audience as the finale to National Youth Week 2005.

Lake Grace students and adults have been creating costumes since December last year and fashioned the garments to the themes of Kaleidoscope; Myths and Dreams, Warrior and 100% Recycled.

## John Toohey - An Illustrious Life

Accolades followed John Toohey throughout his illustrious career in the field of law, but the resounding comments that have come forth since his passing on the 9th April at the age of 85 are what a decent person he was, seeming to have gained the respect of everyone he came into contact with.

Born on March 4<sup>th</sup> 1930 at Miss Harvey's in Bulwer Street Perth, John was the first child for Les and Sylvia Toohey (nee Featherstone). The Toohey family grew to include another son and two daughters.

Around 1935/36 the family moved to Meekatharra, from there they moved to Lake Grace taking up the lease of the Lake Grace Hotel in 1937.

John received his primary school education at the Lake Grace school but as there was no high school he was enrolled in St Louis, a Jesuit school in Claremont (now John XXIII College) where he became a boarder. In 1942 the Carter family returned to Lake Grace to take over the Hotel lease and the Toohey family then relocated to Perth.

He was beginning to think about a career in law with a particular interest in humanities. Following the receipt of good matriculation scores John enrolled in a law

course in 1947, graduating in 1950 with First Class Honours (he was the only one out of a class of 18 to be awarded this). He won the Frank Parsons prize for the most outstanding graduate and the HCF Keall prize for the best 4<sup>th</sup> year student. In those days the students were required to attend lectures in gowns.

Some students were supported by their parents, many worked part time at weekends. John supported himself by working in the holidays; employment included shovelling coal at the East Perth Power House and at Robbs Jetty Abattoir. The jobs were well paid and he enjoyed the physical work.

After completing his law degree, Toohey commenced his articles of clerkship at the Perth law firm Lavan & Walsh; and was admitted as a legal practitioner in 1952. Toohey soon rose to prominence in the WA legal profession, developing expertise in taxation and property law.

He was a Senior Lecturer in Law at UWA from 1957 to 1958, as well as a Visiting Lecturer from 1953 to 1965. In December 1966 Toohey became the 10<sup>th</sup> member of the WA Bar Association. In 1974 Toohey helped to establish the Port Hedland office of the Aboriginal Legal Service of WA. He served as President of the Western

# WATER – Think Fast – Move Faster

*Shire of Lake Grace*

In 2012 the Shire of Lake Grace was successful in a grant application to HEALTHWAY targeting 'Sporting Resilience – A better way to play'. The grant was to target a variety of sports throughout the Shire and look at alternative ways to improve sporting resilience, greater awareness of the role sporting clubs play in establishing appropriate behaviours within their clubs and their communities, and embracing new behaviours in a traditional sporting culture.

Finishing up the grant program this year the Shire thought it would be a great idea to finish on a bright note by organising and distributing a variety of safety coloured and club coloured shirts and vests to sporting clubs throughout the Shire of Lake Grace. Clubs were able to offer suggestions on what they would be able to use at their clubs. Some chose their club colours proudly displaying the grant logo on the back. Long sleeved and short sleeved shirts, vests, and a whole other variety of attire are now being distributed to the sporting clubs, all promoting the same message;

The Shire of Lake Grace management and staff are proud supporters of this project. We thank players and volunteers for your willingness to promote the project by using the clothing

appropriately throughout your sporting season. We wish you all a successful, injury free, smooth running season with great results at the end.

If you would like more information regarding the project, the shirts or Healthway please contact Cheryl Chappell, Community Services Officer on 9890 2500.

# Under New Management

Danielle Robertson

The Lake Grace Early Learning centre will open its doors after the Anzac Day holiday with new business owners who are eager to provide an essential service to the community of Lake Grace.

While centre manager Chloe Defrene and existing staff will remain, there are employment opportunities to come dependant on the enrolment numbers. Centre staff are required to be undertaking study towards a certificate in childcare so this is a good chance for further education and to build qualifications. Local staff will be supported by a regional manager based in Katanning.

The new owners will offer holiday discounts, which enable you to keep your child's place while you are away and a public holiday replacement day (conditions apply).

The centre's new longer opening hours look to be a positive change, offering before and after school care it will enable more parents use of the service.

While the existing Daycare Committee has put in a significant effort to get the centre up and running again, it is requested by the owner that all enquires be directed to the centre manager on 9865 2568 or 0432 545 186. Alternately you can email the centre at [lakegraceelc@gmail.com](mailto:lakegraceelc@gmail.com)

Applications are invited for the position of **Trainee** with the **Lake Grace Community Resource Centre**.

We are seeking a person who is well presented, community orientated and keen to commit themselves to a Traineeship for a period of 12 months, commencing in July 2015.

The successful applicant will receive training in a busy office environment in conjunction with formal TAFE modules completing a Certificate III in Business.

