## In The Pink

Suzanne Reeves

*Jayne Argent with THE bike that not only features in the exhibition but is a point of welcome.*

Pink is the word! Definitely the word at the Lake Grace Regional Artspace where their latest exhibition wraps up this weekend following a two week run since their opening on the 9th May.

Like all good ideas it was inspired from another exhibition and grew from there - it seemed natural to tie it in with Mothers Day and host a pink themed afternoon tea.

The exhibition shows what a wide and eclectic group there is within the artists group with a range of mediums on display. There are 63 works from 26 artists, ranging from pottery to paintings, metalwork, textiles, wirework, photos and much more.

It was a great turnout for the Opening Day afternoon tea, and after looking at the food on display it was little wonder - with pink featuring heavily.

## Editorial

- Well I don't know what happened this fortnight, it was like the contributors were on steroids. Keep it up! Thank you to everyone who keeps sending their stuff in - you are what makes the paper great. We received so much material that I was starting to get a little nervous that I may have to turn contributors away. A couple of people and groups that I was going to harass this week for material have dodged a bullet...you may not be so lucky for the next edition.
- Fantastic how many people are getting on board and collecting 'containers for change'. We're giving out more and more bags as people realise how easy it is to collect, drop off and earn the rewards either for yourself or a local group or charity. So far 'Containers for Change' have 214 active refund points in Western Australia and have received 318,224.580 containers. Amazing! It's not just about the money, imagine if you will the ongoing cost as these containers would have otherwise ended up in landfill or alongside our roads. Having said that cans and bottles are still being thrown out car windows but there are many volunteers now collecting them up. If your local group has an ID number for Containers for Change then send it through and we'll make up a list to put in the Lakes Link so that if anyone doesn't want to collect for themselves you can then nominate a worthy cause.
- We had our first week of crochet a couple of weeks ago and we have already taken receipt of some rugs. If you're looking for yarn to crochet up a blanket for Wheelchairs for Kids then drop in and have a look at our stash.
- Don't forget our 'Understanding Grief and Loss' workshop will now be held on Wednesday 23rd June from 9am to 1pm. We are still taking names.
- We are also taking names for:
  - HC/MC truck driver training and accreditation
  - forklift - we currently have 3 names so if we get another one we will look at setting a date
  - Pilot training and accreditation - that's for

escorting oversized vehicles not for taking to the sky

- Always looking for speccy photos to put in the paper as part of our photo stories. They're a great snapshot of what's happening around the traps.
- If you haven't made it down to the Artist's Group latest exhibition then pop down and have a look - definitely worth it.

# 1923 Lake Grace Football Club Medal

Shane Carruthers

**Won by Arthur Manton and returned to club for safe keeping by his daughter Freda Fordham.**

On Saturday the 15<sup>th</sup> May Freda Fordham (93) and her family returned to Lake Grace to present the club with the medal her father Arthur Manton won in 1923 for the most consistent player for the Lake Grace football club.

Arthur Manton farmed at Beenong alongside the Clarke's, Milton's, Betham's, Argent's and Duckworth's, many of whom still have descendants in the area and are still involved with the club today. Due to ill health after having been to the First World War where he was a prisoner in Germany for 2 years, he had to leave the farm and with no sons to carry on he leased the farm and eventually sold it.

Arthur loved sport and played cricket and football and in 1923 he won the medallion, 98 years ago. He passed away aged 59 in 1948 but his wife kept the medal and when she passed in 1987, Freda found it in her treasured "important box".

It gives Freda great pleasure to return it to the Lake Grace Football Club that has produced so many great footballers over the years and hopefully many more to come.

The club wishes to thank Freda and her family greatly for the time and effort and thoughtfulness of this wonderful gesture to the club. We hope they enjoyed the day as much as we did hearing the story.

# Fun Day

*Suzanne Reeves*

Lake Grace Seniors President, Rosemary Bywaters, has been busy bringing together an assortment of activities and games so that the group can host their own fun/activity day.

Once organised by the Lake Grace Hospital, COVID has restricted their ability to be able to do these kinds of activities so Rosemary has taken the bit between her teeth and pulled it together.

Last Friday was the first fun day. They will be held the second Friday of every month with a catered soup and sandwich lunch (you need to get your name in the day before if you want to eat).

Of course games are more fun if you're winning or at least representing yourself 'reasonably' well. One of the games was trying to get as many of the ping pong balls in the containers as possible - 1 point for the container and 5 points for the cocktail glass. Easy right!! This little black duck was incredibly grateful to get one in!

Although there was no chugging of beer with each success there was plenty of enthusiastic cheering. Turns out there had to be a play off.

There was plenty of other activities and the dozen who came along enjoyed the camaraderie, sledging and of

course lunch. The next activity day will be Friday 11th June from 10am at the Village Hall.

Give Rosemary a call on 0429 040 915 if you wish to register (for lunch - which costs \$10), would like more information or have some ideas.

# LGDHS P&C Update

Nikki Lewis - P&C President

Well it's newsletter time again and it's been a busy few weeks since our last update.

Firstly let me say, I hope all mums, step mothers, grandmothers and nanna's (or whatever you are affectionately known as by your loved ones) had a fantastic day last Sunday for Mother's Day.

A huge thank you must go out to everyone who supported our many different Mother's Day fundraising efforts. All the baked goods that were kindly donated to the Bake Sale all looked fantastic and many positive comments were made by those who supported the stall which raised \$341.72.

Thank you also to everyone who sold and or purchased tickets to the Mother's Day Raffle, this raffle raised a total profit of \$716.00. A big thank you to Annie Argent for distributing and collecting the raffle tickets and getting the prices ready for the big draw on Friday 7<sup>th</sup> May. Which was drawn by Mr Tapper on Friday 7<sup>th</sup> May with the winners as below.

1<sup>st</sup> Prize – Torah Robertson

2<sup>nd</sup> Prize – Dakota Pelham

**Torah Robertson has that winning feeling with the giant Toblerone, pictured with Grace Penny, Dakota Pelham, James Morgan.**

The Mother's Day Gift Stall was a great success, with some items quickly selling out. We hope many students enjoyed being able to purchase a gift of their choosing from the stall. Thank you to the student councillors, Sym McKenzie and Annie Argent for helping to set up, clean up and run this stall which raised \$303.90 after costs.

In summary all Mother's Day Fundraising resulted in a grand total profit of \$1,361,62 with all these proceeds going towards our future project of updating of the Home Economics room.

## Faction shirt order - Reminder

Please email Nadine if you wish to order any more faction shirts or any other uniforms as we will be putting in a Faction shirt order very soon, [lgclothingpool@gmail.com](mailto:lgclothingpool@gmail.com)

With the weather starting to get cooler, there are plenty of jumpers in stock if anyone needs any please contact Nadine Molcher

## Playground Upgrades

As previously communicated, we are currently looking at purchasing some new playground equipment from the fundraising efforts of the colour run from last year and will be providing students the opportunity to vote on their preferred playground design shortly. Parents please keep an eye out for further communications as it's highly likely we will be calling for volunteers to help construct and install once it has been purchased and it is ready for installation.

