## DHS Mobile Service Unit Well Used

Suzanne Reeves

You would have had to have had your head in the sand to not know that the Department of Human Services Mobile Service Unit was coming to Lake Grace.

Thankfully the barrage of advertising via community newspaper, social media, posters and word of mouth paid off with the staff at the van barely having time to eat their lunch. This is a good thing as the more people that utilise these facilities then the better case they have to travel our way again.

Accompanied by the Electoral Commission, Tricia Florent from the Mobile Services Team was pleased with the response and said they had a wide variety of clients attend. Ms Florent was pleased that the team was able to solve so many issues throughout the day.

Although advertised as being open from 9am to 4pm on Wednesday 13th May, it was later than that before they managed to shut the doors. They did however manage to check out the lakes west of town in the fading light.

- A big thank you to Allan Zweck who has taken on what seems quite an onerous task in writing articles on all 28 of the veterans on the World War I honour roll. Suffice to say I think Allan is in his element. We will time the stories as close as possible to 100 years since their enlistment. Like many men of the time Great Uncle Les appears to have been especially eager in enlisting and is our first story on pages 14 and 15.

Applications are invited for the position of **Trainee** with the **Lake Grace Community Resource Centre**.

We are seeking a person who is well presented, community orientated and keen to commit themselves to a Traineeship for a period of 12 months, commencing in July 2015.

The successful applicant will receive training in a busy office environment in conjunction with formal TAFE modules completing a Certificate III in Business.

The successful applicant will have the opportunity to gain valuable work experience while earning. This is a full time position but can be tailored to suit other commitments.

**Interested persons are asked to contact Suzanne Reeves at the Lake Grace Community Resource Centre for an application package. Applications close Friday 5th June.**

# A Story to Tell

Suzanne Reeves

Part of the Lake Grace Regional Artspace's programme is to partner with the Lake Grace Shire to be able to bring one or two 'Art on the Move' exhibitions to the community every year to give all Shire residents the chance to view contemporary exhibitions from artists around the state.

The Lake Grace Artspace is currently hosting Laurel Nannup's *A Story to Tell* exhibition which opened Thursday 14th May. Laurel is an accomplished printmaker, enjoying the processes which allow her to express her ideas in a graphic but succinct manner. The print making processes she has explored through this exhibition include photographic etching, etching, aquatint, screen printing, photographic screen printing, wood cut and hand coloured prints.

**Phyllis Dunham and Lenore Gladish admire 'Wandering Mission Convent', a hand coloured photo etching which is part of Laurel Nannup's exhibition 'A Story to Tell'.**

In *A Story to Tell*, Nyoongar artist Laurel Nannup tells her own story, through woodcuts, etchings and photographs. These works illustrate the artist's memories of place, particular events and people, all of which contribute to an overview of her life.

At the age of eight, the Native Welfare Department took Laurel, her sister and her cousin away from the Pinjarra region and their families to the Wandering Mission, where they lived and worked until they were old enough to work on farms in the area. The prints in Laurel's exhibition are a reflection of her life, both with her family and mission life; the stories are told with honesty and affectionate humour and build up a unique picture of the reality of life for many Indigenous people of Laurel Nannup's generation.

*"As a young Nyoongar girl growing up in the bush, I learnt a lot from my parents and grandparents about the old ways. They taught me how to find water, how to track animals and how to find food to eat, when I was hungry. My family and I lived in the bush around the Pinjarra region, where Mum and Dad worked on farms, felling trees to make fence posts for the farmers. They also worked on dairy farms where they would milk the cows and stook hay for the cows' feed. From time to time we lived on the Pinjarra Reserve with my grandparents and other relatives until my sister, Cecelia, my cousin Madeline and I were taken away by the Native Welfare, I was just eight years old. We were sent to the Wandering Mission where I spent the next eight years of my life. I don't remember much about the*

*trip to the Mission, I just remember Mum bathing us and putting on new clothes on us, that's all I remember about that event."*

Laurel is coming to Lake Grace for a welcoming event and talk to be held at 6:30pm on Monday 25th May. She will also be participating in school education talks on the 26th May. The exhibition is currently open seven days a week from 10am to 4pm provided they have the volunteers to staff the display and is supported by the West Australian Department of Culture and the Arts.

# Managing Change

*Danielle Robertson*

Change is inevitable. Ironically, it is one of life's constants.

A presentation by Ken Rogers at the CRC facilitated by the Wheatbelt Business Network was well attended by local business owners and community members wanting to learn more about how to manage change.

Ken spoke on changes he has seen throughout his life and career and how he dealt with them. He gave insight on different personality traits which allow people to accept change or at the other end of the scale resist with all their might. Ken encouraged attendees to see change as a positive and reject negative thoughts, words and deeds which would limit possibilities both for business, personal life and the community as a whole.

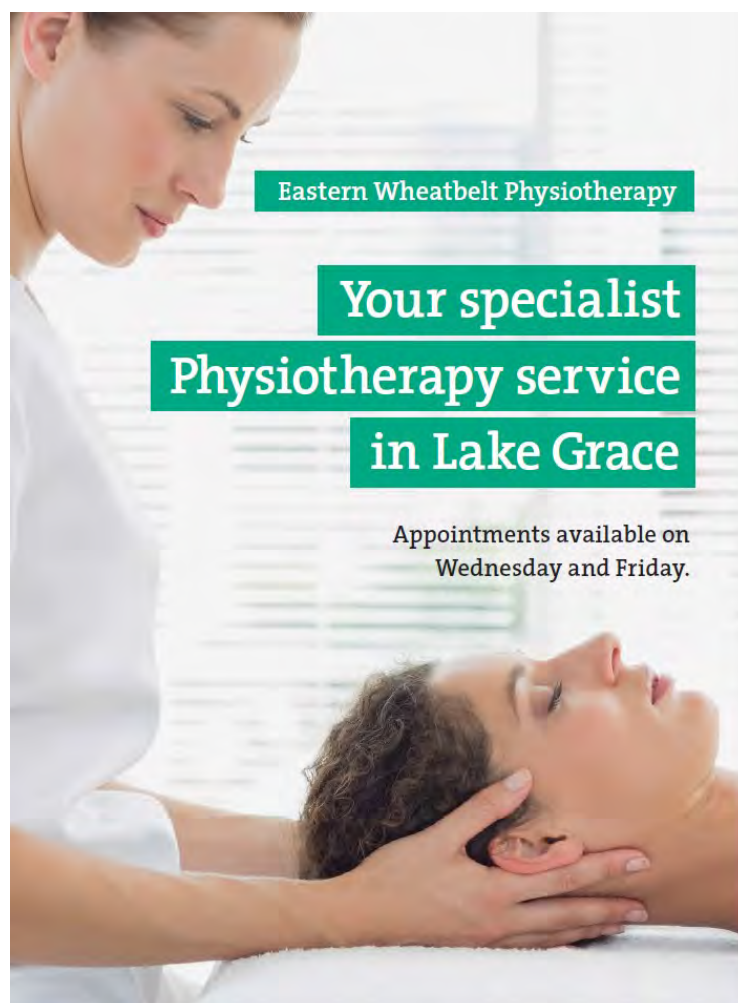

A short workshopping session followed with everyone present commenting on the positive things that Lake Grace has to offer and the possibilities for the future of our community. Discussion touched on the subjects of encouraging families to stay here, building local business, supporting each other through times of change or adversity and creating a vibrant community.