The successful applicant will have the opportunity to gain valuable work experience while earning. This is a full time position but can be tailored to suit other commitments.

Interested persons are asked to contact Suzanne Reeves at the Lake Grace Community Resource Centre for an application package. Applications close Friday 22nd May.

# Sitting Comfortably in the Lake Grace Hall

*Shire of Lake Grace*

Saturday 18 April 2015 saw a number of community volunteers assemble tables and chairs for the Lake Grace Shire Hall.

The Shire of Lake Grace obtained a grant from Lotterywest Furniture and Equipment Grant to replace the old trestle tables and upgrade from the plastic chairs to a modern comfortable style.

Starting at 9am and finishing at 1pm volunteers worked in a production line each doing an important part of the process.

The aim of the new tables is to make moveability easier with no heavy lifting. The lever on the bottom of the table top is lifted gently to enable the table top to flip, the table is then moved into position and the four brakes applied on the strong castors.

Thank you to the volunteers, they have saved the cost of assembly and extra in freight. We

hope with care taken the community will have the benefit of these for many years to come.

# A Time to Reflect - A Century of ANZAC Tradition

This Saturday, 25th April, it will be time to take a moment and reflect on the century that has passed since Australian men landed on the shores of Gallipoli. Australia's involvement with the war was greeted with enthusiasm, seen as an opportunity for our young men to see the world and show the enemy a thing or two. The reality was a horror that is difficult to comprehend; trench warfare, hand to hand combat and weapons that inflicted such cruel injuries that death would become a blessing.

If Gallipoli wasn't bad enough, the Western Front and the Middle East were to follow. Not only dying on the front, service men and women were succumbing to illness brought on by weather conditions and close living conditions.

For Australia, as for many nations, the First World War remains the most costly conflict in terms of deaths and casualties. From a population of fewer than five million, 416,809 men enlisted, of which over 60,000 were killed and 156,000 wounded, gassed, or taken prisoner.

Many of those healthy, strapping young men who survived, returned as shells of their former selves; scarred physically and mentally.

Lake Grace has 28 WWI veterans on their honour roll, four of these made the ultimate sacrifice.

## Early Commemorations

The 25th of April was officially named Anzac Day in 1916. It was marked by a wide variety of ceremonies and services in Australia, a march through London, and a sports day in the Australian camp in Egypt. In London over 2,000 Australian and New Zealand

troops marched through the streets. Marches were held all over Australia; in the Sydney march, convoys of cars carried wounded soldiers from Gallipoli attended by nurses.

During the 1920's Anzac Day became established as a national day of commemoration for the 60,000 Australians who had died during the war. In 1927, for the first time every state observed some form of public holiday on Anzac Day. By the mid-1930's, all the rituals we now associate with the day - dawn vigils, marches, memorial services, reunions, two-up games were firmly established as part of Anzac Day culture.

Anzac Day was first commemorated at the Australian War Memorial in 1942. There were government orders prohibiting large public gatherings in case of a Japanese air attack, so it was a small occasion, with neither a march nor a memorial service. Since then, Anzac Day has been commemorated at the Memorial every year.

## A Distinguished War Worker

Mrs Emily Thompson, who, prior to 1896 was a resident of Albany, and is now spending a holiday at the southern port, is one of the very few members in Australia of the 'Order of the British Empire'.

On leaving Albany she went with her husband and sons to Coolgardie. The three sons served in the war, and Mrs Thompson was in London when war broke out. She at once devoted herself to war work, was one of the founders of the Anzac Buffet in 1915, and in 1917 was appointed official Red Cross visitor and distributor of comforts among Australian troops in England. For these services she was honoured.

The insignia of the Order is a Maltese Cross in gold, with purple ribbon, and the inscription reads: "For God and Empire". Mrs Thompson resides at Lake Grace with her eldest son.

## Significance of Poppies

The Flanders poppy has long been a part of Remembrance Day, the ritual that marks the Armistice of 11 November 1918, and is also increasingly being used as part of Anzac Day observances.

During the First World War, red poppies were among the first plants to spring up in the devastated battlefields of northern France and Belgium. In soldiers' folklore, the vivid red of the poppy came from the blood of their comrades soaking the ground.

The sight of poppies on the battlefield at Ypres in 1915 moved Lieutenant Colonel John McCrae to write the poem *In Flanders fields*.

In English literature of the nineteenth century, poppies had symbolised sleep or a state of oblivion; in the literature of the First World War a new, more powerful symbolism was attached to the poppy – the sacrifice of shed blood.

# News From the Men's Shed

*Phil Clarke*

March proved to be an exciting month for the Lake Grace Community Men's Shed, with notification from Lotterywest that we were successful in our grant application of \$70,000 for the building of our new Shed. Thank you Lotterywest! We are now at the stage of applying for a building permit, and are very much looking forward to this next stage of the project. We would like to thank Stephanie Clarke-Lloyd for her work in applying for the grant for the Men's Shed - thanks Steph!