The next P&C Meeting is to be held Monday 31<sup>st</sup> May @ 7pm in the Padley Room.

Please send any agenda items to [lakegrace.pandc@gmail.com](mailto:lakegrace.pandc@gmail.com)

# Local Artists Feature in State-wide Survey of Regional Artists

## Media Release

The John Curtin Gallery showcases work by 40 contemporary regional artists living in communities throughout WA for *The Alternative Archive* exhibition. Lake Grace artists Michelle Slarke, Tania Spencer and Jeannie Melville join selected regional artists, including 16 Indigenous artists, who will showcase their work in *The Alternative Archive* exhibition.

Officially opened by The Hon David Templeman last Thursday 14 May 2021, *The Alternative Archive* is the first WA survey of its kind in 20 years. The exhibition features a broad range of artworks that document how regional artists, as story-tellers and keepers of alternative histories and records, relate to their people, towns, communities and regions.

Co-curated by Chris Malcolm (Director, John Curtin Gallery) and Anna Louise Richardson (Independent curator/artist), the exhibition is the culmination of an ambitious three year project to present a series of regional exhibitions, bearing the *Alternative Archive* name, which were held between February and October 2019. *The Alternative Archive* series encompassed 13 venues, 26 curators and 206 artists from as far away as Kununurra and Esperance. The artists were invited to create a contemporary visual archive of an aspect of their community drawn from personal relationships with the people, places and stories around them that they feel should be highlighted for their implicit personal, cultural or social value.

In 2019, Lake Grace Regional Artspace featured works by 11 artists who drew on the history of the Lake Grace Australian Inland Mission Hospital for *The Only Hospital for Miles* exhibition. From this exhibition, the curators selected artworks by Michelle Slarke, Tania Spencer and Jeanne Melville.

Michelle Slarke's work *Artefacts After Burning* is a physical archive of Lake Grace Australian Inland Mission Hospital – literally dug up from old tip sites. Michelle walked these places and sat in the dirt, picking through and excavating decades old remnants of hospital life. *Artefacts After Burning* is made up of found objects meticulously pieced back together as re-created tools, phials and medical paraphernalia. The artist used soil, ash, charcoal and/or salt from each dump site to bind and ground the pieces. Slarke's work creates a fictional archive that examines the value we place on old objects without questioning their story or usefulness. The work is an intricate forensic response to the history of this nationally significant hospital, presenting a commentary on the fleeting and changeable nature of memory. Slarke has been a practicing artist for 30 years working in installation, mixed media and text.

"*The Alternative Archive* allowed me to fully investigate and re-imagine a place and a history I knew well to find

**Clockwise from left: Caitlin Stewart (Narrogin), Chan Dalgarno (Karratha), Casey Thornton (Narrogin), Tania Spencer, Michelle Slarke - artists and curators from the exhibition.**

a different reading of these." said Michelle Slarke. "The exhibition at John Curtin Gallery is a wonderful display of our art and I encourage local people to visit and enjoy the wide range of works by artists from across the state."

Tania Spencer's work *40 Babies a Year Born Here* is a homage to the essential maternity services the Australian Inland Mission Hospital based in Lake Grace provided in the early 1900s. The pairs of baby booties referencing the 40 babies born a year in Lake Grace, are displayed in contrast to the live feed of the Royal Flying Doctor plane and the role it plays in the birth of babies from the region now. Crocheted out of industrial wire, an uncomfortable harshness is imbued on the beauty of the objects and the celebratory moment a birth represents. A practicing artist since 2006, Spencer works in sculpture, textile and wall works in mixed media with a textile influence.

In *Where the Journey Leads*, Jeanne Melville's work acts as a kind of charm bracelet to house worries associated with medical procedure and hospital stays. Her work acknowledges all the small pieces that make up a community and the physical remains of history that serve to jog our memory and soothe our hearts. Markers along the chain are stamped with the names of local towns the hospital served while small metal books open to reveal historical photographs.

"The exhibition aims to increase understanding of the arts ecology, the practices, and conditions of regional art making in Western Australia by urban audiences. The 2021 exhibition will be a contemporary visual archive of regional Western Australian arts practice, documenting a dynamic anthology of how regional

# Local Artists Feature in State-wide Survey of Regional Artists *(cont.)*

artists relate to the people, homes, towns or regions that they know so well." he said.

Co-Curator and artist Anna Louise Richardson said *The Alternative Archive* was a celebration of the diversity and expertise of regional artists and a great opportunity for those involved to present to metropolitan audiences.

"The exhibition not only enables regional artists to present their work to bigger audiences and build their profiles, but it also can showcase the capacity of regional curators and provides the artists with meaningful opportunities for professional development and peer to peer exchange."

"My hope is that *The Alternative Archive* exhibition at the John Curtin Gallery not only showcases the culmination of a unique, state-wide, inclusive regionally driven program, but celebrates the beginning of a series of meaningful, regionally led initiatives." she said.

"The Curators Symposium professional development program that ran alongside the exhibition was incredible", said Tania Spencer. "Viewing the Kerry Stokes Collection and meeting up with other artists and curators, hearing their stories and seeing the whole exhibition finally together at the John Curtin Gallery was a great experience."

*The Alternative Archive* was originally developed through *Connect to the Creative Grid*, an initiative of the Regional Arts Partnership Program supported by the State Government of WA and Country Arts WA with additional funding support from the Australian Government through the Regional Arts Fund.

The artists are: Craig Allsop, Agnes Yamboong Armstrong, Gabrielle Butler, Debbie Carmody, Tina Carmody, Catherine Kgukgi Noble Howard, Chan Dalgarno, Annette Davis, Mary-Lou Divilli, June Djiagween, Alana Grant, Charmaine Green and Mark Smith, Jan Goongaja Griffiths, Peggy Madij Griffiths, Naomie Hatherley, Pansy Hicks, Maitland Hill, Jason Holmes, Karen McClurkin, Serena McLauchlan, Jeanne Melville, Sarah Mills, Claudette Mountjoy, Brenda Mingen Ningarmara, Lyn Nixon, Ellen Norrish, Marianne Penberthy, Deidre Robb, Loreen Samson, Violet Samson, Michelle Slarke, Gary Smith, Tania Spencer, Louise Tasker, Casey Thornton, Monique Tippet, Lizzie Troup, James Walker, and Ben Galmirri Ward.

## Mother's Day Gift Stall Fundraiser

For three days leading up to Mother's Day, volunteers from the P&C and Student Council coordinated a Mother's Day Morning Recess Gift Stall which provided the students the opportunity to buy something special for their mums and support the school at the same time.

The students had lots of fun picking out presents from a wide range of gift options, proceeds of which will help bring a number of school projects to life.

## Introducing New Teacher – Mrs Maxine Leo

Hi, my name is Maxine Leo and I will be taking over Miss Pier Johnston's classes on Wednesdays and Fridays, working on Individual Education Plans (IEPs), the extension program and Mrs Desmond's Year 4/5 class.