If you would like to know more about Ken and his work,

please contact him through Tanya French at the Wheatbelt Business Network on 0429 879 430.

# Saltbush Pioneer Enters Hall of Fame

*Courtesy Fairfax Media (Farm Weekly Thursday May 7th 2015)*

RAS president Dr Rob Wilson (left), congratulated former Lake Grace farmer Michael Lloyd on being inducted into the 2015 RAS Agricultural Hall of Fame at a function on Tuesday. The award was presented by WA Governor Dr Kerry Sanderson watched by Agriculture and Food Minister Ken Baston.

A LANDCARE champion is the newest inductee to the Agricultural Hall of Fame.

Michael Lloyd is a renowned expert on salinity whose saltbush-based revegetation practices have led to major advances in land management across Australia.

He has been pivotal in changing the perception of saltland from "white cancer" to an economic and environmental asset.

When faced with 40 per cent of his wheat sheep property in the Lake Grace region affected by salinity and waterlogging, Mr Lloyd established saltbush pastures and slowly revegetated 600 hectares of saltland on his property, Bundilla.

Mr Lloyd, along with his wife Margaret, established a long-term sustainable management system that increased production and benefited biodiversity.

His landcare practices equipped Bundilla to withstand drought more effectively than many neighbouring farms and to stabilise critical water resources.

The scale of investment in saltbush-based saltland pastures at Bundilla was unique in Australia and the farm became a case study for scientists with Mr Lloyd always open to sharing his insights.

"We noticed changes over about 10 or 15 years, bit by bit," he said.

"We were in denial really. Then when things started to get bad I knew I had to do something.

"I started looking at it and trying out different things.

"I knew I was going to have to change this farm around. I started planting saltbush and saw results after about five years."

Mr Lloyd became an activist for saltbush revegetation after a research paper was published in 1994 indicating that high levels of salt in saltbush meant that it was almost toxic to sheep.

**RAS President Dr Rob Wilson (left), congratulated former Lake Grace farmer Michael Lloyd on being inducted in the 2015 RAS Agricultural Hall of Fame. The award was presented by WA Governor Dr Kerry Sanderson watched by Agriculture and Food Minister Ken Baston.**

That was contrary to his experience.

The research was based on feeding trials with saltbush where the sheep had no access to under-storey and it dramatically dampened interest in saltbush and saltland pastures for several years.

"It was a real concern to me that we may bail out of research funding because of the findings of a report that didn't tell the whole story," he said.

Mr Lloyd said the key to success of saltbush revegetation was in the growing saltbush and grass together.

"It is the combination of the two that makes the difference," he said.

In 1996, he met Clive Malcolm, the pioneer of saltbush agronomy, at a conference in Albany.

The two became friends and worked together for many years to raise the profile of saltland.

When the State Government released its Salinity Action Plan in 1996 without any reference to saltbush revegetation, Mr Lloyd got busy.

He hosted field days at Bundilla for six or seven years with 50 and 60 people visiting every year.

"I raised the profile of saltland," he said.

"I got a good reception at a State Landcare conference

and I spoke at national conferences.”

Realising the importance of setting up a farmer-based group to lobby agencies, the Saltland Pastures Association was formed in 1997 with Mr Lloyd as its chair.

His 1996 paper Saltland Pastures - Saltland Profit helped spark renewed interest in saltbush.

Tenacious lobbying paid off with saltland agronomy research put on the policy agenda.

A further win came when the use of saline land and water was added to WA's Salinity Action Plan draft update in 1998 and then another victory when the goal of re-vegetating one million hectares of saline land over a decade was adopted in the WA Salinity Strategy in 2000.

Perhaps the sweetest victory of all was when the wool industry developed a program on resource management with \$8m of the \$20m funding set aside to deal with saltland.

In 2002, Michael Lloyd was awarded the prestigious McKell Medal for his work in natural resource management.

Royal Agricultural Society WA president Rob Wilson

said that Mr Lloyd's work changed landcare management on farms and had driven sustainability.

“As a member of the Agricultural Hall of Fame, Mr Lloyd is in the company of other great Western Australians whose determination and perseverance helped WA become an economic powerhouse, whose innovation led to breakthroughs and whose expertise defined an industry,” Dr Wilson said.

Mr Lloyd is the 60th inductee to the Agricultural Hall of Fame established by the RAS in 1999.

# 'Black and White on the Move' Exhibition

*Kerrie Argent*

The Lake Grace artist group members were challenged to create an art work on a 60cm square canvas in black and white and all shades of grey. This was for an exhibition at the Narrogin Garden Café and Gallery, in May 2015. Most of the members took up the challenge and created new art works for 'Black and White on the move'.

The exhibition opening was on Saturday afternoon May 2<sup>nd</sup>, it was a great afternoon with over 60 people attending the opening, members and friends from Lake Grace, Dumbleyung and Wagin travelling to Narrogin to attend. Thanks to Mike and Vicki for inviting us and putting on delicious nibbles and champagne for the opening event. The exhibition is open until the 29<sup>th</sup> May.

The exhibition has a huge variety of subject matter, materials and techniques used, this is what we encourage our members to do. It doesn't matter the medium, 2D or 3D as long as it conforms to size and colour there are no restrictions, so far this year we have textile works fabric, patchwork, knitting machine embroidery, hand stitching, cats fur, wire, paper, collage, recycled materials, encaustic and of course paintings and drawings, a lovely eclectic collection of techniques.

This was an exciting event for us as its only the second time we have exhibited as a group outside of Lake Grace, the first being when we took "the thin Red Line" up to Moora in 2007

It all started with an invite to have an exhibition at the Narrogin Garden Nursery Café and Gallery, and as two of our members work there how could we say no. Plans were made to exhibit there in May 2015. In the mean time ladies from the Plantagenet artist group had visited our combined group exhibition in October and wanted to take it to Mt Barker and hang, but as most other art galleries do not allow you to bang nails in the wall this would not have been possible.

But a seed was sown, why not combine the three venues. We would start with the Narrogin Garden Café and Gallery with Lake Grace members only exhibiting and then taking our works and combining them with the Plantagenet artists in Mt Barker in August, then returning the entire works home for a big exhibition of works from the Lake Grace artist group, Plantagenet

Artist group and the Lake Grace community.

Lake Grace Shire community members that want to take up this challenge and have a go at creating a piece of black and white work just need to get in contact with the Lake Grace Artist's Group for further information. We are always looking for new or hidden talents.

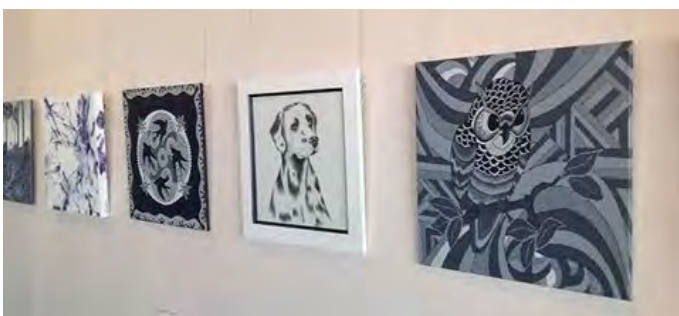

The beauty of our exhibitions is that they are open to all forms of arts and materials.