The shed will be built on lot 28 (25) Bennett Street behind the existing St John Ambulance building. This is a great site, and once St John's move to their new premises the Men's Shed will have the use of their old building. This will become the social area for the Men's Shed, as it is air conditioned and contains all the necessary amenities. The new Men's Shed when built, will be a work place for any members wishing to utilise our equipment and tools. We are well on the way with stocking our shed, largely from equipment that has been donated already, and we would like to thank everyone who has donated for their generosity.

We would also like to thank everyone who has joined the Men's Shed as a member. It is great to see how

Vice President - Allan Duckworth – 0427 651 567  
Treasurer - Robert Carruthers – 0427 651 252

**Banking Details for Direct Debit Payment: BSB 306 019 ACC 011 3662** (Please quote your name as a reference when doing direct debit)

By being a member it shows the community support we have for this project, even if you don't wish to use the Shed. Last year we had 102 members, and this year we have 85 members to date, and are expecting to reach near the same as last year. Thank you everyone for your support and if you have any questions about membership, please don't hesitate to contact one of the Committee members listed above, or call into the Shed on Tuesday mornings.

Our battery drive will continue to be ongoing and will help with the running and operating costs of our Shed. Many thanks to everyone who has donated batteries to our battery drive. Please see our ad for details on who to contact should you have batteries you would like to donate.

## Men's Shed Battery Drive

The Lake Grace Community Men's Shed is continuing with their battery drive. This is an ongoing revenue raising project which will contribute to the running of the Shed.

Batteries can be left at Phil Clarke's shed or you can contact Phil on 0427 651 155 or Allan Duckworth on 0427 651 567 if you require them to be picked up. Thank you for your ongoing support.

# How Private is Your Facebook Account?

Taken from [www.oversixty.com.au](http://www.oversixty.com.au)

While we might think our Facebook is perfectly safe and private, Facebook has a tendency to update their privacy settings every few months so it is always a good idea to check that you are not unwittingly sharing things online with a wider audience than your friends and family. Here's a refresher course in making sure your Facebook is on the privacy setting you want.

## Who can see your Facebook posts and updates?

1. After you have logged in to Facebook, click the padlocked icon on the upper-right corner of your page. A drop down menu will appear.
2. Click on "Who can see my stuff?"
3. There will be an option for "Who can see my future posts?"
4. There will be two main options – Public (a world symbol) which means all your posts will be seen by anyone on or off Facebook and Friends (two person silhouette) which means only your friends on Facebook can see your post.

Click on Friends so all your posts and update will only

be seen by your Facebook friends.

**1 To double-check this on your home Facebook page click to update your status. On the bottom right-hand side (next to the post button) you should see "Friends". This means your status update will only be going out to your Facebook friends.**

## 2 Who can contact you?

1. After you have logged in to Facebook, click the padlocked icon on the upper-right corner of your page. A drop down menu will appear.
2. Click on "Who can contact me?"
3. There is an option to change what messages appear in your private inbox on Facebook and "Who can send me a friend request?"
4. You can choose strict filtering system so only Facebook friends can send you private messages.

You can also change your friend request setting from the default "Everyone" (world symbol) to only "Friends of Friends" can send you friend request on Facebook. This will prevent strangers on internet from befriending you.

**1 However, just remember Facebook is a social networking site and there may be people from your past (for example, old school friends) who are trying to look you up and get in touch. That is one of the wonderful benefits of social media so it is something to consider when changing your options to very private. You could miss out on reconnecting with your best friend from primary school!**

## 2 Updating your status on your smartphone and tablet

**3 When posting on your Facebook on a device it is now easy to double-check if you are posting to only your Facebook friends.**

1. Click on "Status" or "Photo" and at the top you will see box with "To." (similar to what you will see in an email").

You should see "Friends" with the two person silhouette symbol. If you do not simply click on the arrow on the right-hand side and the option will come up to post to Friends (or the Public if you are so inclined).

## Good Christian

A blonde cowgirl, who is visiting Texas from Arkansas, walks into a bar and orders three mugs of Bud. She sits in the back of the room, drinking a sip out of each one in turn. When she finishes them, she comes back to the bar and orders three more.

The bartender approaches and tells the cowgirl, 'You know, a mug goes flat after I draw it. It would taste better if you bought one at a time.'

The cowgirl replies, 'Well, you see, I have two sisters: one is in Australia, the other is in Ireland. When we all left our home in Arkansas, we promised that we'd drink this way to remember the days when we drank together. So I'm drinking one beer for each of my sisters and one for myself.'

The bartender admits that this is a nice custom, and leaves it there.

The cowgirl becomes a regular in the bar, and always drinks the same way. She orders three mugs and drinks them in turn.