I have lived in Lake Grace for 7 years with my husband Garry Leo and recently our little one year old Archer. I majored in English at university so I love to read but also love the movies. I'm currently in the process of completing my psychology degree.

I am really enjoying the teaching and student community here at Lake Grace, and very excited for the year ahead.

Welcome Mrs Leo—we are very pleased to have you with us!

# Lions Club Inductions Dinner Meeting

Arthur Slarke. Photos Nick Maalouf.

Lions inducted four new members at Walkers Hill Vineyard restaurant on Thursday 13<sup>th</sup> May 2021.

The evening program began at 7PM. Lions president Nick Maalouf welcomed all 21 people present, highlighting guests:- Inducting officer, former ZC Lion Haydn McInnes and wife Lion Pam from Kulin and local Sergeant of police Travis Taylor and wife Meredith.

Nick went onto welcome current zone chairman Lion Shashi Holla, followed by the newly to be inducted members John Ayer-Dillon, Craig Shaw, Stephen Lankford and Garry Prater.

The date was a regular Lions meeting night, though only limited formal business was carried out which included passing of minutes of the previous Lions Club meeting.

Following the main course the **New Member Induction Ceremony** was carried out by Lion Haydn. In preliminary remarks Haydn congratulated the club on recruiting 4 members. Haydn believes service clubs are very important for the well being of country towns, for without volunteers the spirit of the community is significantly diminished.

The ceremony included a short history of Lions beginning in Chicago in 1917 and the purpose of Lions.

Once the 4 new members jointly read out the **Obligation of membership**, Lion Haydn formally welcomed them into Lions Clubs of Lake Grace membership.

Presentation of the new member kits which included a certificate of membership, pins, name badges and stickers followed.

Also included where applicable, was a name badge for the partner of the new Lion.

The new member Sponsor were Lions Shashi Holla (3) and Arthur Slarke (1) also received a certificate.

At the conclusion of the ceremony, club members filed through, congratulating our new members with the customary handshakes.

**Guest Speaker** Sgt Travis Taylor took to the floor after being introduced by Garry Prater. Travis provided the audience with personal history of his life before joining the WA police force 10 years ago which include 10 previous years in the New Zealand army. Travis related many interesting and entertaining accounts of his experiences (you needed to

be there to hear it). Sweets were taken during a break in the presentation. When proceedings resumed Meredith played two short videos filmed on their motor cycle tours of Europe and Scandinavia. The scenery was breath taking with rivers and mountains aplenty. Their photos reflected the experience of exhilaration as they rode those winding roads, deep into valleys then rising up and over the mountainous terrain. Fortunately the roads were sealed and appeared to be well constructed.

New members were all given a task on the night by President Nick. John Ayers-Dillon thanked Travis for his informative and entertaining address to the Lions Club. John also recognised the valuable role policing has in the community while taking many risks to their own safety.

Thanks were given collectively to Meredith for her presentation which she acknowledged with a smile and little curtsy.

The trusty hand of Lion Neville Moulden was given the task of thanking Lion Haydn McInnes for the way he carried out the New Member Induction Ceremony. All messages of thanks were met by due applause from those present.

Lion's lady Margaret Clarke took on the role of presenting two small gifts to our worthy guests, Haydn, Pam, Travis and Meredith.

Towards the end of the meeting involved some poetry from Nick and Arthur which seemed to be received very well.

The night consisted of much good will, humor and entertainment. It was informative while being formal enough to recognise the importance of the occasion.

**In closing** the meeting, Lions president Nick thanked everyone for their attendance and proudly welcomed and congratulated new members for joining the Lions Club of Lake Grace.

**Haydn McInnes, Steve Lankford, John Ayers-Dillon, Craig Shaw, Garry Prater, Arthur Slarke and Shashi Holla.**

LAKE GRACE POLICE STATION

## STATION NEWS

Staffing arrangements are still forever changing but we have received the call for further relieving at Narrogin. Scott will be starting with a single week relief after which Fiona will then disappear for a month, not that we will miss her as she is always on holiday lately.

The new Superintendent for the Great Southern has been selected after Superintendent Ian CLARKE retired a fortnight ago and we will soon be welcoming Superintendent Kim TRAVERS as the new chief of the district. She plans to visit all the out stations on her arrival to Albany.

## CRIME

Again, a crimeless fortnight for the Lake Grace subdistrict, however we were kept busy when undertaking the weekend duty sergeant shifts while covering other station's patches in our cell.

We attended a home invasion and robbery in Corrigin that left a victim in hospital. This incident was packaged up and passed on to our local detectives at Narrogin for further investigation.

Soon after another burglary was reported in Corrigin, however they are unrelated. Again, Lake Grace police completed all the initial investigations and passed it on to Corrigin Police for follow up when they return to work next week.

## TRAFFIC NEWS

We received a report and in-car video footage from a member of the public who was following a road train laden with Ammonium Nitrate on the Ravensthorpe – Lake King Road at the Lake King end. Footage showed the road train cross over onto the wrong side of the road numerous times on blind corners and just prior to the brow of hills. Filming was activated after an on coming vehicle went bush to avoid a head on collision. Investigations are now well underway to identify the truck and driver of the road train. Nimrod, a specialist traffic investigation team are assisting as the truck has been identified to a Perth based logistics company.

Fiona and I travelled out to Newdegate for a patrol in the

Police 4WD Hilux and to check out an abandoned vehicle that had been left in the bush near the rail line. Fiona was driving and we made our way over the rail line near the Newdegate Cemetery. Obviously, things were still a little damp after the recent rains.

Now Fiona had completed the Police 4WD course prior to being transferred to Lake Grace, so I thought all was going to be well. But no. I wasn't paying attention to where Fiona was driving at that time (I was busy doing something else) when I looked up we had just come to a stop in the middle of a very wet and brown muddy patch. The tyres just whirring around throwing mud everywhere as we sank lower into the ground. I took over and pretty much made things worse. Who would buy a Hilux? They are useless.

Anyhow Fiona phoned a friend who kindly sent her husband out to rescue us. A gentle tug on a well placed snatch strap and out the Hilux popped. It took Fiona half the next day to clean the car. Payment will be made shortly for the assistance.

## COVID UPDATE

Things have returned to normal, no requirements in any district for the wearing of masks except at airports. Let's hope it stays that way. Any questions give us a call and we will find out for you.

## NOISY PARTIES

It's been great for so long.....then two in three nights and at the same location! This is a reminder that if you choose to have a sordid naked pagan festival on a school night after say footy training (in your back shed) it needs to end at midnight so others who didn't attend can get some sleep.

3 AM is not the time to crank up "Hey Baby (If you'll be my girl) by DJ Otzi with several of your highly intoxicated mates worshipping a totally naked skimp. Power cord to the stereo was seized and the party was shut down. Police departed but hung around nearby to ensure it was going to actually end. To my disappointment I observed three vehicles drive away from the party location. I did not see one person remotely sober when the party was shut down. Further will be said in relation to this shortly. There is no excuse for drink driving. The last thing that we want to do is attend to a crash and find an intoxicated person dead or their passenger dead because a decision was made to drive whilst intoxicated.