# Blessing of the Plough

Lucy Farrelly

On Sunday 10 May our community gathered together to pray for a safe farming season and a bountiful harvest for the year ahead. The plough, the soil, fertilizer, the seeds and the water were blessed.

- The plough- to prepare the soil.
- The soil- with it the wisdom to farm wisely and sensibly.
- The fertilizer- to enhance the soil.
- The seeds- that the seed may send forth roots and shoots that will mature into well filled grain.
- The water and sunshine sent by God's hand as we look forward to the coming harvest with confidence and trust.

Lord of the harvest, you placed the gifts of creation in our hands  
And called us to till the earth and make it fruitful.

We ask your blessing  
As we place these seeds in the earth.  
May the care we show these seeds  
Remind us your tender love for your people.  
We ask this through Christ our Lord. Amen

He gave next of kin as his mother, Martha Oliver of "Lyndhurst Farm," Lake Grace, and his occupation as Mill Hand. He was of fair complexion, 5 feet 6 inches tall (169cms.), and weighed 157 lbs. (71.3kgs.), with green eyes and light brown hair. His training was at Blackboy Hill, where he was assigned to G Corp 12<sup>th</sup> Battalion/3<sup>rd</sup> Infantry Brigade, his service number being 854 – (his service number was later changed to 6248, after convalescence, and re-enlistment).

He embarked the *HMAT Medic A7* on the 2<sup>nd</sup> of

**Leslie Oliver (left) with his father William GR Oliver (seated) and brother Alf Oliver.**

November 1914, at Fremantle, which was one of the 38 ships in the First Convoy of Australian and New Zealand troops dispatched to the War Zone. On-route, they became very aware of the serious danger to them that was averted, when *HMAS Sydney* steamed away from the Convoy to do battle with the German raider *Emden*, which had been lurking close by in the waters off Direction Island. All eyes were on the *Sydney* as it disappeared over the horizon, as they were well aware of the imminent danger they faced. At 10.45 am a message arrived from the *Sydney*: "Am briskly engaging enemy," and at 11.10 am came the signal, "*Emden* beached and done for". The news quickly spread around the ships that the destroyer of more than a score of British Merchant ships had been smashed. The relief and pride that an Australian ship had done it was intense. Parades were interrupted; attention wandered – so General Bridges broke off work and gave the troops a half day holiday.

Approaching Egypt, there was some indecision as to where the troops would be landed, as the Salisbury Plain in England was already saturated with Canadian troops, in appalling wintery conditions. The decision was finally made to disembark at Alexandria, Egypt, on 3/12/1914 and travel by train to Cairo, from where a training camp was set up and they underwent a period of training in preparation for the Expeditionary Force.

On the 2<sup>nd</sup> of March 1915, Private Oliver embarked the British Military Transport, *Devanha*, to join the Mediterranean Expeditionary Force, and from Alexandria they proceeded to the Gallipoli Peninsula. There is no further record on his Medical File, until after six months service, on the 7<sup>th</sup> of September 1915, when he was admitted to hospital at Gallipoli, however, *The Sunday Times* records that, "he was one of the first to answer the call and who was at the famous landing in Gallipoli". He had been overcome by sickness, having succumbed to influenza, when his next movement was documented, and he had also received a serious injury. After being transferred through several Casualty Clearing Stations, he was brought to Alexandria. It was reported that he received an injury when a sand bag fell on him, and thereafter he passed blood, though it was never recognized that this incident may have contributed to his confinement! After further examinations, it was found he had a condition which warranted his return to Australia for treatment, and a probable operation. At Suez, he embarked the *Karoola*, and arrived back in Australia on 27/11/1915, where he received medical attention at Fremantle Hospital.

During his confinement, Leslie spent much of his time with his brother Alf at Wickopin, and during his time back in Australia, in jocular manner, family can relate how Private Oliver, (like older brothers often do), told his little brother Jack, that he had "gone AWOL", (absent without leave!) It is thought Jack may have believed him to the day he died!

## Commemorating 100 Years of ANZAC (cont.)

Private Oliver recovered sufficiently that he was able to return to duty on active service, having also overcome the condition expected to require an operation, and had also recovered from meningitis which had afflicted him. Private Oliver re-enlisted at Wagin, then returned to England. The Australians having withdrawn from Gallipoli had now joined the campaign on the Western Front. December 1916, he was moved overseas to Etaples, France, where he was taken on strength, and rejoined his unit with the 16<sup>th</sup> Battalion. Private Oliver was promoted to Lance Corporal, with a further promotion to Corporal and another promotion came on the 14<sup>th</sup> of September, when he became Sergeant Oliver.

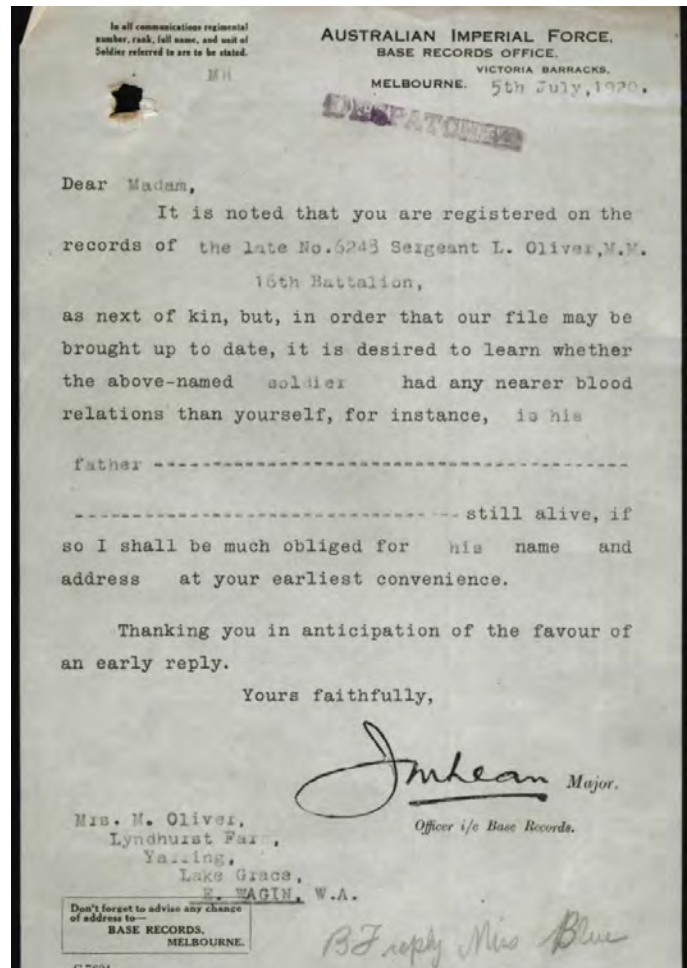

On the 26<sup>th</sup> of September, Sergeant Oliver was wounded in action in a battle at Passchendaele, near Zonnebeke, Belgium, taking a gunshot wound in the shoulder and in the back. He was transferred to London and though the wound in the neck area had healed, he was left a paraplegic from the gunshot in the back. For his gallantry in that action, Sergeant Oliver was awarded a Military Medal. During his time in hospital, he was frequently visited by Mr JH Horn, the brother of Dolly, the girl Leslie was engaged to. His condition became weaker daily, and a Red Cross Visitor recorded in a note, "This case was hopeless from the first – gunshot wound back – a paraplegia case – paralysed from the chest down. He died peacefully and without pain." Sergeant Oliver died in King George Military Hospital, London, of his wounds, at 9 am on November 5<sup>th</sup>, 1917. He was buried in the Consecrated Ground of the **Brookwood Cemetery, Brookwood, Plot 11, Row B, Grave 22, in the Australian Military Section**. The deceased soldier was accorded a full Military Funeral, the polished elm coffin being draped with an Australian Flag, with Firing Party, Bugler, and Pall Bearers supplied, and participating in the ritual. Mrs Horn, and son J Horn, were in the group present at his funeral. Sergeant Oliver was of the Roman Catholic faith.