One day, she comes in and only orders two mugs. All the regulars take notice and fall silent.

When she comes back to the bar for the second round, the bartender says, 'I don't want to intrude on your grief, but wanted to offer my condolences on your loss.'

The cowgirl looks quite puzzled for a moment, then the light dawns in her eyes and she laughs, 'Oh no, everybody's just fine,' she explains. 'It's just that my husband and I joined the Baptist Church and I had to quit drinking. Hasn't affected my sisters though.'

# Cyber Criminals Attacking WA Computers

[www.scamnet.wa.gov.au](http://www.scamnet.wa.gov.au)

Consumer Protection is warning Western Australians about cyber criminals who are infecting computers with ransomware.

The scammers trick computer users into installing malicious software, or malware for short, by encouraging them to open up an attachment in an email or directing the person to a website where the ransomware is unknowingly downloaded.

After the ransomware is installed, victims receive a pop-up message saying they are locked out of their computer and that their files have been encrypted. The scammers ask for payment to unlock the computer and set a deadline for the ransom to be paid.

Consumer Protection has received more than 30 reports of ransomware attacks over the past year.

Recently Consumer Protection was contacted by the owners of a removalist company that was attacked by ransomware after a staff member opened an attachment sent by email. The small business lost several thousand dollars and information about clients before the problem could be rectified.

Commissioner for Consumer Protection Anne Driscoll believes the cases are just the tip of the iceberg as many attacks go unreported.

"Ransomware can be devastating not only to home computer users but small business owners who don't have the time, expertise or resources to deal with the problem," said Ms Driscoll.

"I urge Western Australians not to pay money to cyber criminals if their computers are infected by ransomware as the scammers are likely to come back for more money." Instead, use a different device to search online for a solution or seek help from a local computer technician."

Take measures to prevent ransomware:

- Do not open attachments that could be infected, especially from unknown senders.
- If in doubt about an attachment do not open it, even if it is from someone you know. Their computer or email account could have been hacked.
- Make sure you have up-to-date anti-virus, anti-spyware and firewall software and scan your computer regularly.
- Keep a backup copy of your data in a safe place, disconnected from your computer and the internet.
- Only visit reputable websites and online services.

## Newdegate Living Independent Units

On Wednesday 15 April 2015 a meeting of the Newdegate Rejuvenation Committee was held at the CRC in Newdegate. During the meeting questions were raised from members of the community.

The questions were in relation to problems being experienced with construction of the Independent Living Units and who is in charge.

The comment was made that these units have been in the development stage for many years and the community is looking forward to a quality result.

In response to the community concerns the Shire advises that the project is being managed by Eclat Building Company Pty Ltd under supervision of the Shire.

The Shire is working with Eclat to address sub-standard and/or non confirming works and is confident that these will be rectified and the end product to be in accordance with specifications.

## WELCOME

The Shire welcomes Paul Roadley to the team as the new Community Emergency Services Manager (CESM).

Paul will be based in Nyabing (Shire of Kent) and will cover the Shire's of Kent, Dumbleyung and Lake Grace.

Welcome to the team Paul, we look forward to working with you.

Below is a little bit about Paul:

I have moved here from Geelong, Victoria. I have been involved in the emergency management arena for 26 years. I started with Victoria SES and Country Fire Authority (Victoria) as a volunteer on the frontline. I moved up the ranks to Instructor, teaching rescue, fire, storm, search, flood and incident coordination. Most recently I was a member of the Victorian State Emergency Management Team. I am a qualified Fire/Rescue Instructor and an Ambulance Officer.

I look forward to working with the local bush fire brigades and community members.

### BULK USED ENGINE OIL COLLECTION – FREE FOR FARMERS

The Shire is seeking all those who have got bulk used oil stored on their farming premises, and wish to dispose of it without paying a fee.

The Shire will commence charging those who drop off commercial quantities of used engine oil at the collection points at the rubbish tips, so it is in farmers' best interests to use this service.

Please contact the Shire on 9890 2500 to leave your name, address, contact details and the approximate volume of oil you wish to dispose of. These details will then be passed onto Wren Oil who will organise collection.

### IMPORTANT INFORMATION FOR DOG OWNERS

#### **From the 1 November 2015 ALL dogs over the age of three months must be microchipped.**

Amendments introduced on 1 November 2013 require that all dogs registered for the first time, or dogs that are transferred to a new owner, need to be microchipped. All existing dogs need to be microchipped by 1 November 2015.

Microchips are available through your veterinarian.

#### **You are required by law to register your dog!**

Registrations are due on the 1 November each year and can be renewed for one or three years. Lifetime is also now available. Upon paying your dog's registration renewal you must supply a copy of your dog's microchip details. Registrations will not be renewed if your dog is not microchipped.