Having made enquiries we thought the issue was sorted. Police were advised at 12.30 AM of another noisy party with the dreaded low vibrating base, just enough to rattle the windows but not outrageously loud. To my horror it was the same shed from two nights ago. Scotty and I attended to quell the noise. Upon opening the shed with the tunes pumping I observed several intoxicated males attempting to pump iron. I don't if I was more shocked by the fact everyone was naked except for their jocks or that the heaviest weight in total on the bars was only 40 kgs. It's not something you can easily un-see. For what ever reason no one can manage to keep their clothes on in this shed. This time the whole stereo was seized. A receipt would have been issued but no one had a pocket to put it in.

Sorry there is Body Warn Camera footage but we chose not to publish pictures.

If you want to have a drunken weekend bonding with your naked mates, can you please try and end it by 12 am or even better find a farm location out of town where complaints can't be made and we don't have to write about it.

Have a wonderful fortnight.

Regards

Lake Grace Police.

## Bits and Pieces

Kevin Seaman

How often have you heard the saying "That truth is stranger than fiction"? Or "The camera does not lie" (which is hard to believe after seeing some of the photos on the computer.

And on the computer, is all that is stored in that fantastic, exiting box ready to spew it onto the screen, at the press of the right key. Is that all true and correct?

I came across a page recently while pressing the right keys stating the following:

Absurd facts that are actually true, Unbelievable facts – You will accuse us of lying, Facts that are (believe it or not) true and facts that will blow your mind.

After perusing the facts I assure you will agree with me that maybe (just maybe) the internet might be feeding us some wrongfull information.

Here are some examples of "unbelievable" but True facts:

- ◆ The word "And" appears 42,277 times in the bible
- ◆ Octopi are eaten alive in Korea
- ◆ Cockroaches appeared 120 years before dinosaurs
- ◆ All of the electricity powering the internet weighs the same as an apricot
- ◆ A hippo's jaw can open wide enough to fit a sports car inside
- ◆ It would take 19 minutes to fall from the North Pole to the Earths core
- ◆ Every 4 minutes 13 seconds enough wool is produced around the world to make a jumper big enough for the Statue of Liberty to wear
- ◆ Six generations back you have 64 great--great--great--grand parents
- ◆ In a group of 23 people, there's more than a 50% chance that two of them share a birthday, with a group of 75 there's a 99.9% chance of at least two people matching.
- ◆ The packaging of round fruit can be solved by making them square. In Korea some apples are grown in plastic moulds so they take on a square shape
- ◆ One species of jelly fish is immortal. It can revert back to its child state after becoming sexually active. This means it never dies.
- ◆ A snail can sleep for 3 years at a time
- ◆ There are 1 million ants for every human in the world

- ◆ A blue whale weighs as much as three elephants and is as long as three greyhound buses
- ◆ A bat can eat up to 1 thousand insects per hour
- ◆ Sharks kill fewer than 10 people per year humans kill about 100 sharks per year
- ◆ Honey bees can flap their wings 200 times per second
- ◆ Cows can sleep standing up but they can only dream laying down

Please remember that I pointed out the facts maybe "unbelievable". But they are true as confirmed by mums computer.

One thing I know is true I can make you smile with the following joke,

### Afternoon Tea

Jenny's mum was out shopping so she was being looked after by her dad, Peter. Some one had given her a little "tea set" as a birthday present and it was one of Jenny's favorite toys.

Peter was in the living room engrossed in the newspaper when Jenny brought him a little cup of "Tea", which was just cold water. After several cups of tea and lots of praise for such yummy tea, Jenny's mum Leslie came home.

Peter asked her to wait in the living room to watch Jenny bring him a cup of tea, because it was "the cutest thing ever!". Leslie waited, and sure enough, Jenny trotted down the hall with a cup of tea for her daddy. Leslie watched him drink it up.

Then she said, as only a mother would know, "did it ever occur to you that the only place Jenny can reach to get water is the toilet!"

# Solo Art Exhibition

## Media Release

2 D Works by Vandan McKenzie

Vandan says he loves the community feeling in Lake Grace. Though he currently lives in Port Kennedy for family reasons, his past includes memorable times in country communities in the South West of WA at Cowaramup, Capel and Denmark. Until relatively recently he lived for 20 years in a small regional town in Tassie and was actively involved in the community, especially in the art scene. As an inaugural committee member of the local Regional Arts group, he initiated and curated events and exhibitions, as well as exhibiting his own works. In addition he wrote an art column "Artists in Residence" about local artists, of all genres, and covered art events, for three Tassie newspapers.

This exhibition is a compilation of works from over two decades. His artistic life was wonderfully interspersed with the above related pursuits, plus half a dozen house moves, which included times of having no studio. The result was many of his paintings were set aside for long periods.

The last two years, since moving back to WA, have been spent refining and completing most of those works

in readiness for this exhibition. There are a dozen new ones included.

**The exhibition opens 5.30 on the evening of Friday 4<sup>th</sup> June. All are welcome.**

**Vandan will be painting in the Art Space for the duration of the exhibition.**

# Fix Debt For Free

## Media Release

Owing money and missing repayments can be stressful, so the last thing many people in financial difficulty need is to be charged more money for help getting their debt under control.

That's why Consumer Protection urges consumers to choose free debt management advice where possible over other high-cost options.

While debt management service companies may claim to be able to fix debt problems, these businesses charge fees and may not always be able to resolve the issues.

Some consumers have reported signing contracts and then discovering a caveat has been put on their home.

In a move designed to help protect consumers, all debt management firms will be required to hold a credit licence for the first time from 1 July 2021.

While this reform to Australia's consumer credit laws is an important step, consumers need to know that they can often get this type of assistance for free.

Financial counsellors provide free debt advice and negotiate with telcos and utility companies to pay in instalments or defer payments, while community legal

centres can offer free legal help to those in need.

Whatever your situation, if you are struggling to repay your debts then don't be embarrassed to seek help from free services to work through your options and understand what can and can't be fixed.

Contact details for your nearest financial counsellor can be found on the Financial Counsellors Association WA website – [www.financialcounsellors.org/find-a-financial-counsellor/](http://www.financialcounsellors.org/find-a-financial-counsellor/), or contact Consumer Credit Legal Service WA for advice: [www.cclswa.org.au](http://www.cclswa.org.au)

The National Debt Helpline at [www.ndh.org.au](http://www.ndh.org.au) is another good place to help you get started managing your debt, while complaints about debt management service providers should be directed to the Australian Financial Complaints Authority: [www.afca.org.au](http://www.afca.org.au)

When it comes to borrowing money for essential items, people on low-incomes can access quick No Interest Loans that are more affordable than payday loans which charge interest. Visit WA NILS for further information: [www.wanils.com.au](http://www.wanils.com.au)

# Book Review: *The Last Convict* - Anthony Hill

Suzanne Reeves

Oxford 1863: Samuel Speed sets a barley stack alight in the hope it will earn him a bed in prison for the night. He wants nothing more than a morsel of food in his belly and a warm place to sleep. What he receives is a seven-year sentence, to be served half a world away.