In due course, Mrs Oliver received a letter dated 28/5/1918, informing her of her late son being awarded the Military Medal.

### Sergeant Leslie Oliver's citation reads:

For the very gallant and able manner in which he carried out his duties during operations near ZONNEBEKE on the 26<sup>th</sup> September, 1917. On reaching our objective, he proceeded out under our barrage, with a small section of snipers, to cover consolidation: and during this time, he accounted for an entire gun crew at close quarters with his rifle. He remained at the edge of our barrage, keeping the enemy's heads down until seriously wounded by a sniper, and while returning to our lines, assisted a wounded man to seek shelter. During the whole operation, his leadership and example were such as to inspire the greatest confidence in all men in his vicinity. He is strongly recommended for high distinction.

Sergeant Oliver was awarded the British War Medal, The Victory medal, and Military Medal, and the parents were issued a Memorial Plaque. Before the medals were released, Mr Oliver's name had to be given as the "closest blood relation" for "correctness"!

**Although Martha was Leslie's mother and listed as his next of kin on his enlistment records the Australian Defence Force were insistent on finding a 'nearer blood relative'. Letter above.**

**Les Oliver's medals including the Memorial Plaque which was commonly known as the 'Dead Man's Penny'.**

# Lake Grace District High School News

## PEAC Term 2

On the 30th of April the PEAC students visited the Lake Grace Courthouse and Police Station to complement their "Clued Up Kids" topic.

Mrs Amanda Milton, our local magistrate, Sergeant Downey, Constable Gobby and two nameless criminals (actors of course) gave us a very real experience of policing and court proceedings.

Mrs Milton is a consummate professional and a mighty good actor too.

The police gave us a very thorough tour of the station and the old jail facilities, which are definitely not up to today's standards but the students did look right at home behind bars.

The students learnt who make laws, who enforces them and who deals out the penalties in a very 'hands on' environment.

We felt it was a little too real at times which kept the students very quiet and compliant.

A big thank you to all the police and magistrates who keep us safe and help keep the peace, we appreciate all that you do for our community.

# Bits & Pieces

I had planned to write for you an inspirational story in this edition of B and P. But things changed as I came across this article which should tickle your fancy whether you are man or woman.

A woman's view as to why men are never depressed:

- ☺ Men are just happier people and what would you expect from such simple creatures
- ☺ Your last name stays put
- ☺ The garage is all yours
- ☺ Wedding plans take care of themselves
- ☺ To you chocolate is just another snack
- ☺ You can never get pregnant
- ☺ You can wear a white t shirt to a water park
- ☺ You can wear NO shirt to a water park
- ☺ Car mechanics tell you the truth
- ☺ The world is your urinal
- ☺ You never have to drive to another petrol station rest room because this one is just too icky
- ☺ You don't have to stop and think which way to turn a nut on a bolt
- ☺ Same work, more pay
- ☺ Wrinkles add character
- ☺ Wedding dress \$5,000, tux rental, \$100
- ☺ People never stare at your chest when you are talking to them
- ☺ New shoes don't cut, blister or mangle your feet
- ☺ One mood all the time
- ☺ Phone calls are over in 30 seconds flat
- ☺ You know stuff about tanks
- ☺ Five day vacations require only one suitcase
- ☺ You can open all your own jars
- ☺ If some one forgets to invite you, he or she can still be your friend
- ☺ Your underwear is \$8.95 for a three pack
- ☺ Three pairs of shoes are more than enough
- ☺ Everything on your face stays the same colour
- ☺ The same hairstyle lasts for years, even decades
- ☺ You only have to shave your face and neck
- ☺ You can play with toys all your life
- ☺ One wallet and one pair of shoes - one colour for all seasons
- ☺ You can wear shorts no matter how your legs look
- ☺ You can 'do' your fingernails with a pocket knife
- ☺ You have freedom of choice concerning growing a moustache
- ☺ You can do shopping at Christmas for 25 relatives on December 24 in 25 minutes.

And here are some other good reasons why men are a lot happier than women.

## Nicknames

If Laura, Kate and Sarah go out for lunch, they will call each other Laura, Kate and Sarah. If Mike, Dave and John go out, they will affectionately refer to each other as Fat Boy, Bubba and Wildman.

## Money

A man will pay \$2 for a \$1 item he needed. A woman will pay \$1 for a \$2 item that she does not need but it is on sale.

## Arguments

A woman has the last word in any argument. Anything a man says after that is the beginning of a new argument.

## Bathrooms

A man has six items in his bathroom: toothbrush and toothpaste, shaving cream, razor, a bar of soap and a towel. The average number of items in the typical woman's bathroom is 337. A man would not be able to identify more than 20 of these items.

## Future

A woman worries about the future until she gets a husband. A man never worries about the future until he gets a wife.

## Marriage

A woman marries a man expecting he will change but he doesn't. A man marries a woman expecting that she won't change, but she does.

## Natural

Men wake up as good looking as they went to bed. Women some how deteriorate during the night.

## Offspring

Ah children. A woman knows all about her children. She knows about dentist appointments and romances, best friends, favourite foods, secret fears and hopes and dreams. A man is vaguely aware of some short people living in the house.

## Thought for the day

A married man should forget his mistakes. There is no use two people remembering the same things.

So you can get the idea why life is not only a lot happier for men but so much simpler.

I have written this article for women who have a sense of humour and can handle it...and to the men who will enjoy reading it.

PS. Isn't it weird that in Australia our flag and culture offends so many people, yet our benefits don't.

# Lake Grace Artist Group Happenings

*Kerrie Argent*

After a reasonably long break from Lake Grace art group news I am back. Just to keep you informed of our happenings and events. Hopefully some of you out there will enjoy them and find them informative.

We have two exhibitions on at the moment, our 'Black and White on the Move' exhibition. It is on at the Narrogin Nursery Cafe and Gallery until the 29th May so if any one is heading over that way take the time to pop in and have a look.

At the Lake Grace art space we have Laurel Nannup's 'A story to Tell' exhibition, this is on until the 30th June. The opening welcome is on next Monday 25th May; at 6.30pm Laurel and her son Brett will be at the welcoming, all are welcome to attend. We have been able to host this exhibition because of a partnership with the Lake Grace Shire and Art on the Move; we are really pleased to be able to show this great exhibition. Thanks to Tania Spencer and Val and Peter Whiting for helping me install it.

Tania and I are going to Mt Barker to teach canvas making to the Plantagenet and Kendenup artist groups so they can join with us in the Black and White exhibition. We will be taking our Black and White work to exhibit in Mt Barker in August, then all the work from these two exhibitions will come back to Lake Grace to be exhibited in the Lake Grace Regional Artspace in October.