It is an offence to keep an unregistered dog over the age of three months. The maximum fine is \$5,000. Higher penalties apply if your dog is a dangerous dog.

If your dog is unregistered and impounded, local governments may exercise the right to keep your dog in their pound until both the registration fee and pound fee are paid.

## John Toohey - An Illustrious Life (cont.)

Australian Bar Association (1969-1972) and President of the Law Society of WA (1972-1973).

During the course of his legal career, John was a Justice of the Federal Court, Justice of the Supreme Court of the Northern Territory, Presidential Member of the AAT, inaugural Aboriginal Land Commissioner, Member of the Constitutional Commission, Justice of the High Court of Australia, a judge in the justice system of Kiribati and a Justice of the Supreme Court of Fiji.

Following his retirement from the High Court of Australia he was also one of three independent members of the Bloody Sunday Inquiry.

His peers posted the following:

*John was one of Australia's foremost jurists with a sharp legal mind and tremendous wisdom. A man of integrity and compassion, skill and wit, he served as an inspiration to the establishment of John Toohey Chambers, whose members strive to conduct their practices as barristers commensurate with the high standards he set for the practice of law in Western Australia. His contribution to the law and its practice*

*both in Western Australia and nationally will serve as his professional legacy.*

John is survived by his wife Loma, seven children, nine grandchildren and four great grandchildren.

# Lake Grace-Kukerin Hockey Club

*Danielle Robertson*

Our first game as a combined team saw LGK take on Corrigin in Kukerin on Saturday 18<sup>th</sup> April. Unfortunately our new uniforms hadn't arrived so we kitted up in the old Kukerin shirts with our new skirts and socks. All out teams gelled well from the outset of the games, must be the years of healthy competition between us!

Our thanks this week to Kukerin Hotel for the senior awards and Lake Grace Sportsman's Club for the junior awards.

C grade 1-3

Goal: Tayah Medlen

Award: Jack Faulkner.

B grade 1-0

Goal: Fletcher Taylor

Awards: Jordan Dowdell,  
Claire Pelham

A Grade 4-1

Goals: Julie Ditchburn, Fiona Chatfield, Anna Taylor and Mel Ogilvie

Award: Phoebe Robertson,  
Michelle Carew-Reid

Next game in Lake Grace v Bruce Rock on Anzac Day.

The kids have a week off and senior games will commence at 2.00pm.

Due to the late start, soup and toasties for afternoon tea at the Sportsman's Club following A Grade.

## J11/12 Club Championships.

I had the privilege of coaching a group of eager young hockey stars representing Roe Districts in the Girls J11/12 WA Club Championships over the holidays in Perth.

With a shortage of players in this age group locally we put out a call to players from other Associations to help us fill a side. Players represented RDWHA clubs Lake Grace-Kukerin, Bruce Rock and Karlgarin/Hyden. Visiting players came from Fremantle, Hale, East Avon, Newman Knights and AW Reds.

### Game results

- v UGSHA win 2-1
- v Curtin Trinity Pirates loss 2-5
- v Eastern Goldfields loss 4-2
- v UGSHA loss 1-0
- v AW Reds win 2-1
- v Whitford win 2-0

The girls finished in fourth position overall and played off in the final against AW Reds for third spot. Unfortunately we drew this game 2-2 which meant we

finished fourth as Reds were higher on the ladder going into the game.

Excellent sportsmanship, teamwork and great hockey were displayed by the players throughout the tournament and the Association is very proud of their efforts.

Thanks go to Karen Rogers who was team manager and Janine Dayman who umpired our allocations.

We have been sourcing and testing the latest offerings in LED light technology. Currently we have a large range of LED light bars in stock and have access to more if a larger output or coverage is required.

Lightbars are suitable for forward mounting on tractors and sprayers and come in spot or spot/flood combinations, there is even an elliptical style that throws a pattern suitable for wide spans like booms and bars.

Also been doing some testing on LED spotlights to see if any of them can match the performance of the LED spotlights that we have been selling for the last 3-4 years. The good news is that there are a couple of options that do quite a good job in controlling the light down the road.

We are still looking at this season's offerings for our work light range, we will continue to carry vision x lighting as it has excellent performance and reliability and has stood the test of time. We will be adding to our budget range of LED work lights in an effort to cover all applications.

Please feel free to drop in for a look and keep an eye out for light demo (hopefully April).

# Lake Grace Pingrup Netball

*Joely Slinn*

The Lake Grace Pingrup Netball Club have lots of new faces this year. We welcome to the seniors squad Tianna Garlick, Jayde Steel, Latisha McGlenn, Teneeka Morgan, Tor Bennett, and Hannah Beatty. We would also like to welcome the return of Jemma Bairstow and Magdalen Trevenen. Our first game for the season was at a wet and windy Pingrup last week, against Jerramungup, who are experiencing a resurgence in netball numbers this year.