When Samuel boards the transport ship *Belgravia*, he is stripped of his clothing and even his name, and given regulations of when to rise, eat, clean and sleep. On arrival at Fremantle Prison, hard labour is added to the mix, and he wonders if life can get any worse. The only solace he finds is a love of reading.

Samuel is granted a ticket of leave in 1867 and full freedom in 1871. But what sort of life can a man forge for himself in the colony, with no skills, no money and no family? Will it be the beginning of the life he has always dreamed of, or do some sentences truly never end?

Meticulously researched and brilliantly woven into an engaging fictional account *The Last Convict* is a colourful recreation of the life and times of the last known convict to survive into the modern age.

A good read and makes you feel grateful for the opportunities that we have now. Available from the Lake Grace Library.

## From the CEO

Residents may have noticed a bit of action around the various towns as the projects that were subject to federal grant funding are starting to get underway. These funds were provided to the shire for projects that stimulate the local economy and were for the general benefit of the community.

These projects had either been on the wishlist for some time and lack of funding caused the delay or new projects that had been identified as being beneficial to the various communities. For example the installation of solar panels on shire buildings; to reduce electricity costs which in turn frees up funds available for other projects.

The grant funds received under three different rounds are subject to approval by the relevant federal departments. The funds can only be spent on those projects which were approved, with some leeway in transferring the funds within different projects within that particular grant round. These grants have to be completed and expended within a certain timeframe or else the funds will have to be returned. In other words the rules are "use it or lose it".

COVID 19 certainly put a spanner in the works not only creating a shortage in tradesmen but also in the supply of materials. We have endeavoured to use local tradesmen and suppliers to complete the works where possible.

### Recycling Services

Household Waste Collection is a weekly service and collected each Tuesday for Lake Grace, Newdegate, Lake King & Varley.

Recycling is a fortnightly service and alternates between Lake Grace and Newdegate. See below for the upcoming recycling collection dates.

Lake Grace	Newdegate
Tuesday 11 May	Tuesday 18 May
Tuesday 25 May	Tuesday 8 June

**Please Note:** There is no kerbside recycling collection service in Lake King or Varley.

The recycling bins are collected by Warren Blackwood Waste and transported to a recycling facility. If items which are not recyclable are found the content can't be recycled and the load will be directed to the landfill.

If an item is covered in food, it is not recyclable. Food is one of the worst contaminators in the recycling process. By using the yellow top recycling bin correctly you are contributing, in a combined community effort, to reduce the amount of rubbish that is directed to landfill facilities each year.

You are required to read the COVID Safety Plan before using the facility.

People, groups, clubs who hire public buildings are still required to:

- Complete the WA Government Safety Plan
- Register uses of the facility
- Monitor entry and exits
- Disinfect surfaces, doors handles, table chairs, showers, toilets regularly.

At the end of the event the requirements are:

- Return tables and chairs to designated storage area
- Put all rubbish into the outside sulo bins provided, including rubbish in toilets
- Ensure all stoves and lights are turned off
- Report any damages incurred while hiring facility
- Facility to be left in the same condition as found upon arrival including the floors
- All external doors are closed and locked;

This is most important as often doors are unlocked when cleaners arrive.

Shire cleaners are responsible for the general cleaning of a facility, however they are not responsible for cleaning up and putting away tables and chairs after a function.

### Help Stop the Spread of Caltrop

Following the recent rainfall the townsites have experienced an outbreak of caltrop.

What You Can Do:

You can assist by spraying and/or removing any caltrop on your property or verge, please do not put into your rubbish bin as this will contaminate our waste facility and the neighbouring farm lands.

#### Disposing of Caltrop Plants

To dispose of any removed caltrop plants please:

- place them into a marked and sealed plastic bag and keep them until winter when they can be safely burnt

or

- take them to the Shire Depot at Absolon Street Lake Grace, where there is a specially marked caltrop wheelie bin facility located just outside the main depot gate.

or

- Newdegate: place them in one of the two blue bins specially marked **Caltrop** on Lot 12 May St (vacant block) Newdegate.

## Gala Day at Kulin 8/5/21 Corrigin vs Lake Grace -Kukerin

After some much needed rainfall during the week, we turned up to a beautiful day for hockey in Kulin for the gala day.

### C Grade

The juniors played out a fantastic game of hockey with the final score being 2 all. Goals to Thomas Ditchburn and Oliver Hall. This week's award went to Eve Gray.

### B Grade

Another tough game for our B Grade side this week and we went away with a 5 nil loss.

### A Grade

It was another hard fought game this week. We finished with a 2 all draw which was a great result. Goal scorers were Aimee Hall and Amy King. Award this week went to Michelle Penney.

### Men

Although this is our men's 3<sup>rd</sup> season in the comp there is already a strong rivalry with the sides splitting the last two premierships. A couple of changes were made with Ben Hall coming back to centre half and Ben Argent coming back into the side as Damo Trevenen pulled a hammy wrestling sheep and Mitch Smith needed a "remedial massage" in Perth.

As always the game started at a frenetic pace with Corrigin trying to assert their authority early. The ball was well and truly stuck in Souths defensive half and after some desperate defending by Scott Oatridge, Jamie Eggers, Paul King, Cambell Chatfield with help from forwards Darcy Gordon, Patrick Smith and Ben Hall, we were fortunate enough to keep the ball out. Against the run of play the ball ended up in Corrigin's end with captain Floyd Pryor, who coincidentally moves around a lot better when he hasn't played a game of B grade football beforehand, forcing a corner. The corner ball dutifully put away by Floyd and Souths went 1 up. The game opened up and was played in much more even terms after that. Unfortunately there was a turnover in which Corrigin pounced and a great individual goal was scored to even things

up on the quarter. The second quarter started much the same as the first with Corrigin having most of the run of play. After the first five minutes Souths started defending resolutely as a team and managed to keep Corrigin at bay, play once again opened up with both sides attacking and defending in equal measure. A quick bit of thinking by Patrick Smith off a free hit left the Corrigin defence on their heels and once again Floyd Pryor quickly dispatched the ball in the back of the net. 2-1 at Half time.

In what felt like Groundhog Day, Corrigin once again started the stronger of the two sides. We had the super subs of Kelsie Adams, Michelle Gooding and the indomitable Julie Ditchburn showing the boys how's its done with Julie doing one of the most powerful side clearances the game has ever seen and holding the game up for 5 minutes while the ball was fetched. Unfortunately her cunning tactics didn't pay off and through sheer weight of corner chances Corrigin scored again. 2 all at the third break.