Canvas making workshop in Lake Grace will be on 16th June at 9am. We are running another canvas making workshop for artists and community members who would like to join us in the Black and White exhibition. This workshop is free you just pay \$20 for materials to make the frames and the canvas. If you would like to join us in the exhibition but are unable to make your own canvas, these will be \$30. Please let Kerrie Argent know 0447 791 399 or [kerriearg@hotmail.com](mailto:kerriearg@hotmail.com) if you are interested in coming or want a canvas made, so we have enough materials available.

Have any of you wandered into the artspace lately and watched Tania Spencer create her giant knitting project? These are three huge sails that are part of her public artwork that is going to be installed outside of the new Coles complex on Albany highway in Albany. Well done Tania and we are looking forward to seeing them installed very soon.

Our next workshop is printmaking with Nicki Green on

the 13th and 14th June, watch for the advertising on this and check out the Lake Grace artist group Face book page for further information.

Katanning Shire is looking for artists from the Great Southern and surrounding areas to be part of a town project. They are also looking for a botanical artist. Ring 9821 9999 Janelle Bairstow.

The Lake Grace Artist's Group gets together every 3rd Tuesday of the month usually from about 10am, the meeting is held at 1pm. We welcome all past and new members to come and join us. We encourage all mediums of the arts and are a very eclectic group, so what ever you do you are welcome, and we have members from all over the place not just Lake Grace.

Well that's enough from me this week, I'll be back next fortnight, to let you know what is happening

# 2015-16 Budget Highlights for Wagin Electorate

## Media release

The Wagin electorate is set to benefit from a host of important 2015-16 State Budget commitments to the region, including a significant \$4 billion Royalties for Regions investment over the next four years.

Local Member Terry Waldron MLA is strongly supportive of the popular Royalties for Regions program, which in 2015-16 and beyond will continue to deliver ongoing financial, infrastructure, health, social, recreational, sporting and other benefits to the Wagin electorate and throughout the regions.

Projects to benefit from the Royalties for Regions investment for the regions include:

- Seizing the Opportunity in Agriculture - WA Open For Business, Boost Grains Research and Development Support
- Health - St John Ambulance Services, Royal Flying Doctor Service and the Southern Inland Health Initiative (SIHI)
- Tourism – including Regional Visitors Centre program, Parks for People, Regional Events program and Road Coach replacement
- Education - Regional e-Learning program, Boarding Away from Home and Better Beginnings
- Aboriginal initiatives
- Sport and Recreation – Supporting Community Sport program, Community Pool Revitalisation initiative and the Recreational Boating Facilities Scheme
- Community Support Services - Community Chest Fund, Regional Grants Scheme and the Country Age Pension Fuel Card
- Economic Development – Regional Buy Local initiatives.

Regional Development Minister Terry Redman MLA said the State Government's \$4 billion Royalties for Regions commitment would build economic strength

and create opportunities for job and employment growth throughout regional WA.

"Royalties for Regions continues to deliver great benefits to regional WA despite the State entering a period of tight fiscal constraint. The program remains unchanged, ensuring mining royalties flow back to the hard-working regions in which they are generated," Mr Redman said.

"Since being introduced in 2008, Royalties for Regions has delivered more than \$6.1 billion to regional WA, funding more than 3600 projects that are changing regional communities for the better."

According to Mr Waldron, as part of the Royalties for Regions package, through the Growing Our South initiative, \$600 million will be utilised to revitalise the Great Southern, Wheatbelt, Peel and South West regions.

"Growing Our South is an excellent initiative that I strongly support. In 2014-15, millions of dollars were pumped into important Growing Our South projects including initiatives in Narrogin, Katanning, Boddington and surrounding areas and this will be the case again this financial year," Mr Waldron said.

He is also very pleased that Boddington Hospital will benefit from \$1.9 million through the SIHI Small Hospital and Nursing Posts Upgrades program for refurbishment works. Funding has also been allocated to ensure the provision of General Practitioner services to the Boddington region over the next four years.

"The funds for Boddington build on SIHI refurbishment works that are being implemented at the Gnowangerup, Kojonup, Lake Grace and Wagin Hospitals and at the Tambellup Health Centre," he said.

Mr Waldron is also excited about an \$18 million Royalties for Regions investment (over three years), which delivers on an election commitment for a Department of Parks and Wildlife Bunbury headquarters.

"Although this project does not fall in the electorate, people from the upper Great Southern will be advantaged and it is a major breakthrough for the regions as it's the first time a government has committed to decentralising a major agency to a regional area," he said.

"It makes sense to have these facilities south of Perth where more wildlife live, roam and can be protected. School groups and tourists will enjoy the boardwalks, lookouts, recreational activities, be able to see wildlife in their natural habitat, and the centre will also showcase WA's south and be utilised as a science hub."

## 2015-16 Budget Highlights for Wagin Electorate

initiatives that locals will benefit from include:

- \$20 million (over four years) for prescribed burning to improve community safety in the South West, which is timely after the recent major fires that affected Hotham Valley
- \$29.9 million for the South West Emergency Rescue Helicopter Service (for South West, Wheatbelt, Great Southern and Peel)
- \$85.2 million for the Social Housing Investment Package (starting 2016-17);
- \$11 million over two years for a Regional Tourism Marketing Campaign;
- Each region will have access to \$362 million over four years to implement major economic, social and community development projects that arise from their respective Regional Investment Blueprints
- Country Age Pension Fuel Cards will be indexed to \$565 per annum for each eligible card holder from July 1, 2015.
- \$26 million for a new suicide prevention strategy
- \$8.1 billion for the delivery of health services in 2015-16, with a \$243 million (4.6%) increase in spending on public hospital services
- \$4.8 billion for delivery of education services in 2015-16, up \$294 million (6.5%) on 2014-15
- A 1.5km shared path to be built in Bremer Bay to promote tourism
- \$4.7million for the Kukerin sewerage scheme

"I'm pleased that many people and communities will enjoy the fruits of this Budget not just in 2015-16 but in years to come," he said.

Mr Waldron is also supportive of general Budget announcements including:

- Spending on disability services up \$98 million (11.3%) in 2015-16

## Wildcare Helpline

The Wildcare Helpline (08 9474 9055) is a telephone referral service for sick, injured and orphaned native wildlife across WA, wholly operated by volunteers but managed by the Department of Parks and Wildlife.

The Wildcare Helpline regularly receives calls from members of the public who have been advised to call by their local council or shire. While we will always assist with native wildlife some calls are concerned with situations which the Wildcare Helpline is not able to assist with. This can lead to frustration and sometimes anger due to the caller being mis-informed that we can help.

Please be advised that the Wildcare Helpline provides a service for members of the public who find sick, injured or orphaned native wildlife only.

### The WILDCARE Helpline CAN:

- offer advice on sick, injured, orphaned or displaced native wildlife;
- refer callers to a wider network of experts for assistance, including volunteer wildlife rehabilitators and reptile relocators.