## A Grade

This year's A Grade side, under the guidance of returning coach Karen Bairstow, is full of new faces. The ladies put up a good fight the first three quarters of the match, which kept Jerry on their toes the whole time, but unfortunately the 4th quarter got away from them. Still, Kaz said for the very first match, for a very new squad, the girls did a fantastic job together. The final score was Jerry 48 to LGP 27.

**Best On Ground** was awarded to Kristie Stanton, who put in an amazing effort in Centre for all four quarters.

**Coaches Award** went to Claire Wells who never gave up in defence the entire game.

## B Grade

Our B Grade squad is also a very new team this year, including the new coach, Symone McKenzie, who led her girls through an amazing first game in less than ideal weather. Symone said the girls never gave up and didn't let the wet weather slow them down, coming away with a big win: LGP 34, to Jerry 10. "Great start to the season girls, well done!"

**Best On Ground** award went to Latisha McGlenn, who played solidly in Wing Attack in her first game in the Seniors. Sym and the whole team are proud of you Tish!

**Coaches Award** went to Sarah Allen, whose fast hands stopped the ball from ever getting to their shooter – a great player to have in defence. The B Grade side would also like to thank Mia Gooch and Bianca and Tylah Kennedy for filling in - you did a fantastic job and we loved having you back.

## Juniors

Wendy O'Neill returns to coach the Junior Netballers again this year. Wendy said the girls put on an outstanding performance, working hard and getting the ball swiftly down the court during the game.

The Juniors were lucky enough to snag some sunshine too, which topped off their great start to the season. The final score was LGP 40, to Jerry 6.

**Best On Ground** went to Georgia Garard who played

an excellent game in the Centre and Goal shooter positions.

**Coaches Award** went to Abbey Strevett who was a defending machine in the wing defence and goal defence bib.

## Nettas

Season coach Shelley Stanton was unable to make the first game this week, so our little Netta guns were taken by Joely Slinn (under well-planned instructions from Shell!). The girls had a great time and played their little hearts out, while keeping their biggest smiles on. we have some fabulous netballers in the making. Keep having fun girls!

Overall, it was a great start to the season. Well done to all who won the awards and a big thank you to the sponsors and other supporters who make these days a success.

Friday the 27<sup>th</sup> March 2015, the LGCC invited players, past players, sponsors, life members and family to join together to celebrate the end of the 2014/15 cricket season. The Wind Up was held out at the very elegant

Walker's Hill Vineyard. The perfect setting to enjoy food, drinks, laughter and stories. Awards were presented (please see above) and a run down of the season was presented by President, Jeff McKenzie and Vice President, Brayden Reynolds.

Inducting a Life Member Award is always a highlight of the night. Andrew Walker had researched and amalgamated many stories in order to be able to present Mr Arthur Slarke with a Life Member Status and a scrapbook of all the highlights of Arthur's time with both Lake Grace Cricket Club and North Lake Grace Cricket Club. We all congratulate Arthur on his induction.

On behalf of LGCC I would like once again to thank all the sponsors of our small club. It may sound clichéd but your help in any form really does help our club exist to stay in the Association that we love. Thank you!

**Saturday 28<sup>th</sup> March 2015**, as advertised, was the Annual Reg Fleay Memorial 20/20 Match. An Unders side was put together with Shayne Bowron captaining their side, the Overs side captained by Jeff McKenzie. The unders were just too good this year and took out the prestigious winners title for 2014/15.

## 19th XP Bali Cricket International Sixes

Friday the 3<sup>rd</sup> of April 2015, Day One of the Competition, started with a congregation of all players and supporters out the front of the Bounty Hotel in Kuta. Drivers at the ready we loaded ourselves and the cricket gear into three vans and headed out. A map had been supplied and once understood we were on our way to the oval at the Udayana University (5 min drive to Jimbaran Bay). Two thirds of the way to the venue the heavens opened up and a 10-15 minute downpour that was not expected at all.

Upon arrival, the rain had cleared, the car park was an interesting sight as we unloaded and walked down the steps into the "stadium". Once we had checked in and collected the players team shirts (supplied and printed by the organisers, with both our Australian sponsor, Walker's Hill Vineyard and our Bali sponsor, Sheppy's Bar and Restaurant, logos printed on the game shirt.) we found our way past all the other teams to our spot under gazebo's. The oval was surrounded by black berry trees, frangipani trees and scrub, making big shot balls hard to find. The oval itself had been hand mowed and had a quick outfield, even when wet.

Other teams were from many countries including; Borneo, East Timor, Jakarta, Bali and an ex-pats team. All with smiles and a welcoming nature. Some of our boys went to check out the facilities – mainly the Nets. The women went to seek out the amenities – mainly the one and only toilet.