The last quarter was a tense affair with both sides holding firm. Derek Nenke and newcomer Lindsey Willock fought hard on their wings to keep up in the game with youngster Cambell Chatfield and Paul King especially cool under pressure. The same could be said for the Corrigin defense against our forwards who were equally keen to get the final goal. The game ended in a 2 all draw and it was a fair result for both sides as the game was played in great sportsmanship.

Many thanks to Morrie and Vicki Smith of Northfield farms for the coach's award that went to goalkeeper Dean Souness who was "a salted" plus peppered more than a prime piece of porterhouse.

**Our men's side at Hyden, from back left: Cambell Chatfield, Ben Hall, Mitchell Smith, Derek Nenke, Floyd Pryor, Scott Oatridge, Patrick Smith, Jamie Eggers, Lyndsay Willock. Front: Ben Argent, Dean Souness, Darcy Gordon and Travis Taylor.**

## Karlgarin/Hyden vs Lake Grace-Kukerin at Hyden

### C Grade

Our juniors came off with a great win this week. The final score being 2 nil. Goal scorers were Bill Davidson and Eve Gray. Award this week went to Tamzyn Kirby.

### B Grade

There was no B Grade this week due to Karlgarin/Hyden forfeiting.

### A Grade

The A Grade, playing a depleted Karlgarin/Hyden side, came away with a 9 nil win this week. Goal scorers were Kelsie Harrison (6), Amber McPherson, Jorja Kirby and Melissa Eynon. Award went to Amber McPherson.

### Men

On an overcast day in Hyden and the wind blowing from the desert, everybody was looking forward to run against the new boys on the block Karlgarin/Hyden.

Even though K/H are a relatively new team, they were not to be taken lightly. With our slow starts last

weekend to Corrigin still fresh in our minds, there was a need to start the game strongly. We did this with several penalty corner attempts but to K/H's credit they repelled all our forays forward, it took up until the end of the first quarter when Lindsey Willock scored a tricky goal between his legs to open our account and his first for Souths hockey club. 1-0 at the quarter

The second quarter was an evenly matched affair with K/H playing some of their best hockey of the match. Youngest Cambell Chatfield playing as a high full back listened to his much more senior full back and played another very solid match. Scott Oatridge and Travis Taylor, playing off their half lines were a goal keepers dream come true because they ran and defended where they were told to. The only real chance Souths had was when Darcy Gordon showed plenty of pace and turned the defenders inside out and placed a perfect ball to an open Derek Nenke who played a great one touch past the keeper. The only problem being that he was just outside the "D" 1 nil at the half.

The third quarter was much more productive in terms of goals when Floyd Pryor did what a striker should and pounced on a couple of chances, one straight away off the hit off when Patrick Smith and Lindsey Willock combined to set Floyd up and another during the quarter when Floyd turned and shot truly. Patrick Smith

*Jamie Eggers finishing off the game with a solid penalty corner hit.*

## Lake Grace-Kukerin Hockey Notes *(cont.)*

is new and trying to win friends because he has many opportunities this season but as a good team player has been bringing others into the game. Jamie Eggers 'ran' up from full back to take the penalty corner at the end of the quarter and he smashed it into the net to make it 4-0 at three quarter time

The last quarter was once again a pretty even affair with both sides having chances. Mitchell Smith's "remedial massage" in Perth last weekend must have worked a treat because he ran the game out well. As did Ben Hall in his centre half position who at one stage in the last quarter had one of the opposition players exclaim "that number 43 is a machine!"

Many thanks to Spencer Shearing services for the match day award which went to Cambell Chatfield for his maturity in the game when playing against the men.

Next up we play Kulin in Lake Grace who at the moment are the early season favourites in the men's competition and showing good competition across the other grades.

Thank you to our sponsors for the last two games, Northfield Farms and Spencer Shearing Service and upcoming sponsor the Lake Grace Sportsman's Club.

Also spotted (right) out and about taking all the wonderful photos for us were Lois Dickins, Jodi Pearce

and Sonya McSwain checking out their old stomping ground in Karlgarin and stirring up some memories. Thank you all for your support at the games.

The Club would like to express our sympathy to Life Member Trish Leo on the recent passing of her mum Ida. Our thoughts are with you at this time.

The Game against Gnowangerup was going to be a very hard challenge, the team gave their all but with Gnowangerup being too tall and more experienced our younger side just couldn't play our game style. Gnowangerup defeated Lake Grace-Pingrup 91-0

Best players were:  
Jordan Markham, Tate Naisbitt and Max Stubberfield

The game against Boxwood Hill this weekend was a

home game and with the team training hard they were really focused and ready for the challenge ahead, It showed from the first bounce where everyone was hunting the ball like a lion hunts its prey. It was going to be our day today and we sure did recording our first win of the season. Lake Grace-Pingrup Defeated Boxwood hill 59-30

Best players were:  
Madison Chircop, Tyler Argent and Levi Argent

The rain after opening day was gladly welcomed by the golf course. The creeks have been flowing and the fairways have sprung away making a nice change to the last few years.

Sunday the 9<sup>th</sup> of May was a Stableford sponsored by Neutech Auto Electrics. With the softer ground the players found the course to be a bit harder than usual and the scores reflected that. The Winner for the day was Steve Hunt with 31 points seven shots clear of Runner Up Kevin Eggers on 24 points.

The weekly Novelties were  
 NTP No4 (Elders Insurance) Chad Stanton  
 NTP No6 (LG Roadhouse) Helen Hunt  
 NTP No15 (LG Engineering) Helen Hunt  
 NTP No18 (LG CRC) Steve Hunt  
 Long Putt No9 (LG Tyrepower) Helen Hunt  
 Daily Long Drive (LG Building) Chad Stanton

Sunday the 16<sup>th</sup> was a Par event sponsored by Lake Grace Earthmoving. Once again the beautiful weather hindered the players scoring but it made for a quick game. The winner by count back with +3 was Murray Stanton. And pipped at the post for the second time this weekend was Kane Pinney also with +3.

The weekly Novelties were

NTP No4 (Elders Insurance) Kevin Eggers  
 NTP No6 (LG Roadhouse) Justin Wright  
 NTP No15 (LG Engineering) Justin Wright  
 NTP No18 (LG CRC) Kane Pinney  
 Long Putt No9 (LG Tyrepower) Phil Young  
 Best 2<sup>nd</sup> shot No2 (LG Building) Kane Pinney

Well done also to Justin Wright for claiming the Birdies Nest with a text book birdie on No13.

This Sunday the 23<sup>rd</sup> is a Stroke event sponsored by On Course Golf with a Count your Putts competition sponsored by Rex & Tracey Walker running at the same time.

And Sunday the 30<sup>th</sup> will be a Stableford sponsored by CCL Hardware Lake Grace.

Also this Sunday the 23<sup>rd</sup> with the help of Golf WA we will be hosting a coaching clinic with a professional coach from On Course Golf Marangaroo. ## Round 4 - 8th May Lake Grace / Pingrup Vs Gnowangerup

Score 2-3

A trip to Gnowangerup and our first game on turf for the season. We were all a little excited to be playing on turf this weekend.