### The WILDCARE Helpline CANNOT:

- attend rescues;

- Assist with stray or nuisance animals caused by domestic issues;
- assist with sick or injured non-native or domestic animals (including, but not limited to, dogs, cats, rabbits, horses, cows etc) - Contact the **RSPCA** instead - 1300 CRUELTY (1300 278 3589)
- Remove carcasses from private or shire/council-managed land;
- Assist with non-native or pest species – for these, report to local Department of Agriculture offices - <https://www.agric.wa.gov.au/office-locations>

More information on the Wildcare Helpline, including First Aid for wildlife advice and a list of wildlife rehabilitation centre contacts, can be found on the Parks and Wildlife website - <http://www.dpaw.wa.gov.au/about-us/contact-us/wildcare-helpline> - A Google search of "Wildcare Helpline" will also take you there.

As we are a volunteer helpline with limited resources, we would appreciate only those calls related to sick, injured and orphaned native wildlife be referred to us. In 2013-14, the Helpline received over 10,000 calls.

## Sunday 10 May 2015

Second game of the year saw 17 people tee off for a Stableford event sponsored by Neu-tech.

Mens Winner: Gary Leo 46 points to an unlucky runner up Dean Sounness 43 points.

Women's Winner: Helen Hunt 33 points, runner up Michelle Lay 31 points.

Thank you to Neu-tech for their valued sponsorship, it was a great day.

## Sunday 17 May 2015

Sunday's event was a par day, sponsored by Leading Appliances.

Even though the weather looked grim, it didn't scare 8 people from teeing off for the day. Unfortunately half way through the round the greens were flooded with water and the day was cut short, completing only 9 holes.

Not surprisingly three of the four players who played the front nine, featured on the winners list, played in fine sunny conditions whilst Peter Hudson was the only player able to manage the monsoonal/torrential rain conditions players on the back nine had to endure, coming in with a positive score of +1.

Mens Winner: Craig Reeves +3, runner up Warrick Millar +2, Max Ratana +2 and Bob Jane +1

Don't miss your chance to enter into the draw to win a Thermomix, tickets only \$10.00, available from Golf Club members and some town businesses, closing 30 August 2015.

We look forward to seeing everyone at this weekend's event, a 4BBB sponsored by SBM Tyres.

Thank you for your ongoing support.

# Auskick

*Missy Clifford*

This year we nearly lost Auskick as we couldn't find a coach. It would have been a shame as we have 24 eager little players who thoroughly enjoy their Thursday rough and tumble! Our Junior Footy Committee decided to run off a parent roster instead of ending the programme. So far this roster has worked well with each parent taking their turn on both Thursdays 4.15pm and Saturdays 1pm at home matches.

We are hoping these future Bombers can learn about the importance of good sportsmanship and increase their skill level; hopefully reducing the chance of any bad footy habits before getting to D Grade.

Junior Footy (D Grade & Auskick) are catering for dinner this Saturday night at the Pavilion. Junior Footy members are asked to please contribute \$10 towards the buns and patties. This can be paid to either Julie King, or me, or by EFT. This is a great fundraiser for our Junior Footy Club so please lend a hand if you are available and stay for dinner and support your Club.

Missy Clifford

The Footy season for our 20 juniors started with a camp at Camp Quararup, Albany on the 20th March. This is an annual weekend away not only anticipated by players but also by their Fathers! It's a chance to bond with old teammates, new Year 4 players, new coaches and committee members. It's an action packed weekend including a Father/Son footy game and Laser Tag with intense competition accompanied by a well-planned diet with lots of salad!!!!

This year we welcome dual coaches Joe O'Neill and Darren Clifford who have a tough act to follow after Kelvin O'Neill led them to a Premiership last year. There is no doubt that with their extensive knowledge & experience and another talented side it shouldn't be too long between Grand Final visits. After Round 4 the ladder results prove that an entry into the Grand Final could be possible?? We are lucky to have larger numbers than some teams and I would like to congratulate the boys on their fantastic sportsmanship. When asked who would like to help out the opposition, they are always willing to put their hand up. Well done boys.

I would like to thank our committee for all their time and effort, we've had a really busy few months preparing for another great season. This year it is our turn to manage the Junior OFA books so thank you to Mark Pearce (President), and also to Janine Watson (Secretary) who has stayed on to help me and our Club out.

Thank you also to those parents that have helped out with the new Pavilion busy bees. Your time and effort is sincerely appreciated.

Thank you to Nat Fyfe who has again sponsored our weekly player awards which was aptly named the 'Fed by Fyfe' Award. Your support is greatly appreciated by our juniors, their parents and our Community.

This week we play at home against Boxwood. Our Junior Footy Club (D Grade & Auskick) will be catering the evening meal. We ask our junior families to please contribute \$10 towards the purchase of buns and patties. This can be paid to either Julie King, by EFT or to myself. Please also lend a hand in the kitchen if possible. Stick around after the game for dinner and support our Club.

## Round 3

Lake Grace faced top of the ladder Gnowangerup in warm sunny conditions here at Lake Grace.

### A Grade

With another new starting 7 line up from coach Kaz (Karen Bairstow), the Lake Grace ladies rewarded themselves with the best three quarters of play this season, going goal for goal. Unfortunately LGP dropped away in the last quarter with the final score finishing GWNP 47 – LGPN 39. Despite going down by 8 goals, the ladies were on a high for the hard work in training and getting used to playing with new faces finally paying off on the court.

**Best On Ground** was awarded to Claire Wells, who put in an a tight one on one as GK for the match, coming away with some great interceptions.

**Coaches Award** went to Joely Slinn who ran C for all four quarters. She read the game perfectly and with her bullet like passes fed the shooting circle extremely well.

### B Grade

The girls got off to a great start in the first two quarters with some marvellous defensive work. Unfortunately

Gnowangerup were here for a purpose and played very strong fast netball and their shooting was on point. They were the better side on the day coming away with the win. GWNP 36 - LGPC 11. Coach Sym (Symone McKenzie) was proud of her girls for never giving up.

**Best On Ground** went to Sarah Allen, who played a blinder in her defence bibs GK and GD. Her positivity throughout the match always shows, lifting her side up. Great zoning Sarah!

**Coaches Award** went to Tiana Garlick, who played her first full match of the season, she never once gave up on her opponent and worked extremely well with Sarah in the circle.

### Juniors

With players absent and no reserves the girls fought hard for the 4 quarters to win LGPC 26 – GNWP -5. A big thank you to Ruby Stanton, for stepping up from nettas this week to play for us. Great team work this week, the year 6 & 7 girls especially stepped up and showed great leadership skills to their team mates.

**Best On Ground** went to Jessica Duckworth in WA for her super speedy leads backed up by her great defence.

**Coaches Award** went to Kaitlyn O'Neill in GA for sharing the ball around and her consistent goal shooting.

### Nettas

With 15 girls available to play, the girls had a fantastic game. With lots of smiles all round. Well done to everyone on really trying hard to get in front and attack the ball. Keep practising your Sponge Bob! Coach Shelley is so proud of you.

On behalf of the Netball Club we would like to say a big thank you, to the nettas and junior parents for the delicious evening meal. Your efforts are much appreciated. A big thank you to Shelley Stanton for coordinating the meal, also to Kristie Stanton, Nick Smith, Tania Bray, Wendy O'Neill and Shelley Stanton for working on the night. And thank you to Ruby & Kaitlyn for helping to serve the meal.

Well done to all who won the awards and a big thank you to the sponsors and other supporters who make these days a success.

## Round 4

With cold and windy conditions on Saturday, we can thank our lucky stars Newdegate has indoor courts.

with a win. And she was right, with the final score being LGPC 40 – Newdegate 26. They fought hard throughout the match working extremely well, placing the ball to each other smartly and backing each other up.