## Lake Grace Cricket Club (*cont.*)

After our games a few of the boys had become celebrities and other teams and supporters were looking for photo opportunities with the boys. Kael Gray referred to himself as Rockstar, little did he know we had changed his nickname from the infamous Grayballs to Mingles – all the mingling he did with all the other teams! It was a fantastic day out and a few beers were had in the pool when we got back to the Hotel.

### Day One – 1 Win and 1 Loss

Saturday the 4<sup>th</sup> of April 2015, Day Two of the Competition, LGCC had two games to play and all players had a better understanding of the rules. Strategies were planned. The first game was at 8am with an Opening Ceremony at 10am for the 19<sup>th</sup> Bali 6's International and the second game at 12.20. A third game was scheduled for later but due to weather and lighting conditions it was cancelled.

### Day Two – 1 Win and 1 Loss

Sunday the 5<sup>th</sup> of April 2015, the third and final day, was Finals day. LGCC's first game was a catch up from the previous day, and basically a knock out game. The boys did a great job and won to secure a spot in the 2<sup>nd</sup> Division Semi Final.

The Semi Final was played before lunch and was nearly moved due to the other team (Muslim) having to take their midday/afternoon prayers. The other team made it in time and once again the boys did Australia proud and won. This then secured their spot in the 2<sup>nd</sup> Division Grand Final. Now all we had to do was sit back and watch the other Semi Final play put to find out

which team we'd play against.

An Indonesian cuisine buffet style lunch was provided to all by the organisers. A delicious and filling meal where some even tried fried tofu, although at the time thinking it was chicken legs!!

The Grand Final was due to be the next game after lunch. Lake Grace's captain, B Reynolds, won the toss and after a team discussion he chose to field. To understand this decision you probably need to know the rules. The following is a basic run down;

- 6 players per side
- 5 overs per innings
- 1 over per bowler (wicket keeper remains in his position the whole innings and cannot bowl)
- Wides and No Balls are scored as 3 runs, however in the 5<sup>th</sup> over they are worth 5 runs each
- and HAVE to be re-bowled
- A 5 step run up for all bowlers

It seemed to all of us that to chase down a score was easier than setting it. This paid off and after losing only 1 wicket and having two balls remaining, Tyron Pinney hit the winning 4 runs to win the Final! Day 1 and 2 games gave us a seeding and we lost out on the 1<sup>st</sup> Division Semi Final by 1 run so our win was in the Grand Final of the 2<sup>nd</sup> Division Plate Final.

Congratulations boys, I cannot express how proud and fortunate I feel to have travelled with you and witnessed not only your win but the team spirit and sportsmanship you all conveyed for the entire three days.

## Lake Grace Cricket Club (*cont.*)

The boys had been discussing the condition of some of the teams equipment during the first two days, and after the final win decided on donating some of our own equipment to the East Timorese team. The Timorese were very grateful and thanked them immensely.

After the presentations the organisers announced that next year would be bigger and better than this year, especially being the Competitions 20<sup>th</sup> year. "Big Party!" they declared.

On the whole, my personal thoughts, it was a well run, welcoming and organised competition. The idea of the competition is to educate and promote the sport of Cricket, mainly to the Indonesians. The organisers and sponsors of the event were thrilled that we made the journey (as we had travelled the most distance) and extended their invite for next year.

Monday night the whole team plus supporters went to Sheppy's Bar and Restaurant to have dinner and to thank Jim and Jo for their support. We were able to present them with one of our player/training

singlets and also tell them of our success. A great night was had by all.

Lake Grace Cricket Club would once again like to extend their appreciation to our two Bali 6's International sponsor's, Walker's Hill Vineyard and Sheppy's Bar and Restaurant.

The Bombers held their annual jumper presentation at the Lake Grace Sportsman's Club on Thursday April 16th with a large crowd of players and supporters in attendance. There were about 40 players present which is the best season start for numbers for many years albeit that some of the 'new recruits' were from the other side of the planet from countries such as Estonia, Ireland, France, Germany and South East Asia. Some conversions to Aussie Rules will be necessary but as has been shown in the past they quickly learn as they become passionate about our wonderful game. Other new players include Craig Clinch, Mitch Smith, Tyson Bell, Ashton Gray, Robby Farmer, Chris Poot, Rob Enright, Kane Pinney (back from a year in Perth), Tom Gambuti (home full time), Sam Middleton, Brian Flavin, Alistair Hunt and Chris from Pingaring.

We have lost long time stalwarts of the club with players such as Marcus Trevenen moving to Denmark, Clint Trevenen who will not be travelling from Perth as

League coach Damon Pelham was welcomed and the A reserve coach Alistair Hunt was applauded for putting his hand up for this sometimes difficult but rewarding role. Thanks guys, it is always good to start the season with such willing leaders.

The teams for the first match of the season were announced and although the League side was a lot different from the 2014 season there looks to be plenty of potential as they learn to team up together. Unavailable for the first game were Reuben Smith, Rohan Trevenen due to injury.