We always know that Gnowangerup are a hard team to beat on their home ground, so we went in with eyes wide open. The whistle to start the game went; Lisa O'Neill hit the ball off to Tahryn Trevenen who took it down the field, a quick hit across goals to Anna Taylor and BAM!! in the ball went for the first goal of the game, within the first few minutes. You can say we were all pretty pumped after this.

The game was pretty even both sides throughout the rest of the quarter. Second quarter Gnowangerup managed to sneak a goal in taking it to a draw when the half time whistle blew. Shortly into the third quarter Anna did a great push out on a short corner which Lisa hit beautifully from on top of the D and straight into goal. We were then 1 goal up and felt good going into three quarter time. The last quarter both teams never gave up, fighting hard to get goals. Unlucky for us that Gnowangerup managed to score another 2 goals to make the final score 2-3. A win to Gnowangerup.

What an amazing game of hockey played by our whole team. Even though we came away with the loss this week, our spirits were high as we knew we played great hockey as a team and as individuals.

Best on ground: Annie Argent (Goalie)

Runner up best on ground: Tahryn Trevenen

## Round 5 - 15th May Lake Grace-Pingrup v Boxwood Hill

Score 4-3

Lake Grace/Pingrup went up against Boxwood Hills on Saturday 15<sup>th</sup> May. It was beautiful weather for a game of hockey, not too hot not too cold. This week we were limited for players and had pulled in our coach Lyn and Karissa for our bench. Unfortunately Lyn had to end up umpiring our game, which means we missed her on the field. We started the game in high spirits with everyone confident to bring away a win today. A last minute change at the start meant Tameka Roukens pulled on the gear to play for us as well (Thanks Tam). Tahryn Trevenen scored our first goal for the game in the first quarter, then Boxwood managed to sneak one in. This was then followed by a beautiful goal by Lisa O'Neill. It was then 2-1 to us at half time. We knew they would come out firing in the third quarter, so we were prepared. Boxwood managed another goal and then a sneaky goal from a short corner from Debbie Carruthers

and we were 1 goal up again. Boxwood then surprised us with another goal, and again we were even. We knew we could win, we were playing so well together as a team and when Georgia Gray brought the ball in and scored us the last goal, we were finally in the lead again. With 3 minutes to go for the game, we fought so hard to defend the ball and stay in the lead. A well played game as a team from everyone. Congratulations on the win ladies, it was well deserved.

And a Big THANK YOU to our coach Lyn Carruthers for stepping up and umpiring our game at the last minute.

## ROUND 4 - 8th May

### Lake Grace-Pingrup vs Gnowangerup at Gnowangerup

#### A RESERVES

Unfortunately, Lake Grace Pingrup were unable to field a reserves side for this match, very disappointing as this has not occurred for a very long time at the club. Hopefully a few more people will get involved especially if they have juniors coming through the club in the future, the Reserves is very important for the development of players that are too old for juniors and not yet ready for League. The survival of the reserves competition is key to the clubs survival and please play your part in giving back to the club the opportunity you were afforded.

#### LEAGUE

The match commenced with Gnowangerup kicking two quick goals. The backline was under a lot of pressure and doing a great job and LGP had great pressure on the ball, but turnovers proved costly. Mitch Morton and Kane Pinney both scored goals late in the quarter.

**Quarter time score was LGP 2-1-13 Gnowangerup 4-4-30**

After a few adjustments, LGP started the quarter very well with Rueben Smith and Jack Carruthers combining well in the middle to set up Mitch Morton for the first early goal. LGP once again were applying good ball pressure and the backline was working tirelessly. Costly turnovers saw Gnowangerup get easy goals through House and Davis to have a handy half time lead.

**Half time scores stood at LGP 3-1-19 Gnowangerup 9-8-62**

The third quarter again saw the very tight game continue and goals not scored until the 13min mark. Gnowangerup kicked five goals for the quarter whilst LGP only managed two points for the quarter. LGP still maintained pressure on the ball but once again turnovers were very costly with Gnowangerup scoring the majority of the five goals from these turnovers. Injuries to Mitchell Smith, Darcy Townsend and Mitchell Morton prior to three quarter time break, it was going to be a long last quarter.

**Three quarter time scores were LGP 3-3-21 Gnowangerup 14-10-94**

The final term was always going to be a test of character after a very fast and hard game. Gnowangerup scored three quick goals in succession before Trivan Davey took a fine mark and converted to get our first goal since prior to half time. Kane Pinney scored a further two for the quarter to top of a great game. The final score didn't really reflect the game as LGP applied great ball pressure and tackling all game

but in each quarter Gnowangerup scored directly from skill errors resulting in turnovers. Gnowangerup are a very good balanced side and we now know where the bar has been set and where we need to be to get the upper hand. Congratulations to Josh Cameron for his League debut, he acquitted himself well throughout the whole game and the club looks forward to his future games.

**Final scores were LGP 6-5-41 Gnowangerup 19-18-132**

**BETTER PLAYERS FOR LGP: KANE PINNEY, ETHAN WALLACE, TYSON PRATER, JOSH GILES**

## ROUND 5 - 15th May

### Lake Grace-Pingrup vs Boxwood Hill played at Lake Grace

The weather was perfect for football with an absolutely clear sky with a light North Easterly breeze present.

#### A RESERVES

The Reserves game commenced at the earlier start time of 11am. This week LGP managed to muster 15 players and with Boxwood giving us a few spares we saw a great game of reserves. The first quarter saw a very tight game with limited scoring opportunities and the first goal to LGP not occurring until the 8min mark. Boxwood scored immediately after, with LGP scoring one more for the quarter.

**Quarter time scores were LGP 2-2-14 Boxwood Hill 1-1-7**

The second quarter saw Boxwood score three quick

## Lake Grace-Pingrup Football Notes *(cont.)*

goals in succession and take the lead on the scoreboard. A couple of positional changes saw Alex Duckworth score two late goals in the quarter to get the game back to a six point margin at the main break.

**Half time scores were LGP 4-3-27 Boxwood Hill 5-3-33**

The third quarter saw LGP find their rhythm with early goals to Damon Pelham and Alex Duckworth. Boxwood came again and scored two quick goals in succession with LGP scoring a goal late in the quarter to get the game back on their terms. Jakke Little was outstanding in defence, whilst Alex Duckworth continued to impress with a very sore back.

**Three quarter time scores were LGP 9-3-57 Boxwood Hill 7-5-47**

The final quarter saw an outstanding effort from both sides and only one point scored by Boxwood for the whole quarter and this didn't happen until the 15min mark. All players were tackling hard and maintaining ball pressure and it was a back and forth affair for the whole quarter. The coaches and players of both sides have to be commended for the way the game was played in good spirit and more importantly the effort put in to have a reserves game of this quality.