**Best On Ground** was awarded to Kristie Stanton, who had a tight body on body match up, but our captain stood her ground and won the ball from her opponent every time in her GD – C bib.

**Coaches Award** went to Magdalen Trevenen who played the match at GA who shot extremely well under pressure from the taller Newdegate defence.

## B Grade

Two very new sides between Lake Grace and Newdegate for the B graders this year. So Coach Sym wasn't too sure what to expect. She told her girls to go out with confidence, and that they did. This led to some great defence work and some excellent passes into the shooters. Newdy didn't let them have it easy, but LG was extremely happy to come away with a draw ending in LGP 20 - Newdegate 20. We would like to welcome back to the court Symone McKenzie in the GA bib for the first time this season, you played a great game.

**Best On Ground** went to Sonia Harris who in her GD bib defends extremely well and brings the ball down court with speed, and directs the play throughout her team.

**Coaches Award** went to Sarah Allen who played GK for the match. Well done for taking your training onto the court your outside arm defending was on point. And Sarah, on behalf of the A & B ladies, Congratulations for your first game, not falling over your own feet. We're proud of you!

## Juniors

Another outstanding win for Wendy's girls this week. Well done to all you girls for putting on an incredible match. Wendy had the opportunity to try out new positions and plays and the girls stepped up to the mark with the final score LGPC 48 – Newdegate 8.

**Best On Ground** went to Jessie Walton who played a good tight on defence in her GK and WD positions.

**Coaches Award** went to Paige Zweck playing GS who has improved her leading immensely.

Well done to all who won the awards and a big thank you to the sponsors and other supporters who make these days a success.

**A few updates and reminders from the Netta Camp this week.**

The Dinner Roster last home game against Gnowangerup was a huge success, so thanks to everyone for cooking your curry and supplying rice,

pappadums, chutney etc. It was greatly appreciated and we raised approx. \$800 for the club. Well done!!

The donut roster starts this week, so please check the roster to see if you have a duty and also a reminder to please supply your plate for afternoon tea for our home games.

Nettas held a meeting last Thursday after training in relation to the large numbers and what we should do to make the court time and game running fairer. With all of the parents present and a lot of discussion it has been decided that we play our older girls, (Year 3 & 4) on Saturday games against the other teams. We will still train with all the girls to increase skills. However we are aiming to play a scratch match on Saturdays when we play home to give all the girls the chance to play in a game environment, this will run by parent roster. It is amazing to see so many youngsters so interested in the game. Coach Shelley would like to say a big thank you to the girls and parents for their commitment.

## ROUND 3

**Thanks to our Sponsors for this week who were CSBP (Greg Pinney), LANDMARK LAKE GRACE, FARMERS CENTRE LAKE GRACE and GREAT SOUTHERN FUEL SUPPLIES.**

LGPFC vs GNOWANGERUP Played at LAKE GRACE on 9/5/2015

The weather was fine, partly overcast with a light South Easterly breeze blowing across the ground.

## LGP A RESERVES

The Reserves game commenced at 11.15 am with the Bombers fielding a strong team of players with league experience.

LGP commenced the game kicking to the South end of the ground which is in magnificent condition thanks to PK from the Shire for his passionate attendance to the sports grounds.

The Bombers were the first to score a major at the 5 minute mark and despite having the ball in their forward line for most of the term only added 2 more goals for the quarter.

Quarter time score was LGP 3-3 (21), Gnowangerup 0-1 (1)

Gnowangerup booted the first goal in the second term followed by a quick response by a Darren Clifford major. LGP continued to pick up the pace and added 4 goals for the quarter to the Bulldogs 2.

Half time score was LGP 7-6 (48), Gnowangerup 2-1 (13)

The Bombers really picked up the pace in the third, adding 7 goals 1 behind to Gnowangerup 2 behinds. Players such as Marcus Argent, Tom and Aaron Dunham, Rohan Trevenen, Patrick Smith, the Hein brothers and generally most of the team upped the intensity to take charge of the match.

Three quarter time score was LGP 14-7 (91), Gnowangerup 2-3 (15)

LGP continued on their merry way during the third term to win the match by 100 points. Well done guys.

The final scores were LGP 19-9 (123) defeated Gnowangerup 3-5 (23)

Goal scorers were Marcus Argent 6, Jon Callope 3, Pat Smith 2, M. Hein 2, Kael Gray 2 and Bill (Grant) O'Neill, Darren Clifford, Aiden Sadler-Marks, Rohan Willcocks 1 each.

Better players for LGP were Darren Clifford, Patrick Smith, John Callope, Grant O'Neill, Marcus Argent and

Kael Gray.

Awards: Best on Ground Patrick Smith, Runner up Best on Ground Darren Clifford and coaches award went to Brian Flavin.

## LGP JUNIORS

In the Juniors game LGP defeated Gnowangerup by 70 points in a match where the Junior Bombers were too strong all day.

LGP 12-14 (86) defeated Gnowangerup 2-4 (16)

Fed by Fyfe awards went to Rory Murray and Ben Hawley.

## LGP LEAGUE

Commenced at 2.15pm with umpires Herbie Hart and John Cooper in charge of today's match.

Quarter time score was LGP 4-4 (28) Gnowangerup 6-3 (39)

Half time scores stood at LGP 7-7 (49) Gnowangerup 11-6 (72).

Three quarter time scores were LGP 10-9 (69) Gnowangerup 13-11 (89).

Final scores were LGP 12-14 (86) defeated by Gnowangerup 18-12 (120).

Goal scorers for LGP: Damon Pelham 5, Dennis Gittos 2 and Jack Carruthers, Craig Clinch, Pat Smith, Chris Poot, Luke Bairstow 1 each.

Better players were Luke Bairstow, Mitchell Smith, Kane Pinney, Alex Duckworth, Jack Carruthers, Damon Pelham, Craig Clinch and Rob Enright.

Award winners were: Best on Ground Luke Bairstow, Best on Ground runner up Kane Pinney and Coaches award went to Rob Enright.

## ROUND 4

**Thanks to our Sponsors for this week who were Lake Grace Hotel, Farmworks & Greenline AG John Deere.**

LGPFC vs NEWDEGATE played at NEWDEGATE on 16/5/2015

The weather was fine but with a strong Northerly wind of about 30 Km/h blowing down the ground for the first Derby of season 2015.

## LGP A RESERVES

The Reserves game commenced at 11.15 am with the Bombers fielding a similar team to last week but without Marcus Argent and Rohan Trevenen (Injured) when

# Lake Grace Pingrup Football Club Notes (cont.)

they defeated Gnowangerup by 100 points. Newdegate fielded a full side which was a surprise from recent history and which comprised many experienced older footballers who had fronted up I guess because the day was not conducive for farming operations.

The Bombers were under pressure all day from the strong Newdegate line-up and what proved to be the difference at the end was the skill and goal kicking prowess of Simon Cugley who scored 5 majors for the match. The game was played in good spirit with the Bombers fielding several junior players.

The final scores were LGP 4-4 (28) defeated by Newdegate 8-4 (52)

Better players for LGP were Darren Clifford, Aaron Dunham, Grant O'Neill, Grant Marshall and Mitchell Smith (Lake Grace) who played his first senior game for the Bombers.