# What Do We Do at the Community Resource Centre?

**Centrelink:** The CRC is an access point for Centrelink, which means we can photocopy and verify your original documents; fax 'stuff' for you or help you access forms whether it be from the supply we have on hand or through the internet. We also have a phone that customers can use to call the Call Centre and will be getting a computer solely for Centrelink use.

**ATO:** We are also an access point for the Australian Taxation Office. We have a supply of their forms on hand (or can download them), can help you apply for an ABN over the internet or can give you free access to a computer so that you can complete your tax return online.

**Seniors Computers:** The CRC has two Seniors computers which are available for use FREE OF CHARGE to anyone over 50. FREE assistance is provided for anyone using.

**Government Computer:** As part of its contract the CRC has a computer available, free of charge, for anyone needing to access state (WA) government websites.

**Computer Training:** We have in house training for Beginners, Excel, Word (Beginners & Intermediate), Publisher, Outlook, Internet, Social Media and Digital Photos. If the interest is there we can also source trainers to provide other IT training. We also provide one on one training at the CRC.

**Other Training:** The CRC also sources training workshops for Skippers Tickets, Chemcert, Forklift, Chainsaw & MC Assessment. These courses are reliant on the needs and wishes of the local community.

**Photo Printing:** Glossy photos of 4" x 6" (standard) and 6" x 8" are able to be printed on the photo booth. The photo booth also prints calendars, images with borders and collages. Other items such as photobooks and giftware are also available but is delivered at a later date.

**Scanning:** The CRC has an excellent scanner that can scan negatives, slides, photographs and documents. These can then be burned to a CD or DVD and/or printed. We also have a scanner that can convert a scanned document into word text, or we can scan a multipage document into a single pdf document.

**Photocopying:** We can photocopy anything up to A3 (twice the size of this page) in both black and white and colour. Items can be increased in size or decreased (very handy for the crafty people).

**Printing:** The CRC has a wide format printer than can print up to A0 (841mm x 1189mm) as well as banners on a variety of mediums. Can also print on canvas.

**Passport & ID Photos:** The CRC is able to take and process your passport or ID photos.

**Dubbing & Converting:** We can convert your videos to DVD.

**Digital Photos:** If you need some photos taken (within Lake Grace boundary) we can take them and either burn to CD/DVD, print or email. If you are a keen

photographer but don't have your own computer we can download the images for you and put them onto a DVD for you. We also have mounts for using when framing your photographs (have a good selection of colours).

**Card / Paper etc:** We have a selection of coloured paper and card (of varying thicknesses) in both A4 and A3 available, plus a variety of labels (we can also print your labels for you).

**Desktop Publishing:** CRC staff can create pretty much anything you want in the way of posters, leaflets, booklets and banners. Whether it's a birthday invite or a birth announcement to a thank you card or calendar we are able to create it for you.

**Secretarial Services:** Want a letter or some minutes typed up? The CRC can do that, they will even attend meetings and take minutes if needed.

**Equipment Hire:** We have a digital projector, screen and whiteboard available for hire.

**Venue Hire:** The fully ac/heated seminar room, with interactive whiteboard, widescreen TV, DVD & video players and wireless internet is available for hire.

**Computer Use:** The CRC has five computers available for public use; they are all installed with Windows 7 and Office 2010. Computers can be hired individually or the computer area can be hired in it's entirety for an hour or a day by any organisation.

**Faxing:** Are able to fax any documents, locally and internationally.

**Email:** Need an email sent but don't have a computer or email account, we can do that for you.

**Memberships:** Are a very economical way to have unlimited access to the internet. Members also receive reduced rates for photocopying, printing, desktop publishing, hire of equipment plus more.

**Community Newspaper:** Most importantly the CRC edits, prints and collates the Lakes Link News; a vital source of information for the community of Lake Grace.

**Rubber Stamps:** Need a rubber stamp? The CRC can organise for you, a variety of sizes and colours, self inking or those to be used with a stamp pad.

**Licensing:** The CRC conducts the theory testing for drivers licenses.

**Videoconferencing:** The CRC has videoconferencing available.

**TAFE:** A variety of TAFE brochures are available at the CRC for a wide variety of studies that are available; from nursing and office studies through to horticulture and agriculture.

**Lake Grace Calendars:** Toward the end of each year the CRC creates calendars using local photographs. Ideal as Christmas gifts. We also put together personalised calendars.

**Roadwise and LCDC** (Land Conservation District Committee): The CRC has partnerships with both of these organisations.

### Sudoku

- The Sudoku grid of rows and columns is divided into individual 3x3 boxes.
- The aim of the game is to fill each row, column and 3x3 box with the numbers 1 to 9.
- You can't repeat numbers in a row, column or 3x3 box and you can't change the numbers already in squares.