**The final scores were LGP 9-3-57 defeating Boxwood 7-6-48.**

Better players for LGP were Jakke Little, Bevan McDougall, Alex Duckworth

**Awards Went to Best of Ground: Bevan McDougall, Second Best: Kael Gray and Coaches Award Adam Hunt**

### LEAGUE

This game was always going to be a close affair with good players from both sides missing with injuries. The first term saw Boxwood get away to an early lead kicking three goals in succession. Goals to LGP late in the quarter through Karl Fleay and Kane Pinney got the game back on even ground.

**Quarter time scores were LGP 3-3-21 Boxwood Hill 4-2-26**

During the second term LGP seemed to have the scoring end with consecutive nice long goals to Tyson Prater, along with Karl Fleay and Jack Carruthers. The pressure and tackling were outstanding and LGP had a handy four goal lead

**Half time scores were LGP 10-5-65 Boxwood Hill 6-5-41**

The third term saw Boxwood's turn to head towards the scoring end kicking seven goals for the quarter whilst LGP managed only three into the wind and this saw a one point game in Boxwood's favour at the final change.

**Three quarter time scores were LGP 13-7-85**

### Boxwood Hill 13-8-86

The final quarter saw a very tight affair with only three goals scored. Boxwood's experienced heads played a vital role in Boxwood hanging on for a seven point win in what was a great game played in good spirit.

**Final scores were LGP 14-8-92 Boxwood Hill 15-9-99**

Multiple goal scorers for LGP were Karl Fleay 5, Jack Carruthers 3, Tyson Prater 2

Better players were Tyson Prater, Jack Carruthers, Ethan Wallace, Karl Fleay, Ryan Baker

**Awards: Best on Ground Tyson Prater Best on Ground runner up Jack Carruthers and the Coaches award went to Ryan Baker**

Congratulations also to Oakley Major who made his League debut and applied himself well during the game. We look forward to seeing more of your games Oakley.

## Round 4- 8th May

### Lake Grace-Pingrup vs Gnowangerup

#### A Grade

Played in Gnowangerup the game was a very rough encounter with a lot of contact all over the court.

The first quarter we jumped out of the blocks again with good team play and had a lead of 5 goals at quarter time. The second quarter the opposition came at us but we were able to play the ball and hold a slight margin at half time. The game was exhausting and tough and played at a fast pace and Gnowangerup got to the lead by 2 goals with the coaches bench starting to think how are we going to get back.

I was very proud of the girls the way they held their nerve under extreme pressure and regrouped playing some great netball to run out winners by 6 goals 45-39.

A great effort by everyone.

A big THANKYOU to Georgie who sat on the bench for us it was very much appreciated.

**BEST ON GROUND :** JOELY SLINN who was a steadying influence on the team all day and placed the ball to the best advantage of the team. Ran out and made space for her teammates. Well done Joely

**SECOND BEST ON GROUND:** CHLOE TREVENEN played her heart out in defence and offered good run down court. Good game Chloe

**COACHES AWARD :** TENEEKA MORGAN started in shooter then when shifted to WD set up across the circle intercepting many balls from the opposition and put her body on the line to help bring the ball down from defence. Well done Teneeka

A good win girls lets keep up the good team play against Boxwood at home this week

#### B-Grade Netball

Rd 4 saw us line up against Gnowangerup. The girls started off well with the scores being level at the end of the first quarter, but unfortunately the next two were not as fortunate, with all the good fortune going Gnowangerup's way, They quickly increased the margin to one that would be almost impossible to reduce. After a very inspirational speech by Tuscany Dew at three quarter time, the girls rallied to win the last quarter by one goal. The final score was 55 to 24. This could have been blown out of the water if it wasn't for our defence, with best on ground Georgie Sanchez and second best on ground Gemma Pauley doing an amazing job with countless intercepts and rebounds. Coaches Award went to Tayla Stone for stepping up to a new position, centre, in 2 quarters and still playing out the whole game.

#### Junior

We started the game strongly against Gnowangerup and with only 1 on the bench again this week the kids

got plenty of court time. Our defence worked well together and were able to make some impressive intercepts which resulted in goals for us.

Best on ground went to Payton Callope who played a great game in attack using her experience to lead the team. She also displayed sportsmanship as GA and helped our less experienced shooters.

Coaches award went to Ella Ward who played in GS for the first time and tried her hardest in that position.

In the end we were too strong for Gnowangerup and we won Lake Grace-Pingrup 31 to Gnowangerup 6

## Round 5 -15th May

### Lake Grace-Pingrup vs Boxwood Hill

#### A Grade

This weeks netball was played in Lake Grace in fine conditions and was a good game of netball. With a couple of players out we had Vynka play for us and she slotted into the team beautifully, thanks for playing this week Vynka.

As has been each week, the team jumped off to a good start outscoring Boxwood by 6 goals in the first quarter and 10 goals in the second quarter which set the game up for us.

The defensive unit of Joely, Claire and Teneeka combined nicely and intercepted a lot of Boxwoods forward moves .They also gave great options down court to get the ball into our shooters.

Chloe and Laura provided good strong leads to get the ball moving and provided great avenues into goal with Vynka holding nicely in the circle worked well. Chloe and Vynka combined well to shoot some nice goals with good rebounding.

Shenae played well in centre, her ability to place the ball just where the shooters wanted it was outstanding and her timing of her run and drive set up many goals.

All round it was a great team effort girls, you all kept working hard right till the end of the game. Well done final score 57 - 30.

Many thanks to Gemma for sitting on the bench for us, we all appreciated it. That was the end of the first round. We have played well as a team lets keep training hard girls.

This week we travel down to Jerramungup to play them indoors.

**BEST ON GROUND:** CLAIRE GRAY

**2ND BEST ON GROUND :** CHLOE MCDOUGALL

**COACHES AWARD :** SHENAE PRATER

#### B Grade

B grade netball suffered another loss going down 42-10 to Boxwood Hill. Boxwood Hill started the game strongly and got off to a commanding lead which

# Lake Grace-Pingrup Netball Notes *(cont.)*

proved hard to reduce during the game. The girls fought hard for the remainder of the game showing great fight and playing with spirit to the last siren.

Best on ground went to Gemma who played a fantastic game in GK. Her positivity and never say die attitude showed throughout the game with numerous deflections and intercepts.

Coaches award went to Aleisha Smith for giving 100% effort in a new position.

## Junior

The weather was a little cold this week and it took the team a quarter to warm up. Going into the second quarter we were down but the team rallied and worked together to keep us in the game. Our defensive players are really starting to settle into the role and are reading the play which is resulting in more intercepts. Morgan played a great game as our WA providing support as the ball moved into our attack. We were able to keep our momentum and run the game out to the end winning Lake Grace 27 to Boxwood 18

Kiesha Pawsey won Best on ground. She dominated in attack and her ability to run the game out is a real asset to the team.

Payton Callope got second best after playing a strong

game in the centre.

Coaches Award went to Sheree Duckworth. She intercepted and defended well and played an important role in our defence this week.

The team is continuing to grow with each game and it's exciting watching their development. Thank you to the umpires and volunteers who give their time each week.

Next week we are at Jerramungup