Awards: Best on Ground Grant O'Neill, Runner up Best on Ground Matt Sinclair and coaches award was shared by Mitchell Smith (Lake Grace) and Ethan Hancock.

## LGP JUNIORS

In the Juniors game LGP defeated Newdegate by 54 points. It has been agreed by the OFA Junior committee that where possible the teams be evened up in **order to allow a better football experience for the players in the weaker teams. Even though the Junior Bombers won by 54 points there was a more competitive theme to the match.**

Final Scores LGP 10-10 (70) defeated Newdegate 2-4 (16)

Fed by Fyfe awards went to James Ayers-Dillon and Cody Giles.

Better players for the Junior Bombers were Rory Murray, Luke Clifford and Cody Giles.

## LGP LEAGUE

Commenced at 2.15pm with umpires father and son team Chris and Jarrad Norton in charge of today's

match. Newdegate won the toss and elected to take the wind and kick to the South end of the ground.

It was evident from the start that the Newdegate Lions were going to be formidable opponents as they had 2 goals on the board within minutes of the opening siren aided by the strong wind. The Bombers could not penetrate into the wind and through the Newdy back line and at the first break had not scored

Quarter time score was LGP 0-0 (0) Newdegate 5-2 (32)

LGP scored their first goal of the match via Craig Clinch about 5 minutes into the second term. The Bombers added one more goal and so did the Lions at the half time break. The Bombers seemed to be lacking a focal point in the forward line but not to take anything away from the strong Newdegate back line.

Half time scores stood at LGP 2-1 (13) Newdegate 7-3 (45)

The third quarter was not good for the Bombers as they scored 1 goal from Tyson Bell but managed to hold the Lions to 4 goals 4 behinds which was a good effort from the LGP defenders as Newdy obviously had a superior midfield for the Bombers to contend with.

Three quarter time scores were LGP 3-1 (19) Newdegate 11-7 (73)

The Bombers were able to tidy up the scoreboard a bit during the final term with the wind but still went down by a margin of 45 points.

Final scores were LGP 7-4 (46) Defeated by Newdegate 14-7 (91)

Multiple goal scorers for LGP: Jack Carruthers 2, Luke Bairstow 2.

Better players were Luke Bairstow, Kane Pinney, Jack Carruthers, Damon Pelham, Reuben Smith and Justin Carruthers.

Award winners were: Best on Ground Luke Bairstow, Best on Ground runner up Reuben Smith and the Coaches award went to Jack Carruthers.

Not the best games against the Vipers (Kulin & Kondinin amalgamated this year).

C grade had their work cut out against a much bigger team. Our future stars, Morgan Chatfield, Cami Smith, Ash Faulkner and Mabel Dines all took to the field sharing the wing position this week, and worked very hard to assist their team. Great work from Ben Smith through the centre with support from Jack Faulkner running at least 100 miles an hour. Stella Dines was peppered in the goals and made some excellent saves. Well done Stella.

Our B grade held well and was just unlucky to not score as there were plenty of opportunities.

Debuts in B grade this week from Jack Faulkner and Neve Mycoe who did very well and we welcomed back Maddy Walker who was up for the weekend and keen for a run.

A grade was undermanned this week and struggled against a cohesive Vipers team.

We drew our Mother's Day raffle on Saturday after the games. First prize was won by Anne Ogilvie and second by Michelle Gooding. Thank you to everyone who supported this and especially to Leonie from Lake Grace Health & Beauty for making up the beautiful basket of goodies for us. Your continued support is much

appreciated.

Off to Hyden to face the top of the table Karlgarin/Hyden with high hopes for better results than the previous week.

Our C grade team was well matched for the majority of the game with goals coming from fast breaks by Jack Faulkner, including fantastic support from little sister Ash on the wing. Well done C graders.

B grade put in a great effort against a stronger team and great to see our younger players giving their best shot after playing a full game of C grade.

A grade looked much better this week even though missing a couple of players. Well done to Mel Smith on her A grade debut at half back. Julie scored our first goal with a nicely placed flick over the goalie and ten minutes into the game the score was tied at 2-2 which boded well for us. Unfortunately we were unable to score in the second half and went down 4-2. The score does not reflect what was an excellent game.

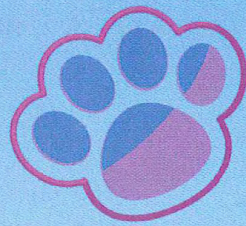

Well done to our players heading down to country week in a month representing Roe Districts. The top RDWHA side includes LGK players, Phoebe Robertson, Kaitlin Taylor, Sharni Chiswell, Julie Ditchburn and Mel Ogilvie. Representing the older generation are Fiona Chatfield, Tracy Taylor and myself in Masters and Trish Leo coaching our second side.

This Saturday we play against Narembreen in Kukerin, then a well needed break for the long weekend.

Thanks as always to the Sportsman's Club and the Kukerin Hotel for your weekly support.

## Lake Grace DHS Board

The LGDHS School Board will be running a Student Profile page in the up and coming School Newsletters and Lakes Link News. We would like to acknowledge the achievements of our past students and find out where they are now and what they have achieved since finishing studying at LGDHS.

If you have completed to Year 9 or above and would like to be part of this profile page please email [taniajared@yahoo.com](mailto:taniajared@yahoo.com) and I will send you a copy or fill in the form & return to PO Box 166 Lake Grace. You could fill one out if you've done your high school here!

We would also love to hear about any achievements of our past students who are currently studying away. It is always nice to hear how students are going.

Our second profile is from Trent Frost who was a student at Lake Grace District High School from 1992—2001.

**NAME:** Trent Frost

**YEARS AT LGDHS:** 10

**HIGHEST EDUCATIONAL LEVEL ACHIEVED AT LGDHS:** Year 10

**WHAT DO YOU FEEL ARE THE POSITIVE FACTORS OF STUDYING AT LGDHS?**

- Strong community spirit and inclusiveness
- Class sizes facilitate one-on-one learning with students and help to identify the individual needs of students
- Good physical education programs which teach the importance of being active in both competitive and non-competitive settings
- Good history and culture
- Good facilities and amenities including classrooms, administration areas, equipment, common areas, sports oval

**SUMMARY:**

Lake Grace DHS was a fantastic school to attend and the quality of learning during my time was generally very good. The chance to grow and develop with a small year group relative to larger schools was great and I have made many lifelong friends.

During my time in high school at Lake Grace, student numbers decreased to the point where a deputy principal in the high school was unable to be justified which was a huge loss. There are always challenges with delivery quality education in rural areas, however Lake Grace has done a good job of this in my opinion.

I hope to see continual support for Lake Grace DHS from both the education department and also the local community to see the school prosper into the future and provide this very important service to the area.

**STUDY/CAREER ACHIEVEMENTS SINCE LEAVING LGDHS:**

- Graduated Year 12 from Narrogin Senior High School
- Bachelor of Commerce (Management & Information Systems) from Curtin University
- Master of Accounting from Curtin University
- Chartered Accountant from The Institute of Chartered Accountants Australia
- Manager at RSM Bird Cameron

### Sudoku

- ☐ The Sudoku grid of rows and columns is divided into individual 3x3 boxes.
- ☐ The aim of the game is to fill each row, column and 3x3 box with the numbers 1 to 9.
- ☐ You can't repeat numbers in a row, column or 3x3 box and you can't change the numbers already in squares.
